1220	STRATEGIC PLAN	1000-2

1100 CONTEXT AND PURPOSE

The Children's Administration (CA) *Operations Manual* supports and implements the provisions contained in the *CA Case Services Policy Manual* and *Practices and Procedures Guide* and provides administrative guidance to the divisions and offices of the Administration. The *Operations Manual* identifies technical policy and procedure that supports the agency's social service delivery system and provides administrative direction consistent with state and agency directives.

This manual sets forth procedures and practices regarding implementation of policy within the context of the business environment of the Children's Administration.

1200 MISSION AND STRATEGIC PLAN**1210 MISSION**

The Children's Administration (CA) is committed to the safe and healthy growth and development of children in their own homes, in out-of-home placement, and in child day care. CA provides a comprehensive range of services designed to protect children from abuse and neglect, to support families, and to assure quality of care. Services are intended to promote the safety of children and the preservation, rehabilitation, and reunification of families to the maximum extent possible.

1220 STRATEGIC PLAN

- A. The Children's Administration strategic plan seeks to expand and improve its capacity to provide effective, quality services to protect children and strengthen families in crisis. Specific strategies for agency planning and making effective changes have been developed using the following basic, guiding principles to address the Administration's commitment to excellence in service delivery and programs:
- Family centered.
 - Culturally relevant.
 - Coordinated and collaborative.
 - Locally planned.
 - Community-based and preventive.
 - Outcome-based.
 - Creative.
 - Customer service based.
- B. The Administration's strategic plan establishes a clear, consistent direction and provides a structure for policy formulation, decision-making, and accountability.

1221 Goals and Objectives

The strategic plan includes the following goals and objectives:

- A. **Improved Administrative Structure:** Delivery of services through an effective management structure that is based on a creatively decentralized administration with appropriate centralized oversight.
- B. **Family Centered Practice:** The statewide delivery of culturally relevant services for children and families that are based on family centered practice.
- C. **Community Based Services:** Locally planned and coordinated support services that address the unique needs of communities.
- D. **Quality Assurance:** Accountable programs that are reflective of sound management practices and that strive for excellence.
- E. **Communication:** Open communication and regular discussion of challenges and successes with staff, clients, communities, and the legislature.

1300 APPLICATION OF DEPARTMENT POLICY

Children's Administration staff are accountable for following applicable department policy. The primary source documents include, but are not limited to:

- *DSHS Administrative Policies*
- *Case and Management Information System (CAMIS) Policies*
- *Social Service Payment System (SSPS) Manual*
- *DSHS Personnel Policies*

CHAPTER 1000—INTRODUCTION

- *DSHS Travel Manual*
- *Paperwork Management Manual*
- *Washington Management Service (WMS) Policies*
- *Merit System Rules*
- *Union Contract*
- *Agency Inventory System Manual*

Each regional office and each local office must retain and maintain a complete, current copy of each of the above manuals or policies. CA staff also must adhere to other directives that may be issued from time to time by the Secretary or the Assistant Secretary.

Revision #3 – 10/20/98

1400 MANUAL MAINTENANCE AND POLICY ISSUANCE

- A. Each Director, Division of Children and Family Services (DCFS) Regional Administrator, and Division of Licensed Resources (DLR) Regional Manager is responsible for establishing and maintaining a system to assign a copy of the CA manuals to each specific employee within their span of control. This system will include a methodology for locating and updating each manual as revisions are issued.
- B. As the manuals are available electronically through assigned computers to all CA staff, it will no longer be necessary to maintain a set of hard-copy manuals for each CA staff. At that point, each Director, Regional Administrator, and Regional Manager must maintain a set of hard-copy CA manuals available to each supervisory unit and other program management staff as they deem appropriate.

Revision #3 – 10/20/98

- C. For guidelines regarding manual maintenance and policy issuance, see the *CA Practices and Procedures Guide*, Chapter 1000, section 1200.

 - c. Not accepting collect calls from individuals whose business would be expected to assume long distance telephone calls; and
 - d. Not accepting collect calls which are not necessary for case planning for a CA client.
3. After agreeing to accept the charges for a collect telephone call, the assigned social worker or the worker's supervisor will document in the client Service Episode Record (SER) that he/she agreed to accept the collect call and the reason for accepting the charges. The SER documenting the client contact may be used for this purpose. 4100 DSHS NON-DISCRIMINATION POLICY

Children's Administration (CA) shall comply with the Department of Social and Health Services (DSHS) non-discrimination policy and plan. See chapter 5000, section 5623, for non-discrimination provisions related to Blood Borne Infections.

- A. No person shall be subjected to discrimination because of race, color, national origin, sex, age, religion, creed, marital status, disabled veteran or Vietnam era veteran status, disability, or sexual orientation. This policy applies to every aspect of CA programs, practices, policies, and activities, as well as to those of its contractors and licensees.
- B. DSHS policy does not apply to religious corporations, associations, educational institutions, or societies with respect to employment of individuals of a particular religion. Marital status, disabled veteran status, and Vietnam Era Veteran status only apply to employment practices.
- C. Sexual orientation is a criterion mandated by Governor's Executive Order #93-07. This criterion only applies to state government employment and does not apply to employment by contractors unless provided for under local law.
- D. DSHS and CA policy are consistent with the Civil Rights Act of 1964, as amended; the Multi-Ethnic Placement Act (MEPA); the Inter-Ethnic Placement Act (IEPA); the Americans with Disabilities Act of 1990; Washington State Law Against Discrimination, chapter 49.60 RCW; and Governor's Executive Order 93-07.

Revision # 4 – 12/14/98

4200 WORK FORCE DIVERSITY

- A. CA is an equal opportunity employer and bases its employment practices on Affirmative Action requirements. The Administration's Affirmative Action Plan establishes hiring targets by job groups and protected group categories for all permanent classified positions.
- B. The Administration's goal is to achieve a statewide workforce that reflects the ethnic and cultural composition of the client population in each service delivery area. In order to meet this goal, each region and headquarters maintains a staff recruitment plan which identifies hiring targets that are based on the ethnic and cultural composition of the client population and includes persons of disabilities.

4300 CULTURALLY RELEVANT SERVICES

CA respects and supports the ethnic identity and cultural diversity of the children and families it serves and seeks to provide culturally relevant services and to prevent discrimination on the basis of race, color, national origin, or disability in every aspect of service delivery.

4310 PLACEMENT

- A. For adoption and out-of-home case planning, see *CA Case Services Policy Manual*, Chapter 4000, section 4500.
- B. For expectations regarding assessment of the suitability of prospective foster and adoptive parents to care for a particular child, see the *CA Case Services Policy Manual*, Chapter 4000, section 4400, and Chapter 8000, section 8300, and the *CA Practices and Procedures Guide*, Chapter 4000, section 4200.

- C. CA must not deny to any individual the opportunity to become an adoptive or a foster parent on the basis of the race, color, or national origin of the individual or of the child involved; and shall not delay or deny the placement of a child for adoption or into foster care on the basis of race, color, or national origin of the adoptive or foster parent or the child involved.
- D. When family members cannot be located, foster or adoptive parents with the greatest ability to meet the child's psychological needs will be selected. In assessing the suitability of prospective foster and adoptive parents to care for a particular child, the CA social worker will consider the following factors:
1. The family's ability to form relationships and to bond with the child.
 2. The family's ability to help the child integrate into the family.
 3. The family's ability to accept the child's background and help the child cope with her or his past.
 4. The family's ability to accept the behavior and personality of the child.
 5. The family's ability to validate the child's cultural and ethnic background. A foster or adoptive family need not be of the same ethnic background as the child in order to meet the ethnic or cultural needs of the child. Unless CA staff identifies a compelling reason, the CA social worker will not match a child to a placement family on the basis of race of the child or family.
 - a. The family's ability to cope with any forms of discrimination the child may encounter.
 - b. The family's ability to care for or nurture self esteem in a child of a different race or ethnicity.
 - c. The family's ability to maintain the child's ties to another racial, ethnic, or cultural community.

Revision #4 – 12/14/98

6. The family's ability to meet the child's educational, developmental, or psychological needs.
- E. In order to assess culturally competent practice when reviewing cases for general practice considerations, the supervisor for the assigned social worker routinely will look for documentation of:
1. Consistent use of interpreters and translations when appropriate.
 2. Use of culturally relevant resources.
 3. Clear permanency planning that involves the child's family, their preferences, and ethnic community resources.
 4. Family member placement resources and decisions made regarding the use of those resources.
 5. Support services directed at increasing the capacity of family members to provide placement.
 6. The ability of the foster or adoptive parents to nurture, support, and reinforce the child's identity.
 7. The use of cultural consultation and resources by the social worker and the foster family.
 8. All placement decisions and any placement changes.
 9. Reasons for selection of a particular placement resource for a child. Unless CA staff identifies a compelling reason or ICWA applies, the CA social worker will not match children to a foster or adoptive family on the basis of race of the child or the family.

Revision #4 – 12/14/98

 3. Certified or qualified interpreters or interpreter/translation agencies under contract to the Children's Administration.
 4. DSHS Office of Language Interpreter Services and Translations (LIST) which will translate or coordinate translation of forms, publications, and information for clients.

4500 **FOSTER AND ADOPTIVE HOME RECRUITMENT**4510 **INTER-ETHNIC PLACEMENT ACT OF 1996** (42 USC 671A)

A. The Multi-Ethnic Placement Act (MEPA), as amended in 1996 by the Inter-Ethnic Placement Act (IEPA), mandates that race, culture, or ethnicity may not be used as the basis for any denial of placement, nor may such factors be used to as a reason to delay any foster or adoptive placement.

1. MEPA and IEPA, as amended, maintains a prohibition against delaying or denying the placement of a child for adoption or foster care on the basis of race, color, or national origin of the adoptive or foster parent, or the child involved.

Revision #1 - 6/25/98

2. The act also imposes a Title IV-E State Plan requirement prohibiting delay or denial of foster and adoptive placements on the basis of race, color, or national origin.

3. Failure to comply with these provisions of the Title IV-E State Plan requirements will subject the department to fiscal sanctions in cases where corrective action plans failure to correct the problem within six months.

B. MEPA and IEPA, as amended, mandate agencies to provide for the diligent recruitment of potential foster and adoptive families that reflect the ethnic and racial diversity of children in the state for whom foster and adoptive homes are needed. Child welfare agencies must develop a recruitment plan that ensures that foster care and adoptive placements are available to dependent children and that dependent children are not subject to discrimination in their placement.

42 USC 671a

Revision #1 - 6/25/98

C. Children falling under the protections of the Indian Child Welfare Act of 1979 are exempt from the provisions of MEPA and IEPA.

Revision #1 - 6/25/98

- D. CA shall provide for community based recruitment of foster and adoptive families who reflect the racial and ethnic diversity of the children served by the Administration through the Division of Children and Family Services (DCFS), with the assistance of the Division of Licensed Resources (DLR).
1. Each region will maintain a pool of potential foster and adoptive parents who are capable of promoting each child's development and case goals.
 2. Regional recruitment efforts must reach all members of the community and provide potential foster and adoptive parents with information about the needs of available children, the nature of the foster care and adoption processes, and the supports available to foster and adoptive families.
 3. Standards may not be used for foster and adoptive parents which are related to age, education, family structure, and size or ownership of housing or which exclude groups of prospective parents on the basis of race, color, or national origin.

4520 **RECRUITMENT PLANS**

Each DCFS Regional Administrator must develop a comprehensive recruitment plan which ensures that foster care placements and adoptive homes are available to dependent children, and that dependent children are not subject to discrimination in their placements. This plan will include:

- A. A description of the characteristics of waiting children.
- B. Specific strategies to reach all parts of the community.
- C. Diverse methods of disseminating both general and child specific information.
- D. Strategies for assuring that all prospective parents have access to the home study process, including location and hours of services that facilitate access by all members of the community.

Revision #1 - 6/25/98

- E. Strategies for training staff to work with diverse cultural, racial, and economic communities.
- F. Strategies for dealing with diverse linguistic barriers.
- G. Non-discriminatory fee structures.
- H. Procedures for a timely search for prospective parents for a waiting child, including the use of exchanges and other interagency efforts, provided that such procedures must ensure that placement of a child in an appropriate household is not delayed by the search for a same race or ethnic placement.

5100 CRITICAL INCIDENT MANAGEMENT

The Children's Administration (CA) complies with DSHS Administrative Policies 8.02 and 9.01 for reporting and managing critical incidents as defined in Administrative Policy 9.01. See also the *CA Practices and Procedures Guide*, Chapter 2000, section 2553. This procedure outlines requirements for management and reporting of critical incidents in licensed facilities, or homes subject to licensing, homes certified for adoption, and incidents involving CA staff and facilities.

5110 PROCEDURES**5111 Reporting Methodology**

All reports of critical events alleged to have occurred in licensed facilities, or facilities subject to licensing, and homes certified for adoption shall be generated through the Case and Management Information System (CAMIS) Facility Complaint Module. Incidents involving staff, volunteers, and other types of events are reported using the *Administrative Report of Incidents*, DSHS 20-192.

5112 Licensing Complaints

- A. Incidents which clearly reflect concerns about licensing (e.g., staffing ratios, cleanliness, menus) will be assigned to the licenser. If, during the course of the investigation, the licenser suspects child abuse/neglect, a new referral will be initiated and a joint Division of Licensed Resources (DLR) facility investigation/licensing investigation will be conducted.
- B. The results of investigations, including documentation of follow-up visits, compliance agreements, etc., will be recorded in the licensing file; i.e., CAMIS Facility Complaint Module.

5113 Allegations of Child Abuse/Neglect in Facilities

- A. All complaints alleging child abuse/neglect in facilities shall be screened by CA intake. Complaints that do not meet sufficiency for CPS investigation shall be reviewed by the CA intake supervisor and referred to the licensing supervisor for assignment to the licenser for follow-up investigation and resolution. DLR facility investigation staff shall investigate all referrals meeting sufficiency for CPS investigation using the high standard of investigation without regard to the risk tag assigned to the referral. Investigative staff will route a copy of the referral to the licenser.
- B. DLR CPS investigative and licensing staff will coordinate investigative activity with investigative staff assuming the lead responsibility.
- C. As DLR investigative staff initiates the investigation, the investigative supervisor will report serious allegations to the Regional Manager and the Facility Investigations Section Manager, who may decide to forward them further.
- D. Progress reports will be verbal and in the CAMIS Facility Complaint Module from the investigative staff through the immediate supervisor to the Regional Manager and the Facility Investigations Section Manager, who reports to the DLR Director and Assistant Secretary/designee when appropriate.
- E. If the investigator determines that CA/N occurred and risk of imminent harm exists relative to other children in the facility, an Area Manager is to be contacted immediately relative to removal of the children.

- F. Investigative supervisors will consult with Regional Managers, the Facility Investigations Section Manager, Area Managers, and regional staff when appropriate, relative to suspension/revocation of licenses and stop placement orders. Assigned Assistant Attorneys General (AAG) will be consulted prior to final determinations.

5114 Serious Child Injury or Fatality

- A. CA Intake will distribute information on serious child injury or fatality to the social worker or supervisor, the assigned licenser, and the appropriate Area Manager or, in that person's absence, the Regional Administrator, as well as the DLR Regional Manager when applicable.
- B. In the case of an after-hours incident, the on-call supervisor is to be notified.
- C. A report is to be generated through the Facility Complaint Module to be submitted to the Regional Administrator and the DLR Regional Manager, as applicable, the first working day following the incident.
- D. DLR CPS investigative staff will coordinate all aspects of the investigation with the complete cooperation of licensing staff. Licensers will assist in the investigation and compilation of chronology as appropriate.
- E. An incident chronology in the form of a final report with recommendations is due within two weeks of completion of the investigation, with copies to the DLR Regional Manager, the DLR Facility Investigations Section Manager, the Area Manager, and the Regional Administrator.

- F. The Regional Administrator/designee and the DLR Regional Manager will report all serious and emergent incidents as defined in Administrative Policies 8.02 and 9.01 in accordance with those policies, with a copy of the report provided to the Director, Division of Program and Policy Development.

5120 PROVIDER REPORTS

5121 Purpose

Licensed or certified out-of-home care providers are required by WAC 388-73-056 to report serious incidents to the department. To standardize reporting expectations, each DLR Regional Manager, in consultation with the DCFS Regional Administrator and DLR facility investigation staff, develops a protocol with the region's out-of-home care providers and licensed child placing agencies (CPA) to identify what constitutes a critical incident and when they need to report an event or incident which occurs in their program.

5122 Elements of Protocol

- A. The following occurrences are critical incidents which must be reported to CA Intake, with documentation kept on file by the provider. Contact by the provider with the child's assigned social worker occurs following notification to Intake.
1. Death of a child, in accordance with DSHS Administrative Policy 9-01.
 2. Allegations of child abuse or neglect. (Failure to provide the level of supervision necessary to ensure a child's health or safety is considered an allegation of neglect by the caretaker which must be reported to CA Intake.)

3. Suicide attempts which result in injury requiring professional medical attention. Facilities which have on-site medical care staff are to report those injuries which require the attention of a physician.
4. Any use of physical restraint in which it is alleged that the restraint was improperly applied or excessive. Any physical restraint of a child by staff which results in child injury requiring professional medical attention. Facilities which have on-site medical care staff are to report those injuries which require the attention of a physician.
5. Sexual contact between two or more children. Developmentally typical play of pre-school age children with age-mates is exempt from this requirement and does not have to be reported to CA Intake.
6. Physical assaults between two or more children which result in injury requiring professional medical attention.
7. Unanticipated health problems caused by medications, resulting in the need for professional medical attention. Facilities which have on-site medical care staff are to report those injuries which require the attention of a physician.
8. Any medication incorrectly administered, resulting in the need for professional medical attention. Facilities which have on-site medical care staff are to report those injuries which require the attention of a physician.
9. Serious property damage which is not immediately corrected that may compromise the continuing health and safety of residents.

10. All violations of DLR licensing requirements must be reported to CA Intake except for non-abuse violations discovered by a licenser in the course of a licensing visit for which a deficiency statement is immediately developed. Other licensing complaints are screened first by CA Intake to rule out the presence of allegations of abuse and neglect and then screened again by licensing staff for allegations of licensing violations.
- B. The care provider shall report occurrences, not constituting child abuse/neglect or licensing deficiencies, to the child's DCFS social worker. Examples of such occurrences are:
1. Suicidal ideation, gestures, or attempts which do not require professional medical attention;
 2. Unanticipated health problems outside the anticipated range of reactions, caused by medication, in which professional medical attention is not required;
 3. Any medications incorrectly administered not resulting in the need for professional medical attention; and
 - d. Runaways.
- C. The provider shall make all required reports to DCFS, and to DLR, as soon as the immediate crisis is resolved and in no case more than 48 hours after identification of the incident.

- D. The following table summarizes the reporting and record retention requirements for the provider.

5200 CHILD DEATH REVIEW**5210 POLICY**

Chapter 204, Laws of 1995 required the department, in conjunction with the Department of Health (DOH), local jurisdictions, coroners, medical examiners, and other appropriate entities, to develop a consistent process for review of unexpected deaths of minors in the state of Washington who are in the care of or receiving services described in chapter 74.13 RCW from Children's Administration (CA).

5220 DEATHS TO BE REVIEWED**5221 Anticipated**

- A. The Regional Administrator, in coordination with the appropriate DLR Regional Manager, as applicable, must review all deaths that occur in CA licensed or certified homes or facilities.
- B. The Regional Administrator must complete an internal fact-finding review of all expected or anticipated deaths of children whose families have received services from CA during the 12 months prior to the child's death or when there has been a CPS referral, whether accepted or not, within the previous 12 months.
- C. The team developed must complete community child death review only after the Regional Administrator requests a review.

5222 Unanticipated

- A. The Regional Administrator must complete an internal fact-finding review of all unanticipated deaths of children whose families have received services from CA during the 12 months prior to the child's death.
- B. All unexpected deaths involving minors in the care of or receiving child welfare services from DCFS or child care services from DLR shall receive a community child death review. This includes not only deaths that may be a result of abuse or neglect, homicide or suicide, but also accidental trauma.

Revision #7 - 12/30/99

- C. Sudden Infant Death Syndrome (SIDS) is a medical diagnosis, determined by autopsy and death scene investigation. SIDS deaths shall receive a community child death review.
- D. The community child death review team must review deaths reported to CPS or CA Intake as being a possible result of child abuse or neglect.

5223 Other DSHS Divisions

For child deaths in facilities owned, licensed, or certified by other divisions of DSHS, CA, by arrangement with that division, may participate with and assist the other division in the review of the death.

5224 Summary Table

The following table summarizes death review activity:

Revision #7 - 12/30/99

5230 PROCEDURES

Child death review requires at least two steps. The first step is a **fact-finding** by the Regional Administrator. During this phase, the Regional Administrator gathers information about the death, including an examination of the case file and the status of the case. This activity may include community consultation and participation. The second step is **community child death review**. If the death involves a felony, law enforcement will conduct an investigation as a third step.

5231 **Fact-Finding**

- A. Within 14 calendar days of notification of a child death, the Regional Administrator must designate staff to examine the circumstances of the child's death, with the review called a fact-finding. Community consultation and participation may occur as part of this activity. Within 45 calendar days, assigned staff will provide the Regional Administrator with a summary of the case, a chronology, and facts, consistent with criteria in section 5100, CRITICAL INCIDENT MANAGEMENT.
- B. The fact-finding review should address practice issues as well as internal policy issues. Specific personnel issues should be addressed separately. Practice or policy issues requiring general corrective action should be addressed in an accompanying action/corrective action plan. When that activity is completed, a case summary and chronology will be provided to the community review team.

Revision #7 - 12/30/99

- C. For the fact-finding, the Regional Administrator may arrange for interview with any persons involved with the family or the deceased child, including:
 1. Service providers;
 2. Foster parents;
 3. Therapists or staff from community agencies;

Revision #7 - 12/30/99

4. Parents or relatives of the child;
 5. The assigned social worker, supervisor, Area Manager;
 6. Any other person or persons considered to be relevant.
- D. Fact-finding reports in the CA-prescribed format with action/corrective action plans must be sent electronically to the program manager for Child Fatality Review and to the Special Assistant to the Assistant Secretary in CA headquarters. Reports will be stored in an electronic filing system.

Revision #7 - 12/30/99

5232 **Community Child Death Review**

- A. Community Child Death Review is a joint effort of CA and a multi-agency, multi-disciplinary team of professionals with two purposes:
1. To focus on both agency and community responses to the death and possible preventive steps to be taken.
 2. To consider broader data, such as demographic information and systemic, community responses to the death.
- B. When community child death review occurs, the information is referred to the region or community team responsible for review of CA child deaths. If such a team does not exist in the DCFS region or community, the Regional Administrator takes steps to establish such a team in conjunction with the local public health office and/or the technical assistance subcommittee of the State Child Death Prevention and Review Team. An *ad hoc* team may be used in the event a DOH/DSHS team cannot be assembled in a timely manner.
- C. The Regional Administrator is responsible for tracking the progress and completion of child death reviews. Within 180 calendar days of the report of the death, the community child death review is to be completed. The Regional Administrator will inform the Assistant Secretary of any exceptions granted to this time frame.

Revision #7 - 12/30/99

5233 Community Child Death Review Team Membership

- A. The team represents the community. CA is represented on the team as a full member, a resource, or as staff. The Regional Administrator will assure that members have no conflict of interest with respect to the matters being reviewed. The representatives will not be in the lines of authority relative to the case being reviewed.
- B. Members in sufficient numbers and diversity to ensure a full, competent assessment of the circumstances of the child's death will be included. Membership may include, but is not necessarily limited to, the following professional representatives.
1. Mental health;
 2. Medical provider (pediatrics, obstetrics, or family practice);
 3. Law Enforcement;
 4. Child Protective Services;
 5. Prosecuting Attorney;
 6. Forensic pathology;
 7. Public Health;
 8. Social services;
 9. The Military;
 10. Chemical dependency specialists;
 11. Medical Examiner/Coroner;
 12. Tribes;
 13. Schools;
 14. Case or issue-specific professionals on an *ad hoc* basis.

Revision #7 - 12/30/99

5234 Staff Support

Each Regional Administrator will reach agreement with the team chair on the provision of staff support, information, documents, and records as the team deems necessary to complete its review of each child death.

5235 Confidentiality

- A. All review team members must sign confidentiality statements before reviewing CA records or documents.
- B. CA, not the community child death review teams, must release or make public findings or recommendations. Release of information is subject to laws regarding public disclosure and confidentiality. By statute, the deliberations of the DOH/DSHS fatality review teams are not disclosable. Aggregate information without identifying data, including team recommendations, will be disclosed to the public in the annual report.

5240 INFORMATION TO BE REVIEWED - SUGGESTED GUIDELINES FOR BOTH FACT-FINDING AND COMMUNITY REVIEW

Revision #7 - 12/30/99

5241 Children's Administration-Specific Issues

The purpose of reviewing these issues is to focus on practice-related issues. It identifies needed areas of agency and child protection system improvement and reviews case plans. The team may consider:

- A. Were policies and procedures properly followed in any previous and current CPS investigation?
- B. History of CA involvement with client and family.
- C. A review of risk factors as identified on referrals and documented on summary assessments.
- D. The social worker's assessment of the family and events immediately leading up to the incident.

Revision #7 - 12/30/99

CHAPTER 5000—HEALTH AND SAFETY

- E. Were case plans appropriate? Were services offered and provided? What was the family's level of participation in the case plan?
- F. What was the juvenile court's role in this case?
- G. What was the degree of follow-through and cooperation by the care provider in addressing corrective actions required as a result of earlier issues? Was CA staff follow-through on required corrective action adequate?
- H. What commendable or outstanding work was done by workers and/or supervisors?

5242 Systemic and Community Issues

Since children and families are often served by several agencies or systems in a community, it is essential to consider how the family was served by the service network. The team may consider:

- A. Did agencies involved with the family possess adequate information regarding the child or family in order to plan for protection of the child? If not, why not? Was important information available which was not gathered or used?
- B. How did agencies interpret the available information? To what extent were the case plans based on accurate assessments?
- C. What factors were most significant in increasing risk to the child and the child's siblings?
- D. Did agency policies and procedures create obstacles to protecting the child? Are there policies that would improve the agency's or community's ability to protect the child? Are there policies that would improve the agency's or community's protective service system?
- E. Are there gaps in community resources which inhibited efforts to protect the child?
- F. Were training needs identified and appropriate training provided?
- G. Were the intervention strategies used consistent with accepted practice standards?

Revision #7 - 12/30/99

- H. Are there changes in statute, policy, procedure, interagency collaboration, resource deployment or availability that would assist agencies in preventing deaths in similar situations?
- I. Was the response following notification of the death appropriate for providing support to staff, foster parents, parents, and/or others?
- J. The Regional Administrator, with participation from other CA divisions, may also formulate case-specific questions to be submitted to the team for review.

5250 FINDINGS AND RECOMMENDATIONS

Community Review findings and recommendations focus on identifying what can be learned to prevent future child deaths. The child death review team provides a written report to the Regional Administrator upon completion of the review.

- A. Reviews are to identify system shortcomings and include review team recommended strategies and implementation steps.
- B. Review findings are used to build community alliances, expertise, and commitments for program improvements, policy and procedural changes, and improved multi-disciplinary collaboration.
- C. Findings can also identify program and system strengths, communication issues, and specific information regarding child mortality.
- D. Findings and recommendations address the total community child protection system and are not limited to CA or DSHS programs.
- E. Findings may address individual employee actions and decisions in the specific case under review.
- F. CA headquarters must file reports with DOH in Olympia, using a CA-prescribed format. DOH will forward an aggregate report of findings and recommendations on DSHS cases collected by region to the CA headquarters program manager for Child Fatality Review on a quarterly basis.

Revision #7 - 12/30/99

- G. Upon receipt of the DOH aggregate report, the program manager will send regional recommendations to the appropriate Regional Administrators for action.

Revision #7 - 12/30/99

5260 **REGIONAL ADMINISTRATOR SUBMITTALS**

The Regional Administrator will submit the following to the Assistant Secretary, with a copy to the Director, Division of Program and Policy Development and the program manager for Child Fatality Review:

- A. Within 30 calendar days of receipt of the child death review team's findings and recommendation, a response to the team detailing plans for implementation and/or reasons for not implementing the recommendation(s).
- B. An action or corrective action plan, if applicable, as well as quarterly progress reports as part of the regular regional quarterly reporting to the Assistant Secretary, with copies to the program manager for Child Fatality Review.

Revision #7 - 12/30/99

5270 CHILDREN'S ADMINISTRATION RESPONSIBILITIES

The Director, Division of Program and Policy Development, to fulfill CA responsibilities, completes the following steps:

- A. Present community review recommendations that potentially affect statewide policy or procedure to the CA management team and appropriate DSHS program managers for review and action.
- B. Provide written response to each community child death review team, subsequent to the team's submission of findings and recommendations. Provide updates to the team on implementation of recommendations.
- C. Track and monitor actions to implement review team recommendations.
- D. Provide regular reports of child death reviews to DCFS and DLR staff to increase their understanding of risks to children.
- E. Prepare and distribute a report summarizing team findings.
- F. Provide an annual report to the Secretary.

5300 INVESTIGATING ABUSE AND NEGLECT IN STATE REGULATED CARE**5310 INTRODUCTION**

- A. The Division of Licensed Resources (DLR) *Child Abuse and Neglect Section Practice Guide - Investigating Abuse and Neglect in State-Regulated Care* is a “how-to” guide to be used by the facility investigators in the course of investigations of alleged abuse and neglect in state-regulated care.

Revision #2 - 9/1/98

- B. The guide expands the Washington State Risk Assessment Model, developed for investigation of abuse in biological families, to include risk factors specific to state-regulated care. Within the “state-regulated” care sub-group, there are many differences between types of care. The guide helps investigators assess the importance of those differences between types of care, while emphasizing the major similarities that need assessment in the course of an investigation.

5321 PURPOSE AND SCOPE

- A. CA has a responsibility to ensure that high quality care is provided when a child is under state supervision or when a facility providing care is state-regulated. Minimum licensing requirements (MLR) define a higher standard of care than expected and legally allowed in a biological family unit. As a result, standards for accepting referrals for investigation of alleged abuse and neglect in state-regulated care encompass a wider range of allegations than those involving biological family units.
- B. Child Protective Service (CPS) investigations of reports of alleged abuse or neglect in licensed, certified, and state-operated care facilities (child day care, foster care, group care, hospitals, and institutional care) have five main goals:

1. To ensure the immediate safety of alleged child victims;
 2. To investigate allegations and make determinations regarding the existence of child abuse and neglect (CA/N);
 3. To assess whether the child in question has been abused or neglected in a state-regulated setting in ways that have not been alleged;
 4. To identify risk factors within the facility which create a substantial risk of future harm to children; and
 5. To ensure consistency and equity toward providers in the investigation of abuse and neglect.
- C. Investigations of alleged abuse or neglect must include assessments of the presence or absence of patterns of CA/N and/or inadequate care as well as documenting specific incidents of child maltreatment.
- D. Investigations of alleged abuse or neglect in licensed care are distinct from investigations of compliance with MLR or certification standards. Nevertheless, when there is an investigation of alleged abuse or neglect in licensed care, the investigator must consider a history of compliance or non-compliance with MLRs or certification standards in his or her overall assessment.
- E. Investigations of alleged abuse or neglect are expected to result in findings related to specific allegations of CA/N. The findings also include the presence or absence of other abuse or neglect in the licensed setting and record the important risk and protective factors present. Findings must have a strong factual basis, be supported by appropriate documentation, and include recommendations regarding disposition of the case.

- C. See the DLR *Child Abuse and Neglect Section Practice Guide - Investigating Abuse and Neglect in State Regulated Care* for steps to follow for Intake, Investigation, Assessment, and Disposition of allegations of CA/N in state-regulated care.

Revision #2 - 9/1/98

5400 **HEALTH AND SAFETY REVIEWS**

CA staff must use the CA protocol *Health and Safety Review Standards - Procedures for Group Care and Therapeutic Foster Health and Safety Reviews* as the guideline for conducting health and safety reviews of this types of facilities. In addition, staff must comply with the provisions of the *CA Practices and Procedures Guide*, chapter 4000, section 4421, Health and Safety of Children.

5500 **BACKGROUND INQUIRIES**

5510 **AUTHORITY**

The department is required to safeguard the well-being of children, expectant mothers, and developmentally disabled persons receiving care away from their own homes, in licensed child caring agencies, and by contractors of the department by conducting background inquiries on those persons who would have contact with these vulnerable populations. The essential requirements for conducting such checks are found in chapter 43.43 RCW, RCW 74.15.030, WAC 388-330, and DSHS Administrative Policy 9.04. This section elaborates on those requirements.

Revision #8 – 5/15/00

5511 Definition

A required background check must include:

- A. An investigation of CA records to determine if the person has a history of abuse or neglect of children; and
- B. Criminal history convictions, pending charges, or other releasable information maintained by law enforcement.

5512 Required Record Checks

CA staff must not authorize unsupervised access to children until a satisfactory CA record check that meets CA standards to identify child abuse or neglect and a criminal history background check have been completed and documented in the following circumstances:

- A. When placing a child or recommending about the suitability of a proposed or existing placement resource, including prospective placements approved by a licensed child placing agency (CPA);
- B. When authorizing staff, volunteers, or other persons to have unsupervised access to children as part of the licensing or re-licensing of a facility or home;
- C. When authorizing employees or volunteers of licensed facilities, who were not authorized during the license or re-license investigation, to have unsupervised access to children; and
- D. When approving CA contractors, their employees, subcontractors, or volunteers to have unsupervised access to children.
- E. Before authorizing payment for the care, supervision, or treatment of children up to age 18, including relative and in-home child day care providers. Such checks, with satisfactory results, must be completed annually.

Revision #7 – 12/30/99

- A. To complete a background inquiry, CA staff must include a check of CAMIS records to determine if the individual has a history with the department that may make issuance of a license, employment, contract, or placement inappropriate. CA staff must complete the CAMIS check according to local office procedure.
- B. CA and licensed or certified child placing agency staff must not use unfounded reports of child abuse or neglect to deny employment or a license. CA staff must not disclose unfounded allegations of child abuse or neglect as defined in RCW 26.44.020 to a child placing agency, a private adoption agency, or any other provider licensed under chapter 74.15 RCW when that agency or provider is considering the alleged perpetrator of the unfounded child abuse or neglect as an employee, adoptive parent, or licensee.

RCW 74.15.030 and 74.15.130

Revision #8 - 5/15/00

- C. CA staff may consider founded reports of child abuse or neglect in determining whether a person is disqualified from being licensed to provide child care, employed by a licensed child care agency, or authorized by the department to care for children.

RCW 26.44.100

Revision #4 - 12/14/98

5514 **Local Law Enforcement Check**

- A. Local law enforcement agencies may have information in their records which has not been reported to the Washington State Patrol (WSP). Designated local office staff must do background inquiries with local law enforcement agencies where agreements have been executed to provide for the exchange of such information. As part of the criminal background check, the worker must contact local law enforcement agencies, including tribal police if the person resides or has resided on an Indian reservation or is known to be or may be affiliated with a particular Tribe. Assigned staff must document such checks in the applicable service file.

Revision #8 - 5/15/00

5000-22

- B. Law enforcement agencies generally expect CA staff to appear in person at their counter with appropriate identification, unless local

agreements have been developed permitting other types of service.

5515 Criminal History Background Check

Assigned CA staff must complete a criminal history background inquiry of records of the WSP, local law enforcement records, and/or the Federal Bureau of Investigation (FBI) as specified in Sections 5520 through 5580, below.

Revision #8 - 5/15/00

5520 CIRCUMSTANCES FOR INQUIRIES

Assigned CA staff must conduct criminal history background checks under the circumstances outlined below.

5521 CPS Investigation and Unlicensed/Unexpected Placements

Child Protective Services (CPS) has been designated as a limited purpose law enforcement agency by the WSP. As such, CPS has access to both conviction and non-conviction information about the perpetrator or alleged perpetrator of child abuse and unlicensed placement resources for placements contemplated under the authority of chapters 26.44 and 74.13 RCW.

- A. A CPS criminal history background check may be completed for use:
 - 1. In the investigation of an alleged perpetrator of abuse or neglect; or
 - 2. To verify the safety of an unlicensed/unexpected placement resource as part of a CPS investigation or to approve an unexpected placement with an unlicensed caretaker.

- B. Unlicensed/Unexpected Placements are those placements in which:
 - 1. The placement was not anticipated or planned as part of the case plan for the child;

Revision #8 - 5/15/00

5000-23

- 2. The caretaker is unlicensed and has been identified
- February 15, 1998

CHAPTER 5000—HEALTH AND SAFETY

specifically for the child;

3. It is in the best interest of the child to be placed immediately; and
 4. The safety of the caretaker will be initially assessed based on the results of a criminal history background check and the social worker's assessment of the persons suitability and competence. See the *CA Practices and Procedures Guide*, chapter 5000, section 5231.
- C. When making an unexpected placement of a child with an unlicensed caretaker, the social worker shall complete a criminal history background check prior to the placement of the child, except for relatives exempted in Section 5522.
- D. Only authorized CPS and CWS workers may obtain a CPS level background check for the purposes specified in paragraph A of this section, by marking "CPS" or "CWS" on the DSHS 14-239(X) and by following the procedures outlined in Section 5530, below.
- E. CPS investigation and CWS unlicensed/unexpected placement requests for criminal history background checks are authorized to receive conviction and non-conviction information under the authority of chapter 26.44 and 74.13 RCW.

5522 Relative Placements

- A. If a child is placed with a relative under RCW 13.34.060 or 13.34.130 and if such relative appears otherwise suitable, competent, and willing to provide care and treatment, the placing social worker need not complete the criminal history background check before placement, but must complete it as soon as possible after placement. **RCW 74.15.030**

Revision #8 - 5/15/00

- B. When a child(ren) has been "placed" with a relative by their parent(s) prior to CA involvement, the social worker shall not

CHAPTER 5000—HEALTH AND SAFETY

immediately remove the child(ren), but assesses the risk to the child(ren) and the ability of the relative caretaker(s) to protect the child(ren) from further abuse and neglect. The social worker shall immediately initiate a CA case record check and a criminal history background check.

- C. A relative placement check may be obtained by marking "CWS" on the DSHS 14-239(X) and by following the procedures outlined in Section 5530.

