

DCYF is Accepting Applications for the State Interagency Coordinating Council (SICC) Finance Committee

The Department of Children, Youth, and Families (DCYF) Early Support for Infant's & Toddlers (ESIT) program is recruiting members for the State Interagency Coordinating Council (SICC) Finance Committee and is accepting applications from qualified and interested individuals.

About the Finance Committee

The objective of the Finance Committee is to maintain a sustainable system for early intervention that supports streamlined, equitable statewide funding of services for infants, toddlers, and their families and promotes best practice in early intervention. The Finance Committee reviews issues related to funding, including annual budget, funding formulas, funding allocation, and accessing funding sources. The Finance Committee reports findings and makes recommendations to the SICC.

Membership

ESIT is committed to ensuring diverse representation on its committees, including geographic diversity. This committee will be comprised of individuals with experience in analyzing fiscal data and funding allocations, including, but not limited to:

- Parents with experience in early intervention
- Early intervention provider agency representatives
- School district representatives

Members commit to 1.5 to 2 hour virtual meetings approximately every month, with in-person meetings up to once a year. The length of term follows the term of the SICC member. Non-SICC members serve a one-year term with two-year terms thereafter. Finance Committee members are expected to:

- Attend all meetings (or notify committee chair if unable to attend)
- Advise and assist the committee in meeting committee objectives
- Review materials and resources prior to meetings
- Share information and knowledge on committee topics
- Support the committee in reaching their goals (accessing and distributing resources)

Committee members are eligible for mileage reimbursements to help support participation. Mileage will be reimbursed at current state travel reimbursement rates and in accordance with the State of Washington Office of Financial Management Travel Regulations. Current rates for travel can be accessed at:
