Finally! Affordable, Accessible Child Care.

If it sounds too good to be true, it's not.

Washington State has expanded access to affordable, high-quality child care for families and parents who are students. The cost is no more than \$165 a month, and signing up is as easy as 1-2-3.

Just go to dcyf.wa.gov/childcare. First, see if you qualify. Second, apply for assistance. And third, find a licensed provider. It's that easy!

There's even over-the-phone help with the application process in multiple languages. Just call (844) 626-8687. And once approved, you're good for the entire year.

If you still don't believe it's true, take two minutes to check out dcyf.wa.gov/childcare.