5523 Parental Placements

- A. CA is not required to conduct either a criminal history background check or a CA case record check when a child resides outside the parental home pursuant to an agreement between the parent(s) and the child, and the "placement" decision was made by the parent(s).
- B. If CA becomes involved, is responsible for case planning, and the CA plan is for the child to continue residing in the home previously agreed to by the parent(s) and the child, the social worker shall initiate a criminal history background check and a CA case record check immediately.
- C. A CWS placement check may be obtained by marking "CWS" on the DSHS 14-239(X) and by following the procedures outlined in Section 5530.

5524 Adoption

CHAPTER 5000—HEALTH AND SAFETY

- A. All pre-placement adoption reports and CA authorized adoptive placements shall include a criminal history background check and a CA case record check which identifies convictions, pending charges, and disciplinary board final decisions of prospective adoptive parents.
- B. Adoptive placements made by voluntary agencies do not require either a criminal history background check or a CA case record check through CA, unless CA authorizes the placement. The voluntary agency applies directly to WSP for checks on such placements.
- C. Only authorized CA and CPA workers may obtain a background check for the purpose of adoption of a child by marking "Adoption" on the DSHS 14-239(X) and by following the procedures outlined in Section 5530. It is critical to indicate "Adoption" on adoption checks to assure proper handling.
- D. Adoptive placement requests for criminal history background checks are authorized to receive convictions and charges pending less than one year, under the authority of chapter 74.13 RCW.

5525 Licensure or Re-licensure

CA staff shall complete a criminal history background check prior to authorizing unsupervised access to children in licensed facilities and in accordance with the following:

- A. When facilities are licensed or re-licensed under the authority of chapter 74.15 RCW, assigned CA staff shall complete a criminal history background clearance on the following persons prior to the licensing or re-licensing action:

5000-26

- 1. Licensee, employees, volunteers, and other persons who may have unsupervised contact with children in care; and

February 15, 1998

2. All persons 16 years of age or older, excluding foster children placed by CA/DCFS or a licensed/certified CPA, and living with a licensed foster family or child day care provider.
- B. All changes in persons not placed by CA and who may have unsupervised access to children in facilities licensed under chapter 74.15 RCW must be reported to the licenser immediately by the licensee. The licensed agency must forward the completed criminal history background check form to the CA licenser within seven calendar days for the following persons:
1. New employee hires and volunteers accepted by a facility; and
 2. All persons 16 years of age or older, excluding foster children placed by CA/DCFS or a licensed/certified CPA, and living with a foster family or child day care provider.
- WAC 388-330-040
3. Such persons must not have unsupervised access to children in care until a background check with satisfactory results is completed and documented.
- C. Upon receipt of the background check inquiry, authorized CA licensers must initiate a licensing background clearance by marking "Licensing" on the DSHS 14-239(X) and by following the procedures outlined in Section 5530, except for license applicants and employees of licensed agencies who have resided in Washington state less than three years, in which case licensers must follow the procedures outlined in Section 5540, below.

Revision #7 - 12/30/99

- D. Licensing requests for criminal history background checks are authorized to receive convictions and charges pending less than
- February 15, 1998

one year under the authority of chapter 74.15 RCW.

5526 Non-licensed Contractors, Employees, Volunteers, and Other Persons

- A. All contractors, their employees, and other persons who may have unsupervised access to children must have a criminal history background check, with satisfactory results, completed prior to authorizing unsupervised access to children. Without such checks, unsupervised access to children is prohibited under RCW 43.43.832.
- B. All volunteers with unsupervised access to children must have a criminal history background check, with satisfactory results, completed. Without such checks, unsupervised access to children is prohibited under RCW 43.43.832.
- C. Unless a background check, with satisfactory results, was completed as part of a CA licensing requirement, Regional Contract Coordinators or their designees must initiate a criminal history background check by marking "Contract" on the DSHS 14-239(X) and by following the procedures outlined in Section 5530.
- D. Contractor requests for criminal history background checks are authorized to receive convictions and charges pending less than one year under the authority of RCW 43.43.830.
- E. Before making payment, the DCFS staff person who authorizes payment to providers, including relative and in-home child day care providers, for the care, supervision, or treatment of children up to age 18 must complete a criminal history background check, with satisfactory results, on each provider.

Revision #7 - 12/30/99

A. Employees

1. CA supervisors, as part of the hiring process for prospective employees in covered positions directly responsible for the care, supervision, or treatment of children, shall initiate criminal history background checks in accordance with DSHS Personnel Policy 532.
2. Submissions shall **not** be made to the CA Background Clearance Unit, as it is not authorized to provide clearances in personnel matters.

B. CA Volunteers, Students, Interns, Other Persons

1. CA volunteers, students, interns, and other persons who may have unsupervised access to children and/or are authorized by CA or DSHS to provide care or supervision, including transportation, for children shall have a background check completed prior to having such access.
2. Authorized CA staff shall obtain a background check for the purpose of approving CA volunteers, students, and interns by submitting the Washington State Patrol form WSP-CRD-430 in accordance with the *Managers Manual*, Community Resource Development and Management, Volunteer Administration, Section 3.01.

3. Requests for criminal history background checks on CA volunteers are authorized to receive convictions of offenses

CHAPTER 5000—HEALTH AND SAFETY

against children or other persons, convictions for crimes relating to financial exploitation , but only if the victim was a vulnerable adult, adjudication of child abuse in a civil action, the issuance of a protection order against the respondent under chapter 74.24 RCW, and disciplinary board final decisions and any subsequent criminal charges associated with the conduct that is the subject of the disciplinary board final decision.

4. Submissions shall **not** be made to the CA Background Clearance Unit, as it is not authorized to provide clearances in CA volunteer matters.

5530 NAME AND DATE OF BIRTH INQUIRY - SERVICE PROVIDERS**5531 Service Providers To Be Checked**

- A. All criminal history background checks shall include a check of the **exact** name and date of birth match of WSP records, conducted through the CA Background Clearance Unit, except license applicants and employees of licensed agencies who have resided in Washington state less than three years.
- B. While there are alternative methods of obtaining a state level background check, CA staff are expressly prohibited from using such alternatives, because they do not provide the same level of conviction and non-conviction information as is available through the WSP records.

5532 Regular Name and Date of Birth

CHAPTER 5000—HEALTH AND SAFETY

- A. Assigned CA staff initiate criminal history background checks by submitting a signed DSHS 14-239(X), *Criminal History & Background Inquiry* to the Background Clearance Unit.
1. The individual being checked must sign to authorize the check for licensing, contracts, and adoption.
 2. The CPS or CWS worker may authorize the CPS or CWS check if the request to sign the form would in any way compromise the CPS investigation or placement.
- B. CA staff shall verify the **exact** name and date of birth written on the form by the applicant by comparison to photo identification, preferably the applicant's Washington state driver's license.
1. Failure to submit an exact name and date of birth may result in the inability to link a record with an individual, resulting in a "no record" response on an individual with a record.
 2. The social worker or other locally designated staff shall make all persons from whom CA is requesting a Social Security number aware that CA will be doing a criminal history record check. Should the individual choose not to disclose the Social Security number, the designated staff shall submit the check using whatever other indicators are available (i.e., birth date, maiden name, alias, etc.).
- C. Within five working days of receipt of the completed DSHS 14-239(X) *Criminal History Background Check Request* form, the licenser, contracts coordinator, or other responsible CA staff, in accordance with regional procedures, shall submit the form with the original signature of the applicant to:

All requests for background inquiry information shall be made in writing and submitted by regular mail, except when meeting the criteria specified for an expedited background check in Section 5533.

- D. The licenser, contracts coordinator, or other responsible CA staff shall finalize actions, including written notification, to the licensee/applicant of the results of the check, within 10 working days of receipt of the completed form returned by the Background Clearance Unit.

5533 **Expedited Inquiry Process**

Criminal history background checks may be expedited when the results are needed in the field in three days or less, and failure to do so would jeopardize child safety. There are two levels of expedited inquiries and they will be processed according to the following procedures:

A. **Priority Background Check**

1. Priority Background Checks are those inquiries for which:
 - a. The request could not be anticipated; and
 - b. The results are needed to complete a CPS investigation, an unlicensed/unexpected placement, or immediate service delivery; and
 - c. Failure to respond within three days would jeopardize child safety.

2. CA staff complete the follow steps to request Priority Background Checks:

- a. Completion of the form, *Expedited Criminal History Background Check*, indicating “priority request”;
 - b. Signature by the social worker or designee that the request meets all three standards of paragraph 1, above; and
 - c. Submission of the request to the CA Background Clearance Unit by fax at (360) 902-7931, or by mail under separate cover to M. S. 45712, Olympia, WA 98504.
3. The Background Clearance Unit will process priority requests within two working days of receipt whenever possible and will mail results back to the requester in the following day’s mail.

B. Emergency Background Check

1. Emergency Background Checks are those inquiries for which:
 - a. The request could not be anticipated; and
 - b. The results are needed immediately to complete a CPS investigation or an unlicensed/unexpected emergency placement; and
 - c. The imminent placement of a child depends on the results.

5000-33

2. Social workers or designated staff request Emergency Background Checks by completing the following steps:

- a. Completion of the form, *Expedited Criminal History Background Check*, indicating “emergency request”;
 - b. Signature by a social worker, supervisor, or Area Manager that the request meets all three standards of paragraph 1, above; and
 - c. Faxed submission of the request to the Background Clearance Unit at (360) 902-7931.
3. Emergency requests which do not adhere to the procedures exactly will be processed as “priority requests.”
 4. The Background Clearance Unit will process emergency requests the day of receipt whenever possible and will mail results back to the requester in the next available outgoing mail or will fax the results back to the requester upon verification that the return fax maintains appropriate confidentiality standards.
- C. When a background check is needed on an expedited basis and Background Clearance Unit staff are unavailable (e.g., after-hours or on weekends), the responsible social worker or other locally designated staff shall obtain criminal history information through a local law enforcement agency, in accordance with the local protocol between CA and law enforcement. This check will not include a fingerprint check.

CHAPTER 5000—HEALTH AND SAFETY

All costs for processing and providing criminal history information matched by name and date of birth are charged to the CA Background Clearance Unit when the procedures outlined in this section are followed.

5540 FINGERPRINT-BASED BACKGROUND INQUIRY PROCESS**5541 Providers To Be Checked**

All criminal history background checks conducted on license applicants, employees, volunteers, and other persons with unsupervised access to children in care and who have resided in Washington state less than three years must include a fingerprint-based check of WSP and FBI records, conducted through the CA Background Clearance Unit.

- A. Fingerprint checks must be completed on individuals who have resided in the state of Washington for less than three years from the date of their application for license or employment in a licensed facility and who may have unsupervised access to children, expectant mothers, or developmentally disabled persons who are in the care of CA or in facilities licensed by CA, including, but not limited to, foster family homes, child day care homes and centers, and group homes.
 1. These fingerprint checks must be completed prior to the issuance of a license or approval for employment in a licensed facility, except that an individual may be hired on a conditional basis if the individual will not have unsupervised access to children, expectant mothers, or developmentally disabled persons in care prior to completion of the check.
 2. CA staff complete fingerprint checks on the following groups of individuals who have resided in the state less than three years:
 - a. Applicants for agency license, licensees, their employees, and other persons who are present in the licensed facility, including volunteers.

Revision #8 - 5/15/00

- c. Individuals employed by licensed facilities, but who reside in other states, completed at initial employment

and at each subsequent re-licensing of the facility.

3. If an FBI fingerprint check is required in addition to the state background check, an applicant for employment with an agency licensed or certified under chapter 74.15 RCW who has an acceptable state background check may be hired by the licensee for 120 days on a provisional basis, effective June 9, 2000, pending the outcome of the FBI check. The DLR regional manager may extend the provisional approval until receipt of the FBI check. If the FBI check disqualifies an applicant, the DLR licenser must notify the requesting licensee that the provisional approval to hire is withdrawn and the applicant may be terminated. The provisions of this paragraph do not apply to licensed or certified foster parents, family child day care providers, and adoptive parents.

RCW 43.43.832

Revision #8 - 5/15/00

- B. The following individuals do not need to have a duplicate FBI check done under the circumstances outlined:
 1. Individuals who have had an FBI check completed, as authorized under RCW 74.15.030, showing no criminal record since moving to the state of Washington, and such check is documented in the CA licensing file, need not have another check completed at application for license or employment in a licensed facility.
 2. Staff who move from one facility to another need not have the check redone if the completed check is documented in the licensing files. The individual shall complete the *Criminal History and Background Check*, DSHS 14-239(X), as with all other applicants.

5000-36

3. If CA or the Division of Developmental Disabilities (DDD) has completed and documented an FBI check and the individual changes facilities and documentation is needed by the other division, transfer of documentation will be completed by the

February 15, 1998

CHAPTER 5000—HEALTH AND SAFETY

centralized Background Clearance Units and forwarded to the regions. An applicant-signed request for transfer and licenser name must be submitted to the CA Background Clearance Unit prior to the transfer.

5542 FBI Fingerprint Cards

- A. CA staff shall use **Children's Administration-unique** fingerprint cards for obtaining fingerprints and information from the FBI. The use of unauthorized cards will prevent the results from being returned by the FBI to the CA Background Clearance Unit and a second FBI submission will be required.
- B. Local office DLR staff will provide CPAs and group care agencies with CA-authorized FBI cards. The Background Clearance Unit has a supply of fingerprint cards and instructions. These supplies will be replenished on a request basis from the local offices and can be obtained by calling (360) 902-7927.

5543 Applicant Responsibility

Persons for whom fingerprint checks are required shall take the steps outlined below to complete FBI fingerprint checks. If the instructions below are not followed **correctly**, the packet will be returned to the licenser, resulting in significant delay in the background clearance process. The applicant for license or employment shall:

- A. Obtain from the local licenser for **each person** requiring fingerprinting:

5000-37

1. Two FBI fingerprint cards, as the FBI requires WSP and FBI fingerprint card submission, to process the fingerprint check in Washington state prior to processing the FBI national check;

February 15, 1998

2. CA FBI Fingerprint Instruction Sheet; and
 3. If applicable, a signed DSHS 05-220(X), *Children's Administration Fee Waiver*.
- B. Complete the top section of the card in **black ink**, according to the CA FBI Fingerprint Instructions. Cards must be completed exactly as indicated in the instructions or they cannot be processed.
- C. Have fingerprinting completed by any **local** police or sheriff's department, **not** the WSP. The local law enforcement agency will charge a processing fee of approximately \$10 for the fingerprinting.

Revision #7 – 12/30/99

- D. Submit proper payment to the WSP, as specified in Section 5545, and the completed cards according to the CA Fingerprint Instructions.

5544 **CA Licenser Responsibility**

A. **No Contact With WSP or FBI**

1. The FBI background check investigation will take up to four months to complete. **There is no accelerated, expedited check capability** for this process due to WSP and FBI procedures outside the control of CA.

5000-38

2. CA staff, not employed directly by the CA Background Clearance Unit, are expressly **prohibited** from contacting the WSP or FBI for any purpose related to the completion of a background check, due to WSP and FBI procedures to which

February 15, 1998

CA must adhere.

3. CA licensers or other CA staff may check the status of a request pending more than four months by contacting the CA Background Clearance Unit. CA licensers or other CA staff shall **not** in any way support applicants or agencies in having direct contact with the WSP or the FBI, for any purpose related to the completion of a background check including inquiring about the status of a request or attempting to expedite the fingerprint process.

B. Use of Information

1. When the FBI/police and criminal history check is completed, the licenser will receive written documentation on the status of the WSP fingerprint check and the FBI fingerprint check from the Background Clearance Unit. This determination shall be maintained in the licensing file.
2. Disclosure of the information provided to the licenser on the WSP and FBI check shall be made in conformance with Section 5570.

5545 **Payment**

A. Employer Payment

Chapter 74.15 RCW specifies that the employer shall not pass on the cost of the fingerprint check to the employee, except in those cases when the results of the fingerprint-based background check results in the employee's disqualification from employment.

5000-39

B. Payment Method

1. The applicant/licensee shall make payment for a fingerprint-based background check payable to the **Washington State**

February 15, 1998

Patrol, submitted in the form of:

- a. Money order;
 - b. Commercial business account check;
 - c. Cashier's check; or
 - d. Signed CA Waiver of Payment as specified in Section 5545.C.3.
2. **No personal checks or cash will be accepted for payment.** Without a fee payment in the prescribed manner, the request for an FBI check will be rejected.

C. **Payment Amount**

1. There is no refund process if the applicant decides not to continue the licensing process or if the applicant is denied a license due to information contained in the FBI/police and criminal history check.
2. All applicants who do not meet the definition of volunteer or qualify for a CA Waiver shall submit payment of \$55.
3. Unpaid agency volunteers who shall receive only cost reimbursement and no salary and licensed foster home applicants who do not qualify for a waiver of fees shall submit payment of \$49.

5000-40

4. **Fingerprint Fee Waiver for Foster Family Home Licensees**

- a. CA has determined that a “hardship,” as required by
February 15, 1998

the authorizing statute, exists for the foster family home provider when the provider agrees to accept for placement children in circumstance outlined below. DLR will waive fee requirement for foster family home applicants when one of the following conditions exist:

- i. The home is being licensed to take a child(ren) in the care and custody of CA;
- ii. CA is or will be making payment for care of a child(ren) in the home;
- iii. The home is a relative being approved to take a child(ren) in the care or custody of CA; or
- iv. The home is a relative being approved to care for a child(ren) for whom CA is or will be making payment.

Revision #3 – 10/20/98

- b. The approximate \$10 fee for fingerprinting is paid to the local law enforcement agency performing the service and cannot be waived.
- c. The licenser must approve the waiver using DSHS 05-220(X), *Children's Administration Fee Waiver*, and document it in the licensing record.
 - i. The completed form must accompany any fingerprint cards for which a waiver is being provided.
 - ii. Additional forms may be ordered from the Forms Warehouse.

Revision #7 - 12/30/99

5000-41

- iii. The waiver must be signed by the OFCL Regional Manager or the CA Regional Business Manager.
- iv. Foster family homes certified by a CPA and

CHAPTER 5000—HEALTH AND SAFETY

licensed by DLR may have the fee waived only when the home meets the criteria specified in this section and the fingerprint submission is accompanied by a waiver form signed by the OFCL Regional Manager or CA Regional Business Manager.

5. Other Waivers

RCW 74.15.030 permits waiver of fees only for payment for foster family homes.

5550 BACKGROUND CHECK DOCUMENTATION AND RECORD RETENTION

- A. Designated CA local office staff will keep sufficient information to show that appropriate required background inquiries have been completed where required. Licensers must maintain entries in appropriate records indicating who ultimately received the information and how it was disseminated.
- B. CA local offices retain returned inquiry forms for the duration required of all licensing file records. Following revocation of a license, the form must be retained indefinitely in the licensing file.
- C. Licensers must not issue full licenses nor authorize unsupervised access to children by licensees, employees, or volunteers until criminal history checks, including fingerprinting when required, have been completed and documented.

5561 No Record

If the background inquiry reveals no criminal convictions, no WSP or CAMIS child abuse record information, or pending charges, no further action is necessary to complete the background check. However, results of the background check are not the only indicators of character and suitability.

5562 Child Abuse Record

If the background inquiry reveals that the person is identified as a perpetrator of founded child abuse or neglect (CA/N) in CAMIS or in WSP files, that person shall not be licensed, employed by licensees or contractors, serve in a volunteer capacity for licensees or contractors, or otherwise be authorized by the department to provide care of or have access to children.

Revision #4 – 12/14/98

B. Conviction for Non-Disqualifying Offense

1. If the background inquiry reveals that the person has been convicted of an offense not listed in section 5590, the social worker shall consider such information in determining the character, suitability, and competence of the prospective caretaker as required by chapter 74.15 RCW and WAC 388-73-030. The fact of such conviction shall not in itself be the basis for denial of licensure or authorization to provide care.
2. Under exceptional circumstances, an individual convicted of a crime may not automatically be prohibited from contact with children solely because of the conviction. The social worker may consider the following factors when contemplating whether to proceed with licensure:
 - a. The type of crime for which the individual was convicted;
 - b. The number of crimes for which the individual was convicted;

- c. The nature of the offense(s);
- d. The age of the individual at the time of conviction;
- e. The length of time that has elapsed since the last conviction;
- f. The relationship of the crime and the capacity to care for children;
- g. Evidence of rehabilitation;
- h. Opinions of community members concerning the individual in question.

C. Pending Charges

If the background inquiry reveals that charges are pending against the person for any of the offenses listed in section 5590 of this chapter, or their equivalents in other jurisdictions, the social worker shall withhold a care provider's license or authorization to provide care until dismissal or acquittal occurs.

1. Pending charges for other offenses may be grounds for withholding licensure or authorization to provide care. See DSHS Administrative Policy 9.04.
2. Pending charges may be reason for suspending, summarily or otherwise, the license of an already licensed agency.
3. If the background inquiry reveals that pending charges are more than one year old, the designated staff person shall make further inquiry with the charging law enforcement agency to determine the disposition or status of the charge.
4. Unless there is a disposition within the 90-day application period, the licenser or social worker shall deny or close the application if there are pending charges related to an offense which would adversely affect licensure. The individual may reapply following a disposition of the charge. Pending charges which are more than one year old may not be taken as grounds for a licensing action unless the case is still active because of a continuance.

Revision #1 - 6/25/98

- D. For purposes of background checks, convictions for crimes relating to drugs may be used as a tool for investigation and may be used for any decision regarding the person's suitability for a position in which the person may have unsupervised access to children or vulnerable adults. For the definition of "Crimes Related to Drugs," see Appendix A.

RCW 43.43

Revision #1 - 6/25/98

5564 **Use of Non-Conviction Information**

Aside from a charge pending less than one year, non-conviction information cannot be used as the sole basis for a disciplinary action on a license. Non-conviction information may, however, create a basis for further investigation, especially background queries to other law enforcement agencies.

5565 **Disposition**

- A. The license of any applicant, chief executive, owner, operator, and/or administrator of any agency will be denied, suspended, or revoked if the person has been found to fall under the provisions of WAC 388-73-036.
- B. As required by WAC 388-73-030, any person (including licensees, staff, or other persons on the premises) having a history of offenses which indicates that the person is not of good character and/or may not have the emotional stability and personality to meet the needs of persons in care shall be disqualified from providing care.

5566 **Right of Appeal**

See WAC 388-330-035 for standards for a disqualified person's right of appeal and steps to be followed.

5570 **INFORMATION SHARING**

Information from the background inquiry may be shared only with the person whose background has been checked. It may be shared with others if the subject person has signed a specific authorization to do so. Such a release of information authorization is located on the back of the DSHS 14-239(X). All information received from the FBI or WSP is authorized for use by DSHS only for the purpose for which it was obtained, and, as such, it cannot be disclosed or disseminated to a third party.

- A. Designated CA staff shall notify the applicant of the WSP's response within 10 days after receipt of the information. The staff shall provide a copy of the response to the applicant, if requested.

RCW 43.43.834(4)

- B. Only background inquiry information which could require disqualification of an employee or volunteer of a licensed or authorized care provider may be shared with that provider and only after notice to the subject.
- C. CA staff may provide information within DSHS on a need-to-know basis. Dissemination of conviction records and pending charges to individuals with a need to know is unrestricted within the department.
- D. Department staff shall not give a returned background inquiry form or "rap sheet" or a copy of such to any person who is not an employee of the department.

- E. CA staff shall keep information obtained from the department's own files, including CAMIS, confidential except that staff may share information on whether the subject meets requirements to provide child care with the agency/person specified on a release of information form signed by the subject person.
- F. If a person is disqualified, the appointing authority or designee shall give written notice of disqualification to the person. The appointing authority/designee shall inform the individual before notifying the child care agency.
1. The disqualified person's notice must state what the person is disqualified from doing, the reasons for the disqualification, and the applicable law under which the person is disqualified.
 2. The notice must inform the disqualified person of their right to a fair hearing under RCW 43.20A.205.
 3. A licensee or contractor may not allow a person disqualified under this policy to associate with the licensee or contractor's agency. Disqualification of a person may not be contested by a licensee or contractor.
 4. The department may remove a disqualification based on conviction of a crime or other reason if the disqualified person demonstrates by clear, cogent, and convincing evidence that he or she is sufficiently rehabilitated to warrant public trust and to comply with the requirements of chapter 74.15 RCW. WAC 388-330-035(8)

5580 **STATE OFFICE RESPONSIBILITIES**

- A. Designated Background Clearance Unit staff within the Division of Management Services conduct criminal history inquiries and review the WSP abuse record information system. They will check for criminal history against any name used by the subject, the subject's birth date, and the subject's Social Security Number, if provided.
- B. Background Clearance Unit staff return findings to authorized personnel from the office which forwarded the background inquiry.
- C. Background Clearance Unit staff maintain a log of persons for whom criminal history inquiries have been done.

5700 BLOOD BORNE DISEASES**5710 BLOOD BORNE PATHOGENS PROTECTION PLAN****5711 Purpose and Scope**

- A. Employers must assess the risk to employees for a reasonably-anticipated potential for occupational exposure to blood and other potentially infectious materials during the course of performing their assigned duties. Although the risk of occupational exposure to blood borne pathogens (BBP) has been determined to be quite low for Children's Administration personnel, CA has stipulated this *Blood Borne Pathogens Protection Plan* to further minimize the risk of exposure, to provide guidance addressing unexpected exposure to blood and/or bodily fluids, and to meet requirements set forth by the Occupational Safety and Health Administration (OSHA), and the Washington Industrial Safety and Health Act (WISHA).
- B. The plan applies to and is accessible to all employees and will be reviewed and updated annually, or as required by statute.

5712 Definitions

Definition of terms applicable to the Plan is found in Appendix A.

5713 Methods of Implementation**A. General**

All employees will use *Universal Precautions* (see Appendix A) whenever there is reasonably anticipated contact with blood or other potentially infectious fluids.

B. Safe First-Aid Practices

6. The person giving CPR shall use a one-way valve micro-shield and then appropriately discard it.
7. If there is more than one victim, the person giving assistance shall use new protective equipment, such as gloves and CPR micro-shields, for each victim.

C. Disposal of Contaminated Items

1. Staff shall handle all material exposed to and contaminated with blood or other potentially infectious materials with gloves. Staff shall place and transport contaminated material in a plastic bag that prevents soak-through and/or leakage to the exterior.
2. The employee shall label the bag as to contents with label prominently displayed and dispose of contents in trash bins unless contents meet the definition of regulated waste (See Appendix A). - f. The designee shall remind the exposed employee that the test results are not to be disclosed to anyone, except for the health care provider providing the employee's medical evaluation. When the source individual is already known to be infected with hepatitis B virus or human immunodeficiency virus (HIV), blood testing for these viruses need not be requested.

4. **Record-Keeping**

- a. The health care provider will report back to CA that appropriate post-exposure evaluation, prophylaxis, and follow-up has been offered.
- b. All medical records of this exposure follow-up will be kept confidential by CA for the duration of the person's employment plus thirty years. Records will be maintained by the DSHS Office of Risk Management, Safety and Health Section, and will not be included in the employee's personnel file.

5721 Purpose and Scope

This section provides guidelines for the implementation of procedures pertaining to infections carried in the blood, such as Sexually Transmitted Diseases (STDs), specifically Human Immunodeficiency Virus (HIV) and Hepatitis B Virus (HBV).

5722 Definitions

For definitions relating to this section, see Appendix A.

5723 Implementation Practices/Procedures

A. Non-Discrimination

1. CA shall not discriminate against persons with or perceived to have HIV infection. This policy includes discrimination against employees, clients, licensees, contractors, or volunteers. Procedures for persons who believe they have been subjected to discrimination because of HIV status are found in DSHS *Administrative Policy 6.09*.

2. Licensees are not required by law to share their HIV status with licensers. If this information is shared by the licensee or prospective licensee, licensers may request additional health information, as is the case with disclosure of any serious illness of a licensee. Decisions regarding continued licensing of an HIV infected person are made in the same manner as any serious illness.

B. Regional HIV/BBP Coordinator

1. Each Regional Administrator must designate an HIV/BBP Coordinator to oversee issues related to HIV, HBV, and other BBPs.
2. The social worker refers all HIV/HBV affected cases and issues related to BBP to the regional HIV/BBP Coordinator for consultation and staffing as appropriate.
3. The Coordinator:
 - a. Provides information and consultation on CA policy.
 - b. Provides consultation for case management.
 - c. Serves as liaison with the health care community and AIDS service organizations.
 - d. Convenes the HIV/BBP Advisory Team.

C. Regional HIV/BBP Advisory Team

1. Each Regional Coordinator must develop an HIV/BBP Advisory Team to advise on issues related to HIV, HBV, and other BBP.

Revision #7 - 12/30/99

 - b. Provides case consultation, as needed.

D. **Universal Precautions**

All staff, out-of-home care providers, volunteers, licensees, and respite care providers must use universal precautions when dealing with children in care and treat all blood and body fluids containing blood as if known to be infectious. See section 5710, Blood Borne Pathogens Protection Plan.

Revision #7 - 12/30/99

E. **HIV Testing**

1. HIV testing of a child is a medical procedure and, therefore, must be done only in consultation with the Regional HIV/BBP Coordinator **and** on the recommendation of the local health department or a licensed health care provider knowledgeable about HIV infection.
2. HIV testing of a child **under the age of 14** generally requires the written consent of the parent or legal guardian after the parent or guardian has received pre-test counseling.

Revision #7 - 12/30/99

- a. When HIV testing of a child under the age of 14 is being requested as a result of potential perinatal exposure, the social worker or HIV/BBP Coordinator shall inform the child's mother of the request and ask the mother to provide the results of her past HIV tests or to be tested in order to possibly eliminate the need for testing of the child. This testing is voluntary and will be confidential, consistent with this section.
 - b. When parental rights have been terminated, the social worker of a child under the age of 14 may authorize HIV testing.
 - c. The social worker shall obtain a court order for testing if the parent or legal guardian is unavailable or unwilling to provide consent for testing of a child under the age of 14 and if a medical reason for testing exists.
 - d. If a child under 14 years of age tests positive for any STD, including HIV, the HIV/BBP Coordinator shall ensure that the medical professional or the local health department notifies the parent or legal guardian of the test results.
2. HIV/STD testing of a youth age 14 or over requires the written consent of the youth or a court order. The youth may request testing on his/her own authority.
 - a. The written consent or court order shall authorize test results for HIV or HBV to be released to the social worker and out-of-home care provider.

- b. When obtaining a court order or a consent for HIV testing, the social worker shall, if needed, also gain authority to share the results with others who have a compelling “need to know” and are not otherwise authorized to know under chapter 70.24 RCW. All such individuals shall be identified in the consent or court order. The consent or court order shall authorize treatment, as necessary.

F. Confidentiality/Disclosure

1. Infection with HIV and other sexually transmitted diseases is a personal and private matter. Staff, care providers, and volunteers shall treat information related to these issues in a confidential and respectful manner and shall not disclose this information except in accordance with state law and as provided in this section and paragraphs G and H, below
2. **Disclosure Practices and Criteria**
 - a. CA staff shall not share the HIV/STD status of a parent with anyone, without that parent's written consent, other than CA staff with a need to know. See paragraph H, below, for exception criteria for prospective adoptive parents.
 - b. In order to facilitate appropriate health care for a child, the social worker may share HIV/STD status of a parent with the health care provider to help determine the appropriateness of testing the child, provided the parent's identity is not revealed.

- c. CA staff shall not share information related to the HIV/STD status of a youth 14 years or older with anyone, including parents, without the youth's written consent or a court order. However, the social worker shall inform the child that no placement may be made without full disclosure to the prospective residential care provider.
- d. For children under 14 years of age in DCFS custody, DCFS shall share information related to HIV and other STDs with people making case planning decisions only as authorized by law.
 - i. RCW 70.24.105 authorizes disclosure to the DCFS worker, the child's private child placing agency worker, the child's *Guardian Ad Litem* in a dependency action, and the person, including the adoptive parent, providing residential care for the child.
 - ii. To document disclosure of HIV/AIDS information, the social worker will assist the residential care provider to complete and sign the *Disclosure of Confidential HIV/AIDS Information*, DSHS 09-837. The social worker will then place this form only in the child's confidential HIV/AIDS file.

- iii. Disclosures to any individual other than those identified in subparagraph "i" requires parental or legal guardian consent or a court order. The HIV/BBP Coordinator shall make decisions on a case by case basis regarding who has a "need to know" and who should, therefore, be listed in the court order or consent.
- e. The social worker shall ensure that the child's current health care provider is aware of the child's exposure to HIV/HBV. If the health care provider knows the identity of the parent, neither DCFS nor the residential care provider has the authority to disclose the parent's HIV/HBV status without the parent's written consent or a court order.
- f. Social workers shall not disclose information related to a parent or child's HIV or other STD status to other CA employees, except their immediate supervisor, manager, and HIV/BBP Coordinator.
- g. When a written disclosure is made by a CA employee, as authorized by law, to other than another CA employee, the social worker or HIV/BBP Coordinator shall accompany it with the following statement and acknowledge it in writing on the form, *Disclosure of Confidential HIV Information*, DSHS 09-837:

This information has been disclosed to you from records whose confidentiality is protected by state law. State law prohibits you from making any further disclosure of it without the specific written consent of the person to whom it pertains or as otherwise permitted by state law. A general authorization for the release of medical or other information is not sufficient for this purpose.

- h. The social worker shall follow up any oral disclosure by a CA employee to other than another CA employee by sending, within 10 days, the *Disclosure of Confidential HIV Information*, DSHS 09-837, to the person(s) receiving the information.
- i. Information on HIV or STD status shall not be recorded or stored electronically in CAMIS documentation files such as the Health Card. The social worker shall keep case recordings which disclose information related to the child's or parent's HIV or other STD status or exposure in a "privileged/confidential information" envelope used to safeguard sensitive case information. Access to this envelope is strictly limited to those authorized by law, with consent or as noted on a court order. Access to other parts of the child's record does not assume the right to access HIV/STD information.

Revision #1 - 6/25/98

- j. Social workers shall not disclose HIV/STD information in written reports to the court without consultation with the assigned legal counsel.

- k. When HIV/STD information is discussed in court, the social worker, through legal counsel, shall make special arrangements with the court to protect the confidentiality of the parties.

G. Placement

1. DCFS staff shall inform the residential care provider of the child's HIV/HBV status, if known. The social worker shall not inform the residential care provider of the HIV/HBV status of a child age 14 or older without the child's permission or a court order. However, the social worker shall inform the child that no placement will be made without disclosure of such status to the prospective residential care provider.
2. HIV exposed/infected children may be placed with other children unless otherwise advised by the health care provider. However, DCFS staff shall not place known HBV infected children or perinatally exposed infants in households with other unvaccinated persons.
3. The social worker shall strongly consider a child's and/or parent's wish not to disclose a child's positive HIV/HBV status to relatives when investigating a potential relative placement. However, if the child is actually placed, the social worker must disclose the child's HIV/HBV status. This revelation could negatively impact family relationships.
4. The social worker shall arrange for provision of medical attention for the HIV/STD infected/exposed child by a physician knowledgeable in this specialty area.

5. When placing a child known to be HIV/HBV exposed or infected, the social worker, in addition to providing the residential care provider with information regarding the child's current health status and names of all health care providers, shall inform the residential care provider of all resources involved and provide instruction in any special care needs of the child prior to placement.

If exposure of infection is discovered after placement, the social worker shall immediately provide the above information to the residential care provider and ensure the provision of instruction in any special care needs.

6. When HBV infection is discovered in an individual living or working in a foster/receiving/group home, the social worker shall immediately notify the Regional HIV/BBP Coordinator and the local health department. Public health department recommendations for testing and immunization of household contacts shall be followed. DCFS staff shall place no additional unimmunized children in the home while the possibility of exposure exists.

H. **Adoption**

1. The adoption worker or HIV/BBP Coordinator shall provide prospective adoptive parents with all available information on the STD/HIV/HBV status of children under 14 years of age.
2. For children age 14 or above, the social worker shall not disclose status without the child's permission but shall not place the child without such disclosure.
3. Staff shall share the STD/HIV/HBV status, if known, of the parents, if the possibility of infection of the child by that parent exists. In such cases, the identity of the parents may not be disclosed.

4. CA staff shall identify children with HIV infection in adoption exchange books and/or media as having "serious medical problems." HIV exposure of uninfected children does not need to be noted in exchange books. Only when a serious inquiry is received and the social worker has determined that the family is a potential candidate should the child's specific medical history be discussed. The social worker shall not disclose the child's name until the family is selected as the adoptive family.
5. The social worker shall provide prospective adoptive parent(s) with the *Child's Medical and Family Background Report*, DSHS 13-041(X). The social worker shall include on the document all available medical information related to the child and biological parent, including HIV/STD information if possibility of exposure exists. The identity of the parent is not disclosed on this form.
6. When HIV testing is recommended, the social worker shall consult with the HIV/BBP Coordinator and arrange for completion of the test prior to finalization of the adoption.
7. The social worker shall inform the prospective adoptive parent that HIV infection may qualify a child for adoption support.

I. **Training**

1. CA shall arrange for all employees to receive HIV/BBP training which covers prevention, transmission, infection control, treatment, testing, confidentiality CA-related policy and procedure, as it relates to adults and children.
2. All individuals and agencies licensed by CA shall receive HIV/BBP training which covers prevention, transmission, infection control, treatment, testing, confidentiality and CA-related policy and procedure, as it relates to adults and children.

The Office of Quality Assurance and Training has primary responsibility for statewide quality assurance reviews and oversight.

6120 SHARED DECISION MAKING

All Children's Administration staff are expected to perform in compliance with the *CA Case Services Policy Manual*, Appendix C, Shared Decision-Making.

6130 CONTINUOUS QUALITY IMPROVEMENT

CA shall demonstrate continuous quality improvement in services to children and families within legislatively determined parameters. CA Quality Improvement focuses on:

A. Data Driven Decisions

Service quality improvements are determined through the use of annual measurements of established regional performance benchmarks. Benchmarks are established in the areas of child safety, permanency, and child and family wellbeing.

B. Customer Defined Services

Within legislatively determined parameters, child and family needs determine what services are arranged or provided for by the Children's Administration. Clients are regularly surveyed to measure the accessibility and usefulness of services and the responsiveness and competence of agency staff.

C. Quality Management

The success of CA managers is regularly measured against improvements in quality results.

D. Employee Involvement

Revision #9 -

- B. Departmental policy regarding ethical conduct of its employees is found in DSHS Administrative Policy 6.04. This policy provides an overview of ethical conduct expected of departmental staff. Other Administrative Policies, DSHS Personnel Policies, and the department's non-discrimination policy provide further detail on specific areas.
- C. Children's Administration (CA) staff must not access any person, case, or referral information without a need to know. "Need to know" means that information is necessary in the discharge of the employee's professional responsibilities.

