Role and Purpose:

In order to carry out its mission, the Council shall advise and assist the State Lead Agency, and the other participating state agencies, on a broad range of policy and coordination issues. The SICC will promote an appreciation for the needs of children that have or are at risk for developmental delays or disabilities and will gain an understanding of the services required to address those needs.

To Support Group Understanding, Please:

- State your name each time you speak
- Speak slowly– this helps our note-taker and interpreters
- Avoid using acronyms and jargon
- Be patient with one another as we practice Robert’s Rules of Order
- Please use the microphone when speaking so all have an opportunity to hear what is being shared
