**Q: How are grant payments processed and when will payments be made?**

**A:** Because the FFN Stabilization Grant has a rolling grant application period, DCYF will process batches of grant applications once per month during the application period. The application period ends June 30, 2022.

Providers will receive a grant payment in one lump sum. Please understand that electronic payment processing and the U.S. Postal Service may take several business days, impacting the exact date that providers receive payments. On the second Monday of each month, DCYF will pull a report. Applications in that report are reviewed and, if approved, processed for payment at the end of the month.

<b>Before 8am on the 2<sup>nd</sup> Monday of the month</b>	Payment processes last week of the same month. Payment may be received several business days later.
<b>After 8am on the 2<sup>nd</sup> Monday</b>	Payment processes last week of the FOLLOWING month. Payment may be received several business days later.
