EMERGENCY RULE

Under RCW 34.05.350 the agency for good cause finds:

- That immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.
- That state or federal law or federal rule or a federal deadline for state receipt of federal funds requires immediate adoption of a rule.

Reasons for this finding: Proclamation of the Governor 20-05 declared a state of emergency in all counties in the state of Washington as a result of the outbreak of COVID-19. As of March 11, 2020, the World Health Organization has classified COVID-19 as a pandemic. Proclamation of the Governor 20-31 amends proclamation 20-05 and waives and suspends fingerprint-based background checks before a person may be approved to have unsupervised access to children during the COVID-19 pandemic due to the potential risk of exposure to COVID-19 resulting from face to face contact in submitting fingerprints, limited access to fingerprinting as entities that receive and process fingerprints limit or suspend operations in order to limit exposure to COVID-19, and the unavailability of law enforcement agencies to process fingerprints during the pandemic. The ability to issue background check clearance authorizations before completing fingerprint-based background checks better enables DCYF to ensure the availability of child welfare service providers as well as stable and quality child care during the COVID-19 pandemic.

The amendment to WAC 110-06-120 temporarily removes crimes that account for 33% of family, friends, and neighbors being disqualified from participation in Working Connections Child Care. The amendment is in accord with the federal disqualifying crimes list, significantly increases the number of individuals who may provide care, and will not pose a safety risk for children in care.
