

Early Support for Infants and Toddlers

ESIT Provider Agencies

Annual Determinations

FFY24 (July 1, 2024 - June 30, 2025)

The *Individuals with Disabilities Education Act (IDEA)* requires the State Lead Agency (Department of Children Youth and Families) to make annual “Determinations” regarding the overall compliance for each Provider Agency (PA).

On November 21, 2025, the Early Support for Infants and Toddlers (ESIT) program issued FFY24 Determinations.

Each ESIT PA received a determination level that fell into one of the following four categories:

- Meets the requirements of *IDEA*;
- Needs assistance in implementing the requirements of *IDEA*;
- Needs intervention in implementing the requirements of *IDEA*; or
- Needs substantial intervention in implementing the requirements of *IDEA*.

Specific technical assistance and/or enforcement actions may be required for ESIT PAs that are not determined to “meet requirements”.

The following Determination levels were issued for FFY24:
