Community Funded ECEAP
Funding Organization Commitment

Senate Bill 5107 provides the framework for more high-quality early learning opportunities statewide. This legislation allows local governments, school districts, institutions of higher education and nonprofit organizations to contribute local and private funds to the Department of Children, Youth, and Families (DCYF) in order to expand access and eligibility in the Early Childhood Education and Assistance Program (ECEAP).

Organizations interested in funding Community Funded ECEAP (CFE) should submit this form via email to ECEAP at eceap@dcyf.wa.gov. An ECEAP representative will contact you to discuss next steps.
