

## Employed Foster Parent Child Care Plan

**WAC 110-148-1610 (2b) – What are the requirements for supervising children in my care?**

2b. Advise the child's DSHS worker about your plan for supervision of children in your care if you work outside the home.

You will also provide a general plan to your licensor during the licensing process.

Please describe below the arrangements for child care you will make for children placed with you.
