Today's Agenda

1. Introductions and Purpose
2. Plan for FY23 Meetings (January to May 2023)
3. Experiences in the Field on Training and Use of the PCI Tools
 - HFPI
 - PICCOLO
4. Check-in/Reflection

1. Introduction and Check-in

- Welcome
- Today's purpose
- Agenda

Today's Purpose

- Restart the PAT PBC Work Group!
- Continue to learn about experiences of training and piloting the HFPI and PICCOLO

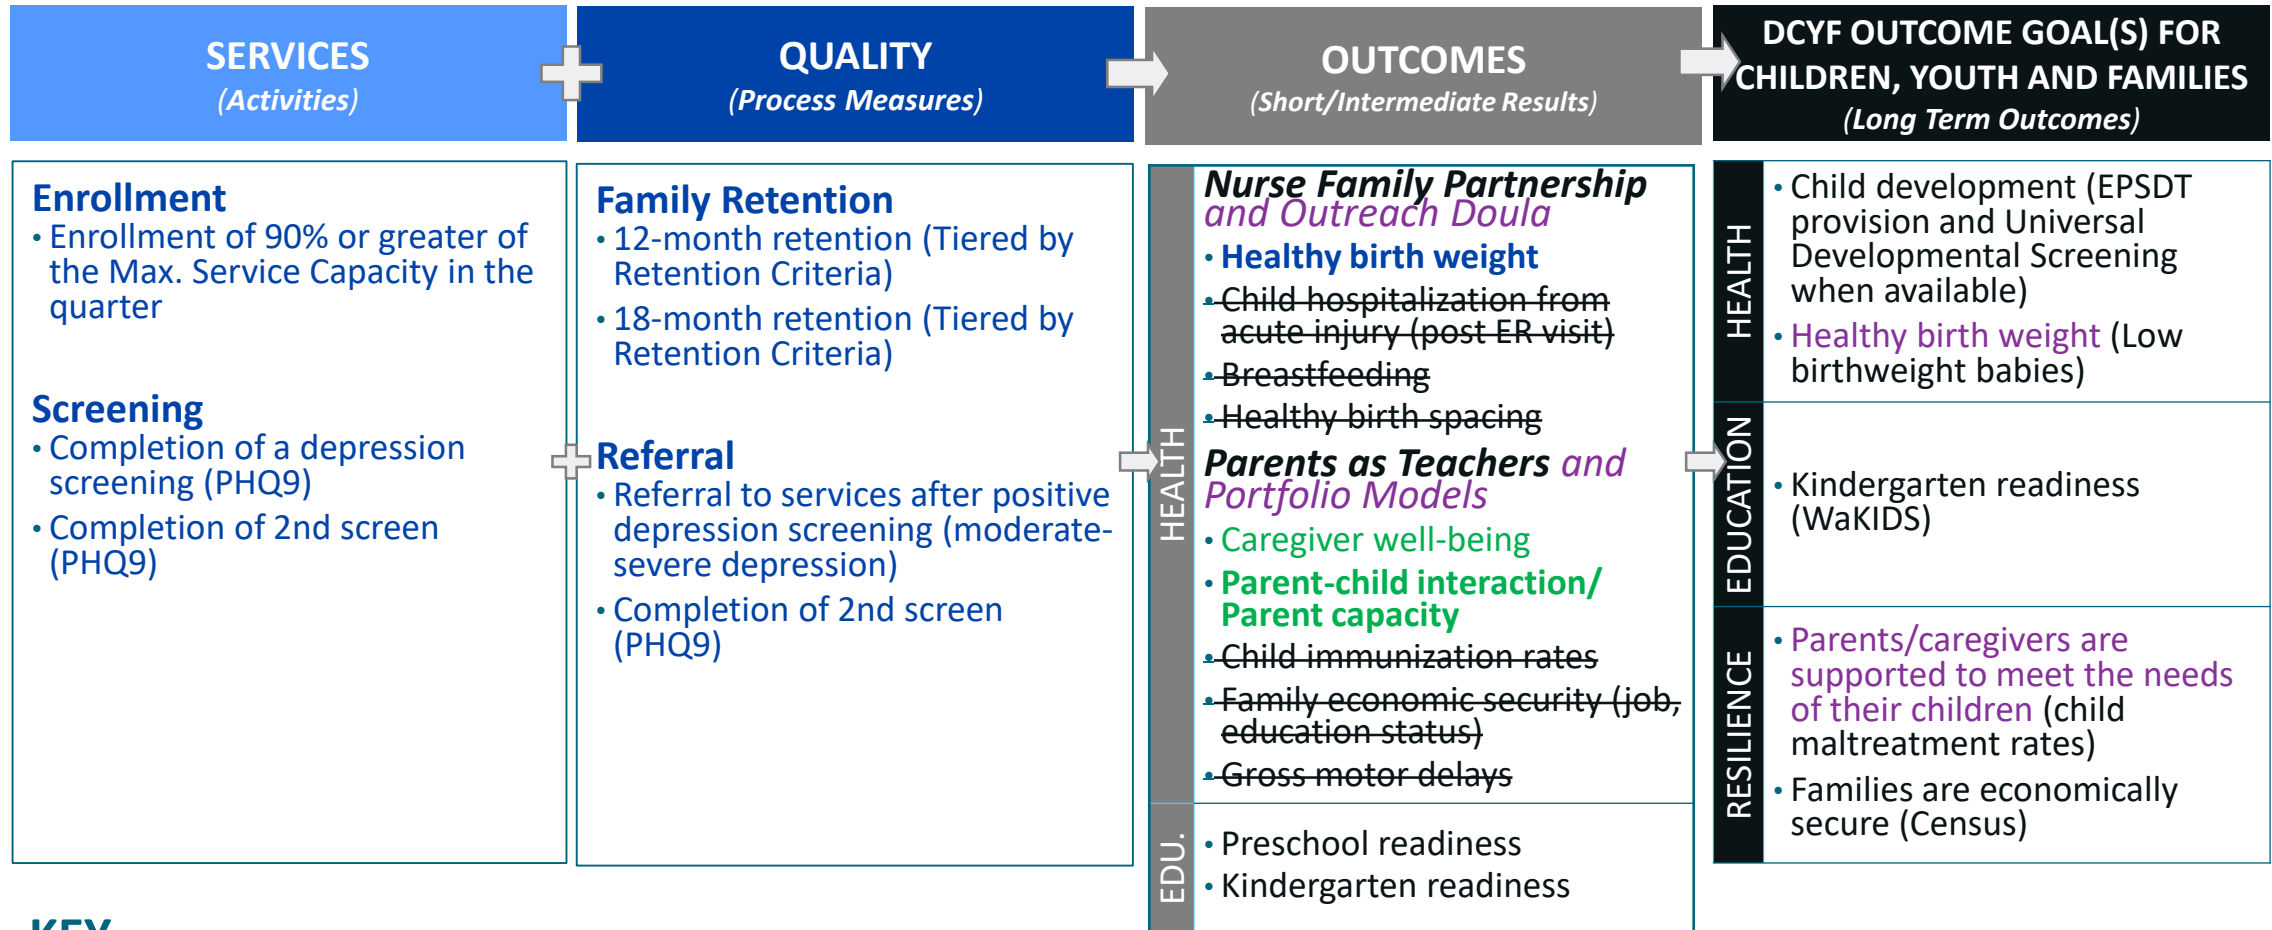

Engaging!

- The entire meeting will be high engagement!
- Please be present and, if comfortable,
 - Share video
 - Speak up
 - Chat in thoughts frequently

2. Plan for FY23 Meetings (January to May 2023)

- PBC Context and Goals for FY23
- Meeting Topics
- Meeting Cadence

HV: PBC Logic Model *(historical view)*

KEY

PAT PBC Goals for FY23

- Exploring Parent Child Interaction as a PAT Outcome:
 - *Continue to learn from training and use of PICCOLO and HFPI*
 - *Review data collected in the pilots of PICCOLO and HFPI*
 - *Discuss any implications for outcome identification*
- Exploring Parent Caregiver Well-Being as a PAT Outcome:
 - *Share the analysis of the Caregiver Well-Being sections of the 2020 Caregiver Survey*
 - *Discuss any implications for outcome identification*
- Begin framing a PBC outcome for FY24 PAT contracts

