

# WASHINGTON STATE FEDERALLY RECOGNIZED INDIAN TRIBES

## Tribal Social Services Directors and Tribal Lead Social Worker

This list was developed to facilitate contact between DCYF and Washington state federally recognized tribes to ensure timely communication about children and families who are or may be subject to the federal and state Indian Child Welfare Acts. By request of the Indian Child Welfare subcommittee, Washington state tribes are emailed at the end of the month with a request for updates. The list is then posted to the DCYF internet and intranet the first week of each month. When sending (legal) notice the contact and address for the tribe in the BIA [federal register](#) must be used.