8120 DSHS EMPLOYEES -- CHILD FOSTER CARE LICENSING AND ADOPTION

The CA *Practices and Procedures Guide*, chapter 5000, section 5138 outlines conditions under which CA employees may be licensed as foster family home parents. Section 5312 outlines conditions under which CA employees may be certified as adoptive parents. See those sections for limitations on licensing of employees as foster parents or on their certification as adoptive parents and steps to follow in the licensing and certification processes.

Revision #2 - 9/1/98

8200 TELECOMMUTING**8210 PURPOSE AND SCOPE**

Large employers are required to reduce single occupant vehicle commuting and to reduce employee commute trips. CA Division Directors and Regional Administrators may, at their discretion and within available funds, approve reimbursement for cost of short term training for staff that would directly improve an individual's ability to perform his or her current job. Short term training does not include general education classes or classes taken for the sole purpose of earning credit hours toward a degree or certificate.
- B. CA may reimburse up to 100 percent of the actual cost of tuition of the approved training course, with the actual amount approved in advance by the Director or Regional Administrator. CA will reimburse only the pre-approved costs of tuition and registration fees.
- C. Each Director and Regional Administrator shall develop procedures to implement this section and to ensure equity in the utilization of such training resources by staff among all classifications.
- D. CA managers and staff will adhere to the following guidelines when requesting or considering tuition reimbursement:
 1. The employee must submit a request in writing, using the *Tuition Reimbursement Request*, SF 30, to the manager outlining how the course directly relates to a function of state government.

8322 **Leave Approval for Non-Reimbursed Staff Training**

- A. When staff are away from their normal duties at training, either in-state or out-of-state, for which the department is not providing cost reimbursement for the training or for travel costs, the employee does not need to follow the travel request procedures contained in chapter 9000, section 9120.
- B. At the discretion of CA and considering program needs, the Regional Administrator, for Division of Children and Family Services (DCFS) staff, or the applicable division Director, for other divisions, may approve educational leave for the employee under the following conditions:
 1. The employee submits, through the supervisor and appropriate lines of authority, to the Regional Administrator or Director, as appropriate, a *Leave Request*, SF-6953, with the "Other" box checked and specifying "training."
 2. The employee prepares and attaches to the *Leave Request* a brief summary of the training to be attended and its relevance to the employee's job assignment or career development.
- C. The Regional Administrator or Director, as appropriate, will approve or disapprove the request.

8800 CHILDREN'S ADMINISTRATION STAFF LIABILITY

See the *CA Practices and Procedures Guide*, Chapter 4000, section 43073, for information regarding staff liability and responsibility for complying with court orders.

8900 OPPOSING TESTIMONY**8910 PURPOSE AND SCOPE**

- A. This standard and procedure establishes guidelines for Children's Administration (CA) staff who may be called upon or wish to provide testimony or documentation opposing the department's official position in an administrative hearing or court action, usually as a result of an adverse action against a child care license or as part of a child or family case specific action.
- B. This standard does not apply to cases brought by or against a department employee. The standard does not apply to nor limit employee participation in any role in other, non-licensing or non-case specific, actions, including employee disciplinary, Personnel Appeals Board, and court hearings or related actions.

Revision #1 - 6/25/98

8920 STANDARD AND PROCEDURE

- A. Division of Licensed Resources (DLR) adverse licensing action constitutes a decision by the department that the licensee is not suitable to care for children.
- B. CA staff, including Division of Children and Family Services (DCFS) social workers, shall not knowingly take action that directly subverts or undermines the department's position in a licensing or other family or child case specific action.

Revision #1 - 6/25/98

- C. If CA staff has information that is relevant to the licensing or other case specific determination in question, including contacts from opposing counsel, that staff will provide that information to the DLR licenser or other responsible CA employee, as applicable. When contacted by opposing counsel, the CA employee will also notify the assigned Assistant Attorney General (AAG).
- D. CA staff will not knowingly share department documents related to the dispute with any licensee or other party who is the subject of the licensing or other department case specific action or with the licensee/party's attorney/agent/ advocate except as currently provided in public disclosure statutes and regulations. If CA staff receives a request for documents from the licensee/party or his/her attorney/ agent/advocate, the staff will immediately refer the request to his/her supervisor, the DLR licenser for licensing issues, and the AAG assigned to the licensing or other family or child specific case.
- E. CA staff will not knowingly share confidential information with the licensee who is the subject of licensing action. CA staff will also not knowingly share confidential information with the opposing party to any other child or family case specific action. In addition, CA staff will not knowingly share confidential information with the licensee/party's attorney/agency/advocate.

“Confidential information” includes, but is not necessarily limited to, attorney/client communications; information pertaining to the department's strategy or decision-making in the licensing case or other matter under litigation; agency memoranda, e-mail, or other communication related to the case; and client (child or child's family) information.

- F. If CA staff are contacted by a licensee who is the subject of licensing action or other party to a department-related child or family case-specific litigation, the licensee/party's attorney/agent/advocate or by any person who has information regarding the licensing or other child or family specific case in dispute, that staff will immediately notify his/her supervisor, the DLR licenser or other involved CA staff, as applicable, and the AAG assigned to the case.

Revision #1 - 6/25/98

- G. CA staff will not testify in support of a licensee who is the subject of licensing action or other party in opposition to the department unless subpoenaed to do so. CA staff will not provide any written letters of support for the opposing party on DSHS letterhead. The CA staff will specifically state that his/her testimony, whether by subpoena or not, or letter sets forth his/her personal opinion and is not the position of the department.
- H. The department, in consultation with the assigned AAG, determines the department's position in any action. The assigned AAG represents the department and not any particular CA staff. If CA staff testifies in support of a licensee who is the subject of a licensing action or other party to a child or family specific action in opposition to the department's position, he/she may be cross-examined as a hostile witness by the AAG, who may attempt to discredit the employee's testimony.

9100 FOSTER CARE PAYMENTS**9110 PAYMENTS ABOVE BASE RATES****9111 Purposes**

Additional funding beyond basic rates may be necessary to maintain a child in foster family care or a relative placement. This funding is intended to enable care in the most family-like, least restrictive setting. However, it is also appropriately used to enable care pending placement into a specialized, more restrictive, appropriate care setting when such resources are not immediately available.

9112 Limitations

- A. Additional funding beyond basic rates is an exception and not an entitlement to all children in care who have extraordinary needs. The Division of Children and Family Services (DCFS) social worker, the supervisor, and/or the Area Manager must determine that the need is critical and that funding is available within regional allotments.
- B. The DCFS Regional Administrator is responsible for all allotted service delivery funds and determines the level of additional funding available to meet special needs. All expenditures must be within regional allotments.

9120 **SPECIAL RATES**9121 **Justification and Approval**

- A. The private agency or DCFS social worker may authorize a special rate, up to state authorized maximum amounts, in addition to the basic rate for board and room, for a child in need of special and specific care. The private agency or DCFS social worker must write a justification for approval by the DCFS supervisor. The supervisor must approve the special rate before payment is made. If the special rate is approved, the supervisor must review the need for continued payment every six months. The supervisor must document approval of the special rate in the child's case file at initiation and renewal.
- B. Documentation contained in the child's Health & Education database of the child's behavior, emotional, intellectual, and/or physical problems is sufficient justification for a special rate.

Revision #7 - 12/30/99

9122 **Training Requirement**

- A. To be eligible to receive the special rate in behalf of a child in their care, the foster parent(s) must have successfully completed Foster Parent Scope training provided by the Division of Licensed Resources (DLR).
- B. Under the provisions of chapter 2000, section 2320, EXCEPTIONS TO POLICY/WAIVERS, the DCFS Regional Administrator or designee may waive the requirement for foster parent(s) to have successfully completed Foster Parent Scope training prior to receiving the special rate in behalf of a specific child. To obtain a waiver and pay the special rate, the DCFS social worker must ensure that the exception meets the following conditions:
 1. The waiver addresses the needs and best interests of the specific child in out-of-home placement for whom the waiver is requested, using the criteria contained in the *CA Case Services Policy Manual*, chapter 4000, section 4400.
 2. The waiver is specific to the child and the home in which the child is placed. If the child is moved to a different home, the waiver terminates.

3. The waiver specifies the criteria used to justify waiver of the training requirement for the specific child and foster home; e. g., the foster parent has specialized training and experience to meet the child's needs.

Revision #2 - 9/1/98

4. If the Regional Administrator or designee approves the waiver within 30 days after the date the social worker requests the waiver in writing, the waiver is valid retroactively to the date of the initial written request. If approved more than 30 days following the social worker's written request, the waiver will take effect on the date of the approving signature.
5. The waiver is time-limited, to a maximum of 6 months from the effective date or termination of the foster home license, whichever occurs first.
6. The waiver is renewable as long as the placement continues to meet the child's special needs and is in the child's best interest.
7. The waiver and any renewals must be in writing and documented in the child's case file, the child's federal revenue file, and the foster home licensing file.

Revision #2 - 9/1/98

9123 **Children with Behavioral/Emotional Problems**

To be eligible for special rate foster care, children with behavioral/emotional problems need to exhibit at least three of the following behaviors, which are documented in the Behavior Issues section of the child's CAMIS Health & Education database:

Revision #7 - 12/30/99

- X Recurring use of illicit drugs
- X Regular overuse of alcohol
- X Poor school adjustment and/or truancy

- X Sexual acting out
- X Frequent shoplifting and/or other theft
- X Chronic running away
- X Demonstrated property destruction in own home and/or foster home

Revisions #2 - 9/1/98; #7 - 12/30/99

- X Regular, frequent peer conflict which may require action by foster parent
- X Significant sleep problems which may cause disruption in the normal sleep patterns of the foster parent(s)
- X Destructive attention-seeking behavior which may demand extra attention by foster parent(s)
- X Frequent noncompliance with requests of parent(s), foster parent(s), teacher, or other authority figures
- X Failure to use normal cautions in using potentially flammable substances
- X Soiling and enuresis over age six
- X Extremely bizarre behavior, reflecting psychosis or other severe mental disorder

9124 **Intellectually/Physically Challenged Children**

To be eligible for special rate foster care, intellectually and/or physically challenged children need to exhibit at least two of the criteria listed below, which are documented in the child's record. If Foster Care Passport Program (FCPP) staff has constructed a Passport for the child, the child's social worker must have documented any of the following dysfunctions, except "awaiting institutional placement," in the child's Health & Education database:

Revision #7 - 12/30/99

- X Requires physical assistance, inappropriate to the child's age, of foster parent in feeding, dressing, bathing, or toileting
- X Needs the physical help of foster parent in order to be mobile
- X Needs regular and organized physical therapy by foster parent under the orders/direction of a professional
- X Needs medication administered by foster parent on a regular basis per physician's orders

- X Needs physical assistance by foster parent for drainage of ileum conduit, colostomy
- X Requires suctioning, mist tent, etc., care which is provided by a foster parent
- X Non-ambulatory
- X Epileptic child who has uncontrollable seizures
- X Awaiting institutionalization placement
- X Habitually wanders unless closely supervised
- X Failure to thrive below third percentile
- X Born addicted to drugs requiring additional care and support during the withdrawal period

Revision #7 - 12/30/99

9130 EXCEPTIONAL COST PLANS**9131 Standards**

Exceptional Cost funds are used to enable children with highly individual needs to be cared for in the least restrictive setting. They are to be utilized only after all other potential sources of financial and other support for the needed services have been exhausted. Children with severe physical and/or intellectual impairments and those with acute emotional/ behavioral problems may need funds beyond the special rate in order to succeed in out-of-home care. These funds may reimburse foster parents for unusual, highly demanding activities/supervision they provide and for purchase of special services or supplies. Purchase of a foster parent's time/activities is always considered an exceptional cost plan (ECP).

9132 Training Requirement

- A. To be eligible to receive funds through an ECP on behalf of a child in their care, the foster parent(s), including at least one full-time staff in a staffed foster home, must have successfully completed Foster Parent Scope training provided by DLR.
- B. The DCFS Regional Administrator or designee may waive the training requirement. See chapter 2000, section 2320, for general waiver authority and section 9122, above, for steps to follow to obtain and document a waiver for exceptional cost payments.

Revision #2 - 9/1/98

9133 Appropriate Uses

- A. The DCFS or private agency social worker may seek approval from the DCFS supervisor and Area Manager or other regional designee for an ECP when the child has unique documented needs which require unusual, very special care on the part of the foster parent and/or support services, equipment, and supplies. Before seeking approval of an ECP, the social worker needs to determine that the child's needs may be met only through an ECP.

Revision #7 - 12/30/99

- B. The social worker must document the plan and appropriate approvals in the child's case record before payment is made. For children enrolled in FCPP, the social worker must attach a copy of the child's current Passport, including the current Health Recommendations Letter, to the ECP.

Revision #7 - 12/30/99

- C. The social worker and the supervisor must review the ECP at a minimum of once every six months and obtain approval of the Area Manager or other regional designee for continuation of the plan and payment.
- D. The social worker and supervisor must limit ECPs to one child in each foster home. For more than one child in the home to receive ECP, the Area Manager and the Regional Administrator must review the proposed plans for each child to ensure that each child is in need of and will receive all authorized services, without duplication of payments to the foster parent. The Regional Administrator must approve such multiple ECPs; this authority may not be delegated to a lower manager.

Revisions #3 – 10/20/98; #7 - 12/30/99

9134 **Regional Expectations**

The Regional Administrator determines the procedures by which these funds are authorized. The procedures will address the following:

- A. The prescribed form or format for documentation.
- B. The rationale/justification for additional funding for a specific child.
- C. The specific services being request through the ECP and the rate levels for each service. The services must be categorized as either Maintenance (direct care/supervision of child) or Non-Maintenance in order to obtain federal matching funds.

- D. Exploration of alternative resources, including services or funds that community agencies and DSHS divisions may contribute toward the plan of care.
- E. The total amount of additional funds and the period of time such plans may cover.
- F. The delegated approval level, if not the Regional Administrator.

9140 LIMITATIONS ON OUT-OF-HOME CARE PAYMENTS

- A. To prevent overpayments when children leave one residential placement to go to another or to return home, the CA social worker shall make payment only through the day before the date of discharge. No double payments are to occur by paying for the same date of care in two different facilities.
- B. CA shall pay for temporary absences of children from foster family and group care only in compliance with WAC 388-70-054. In addition, the following conditions shall apply:
 - 1. CA shall not pay for absences of a child from foster family care, unless there is an agreement with the foster family for the child to return to their home within 15 days.
 - 2. When a child leaves a foster care placement, unless there is agreement by DCFS and the foster parent to place the child back into the foster home, the social worker shall prorate the foster care payment, including special rate and exceptional cost, for the month, paying only for the actual days of care provided, not including the last day of placement. Acceptable absences, where the plan is to return the child to the foster home within 15 days, include:

- a. Planned visitation;
 - b. Hospitalizations;
 - c. Attendance at summer camps and similar activities;
 - d. Respite placements;
 - e. Temporary placement while foster parent(s) is vacationing or receiving medical treatment;
 - f. Juvenile detention placement of youth; or
 - g. Runaways when the bed is being held for the return of the child.
3. An exception to policy (ETP) may be submitted to the Regional Administrator to continue payment beyond 15 days of absence or when a planned absence is for a reason other than listed above, if continued payment is necessary to continue a plan of care which is in the child's best interests.
 4. In the event of an unplanned absence from the foster family home, if the created vacancy remains unfilled, the social worker may authorize up to three days of payment to determine if the child will be returned to the foster home.
- C. Overpayments also occur in foster family or group care when the authorized goods or services are not provided but payments are made. Examples include payments for Exceptional Cost or Medicaid Personal Care Services that are paid but not delivered.

- D. The social worker or other staff designated by the Regional Administrator will need to calculate an overpayment when payments are made for services not delivered and for those days paid if the child is absent from the foster family home for reasons other than those listed in paragraph A, above.
1. The designated staff completes a *Social Service Overpayment Notice*, DSHS 18-398.
 2. The designated staff sends a copy of the form to the foster parent with instructions to forward repayment directly to the Office of Financial Recovery (OFR).
 3. The designated staff also sends copies of the forms to OFR, along with documentation supporting the finding of an overpayment and the calculations and retains a copy of the overpayment notice in the client and/or vendor file.
- E. Each Regional Administrator will put into place regional controls that identify placements that have ended and which require overpayments to be collected in accordance with this standard.
- F. Each Regional Administrator will put into place regional controls that identify how foster care payments above base rates are monitored to achieve improved outcomes.

9141 Disputed Overpayments

Foster parents, as non-contracted care providers, do not have a right to a fair hearing.

- A. When a foster parent believes no overpayment has occurred, the overpayment has been computed in error, or the overpayment should not have to be repaid, the foster parent requests review by the department.

- B. The Foster Care Program Manager, in the CA Division of Program and Policy Development, reviews the overpayment dispute and determines the amount of overpayment to be repaid or forgiven. The Program Manager uses as the basis of the decision information provided by the social worker, OFR, and the care provider.
- C. DCFS regional staff shall respond promptly and completely to all requests for additional information from the Foster Care Program Manager.

9142 Dual Payment Limitations

- A. Payment of foster care is for 24-hour care. Payment of both foster care and child day care for the same child to a dually licensed home is a double payment. Trading children between dually licensed homes would similarly result in double payments.
- B. Before authorizing child care payments for a child in foster care, the child's social worker will verify the employment of the foster parent(s) outside the home or in the home in an occupation that would normally be performed outside the home. The social worker will document in the child's record through wage stubs or other appropriate means verification of the employment. The social worker will include the name of the employer, the hours worked, and the telephone number at the work site where the foster parent can be contacted. The social worker will verify the foster parent(s) employment status every six months while payments continue.
- C. For foster parents whose work site is their home, the social worker will verify the actual hours of employment and limit child day care payments to those hours only.

9500 SOCIAL SERVICE PAYMENTS**9510 DEFINITION OF OVERPAYMENT**

“Overpayment” means any money paid by the department for services or goods not rendered, delivered, or authorized or where the department paid too much for services or goods or services rendered, delivered, or authorized.

Revision #7 - 12/30/99

9520 **OVERPAYMENT AND UNDERPAYMENT IDENTIFICATION AND RECOVERY****A. PURPOSE AND SCOPE**

1. These procedures establish guidelines for CA staff in the resolution of vendor or foster parent disputes regarding payments through an administrative hearing and pre-hearing process. It provides direction when staff determines that an overpayment to a vendor or foster parent exists, for staff participation in steps to recover the overpayment, and for staff participation in the settlement of any overpayment disputes. The procedures also provide direction for pre-hearing efforts to mediate and resolve payment disputes prior to proceeding to hearing.
2. Contracted and non-contracted service providers, including foster parents, may seek dispute resolution through these procedures, under the Administrative Procedure Act and RCW 43.20B.675, with respect to overpayments. However, the following limitations apply:
 - a. The right of vendors or foster parents to seek an administrative hearing to contest alleged overpayments applies only to overpayments for goods or services provided on or after July 1, 1998.
 - b. These procedures do not create a right to a hearing where no dispute right previously existed except as provided in RCW 43.20B.675. These procedures and department policy limit disputes for foster family and child day care providers to:
 - i. Alleged overpayments;
 - ii. Perceived failure of the department to pay for services actually provided under an agency service authorization; and
 - iii. Licensing actions taken under WAC 388-73-036 or WAC 388-155-090, as applicable.

Revision #7 - 12/30/99

- c. Adoptive parents who receive assistance through the Adoption Support Program are not vendors within the meaning of the law. They have hearing rights under other provisions of law and WAC. Accordingly, payment disputes involving the Adoption Support Program do not fall within the scope of these procedures.
3. Discovery or recovery of overpayments has no time limit. The department may identify and initiate recovery of overpayments without regard to the length of time that may have elapsed since the overpayment actually occurred or was discovered.
4. CA employees do not initiate recovery of overpayments for cumulative totals of \$300.00 or less if the overpayment(s) did not result from fraud. Such recoveries are not cost effective.
5. CA employees do not have authority to forgive or waive overpayments, except as provided in paragraph 4 above, nor to offset overpayments from future payments. All such authority rests with the Office of Financial Recovery (OFR). Designated CA staff may mediate a disputed payment with the vendor, but final approval for any negotiated proposed settlement rests with OFR.
6. Governmental entities, including Indian Tribes, with an Inter-local Agreement with the department do not have the right to an adjudicative hearing through the Office of Administrative Hearings (OAH). The dispute process described in the agreement between the entity and the department governs the resolution process.

Revision #7 - 12/30/99

B. Policy

1. RCW 43.20B.675 and DSHS Administrative Policy 10.02 provide that all vendors have the right to request an adjudicative proceeding if they have a bona fide dispute. Disputes involving rates set in rule or Washington Administrative Code (WAC) are not subject to resolution through an adjudicative hearing held by OAH. The responsible CA organizational unit must routinely offer a pre-hearing conference to all clients and vendors that request an administrative hearing.
2. The department and CA must, when undertaking activities relating to overpayment identification and recovery as well as adjudicative proceedings, comply with:
 - DSHS Administrative Policy 7.02, Equal Access to Services for Individuals with Disabilities
 - DSHS Administrative Policy 7.20, Communication Access for Persons Who Are Deaf, Deaf/Blind, and Hard of Hearing
 - DSHS Administrative Policy 7.21, Provision of Services to Limited English Proficient (LEP) Clients

C. Procedures

1. **Regional and Headquarters Procedures**
 - a. Each DCFS Regional Administrator, DLR Regional Manager, or division Director, as applicable, must establish procedures to provide for consistency in the handling of vendor/contractor disputes in accordance with the *Children's Administration Pre-hearing Procedures*. Procedures must include:

Revision #7 - 12/30/99

- i. Methods to informally notify vendors of their right to request a formal adjudicative proceeding if they have a bona fide contract dispute and to provide all appellants with a copy of the CA written pre-hearing process. (OFR provides formal notification of overpayments.) The department limits adjudicative disputes for foster parents to those issues identified in paragraph A.2., above;
- ii. Pre-hearing/alternative dispute resolution that incorporates routine offers of a pre-hearing conference to all clients or vendors who have requested an administrative hearing;
- iii. Identification of overpayments and steps to initiate recovery of amounts due to the department as a result of overpayments;
- iv. Designation of staff to represent CA in behalf of the department in pre-hearing/alternative dispute resolution and administrative hearings for disputes resulting from activities or actions of the applicable organizational unit;
- v. Identification of staff to mediate overpayment and other disputes prior to a formal administrative hearing;
- vi. A system to identify overpayments in a timely manner;
- vii. A method to document that an overpayment has occurred;
- viii. A method to notify the vendor/provider that an overpayment has occurred and to determine the vendor's agreement or disagreement with that determination; and
- ix. Identification of staff assigned to review overpayments and to refer them to OFR for collection.

Revision #7 - 12/30/99

9000-27b

February 15, 1998

- b. CA expects disputes to be resolved at the lowest possible level in the organization. Therefore, CA staff will handle disputes at the following organizational levels:
 - i. The DCFS Regional Administrator is responsible for the dispute resolution process for all payments authorized by local office social workers and all payments authorized under regionally managed contracts and service agreements. Regional DCFS staff will coordinate pre-hearing conferences, mediation activities, and administrative hearings for regionally-managed contracts.
 - ii. For CA child care subsidy program payment disputes, DLR Office of Child Care Policy (OCCP) headquarters staff represent the department in pre-hearing conferences, mediation activities, and administrative hearings.
 - iii. Assigned CA Division of Program and Policy Development or Office of Foster Care Licensing (OFCL) headquarters staff, as applicable, will handle pre-hearing conferences, mediation activities, and administrative hearings arising from headquarters-managed contracts and service agreements.

2. **Determination of Existence of an Overpayment and Documentation of Referral**

- a. If any CA employee has reason to believe that the department has overpaid a contractor or vendor, that employee must contact the employee who authorized the payment and the authorizing employee's supervisor by written memo or e-mail.

Revision #7 - 12/30/99

- i. The CA employee identifying the overpayment must inform the authorizing employee and that employee's supervisor that the employee has reason to believe an overpayment has occurred and must provide the information that led the employee to that conclusion.
 - ii. If the authorizing employee identifies an overpayment, that employee must inform and provide supporting information to the supervisor.
- b. The authorizing employee, or other employee designated in DCFS or DLR regional procedures or CA headquarters procedures must contact the vendor/provider directly to inform the vendor/provider of the identified overpayment and the reason the payment constitutes an overpayment.
- i. This contact provides the CA employee and the vendor/provider an opportunity to identify any errors in the conclusion that an overpayment occurred and to enable the CA employee to discontinue overpayment procedures if CA incorrectly identified an overpayment.
 - ! This contact serves as an opportunity for CA to educate the vendor/provider in correct methods to complete invoices in order to prevent overpayments from recurring.
 - ! In addition, the CA employee can support the vendor/provider in continuing to offer services to CA and its clients.
 - ii. If the vendor/provider is a foster parent who disagrees with CA determination of an overpayment, the CA employee informs the foster parent of the foster parent liaison program and provides the contact telephone number for the CA office's liaison.

- iii. If the CA employee, after contact with the vendor/ provider, continues to believe that an overpayment occurred, the authorizing worker or other employee designated by regional procedures informs the vendor/ provider that the employee will notify OFR of the overpayment. OFR will send an official notice of overpayment to the provider/vendor. This notice will include instructions for the vendor/provider to return the overpaid funds to the department and information on steps to dispute the overpayment.
 - c. The employee who originally authorized the payment gathers written documentation of the overpayment. This may include gathering payment records through the SPAYMENT procedure in CAMIS.
 - d. The authorizing employee refers to the regional designee any overpayments, with supporting documentation. This information will include documentation of the vendor/ provider's agreement or disagreement with the determination of overpayment. The regional designee reviews the referral information to ensure that supporting documentation adequately supports the conclusion that an overpayment in the amount stated did occur.

3. **Referral to the Office of Financial Recovery**

- a. The applicable CA designee sends the completed *SSPS Overpayment Notice*, DSHS 18-398A, (dated 7/1998) along with the documentation of the overpayment, to OFR.
- b. OFR then issues formal notice of the overpayment by certified mail to, and tracks responses from, the vendor/provider. If the vendor/provider wants to formally dispute the overpayment, the vendor/provider must respond to OFR within 28 days of the notice of overpayment.

Revision #7 - 12/30/99

- c. If the vendor/provider does not dispute the overpayment, OFR establishes a schedule for repayment with the vendor/provider. In accordance with RCW 43.20B.695, interest will not accrue when the overpayment results from department error.

4. **Disputed Department Actions**

- a. OAH schedules a hearing when a vendor/provider requests a hearing. After a vendor/provider requests a hearing, the CA authorized staff person offers a pre-hearing conference. The pre-hearing conference may be a telephone call, a meeting, or a mediation session with a third party mediator.
- b. The responsible CA organizational unit must identify individuals authorized to mediate a disagreement between the department and the vendor/provider. Those persons designated to refer overpayments to OFR for collection may not serve in the role of mediator for overpayment disputes.
- c. If the CA authorized staff and the vendor/provider reach a settlement, the CA representative and the vendor/provider may execute a stipulated agreement in writing, signed by the parties. If the parties do not resolve the dispute, the formal hearing with OAH takes place as scheduled.
- d. For overpayments:
 - i. If the vendor/contractor and the CA representative reach an agreement, before signing the agreement, the CA representative must contact OFR at (360) 664-5557 to obtain verbal approval for the stipulated agreement if it forgives an identified overpayment.

Revision #7 - 12/30/99

- ii. If the OFR representative approves the agreement, the CA representative and the vendor/contractor representative sign the agreement, and the CA representative mails it to the OFR representative for signature. Once the OFR representative signs the agreement, it takes effect.
- iii. If the administrative hearing occurs, the CA employee who authorized the payment must participate in the administrative hearing. Regional or headquarters procedures, as applicable, determine if additional individuals will participate in the administrative hearing to represent the department.

9530 **REPAYMENT**

The vendor or client must send the repayment directly to OFR. If a CA office receives money that is to be applied to a vendor overpayment, assigned accounting staff in the office transmits the money to OFR on a *Daily Funds Transmittal*, DSHS 18-320(X). Accounting staff indicates the nature of the overpayment in the comment section of the *Daily Funds Transmittal*.

Revision #7 - 12/30/99

9540 UNSOLICITED PAYMENTS

- A. When OFR receives payments from vendors for whom it has not received an overpayment packet, OFR staff will send notification to the appropriate CA office.
- B. If CA determines that the payment or any portion was submitted in error or that OFR applied funds incorrectly, responsible staff transmits this information to OFR in writing within 30 days. OFR will then initiate appropriate action.
- C. If CA staff determines that the payment or any portion was a program donation, designated staff transmits this information to OFR, including the identity of the program to which the donation was made to enable OFR to credit the proper account.

Revision #7 - 12/30/99

9550 INTEREST ON VENDOR DEBT

Interest on vendor debt is administered in accordance with DSHS Administrative Policy 10.02, *Vendor or Provider Overpayment and Debt Policy*.

Revision #7 - 12/30/99

9600 ACCOUNTS RECEIVABLE**9610 OFFICE OF FINANCIAL RECOVERY RESPONSIBILITY**

Under DSHS Administrative Policy 4.02, OFR is delegated responsibility and authority for managing the department's Accounts Receivable in a manner outlined in Administrative Policy 12.04. Each Regional Administrator/designee will determine the region's own policy on receipt of cash.

9700 TRUST ACCOUNTS

See chapter 11000, section 11800, TRUST FUNDS ACCOUNTING, for requirements relating to client trust accounts.

9800 ADMINISTRATOR'S ACCOUNTS**9810 PURPOSE AND SCOPE**

RCW 43.88.195 allows agencies to establish new accounts with the permission of the Office of Financial Management (OFM). Administrator's Accounts are expendable trusts that are local fund accounts available to provide instant assistance to eligible clients. Their sources of funds are usually donations and fund raisers. Please Note: If funds are given for a specific purpose, moneys can only be dispensed for that specific purpose. Accounting records must be maintained so that moneys donated and spent for a specific purpose may be audited.

9820 ESTABLISHMENT OF AN ADMINISTRATOR'S ACCOUNT**A. CA local offices are to:**

1. Develop a statement of purpose for the account; for example, "The sole purpose of this account is to provide direct needs and opportunities for children and their families when no other resource is available."
2. Stipulate the criteria for use, the amount available per request, and the process that will be developed to allow access to Administrator Account funds.
3. Write a memo to the Regional Administrator requesting the establishment of an Administrator's Account. In the request, include the fund's purpose, criteria for use, and process for accessing funds. The Regional Administrator or designee will send a written request to the Chief, DSHS Office of Accounting Services, with a copy to the CA Director of Management Services. The written request must include the name of the bank, name and classification of individuals authorized to sign account checks, and the name and classification of the individual responsible for reconciling monthly bank statements with the office records.

- B. Once the DSHS Office of Accounting Services has granted authority to establish the account, the local office identifies staff to be the:
1. Accounts Receivable Coordinator;
 2. Committee or Person(s) to review/approve requests for funds;
 3. Disposition Person;
 4. Fund Trustee;
 5. Mail Person;
 6. Recording Person, and
 7. Reconciliation Person.

9830 SEPARATION OF DUTIES

To the extent possible, the duties listed in section 9920(B) are to be separated. If the duties cannot be separated due to a lack of staffing, a "Separation of Duties" waiver which includes compensating controls to show safeguard of the account must be on file in the regional office. The waiver must be signed by the Fund Trustee, the trustee's supervisor, the second line supervisor, and the Regional Administrator. Please note: Any cash or negotiable items received are to be deposited within 24 hours.

9840 OPERATION OF ADMINISTRATOR'S ACCOUNT

The Regional Administrator, usually through the Regional Business Manager and/or the Clerical Supervisor, designates staff to carry out the duties outlined below.

9841 Mail Person

The Mail Person logs any cash or negotiable items in the *Cash Items Mail Log*, DSHS 19-48, and gives it to the Accounts Receivable Coordinator.

9842 Accounts Receivable Coordinator

The Accounts Receivable Coordinator:

Revision #7 - 12/30/99; #8 - 5/15/00

- e. Temporary out-of-state travel by client - accompanied by an employee;
 - f. Temporary out-of-state travel by client - accompanied by a companion;
 - g. Temporary out-of-state travel by family member of client - without the client;
 - h. Temporary out-of-state travel by staff - without the client - for case planning.
2. Types of travel may include the following:
- a. **Dependent children** traveling as a result of a court order and to complete a case plan:
 - i. Children being returned to their parents;
 - ii. Children being placed out-of-state through Interstate Compact on Placement of Children (ICPC);
 - iii. Children visiting out-of-state;
 - iv. Native American children being returned to their Tribe.
 - b. **Non-dependent Children:**
 - i. Children being returned to their parents;
 - ii. Native American children being returned to their Tribe;
 - iii. Cases when custodial parent is making the placement to prevent foster care placement.
 - iv. DCFS-involved cases where the custodial parent is making the placement to prevent foster care placement and information is insufficient for dependency.

Revision #7 - 12/30/99

c. **Adult travelers:**

- i. Parents living out of state returning to Washington for court ordered visits.
- ii. Parent or other adults, directly related to case planning, traveling to Washington for evaluations.
- iii. Relatives, prospective adoptive parents, and foster parents traveling to Washington for pre-placement visits with a specific child(ren).
- iv. Staff, volunteers, foster parents, or relatives accompanying children who are unable to travel alone.

d. **Runaways:**

- i. A child identified as a runaway is handled by the social worker in the local office. All runaways are handled the same regardless of state of residency.
- ii. When the child arrives in the DCFS office, every attempt is made by the responsible social worker to locate the custodial parent and to return the child as soon as possible.
- iii. If placement is required, the worker contacts the police and places the child under 72 hour police protective custody or obtains a signed voluntary placement agreement from the custodial parent.
- iv. When the custodial parent is unable to pay for the child's return and there is no other funding source, the social worker arranges for the child's return and to pay any associated costs, including, plane, bus, or train tickets.

Revision #7 - 12/30/99

- v. The social worker contacts the parent(s) and makes the travel arrangements. Following receipt of the approvals for the travel as outlined in this section, the region pays for these costs by SSPS, travel voucher, or credit card, as appropriate.
- vi. Calls from out of state regarding the return to Washington of non-dependent children who are listed with law enforcement as a runaway are referred to the Juvenile Rehabilitation Administration (JRA), Interstate Compact for Juveniles, (360) 902-8094. The local DCFS office may continue to supply information and assistance in contacting the custodial parent, but assistance in making arrangements for the physical return and/or other questions are directed to JRA.

e. **Family Group Conferences**

- i. A family group conference may occur when one or more family members have been invited to attend a meeting to discuss a child's case plan.
- ii. Social workers are expected to explore the option of families funding their own travel expenses (subsistence, lodging, mileage, airfares, etc.). If financial resources do not permit that, the Regional Administrator may approve travel expenses for up to five family members.
- iii. If travel expenses are requested for more than five family members, the request will be submitted to the Assistant Secretary. Funding requests for more than five family members will contain justification, including how participation by more than five family members in a family group conference contributes to the case plan.

Revision #7 - 12/30/99

C. Regional Responsibilities

1. CA expects social workers to explore the option of families funding their own travel expenses (subsistence, lodging, mileage, airfares, etc.). Social workers must use state contracts wherever available and use lodging and per diem rates published in the DSHS *Travel Manual*.
2. The requesting social worker, the supervisor (first line supervisor), **or** the Area Administrator (second line supervisor), **and** the Regional Administrator or the applicable division Director must sign the Travel Authorization form.
3. Regional Administrators or the applicable division Directors must:
 - a. Use a tracking system approved by the CA Director of Management Services;
 - b. Retain hard copies of the completed *Travel Authorization* forms in the regional office for a period of six years (See General Records Retention Schedule Authority Numbers GS 07001 and GS 07002);
 - c. Periodically review and audit approvals; and
 - d. Make *Travel Authorization* forms easily available to the Management Services Division if requested.
4. Regional Administrators and division Directors will ensure that the electronic version of the *Travel Authorization* form is available to all staff on regional template directories, along with clear instructions regarding how to complete and use the form.

D. Travel for Other Reasons

Travelers must receive *prior* authorization for travel from the DSHS Secretary/Deputy Secretary and the CA Assistant Secretary levels in accordance with the DSHS *Travel Manual* for the following reasons:

Revisions #7 - 12/30/99; #8 - 5/15/00

1. To maintain required certification;
2. To obtain mandatory job-related professional development or training not obtainable within the state;
3. To maintain or secure a grant;
4. To attend conferences/professional association meetings that benefit the department and/or its clients;
5. To audit out-of-state records that pertain to department business;
6. To share knowledge or expertise with other government and community organizations;
7. To investigate allegations of fraud in department programs; and
8. In response to subpoena or court order in cases involving investigations of fraud in department programs.

The *Travel Authorization* form should be faxed to the Assistant Secretary a minimum of three weeks before the travel dates.

91223 **Travel Out of the Country**

- A. This out-of-country travel section applies to all staff, volunteers, foster parents, and clients or relatives of clients and requires prior written approval via the *Travel Authorization* Form, DSHS 03-337. Travel must comply with the OFM *State Administrative and Accounting Manual* and the DSHS *Travel Manual*. Out-of-country travel applies to travel **outside** the Continental USA, Alaska, and British Columbia, Canada. The Continental USA is defined as all areas in the 48 contiguous states and the District of Columbia. Hawaii is treated as out-of-country travel.

Revision #7 - 12/30/99

- B. Once travel has been approved at the Regional Administrator or applicable division Director level, the travel request must be submitted to the Assistant Secretary accompanied by a memo written to the Governor's Staff Director from the DSHS Secretary. The purpose of the memo is to request prior approval for out-of-country travel and summarize the purpose of the travel. Once the Governor's Office has approved the travel, the Assistant Secretary's Office will notify the Regional Administrator. The *Travel Authorization* form should be faxed to the Assistant Secretary a minimum of three weeks before the travel dates.

Revision #8 - 5/15/00

91300 CHILD DAY CARE PAYMENTS

91310 INTRODUCTION

- A. This section provides guidelines for determination of eligibility and authorization of payment for the Office of Child Care Policy (OCCP) and DCFS-subsidized child care.
- B. DSHS may approve child day care funding to facilitate the care, protection, and related services for a child 12 years of age and under. DSHS shall fund child day care only during the portion of the 24-hour day when neither of the child's parents is able to provide necessary care and supervision. DSHS does not pay for care by the child's parents, stepparents, brother, sister, stepbrother or stepsister, except adult siblings residing outside the family home.
- C. For limitations on payments to homes dually licensed to provide foster family and child day care, see section 9142.
- D. The child day care subsidy programs are authorized under 42 USC 675; 45 CFR, Parts 16, 74, 96, 98, 99, 255, and 257; RCW 74.12.340 and 74.13.085; and WAC 388-15-170.

Revision #7 - 12/30/99

91320 DEFINITIONS

For definitions relating to child day care payments, see Appendix A, DEFINITIONS.

91330 OFFICE OF CHILD CARE POLICY CHILD CARE PROGRAMS

OCCP is responsible for program management of Teen Parent Child Care, Seasonal Farmworker Child Care, and Homeless Child Care. Exceptions-to-Policy (ETP) requests in these programs are sent to OCCP at Mail Stop 45700, P. O. Box 45700, Olympia, WA 98504-5700.

91331 Employment Child Care

Employment Child Care provides child care payments for eligible low income, working families who are not receiving a Temporary Assistance to Needy Families (TANF) cash grant. Employment Child Care is managed within available funds through local Community Services Offices (CSO). See the Children's Administration *Practices and Procedures Guide*, chapter 4000, section 4505, and WAC 388-15-170.

91332 Teen Parent Child Care

- A. See the Children's Administration *Practices and Procedures Guide*, chapter 4000, section 4506, for the service definition and procedures for access to the Teen Parent Child Care program.

B. Maximum Subsidy

1. Families with gross income at or below amounts established in WAC 388-15-170 are eligible for the maximum subsidy in Teen Parent Child Care. Eligible families pay a minimum amount per month contribution to the cost of care. See WAC 388-15-170 for standards regarding eligibility and participation.
2. The parent pays this minimum co-payment directly to the provider. The worker completes the SSPS authorization form using the appropriate SSPS service code. See the *SSPS Manual* for a complete listing of service codes. The amount the client pays directly to the provider each month is shown on the monthly invoice generated by SSPS. In cases of in-home child care, the client receives the monthly invoice. DSHS pays the remaining costs up to the authorized rate on the regular child care payment service code.

C. Parent Participation

Families with gross income above standards set in WAC 388-15-170 contribute beyond the minimum amount per month co-payment to the cost of child care.

1. Parent participation is described in WAC 388-15-170.

2. The parent pays the parent participation share of child care costs directly to the provider. The worker completes the SSPS authorization form using the appropriate SSPS service code, and the monthly invoice generated by SSPS shows the amount the client pays directly to the provider each month. In cases of in-home child care, the client receives the monthly invoice. DSHS pays the remaining costs up to the authorized rate on the regular child care payment service code.
3. If the parent is using more than one provider, the parent pays the participation amount to the facility providing the greatest amount of care. All other providers will complete the invoice for the amount of care they provided, and participation is not authorized for these providers.
4. The parent participation amount is a per family charge regardless of the number of children or units of service used.
5. The parent participation amount is not pro-rated for partial months of care. The full participation amount is deducted from the monthly billing prior to any DSHS payment for that child's care. The participation amount shall not exceed the actual cost of care for all eligible children in the family for the month.
6. DSHS notifies the child care provider of the parent participation amount by *Social Service Notice*, DSHS 14-259. In cases of in-home child care, the *Social Service Notice* goes to the client.
7. If the parent fails to pay the participation amount to the provider, the authorizing worker must re-evaluate the appropriateness of the child care plan.

- D. If the teen parent appears to be eligible for TANF or Employment child care, the client is referred to the local CSO.
- E. The authorizing worker verifies information concerning a secondary education plan. The plan needs to include time, location, and duration of classes. Time for study is allowed in the plan.
- F. DCFS authorizing workers determine a teen's eligibility in most cases. Social workers in the CSOs determine eligibility in Region 4 and in areas of Region 1.

91333 Seasonal Farmworker Child Care

- A. See the *CA Practices and Procedures Guide*, chapter 4000, section 4507 for service definition and procedures for access to the Seasonal Farmworker Child Care program.
- B. See WAC 388-15-170 for standards for eligibility and parent participation.

91334 Homeless Child Care

See the *CA Practices and Procedures Guide*, chapter 4000, section 4508, for the service definition and WAC 388-15-170 for eligibility information.

91340 DIVISION OF CHILDREN AND FAMILY SERVICES CHILD CARE PROGRAMS

91341 Child Protective Services Child Care

- A. See the *CA Practices and Procedures Guide*, chapter 4000, section 4503, for guidelines relating to Child Protective Services (CPS) Child Care.

- B. Income is not used to determine eligibility when the family is currently receiving CPS. See WAC 388-15-170 for income limitations. CPS social workers may waive this income requirement with a note in the Service Episode Record (SER).

91342 Child Welfare Services Child Care

- A. For guidelines relating to Child Welfare Services (CWS) Child Care, see the *CA Practices and Procedures Guide*, chapter 4000, section 4503.
- B. Families must participate in the cost of care based upon their income. See WAC 388-15-170 for eligibility and participation criteria.
- C. DCFS CPS/CWS social workers determine a family's eligibility, using the *Eligibility Determination for Child Care Plan*. DSHS 14-139(X), to collect income information and determine eligibility.

91343 Foster Care and Non-Needy Relative Child Care

- A. Child Care for children residing in Foster Care and placed by DCFS is managed by DCFS. Child Care for a child(ren) placed in the home of a non-needy relative by DCFS as part of a case plan will be authorized for Non-Needy Relative Child Care using SSPS reason code "H."
- B. Child care for non-needy relative children not placed by DCFS will be provided through Employment Child Care, administered by the CSO.

91344 Therapeutic Child Development

See the *CA Practices and Procedures Guide*, chapter 4000, section 4504, for standards relating to Therapeutic Child Development (TCD).

91350 DIVISION OF ALCOHOL AND SUBSTANCE ABUSE CHILD CARE

See the *CA Practices and Procedures Guide*, chapter 4000, section 4518, for service description and eligibility for child care for clients of Division of Alcohol and Substance Abuse (DASA) programs.

91360 TYPES OF OUT-OF-HOME CARE

For descriptions of types of out-of-home child day care providers, see the *CA Practices and Procedures Guide*, chapter 5000, section 5400.

91370 IN-HOME OR RELATIVE OUT-OF-HOME CARE

- A. See the *CA Practices and Procedures Guide*, chapter 5000, section 5400, for a description of in-home and relative out-of-home child care.
- B. Payment for In-Home or Relative Care
 1. DSHS pays the parent/guardian in the case of in-home child care. The parent/guardian pays the in-home provider or relative caring for the child in the relative's home.
 2. The in-home or relative/relative's home caretaker is required to be approved by and registered with DSHS to receive child care payments from DSHS, using the *DSHS Child Care Plan* as a registration form.

91380 DSHS CHILD CARE PAYMENT RATES

91381 Descriptions

- A. The DSHS published child care rate charts show maximum rates, based on biennial local market rate surveys. Authorizations for child care payments are based on the provider's customary rate or the DSHS rate, whichever is less. See the department's current published rates to determine the appropriate rate to be authorized.
- B. Counties are grouped in rate clusters based on local market rate surveys. The 1994 Child Care Market Rate Survey resulted in clusters which align with the DSHS regions. Child care rates are consistent with counties within each rate cluster. See section 913184 of this chapter for child care rate clusters.

91382 Rate Determinations

- A. The location where care is provided determines the DSHS child care maximum rate for out-of-home care. For example:

The family lives in King County (Cluster IV rate) and is receiving out-of-home care. The child care center is located in Skagit County (Cluster III rate). DSHS will pay the center's usual and customary child care rate or the DSHS maximum rate applicable to Skagit County (Cluster III rate), whichever is less.
- B. DSHS can pay for child care in excess of the DSHS rates when the family has special child care needs or special child care requirements.

1. Special Needs Child Care may be authorized when:
 - a. The child is developmentally or behaviorally disabled and requires specialized care.
 - b. The child requires a specialized curriculum or highly structured environment.
2. Special Requirement Child Care may be authorized when care is difficult to find:
 - a. The parent's work hours require part-time, evening, weekend, or other non-traditional hours of care.
 - b. Child care is not available at customary rates.
3. A supervisor must approve rates in excess of the maximum DSHS rates prior to authorization of child care by signing the DSHS 14-154 or 14-159 in Box 44, "Exception to Policy/Other Approval" section.
4. Special Needs Child Care is authorized using the appropriate SSPS service code, which is found in the *SSPS Manual*.
5. Special Requirements Child Care is authorized using a "9" prefix plus the regular child care code for the service being authorized.

91383 Therapeutic Child Development Rates

- A. Therapeutic Child Development (TCD) - See the *SSPS Manual* for the current rate and appropriate service code.

- B. All TCD providers are paid in full for all TCD contracted slots up to the monthly maximum consideration of the contract.

91390 AUTHORIZATION AND PAYMENT POLICIES

91391 Out-of-Home Child Care

- A. The authorizing worker uses the *DSHS Child Care Plan*, DSHS 15-220(X), to determine the extent of the family's child care needs, to plan the type of child care used, to communicate with the family's child care provider, to gain assurances from the family that is choosing in-home, exempt child care, and to sign to authorize child care payments.
- B. Three rate options are available for out-of-home care: full day, half-day, and hourly.
- C. A full month of full-day care is authorized when a child needs 132 or more hours of care per month. A full day is six or more hours a day.
 - 1. To determine if a full month of full-day care is appropriate, the authorizing worker calculates the total hours of care a child needs each month. If this calculation is 132 hours or more, a full month is authorized.
 - 2. The maximum number of days authorized for the full month of full-day rate is 22 days. Twenty-two full days of care constitute a full-time monthly slot.
 - 3. If a child needs 132 or more hours of care in a month, authorize 22 days of care at the full-day rate. Authorize 22 days of care regardless of the actual number of days needed.

4. **Check the provider's usual and customary rate.** Use the provider's usual and customary rate if that rate is under the DSHS current published maximum rates. Use the DSHS maximum rate if the provider's usual and customary rate exceeds the DSHS maximum.
- D. A full month of half-day care is authorized when a child needs more than 65 hours of care a month, but fewer than 132 hours. A half day is fewer than six hours a day.
1. To determine if half-day child care is appropriate, the worker calculates hours of care needed each month, using the *DSHS Child Care Plan*. If this is more than 65 hours but fewer than 132 hours, the half-day rate is authorized.
 2. Payment for up to 30 half-days of child care can be authorized per month. Twenty-two half days constitute a complete half-day month. Thirty half-days are authorized to accommodate the provider billing for school closure/conference days.
 3. At a half-day rate, two half days can equal one full day of child care. For example:
 4. The maximum monthly amount is 30 times the half-day rate.
 5. See section 91391, paragraph C.4, above, for guidelines for rate determination.
- E. Hourly Care
1. Hourly care is authorized when a child needs 65 or fewer hours of child care in a month. The maximum number of authorized units for hourly care is 65 hours.

2. See section 91391, paragraph C.4, above, for guidelines for rate determination.
- F. When child care needs do not coincide with one of the three rate options, it is allowable to deviate from the options with prior supervisory approval, as shown in the Service Episode Record (SER) or other notes where a signature can be seen. For example:
- A child requires three hours of care on Wednesday, three hours on Friday, and irregular hours the rest of the week. Even though this fits the definition of half day (more than 65, but fewer than 132 hours in a month), hourly authorization may be more appropriate for the family's child care needs.
- G. When child care is authorized for high school students who choose to use a contracted Teen Parent Child Care program, the authorizing worker uses different definitions for full day, half day and hourly. This authorization policy is for contracted Teen Parent Child Care Programs only. Teens who choose child care from the regular child care market are subject to regular child care authorization and billing policy.
1. Full days are four (4) or more hours per day. Half days are fewer than four (4) hours per day.
 2. If a teen parent's monthly needs are 88 or more hours per month, a complete month of days is authorized; i.e., 22.
 3. If the teen needs 41 to 87 hours per month, a complete month of half days is authorized; i.e., usually 30.
 4. If a teen needs 40 or fewer hours per month, hourly rates are authorized.

- H. Child care is currently reimbursed based on the hours, half days, or full days that a provider claims for each child for child care. Reimbursement will not exceed the maximum authorized amount.
1. For full month full-day or half-day authorizations, the provider may claim the full 22 days if the child does not exceed five days of absence.
 2. Providers caring for a child whose child care is based on a 4/40 work week may claim the full 22 days if the child does not exceed five days of absence.
 3. If the child whose care is authorized at 22 days is absent six days, the provider claims 21 days; if the child is absent seven days, the provider claims 20 days, and so on.
 4. Providers are required to maintain documentation of attendance and absence.
 - a. Licensed center providers keep attendance records with parental signatures, indicating time in and time out.
 - b. Licensed family child care homes need to keep attendance in accordance with MLR.
- I. Allowable Child Absences
1. DSHS will pay for up to five absences each month for each child authorized for a full month in full-day or half-day out-of-home care.

2. For complete monthly full-day care and half-day care, the provider does not deduct official state holidays during which the child care program is closed. The full authorization, 22 days, includes the holidays. Official state holidays are:
 - New Year's Day
 - Martin Luther King, Jr., Day
 - Presidents Day
 - Memorial Day
 - Independence Day
 - Labor Day
 - Veterans Day
 - Thanksgiving Day
 - Christmas Day

- J. Some licensed child care programs charge registration fees. If there is a registration fee, the department pays the fee one time only, up to \$50 per child, using the appropriate SSPS code. This is a one-time authorization, unless the client changes providers.

91392 In-Home Child Care

For in-home care, the maximum number of hours authorized is 230 per month.

- A. Parents/guardians complete and sign the invoice with their caretaker. Only actual hours of care may be claimed.

- B. Caretakers and clients who use in-home child care need to keep a record of when child care was provided in order to support the billing.

91393 Supplemental Payment by Parents

A provider may not charge parents in excess of the amount DSHS authorizes for regular child care services. The provider may charge the client for extra and/or optional programs, special services, or for times when the client is late picking up his/her child. For example, a provider may charge a DSHS client extra when a parent:

- A. Requires child care in excess of the amount of care authorized due to personal reasons; e.g., a parent is late picking up her child at the customary time because he/she went shopping.
- B. Requests optional enrichment programs for a child; e.g., gymnastics, ballet, etc.
- C. The provider may accept contributions by a third party such as an employer or charitable agency where DSHS rates are lower than the provider's customary charges. The provider may not require a third party payment.

91394 Payment for Special Needs and Times

- A. A full day of regular child care services is typically six to 10 hours of care per day. Should a parent regularly need more than 10 hours of care per day, the worker may authorize additional payment due to special child care requirements. See section 91382 of this chapter for a description of Special Requirements Child Care.

- B. School Holiday Care, as it appears on the invoice, relates only to child care authorized at the hourly rate. Providers fill in the number of extra hours only in the School Holiday Care box on the invoice. School Holiday Care for children authorized at the half-day rate is billed by claiming an extra half-day per each extra day of attendance. Long school holidays may require authorization of additional half-days.
- C. For school-age children whose care has already been authorized on an hourly basis, School Holiday Care, (i.e., school holidays, teacher workshops, and other similar instances) does not require a change of authorization (DSHS 14-159). A maximum of 35 school holiday care hours each month is allowed, except during Christmas and Spring vacations when a maximum of 70 school holiday care hours is allowed. Payment will be made for School Holiday Care as billed by the provider within the allowable monthly maximums.
- D. For June, July, and August, the worker must change the authorization for school-age children.

91395 Payment to Exempt Facilities

- A. Child care payments on behalf of eligible families can be made to exempt facilities; e.g., child care programs operated by schools, tribal child care, or child care operated by the military. These facilities need to be certified by OCCP.
- B. Tribal programs and those operated by the military may be certified by OCCP on the basis of licensing by the tribe or Department of Defense when done in accordance with WAC 388-150-020 or 388-155-020.

913100 SELF-EMPLOYED PARENTS/GUARDIANS

Earned income from self-employment shall be the amount left after deducting business expenses from gross business income. A self-employed person must maintain and make available to the department a record which clearly documents all claimed business expenses and income. Business expenses cannot include purchase of fixed assets, depreciation, entertainment, net losses, or payments on the principal portion of loans.

- A. For the first six months of the self-employed parent's/guardian's child care period, base the number of hours of care authorized per month on the parent's declaration of hours needed.
- B. After the first six months, use the lesser of these two amounts to determine the number of hours of care to be authorized:
 - 1. The parent's/guardian's declaration of hours needed, or
 - 2. The amount computed by dividing the parent's/guardian's gross earning by the federal minimum wage.

913110 PAYMENT PROCESS

913111 Social Service Payment System

- A. Billing invoices for child care services are generated and payments authorized using the SSPS.

1. For out-of-home care, the provider must have an SSPS provider number to receive payment. OCCP staff obtain SSPS provider numbers for licensed out-of-home care providers. Provider numbers for DSHS providers are listed in the SSPS Provider File.

See *SSPS Basic Instructions* and the CAMIS manual for procedures.

2. For in-home or relative care/relative's home, the parent/guardian and the caretaker must each have a Social Security number and SSPS provider number to receive payment. Authorizing workers obtain the SSPS provider number.

See *SSPS Basic Instructions* and the CAMIS manual for procedures.

- B. SSPS generates billing invoices to providers for licensed out-of-home care and parents/guardians, for in-home or relative, relative's home, care exempt from licensing, at the end of each service month.

1. For licensed out-of-home care, DSHS pays the provider.
2. For in-home or relative/relative's home care exempt from licensing, DSHS pays the parent/guardian who is then responsible to pay the caretaker. If the parent/guardian does not pay the caretaker for services, the social worker must review the appropriateness of the parent/guardian's child care arrangement. If the total amount not paid to the provider is significant, the provider may go to small claims court for a judgment.

- C. The parent pays the participation amount, also referred to as the co-payment, directly to the child care provider. The authorizing worker may terminate payment of services if the parent fails to pay the participation amount.
- D. DSHS sends monthly child care payments within 12 working days after the correctly completed invoice has been mailed by the licensed out-of-home care provider or the parent/guardian for in-home or relative care exempt from licensing.
- E. Detailed information on the payment process for child care is in the *SSPS Basic Instructions*. The publication, DSHS 22-877(X), *Child Care Subsidies, A Booklet for Providers*, is available to providers who care for subsidized families.
- F. SSPS codes for child care described in this chapter are contained in the *SSPS Manual*.

913112 Federal Insurance Contribution Act (FICA)

- A. For in-home and relative/relative's home care only, DSHS pays the family share and deducts the employee share of the FICA tax and forwards it to the Internal Revenue Service (IRS), when child care payments will be \$50.00 or more in a calendar year quarter. It is critical that clients report changes of in-home caretakers to authorizing workers. Changes can affect tax reports.
- B. The authorizing worker indicates on the Old Age and Survivors Insurance (OASI) section of the authorizing document (DSHS 14-154(X) or DSHS 14-159(X)) if FICA taxes are to be withheld.

- C. Should FICA be withheld erroneously, the caretaker can request a refund from:

District Director - IRS
915 - 2nd Avenue
Seattle, WA 98174

- D. The authorizing worker forwards questions regarding FICA to:

DSHS Disbursements Section
MS 45845
P. O. Box 45845
Olympia, WA 98504-5845

- E. In late January, DSHS Disbursements forwards W-2 forms to the in-home caretaker. The W-2 indicates wages paid during the previous calendar year. W-2s are sent whether or not FICA is deducted.
- F. In late January, DSHS Disbursements forwards an IRS Form 1099 to all licensed child care providers who received more than \$600 from DSHS during the past year.

913120 AUTHORIZING WORKER

- A. DCFS social workers authorize OCCP and DCFS child care, except that, in Region 4 and areas of Region 1, CSO social workers authorize Teen Parent Child Care.
- B. Authorizing workers have the following responsibilities in developing and authorizing child care plans:

1. Determine eligibility by using form DSHS 14-139(X), *Eligibility Determination for Child Care Plan*.
2. Develop and document the child care plan using *the DSHS Child Care Plan* for the case record.
 - a. Review child care options.
 - b. Provide the parent/guardian with information on how to find a child care provider using *Choosing Child Care*, (DSHS 22-516(X)) and the local resource and referral agency.
 - c. Provide information and referral for Healthy Kids, formerly called Early Periodic Screening Diagnosis and Treatment (EPSDT).
 - d. Inform parents about indicators of child abuse in child care and the method for reporting suspected child abuse.
 - e. Inform parents about the SSPS payment process.
 - f. Provide the parents/guardians requesting in-home-care with:
 - i. DSHS 22-083(X), *Is My Child Safe, Healthy, and Happy?*, a checklist to help parents or guardians who are considering in-home child care.
 - ii. DSHS 15-220 to register the in-home caretaker with DSHS and to assure DSHS that their child care arrangements are safe.

- iii. DSHS 06-059(X), *Report of Child Care*, which is given to the client to report monthly child care expenses/payment and to indicate any changes. The report is returned to the authorizing worker and a copy is placed in the client's service record for documentation. These are sent in by the client only when changes in child care occur.
 - g. Inform parents of parental responsibility to notify their social worker of any change in circumstances: Address, wages, child care provider, etc. This is critical in the case of in-home child care since a change in provider affects tax records.
 - h. Design an alternate child care plan in the event of an emergency.
- 3. Authorize payment for up to six months by using DSHS 14-154(X), *Social Service Authorization*.
- 4. Authorize changes by using DSHS 14-159. Changes might include:
 - a. Changes in employment, wages, or amount of parent participation.
 - b. Termination or six-month review of child care benefits;
 - c. Changes in a teen parent's child care plan which result in the parent's absence from the approved secondary education program for more than two consecutive weeks (e.g.; participation in a DASA program, etc.);

- d. Any increase or reduction in the rate or amount of care provided, including rate changes due to a birthday. A rate change due to a birthday is put into effect the month after the birthday. A child attending kindergarten is authorized at the school-age rate.
- e. If the parent/guardian changes his/her provider, the authorizing worker must:
 - Use the DSHS 14-159(X) to terminate payment to the parent's/guardian's previous provider.
 - Submit a new DSHS 14-154(X) to start payment to the new provider.
5. Collect more information about changes in circumstances as needed by using DSHS 07-052(X), *Recipient Information Request*.
6. Review the SSPS-generated *Monthly Expiring and Expired Services Report* to identify cases whose child care benefits will end. The birthday tickler report alerts workers to upcoming birthdays that require a rate change.
7. Review the parent's/guardian's case record or working file at least every six months and determine whether the family remains eligible for child care benefits and if the benefits should be extended. Update any appropriate information on the DSHS 15-220, including the provider's usual and customary rate. When the family changes providers, the authorizing worker completes a new DSHS 15-220.
8. Share information with providers.

- a. It is helpful to send a notice to providers when a client's benefits are changed or terminated prior to the original end date. Since changes in circumstances are often not reported to the department, DSHS cannot be responsible for informing providers about changes.
- b. Inform providers about the SSPS payment process using DSHS 22-877(X), *Child Day Care Subsidies, A Booklet for Providers*.

9. Troubleshoot when payments are delayed or lost.

913130 OVERPAYMENT PROCEDURES

913131 Identification

Methods used to identify overpayments include:

- A. Read SSPS reports. SSPS report “red flags” include, but are not limited to:
 1. Consistent claiming of maximum units (65 hours; 22 days or half days);
 2. Claiming full days for a school-age child during a school term;
 3. Billing for more children than the licensed capacity allows. Consideration needs to be made for facilities providing part time care or care in multiple shifts;
 4. Duplicate payments;

5. Amount paid exceeds the department's maximum rate for the child's age.
- B. Review case file information. The need for child care must be clearly supported in the case file, including hours of need and type of approved plan.
 - C. Review SSPS authorization document. The authorization is accurate regarding but not limited to: Service Code, child(ren)'s age, type of care, hours needed, rate of payment, and co-payment.
 - D. Verify client's education or employment; wages; hours of education or employment.
 - E. Request that the client verify child care attendance when a dispute arises with the provider's reported attendance.
 - F. If discrepancies, omissions, or inconsistencies are noted, department staff may review copies of the provider's attendance records.
 1. Attendance records must support the billing. Department personnel may request copies of attendance records for any or all months in question.
 2. In licensed child care centers there must be an authorized signature at the time of arrival and time of departure for each child.
 3. In licensed family homes, there must be a daily attendance log, reflecting hours of attendance.

4. In-home child care billings must also be supported by attendance records.

913132 Responsibility

- A. See section 9520, above, for steps to take when an overpayment is identified to determine the total overpayment.
- B. After becoming aware of an overpayment in Teen Parent, Seasonal, or CPS/CWS child care, the authorizing social worker fills in the overpayment form, *DCFS Social Service Overpayment Notice*, DSHS 18-481(X). In the case of licensed child care, this form is distributed to the provider, OFR, and the file. In the case of in-home child care, the form is distributed to the client, OFR, and the file.
- C. The *Social Service Incorrect Payment Computation*, DSHS 18-399(X), is available for use by authorizing workers in DCFS and CSOs for preparing overpayments
- D. In cases of an overpayment established involving an IRS W-2 or 1099 form, see instructions in the *SSPS Manual* 21.07(C).
- E. OFR sets up the collection process.
- E. The authorizing worker sends a memo to OFR if it is later discovered the overpayment was established in error or calculated incorrectly and forwards a copy of the memo to the client or vendor for their information.

913133 The Dispute Process

- A. OCCP reviews overpayment disputes for Teen Parent, Seasonal, or CPS/CWS child care, as noted on the DSHS 18-481(X). The Division of Employment and Social Services (DESS) reviews overpayment disputes for JOBS, Income Assistance, or Transitional Child Care.
- B. When an client or vendor disagrees with the overpayment decision, the following appeal rights apply:
 - 1. Clients are entitled to a fair hearing upon request.
 - 2. Contracted vendors request dispute resolution through the Office of Contracts and Assets Management (OCAM).
 - 3. Non-contracted vendors may write to OCCP to request a review.

913134 Monitoring

Child care subsidy payment monitoring happens at central office and in the field. When a monitor becomes aware of what appears to be overpayments, he or she initiates the overpayment process.

- A. The monitor reads SSPS payment reports, reports generated from payment reports, or records on site.
- B. When a potential overpayment is found, the monitor collects information or clarification from as many sources as necessary, including the provider, the licenser, the authorizing worker or the supervisor.

- C. When an overpayment is substantiated, the monitor writes an *Action Needed* memo to the supervisor. The memo contains all information needed to complete the appropriate overpayment form. The memo will require a response back to the monitor.
- D. Management Services Administration's Operations Review and Consultation Services section, the State Auditor's Office, and the Division of Income Assistance Quality Control Unit participate in the monitoring of child care as either consultants or auditors. Each of these parties may forward identified overpayments to the local offices for further investigation and processing or to OFR for recovery.
- E. Assigned staff process overpayments using form DSHS 18-481(X), *DCFS Social Service Overpayment Notice*, or other established methods of initiating overpayment recovery.

913140 ADVANCE AND ADEQUATE NOTICE

913141 When Required

- A. The authorizing worker uses the DSHS 14-039(X), *Notice of Planned Action*, to provide 10-day advance and adequate notice to a parent/guardian when child care benefits are reduced or terminated prior to the end of the established benefit period.
- B. When unable to provide advance and adequate notice prior to the end of the month, the authorizing worker:
 - 1. Continues benefits unchanged through the end of the 10-day period.

2. Establishes an overpayment for the amount of overpaid benefits.
- C. The DSHS 14-259(X), transmitted before the fact, and generated by SSPS after the authorizing worker terminates child care benefits for the parent/guardian, meets the requirement for adequate notice.

913142 When Not Required

Advance notice is not required when:

- A. The parent's/guardian's child care benefits will terminate at the end of the established benefit period, and
- B. The parent/guardian is previously notified of the eligibility ending date. When benefits are initially authorized, the payee (the licensed provider or the client in the case of in-home child care) receives the *Social Service Notice*, DSHS 14-259(X), directly from SSPS. A copy of the *Social Service Notice* is sent to the authorizing worker. This copy may be sent to the parent/guardian by the local office.

913150 FAIR HEARING

If a child care client disagrees with an eligibility determination, he/she has the right to a fair hearing. The department pays child care while the case is pending. The client must be made aware that this may result in significant overpayment if the judgment is for the department.

913160 REVISED SSPS SERVICE CODES

For current revised SSPS service codes, see the *SSPS Manual*.

913170 DSHS MAXIMUM RATES

See the current maximum rate tables published by OCCP to determine rates for the various types of care, including Child Care Centers, Family Child Care Homes, and In-Home Child Care.

913171 Child Care Rate Clusters Based on DSHS Regions

Based on the 1994 market survey of licensed child care providers in the state, counties are grouped into rate clusters. These clusters are contiguous with the six DSHS regions. DSHS maximum child care rates are consistent for counties within each cluster. The table on the following page identifies each county by cluster and region.

10100 **GENERAL POLICIES**

- A. Children's Administration (CA) may purchase services which are not provided by the department. The services are to be consistent with the mission and values contained in the *CA Case Services Policy Manual*, chapter 1000, section 1200. CA staff responsibilities are delineated in section 10300, below.
- B. Purchases shall be made in accordance with chapters 39.29 and 43.19 Revised Code of Washington (WAC); *Washington Financial and Administrative Policies, Regulations and Procedures Manual*; Office of State Procurement General Authorities; *DSHS Procurement Manual*; and DSHS Administrative Policies 13.06, 13.07, and 13.08.
- C. The department shall pay a provider after goods or services have been delivered. Payment before costs are incurred constitutes loaning the state's credit, a violation of the state's constitution and is, therefore, illegal.
- D. Total expenditures and obligations of purchases shall not exceed the CA allotment.
- E. No contract may be executed or renewed if it would have the effect of terminating classified employees or classified employee positions existing at the time of execution or renewal of the contract.

RCW 41.06.380
- F. The regional business manager or Headquarters fiscal manager, or designee, shall determine if goods or services to be purchased are:
 - 1. On a mandatory state contract; or
 - 2. A mandatory Central Stores item; or

3. Authorized to be purchased under "General" or "Specific" Authorities; or
4. Requires a contract for purchase.

10200 DSHS CONTRACTS

- A. DSHS policy requires a written agreement prior to the commencement of any work by a contractor if the service cannot be purchased by methods stated under section 10100.
- B. CA contracts are developed under the direction of contracts coordinators and must be processed through the CA Contracts Manager.
- C. Contracts must be processed in accordance with requirements established by the DSHS Central Contracts Services and the Office of Administrative Resources.

10210 CLIENT SERVICE CONTRACT

- A. A Client Service Contract is used to acquire direct services for department clients (as opposed to department staff). Examples of client services include, but are not limited to, resource intensive services (group care), therapeutic child development, family preservation services, etc.
- B. Most Client Service Contracts are either presigned "form" contracts (single document) or a two-part contract instrument employing Basic Terms and Conditions and a Client Service Work Order.

1. “Basic Contract Terms and Conditions” contain the basic terms and conditions under which two parties will do business. It has no maximum consideration and no statement of work; those are added by Client Service Work Orders. Each contractor has only one executed Basic Contract Terms and Conditions.
 2. “Client Service Work Orders” describe services which are being purchased from a contractor; consideration to be paid; payment and billing instructions; how the contractor will be evaluated; consequences for non-compliance; rules regarding sub-contracting; required credentials and minimum requirements; and requirements for audits.
- C. Client Service Contracts are exempt from the competitive procurement and filing requirements in chapter 39.29 RCW, but sometimes a competitive procurement or informal solicitation is completed in the best interest of the department.
- D. The DSHS Secretary has delegated authority to sign Client Service Work Orders to only the following CA staff:
- Assistant Secretary
 - Directors
 - Regional Administrators
 - Regional Business Managers
 - Contract Coordinators

10220 PERSONAL SERVICE CONTRACT

A Personal Service Contract acquires professional or technical services for the department and department staff (as opposed to clients). Personal services are those provided by a consultant to accomplish a specific study, project, task, or provide employee training. A Personal Service Contract is a single document which includes special and general terms and conditions and a statement of work. These contracts are governed by chapter 39.29 RCW and must comply with competitive procurement and Office of Financial Management (OFM) filing requirements.

10230 INTERAGENCY AGREEMENT

An Interagency Agreement is a contract between the department and any public agency, political subdivision, or unit of local government of Washington State, including, but not limited to, municipal corporations, quasi-municipal corporations, special purpose districts, and local service districts; any agency of the state government; any agency of the United States; and any political subdivision of another state.

10240 INDIAN NATION INTERGOVERNMENTAL AGREEMENT

As with Basic Client Service Contracts, the Indian Nation Intergovernmental Agreement is a two-part contract composed of a Basic Agreement containing general terms and conditions and an Indian Nation Work Order. The Indian Nation Intergovernmental Agreement is used to contract with any federally recognized tribe in the state of Washington. This type of contract may be used to provide client services, but they are not referred to as Client Service Contracts because the services are provided by a sovereign nation.

CHAPTER 10000—CONTRACT MANAGEMENT

10250 PURCHASE SERVICE CONTRACTS

Purchase Service Contracts are used when purchasing goods, equipment, or services outside of delegated authority. Services purchased under a Purchase Service Contract must be essential to accomplish routine, continuing, and necessary functions within the department. Purchase Service Contracts are governed by chapter 43.19 RCW and the Department of General Administration (GA).

10300 **CONTRACT MANAGEMENT RESPONSIBILITIES**

10310 STATEWIDE PROGRAMS

The responsibility for development and administration of boilerplate contracts for statewide programs is a coordinated effort between headquarters and regional staff. Program managers and contracts coordinator collaborate in developing contracts and in notifying contractors when there is a mandated vendor rate increase. CA Directors and the Assistant Secretary shall approve boilerplate contracts prior to implementation of contracted programs. Regional contract coordinators oversee negotiations and processing of contracts. If a contract warrants revision, headquarters staff coordinates the revision with regional staff. The CA Assistant Secretary shall approve all contracts.

10320 SOCIAL WORKERS

Social workers have the following responsibilities with respect to contracts:

- A. If a service is needed, obtain direction from the regional business manager regarding method for purchasing. See Section 10100, paragraph F.

- B. If a contract is required, review CAMIS SBUS for a current contract. If there is no current contract for the service, submit a written contract request to the regional contracts coordinator.
- C. Once the contract is signed by both the contractor and DSHS, initiate client referrals for contracted services in accordance with regional procedures, including provision of basic client information consistent with the requirements of the *CA Practices and Procedures Guide*, chapter 4000, section 4422.
- D. Initiate "Shared Decision Making" staffings with contractors when deemed appropriate.
- E. Authorize payments to contractors in a timely, accurate manner.
- F. If a contractor initiates a CPS referral, transfer the contractor to CPS intake to complete the referral. CPS staff will notify the contractor of actions taken as a result of the referral. See the *CA Practices and Procedures Guide*, Chapter 2000, Section 2330.
- G. Document and report potential contract violations, late reports, problems, etc., with a contractor to the regional contracts coordinator through the CAMIS Contract Complaints Module.

10330 CONTRACT COORDINATORS

Contract coordinators have the following responsibilities:

- A. Negotiate, develop, and write contracts;
- B. Process contract documents;
- C. Ensure contract information is entered into CAMIS;

CHAPTER 10000—CONTRACT MANAGEMENT

- D. Request background clearances for contractors, their employees, subcontractors, and volunteers who may have unsupervised access to children.;
- E. Provide technical assistance to CA staff and contractors;
- F. Facilitate monitoring of contractors' performance;
- G. Facilitate corrective action process for contractors;
- H. Initiate investigation of complaints concerning contractors;
- I. Maintain contract files;
- J. In coordination with headquarters staff, notify contractors when there is a change in fees or rate schedules; and
- k. Obtain appropriate approvals for contracts.

10340 REGIONAL BUSINESS MANAGERS

The regional business manager, under direction of the Regional Administrator:

- A. Establishes allotments for contracted services; and
- B. Monitors payments to contractors against allotments and contract obligations.

10350 PROGRAM MANAGERS

Program managers perform the following functions:

- A. Provide technical assistance in the coordination and monitoring of contracted programs for compliance with statutes, regulations, and department policies; and

CHAPTER 10000—CONTRACT MANAGEMENT

- B. Monitor performance of contractors under contracts for which they are responsible.

10360 REGIONAL ADMINISTRATORS AND DIRECTORS

Regional Administrators and Directors shall have a system in place to monitor contacts within their area of responsibility.

10400 **CONTRACT PROCUREMENTS**

Chapter 39.29 RCW and *Washington Financial and Administrative Policies, Regulations and Procedures Manual*, Part 4, Chapter 3, set forth procurement requirements for state contracted services. OFM electronically maintains a "Guide to Personal Service Contracting" which is located on the OFM Home Page at <http://www.wa.gov/ofm>.

10410 CONTRACTS EXEMPT FROM PROCUREMENT REQUIREMENTS

The following types of contracts are exempt from procurement requirements.

- A. Client Service Work Orders;
- B. Interagency Agreements;
- C. Indian Nation Intergovernmental Agreements;
- D. Expert witnesses for the purpose of litigation; and
- E. Collaborative research where prior approval of the contractor is granted by the funding source.

10430 METHODS OF PROCUREMENT

Competitive procurements for personal services are governed by chapter 39.29 RCW and OFM; purchase services are governed by chapter 43.19 RCW and the Department of General Administration; information technology purchased goods and services are governed by chapter 43.105 RCW and the Department of Information Services (DIS).

10431 Evidence of Competition

- A. Evidence of Competition is accomplished by issuing a written letter of solicitation to, at a minimum, three prospective contractors. The letter includes:
1. A description of the type of services required;
 2. The proposed contract period of performance;
 3. A request for information regarding prospective contractor's qualifications;
 4. A request for a quotation of cost to perform the service; and
 5. The due date and location for responses to be submitted.
- B. The contracts coordinator shall document the process used in selection of the contractor as follows:
1. The names of firms contacted;
 2. A copy of the solicitation letter;
 3. Information on how the prospective contractors responded;

4. A description of the evaluation and selection process; and
5. The reasons(s) for selection of the successful contractor.

10432 Formal Competitive Procurement

- A. A formal competitive procurement is used when required by law, or, in the judgment of the Assistant Secretary, it would be the best way to:
 1. Obtain quality services and products for the best price;
 2. Maintain trust and good faith with the provider community; and/or
 3. Minimize controversy.
- B. Formal competitive procurement is accomplished through a Request for Proposal (RFP) or Request for Qualifications/Quotation (RFQ/Q).
 1. In an RFP, the needed project or service is identified. Prospective contractors submit competitive proposals which explain how the project or service can be accomplished, their qualifications and experience, and a cost proposal. Each proposal submitted is evaluated through a formal review process. The successful bidder is usually selected based upon cost and ability to perform the proposed service in the most effective, efficient manner.
 2. In an RFQ/Q, the needed service is explained in detail. Prospective contractors submit their qualifications and experience to perform the service along with a cost proposal. The successful bidder is selected through a review process based upon qualifications, experience, and cost.

- C. Competitive procurements are managed by CCS to ensure procurements meet legal and regulatory requirements. CA staff must not reply to potential bidder's questions, inquiries, etc., concerning a particular competitive procurement. Instead, CA staff instruct potential bidders to contact CCS directly for answers concerning questions, inquiries, etc.

10433 Informal Procurement

- A. An informal solicitation is a shorter, more flexible procurement process than the formal competitive procurement. Subjective criteria may be used to evaluate potential contractors rather than applying points and scores to responses. Unlike formal competitive procurements, CA staff may participate in the evaluation and selection of the contractor. Informal solicitations can be structured similar to “evidence of competition” and may include an interview process.
- B. Informal solicitation may not be used for Personal Service Contracts. See section 10420.
- C. Informal solicitation may be used at the department's discretion to procure client services when:
1. A large amount of money is involved;
 2. The providers historically prefer this method of selection;
 3. The service being contracted for is sensitive or controversial; and/or
 4. A maximum “arms-length” process is desirable.

10434 Opportunities For Minorities, Women, and Indian Nations

- A. In accordance with chapter 39.19 RCW, certified Minority and Women-Owned Business Enterprises (MWBE) and other minority organizations shall have the opportunity to participate in procurements and contracts. Refer to DSHS Administrative Policies 7.09, 7.10, and 7.12 for more information.
- B. There are 27 federally recognized Indian Nations in the state of Washington. These Indian Nations shall be notified of any CA procurement that might be of interest to them.

10435 Sole Source Contracts

- A. Sole Source Contracts are initiated for personal services which are unique, and the Sole Source contractor is justifiably the only practical source to provide the service. The following requirements and approvals apply for Sole Source Contracts:

- Up to \$2,499
 - Sole Source Documentation
 - Approvals: Regional Administrator, Directors, and CCS
 - Lead Time: 10 days
- \$2,500 to \$9,999
 - Sole Source Documentation
 - Approvals: Regional Administrator, Directors, and Assistant Secretary
 - 10 Day Advance OFM Filing
 - Lead Time: 20 days

- \$10,000 or more

Newspaper Advertisement
Sole Source Documentation

Approvals: Regional Administrator,
Directors, Assistant Secretary, CCS,
OFM

10 Day Advance OFM Filing

Lead Time: 30 days

The Director, CA Division of Management Services, needs to approval all sole source contracts.

- B. *Washington Financial and Administrative Policies, Regulations and Procedures Manual*, Section 4.3.1.3.3, fully explains the rules and regulations concerning sole source contracts/work orders. Any Personal Service Contract for \$2,500 or more that is procured as a sole source must be justified to the OFM. OFM reviews and approves these Personal Service Contracts prior to execution.

10500 **VERBAL AGREEMENTS**

Staff shall not enter into verbal agreements with contractors which are inconsistent with the terms and conditions of the Basic Contract and/or Client Service Work Order. All other verbal agreements shall be reiterated in writing to the contractor. Staff shall not rely on trust, verbal understandings, or traditions.

10600 NON-DISCRIMINATION RESPONSIBILITIES OF CONTRACTORS

Contractors are required to comply with the DSHS Non-Discrimination Plan, as amended, and with the requirements of federal and state laws on which it is based. The laws include:

- 1964 Civil Rights Act, Titles VI and VII;
- Executive Order 11246, as amended by Executive Order 11375;
- 1973 Rehabilitation Act, Sections 503 and 504;
- 1975 Age Discrimination in Employment Act;
- 1974 Vietnam Era Veterans Readjustment Assistance Act;
- 1990 Americans with Disabilities Act (ADA), as amended, including the provisions of Title II as applied to a public entity;
- 1991 Civil Rights Act; and
- Washington State Law Against Discrimination, chapter 49.60 RCW.

10700 EQUAL ACCESS REQUIREMENTS FOR CONTRACTORS

All agencies under contract with CA are required to ensure that clients are given equal access to services and programs administered with funding from CA.

- A. Contracted agencies must post multilingual signs to inform clients that interpretation/translation and accommodation services are available without cost to the clients.

- B. Contracted agencies must ensure equal access to services for clients through appropriate assessment of client interpretation/translation and special accommodation needs, identified and recorded in a manner which provides for consistent services to clients and data collection. Client records must include information regarding the dates interpreters, translations, or accommodations were provided and the names of the providers.
- C. Contracted agencies must develop and implement procedures for obtaining interpreters, translations, and accommodations for clients who need them in order to provide services as expediently as they are provided to other clients.
- D. All necessary interpretation, translation, and accommodation services must be provided by the contracted agency at no cost to the client. These costs are allowable provider costs and may be billed to the agency's contract with CA. Billable costs may not exceed any rates that may be determined by the Regional Administrator. All costs for interpretation, translation, and accommodation will be reimbursed to contractors up to the amount of the contract award. Funds will not be reimbursed in excess of the total amount of an agency's contract. Contracted agencies may not charge the department, as a discrete charge, for interpreter/translation services provided to clients by the contractor's staff. The cost of the service by contractor staff is incorporated into basic reimbursement from the department.

10800 CONTRACTOR CONFIDENTIALITY

- A. Contractors shall maintain information concerning individuals in strictest confidence and safeguard all information, electronic and hard copy.

- B. The contractor shall not disclose information on individuals directly or indirectly except in compliance with state and federal law and department policy. See chapter 13000, section 13720, PUBLIC DISCLOSURE.

10900 **BACKGROUND INQUIRIES**

- A. Background inquiries are to be completed pursuant to RCW 43.43.832 and 43.43.834 for all contractors, their employees, subcontractors, and volunteers who may have unsupervised access to children during the course of delivery of CA contracted services.
 - 1. If the contractor is licensed by CA, the licensing background clearance, if completed, is sufficient for this purpose.
 - 2. For those contractors not licensed by CA, an initial clearance will be completed before any contracted services may be delivered by the person being cleared.
 - 3. Background inquiries shall be repeated no less than every three years for on-going service providers.
- B. See Chapter 5000, section 5500, BACKGROUND INQUIRIES, for the processing of background inquiries.

101000 EMPLOYEE/EMPLOYER RELATIONSHIP

A contractor is an independent person or business—not an employee of the department. CA staff shall avoid the implications of an employer-employee relationship with non-public agency contractors. Generally, CA should not furnish the contractor a place to work or state resources, such as a office work space, state vehicles, computers, telephones, etc. CA shall not control or direct the day-to-day activities of individuals who perform contracted services. For more information, consult the *20 Common Law Factors* published by the Internal Revenue Service (IRS) to determine whether an individual is an independent contractor or is considered to be an employee.

101100 CONTRACTING WITH NON-PROFITS

- A. Organizations that are non-profit have received tax-exempt status from the IRS. These organizations cannot be “owned” by a sole proprietor or shareholders and must be governed by a board of directors. The term “non-profit” has nothing to do with whether an organization earns less money than it expends in a given year.
- B. Non-profit entities **MUST** put back all revenue into the operation of the entity. To do otherwise is termed “self-dealing” by the IRS, and this is roughly translated as “using dollars for personal gain.” However, the entity does not need to expend all its revenue each year—It can be accumulated, as long as it is eventually used for the organization. Potential or suspected abuses of non-profit status are to be reported to appropriate the contracts coordinator through the CAMIS Complaints Module.

101200 EMPLOYEE ETHICAL CONDUCT CONCERNING CONTRACTORS

CA staff shall adhere to the Washington State Ethics in Public Service Law, chapter 42.52 RCW, throughout the contract process. See chapter 8000, section 8110, for additional information. Legal requirements with special impact on contracting include, but are not limited to, the following:

- A. A contractor cannot be a current DSHS employee except by approved exception.
- B. A contractor cannot be a current state employee except in cases where the contract was competitively procured or the Employee Ethics Board (EEB) has approved the contract.
- C. A contractor cannot be a former state employee who developed or administered a contract for the service within the last two years of his or her state employment.
- D. An AAG opinion is required before contracting with a provider if a state employee is associated with the contract in the capacity of an employee, board member, officer, or partner.
- E. CA staff shall not accept an offer of employment or other compensation if there is reason to believe the offer is linked to performance or non-performance of official duties.

101300 CONTRACT MONITORING

CA shall, through contracts coordinators and designated program managers, undertake the following tasks to determine the satisfactory delivery of contracted services according to the terms and conditions of contracts:

- A. Provide consultation and technical assistance to vendors.
- B. Monitor and periodically review services for compliance with contract terms and conditions, consistent with the following priorities:

RCW 43.20A.420

 - 1. Monitoring of contractors about whom there have been health or safety concerns.
 - 2. Monitoring of contractors about whom there are concerns expressed by staff or the community with respect to contract compliance.
 - 3. All other contractors.
- C. Document monitoring visits and/or episodes, corrective action plans, and management decisions regarding completion of corrective actions.

101400 **VENDOR INVESTIGATIONS**

- A. CA staff are responsible to report concerns about possible criminal activity on the part of contractors to their immediate supervisor, to the appropriate contracts coordinator, and to the appropriate program manager.
- B. The employee's supervisor immediately reports the allegation to CCS. The supervisor then immediately reports to the Area Manager, who, in turn, immediately informs the Regional Administrator.

- C. The Regional Administrator determines whether the allegation warrants notification to the CA Assistant Secretary/designee and takes appropriate steps, which may include requesting the involvement of the Office of Special Investigations (OSI) under the provisions of DSHS Administrative Policy 10.06.

101500 CONTRACT DISPUTES

- A. Generally, differences between the department and contractors will be worked out between the parties as close to the point of service delivery as possible. Contracts coordinators or program managers will handle resolution of differences, as necessary.
- B. When a dispute arises over an issue related to a contract and it cannot be resolved, either party may submit a request for dispute resolution to CCS. Instructions regarding the dispute process are outlined in the Basic Terms and Conditions. The dispute resolution process administered by staff at CCS serves as the sole administrative remedy available to the disputing parties.
- C. The CA staff person responsible for management of the contract, either a contracts coordinator or a program manager, represents the administration at the hearing and prepares and submits a written statement of the administration's position, with supporting documentation, to CCS according to procedures established by CCS.

101600 CONTRACTOR EQUIPMENT/PROPERTY

Absent federal or state law or regulation governing a particular type of contract, ownership of all assets purchased in conjunction with a contract shall be transferred to the contractor as part of the consideration for the contract.

101700 CONTRACTOR TRAVEL

- A. Contractor travel paid under the provisions of contracts or agreements with the department shall be no higher than rates established in current State of Washington Travel Regulations.
- B. Contractors who provide transportation of department clients shall ensure that:
 - 1. Drivers are at least 18 years of age, have a current driver's license which is valid for the classification of motor vehicle operated, have a good driving record, and have proof of liability and medical insurance coverage in accordance with DSHS Office of Risk Management requirements.
 - 2. Children use age and weight-appropriate child safety seats or restraints which comply with Washington state law.
 - 3. Vehicles used to transport clients are maintained in safe operating condition.
 - 4. Number of passengers does not exceed the seating capacity of the motor vehicle(s).

101800 LIABILITY INSURANCE

Contractors shall carry and maintain liability insurance in accordance with the terms of their contracts with the department. Contractors shall submit a Certificate of Insurance showing compliance with contract insurance requirements before providing services to the DSHS Risk Manager, Office of Risk Management, P. O. Box 45882, Olympia, WA 98504-5882.

101900 RESPONSIBILITIES FOR OVERSIGHT OF SUBRECIPIENTS

Contractors that receive federal financial assistance pass-through funds under a contract are considered subrecipients and must comply with the federal Single Audit Act. For a definition of "subrecipient," see Appendix A, DEFINITIONS. CA is responsible to obtain appropriate single audit reports from its subrecipients (contracted agencies), to provide contract monitoring, and to follow up any corrective action plans. Refer to DSHS Administrative Policy No. 16.07 for requirements regarding subrecipient oversight.

1011000 CONTRACT FILES

A. The original, signed copy of the contract is retained by CA Division of Management Services, which is the Office of Record for all contracts.

Revision #2 - 9/1/98

B. The official CA file for each contract is located in the office of origin: headquarters or the regional office. The CA file contains a copy of the contract, all contract reports, correspondence, action requested and taken, and all other documents and records relating to the contract.

C. File retention is according to the following schedule:

1. The Division of Management Services must retain all contract files for a minimum of four years past their end date if contract compliance has been satisfactory. Contract files will be maintained in Archives for an additional three years.
2. The Division of Management Services must keep contract files of contractors where there have been health and safety concerns, compliance issues, or audit findings indefinitely or for a minimum of four years following the end date, with the files retained in Archives for an additional three years.

CHAPTER 11000—FEDERAL FUNDING**11100 FEDERAL MATCHING FUNDS/OTHER BENEFITS****11110 INTRODUCTION**

The Children's Administration (CA) Federal Funding staff shall review the circumstances of every child placed in out-of-home care to determine the child's eligibility for federal matching funds and/or other benefits.

11120 REFERRAL

The social worker initiates referrals to the Federal Funding Unit (or Specialist) by entering the required child/family demographics, placement, and legal action data into the appropriate CAMIS modules. Paper referrals are required only in the absence of automated data.

11130 DETERMINATIONS

- A. The Federal Funding Specialist (FFS) analyzes data, makes eligibility determinations, assists in the application for other financial benefits, and notifies appropriate parties of the results of these actions. Following the initial determination, the FFS provides ongoing coordination of the various funding sources that may be used in combination with one another. The FFS performs required redetermination specific to each funding source.
- B. The Supplemental Security Income (SSI) Facilitator (SSIF) reviews referrals made electronically or by the FFS or child's social worker to analyze funding sources already available. SSIFs review the child's case file and speak with the social worker, foster parent, or others to screen for potential impairments to warrant an SSI application. The SSIF completes applications for Title XVI/SSI and Title II Social Security benefits and requests payee changes for children already receiving benefits.

11200 FEDERAL FUNDING PROGRAMS

A number of federal programs provide opportunities for claiming federal financial participation matching funds to reimburse state expenditures for eligible services. Each program has individual criteria and guidelines. Below is a listing of the federal programs currently providing reimbursement (matching) funds, their individual eligibility criteria, the referral procedures, and the required follow-up by the FFS and SSIF.

11210 TITLE IV-E**11211 Categorical Title IV-E Eligibility Factors**

A. Title IV-E is a federal entitlement program designed to reimburse States the maintenance and administrative costs of eligible children who are placed into department-paid substitute care. There are three categorical criteria which must be met to establish the IV-E claim: Judicial protections for the child and family; Aid to Families with Dependent Children (AFDC)-relatedness of the child in the Eligibility month; and Reimbursability criteria.

B. AFDC relatedness

1. In the Eligibility Month the child must have had a relatedness to the AFDC program under the rules in existence as of July 16, 1996.

2. Eligibility Month

The eligibility month is the month during which a court petition for removal of the child was filed that led directly to removal of the child, or during which a voluntary placement agreement was signed. The date the child enters care does not necessarily define the Eligibility Month. See Appendix A for the definition of "Original Placement Date."

Revision #6 – 6/30/99

3. **AFDC-relatedness test**

A child meets the AFDC-relatedness test if, in the Eligibility Month, the child would have received AFDC by application of the AFDC rules in existence on July 16, 1996.

4. **Living with a relative of specified degree**

During the Eligibility Month:

- a. The child's home must have been with a relative of specified degree; or
- b. The child must have lived with a specified relative in any of the six months directly preceding the Eligibility Month; and
- c. The child must be physically removed from his/her home.

5. **Deprivation of the support of one or both parents**

The child must meet the June 1995 AFDC deprivation factors of:

- a. Death;
- b. Disability;
- c. Continued Absence; and/or
- d. Under/unemployment

6. **Need**

The income and resources available to the child must be less than the July 16, 1996 State AFDC Need Standard.

C. **Judicial Determination Protections**

1. **Court Ordered Placements**

- a. In the first order of removal, the court must enter a judicial determination (finding) to the effect that continuation in the home would be “**contrary to the welfare**” of the child. Failure by the court to make this judicial determination at the proper time makes a child ineligible for IV-E funds for the entire placement episode.
- b. Prior to CA making a claim for IV-E reimbursement funds, the court must also enter a finding that DCFS made “**reasonable efforts**” to prevent the placement of the child from his/her home. The fact that the placement was emergent in nature does not negate this judicial determination requirement.
- c. Additionally, the child must be placed in the sole responsibility of DSHS/DCFS for the care and supervision of the child.

2. **Voluntary Placements**

- a. The voluntary placement agreement must be signed by the parent(s) and a representative of DCFS.

- b. If the child meets the AFDC-relatedness requirements, the child is eligible for IV-E matching funds during the first 180 days of placement.

D. Reimbursability

1. Once IV-E eligibility is established, a child is IV-E reimbursable if, in any particular month the child is in care, he/she meets a number of on-going criteria. Meeting all the following criteria qualifies the child for Title IV-E funds:
 - a. The court has entered a judicial determination that DSHS/DCFS made “reasonable efforts” to prevent the placement of the child; or
 - b. If the child was placed on a voluntary placement agreement, and the child has been in placement more than 180 days, the court must have entered an order by the 180th day of placement that continuation in care is in the child’s “best interest”; and
 - c. The child is placed in the sole care and supervision of DSHS/DCFS; and
 - d. The child is under age 18, or under age 19 and in school full time and reasonably be expected to graduate before their 19th birthday; and

Revision #2 - 9/1/98

- e. The child continues to be deprived of parental care and support in AFDC terms; and
- f. The child continues to be in financial need; and

- g. The child is placed in a licensed child care facility or in the home of a relative “certified” as meeting minimum licensing requirements.
2. This is only a general overview of the IV-E eligibility criteria. The Eligibility Specialist assigned to each area has detailed information on claiming IV-E funds for children placed in department-paid substitute care.

11212 **Other Eligibility Factors**

A. **Repeat Removals**

Whenever the child is returned to the home of any biological or adoptive parent, or to the removal home of a specified relative other than the parent, with the intent that the parent assume the ongoing daily supervision and control of the child, the placement episode is terminated, even if court supervision continues. If the child is re-placed into out-of-home care, all the judicial protections and AFDC-relatedness criteria must be met in order for the child to again be eligible for IV-E reimbursement funds. See Appendix A for the definition of “Original Placement Date.”

Revision #6 – 6/30/99

B. **Guardianship**

1. The entry of a guardianship order on any child in out-of-home care completes the permanent plan for the child; the Placement Episode must be closed effective the date of the guardianship order. If foster care maintenance payments will continue, the Placement Event remains open, and the source of funds is State Only.

2. In the event the child is re-placed into out-of-home care from the guardian's home, a new Placement Episode is noted in CAMIS. New "contrary to the welfare" and "reasonable efforts" judicial determinations must be obtained, even though the underlying dependency is still in effect. If the child is re-placed into care via a VPA, a court order (i.e., at a dependency review hearing) must be obtained by the 180th day of placement with the finding that it is in the child's best interest to remain in care. See Appendix A for the definition of "Original Placement Date."

Revision #6 – 6/30/99

C. Teen parent and infant residing together in same out-of-home facility

1. When a teen parent and infant reside in the same facility, the infant's "home" is considered to be his/her parent, NOT the foster home or other out-of-home care facility. A legal authorization-to-place is not required in order to include an amount sufficient for the infant's maintenance in the maintenance payment made for the teen parent, or to issue medical coupons for the infant. For protection of the infant, a dependency order placing the child in the temporary custody of DCFS may in some instances be appropriate.
2. Maintenance payments for teen parents residing with their infants shall be increased to also provide for the maintenance of the infant.
3. In every instance when the teen parent and infant are residing together, even if dependency is already established on the infant, a legal authorization-to-place must be obtained to keep the infant in out-of-home care should the teen parent's placement setting change so as not to include the infant.

Revision #2 - 9/1/98

4. **SSI Eligibility and IV-E eligible**

Any child for whom a Title XVI/SSI application is in process or for whom SSI eligibility has been established and benefits are “in pay” must have his/her source of funds coded to “state only.” Exception: If maintenance payments are high cost, IV-E funding may be substituted. Please refer to IV-E and SSI desk manuals for detailed information.

11213 **Referral Procedures for Social Workers**

- A. The social worker takes the following actions, or causes such actions to be taken, within 10 working days of a child's Original Placement Date (OPD).
1. Enter the appropriate child/family demographic profile information onto the child's "PERSONCARD" in CAMIS; and
 2. Enter all required information in the CAMIS Legal History (ACTNLA) and Placement (PLACECR) modules. (NOTE: CAMIS will not process any SSPS payments until the required information in 1 and 2 has been entered into the system); and
 3. For voluntary placement cases only, both parents sign and date a VPA. Unless legal custody resides with one parent, a good faith effort must be made and documented to have both parents sign the VPA. The social worker shall also sign and date the VPA.
 4. Transmit copies of the following items, on all children placed into department-paid substitute care, **including licensed or non-licensed relative care**, within 10 working days of the OPD to the FFS and/or Unit:

- a. Copies of the legal authorizations to place. Include the VPA and/or the petition and signed court order that initially authorized the out-of-home placement.
 - b. If the child is re-entering foster care from an in-home dependency or from a dependency guardianship status, forward a copy of the legal document that authorizes re-entry into out-of-home care.
 5. Referrals for Title IV-E eligibility determinations are not required for placement episodes that are 72 hours or less (excluding weekends and holidays) from the OPD.
- B. Referrals initiated by a private Child Placing Agency in which the CPA retains responsibility for placement and care.
1. CPA referrals for maintenance payments shall be submitted within 10 working days to the DCFS local office nearest the residence of the child's legal caretaker. The referral from the CPA shall consist of:
 - a. The DSHS 14-024(x) Family Face Sheet;
 - b. The *Source of Funds Application for Child in Placement*, DSHS 14-281; and
 - c. Legal authorization for placement.
 2. The source of funds code for all children for whom the CPA retains sole or joint responsibility for placement and care is State Only.

11214 **Procedures for Federal Funding Specialists**

- A. The Eligibility Specialist must take the following actions upon notification of each new Placement Episode:
1. Review and evaluate all the available child demographic, placement, legal action and SSI information;
 2. Utilize the above information to determine the correct funding source;
 3. Enter the correct funding source in the IVEUP module, and change all outstanding SSPS authorizations to coincide with the correct funding source;
 4. Send an electronic referral for child support enforcement to the Division of Child Support (DCS);
 5. Document eligibility information in the child's Financial Revenue File using the *Title IV-E Initial Eligibility AFDC & Legal Relatedness Summary*, DSHS 14-297, and the *Title IV-E Initial Eligibility Income Calculation Worksheet*, DSHS 14-293, where appropriate, and record the eligibility information in CAMIS;
 6. Maintain the Financial Revenue File in accordance with the IV-E Eligibility Desk Manual;
 7. If the child was removed from a TANF household, send a *Coordinated Benefits Referral* form, DSHS 14-226, to the appropriate CSO.

B. Re-determinations of IV-E Eligibility

1. Children who are eligible for Title IV-E funding shall have their eligibility redetermined semi-annually. The procedure replicates the procedure for new eligibility determinations, except that a new referral to DCS is not required if the Placement Episode has continued uninterrupted.
2. The information is recorded on the *Title IV-E Reimbursability Summary*, DSHS 14-298; that form, along with other supporting documents, is filed in accordance with the procedures outlined in the IV-E Eligibility Desk Manual.

C. Title XIX

Children who are eligible for Title IV-E funding are deemed eligible for Title XIX medical coverage.

Revision #2 - 9/1/98

11215 Other Eligibility Processes

- A. Adoption Support -- See section 11420.
- B. Guardianships -- See section 11320.
- C. COBRA Medical -- See section 11450.

11220 TITLE II/RETIREMENT, SURVIVORS, AND DISABILITY INSURANCE

Retirement, Survivors, and Disability Insurance (RSDI) is a federal entitlement program for adults who have worked and become disabled, retired, or died. A child of an eligible parent may be a beneficiary for auxiliary benefits based on the parent's earnings record.

11221 Eligibility Factors

- A. Title II/RSDI benefits are paid before Title XVI/Supplemental Security Income (SSI).
- B. If a child's Title II/RSDI benefit is less than the current Title XVI/SSI payment and the child is also disabled, an SSI application should be made.
- C. There are no income or resource limits for Title II/RSDI benefits.
- D. Parental relationship(s) must be established prior to Title II/RSDI application.
- E. Title II/RSDI benefits remain with the child regardless of the adoption or termination of parental rights, provided that application for the child's benefits was made prior to finalization of adoption, pursuant to Washington state inheritance law.
- F. If Title II/RSDI has been established prior to a child coming into DSHS care, the SSIF will request that DSHS be made the Representative Payee, if placement will exceed 90 days.
- G. If a Title II/RSDI application is needed, the SSIF will call the Olympia Branch Office to make an appointment for a teleclaim application with the local Social Security Administration (SSA) office.

11222 Referral Procedures for Social Workers

- A. Social workers refer to the SSIF/Federal Funding Unit (FFU) all children in placement who are known or suspected to be receiving Title II/RSDI, Title XVI/SSI, or VA benefits, so that a change in representative payee can be made to "DSHS - Trust Fund Unit."

- B. To screen for potential Title II/RSDI or VA benefits, social workers refer to the SSIF/FFU all children whose parents, step-parents, or adoptive parents are deceased, over 65, or disabled.
- C. Social workers inform SSIFs by e-mail, in writing, or verbally, of changes in the child's placement, resources, or income or when the child emancipates, returns home, transfers to another division, or is adopted.

11230 TITLE XVI/SUPPLEMENTAL SECURITY INCOME

SSI is a SSA federal entitlement program for persons with medically determinable physical or mental impairments which have or are expected to last at least 12 months. As it applies to DCFS, SSI is used to reimburse the cost for paid out-of-home care for a child with a qualifying disability. Federal regulations require that SSI benefits are used for food, clothing, shelter, or other personal or medical needs. In order to be eligible for Title XVI/SSI, a child must meet criteria identified in the Code of Federal Regulations (CFR), 20 CFR 400-499.

11231 Referral Procedures for Social Workers

- A. The social worker shall refer all potentially eligible service only and placement cases to the SSIF in the Federal Funding Unit by e-mail or brief memo for assessment and application. Eligibility may include, but is not limited to, the following criteria:
 - 1. Positive tox screen/drug affected;
 - 2. Fetal Alcohol Syndrome/Fetal Alcohol Effect;
 - 3. Mental Retardation;

4. Post-Traumatic Stress Disorder;
5. Behaviorally disturbed/Emotionally disturbed;
6. Cerebral Palsy;
7. Exceptional cost foster care/Group care;
8. Medically fragile child'
9. Blind or Deaf;
10. Failure to Thrive;
11. Low birth weight;
12. Attention Deficit Hyperactivity Disorder;
13. Special Education student;
14. Use of crutches or wheelchair;
15. Downs Syndrome.

This is only a general overview of Title II/Title XVI Programs. Please refer to the SSI Facilitator for more detailed information.

11232 Procedures for SSI Facilitators

SSIFs shall meet the following requirements:

- A. See that children served/placed have a Social Security identification number, or an application is filed to obtain one, and that it is entered in CAMIS (personcard).

- B. Periodically, review all placement cases in CAMIS for potential application for SSI or other SSA benefits.
- C. Apply for Title XVI/SSI for all referred or "screened-in" clients.
- D. Facilitate the claim throughout the application process:
 - 1. Provide required Medical Evidence Records (MER) that DCFS may possess;
 - 2. Seek to have scheduled Consultative Examination (CE) appointments kept; and
 - 3. Respond in a timely manner to all SSA and DDDS requests for information, placement data, and re-determination on clients for whom DSHS is payee or custodian.
- E. Make requests to change the representative payee to "DSHS - Trust Fund Unit" for all clients already entitled or receiving Title XVI/SSI and/or Title II/RSDI benefits.
- F. Initiate the conveyance of information regarding placement, resource, or income changes to the payer: SSA, VA, etc.
- G. Coordinate all relevant financial and social information with DSHS Trust Funds accountant.

11233 Electronic Data Entry and Record Keeping**A. Electronic Data Base**

1. SSI Headquarters staff are responsible for data entry and integrity in payment fields and SSI application decision fields as well as tracking notes in CAMIS (SSIUP and/or PRSNACTN/CASEACTN) for all SSA notices and SSI status codes and dates after SSI pending status.
2. SSIFs and Regional Coordinators are responsible for data entry and integrity in all other CAMIS fields except those indicated in #1 above, including current case assignment (SSIUP/CASEUP3) and brief case action notes (PRSNACTN and/or CASEACTN).

B. Hard Copy Paper Files

1. SSIFs may use a "working file" during the initiation of an SSI application. However, the establishment of a Financial Revenue file should be requested of Masterfile as soon as possible, unless already created for Title IV-E. Existence of an SSI working file must be documented in both the child's service and revenue files. Clear documentation of a pending SSI action shall be indicated in SSIUP.
2. **DCFS Financial Revenue File**
 - a. During a pending SSI application, the Revenue File must contain, at a minimum:
 - i. Notification regarding intent to file. Copy of Interim Assistance Reimbursement Agreement (IAR).

- ii. Correspondence between SSIF and FFS regarding:
 - X Request to change source of funds
 - X Income/eligibility from Title II benefits
 - X IV-E termination and/or reinstatement actions
- b. Once SSI eligibility is established, the following contents of the SSI working file are placed in the DCFS Financial Revenue file:
 - i. SSA Correspondence
 - ii. Copy of final decision (award or denial letter)
 - iii. Payee change requests (SSA 11-BK)
 - iv. Interim Assistance Reimbursement Agreement (IAR)
 - v. SSI application (SSA 8001)
- c. If SSI eligibility is denied, written notification to reclaim IV-E as soon as possible.

3. **DCFS Service File**

For federal funding purposes, the child's Social Service File must contain, at a minimum:

- a. Documentation regarding pending Title XVI/SSI (pink sheet);
 - b. Copy of award letter;
 - c. Accumulated medical, social, and educational documentation, including copy of disability and function reports;
 - d. Exhibit file – a set of documents provided by the Social Security Administration when an appeal hearing has been held;
 - d. Birth certificate; and
 - e. Social Security Card
4. All of the above records/files shall not be archived or sent to Records Retention while SSI applications are pending.
- C. Please refer to SSI Desk Manual for detailed information on procedures and record keeping.

11234 **Appeals Cases**

- A. If the initial disability determination is denied, the Headquarters SSI Program Manager or designated SSIF will review the SSA decision and provide consultation to regional field staff for further appeals.
- B. Personal representation for all hearings and appeals will be the responsibility of the Headquarters SSI Program Manager.

- C. When an Interim Assistance Reimbursement Agreement (IAR) is in place, personal representation may be extended to clients who are no longer in DSHS custody, where the SSI lump sum proceeds will benefit DSHS cost-of-care recoveries in excess of \$1000.

11240 **CLIENT AGED 18 THROUGH 20**

The following conditions apply for Title II/RSDI and Title XVI/SSI.

- A. Clients who are over age 18 must sign their own SSI applications (*form SSA-8001*) and authorizations to release information (*SSA 827*).
- B. When young adults age 18 through 20 voluntarily place themselves into foster care, a copy of their voluntary placement agreement must be submitted with the Application for SSI (*SSA 8001*).
- C. **18 - 20 Year Olds for Whom DSHS is Payee for SSA/SSI Benefits**
1. **Title XVI/SSI**

The SSIF will provide capability development (form letter) to the local/Olympia SSA District Office. If the client is determined to be incapable of managing his/her own resources, DSHS will continue to be the Representative Payee. If the client is determined to be capable and receives his/her own SSI, it must be made available toward the cost of care.

2. Title II/RSDI

The SSA will automatically make the client his/her own payee unless incapacity has been determined. If the client is incapable, DSHS can be made the Representative Payee. If capable, the client must make the funds available for cost of care.

- D. Title II beneficiaries may continue to receive benefits if they are still in high school. SSIFs will be asked to provide documentation of school attendance to the SSA.
- E. For Title II beneficiaries who are 17½ years old and are disabled, but for whom no SSI application has been made, a *Childhood Disability Benefits* (CDB) claim needs to be filed. If the client is found to be disabled, the Title II benefits will continue into adulthood. The disability must be established prior to the attainment of age 22.

11250 TITLE XIX/MEDICAID

- A. Title XIX is an entitlement program that provides medical and remedial services for certain individuals and families with low income and resources. There are some mandatory Medicaid eligibility groups. As it applies to CA, recipients of adoption assistance and foster care are included in the mandatory Medicaid eligible group.
- B. Title XIX/Medicaid may be used to fund other services to children beyond the traditional medical services. This has been due, in part, to changes in the state Medicaid plan. Among the DCFS programs that have benefited are Behavior Rehabilitation Services/Group Care (BRS/GC), Therapeutic Child Development (TCD), and Medicaid Personal Care Services.

C. Infants of Teen Parents in Licensed Placements

1. Infants born to teen parents in foster care, where there are no protection issues and where the infant is placed with the mother in the foster home, are eligible for Medicaid. However, because there is no DSHS custody, the infant will not appear in CAMIS. Assigned CA staff must notify the FCMU by telephone or e-mail as soon as possible following the birth of the infant or placement of the teen parent with the infant. The CA staff will provide the FCMU with the child's name, birth date, address, identity of the child's mother, the mother's case number, and any other available, pertinent information.
2. Because the child's eligibility requires enrollment in a Healthy Options plan, CA staff will advise the minor mother and the foster parent of the need to make the selection of a plan as soon as the packet is received in the mail. The teen parent needs to , base the selection on the availability of the teen parent's preferred providers and on the interface of that plan with the teen parent's fee for service providers.

Revision #4 – 12/14/98

11000-20b

February 15, 1998

11251 Regional Responsibilities for Behavior Rehabilitation Services/Group Care

As part of the tasks necessary for managing Title XIX Medicaid services, the Regional Administrator will implement procedures to determine which children are placed in BRS/GC each month.

Revision #2 - 9/1/98

11252 Eligibility Factors for Behavior Rehabilitation Services/Group Care and Therapeutic Child Development

- A. The child must be categorically needy Medicaid eligible; AND
- B. For BRS/GC and TCD, a licensed medical practitioner must determine that the services are "medically necessary" for the child to function at his/her best possible level.
 1. All children with a Social Security number or, for whom application for a number has been made, in out-of-home placement are considered categorically needy and, as such, are Title XIX Medicaid eligible.
 - a. A child receiving BRS/GC in his/her own home may be Title XIX Medicaid eligible as determined by the DSHS Community Service Office (CSO). For a child receiving BRS/GC in his/her own home, the DCFS social worker is responsible for referring the child and his/her family to the CSO for the Medicaid eligibility determination.

- b. For a child residing in his/her own home and receiving TCD, the FSS verifies Medicaid eligibility using ACES. If a TCD child's Medicaid eligibility cannot be found in ACES, the DCFS social worker refers the family to the CSO for Medicaid eligibility determination.

Revision #2 - 9/1/98

2. For BRS/GC, social workers provide documentation to support the need for this level of care following regional procedure.
 - a. Documentation is submitted to CA Headquarters at the time of the initial use of BRS/GC, when a break in service occurs, and annually thereafter. See the Title XIX Desk Manual for specific details.

Revision #2 - 9/1/98

- b. The Individual Service Plan (ISP) or other documentation (e.g., psychological evaluation, medical records, etc.) is forwarded by Headquarters staff to the Nursing Care Consultant for review.
 - c. If the documentation supports the need for this level of care, a Statement of Medical Necessity is written and returned to the region.
3. The ISP ordinarily contains sufficient information to support the need for this level of care. The regional staff needs to avoid sending large amounts of information to Headquarters. If the ISP does not contain sufficient information to support the need for this level of care, the social worker will be contacted for further documentation; e.g., psychiatric evaluation, drug/alcohol evaluation, Individual Education Plan (IEP), etc.

4. In the event there is no ISP for the child, the worker will follow regional procedures as to which documents will be submitted. When Medicaid eligibility is received, the child is eligible for Title XIX reimbursement.
5. For TCD, the provider is responsible for submitting the statement of Medical Necessity to the FFS.

11253 Referral Procedures for Social Workers

Refer to the *CA Practices and Procedures Guide* for instruction in the use of Title XIX services:

- A. For Medical and Dental Services for children in out-of-home care, see chapter 4000, section 4517.
- B. For TCD, see chapter 4000, section 4504
- C. For Personal Care Services, see chapter 4000, section 4526.
- D. For BRS/GC, see chapter 4000, section 4533.

11254 Procedures for Federal Funding Specialists

- A. The FFS determines eligibility for DCFS Title XIX programs.
 1. The FFS must verify Title XIX Medicaid eligibility for in-home services, using ACES, print the screen, enter the information onto the XIXELIG screen in CAMIS, and file the printout, including the date, in the child's revenue file. If a child is in a DCFS-paid placement, the child is automatically Medicaid eligible.
 2. The FFS must receive a Statement of Medical Necessity form, signed by a licensed medical practitioner, for TCD and BRS Title XIX services.

Revision #2 - 9/1/98

- a. Statement of Medical Necessity forms indicate that the information is valid on the service begin date (SBD) for TCD and BRS/GC.
 - b. The FFS enters the information onto the XIXELIG screen in CAMIS and files the signed Statement of Medical Necessity (SMN) in the child's revenue record.
 - c. SMN forms must be received annually for as long as the child receives uninterrupted TCD or BRS/GC services.
- B. The FFS reviews and/or re-determines eligibility every 90 days. If TCD or BRS/GC services continue without interruption, then a new Statement of Medical Necessity (SMN) is required annually. See the Title XIX Desk Manual for exceptions.

Revision #2 - 9/1/98

- C. The FFS maintains the CAMIS record and the child's Revenue File. See Chapter 13000, section 13410. CAMIS Title XIX information is entered onto the XIXELIG screen.
- D. For TCD, the FFS updates authorizations to correct source of funds as needed. If the child is not categorically needy Medicaid eligible, then source of funds (SOF) code 5, state funds, is used.
- NOTE: For TCD, if the family is required to make a co-payment but does not pay it, the SOF code must be 5.
- E. For TCD and BRS/GC, the FFS reviews/redetermines Medicaid eligibility every 90 days.
1. The FFS completes an ACES search for evidence of Medicaid eligibility, makes screen print, and files it in the child's revenue record.

Revision #2 - 9/1/98

2. The FFS files the Statement of Medical Necessity forms received from service providers for TCD and the Nurse Care Consultant for BRS/GC in the child's Revenue File.

Revision #2 - 9/1/98

3. The FFS must update TCD authorizations to correct SOF codes if eligibility ends. A signed and dated copy of the screen print must be filed in the child's Financial Revenue file and another copy forwarded to clerical staff if the SOF code changed.

11300 **GUARDIANSHIPS**

11310 **TITLE IV-E**

- A. On Title IV-E eligible and/or reimbursable children for whom dependency guardianship orders have been entered, pursuant to RCW 13.34.231, the Placement Episode shall be closed effective the date of the court order. The Placement Event, however, remains open if foster care maintenance payments continue.
- B. In every instance, the child loses Title IV-E eligibility upon establishment of a guardianship. The guardianship code and the date of the legal action that established the guardianship are entered into CAMIS. (NOTE: The child may still qualify for SSI or Title XIX funding; consult the Regional FFU for the correct funding source).
- C. A child removed from a guardianship and placed again into other department-paid substitute care always begins a new Original Placement Date (OPD).

1. Upon removal from the guardian's home, the initial removal order must contain a "contrary to the welfare" judicial determination. In addition, prior to reestablishing IV-E eligibility, the court must make a judicial determination that DCFS made reasonable efforts to prevent the placement.
2. Refer the case to the FFS for a new determination of Title IV-E eligibility, per section 11210.

11320 TITLE II/RSDI AND TITLE XVI/SSI

- A. Title II/RSDI and Title XVI/SSI applications are made for DSHS-paid foster parent/guardianship placements.
- B. Guardians must sign the *Authorization to Release Information*, SSA-827.
- C. DSHS is to be the representative payee for all children in DSHS-paid foster care/guardianships.

11330 TITLE XIX

Eligibility for Title XIX is not affected by guardianship status.

11400 ADOPTION SUPPORT

- A. All children for whom application for adoption support payments has been made shall have an adoption support specific funding source determination completed. (Note: The foster care funding source may or may not be applicable for adoption support payments.)

CHAPTER 11000—FEDERAL FUNDING

- B. Upon request of the social worker who applies for an adoption subsidy for a legally free child, the FFS will determine eligibility for possible funding sources.

11410 TITLE IV-E ADOPTION SUPPORT ELIGIBILITY CRITERIA

- A. On all children for whom an adoption support application is being completed, the child's social worker shall refer the case to the appropriate eligibility specialist for determination of the child's eligibility for title IV-E adoption support benefits.
- B. The eligibility specialist will return an *Adoption Support Monitoring Schedule*, DSHS 14-319, to the child's social worker noting the child's eligibility for IV-E funding. The adoption support program manager must not process the application unless this form is included with the application. The FSS will review positive determinations of Title IV-E Adoption Support eligibility every six months until the child is adopted or until the FSS has verified the month that the adoption petition was filed. At each review, the specialist will forward a copy of the form to the Adoption Support program manager. The Adoption Support program manager or the social worker may request a review of any child's previously denied Adoption Support eligibility determination.
- C. **SSI Eligible Children**
1. Any child for whom SSI has been applied prior to adoption and who is later found to be eligible for SSI benefits prior to the final decree of adoption is deemed eligible for Title IV-E Adoption Support services. (NOTE: The child need not have received SSI benefits, but must be eligible for receipt of SSI funds.)
 2. Written verification of SSI eligibility must be contained in the child's file.
- D. **Relative Adoptions**
1. Children who are going to be adopted by a relative of specified degree meet the AFDC and judicial determination tests by federal policy. Actual documentation of the child meeting the AFDC relatedness and judicial determination protection requirements at the beginning of the placement episode is not required.

Revision #4 – 12/14/98

2. At the time of the filing of the petition to adopt, the child must meet the financial need and deprivation of parental support tests.

Revision #4 – 12/14/98

E. All Other Children

1. Children who are not SSI eligible, or who are not being adopted by a relative of specified degree, must meet the AFDC and judicial determination tests in the last Placement Episode that led directly to the termination of parental rights.
2. The Eligibility Specialist shall make a determination of the child's eligibility for IV-E Adoption Support benefits. Since it is possible for a child to be ineligible for IV-E foster care benefits but eligible for Adoption Support IV-E benefits, an eligibility determination specific to Adoption Support must always be performed.

F. Previously Eligible Children

Any child with special needs who had been previously eligible for Title IV-E Adoption Support will automatically be eligible for Title IV-E Adoption Support again if the child is adopted a second time because the first adoption was terminated or the adoptive parents died.

Revision #4 – 12/14/98

11420 TITLE XVI

- A. Adoption support standards require SSIF screening and potential application for SSI benefits prior to adoption support decision-making. SSIFs must coordinate application information with the adoption social worker and the adoption support staff.

- B. SSI with an application date prior to the date of Petition for Adoption will ensure IV-E eligibility for adoption support payments.
- C. Adoption finalization shall not be delayed because an SSI application is pending. However, if an application is pending adjudication or appeal, the social service and financial files are not archived pending outcome by SSA.

11430 TITLE XIX

Children receiving Adoption Support subsidies are categorically needy Medicaid eligible and thus may be eligible for DCFS Title XIX services, such as TCD.

11440 COBRA MEDICAL

- A. The Consolidated Omnibus Budget Reconciliation Act (COBRA) of 1985 permits Title IV-E eligible children receiving adoption support benefits to receive Medicaid in their state of residence. COBRA guarantees a uniform level of medical services for Title IV-E eligible children nationwide.
- B. Adoptive parents of Title IV-E eligible children from other states who move into Washington need to apply for COBRA medical from:

Adoption Support Program
DSHS - Mail Stop 45710
P. O. Box 45710
Olympia, WA 98504-5710
Phone: Toll free 1-800-562-5682 (3)

- C. Children placed by Interstate Compact on the Placement of Children (ICPC) in another state may be reciprocally eligible for COBRA in that state. The social worker consults with the FFS to determine and document IV-E eligibility/reimbursability to be sent with the ICPC documents to the receiving state. See also the *CA Practices and Procedures Guide*, chapter 5000, section 5600.
- D. Adoptive parents of Title IV-E eligible children who move from this state to another state of residence must apply for COBRA medical in their new state of residence. The adoption support program manager in the region the child resides will send a letter to the new state verifying Title IV-E eligibility and reimbursability.
- E. Adoption support children not Title IV-E eligible from Washington are deemed Title XIX Categorically Needy medically eligible. Their medical coupons may be issued by the state of Washington or, by their resident state, IF their resident state is a state that is a member of Interstate Compact for Adoption and Medical Assistance (ICAMA) and has agreed to reciprocate medical coverage for non-Title IV-E children.
- F. Children moving into Washington state who are not certified by their state of origin as Title IV-E eligible shall receive medical coverage from their state of origin, except that, if the state of origin is an ICAMA member state, Washington will also provide medical coverage for that non-IV-E eligible child.

11500 PLACEMENT WITH RELATIVES OF SPECIFIED DEGREE**11510 PAYMENT OF FOSTER CARE FUNDS TO PARENTS**

Natural, adoptive, and step-parents shall not be authorized to receive foster care payments. While a termination-of-parental rights order severs the relationship between parent and child, federal regulations specifically prohibit the payment of Title IV-E funds to that parent should the child be subsequently replaced with the parent.

11520 TEMPORARY ASSISTANCE FOR NEEDY FAMILIES MAINTENANCE PAYMENTS

- A. The social worker shall inform the relative of his/her option to apply for Temporary Assistance for Needy Families (TANF) or foster care maintenance payments. The TANF benefits may be greater or less than the foster care payments, depending on the child's age, any special needs, and the number in the assistance unit.
- B. A relative may be eligible to receive TANF maintenance payments for a child placed with him/her. The relative must apply for TANF benefits at the local CSO for a determination of eligibility.
- C. The relative home need not be certified or approved as meeting the minimum foster home licensing standards as a condition of receipt of TANF benefits.

11530 FOSTER CARE MAINTENANCE PAYMENTS

- A. Relatives of specified degree have the option of choosing TANF or foster care maintenance payments for children placed with them by DCFS.

CHAPTER 11000—FEDERAL FUNDING

- B. To receive foster care payments, the relative's home must be licensed as meeting minimum foster home licensing standards to receive foster care payments.
- C. For the infant residing with the minor parent, the substitute care maintenance payment for the infant plus the maintenance payment for the minor parent, is totaled into one sum payment to the out-of-home care provider. This increased amount is authorized as part of the minor parent's maintenance payment. See chapter 13000, section 13230, for requirements relating to case records for infant children residing with their minor parents.

11600 CORRECTION OF FUNDING SOURCE

Every department-paid substitute care payment charged to an incorrect funding source must be changed to reflect the correct source, both in the authorization and accounting systems.

- A. Changes are made at the point of discovery of the incorrect charge.
- B. Corrections of payment are made by using the CAMIS COPCR procedure.

11700 INCOME/RESOURCES OF CHILD IN DSHS PAID SUBSTITUTE CARE

- A. A child in department-paid substitute care may have:
 - 1. Earned income (wages);
 - 2. Unearned income (Social Security, SSI, VA benefits); and/or

3. Resources (bank accounts, bonds, stocks, automobiles, personal property).
- B. Each of the above three categories is additionally classified as either:
1. **Exempt income** - not included when considering if a child is eligible for a particular federal funding source nor when determining a child's possible participation in the cost of care.
 2. **Non-exempt income** -
 - a. Unearned income - If the non-exempt income is unearned income, it shall be used to cover the child's cost of care, except for resources held in trust for an American Indian child.
 - b. Earned income - If the non-exempt income is earned income or resources, it may be used to cover the cost of care. The exempt earned income/resources standards which applied to AFDC also apply to children in department-paid substitute care.
 3. **Title IV-E**
 - a. The exempt plus non-exempt income must be totaled to determine the child's total gross income per month. The total must be below 185 percent of the child's cost of care for Title IV-E reimbursability to continue. AND
 - b. The child's non-exempt resources (including trust fund balances) cannot exceed \$1,000 for any given month. AND

- c. The non-exempt earned income plus the non-exempt unearned income (total non-exempt income) must total less than the child's cost of care, defined as the payment standard: Room and board, clothing, personal and incidental allowance, and specialized rates. Additional rates through the Exceptional Cost Plan (ECP) or Exception to Policy (ETP) processes are not included.
- d. The FFS determines if the child receives Title XVI/SSI funds. A child is not eligible to receive both SSI and Title IV-E simultaneously. The FFS terminates one or the other based on the best interest of the child and/or the greater benefit to the state.
- e. If the child is employed full time and not in school, the source of funds is state only. See also paragraph "g" below.
- f. Excluded student earned income. The following types of earned income are not counted for Title IV-E purposes:
 - i. The earnings of a child 19 years old or younger who is a full time student in grade 12 or below, or the equivalent level of vocational training; or
 - ii. The earnings of a child under the age of 18 who is attending school part time in grade 12 or below and is not employed full time.

- g. Child's participation in the cost of care. The state must take into account the earnings of every foster child not considered a student (see above). The earned income disregards are applied to the earnings before determining what portion of the child's cost of care will be recovered from the child's earnings.

4. **Title II/RSDI**

There are no income or resource considerations in determining eligibility for RSDI.

5. **Title XVI/SSI**

- a. Income and resource limitations are strictly enforced by the SSA.
- b. All earned and unearned income must be reported to the SSA. Social workers report all income and known resources to their SSIF for forwarding to the SSA. Reports of income and resources are entered by SSIF into SSI tracking module in CAMIS.
- c. Earned and unearned income are calculated according to various SSA formulas. All or some of the income may be considered to reduce the SSI benefit.
- d. The cash resource limitation for SSI is \$2000. The client is ineligible for SSI in any month where total savings (including what is held in Trust Funds Accounting and whatever may be held in the child's name by a parent or foster parent) exceed \$2000.00.

6. Title XIX

- a. Children with a Social Security number and in paid out-of-home placement are Medicaid eligible categorically needy. Social workers authorize SSPS code 4810 for medical coupons, unless the child is enrolled in a Healthy Options plan.
- b. In non-placement cases (e.g. TCD), Medicaid eligibility is determined in the CSO. The FFS documents Medicaid eligibility in the Revenue File.

11800 TRUST FUNDS ACCOUNTING

Trust funds accounting is the exclusive mechanism in the DSHS Office of Accounting Services (OAS) to receive, disburse, and reimburse costs of care from any income, benefits, or resources of a child in out-of-home placement or resident in a Juvenile Rehabilitation Administration (JRA) facility. The Children's Trust Fund was established by RCW 74.13.060 designating the Secretary of DSHS as custodian of funds for persons placed with the department. The delegation of this responsibility is assigned as follows:

- A. Trust Fund Unit - accounting and disbursement of all funds
- B. Headquarters Division Staff - interpreting program policies
- C. Social Service Staff and Regional Trust Funds Coordinators - case management

11810 **REGIONAL COORDINATION OF TRUST FUNDS ACCOUNT**

- A. In each region, Regional Administrators have delegated the authority for Trust Funds Coordination to a Federal Funding Coordinator. Coordinators work, according to local procedures, with social work staff, SSI Facilitators, and, in some instances, with the Regional Business Managers to authorize expenditures or plans for conserving a child's trust fund resources.
- B. Whenever a client is also receiving or is eligible for any federal entitlement program benefits (Medicaid, SSI, IV-E, etc.), the presence of additional resources must be analyzed to determine how that resource will affect eligibility for continued benefit payments.
- C. Examples of potential assets include: SSI lump sum settlements due to the Zebley Supreme Court decision, gifts from relatives, inheritances, casualty or life insurance settlements, tort claim settlements, Social Security Survivor's benefits, and victims of crimes compensation, VA benefits, Railroad Retirement, and L & I benefits.

- D. Generally these assets are used to reimburse for the cost of care, especially if the reason the child is in care is due to the same reason the benefits are being paid. However, there may be times when a decision is made to conserve resources for future needs of the child. These decisions can be made at the regional level following local procedures as to whether the available money is used for reimbursing the cost of care or is placed in a protective status. Often these resources will be in a protected account in the child's name and are not readily available to the child or current care-giver. Their protected status, however, may not be specific enough to prevent disqualification from federal entitlement and may need to be placed in a "special needs or Medicaid qualifying trust."

11820 **SPECIAL NEEDS TRUSTS**

- A. A CA Headquarters SSI program manager has responsibility for assisting Regional Coordinators and social workers in obtaining Special Needs Trusts for some clients with large monetary assets, where appropriate and cost efficient. Regional coordinators may contact the Program Manager for further assistance as soon as a need for a special needs trust is identified.
- B. Cooperative work with the Office of the Attorney General and private attorneys may result in trusts being established to protect the client's resources, ensure continued eligibility for federal entitlement programs, and provide a mechanism for disbursements for special needs.
- C. The completed trust document must be court approved, preferably submitted by the assigned DCFS social worker.

11830 ESTABLISHING A TRUST FUND ACCOUNT

- A. When a child enters DCFS care, the client's social worker, in cooperation with the FFS or SSIF, determines if the client is entitled to any benefits or has available resources. Any available benefits or resources must be sent to the Trust Fund Unit.
- B. Most trust fund clients receive either Title II/RSDI or Title XVI/SSI benefits. A small number of clients receive moneys from other miscellaneous sources.

11840 DEDICATED ACCOUNTS

- A. The Social Security Administration (SSA) will pay directly by electronic bank transfer to a “dedicated account” any SSI benefits which exceed 6 times the monthly benefit amount, (except when payment is under an IAR).
- B. Dedicated accounts are managed by the DSHS Trust Fund Unit and questions about the dedicated accounts may be referred there. See Section 118130.
- C. Funds in the dedicated account may not be used for maintenance purposes, but may be used for the special medical, educational and adaptive use of the client. Requests for permission to use these moneys must be submitted to the Trust Fund Unit, which will then submit to SSA for approval.
- D. When a client leaves care, any remaining balance will be returned to SSA for transfer to another dedicated account set up by the new Representative Payee.

11850 **BENEFITS**

The SSIF must apply with the appropriate agency (SSA, VA, etc.) for DSHS to be made payee for client benefits. For Title II and Title XVI the SSIF must submit a *Request to be Selected Payee*, SSA-11-BK, "change of payee" application and forward a copy of the application to the Trust Fund Unit.

- A. SSIF is responsible for applying for benefits or applying for a change of payee, unless otherwise designated by a local office.
- B. SSIF is responsible for entering client data regarding payee change or benefits request into SSI tracking in CAMIS. After a request for payee change has been done, it takes approximately two months for the payee change to be made to DSHS. The social worker or other staff, in accordance with regional procedures, must notify the client's current payee to return any additional payments received to the appropriate agency (SSA, VA, etc.) or forward to the Trust Fund Unit until DSHS is named payee.
- C. If the client is age 18 or over and becomes or remains his/her own payee, the social worker arranges for monthly benefits to be endorsed and forwarded to the DSHS Trust Funds Unit. (see Section 118130)

11860 RESOURCES

Any available resources (settlements, insurance benefits, inheritances, etc.) must be forwarded to the Trust Fund Unit, along with any relevant documentation or court orders pertaining to these funds. When funds are received, they will be used to reimburse DSHS for the client's cost-of-care unless there are legal restrictions on their use or an approved case plan. Case plans for savings or expenditures must be approved by the child's social worker and the Regional Trust Funds Coordinator.

11870 CORRESPONDENCE WITH TRUST FUND UNIT**A. Agency Notices**

1. Any correspondence received from the various agencies will be forwarded to CA for distribution. Social workers, FFS, or SSIFs must review these notices and take any necessary action. For Title II/RSDI and Title XVI/SSI cases, the SSIF are available to assist the worker in resolving any problems. Title II/RSDI and Title XVI/SSI notices are noted in the SSI Tracking module of CAMIS by the Headquarters SSI eligibility specialist. Changes in benefits, notices of over and underpayment, etc., are analyzed for correctness.
2. Field staff or Headquarters SSI staff need to give particular attention to notices regarding rates, termination of benefits, and overpayments. Workers must notify the Trust Fund Unit and the appropriate agency immediately if information on notices is incorrect. The Trust Fund Unit has limited knowledge of the client's case and, therefore, must assume information is correct and proceed accordingly.

B. Notification of Excess Client Funds

Client accounts are audited on a bi-annual basis. If the Trust Fund Unit Financial Coordinator determines that a client has excess funds, the SSIF will receive an e-mail notification of the amount. Spending of these funds is optional, unless the notification indicates that the client balance is nearing or over the SSI resource limit. Trust Fund Unit staff will update the client's CAMIS SSI record to list the current available balance in the Trust Fund as of that date. If funds are not used right away, workers will need to confirm the balance with Trust Fund staff prior to making future spending plans.

11880 DISBURSEMENTS FROM TRUST FUNDS ACCOUNTS

The responsible social worker or SSIF may request a withdrawal from an account if the client has available funds. Funds can be used for any goods or services that directly benefit the client. Larger items or adaptive equipment must go with the child should he/she change foster homes, return home, or emancipate. The request contains the following:

- A. List of items or services to be purchased.
- B. Payee name and address. The payee is usually the foster parent. The payee cannot be the client unless at least 18 years of age.
- C. Worker signature. Electronic E-mail request is acceptable with the social worker's own log-on identification.
- D. Exceptional requests for expenditure or conservation of funds must be approved according to regional guidelines with the Regional Trust Funds Coordinator.

CHAPTER 11000—FEDERAL FUNDING

- E. The OAS Trust Funds Unit will disburse from a child's account to reimburse for costs of care, reimbursing first for basic maintenance and then any other allowable costs. All authorizations and payments must be in SSPS, through CAMIS, and child specific.

11890 CLIENT PLACEMENT CHANGES

The social worker or SSIF, in accordance with regional procedures:

- A. Notifies, in writing, the appropriate agency (SSA, etc.);
- B. For SSI clients, notifies SSA immediately by FAX as such changes may affect client SSI eligibility; and
- C. Updates CAMIS placement screens in PLACEUP and SSIUP.

118100 YOUTH REMAINING IN CARE AFTER 18TH BIRTHDAY

Under approved circumstances, the youth may remain in licensed care after his or her 18th birthday, but placement must end before the youth's 21st birthday. The effect on the client's Trust Fund account is as follows:

A. Title XVI/SSI

There is no change to the client's Trust Fund account. The Trust Fund Unit will continue to receive payments and reimburse for cost-of-care. Any remaining balance will be disbursed to the client upon leaving care. The client over age 18 authorizes the department to remain the payee by signing the *Voluntary Placement Agreement*, DSHS 09-004B). A copy of the VPA is forwarded to the Trust Fund Unit with a written explanation of the proposed time-limited plan.

B. Title II/RSDI and VA

1. Payments will normally stop when the client turns 18 years of age. If the client remains in high school, the client will need to apply to the SSA or VA for an extension of benefits. SSIF will receive SSA notices of upcoming termination and will assist in applying for continued benefits if the child remains in high school. If an extension is granted, payments will be sent directly to the client. The client will need to endorse these payments and send them to the Trust Fund Unit to be used to reimburse for cost-of-care. Any balance accumulating in the account will be held until the client leaves care.
2. If a Title II/RSDI client has evidence of any physical or mental impairment, an application for *Childhood Disability Benefits* (CDB) is made to continue the benefits into adulthood. Disability must be established prior to the attainment of age 22.

C. Other Benefits

Legal settlements, insurance benefits, inheritances, for example, do not alter the Trust Fund account. Any non-exempt available funds will continue to be used for ongoing cost-of-care reimbursement and approved special needs. Any account balance will be held until the client leaves care.

118110 CHILD LEAVING CARE

- A. When a client leaves care, his/her Trust Fund account will be closed. Any remaining balance will be returned to SSA, to the client if age 18 or above, or to the client's new custodian, who needs to apply to be payee for the client's benefits.

- B. Parents, guardians, relatives, or adoptive parents must go to the nearest SSA office to apply to be the child's payee. This should be done as soon as a new placement or return home occurs.
- C. To close an account, the social worker or SSIF:
 - 1. Notifies the Trust Fund Unit in writing or E-mail, providing the following information:
 - a. Type of change in status (returned home, adopted, adult placement, maturation, death, etc.);
 - b. Name and address of new custodian; and
 - c. CAMIS person ID of the child.
 - 2. Notifies the appropriate agency (SSA, VA); and
 - 3. Notifies client's new custodian to apply to be payee.
- D. It takes approximately two months for the payee to change. If requested **and approved by the agency providing benefits**, the Trust Fund Unit will forward payments until the payee changes.
- E. For Title XVI/SSI clients, the Trust Fund Unit will not forward payments when clients return home or are adopted, unless authorized by SSA. Clients' continuing SSI eligibility will be based on parents' income determined by the SSA.

118120 RELEASING CLIENT ACCOUNT INFORMATION

- A. The client's foster parents or family will sometimes have questions regarding the child's Trust Fund account. The social worker or SSIF contacts the Trust Fund Unit to clarify these questions or concerns and then releases account information at their own discretion. Under no circumstances shall DCFS staff give the names or telephone numbers of Trust Fund Unit staff to anyone outside of DSHS.
- B. Upon request, an accounting of a client's Trust Fund account can be sent to the worker to review and release as appropriate. Trust Fund Accountability Statements can be released directly to other DSHS divisions. For example, workers may refer the Division of Child Support to the Trust Fund Unit, whose staff will work directly with them to provide the information that division needs.

See chapter 13000, section 13831, for information regarding transfer of Financial Revenue Files.

111100 RANDOM MOMENT TIME STUDY**111110 PURPOSE**

The Random Moment Time Study (RMTS) is used to generate statistically valid statewide estimates of various activities performed by CA staff. The sampling procedure is designed to satisfy federal financial participation requirements for claiming matching funds for social service staff salaries and benefits and to provide audit documentation for state and federal review.

111120 PARTICIPANTS

All CA service and FFS workers participate in the time study. The RMTS contacts all service workers and eligibility specialists. Excluded from the sample, although their salaries and benefits are included in federal reimbursement, are students, interns, Home Support Specialists, support staff, intermittent staff, after-hours staff, Community Resource Program Managers, Social Workers 4, Social and Health Program Managers, and other management staff.

111130 HEADQUARTERS RESPONSIBILITIES

The RMTS Headquarters staff is responsible for the following actions:

Revision #2 - 9/1/98

- A. Generate each quarter an RMTS contact list for each work day of the quarter. The contact list has three variables: Random Starting Time; Random Interval Time; and Random Employee List.
- B. Complete the telephone samples at the random moments.
- C. Gather through telephone contact or FAX mail the following information from the social service or financial revenue worker or the local RMTS coordinator.
 1. Status of the worker: on the job; on work break; position vacant; on job rotation or temporary assignment elsewhere.
 2. If on the job, the Headquarters staff informs the worker that an RMTS sample is being made.

Revision #2 - 9/1/98

3. The Headquarters staff asks the worker for the code that best describes the worker activity at that moment. If a case specific activity is reported, the staff asks the worker for the following information: Case number; case name; SSPS primary placement payment code; legally free status of the child; and specific activity.
- D. The Headquarters staff completes the contact log with the information reported by the worker, enters it into the data base, and mails a copy to the RMTS coordinator.
- E. If a worker is unavailable for telephone contact, the Headquarters staff FAXes a contact log to the RMTS coordinator for completion by the worker. The worker completes the contact log in a timely manner so that the RMTS coordinator is able to FAX it back to Headquarters with 72 hours of the sample time.
- F. The Headquarters staff logs uncompleted contacts and follows up with the RMTS coordinator to ensure that contact logs are returned in a timely manner.
- G. On a monthly and quarterly basis, the Headquarters staff generates a survey data summary.
- H. The Headquarters staff updates the service worker list as worker employment status changes are reported by the worker's supervisor or RMTS coordinator.

111140 LOCAL OFFICE RESPONSIBILITIES

- A. The clerical supervisor is responsible for designating an RMTS coordinator and trained back-up coordinator.
- B. Social work supervisors are responsible for training social workers on the RMTS system and the code definitions, with Headquarters RMTS staff available to provide consultation and training to workers upon the supervisor's request.

Revision #2 - 9/1/98

- C. The social service or FFS worker is responsible for the following actions:
1. Upon contact:
 - a. Report the appropriate code from the social worker activity code descriptions. See Random Moment Time Study Codes.
 - b. Report the case number, case name, specific activity, primary SSPS placement payment code if the activity is case specific, and if the child is legally free for adoption.
 2. If unavailable when a RMTS call was attempted, the social service or FFS worker, upon return to the work station, completes the contact log and promptly returns it to the local RMTS coordinator for return to the Headquarters staff within 72 hours of the sample time.
- D. The local RMTS coordinator:
1. Updates the participating employee list quarterly, as requested by Headquarters RMTS staff.
 2. Uses the following procedures:
 - a. Receives the Headquarters staff phone contacts for workers and distributes for completion.
 - b. Follows through to ensure that the workers' complete the contact and FAX it back to Headquarters within 72 hours of the sample time.
 - c. Maintains a file for all completed RMTS contact logs. Files the RMTS contact logs in chronological order by date and time of contact. Retains the present and two previous quarters' completed contact logs.

Revision #2 - 9/1/98

111150 REGIONAL ADMINISTRATOR RESPONSIBILITIES

- A. The Regional Administrator ensures that the clerical supervisor appoints a RMTS coordinator for each of the region's field offices. Social workers or any other DCFS staff person who may be sampled as part of the time study cannot be a coordinator.
- B. The Regional Administrator ensures that any change in RMTS coordinator is reported to the RMTS Headquarters staff by the responsible field staff person.

Revision #2 - 9/1/98

111160 RMTS CODES AND DEFINITIONS

- A. When an RMTS observation contact is requested, social workers and FSS report to the Headquarters staff the activity code which best describes their activities at the moment of contact. If the activity is not specific to a child, the workers choose from Codes A, D, H, K, or L. If the activity is specific to a child, the workers choose from Codes B, C, E, F, G, I, or J, based on the definitions for the codes and the child's status.

Revision #2 - 9/1/98

- B. Social workers and FFS use the RMTS codes and definitions contained in the *RMTS Codes and Definitions* publication when identifying activity.

Revisions #2 - 9/1/98

12100 INTRODUCTION

12110 BASIC PRACTICE CONSIDERATIONS

- A. Chapter 74.15 Revised Code of Washington (RCW), extracted in booklet form DSHS 22-101, and the Minimum Licensing Requirements (MLR) contained in Washington Administrative Code (WAC) 388-73, extracted in booklets DSHS 22-07, DSHS 22-08, DSHS 22-10, DSHS 22-11, DSHS 22-12 and DSHS 22-047, constitute the basic practice guide for licensers of child placing agencies (CPA), rehabilitative treatment/group care facilities, crisis residential centers (CRC), maternity services, day treatment programs, overnight youth shelters, and secure crisis residential centers. This chapter contains complementary information and is primarily focused on out-of-home care licensing activity for regional licensers.
- B. The publication *Office of Child Care Policy (OCCP) Methods and Practices* constitutes the basic practice guide for licensers of child day care facilities, including family homes and centers. Licensers of these facilities need to refer to that publication for expectations and requirements.

12120 LEGISLATIVE INTENT

The legislature believes that children placed in foster care are particularly vulnerable and have a special need for placement in an environment that is stable, safe, and nurturing. For this reason, the legislature believes that foster homes should be held to a high standard of care, and department decisions regarding denial, suspension, or revocation of foster care licenses should be upheld on review if there are reasonable grounds for such action.

Chapter 302, Laws of 1995, Section 1

12130 LICENSING OF DEPARTMENT EMPLOYEES

CA Practices and Procedures Guide, chapter 5000, section 5138, outlines conditions under which Children's Administration (CA) employees may be licensed as foster family home parents or certified as adoptive parents. See that section for limitations on licensing of CA employees as foster parents or on their certification as adoptive parents and steps to follow in the licensing and certification process. The section also outlines the role of private child placing agencies.

12200 PRE-APPLICATION INFORMATION

Staff designated by the Regional Manager for the Division of Licensed Resources (DLR), Office of Foster Care Licensing (OFCL), provide information about children's agency licensing requirements, on-site feasibility studies, and assist agencies in the development of policies and procedures, upon request. The Regional Manager establishes procedures to give out forms and other pertinent information, either at an interview or by mail. The application packet provided to the potential applicant includes those documents and materials prescribed by regional procedures.

12300 LICENSING AND RE-LICENSING**12310 APPLICATION**

- A. The regional OFCL office receives and date-stamps applications for licensing or certification, with accompanying documents, from prospective licensees, according to regional procedure.

- B. Once the licenser has determined that the applicant has submitted a completed and signed application, the licenser records the application in CAMIS and conducts an on-site review and assessment and then makes a decision within 90 days of receipt of the application to approve or deny the license/certification.

12320 LICENSING STUDY

The usual steps for processing an application are:

- A. The licenser or clerical person designated by regional procedure enters the application information into the Case and Management Information System (CAMIS) licensing module, makes up a file folder, and checks Division of Children and Family Services (DCFS), DLR, and local office records, including CAMIS, for prior involvement with the agency.
- B. The clerk or licenser mails out reference letters to the people designated by the applicant, with return envelopes stamped with the licenser's name.
- C. The licenser, or support staff, submits completed forms to perform a criminal background check, as outlined in Chapter 5000, section 5500. Background checks are to be completed for all persons age 16 and above, not placed by DCFS, residing in the facility. For applicants and/or their current or prospective employees or foster parents who have resided in the state less than three years, fingerprint checks must be completed. See section 5500 for steps to follow. The assigned staff completes a CA records check in CAMIS as part of the background check.

- D. Following receipt of the application packet, the licenser makes contact with the applicant to inform the applicant that the process has started and to coordinate a time-frame for a discussion of the proposed program. If the licenser makes initial contact by telephone, the licenser follows up with a letter to ensure that the applicant has the information in writing along with the licenser's name and telephone number for future use.
- E. Residential Care Facilities/Agencies
1. The licenser completes an evaluation of the agency application and proposed program, using a checklist appropriate to the licensing request: The DSHS 10-51B, *Checklist for Licensing or Certification of Group Care Facilities*; DSHS 10-51C, *Checklist for Licensing or Certification of Day Treatment Programs*; DSHS 10-51D, *Checklist for Licensing or Certification of Maternity Services*; DSHS 10-51E, *Checklist for Licensing or Certification of Child Placing Agency*.
 2. The licenser includes: a review of staff's education and training transcripts, reference letters, résumés and other required qualification documentation; a review of personnel policies and proposed staff training programs; a review of educational and vocational instruction; and a review of the proposed system for the development of social study and treatment plans.
- F. For residential facilities, the Department of Health (DOH) surveyor and the State Fire Marshal, or designee, must inspect and certify for occupancy prior to licensure.
- G. The licenser may require the applicant to furnish additional pertinent information.

- H. When a child placing agency (CPA) has proposed to practice in more than one region, that agency will seek a license in the region in which the main office is located. If a CPA wishes to have more than one license (adoptive and maternity), the agency must apply for all licenses through their main office licenser. A separate license is issued for each program category.
- I. An applicant agency planning to provide services in a region other than the one in which it is applying shall provide supplemental information regarding its intended practices in the other regions to the licenser, and to the regional office in each of the other regions in which it intends to operate, along with the application.
- J. Each agency is subject to visitation, evaluation, and monitoring of MLR by the licenser having jurisdiction in the area in which the agency is providing services.
- K. Agencies not required to be licensed must conform to MLR standards to be certified by DLR.
- L. Private CPAs, when evaluating family homes for licensing, are required to follow the licensing requirements in the CA *Practices and Procedures Guide*, chapter 5000, section 5100. CPA foster homes will be licensed by the regional licenser in the region in which the foster family resides. The CPA is required to monitor its own homes, with coordinated oversight of the monitoring and performance by the licensee provided by the licensers in the respective regions. Background clearances on all persons providing care or service in a region will be handled by the licenser in that region.

12330 DECISION ON LICENSURE/CERTIFICATION

- A. All requirements of WAC 388-73 must be met before the DLR Regional Manager signs and issues the license/certification.
- B. Upon issuance of the license, the licenser or other designated staff records the license information in CAMIS.
- C. If the licenser determines that a person is disqualified from association with a child care agency for not meeting minimum licensing requirements of chapter 74.15 RCW and WAC 388-73, the DLR Regional Manager shall give written notice of disqualification to the person. The notice shall state the activities from which the person is disqualified, the reasons for the disqualification, and the applicable law under which the person is disqualified.
 1. The licenser applies the procedures contained in RCW 43.20A.205, regarding Denial, Suspension, Revocation, or Modification of License, when issuing a notice of disqualification to a person.
 2. A licensee under chapter 74.15 RCW may not allow a person disqualified under this section to associate with the licensee's agency. Disqualification of a person may not be contested by an applicant/licensee. However, the disqualified person may contest the disqualification.
 3. If a notice of disqualification of an individual is based on a Child Protective Services (CPS) finding of abuse and neglect, and after a fair hearing it is determined that the allegations are not supported by a preponderance of the evidence, the assigned social worker and licenser shall amend the records to so state.

4. The Regional Manager, in accordance with WAC 388-330-030, may remove a disqualification based on conviction of a crime or another reason if the disqualified person demonstrates by clear, cogent, and convincing evidence that he or she is sufficiently rehabilitated to warrant public trust and to comply with the requirements of chapter 74.15 RCW and WAC 388-73.

D. Waivers

1. Under the provisions of WAC 388-73-016, EXCEPTIONS TO RULES, the Regional Manager may issue a time-limited waiver to specific requirements for a specific child, if the waiver does not jeopardize the child's health and safety and is not contrary to statutory provisions. With a documented, approved waiver, the license issuing authority may issue the license.
2. DLR shall maintain a log of waivers by region and by type of waiver.

E. Initial License

1. Private Agencies and Group Care Facilities
 - a. Only the DLR Regional Manager, through the regional licenser, may, at his or her discretion, issue an initial license instead of a full license to an agency or facility (group care setting or child placing agency).

- b. The initial license may be issued for a period not to exceed six months, renewable for a period not to exceed two years, to allow the agency or facility reasonable time to become eligible for full license.
- c. Neither the Regional Administrator nor the Regional Manager may delegate responsibility for issuing an initial license to a CPS, CWS, or FRS child placement worker.

2. Foster Family Homes

Initial licenses for foster family homes are issued for a period not to exceed 90 days. See the *CA Practices and Procedures Guide*, chapter 5000, section 5133, for requirements regarding initial licenses for foster family homes.

12340 RE-LICENSING/RE-CERTIFICATION

- A. Re-licensing/re-certification occurs when the facility moves to a new location and at three year intervals following issuance of the initial license. The license/certification issued under chapter 74.15 RCW and section 12330 is not transferable and applies only to the licensee and the location stated in the application.

- B. Prior to expiration of an existing license or certification, the licenser or support staff, as determined by regional procedure, sends a re-application form to the licensee sufficiently in advance of the expiration date of the license/certification to ensure return of the signed re-application and department action before the license expires. If the licensee submits a signed application before the expiration date, the old license/certification remains in effect until the department acts on the re-application. The licenser sends the forms and documents defined by regional procedures to the licensee as part of the re-application packet. The re-licensing/re-certification needs to occur in a timely manner to ensure the health and safety of children in care.
- C. For renewal of a license or certification, the licenser rechecks the criminal history of licensee, staff, and volunteers and reviews the experiences, including services and incidents, of the past licensing/certification period with the licensee.
- D. The licenser conducts a site inspection to ensure continuing compliance with health and safety aspects.
- E. The licenser completes the *Checklist for Licensing or Certification*, DSHS 10-51 (B,C,D, or E).
- F. The licenser reviews applicant agency policies and procedures, evaluates the content of the staff training policy and plan, and reviews a representative sample of the agency's case files for the current licensing/certification period to evaluate documentation of case planning. In a residential program residents may be interviewed.

- G. At any time during licensure, the licenser may modify or change the numbers, ages, and types of children on the license/certification, depending on the circumstances and/or wishes of the licensee and the evaluation of the licenser.
- H. The DOH surveyor and the State Fire Marshal, or designee, inspect a facility to provide certification prior to re-licensure/re-certification.
- I. For agencies practicing in other regions, the licenser requests an assessment of the agency's compliance with MLR from the out-of-region licensers. This assessment includes a review of the licensed/certified agency's foster homes. Licensers from other regions are encouraged to participate and assist in the re-licensing/re-certification process. The licenser will take into consideration the findings and recommendations of the out-of-region licensers in reaching a decision for re-licensure/re-certification.

12350 RE-EVALUATION

- A. The licenser re-evaluates the agency for suitability for continuing licensure or adjustment to the license, as well as effect on child(ren) in placement, under the following conditions:
 - 1. If there is a change in management or social service staff.
 - 2. The facility changes location. See section 12340(A), above.
 - 3. There is a change in the classification of clients served.

- B. The licenser completes a criminal history and background check as described in chapter 5000, section 5500, on each new person having access to clients, interviews the licensee and other appropriate parties, and requests other information and documentation, as necessary, to complete the re-evaluation of the agency. The licenser documents the re-evaluation in the licensing file.
- C. The licenser or other designee records the new license information in CAMIS.

12400 **COMPLAINT INVESTIGATION**

- A. The local or other designated DLR office conducts investigations of alleged child abuse or neglect (CA/N) and alleged non-compliance with licensing standards in accordance with chapter 5000, section 5300, and the DLR Facility Investigators Guide, *Investigating Abuse and Neglect in State Regulated Care*. Each reportable incident is entered into the CAMIS Licensing Complaints Module in accordance with section 5300.
- B. The Regional Manager will develop standards/procedures for licensers to conduct assessments of allegations of failures to meet MLR that do not include child abuse or neglect. The standards will be consistent with chapter 5000, sections 5300 and 5400, of this manual.

12500 ACTION ON LICENSES/CERTIFICATION

- A. In those instances where an investigation has been completed and substantiation of CA/N has occurred and/or serious non-compliance with MLR has been verified (sometimes following unsuccessful corrective action measures), the licenser may take action against the license/certification.
- B. Probationary License**
1. The licenser may issue a probationary license to a licensee who has had a license but is temporarily unable to comply with an MLR requirement or has been the subject of multiple complaints or concerns about noncompliance if the following conditions apply:
 - a. The noncompliance does not present an immediate threat to the health and well-being of the children but would be likely to do so if allowed to continue.
 - b. The licensee has a plan approved by the licenser to correct the area of noncompliance within the probationary period.
 2. A probationary license may be issued for up to six months and, at the discretion of the Licenser and supervisor, may be extended for an additional six months.
 3. The licenser and/or regional health and safety staff shall conduct site visits to facilities operating with a probationary license at a minimum quarterly to assure the continuing safety and well-being of children in care.

4. The department shall immediately terminate the probationary license if, at any time, the noncompliance for which the probationary license was issued presents an immediate threat to the health or well-being of the children.
 4. An existing license is invalidated when a probationary license is issued.
 5. At the expiration of the probationary license, the department shall reinstate the original license for the remainder of its term, issue a new license, or revoke the original license.
- C. The licenser staffs the case with founded CA/N and/or verified serious non-compliance with MLR (including those with unsuccessful corrective action measures) with involved DCFS and DLR staff, including the DLR CPS investigator, and appropriate supervisory and administrative personnel. The licenser formally informs all affected staff of corrective or stop placement actions.
- D. **Denial, Suspension, and Revocation**

When considering denial, suspension, or revocation of a license, the licenser confers with the Regional Manager and the assigned Assistant Attorney General (AAG) to determine appropriate action and prepares a draft denial, suspension, or revocation (as applicable) letter for review by the AAG. The draft letter includes:

1. A concise summary of the CPS allegations (if applicable), RCW and/or MLR violations, findings, and conclusions.
2. Documentation of corrective action attempted, if appropriate.
3. Detailed citation of all applicable RCW/MLRs violated.

4. Complete information advising the licensee of their administrative hearing rights, including the filing process and time-frames.
- E. Upon approval as to form and content by the AAG and the Regional Manager, the Regional Manager, as the regional licensing authority, signs and sends the final letter by certified mail to the licensee.
- F. In any adjudicative proceeding regarding the denial, modification, suspension, or revocation of any license, other than a foster family home license, the department's decision shall be upheld if it is supported by a preponderance of the evidence. RCW 74.15.130(3)

12600 **SUPPORT SERVICES FOR AGENCIES**

The children's agency licensor is available to licensee agency staff to provide assistance and consultation on appropriate interpretation of RCW, WAC, and CA manual compliance.

12610 **TRAINING**

- A. The children's agency licensor offers training and technical assistance on a regular basis to the agency executive director, board of directors, and/or the social service staff regarding the development and practice of the agency's policies and procedures consistent with RCW, WAC, and CA practice.
- B. The licensor advises a CPA director of FosterParentScope training resources available through CA and that private agency licensed foster homes are encouraged to attend. To be eligible for special rate or exceptional cost foster care payments, the private agency foster parents are required to successfully participate in FosterParentScope training. See chapter 9000, section 9122, for conditions under which the DCFS Regional Administrator may approve a waiver to the training requirement.

Revision #2 - 9/1/98

12700 PLACEMENT ACTIVITIES

All activities relating to placement of children in out-of-home care are the responsibility of DCFS social workers.

12710 LICENSER ROLE

- A. The licensing regulatory functions are designed to safeguard the well-being of children in out-of-home placements. Therefore, the primary duty of a licenser is to periodically review whether the applicant/licensee is in compliance with MLR.
- B. A secondary role of the licenser is that of a consultant and trainer.
- C. The regional office manages the roles of regulator and consultant/trainer within the same job description without conflict of interest under the following conditions:
 - 1. Each Regional Manager develops procedures which specifically outline how staff will carry out licensing and monitoring functions. Such procedures address at least:
 - a. Waiver processing and approval;
 - b. Processing of Incident Reports;
 - c. Complaints/corrective actions;
 - d. Shared decision-making;
 - e. Separation of functions for licensers.

2. The local or other designated office conducts all investigations of incidents in licensed facilities in conformance with Chapter 5000, section 5300.
3. The Regional Manager, within available resources, arranges for training for licensers and other affected staff specifically designed to provide increased expertise and ongoing clarification of job functions and expectations.
4. The Regional Administrator and the Regional Manager are expected to maintain a complete separation of child welfare case services from licensing duties in all offices.
5. The Regional Manager provides ongoing case consultation with each licenser to identify or eliminate any possible situations that could result in conflict of interest arising from the regulatory as opposed to placement issues.
6. The licenser staffs all problematic licensed/certified agencies with applicable staff, which may include the following: the group care coordinator, the contracts coordinator, the DLR CPS investigator assigned to do incident reports, and the Regional Manager. The staffing considers, with other issues identified by the group, conclusions of the CPS or licensing investigation(s) and recommendations for corrective action. The staffing also considers the cumulative seriousness of multiple complaints.
7. The licenser may request consultation with the AAG regarding proposed corrective actions resulting from serious MLR violations.

8. The Regional Manager and the licenser thoroughly discuss and review all requests for waivers and compliance agreements for children's health and safety needs. Neither the licenser nor the Regional Manager shall endorse such a request if it compromises health and safety. They may seek administrative consultation on a case by case basis.
9. If a serious issue is identified with a licensed/certified agency with or without a finding of abuse/neglect and a conflict occurs between the licenser of the agency and the social worker(s) for the child(ren) placed, the assigned supervisors for those staff shall resolve the conflict, consistent with Chapter 5000, section 5100, of this manual. The protection of the children involved is paramount to any other consideration.

12800 FILE MAINTENANCE

Each Regional Manager shall ensure the maintenance of Children's Residential Agency Licensing files in accordance with record management requirements of Chapter 13000, section 13500.

12900 PUBLIC DISCLOSURE

13100 CASE AND MANAGEMENT INFORMATION SYSTEM AND CASE DOCUMENTATION

- A. The Case and Management Information System (CAMIS) is the Children's Administration's (CA) automated case management system. CAMIS is designed to automate file information and provide reports regarding CA clients, providers, and licensees.
- B. The following table identifies tasks and procedures to be completed in CAMIS and staff responsible for their completion. The table will be updated as needed to reflect changes in CAMIS.

TASK / PROCEDURE	JOB CLASS TO BE ASSIGNED CAMIS DATA ENTRY
1. Searching statewide for information on clients/providers	All
2. Entering all referrals made to the department	Regional / Local design
3. Assigning referrals	Regional / Local design
4. Creating case numbers	Clerical, plus other job classes for back-up if necessary
5. Updating case status	Primarily clerical/supervisors
6. Entering worker assignment history	Primarily clerical/supervisors
7. Entering record location status	Regional / Local design
8. Maintaining current data regarding ethnicity, language, name, social security number (for children in placement), and legal residential address	Regional / Local design
9. Completing SSI eligibility records	SSI Facilitators, program managers, support staff
10. Completing Title IV-E records	Eligibility Specialists
11. Completing Title XIX records	Eligibility Specialist
12. Completing risk and summary assessments/with findings in investigation module	Social Worker
13. Creating and updating SSPS provider numbers and businesses	Clerical, plus other job classes for back-up if necessary

Revision #2 - 9/1/98

TASK / PROCEDURE	JOB CLASS TO BE ASSIGNED CAMIS DATA ENTRY
14. Tracking placement and legal history, legal status, and custody	Regional / Local design
15. Creating and updating licensing records	Regional / Local design
16. Creating and updating facility complaint records	Regional / Local design
17. Creating and updating contracts	Regional design
18. Entering and updating SSPS Authorizations	Regional / Local design (Authorized personnel only)
19. Completing Service Episode Recording (SER) in CAMIS referral and case modules.	Social Worker, supervisor, financial service specialist, headquarters SSI staff

C. The CA expectation is that all SER (narrative recording) will be completed in CAMIS for all case events/activities within a reasonable time following the occurrence of the event/activity, except for SER relating to the Blood Borne Pathogens Protection Plan. See the *CA Operations Manual*, chapter 5000, section 5700. The social worker will record SER to document activities related to a client's HIV status either by hand or typed and will maintain the SER in a sealed envelope in section VIII of the hard file.

1. **All Programs**

The social worker must do SER in CAMIS within a reasonable time after an event, activity, or contact occurs to ensure accuracy of recording, in no case more than 30 days from the date of the event or activity, on each and every case event or case activity. The social worker must document all case activity in the single case file for the client family.

a. Each SER recording includes the following:

i. **When** - Full dates (month/day/year) of when the event occurred.

Revision #2 - 9/1/98

- ii. **Who** - Full names of persons present along with a recording of their roles in the case (e. g., “child’s mother, Mary Smith”; “child’s therapist, Jane Dow”; “Mary Smith’s boyfriend, John Doe”; etc.) at least once on each page of recording, with the exception of foster parents, who will be identified by first name or as “foster parent.” The social worker must not identify the foster parent with the foster parent’s full name.
 - iii. **Where** - A description of location of event/contact; e. g., “Mary Smith’s home”; “DCFS Office meeting.”
 - iv. **Why** - A description of the purpose of the event/contact.
 - v. **What** - Include a behaviorally specific description of what occurred during the event/contact; e. g., “Mary Smith’s breath smelled of alcohol.”
 - vi. **Assessment** of event/contact may be included, together with the supporting facts or evidence that led to the assessment.
- b. CA staff may enter SER into CAMIS either individually as each event occurs or may enter as a summary of events. If the staff enters a summary of events, the staff must include the same elements, listed in C.1.a above, that would be included in an individual entry. For example:

“DCFS social worker Sally Jones called the child’s mother, Mary Smith, four times this week on 4/1/97, 4/2/97, 4/3/97, and 4/4/97. No one answered the phone for any of the prior listed phone calls.”

Revisions #2 - 9/1/98; #7 - 12/30/99

- c. CA staff must not make audio or video recordings of interviews, except as authorized by the CA Assistant Secretary for special project sites. The social worker needs to refuse a request from another party to make an audio or video record of interviews, unless approved by the assigned Assistant Attorney General.

Revision #7 – 12/30/99

- d. To protect privileged communications between the social worker and the assigned Assistant Attorney General, CA staff must document in the SER only that a contact occurred with no indication of the substance of the contact.
- e. CA staff must convey respect for the subject(s) of interviews and events in the content of all SER. Language in SER describes events, sequence of events, and observations in a clear, objective, and behaviorally specific manner.
- f. CA staff uses CAMIS SERS procedure to record SER.
- g. CA staff does not have to print out forms and SER created in CAMIS and insert them into the service binder unless required to do so for purposes of public disclosure, legal discovery, archiving records, or when directed to do so by supervisory or administrative request, or regional procedure.
- h. If a social worker makes a hand written recording of an interview with a child regarding abuse or neglect or disclosure of abuse or neglect, the social worker must retain the handwritten notes in the official case file after entering the information into CAMIS. However, social workers, following the prompt and accurate transcription of handwritten notes in CAMIS of handwritten notes of other types of contacts, must discard these handwritten notes.

Revisions #2 - 9/1/98; #5 – 1/15/99; #7 - 12/30/99

- i. CA staff must not maintain “personal” files containing case information. The workers must maintain all case related information in the department’s official client case file.

Revision #7 – 12/30/99

2. **Child Protective Services (CPS)**

If a supervisor has made an exception to the requirement that the face-to-face visit occur within 10 days from the date of referral, the supervisor must note the exception using the CAMIS “CASEACTN” procedure until CA implements the “DOCUMENT” procedure.

- D. The Regional Administrator or Regional Manager, as applicable, is responsible for integrity of CAMIS data input.
- E. See Chapter 15000 for CAMIS/Information System standards and the *CAMIS User's Manual* for procedures related to use of the information system.

13200 **INITIATING RECORDS**

13210 **INTAKE AND ASSESSMENT REQUIREMENTS FOR CPS**

- A. The CA Intake social worker completes the CAMIS referral on any Child Protective Services (CPS) or other referral. Referrals that do not pass the sufficiency screen remain in CAMIS. Social workers record in CAMIS all other calls to Intake requesting information or consultation as “information only.”
- B. The CPS social worker may initiate a service record inquiry by forwarding the *Report of Child Abuse and Neglect* to local office master files with sections A, B, and C completed. If no existing record is located, support staff request or create a new record according to local office procedures for all child victims or families of child victims passing the sufficiency screen.

Revisions #2 - 9/1/98; #6 – 6/30/99

- D. The local office opens a single family case record for each family following a referral. When referrals involve only information and referral contacts, other activities of 30 minutes duration, or referrals that result in a screening decision that the family is not eligible for services, a case record binder is not created. However, intake and screening decisions are recorded in CAMIS.

- E. When a child in a sibling group is placed out of the home or legal proceedings are initiated, the local office establishes a CAMIS dash record for each child placed or for whom a dependency has been filed. Separate individual service record binders for children are only established for:
 - 1. Children who are legally free;
 - 2. Children who have more than one DCFS social worker assigned to the family; and/or
 - 3. Children whose case plan is distinctly different from the case plan for their siblings.

13220 INTAKE AND ASSESSMENT REQUIREMENTS FOR CWS AND FRS

- A. The CA Intake social worker completes the CAMIS referral on any Child Welfare Services (CWS), Family Reconciliation Services (FRS), or licensing referral. The Intake worker retains CWS/FRS/licensing information and referral data in CAMIS. See chapter 15000, sections 15202 and 15214, and the *Practices and Procedures Guide*, chapter 4000, section 4100.

- B. The CWS, FRS, or licensing social worker may initiate a service record inquiry by forwarding the completed intake summary to local office master files. If no existing record is located, support staff initiate a new record according to local office procedures for cases requiring services other than information and referral.

Revision #2 - 9/1/98

13230 **RECORDS MANAGEMENT**

State law requires that CA maintain records for services to children and their families as well as for licensed or approved providers and for persons who apply and are subsequently denied licensure or approval for service. RCW 13.34.130; RCW 13.50.010; RCW 26.33.330; RCW 26.44.030

- A. The CA office, in accordance with local procedures, assigns a case number for each family, child, or licensing file as appropriate. The case number will begin with the two-digit office/county code, followed by a letter designating the type of case, and the case-unique number assigned by the local office. The letter prefixes are:
- “L” or “D” – Family/Parent File at regional discretion.
 - “D” -- Child with any dependency, voluntary, or CHINS legal actions.
 - “H” – Licensed Home or Facility
- B. The Regional Administrator, the Area Manager, and the DLR Regional Manager establish procedures for their respective areas of responsibility for support staff to build, assign a unique number, file, store, add volumes, secure, transfer, and retrieve social service records, with all inactive service records maintained in a central file location until transfer to the central Records Retention Center (RRC).
1. All closed social service records (other than those files for children whose parental rights were terminated) with closed services will be transferred to the RCC periodically. See Chapter 14000, Section 14345, for the retention schedule.
 2. Licensing files that were closed due to a revocation or denial of a license will be retained permanently in the local office.
 3. Closed records of children whose parental rights were terminated will be sent from the local office to state office adoptions staff for forwarding to State Archives. This includes records for children who were not subsequently adopted.

Revision #2 - 9/1/98

- C. The local or regional DCFS or DLR office, as appropriate, maintains case records on all persons or providers licensed or certified by the department.

13231 **Record Establishment**

- A. When a case is opened/assigned pursuant to a written or CAMIS-generated referral, case numbers and record make-up are required for the following:
- Child Protective Services (CPS)
 - Family Reconciliation Services (FRS)
 - Child Welfare Services (CWS)
 - Child Day Care Services
 - Adoptions
 - Foster Home Licensing
 - Intra- and Interstate Home Studies
 - Federal Funding
 - Foster Home/Private Agency
 - Rehabilitative Treatment/Behavioral Rehabilitation Services/Group Care

13232 **Definitions**

For definitions relating to case file make-up, see Appendix A, DEFINITIONS.

13233 **Master File/Case Record Clerical Responsibilities**

Clerical support staff determines whether a DCFS client or DLR licensing applicant has an existing case number or file in the office and/or elsewhere in the state.

Revision #2 - 9/1/98

13234 **ACES**

- A. Clerical support staff check the eligibility status of clients who are the subject of referrals or requests, using the Automated Client Eligibility System (ACES).
- B. A “Name Inquiry” in ACES must be performed. ACES will show **the most current** TANF eligibility status for a family. Assigned staff takes the following steps:
 1. Select the desired name, and if the person is “HOH” (Head of Household) the first screen that comes up will be the “ADDR” (address) screen.
 2. To see which CSO is handling the case, place cursor on first digit of CSO # in upper left corner of screen and press [F1] for a list of all CSOs and their corresponding numbers.
 3. Access the DEM1 (Demographic 1) screen to verify client’s social security number, birth date, and ethnicity.
 4. Use the [F1] key to access additional screens explaining Race Code and Living Arrangement Code indicated on this screen.
 5. To get this information for the other members of the Case Unit, first press the [F11] key to display the Client Pointer associated with each client in the Case Unit.

13235 **Birth Certificate**

The birth certificate is used by clerical support staff. After logging into the BIRTH CERTIFICATE screen, the employee accesses Birth system, then Simple Search. The employee then inputs data that are available on referral (must have birth date) and prints a copy of the Birth Certificate of the child.

Revision #2 - 9/1/98

13236 **CAMIS Input**

A. **CASSTART**

1. Clerical staff uses CASSTART and inputs the referral number for cases. CAMIS generates the next sequential number. Clerical staff opens the case. The date of opening is the date the referral was accepted or date of placement, whichever is earlier. Clerical staff inputs the file folder status and creates a file folder.
2. Cases can be created from referrals for only the following types of programs: CPS, CWS, FRS, and Home Studies.

3. **Case Program Codes**

- A - Adoptive Home Services
- C - CPS
- F - FRS
- H - Home Study
- I - Interstate Compact
- L - Licensing
- T - Adoption Support

The following two codes are not used to create cases, only for additional worker assignments on an existing, open case:

- U - Courtesy Supervision
- S - Service Inactive

3. **Record Requests Without a Referral**

- a. Using CASSTART to generate a case number without a CAMIS referral (e.g., Licensing, Adoptive Home Services, Interstate Compact, Adoption Support, etc.), clerical staff follow procedures regarding CPS/FRS status/opening and worker assignments. Either create or search for all family members and input data for clients, persons, etc., and input relationship codes. Follow procedures for updating/adding data in PRSNUP screen.

Revision #2 - 9/1/98

- b. **Legally Free Children** - see chapter 15000, section 15206.
- c. **Courtesy Supervision** - see chapter 15000, section 15213.
- d. **Interstate Compact** - see chapter 15000, section 15214.
- e. **Federal Revenue File**

For every child residing in department-paid substitute care more than 72 hours (Saturday, Sunday & holidays excluded), the Master File clerk creates the hard copy Federal Revenue file at time of creation of the social service file, for placement cases, and at the request of the FSS for non-placement. The Master File clerk indexes the file to the child receiving services and enters the appropriate data in CAMIS.

- B. CASWRKDAT checks social worker assignment and date. If the information is incorrect, assigned clerical staff or the unit supervisor updates or deletes data as necessary.
- C. CASERELS screen adds, deletes, updates status of clients and relationships of clients. If birth date and Social Security number are not already input, clerical staff adds the data taken ACES. If all pertinent information is input, check for accuracy. Each person needs to be updated for language, ethnicity, LEP, and any corrections that need to be made to assure accuracy.
- D. **Dash Records**
 - 1. A dash number case is opened for each child in placement regardless of length of placement or for whom any legal action has been initiated, for hard copy and paperless files. If placement is less than 72 hours, excluding the weekend, a paperless file is generated in CAMIS. The status of the file will be pending. A hard copy federal revenue file will be made for each child in placements of over 72 hours excluding weekends and holidays.

Revision #2 - 9/1/98

2. For teen parents and their infants residing in the same out-of-home care facility, a separate dash file IS NOT created for the infant. The infant is considered to be living with his/her teen parent, and a Placement Episode for the infant is not created in CAMIS. A legal authorization-to-place for the infant is not required when the teen parent and infant are residing together. An amount sufficient for the infant's maintenance is included in the teen parent's maintenance payment, and medical coupons are issued for the infant. Should the teen parent and infant be placed apart, or the teen parent leaves the home, it is at that point that Placement Episode is created, and a legal authorization to place the infant is required.

E. Existing Records

To connect a new referral to an existing case, on the command line staff uses CAMIS procedure CASREFCD. Staff answers "yes" to the two questions on the following screen to bring over caseworker and address. On the CASEUP3 screen, the worker follows procedures as in new case openings.

F. Case Closures

1. Refer to chapter 15000, section 15202. Completion of a Summary Assessment is required on all cases at closure that initiated as CPS. The social worker completes a Summary Assessment form on each case receiving the high standard of investigation at the conclusion of the investigation. The narrative recording, when required, will document all activities and responses to the referral as well as the basis for the assignment of risk.
2. For procedures for administrative support staff regarding case closure, see section 13850, below.

Revision #2 - 9/1/98

13300 ADMINISTRATIVE RECORDS

- A. When personnel covered by the Public Assistance Bargaining Agreement or their family members are party to a CPS, FRS, CWS, child care license applicant or licensee, adoption applicant, or Participation Child Care referral or case other than as referrers, collateral contacts, or witnesses, an Administrative File may be created upon notice to the Regional Administrator. For personnel employed by CA, confidential administrative records are created.

- C. The social worker offers language interpreter services to clients who are unable to read the case record information.
- D. All material presented at a dispute hearing is open to examination of the client and his/her representatives, even though such material would ordinarily be considered confidential.
- E. Staff subpoenaed to appear in court shall not take the social service record unless it is also subpoenaed, at which point the social worker consults with the assigned Assistant Attorney General.
- F. No individual shall make available outside the department a partial or complete list of service recipient names or address. Social Service Payment System (SSPS) reports containing client identifiers are confidential.

- B. The public disclosure coordinator or other designated staff will review requested licensing records and identify non-disclosable information in accordance with these guidelines. Staff will redact (remove) non-disclosable information from the record. The public disclosure coordinator will make remaining disclosable information available to the requester for inspection and copying or provide a copy to the requester.
- C. Whenever disclosure of information is denied, the public disclosure coordinator will provide a written explanation to the requester, identifying the information for which disclosure is denied and the specific statutory basis for the denial.

For founded CPS complaint, information regarding incident that led to licensing issue, along with documentation of licensing involvement/action	Actual CPS complaint/report. Information on false complaints if compiled in the course of investigation by DSHS or law enforcement and essential to protect any person's right of privacy (RCW 42.17.310(1)(d))
Incident reports, with identifying information regarding the youth removed	Addresses, Social Security numbers, telephone numbers, and income of licensees (RCW 42.17.310; 74.04.060)
Names, addresses, and telephone numbers of individuals providing references	Content of reference letters
Letters of revocation, following removal of identifying information regarding youth in the home and five-days written notice to the subject provider	Personal/private information that would be "highly offensive to a reasonable person," not of legitimate concern to the public, and is part of an investigative record, including information gathered in the course of the <u>initial</u> application process
Police reports, with names of youth deleted	Case history information regarding the youth or family of the youth placed in a home (RCW 13.50.100)

E **Personal Information in Licensing Files**

The release of personal and private information is a sensitive issue, and decisions about releasing too much or too little information are difficult. When a question regarding the release of personal and private information arises, the coordinator needs to consult with the assigned AAG.

Revision #2 - 9/1/98

F Personal and Private Information

The following table provides examples of personal and private information that CA has released and examples of such information that the agency has declined to release.

Information Released	Information Not Released
Generalized answers about the applicant's background	Fact that a foster mother had been raped and received extensive counseling
Experiences with raising children	Sexual orientation of applicant when of no concern to public
Description of foster parent relationships, marital relationships, individual strengths, etc.	Historical family background, such as applicant's parents' marital relationship, family conflict issues, etc.
Statements regarding desire to become licensed providers	Reports of abuse applicants suffered in the past
Description of physical home of applicant, medical and other services they utilize for children in their care	Criminal conviction of applicant's parents or children unless it directly relates to the application
Autobiographical information that does not seem private or offensive	Medical conditions of applicants or their family, such as a child with Down's Syndrome
Statements regarding licensees' willingness to work with parents and agency staff	
Statements about qualifications (experience with children) or attitudes and practices regarding discipline or religious practices	

G. Notice of Disclosure

The public disclosure coordinator provides notice of disclosure to individuals whose licensing files are being released prior to release of the file. The coordinator also provides notice to those named in the file who will be significantly impacted by release of the information. If a question arises regarding the need to notify an individual, the coordinator consults with the assigned AAG.

Revision #2 - 9/1/98

137113 Disclosure of Police Reports

When a request is received for a copy of a police report, the public disclosure coordinator needs to notify the police agency that CA has received a request for a copy of one of their reports in the agency file. The police agency must provide specific legal citations, within time-frames that will enable CA to meet legal deadlines for disclosure of information, if it wants CA to withhold the information. However, if disclosure of the information would interfere with an ongoing investigation or legal action (on the part of a prosecutor), CA can withhold the information when it receives such notice from the police or prosecutor in writing. Nevertheless, that information may be releasable once the investigation is completed.

137114 Information Subject to Challenge

- A. The social worker is to make reasonable efforts to review information about CA/N which is reported to DCFS and investigative findings which are challenged by parents or other parties to a case. The social worker:
 - 1. Pursues new information or leads which might resolve the conflict.
 - 2. Interviews additional persons identified as having relevant and direct knowledge about an incident.
- B. A parent or other party to a case may provide a written statement about contested information. The social worker files the written statement in the record in a proximate location to the contested information.

137115 Expungement of Information

- A. The supervisor may expunge information from a case record when the following apply:
 - 1. The information has been found to be untrue in a juvenile court proceeding on the matter; OR
 - 2. The Area Manager and the supervisor agree that sufficient information exists to show the case record to be inaccurate; AND

Revision #2 - 9/1/98

February 15, 1998

3. There is a written request for expungement from the party who is the subject of the erroneous statement.
- B. The supervisor documents the reasons for expungement in the record.
- C. The supervisor destroys, discards, or deletes expunged information from an existing report or document.

13800 **CASE ASSIGNMENT, TRANSFER, CLOSURE OF RECORDS**

See chapter 15000, section 15202, for CAMIS policy and procedure related to this topic.

13810 **ACTIVE CASES**

An active case, in CAMIS, is one in which the division is providing services to the family and/or child. Active cases have the social worker assignment coded to match the definitions for Service Codes contained in this chapter. If paperwork only is pending, the social worker assignment will be coded as “services inactive.”

13820 **CASE NUMBERS**

13821 **Case Files for Legally Free Children**

For requirements for legally free children, see chapter 15000, section 15206.

13822 **Family and Placement Cases**

For requirements for family cases, cases involving a child in placement or in-home dependency, and cases involving teen parents, see chapter 15000, section 15202.

13830 **CASE TRANSFER**

The Regional Administrator, for DCFS, the Regional Manager, for DLR licensing functions, and the DLR Manager for the Child Abuse & Neglect Section shall establish procedures for the transfer of case files consistent with chapter 15000, section 15202.

13831 Case Record Management

A. Social Service Files

For transfer of active social service cases between regions, the Regional Administrator will establish procedures consistent with the following minimum requirements:

1. Before the transfer is made, the transferring social worker reviews the service record for completeness. All documentation and recording must be current.
2. The transfer must be made within seven working days after receipt of the request with a notation in the record as to any additional material to be forwarded and the specific date it will be forwarded.
 - a. The receiving supervisor must agree to the transfer before the case is transferred; or
 - b. The responsible Area Managers(s) must agree to the transfer in advance of the transfer.
3. If the department purchases a service for the client being transferred and the provider or payee does not change, the transferring worker does not terminate payment on the *Change of Service Authorization*, DSHS 14-159. Within 15 days, the receiving worker submits a DSHS 14-159 form to change the worker ID and case number and update location and other information that has changed.
4. If the provider or payee changes, the transferring social worker terminates payment on *the Change of Service Authorization* prior to the transfer to the new office. The receiving worker submits a new authorization to update services upon receipt of the record.
5. If the client receives no purchased services, the sending social worker terminates any open service authorizations using the *Change of Service Authorization*.

Revision #2 - 9/1/98

February 15, 1998

B. Adoption Files

Because the agency file on a child is needed to facilitate an adoption and the adoption worker needs to complete paperwork, CA staff will adhere to the following procedures for transfer of adoptive case files for legally free children who are placed from one CA area to another:

1. The child's case file is transferred to the DCFS office/unit where the adoptive family is served. See paragraph h below if the adoptive family is supervised by a private agency. The case number will remain the same as the sending office's case number. Minimum documentation requirements to be included in the file before transfer are:
 - a. A certified copy of the order terminating parental rights (or documentation that it has been requested and will be forwarded upon receipt);
 - b. Complete documentation as to reasonable efforts to obtain information about the child and family medical and social background;
 - c. The DSHS 13-041, signed by the child's social worker and the adoptive parent(s); and
 - d. Completed narrative recording.
2. A working file is maintained in the sending office for incidental documents; e.g., copies of the Individual Service Plan (ISP). Local procedures determine whether the child's worker or the local adoption unit maintains the working file.
3. The adoption worker prepares the ISP and the health and education form and sends them to the sending office worker for distribution to the parties and presentation at pre-adoption dependency review hearings.

Revision #2 - 9/1/98

4. The pre-adoption dependency reviews continue to be held in the juvenile court of original jurisdiction. Local procedures determine whether the child's CWS worker or an adoption worker files and presents reports to the court pending finalization.
5. When the adoptive family finalizes in Superior Court in the county of residence, a copy of the decree is sent to the sending office for presentation to the juvenile court along with a motion to dismiss and close the dependency case.
6. The dismissal is sent to the adoption worker.
7. Should the placement disrupt prior to finalization, the child and the case file are returned to the sending office for continued placement planning.
8. If the child is placed in a private agency adoptive home, the child's worker sends a case summary and copies of legal and pertinent medical documents to the private agency. The DCFS file will be maintained in the local office until finalization.

C. Federal Revenue File

Upon request for an inter-regional or inter-office transfer of a child's social service record through Master File or by a social service unit supervisor or worker, designated staff checks CAMIS for the existence of a Federal Revenue file.

1. Master File transfer clerk or other designated staff checks CASEUP3 for the presence and status of the Financial Revenue record.
2. Master File notifies the assigned Federal Funding Specialist (FFS) and Supplemental Security Income Facilitator (SSIF) that a case transfer has been requested, and the FFS or SSIF makes the Federal Revenue file available within three working days for transfer.

Revision #2 - 9/1/98

3. The FFS prepares the active/open Federal Revenue file for transfer and affixes the *Transfer Notice*, DSHS 01-194, to the Federal Revenue file designating the local or regional office to which the file is to be sent.
4. Once Master Files receives both the social service and the Federal Revenue files, the two case jackets are forwarded to the requesting DCFS office/region.
5. The Master File clerk or other designee notes in CASEUP3 the transfer status of both the social and federal revenue files.

D. Family Home Licensing Files

For transfer of active family home license files between offices or regions, the DLR Regional Manager will establish procedures consistent with the following minimum requirements:

1. When a family with a valid, active child care license moves from one address to another and wishes to remain licensed, the licensee must submit a new application for child care license for the category of care being provided reflecting the changed circumstances and new address to the appropriate DLR licenser.
2. The licenser or other designated staff must create a new CAMIS license record for the application at the new address.
3. For licensed foster family homes having an acceptable history of child care, the old license may remain in effect for two weeks after a move, except that this applies only if the family remains intact.
4. If the family applies for a new license in the new locale, the licenser or support staff in that office will contact the licenser in the former locale and request transfer of the licensing file.

Revision #2 - 9/1/98

5. Before the transfer is made, the transferring licenser reviews the license record for completeness. All documentation and recording must be current before transfer.
6. The transfer must be made within seven working days after receipt of the request with a notation in the record as to any additional material to be forwarded and the specified date it will be forwarded. The receiving Regional Manager or supervisor must agree to the transfer before the case is transferred.

13840 **PLACEMENT OUT OF AREA - RECORD MAINTENANCE**

For requirements for courtesy supervision when a child is placed from one CA service area to another, see the *CA Practices and Procedures Guide*, chapter 4000, section 4430.

13850 **CASE CLOSURE**

A. Staff Support Procedures

When a record is returned to Master Files following closure, support staff remove the contents of the binder and secure the contents with either a rubber band or a clip, then put the contents into a color coded file folder, labeled with the client's name, case number, and notation on the outside of the folder if the client is LEP, ICW, or American Sign Language (ASL). The file folder is then stored in Master Files in accordance with local procedures.

- B. See chapter 15000, section 15202, for additional procedures regarding closure of cases.

13900 **RECORD RETENTION AND ARCHIVING**

13910 **CASE RECORD PURGING OR STORAGE**

To allow maximum available filing space, offices periodically purge case records and send them to the Records Reference Center (RRC). RRC stores the case records until they are recalled or ready for destruction. This section instructs support staff how to correctly purge, ship, and recall case records through RRC.

A. **Office Request Coordinator**

Office Request Coordinators are persons designated by the office as authorized to request records or obtain information from records stored at RRC.

B. **Records Coordinator**

The Records Coordinator is the person designated in each office to have responsibility and authority for the retention/destruction of all files.

C. **Purge Process**

Once a year, the Olympia CA CAMIS programmer sends to each region a listing of all cases with no activity for a two-year period. In addition, there is a procedure on-line in CAMIS that allows local office staff to call up a list of records that have had not activity in the past two years. CA clerical staff will use one of these sources to assist them in the purge process.

D. **Retention Periods**

1. The local CA office retains all files, including unfounded CPS referrals, in the local office for two years following any case activity, including, but not limited to, new referrals and children in placement. When a new referral comes in on a closed case, whether still in the local office or at the RRC, the case is reactivated and a new six year period begins. The RRC retains the inactive files an additional four years, after which they are destroyed, with the following exceptions.

Revision #7 - 12/30/99

2. The following are exceptions to the requirements of paragraph 1:

- a. **Licensing Files**

- i. The local licensing office retains licensing case files in the office for one year following termination of the license. The RRC then retains the files for an additional three years, for a total of four years, at which time they are destroyed.

Revisions #2 - 9/1/98; #7 - 12/30/99

February 15, 1998

- ii. The local licensing office retains on the premises in an office retention file for a period of 35 years any case file for a license that CA has revoked or denied.

Revision #7 - 12/30/99

b. **Adoption Files**

For finalized adoptions, the local office adoption worker or other designated staff prepares the file for archiving upon finalization. Designated local office staff sends the prepared file to the CA headquarters adoption file archive specialist, who then forwards the file to the RRC. Local offices must **not** retain archived adoption files. The RRC retains the adoption file for 100 years.

Revisions #1 - 6/25/98; #2 - 9/1/98; #7 - 12/30/99

E. **Preparing RRC Cartons**

Support staff box and ship unneeded case records in specially designed cartons. When preparing an RRC carton for shipment, support staff:

1. Contacts the Financial Resource Unit to see if there is a financial record. If a financial record is found, it is included with the case record to be shipped.
2. Arranges the case records within an RRC carton in alphabetical or terminal-digit order;
3. Signs on to the terminal for Bar Code program and to the printer with their user ID;
4. Selects BOX ADD from the Selection Menu. When the BOX ADD menu appears, select "Closed Records";

Revisions #2 - 9/1/98; #6 - 6/30/99

5. Enters the appropriate data for each case record into the computer. Bar Code will accept up to 100 case records per box. When entries are complete, two copies of the transmittal will automatically print;
6. Completes and affixes an RRC carton label, DSHS 2-227, under one the carton's hand grips so the case records are facing the labeled end; and
7. Secures the lid to the carton with monofilament tape.

F. Shipping Cartons to RRC

Offices ship cartons of case records to RRC by various methods, including regional office courier, state office courier, or parcel services. Staff determines the best method of shipping cartons from their office.

Revision #6 - 6/30/99

G. CAMIS Procedure for Record Retention

Assigned staff inputs information by using CASEUP3. Staff changes file status to "R" and enters date sending, box number, and destroy date.

Revision #2 - 9/1/98

H. Recalling Case Records from RRC

When an office finds it necessary to recall records located at RRC, master files staff access CAMIS to locate the box number for the case record. Staff contacts RRC by use of Mapper and/or telephone. Upon receipt of requested records, clerical staff updates CAMIS to reflect current status of file.

I. Transfer Out Responsibilities for RRC

1. Clerical staff receives a request from a CA office to transfer a case record.
2. Clerical staff will access CAMIS to determine status and location of the record.

Revision #2 - 9/1/98
February 15, 1998

3. Clerical staff will contact RRC using Mapper and/or telephone and request the record be sent directly to the receiving office. Transfer out clerical staff will change the case status and file folder status to reflect transfer of the record to the receiving office.

J. Annual Destruction of Case Records at RRC

1. Once a year, RRC destroys those case records stored at their facility that have met the required retention period.
2. Offices receive an *RRC Destruction Notice*, DSHS 1-100, from RRC each October notifying them of the cartons of case records scheduled for destruction the following January. Offices have until the end of December to:
 - a. Review the DSHS 1-100;
 - b. Identify and recall those case records they do not want destroyed; and
 - c. Authorize RRC to destroy the remaining case records.
3. On CASEUP3 screen, clerical staff inputs in the location or case notes that the record was destroyed and the date.

