

# THERE'S STILL TIME!

**Get trained and start using an electronic attendance system by July 1, 2018 to continue serving Working Connections and Seasonal Child Care children.**

Training is available in-person, online or by self-paced workbook. If you need hands-on support after training, join a learning lab! Choose your training or find a learning lab at:

## Correction to our last notice:

For licensed family home or Family, Friend, and Neighbor providers, you **do not** need to make sure training shows complete in MERIT in order to apply for the \$200.

If you are already using another electronic attendance system, let us know!

For attendance system questions or to report the use of your own system, contact us:
