Where are we in SFL?

Year 1 of community planning in SFL*:

1. Convening/visioning
 - Connecting to and inviting partners
 - Building shared **community values** and **goals**
2. Story Building
 - Seeking input from community stakeholders
 - Parent and Provider Cafes**
 - Child Welfare Listening Sessions**
 - Sensemaker**
 - Community Mapping**
 - Community Data Review**
 - What data is collected in the community?*
 - What data is collected in Child Welfare?*
3. Community Data Analysis
 - What does the data we have say about community needs?
 - What are we still missing data about?
4. Project coordination
 - What is the **shared governance structure** for Stevens SFL?
 - Revisiting shared **values** and **goals**
 - What **entity** is best suited to help guide a community planning effort?
 - What **entity** is best suited to help sustain a collaborative effort?
5. Action Planning
 - How should available funding and resources be prioritized?
 - With support from contracted entity and using **shared governance structure**, community develops **plan** to meet needs and build protective factors
 - Plans** published and ready to inform work
6. Implementation phase
 - What **entity** is best suited to carry out identified projects?
 - Continued **shared governance** and **sustained collaboration**

*Note that this process is *iterative*, meaning that many steps will be overlapping or revisited. Also, the time frame is flexible and depends on community readiness and needs.

Community Data Discussion:
