### Effective April 1, 2022

#### **GENERAL NOTES:**

- This rate schedule supersedes any previously published Professional Service document for region 5 and 6.
- DCYF does not pay for cancelled, missed or late appointments, report writing, or for travel costs.
- Providers must receive a completed Professional Service Referral form with appropriate authorization signature(s). This is valid for a maximum of 3 months for Counseling/Therapy and 6 months for Evaluation/Assessment.
- Contract General Terms and Conditions #3 and Specific Terms and Conditions #6a prohibit splitting the cost of an evaluation or a specific month of service between DCYF and another party.

Case specific consultation will be paid at the individual counseling rate for a maximum of 10 hours.

#### **ASSESSMENTS AND EVALUATIONS**

#### **NOTES:**

- When possible, clients must pay for domestic violence and sexual deviancy evaluations themselves.
- If there are exceptional circumstances which justify exceeding the allowed hours on the Published Fee Table, then the Area Administrator for the DCYF office making the referral must also approve the request.
- All reports must include the source and reason for the referral, background information on the client, an
  account of the client's view of their history & present situation, and a description of the tests conducted & their
  results. The conclusion section of the report must include a diagnosis, information about prognosis & barriers,
  and specific & detailed recommendations for additional services (including an explanation of those
  recommendations).
- Reports are due to the DCYF worker within 30 days of completing the assessment. All topics specified in the contract and the SW's referral must be addressed. Report writing is included in the overall time allotment.
- All evaluation or assessment reports must include:
  - The source and reason for the referral.
  - Background information on the client.
  - An account of the client's view of their history & present situation.
  - A description of the tests conducted & their results.

The conclusion section of the report must include a diagnosis, information about prognosis & barriers, and specific & detailed recommendations for additional services (including and explanation of those recommendations).
