What

A voluntary 5–10-minute family survey asking for your experience with our early learning program. Your name will not be shared but depending on the number of families taking the survey, it may be difficult to remain anonymous.

Why

We are participating in the Early Achievers Virtual Quality Recognition Process. Your responses from the family survey will help showcase our strengths and areas for growth and improvement.

Who

The University of Washington Quality Recognition team will review your responses as part of the Quality Recognition Process.

Where/How

You will receive an email from CECI with the survey link or a phone call from a Community Liaison. The family survey is available in multiple languages online or over-the-phone for your easy access and participation.

If you have questions, please visit <https://www.dcyf.wa.gov/services/earlylearning-childcare/early-achievers> for additional Early Achievers information, send questions to: cqel@uw.edu
