

STATE OF WASHINGTON
DEPARTMENT OF CHILDREN, YOUTH, AND FAMILIES

**Waiver of Right to Receive Written
Information on Adoption Support
Program Limitation**

I / We, the undersigned prospective adoptive parents, have been informed of our right, under RCW 74.13A.020(4), to receive in writing the following information describing limitations of the adoption support program at least six months before finalizing our adoption:

- Limits on monthly cash payments to adoptive families
- Limits on the availability of children's mental health services and the funds with which to pay for these services
- The process for accessing mental health services for children receiving adoption support services
- Limits on the one-time cash payment to adoptive families for expenses related to their adopted children; and
- That payment for residential or group care is not available for adopted children under the adoption support program.

We/I understand that we have the right to delay our adoption plans so that we have additional time to consider the limitations of the adoption support program and to take full advantage of the six-month time period. We choose to waive that right and proceed with the adoption. We have discussed our decision with our attorney or have had the opportunity to consult with our attorney before making this decision. We request the Department to assist us in finalizing the adoption according to our plan.

We/I choose to proceed with adoption as this time: Yes No