Anticipated Meeting Topics/Cadence

Month	Anticipated Agenda Topics
January	<ul style="list-style-type: none">• Present Goals, Topics and Cadence of FY23 Work Group Meetings• Share Experiences with Training and Using the PICCOLO and HFPI in the field
March	<ul style="list-style-type: none">• Data Presentations: Caregiver Well-Being Survey Findings• Reflections on Findings, <i>Further Implications?</i>
May	<ul style="list-style-type: none">• Parent Child Interaction Data Presentation <i>and Implications</i>• Planning for FY24<ul style="list-style-type: none">▪ Possible Decision: PAT Precise Outcome?▪ Use of PICCOLO or HFPI across PAT programs

3. Hear about HFPI and PICCOLO from the Field

HFPI

PICCOLO

- Review Pilot Tools and Timeline
- Share Experiences with Trainings
- Share Experiences with Use of the Tools with Families
- Survey the field about their experiences?

Measuring PCI/CWB: *HFPI and PICCOLO*

HFPI

Healthy Families Parenting Inventory

Social Support

Role Satisfaction

Problem Solving

Parent/Child Interaction

Depression

Home Environment

Personal Care

Parenting Efficacy

Mobilizing Resources

- 63 items – 9 parenting domains
- Questionnaire – 20 minutes
- Start at birth; measurements 6 months apart
- PAT recognized
- Outcome measures for home visiting with practice utility
- 5 point scale (1=rarely; 2=a little of the time; 3=some of the time; 4=a good part of the time; 5= always/most of the time)

PICCOLO

Affection

Encouragement

Responsiveness

Teaching

- 29 items – 4 PCI domains
- Observation based – 10 minute activity
- Start at 4 months; measurements 4-6 months apart
- PAT and MIECHV recognized
- Can be used with parents for goal setting around responsive parenting
- 3 point scale (0=absent; 1=brief/emerging; 2=strong/frequent)

Parenting Interactions with Children: Checklist of Observations Linked to Outcomes

What Questions Is the Pilot Aiming to Answer

- What outcomes are the best fit for PAT?
 - Meaningful to home visitors and caregivers
 - Measurable with accessible data
 - Relevant to DCYF goals
 - Have room for improvement
- Which assessment tools are
 - Most accurate and reliable in capturing program success?
 - Useful for home visitors in supporting families?

Piloting Steps – New PICCOLO/HFPI Users

Piloting Steps – Current PICCOLO/HFPI Users

- How can we support stronger engagement in virtual training?
- Did your teams feel ready and supported to implement the tools when the training was over?
- What other supports are needed for your teams to implement the tools confidently?

POLL: In the Spring, would you rather see 2 more trainings or 1 training and 1 refresher?

HFPI

Implementing

PICCOLO

- POLLS:
Have any of your team members been trained in use of the PICCOLO or HFPI
- Are you using either of the tools with families?

Implementing

HFPI

PICCOLO

- How is the experience for families?
- For families whose primary language is not English?
- For families of diverse cultures?

Scoring, Identifying Areas for Growth

Culturally Appropriateness

Virtual vs In-Person

Use of Video

Other

HFPI

Implementing

PICCOLO

- How is the experience for home visitors?
- For home visitors whose primary language is not English?
- For home visitors of diverse cultures?

Ease of Use/Integrating into Flow of the visit

Virtual Implementation

Use of Video

Applicability to Family Goals/PAT

Other

Implementing

HFPI

- Other insights, learnings, etc?

- Question for the Group:

Is there value in doing a survey of all the PAT programs (not just those attending here) on

- *Trainings*
- *Use of the tools*
- *Satisfaction with the tools*
- *Concerns with the tools*

PICCOLO

4. Check-In/Reflections

Please chat or voice in

- *1-2 takeaways from today's meeting?*
- *Unanswered questions?*
- *How can our meetings be improved?*

THANK YOU!!!
