The Department of Children, Youth, and Families contemplates awarding a sole source contract to Eithos, LLC for Social Service Focused Business Consultation Services.

Under this proposed Contract, Eithos will be engaged to assist with the resolution of a number of organizational issues, confronted by the Agency, in the wake of the merger. These changes represent significant challenges to our traditional leadership structure and skills. DCYF needs to continue to invest in its highest levels of leadership to ensure they can shepherd the agency through these changes and ensure a high level of functionality within Child Welfare Programs.

The contract will be issued on or about September 15th, 2022. The dollar value is estimated at $470,000 for work required during the period ending March 31st, 2023. The term of this Contract may be extended by six (6) months, provided the extension shall be at the sole option of DCYF.

Offerors contemplating the above requirements are required to submit capability statements detailing their ability to meet the state’s requirements by September 1st, 2022. The following information should be included in the capability statements:

- Familiarity with Social Service Work, Specifically Child Welfare
- Unique skills pertaining to remote work and organizational design
- Familiarity with leadership skills in a remote work environment

In the absence of other qualified sources, it is the state’s intent to make a sole source award of the Contract.
