Home Visiting Budget Assistance Tool (HV-BAT)

- The HV-BAT is an Excel-based instrument developed to standardize the collection of home visiting program cost data nationally
- **MIECHV-funded LIAs** will use the tool to report comprehensive home visiting program service data and costs incurred during a 12-month period (likely the prior fiscal year)
 - Data collection timeline: October 1st - December 2nd
- LIAs will receive a \$5,000 incentive for on-time and approved completion

Webinar: September 22, 3-4pm

Office Hours: October 20, 3-4pm

Home Visiting Web Pages and Updates

- Contracts Manual – will be updated on the website, we are also working on creating a new website format similar to the new data page
- New Data Collection & Reporting - <https://dcyf.wa.gov/services/child-dev-support-providers/home-visiting/data-collection>