13920 FEDERAL REVENUE RECORD ARCHIVING OR STORAGE

Prior to any case being sent to adoption archives or the Record Retention Center, the child's social file shall be consolidated with the Federal Revenue File. Any Title IV-E, Title XIX, or SSI documentation shall be reviewed by the FFS and/or SSIF and shall be sent to Master File to be consolidated with the child's social service file.

Revisions #1 - 6/25/98; #2 - 9/1/98

13930 ARCHIVING OF RECORDS OF LEGALLY FREE CHILDREN

- A. RCW 26.33.330 and 26.33.340 provide for the sealing of all adoption files and for the limited release of information from those files. Archiving ensures a permanent record of the child's past involvement with the agency. RCW 26.33.343 provides procedures for accessing of adoption records.

Revision #1 - 6/25/98

- B. Prior to any case being sent to adoption archives, the child's social file is consolidated with the Federal Revenue File. See procedures outlined below. The FFS and/or SSIF will review any Title IV-E, Title XIX, or SSI documentation and will consolidate it with the child's social service file.

Revision #3 - 10/20/98

- C. Records of legally free children are archived upon the child's adoption or upon closure of a case after the child turns 18 years of age. The financial and service files are not archived while an SSI application is pending.
- D. When the adoption is final and all court orders, including the Order Dismissing Dependency, have been received by the child's social worker, the social worker prepares the social file for archiving and sends the file to the regional or local Federal Funding IV-E Unit. The social worker or other assigned staff updates and closes CAMIS legal, placement, adoption and case modules.
- E. To prepare the file for archiving, the social worker or support staff, as applicable, prepares the file in the following sequential order:
1. Cover memo listing the child's birth name, adoptive name, date of adoption decree, social worker's name, and the local office from which the file is being sent.
 2. Copy of final decree of adoption (need not be certified).

Revisions #2 - 9/1/98; #3 - 10/20/98

3. Child's *Medical and Family Background Report*, with adoptive parent(s) signature(s) and initials where appropriate. Assigned staff must attach all other documents given to the adoptive parents with the DSHS 13-041. (Copies of these documents need not be included elsewhere in the archived file.) See the *CA Practices and Procedures Guide*, chapter 4000, section 45403, for requirements for disclosure of health and social information on the child and the child's birth parents to the adoptive parents.
4. Narrative recording section.
5. Indian Child Welfare forms, including LICWAC staffing reports, verification of Native American status, Family Ancestry Chart, notices to Tribes or Canadian Bands, and other related documents.
6. Legal/placement document section, including court orders, reports to the court, Individual Service Plans (ISP), Preplacement and Post-Placement Reports, Voluntary Placement Agreements, custody orders, Adoption Planning Review Reports, Administrative Review Reports, Permanency Planning staffing forms, relative home studies, and related documents.
7. Medical, psychological, psychiatric, developmental, and school reports on the child as well as psychiatric, psychological, and medical information on the birth parent(s) if in the child's file; documents pertaining to the parents' and/or child's functioning.
8. Copies or documentation of any disability benefits applied for or received on behalf of the child.

Revisions #2 - 9/1/98; #3 - 10/20/98

9. Adoption documents, including a copy of the child's life book, WARE and NWAЕ registration forms, Change of Status forms, and *Registry of Legally Free Child* forms.
 10. Copies of the financial section of the file are maintained in the file until the Federal Revenue file is reviewed and archived. Closure copies of payment (SSPS and A-19s, if any) forms, defined as those with a termination code, to provide a record of payments made on behalf of the child, remain in the archived file.
 11. Statement from Trust Funds Accounting regarding final dispersal of any conserved funds.
 12. A copy of the child's Social Security card.
 13. A copy of the Adoption Support program application, if applicable.
- F. If it comes to the attention of the IV-E Unit that a child in out-of-home care has been adopted, the assigned Federal Funding Specialist communicates to the worker's supervisor requesting that the file be prepared for archiving and forwarded to the IV-E Unit.

Revisions #2 - 9/1/98; #3 - 10/20/98

- G. The social worker's supervisor must review the file for completeness prior to sending the file to the IV-E unit within 90 days of adoption finalization and dismissal of the dependency. The social work supervisor must sign at the end of the narrative section confirming that the file has been reviewed and is ready to be sent to the IV-E unit and then archived.
- H. When the IV-E Unit receives the prepared file from the social worker or supervisor, the FFS includes as one section those parts of the IV-E file that are to be archived.
- I. The FFS checks the CAMIS files to ensure the legal, placement, adoption, and case modules have been closed and that SSPS authorizations, other than for the Adoption Support Program, have been terminated. If these modules have not been closed, the case will be returned to the adoption worker to complete the CAMIS documentation. The FFS checks to ensure federal funding information is correct. The child's record in the birth name is closed and secured by the Federal Funding Specialist.
- J. The FFS maintains the closure copies of payment (SSPS and A-19s, if any) forms, defined as those with a termination code, to provide a record of payments made on behalf of the child, making sure that all documents from the Federal Revenue file have been incorporated with other payment forms.
- K. For legally free children who have not been adopted, case records are archived as outlined above after the child's 18th birthday and following case closure.
- L. The FFS sees that the archived file is sent to the Headquarters Adoptions Program Manager at MS 45710, P. O. Box 45710, Olympia, WA 98504-5710 for archiving and notifies the Master File clerk of the date the record has been sent to the state office for archiving.

1. **Establishment of a BR Account**

To establish a BR Account with the post office:

- a. Contact the DSHS Mail Room Supervisor to obtain a copy of the current BR permit fee receipt and information about the accounting fee amount (refer to c. below).
- b. Complete an *Invoice Voucher*, A-19, to request a warrant for payment of the annual accounting fee and sufficient funds to cover BR charges for three to six months;
- c. Process the A-19 in accordance with local office procedures.
- d. Upon receipt of the warrant, take it, a copy of the A-19, the Remittance Advice (RA), and the permit fee receipt (when received) to the local Post Office. Give these items to the postal employee, who:
 - X Issues a receipt for each payment, with the total equaling the warrant amount;

- X Signs the A-19;
 - X Date stamps the A-19 and the RA;
 - X Returns the A-19, RA, permit receipt, and warrant receipt(s).
- e. Deliver these documents to the person responsible for maintaining the BR and Postage Due ledgers.

2. **Replenishment of BR Account**

Request additional funds for the BR Account about one month prior to the fund's depletion. To order funds:

- a. Complete an A-19 requesting enough money to last three to six months;
- b. Process the A-19 in accordance with local office procedures.
- c. Upon receipt of the warrant, take it, the A-19 copy, and RA to the local Post Office. Give the items to the postal employee who:

- b. The Mail Room sends a notice of the annual accounting fee due and a copy of the permit fee receipt to the affected offices. When the receipt and accounting fee notice are received:
 - i. Complete an A-19 for the accounting fee; and
 - ii. Follow the procedures in section 14240, paragraph A.1.b.

2. To order/replenish Postage Due Account funds, follow the instructions in section 14241, paragraph A.2.

C. Maintenance of BR and Postage Due Account Ledgers

Each office will designate an individual to maintain accurate records (ledgers) of all debits/credits made to the BR and Postage Due Accounts.

- A. Each piece of certified mail is promptly recorded in the log on the day it is mailed. After receipt from the Post Office, PS Form 3800s are filed in numerical order.
- B. Each Return Receipt is recorded in the log when it is received from the Post Office. After logging in the Certified mail log, the PS Form 3811 is routed to the requester.

14243 Express Mail

Occasionally, items may need to be mailed so they are received by the addressee the next day. This USPS service is called Express Mail. Each office coordinates Express Mail service usage with the building mail room or the Post Office as is appropriate to that facility.

Revision #6 – 6/30/99

15100 INTRODUCTION

This chapter contains policies and procedures for the Case and Management Information System (CAMIS) and other electronic information systems used by Children's Administration (CA). These policies and procedures have been reviewed and endorsed by the CA management team. Each staff person in every office shall maintain a CAMIS manual, managers and supervisors are to ensure that all staff are aware of current policy and procedures.

15200 STANDARDS**15201 REFERRALS (3/1/99)****152011 Purpose**

To establish a consistent statewide policy for handling intake referrals taken in one office which need to be referred for disposition to another office.

152012 Procedure

- A. The office first contacted will take referrals from the person with the Child Protective Services (CPS) or Family Reconciliation Services (FRS) complaint or concern. If technically feasible, the intake worker may transfer the referrer to an intake worker in the office where the referral would be assigned while keeping the caller on the phone.

Revision #6 – 6/30/99

- B. The intake worker must complete a CAMIS Intake Referral, including completion of a statewide person search.
- C. The intake worker must make an immediate decision to refer directly to another office or to the worker's supervisor.
- D. If the original office decides to refer to another office, the sending office must:

Revision #6 – 6/30/99

1. Call an intake worker in the office to which the referral is being referred. Upon confirming the names of the intake worker and supervisor and their worker ID numbers, the original intake worker or supervisor will advise the receiving office of the referral number and any other pertinent information regarding the referral.
 2. Record the receiving supervisor's ID in the "Ref Supvsr" blank on the referral in CAMIS.
 3. Use WRKRAS (Worker Assignment) or REFUP (Referral Update) to change the assigned worker to the receiving office's intake worker and close the original worker's assignment.
 4. Not FAX the referral to a non-secure fax machine in the receiving office nor print the referral to a printer in the receiving office.
- E. The receiving office intake worker will print out the Initial Referral Summary using REFSUMDR and initiate the appropriate response.
- F. The receiving office supervisor will review all Child Protective Services (CPS), Family Reconciliation Services (FRS), and Child Welfare Services (CWS) referrals and assign by using the REFREADY procedure.

Revision #6 – 6/30/99

15202 **CASE ASSIGNMENT, TRANSFER, AND CLOSURE** (3/1/99)152021 **Purpose**

To ensure consistency in CAMIS and to enable on-line tracking of case assignment and file location.

152022 **Standard/Procedure**A. **Referrals and Case Assignment**

After a worker assignment is made for a referral, the supervisor or worker must record that assignment in CAMIS within five working days.

A referral is accepted and becomes a case when the referral meets one of the following criteria:

1. The Child Protective Services (CPS) referral passes the sufficiency screen.
2. A Family Reconciliation Services (FRS) intake request is accepted for services or the intake/assessment lasts more than 30 minutes.
3. A Child Welfare Services (CWS) referral for assessment or services is accepted.
4. A home study request is accepted.
5. A request for services for any of the other programs listed in section 15211, below, is accepted for assignment or assessment.

The referral will be related to an existing case number for the family, if one exists, or a new case number will be created.

Revision #6 – 6/30/99

B. Case Numbers**1. Family Cases**

- a. Family case files will be issued case numbers in CAMIS with the last digit being a "0." Regions or offices may determine which case letter ("H," "L", or "D") they will use on the family service files. Documentation will be stored in the family case binder. Service Episode Record (SER) for the case must be recorded using the family case file number.
- b. It is not necessary to create a binder for an open case if there are no paper documents to file in the binder.

2. Cases Involving a Child in Placement or In-Home Dependency

- a. If any out-of-home placement occurs or a Dependency/Child in Need of Services (CHINS) petition is filed, a dash case number will be established in CAMIS for the child. Each child will have only one open case. Dash numbers for siblings will be issued in the order the children are placed. If an older sibling comes into care or has legal actions instituted at a later date, issue the next dash number in order. The letter used in the dash case number will be "D." There will be no dash "0" case numbers for child placement or Dependency/CHINS cases. The client/child and the "X" (reference person) shall be one and the same for the dash file. Placement and legal history as well as foster care, group care, and medical payment must be recorded in CAMIS using the dash case number.
- b. The local office opens a separate individual service record binder using the dash number only for children that are legally free, children placed in adoptive placement, or for a child whose case plan is distinctly different from the case plan for the child's siblings.

Revision #6 – 6/30/99

3. Cases Involving Teen Parent(s)

- a. For cases in which the parent is under the age of 18 and the department is providing services to the teen parent and the teen parent's infant, a family case number will be issued in the teen parent's name. (NOTE: If the teen parent is in care or is involved in current Dependency/CHINS proceedings, the teen parent will have two case numbers in the teen parent's name; i.e., a dash number case open for the teen being a child in placement and a family case file with the teenager as the parent.)

Revision #2 - 9/1/98

- b. A dash file off the teen parent's family case number will be created for the infant if the department has the legal authority to place the infant through a court order, voluntary placement agreement, etc. Lacking authority to place, the infant would have no case number. With the authority to place, the infant would have a dash number whether in the same home as their teen parent or in a separate placement.

C. Case Names

1. In order to provide consistency of the coding in CAMIS on referrals received and cases served by CA, staff will use the following definitions for case names.

Revision #6 - 6/30/99

TYPE OF CASE	CIRCUMSTANCES	CASE NAME
Family Case	Involves child who lives with both parents	Both parents. List the parent who is the primary caretaker first – if unknown, designate the mother
	Involves child whose parents are divorced/separated	Legal residential parent. If not established or if joint custody, then the parent who the child resides with the majority of the time.
	Involves child who was placed by parents (no DCFS involvement) with no legal transfer of custody	Parent who has legal custody
	Involves child whose legal custody has been given to someone other than a parent	The legal guardian
Child Case		Child's legal name
Facilities	Foster Family and Day Care home cases and Adoptive Home Applicants and Certified Adoption Homes	<ol style="list-style-type: none"> 1. The provider 2. If two parent foster or adoptive home, list the foster or adoptive parent who is the primary caretaker first
	Child Placing Agency, Group Home, Day Care Center, Crisis Residential Center or other non-family type facility	Facility name

2. For facility records, on the Maintain Persons Related to a Case screen (CASERELS) in CAMIS, do not list any child in placement unless the foster parent is the child's legal guardian. Similarly, on DCFS client records, on the CASERELS screen, do not list any provider.

Revision #6 – 6/30/99

D. Case Transfers

1. Within a unit, the current social worker's assignment will be ended and the case reassigned in CAMIS to the new social worker. The reassignment on CAMIS will be recorded within five working days of the assignment.

Revision #6 – 6/30/99

2. Between units within an office, the current social worker's assignment will be ended and the case reassigned to the social worker's supervisor for review. Upon completion of supervisory review, the case will be reassigned to the new unit's supervisor. The receiving supervisor will then reassign the case to the new social worker.
3. With supervisory approval, a social worker in one unit may close their assignment and reassign directly to the receiving social worker. The reassignment on CAMIS will be recorded within five working days of the assignment.
4. For transfers between offices, not including Courtesy Supervision case assignments described in section 15213, the following steps will be followed:
 - a. The current social worker will complete the necessary documentation for transfer of the case. The current social worker will end their assignment and reassign the case to their supervisor for review.
 - b. The sending office will contact the receiving office by telephone or e-mail to notify responsible staff of the transfer and to obtain the Social Service Payment System (SSPS) ID of the receiving supervisor/social worker.
 - c. The sending supervisor's assignment will be ended and the case assigned to the receiving supervisor/social worker. The transfer of the case will be recorded in CAMIS and the record forwarded to the receiving office.

Revision #6 – 6/30/99

- d. The receiving office will issue a new case number if a case number does not already exist in CAMIS and close the receiving supervisor's/social worker's assignment on the old case number. Only one dash case number shall be open for a child at any time.
5. Following receipt of a request from another office for transfer out of closed files, Master Files will record the transfer of the record and assign the case to the receiving supervisor in CAMIS. The receiving office will issue a new case number if a case number does not already exist in CAMIS and close the receiving supervisor's assignment on the old case number.

E. Retrieval of Records from Record Retention Center

1. If a record is retrieved from Records Retention Center (RRC), responsible staff in the requesting office must:
 - a. Update the case status on the old case number to indicate the appropriate status (Open, Closed, or Transferred to another office);
 - b. Update the file folder status to indicate folder/binder location; and
 - c. Add a supervisor/worker assignment to show to whom the record was sent.
2. If an office other than the one that sent a record sent to RRC requests a record, the receiving office must:
 - a. Issue a new case number if a case number for the receiving office does not already exist in CAMIS; and
 - b. Close the receiving office's supervisor/worker assignment out on the old case number.

Revision #6 – 6/30/99

F. Case Closure

1. The case status will remain open during the entire period in which the case is open for services to the family/child and while any additional documentation is being done on the case.
2. The dash case assignment will be closed when one of the following conditions is met:
 - a. When the child is returned home, and there is no CHINS order.
 - b. When the dependency or CHINS is dismissed, and there is no further legal authorization to place.

(NOTE: If the child has a Dependency Guardianship established, do not close the dash case. The placement event will remain open and the placement episode will be closed. The family file for these guardianships will be closed.)

3. An active case is one in which the division is providing services to the family and/or child. Active cases will have the social worker assignment coded to match the definitions in section 15211, below.
4. A Services Inactive/Paperwork Pending (**S**) program assignment for a social worker or supervisor will be made if services to the family/child are ended but the social worker or supervisor has paperwork or documentation to complete on the case. The purpose of this worker assignment is to be able to track the workload involved in follow-up paperwork.
5. Case closing must be noted in CAMIS within two weeks of completion of all services, paperwork, and supervisory review.

15203 DEVELOPMENT AND/OR INSTALLATION OF PC AND LAN BASED SYSTEMS FOR CHILDREN'S ADMINISTRATION (10/30/98)**152031 Purpose**

The purpose of this standard is to coordinate the development and/or installation of PC and LAN-based systems. It assures efforts are not duplicated, documentation standards are met for ease of replication of applications, and application installation is compatible with the entire system.

152032 Standard

Development and installation of PC-based and LAN-based systems will be accomplished through coordination between individuals, sections, or regional developers and the Children's Administration Information Services Office. This standard applies to all development and installation efforts on CA hardware.

152033 Procedure**A. Procedure for New Application Development**

1. When an individual determines the need for the development of a new application in the CA Information System, that person will submit a request to the person's Regional Administrator, DLR Regional Manager, HQ Division Director, as applicable, or designee, for approval. Local areas may wish to develop an approval process for routing before the request reaches the Regional Administrator. The request must contain:
 - a. The reason for the application;
 - b. Who will use the application;
 - c. If the individual wishes to develop the application; and
 - d. The contact person and that person's telephone number.

Revision #6 – 6/30/99

February 15, 1998

2. The applicable Regional Administrator, DLR Regional Manager, HQ Division Director, or designee, will approve or deny the request and notify the requester. If approved, the approving authority will send the request to the CA Office of Information Services for assignment of an Information Technology (IT) coordinator.

 - d. Develop the application, working with the requestor and the program manager, provide assistance and assure that program standards are met; and
 - e. Oversee the installation of the application.

B. Procedure for Installation of an Existing Application

1. When an individual wants an application installed on CA Hardware, the person must make a request to the applicable Regional Administrator, DLR Regional Manager, or HQ Division Director, or designee. If the individual is already working with the CA Office of Information Services, this step is not required. The request must contain the items noted in A.1. above.
2. The applicable Regional Administrator, HQ Division Director, or DLR Regional Manager, or designee, will approve or deny the request. If approved, the approving authority will forward it to the CA Office of Information Services for analysis.

Revision #6 – 6/30/99

3. The CA Office of Information Services will review the application for compatibility with the CA system, duplication of other applications on the system, and any debugging that may be necessary. If the application passes these tests, Information Services staff will install the application. If it does not pass the tests, Information Services staff will notify the requestor and the applicable Regional Administrator, HQ Division Director, or DLR Regional Manager for next steps.

Revision #6 – 6/30/99

15204 CAMIS ADMINISTRATIVE FILES (1/10/95)

152041 Purpose

To establish a statewide policy for securing CAMIS files that require confidentiality and restricted access.

152042 Standard

- A. When personnel covered by the Public Assistance Bargaining Agreement or their family members are party to a CPS, FRS, CWS, or Participation Child Care referral or case other than as referrers, collateral contacts, or witnesses, an Administrative File may be created upon notice to CA. For personnel employed by CA, administrative files shall be created.

Within the context of Administrative Files, DSHS shall define "family" for personnel covered by the Public Assistance Bargaining Agreement as follows:

1. Members of the household of any employee.
2. Other relatives designated upon the written request of the employee, assigned social worker, or client, with the approval of the Regional Administrator or designee.

For all other DSHS employees, Administrative Files shall be created for facility referrals/cases directly involving the employee as a subject of Child Abuse/Neglect.

- B. Existing Merit System Rules shall be followed in cases involving Washington State employees.
- C. Legally Free Child's Case Record: Upon the Final Adoption Decree and archiving of a legally free child's case record, the child's pre-adoption record shall be made administrative.

- D. For any other person or family not covered in A, above, administrative discretion may be exercised by a Regional Administrator or designee to create and/or maintain an Administrative File.
- E. Files that are public record shall remain public record.
- F. The justification text for Administrative Files in CAMIS shall be completed by the Administrative File Manager specifying the person requesting administrative status and the reason for the request.
- G. Any Administrative File for a person qualifying in paragraph A, above, shall retain this status through the established retention period for hard copy files. If the qualifying circumstances no longer exist, administrative files may be discontinued. There will be a periodic review and purge not less than once annually.

- C. All CA employees shall be designated as such in the person file of the CAMIS database for purposes of possible creation of Administrative Files. Other DSHS employees may contact the DCFS Regional Administrator to request that their names be entered into the person file of the CAMIS database and designated as employees. Appointing authorities shall identify the person responsible for data entry.
- D. A DCFS Regional Administrator has final authority to resolve disputes regarding administrative files.

15205 RESCINDED (11/30/96)

15206 **FILES FOR LEGALLY FREE CHILDREN** (11/1/98)152061 **Purpose**

To establish a consistent statewide policy for establishing CAMIS case files for Legally Free Children

152062 **Standard/Procedure**

- A. When any child becomes Legally Free, the child continues to use the same CAMIS Person ID and case number until the child is adopted. The assigned worker uses the child's dash case number to document all Service Episode Records (SER). The worker will store all paper documents received or created after the child becomes legally free in a binder using the dash case number. The worker will change the address of the child to the local DCFS office with responsibility for the child's case. See section 15212.
- B. The worker must not establish a case-to-case relationship between the child's pre-adoptive records and new adoptive records.
- C. The worker must not delete the child's pre-adoptive closed case relationship from the child's original family case file. This information may be useful involving future referrals concerning the child's family of origin.
- D. Upon the final Adoption Decree, the worker must close the child's dash case record. The worker establishes a new CAMIS person ID using the child's new legal name with **no** indication of the child's prior name. The worker establishes a new person-to-person relationship in the case relationship section of the adoptive family's case file.
- E. If the adoptive family continues to receive services or later returns for services, the worker will document services for the family (including the adoptive child) through the adoptive family's case file.

Revision #6 – 6/30/99

15207 **ACCESS TO CAMIS** (5/1/93)152071 **Purpose**

To establish who has access to CAMIS.

152072 **Standard**

- A. The only persons having authorized access to CAMIS are CA staff and volunteers and work/study students given access by their Regional Administrator, Director, or Office Chief; internal or external auditors for limited audit purposes; and those persons, on an individual basis, whose access has been approved by the Office of Information Services Manager. Access to CAMIS shall be given on a need-to-know basis.
- B. Other persons requesting CAMIS access may receive authorization only after their request is reviewed by the applicable Regional Administrator, Director, or Office Chief and approved by the Office of Information Services Manager.

152073 **Procedure**

- A. All persons who have access, pre-approved or granted by exception, shall receive basic CAMIS training and training in the specific applications they will use prior to their use of the system. Additionally they shall acknowledge in writing that they:
 - 1. Understand the department's requirement for protecting certain information.
 - 2. Understand the penalties and sanctions associated with unauthorized information disclosure.
 - 3. Have read and understand applicable department policies and procedures governing information security.
- B. Requests to give persons access shall be submitted to the Office of Information Services Manager and shall include:

1. Person or persons desiring access.
 2. Agency for whom they work.
 3. Which modules are being requested and reason for needing access.
 4. Time-frame for which access is requested.
 5. Systems to which access is requested (LAN, WAN, CAMIS, etc.).
 6. Cost associated with their access and agreement on who pays those costs.
- C. Requests may be submitted using the ISSD *Information Technology Service Request*, DSHS 17-015, or in memorandum format.
- D. The Office of Information Services Manager, or designee, shall review the request with the CAMIS office and have authority to approve the request.
- E. Computer Information Consultants (CIC) and/or LAN Administrators shall review who previously has been given access to CAMIS. If there are persons not in the approved category of users, requests for approval are to be submitted immediately.

15208 SOCIAL SERVICE PAYMENT SYSTEM (11/8/94)

152081 Purpose

To establish consistent statewide practice regarding use of the Social Service Payment System (SSPS), which is the automated system used to authorize delivery and purchase of social services, collect program and federal statistical and management data, and initiate the payment process for purchased services.

152082 Procedure

The procedures to be followed are contained in Chapter 9000, section 9400, of this manual and the *CAMIS Users' Manual*.

15209 NETWORK EQUIPMENT RELOCATION AND CONNECTIONS (3/1/95)

152091 Purpose

To provide guidelines regarding the handling of network related computer equipment within offices of CA to:

- A. Assure networks continue to function properly.
- B. Minimize the number of system problems caused by users moving equipment and disturbing networks.
- C. Keep site documentation accurate.

152092 Applicability

To all CA employees.

152093 Standard

- A. All computer equipment attached to a Local Area Network (LAN) or Wide Area Network (WAN) is part of that network. Only CA Information Services personnel may authorize a change to the configuration of those networks. To connect or disconnect any equipment from that network, including a PC or moving patch cables, is to alter the configuration of that network.
- B. All LAN and WAN related equipment will be maintained and handled by the regional CIC. The equipment will be purchased, installed, and serviced only under the direction and coordination of the regional CIC. Non-technical field staff are not authorized to disconnect, reconfigure, or move LAN and WAN equipment except under the coordination and direction of the regional CIC or the CIC's Information Services supervisor.

152094 Procedure

In the event that an office within a region would like to relocate a piece of equipment (i.e., computer, printer, etc.) or change the configuration of the office LAN in some way, responsible staff are to contact their regional CIC for approval and follow the procedures as outlined by their region.

15210 STORAGE OF CONFIDENTIAL OR MISSION CRITICAL DATA (3/1/95)

152101 Purpose

To provide a policy for CA regarding the storage of confidential and mission critical data so that proper back-up may be made. Confidential information includes all personal information (e.g., name, birth date, SSN, etc.) and case data (e.g., case number, type, allegations, etc.) relating to CA clients. This policy is necessary to ensure that the administration is in compliance with the DSHS *Information Technology Security Manual*, Section 5.3.3.

152102 Applicability

This policy applies to all CA employees.

152103 Standard

- A. Due to the critical and confidential nature of the data used by CA, it is necessary that all data files that contain confidential information or are mission critical in nature be stored on the network file server and not on local hard drives. This would include all information that might need to be accessed by a co-worker or supervisor in a staff person's absence.
- B. Each file server within an office will be set up with a directory structure that users may access for the storage of these files.
- C. A back-up shall be made regularly, using suitable back-up media, of the information on the network file server, and these files will be part of this back-up. The regional CIC will be responsible to ensure that a back-up of the file server is done at least on a weekly basis.

152104 Procedure

The file server directory structure for users to store their files will be set up by the regional CIC. The regional CIC will publish the necessary information needed for staff to be able to access and use the directory structure for this data.

15211 **PROGRAM CODE DEFINITIONS** (11/1/98)152111 **Purpose**

To establish consistent Program Code definitions in CAMIS.

152112 **Standard**

Program or Service/Activity Codes are entered in three different and unique places in CAMIS. There are Referral codes, Case codes, and File Folder codes. This standard specifically addresses referral codes and case codes.

A. **Codes Used in Referrals**

- C Child Protective Services
- W Child Welfare Services
- F Family Reconciliation Services
- N Licensing Complaint (Non-CPS)
- H Home Studies

B. **Codes Used in Cases**1. **Program Codes**

- C Child Protective Services
- W Child Welfare Services
- F Family Reconciliation Services
- D Teen Parent Day Care
- L Licensing
- A Adoptive Home Services

Revision #6 – 6/30/99

February 15, 1998

2. **Service or Activity Codes**

- H Home Study
- I Interstate Compact
- U Courtesy Supervision
- T Adoption Support
- S Service Inactive

C. The following definitions are to be used in determining which program codes are used in CAMIS for cases:

1. **C - Child Protective Services**

A case assignment would be coded **C** - CHILD PROTECTIVE SERVICES in the following circumstances:

- a. A referral is accepted for investigation. The case would be coded as CPS as long as the case is open for investigation, it has a service contract, or until dependency is established.
- b. Cases already open for **W** - Child Welfare Services would also be coded **C** - CPS while the new referral is being investigated.

2. **F - Family Reconciliation Services**

A case assignment will be coded as **F** - FAMILY RECONCILIATION SERVICES for cases in which a referral or request for services has been accepted for assignment which meets the definition of FRS services in RCW. The maximum length of time a child/family would qualify for FRS is 90 days. For a case to continue as an FRS case beyond the 90 days, supervisory approval is necessary. If a Child in Need of Services (CHINS) petition is filed, the case will remain an FRS case until the CHINS is approved or denied.

Revision #6 – 6/30/99

3. **W - Child Welfare Services**

A case assignment will be coded **W** - CHILD WELFARE SERVICES when a case meets the following criteria:

- a. A case which initiates as CPS and has had a Dependency established. The case remains as a CWS case until the Dependency is dismissed, including legally free children placed in pre-adoptive homes.
- b. A case which initiates as FRS receiving continued services beyond the initial 90 days of FRS services or has had a CHINS approved by the court.
- c. Any request for services, accepted for assignment, from a family for a child that does not fit into any of the other categories.

4. **D - Teen Parent Day Care**

A case open for the provision of Teen Parent Child Care only.

5. **I - Interstate Compact**

A case open for supervision of children from other states under the Interstate Compact on Placement of Children (ICPC).

6. **H - Home Study**

A case open for the purposes of assessing whether a placement resource is appropriate for a child. This code does not apply to Foster Care Home Studies or to Adoptive Home Studies.

7. **U - Courtesy Supervision**

A case in which the worker assigned is supervising the placement of a child from another office within the state. This case shall also be open in the sending office as a CPS, CWS, or FRS case.

8. **A - Adoptive Home Services**

A case which is open under the Adoption Services Program. This code is to be used for the prospective adoptive parent/s only. The child's case remains open as a CWS case. This includes the adoptive home study.

9. **T - Adoption Support**

This is only to be used by the state or regional Adoption Support program managers for cases involving children with approved adoption support subsidy agreements.

10. **L - Licensing**

This code is used for licensing and respite care provider cases only. This includes foster care home studies.

11. **S - Service Inactive**

- a. This code is used to designate a case in which the worker has finished providing direct services, and the case is waiting for completion of paper work. Additionally, this code is used for supervisory review when the supervisor is reviewing the case pending closure. If the case is being transferred or reassigned, the appropriate program code for the type of program/services the case is receiving is used.
- b. Upon completion of direct services, the program code is closed and **S** - Service Inactive code is opened to the assigned worker or supervisor. This code is not opened unless the related direct service code is closed.

152113 **Procedure**

Upon initial case assignment or assignment of additional workers to a case, one of the above program codes is used.

15212 **RESIDENTIAL ADDRESS FOR CHILDREN SERVED BY CHILDREN'S
ADMINISTRATION** (8/17/95)

152121 **Purpose**

To establish a standard protocol for recording the address of children served by CA.

152122 **Standard/Procedure**

For children served by CA, the following criteria will be used for establishing the residential address in their person record.

- A. Children who reside with parent or legal guardian: Use the parent or guardian's address.
- B. Children who are in the department's custody: Use the parent or guardian's address.
- C. Legally free child: Use the office address of the DCFS office responsible for supervising the child. Code this address as a mailing address. Do not use the pre-adoptive or foster parent's address as a residential address.
- D. If the child's parent or guardian is homeless, the street address may be listed as HOMELESS with the city and county showing where the family is normally found.
- D. Children who are in care will have their current whereabouts recorded in their placement record.

15213 **COURTESY SUPERVISION** (11/1/98)152131 **Purpose**

To establish uniform procedures for handling CA courtesy supervision cases.

152132 **Standard**

- A. Courtesy supervision is used when the child or family is already present in the area of the second office. If a potential placement is being investigated, a Home Study assignment is used.
- B. For courtesy supervision cases, the office with legal jurisdiction has responsibility for documentation and maintenance in CAMIS of all case information such as case status, addresses, and persons related to a case, and for all placement and legal history. The office providing courtesy supervision must indicate the existence and location of a courtesy supervision file and document the assigned social worker in CAMIS. Both offices will have responsibility for documentation of required Service Episode Records (SER) in CAMIS.

Revision #6 – 6/30/99

152133 **Procedure**

CA staff must manage courtesy supervision cases in CAMIS in the following manner:

- A. The office with legal jurisdiction must:
 - 1. Create and maintain CAMIS case file(s), indicate case and file folder status, the program code of their assigned worker, default address, and the worker assignment (CASWRDAT) for their office.

Revision #6 – 6/30/99

2. Be responsible for the maintenance of all persons and person information of those individuals related to the case(s).
 3. Enter all placement and legal history for all children.
 4. Document required SER for all cases to which they apply.
- B. The office providing courtesy supervision must:
1. When the Home Study is requested for a non-custodial parent or non-guardian relative:
 - a. Create a referral for the family to be assessed using an “**H**” (Home Study) program code.
 - b. Create a new case number and case file for the relative family using a case number from the office area where the relative resides. All CAMIS documentation and documents received regarding the relative will be filed under the relative’s case number. The worker must not enter this information in the child file. The worker files a copy of the Home Study report in the child’s binder.
 2. Using the same case number as the office with legal jurisdiction, indicate the existence of a courtesy supervision file folder, indicate the file name, and, in "location notes," the office providing courtesy supervision.
 3. Input the assigned courtesy supervision worker with the program code **U** for courtesy supervision, if or when the child is placed. Do not create a referral if Courtesy Supervision only is requested.
 - a. Create a physical file binder using the case number from the office with legal jurisdiction.
 - b. Using the same case number(s) as the office with legal jurisdiction, document required Service Episode Records.
 - c. Send the physical file to the originating office upon closing of the courtesy supervision case assignment.

- C. If the originating office transfers jurisdiction to the office providing courtesy supervision, procedures for transfer of cases shall apply.

Revision #6 – 6/30/99

15214 **INTERSTATE COMPACT CASES/REFERRALS** (11/1/98)152141 **Purpose**

The purpose of this policy is to establish uniform procedures for documentation of Children's Administration Interstate Compact in CAMIS.

152142 **Standard**

Interstate Compact on the Placement of Children (ICPC) cases involving children sent to another state must be considered CWS cases. Interstate Compact cases involving children who are placed in Washington from another state must be considered Interstate Compact. Interstate Compact requests for home studies must be considered Home Study cases until the child is placed in a Washington home.

152143 **Procedure**

Interstate Compact cases must be entered into the CAMIS data base in the following manner:

- A. The assigned social worker must document, update, and periodically review the status of children involved in Interstate Compact Cases using the CAMIS Interstate Compact Module.
- B. CA designates cases for which home studies have been requested in Washington homes as "Home Study" program code **H**.
 1. If the request specifies a home study of a parent or guardian prior to placement of children, the worker need not include children.
 2. The CA office will give relatives for whom home studies are requested their own case number.
 - a. The social worker enters CAMIS documentation regarding the home study under the relative's case number and files hard copy information in the case binder.

Revision #6 – 6/30/99

- b. The social worker files a copy of the home study report in the child's case binder if the child is placed.
 - c. The worker does not include the children to be placed in the relative's case file.
- C. Children placed in a Washington home from another state:
- 1. Must be designated as "Interstate Compact" cases. The child(ren) will be added to the case file.
 - a. At the time of placement of a child with their parent or guardian, the child shall be included in the family's case file.
 - b. When the department places child(ren) in non-parent homes and non-guardianship relative homes, staff gives them their own independent dash case number (not a dash file number based on the relative's case number).
 - i. If a dash case number does not already exist for the child, staff creates a dash case number (CASSTART) with the next basic case number available for the office. Staff does not create a parent file (-0).
 - ii. CA staff creates a case to case relationship (CASCASCR) between the relative's case number and the child's case number in CAMIS.
 - iii. On the first screen of CASEUP3 of the child's case number, in the Notes, staff cross-references the child's case to the relative's case number. (Example: "See also 52D1111110 RelativeLastName, RelativeFirstName")
 - iv. The social worker must store documentation in the child's file.
 - 2. Person information for the child(ren) in the legal module must include legal status of "dependent" and legal custody as "Other State."

3. The social worker need not document placement and legal action history in CAMIS on these cases.
- D. For Interstate Compact cases involving children placed from Washington in another state, assigned CA staff must:
1. Designate as "Child Welfare Service" cases for the child(ren) placed under their case file number(s).
 2. Maintain all placement and legal history in CAMIS for these children.

Revision #6 – 6/30/99

15215 USAGE OF STATE-OWNED EQUIPMENT AT HOME (3/10/95)

162151 Purpose

To provide a standard for CA regarding the use of state-owned computer hardware and software at home.

152152 Applicability

This policy applies to all CA employees.

152153 Standard

CA employees may use state owned equipment at home with the approval of the DCFS Regional Administrator, DLR Regional Manager, Director, or Office Chief, as applicable. This authority may be delegated. State owned equipment must only be used for CA business.

152154 Procedure

CA offices must establish procedures that include:

- A. If the equipment is to be used consistently at the employee's home more than two weeks, documentation to justify why the employee needs to have this equipment at home.
- B. A sign in/sign out sheet that includes a description of the item, state tag number, and a product serial number.
- C. A check in procedure, when the equipment is returned, which includes checking the hardware and software for computer viruses that may have been introduced while the equipment was outside the office.

- D. Employees must follow standard security procedures while the equipment is in their possession; e.g., locking doors, locating equipment away from windows, and securing the terminal while unattended. Confidential data may not be retained at an employee's home or shared with family members or other visitors to the home.

15216 STANDARDS FOR INPUT OF NAMES (4/14/94)

152161 Purpose

To provide a consistent standard for the entry of names in CAMIS for persons, businesses, contracts, licenses, and providers; to improve search procedures; and to improve data integrity.

152162 Standard

The following standards shall be used when entering names in the CAMIS system:

- A. No spaces are to be used in names; e.g., McDonald and MacDonald, not Mc Donald and Mac Donald.
- B. The only punctuation to be used will be the hyphen, "-"; as in Jones-Borland. Periods, commas, apostrophes, etc., will not be used.
- C. Use full names when known and nicknames or alternate spellings as aliases; e.g., Elizabeth G Johnson, AKA: Beth Johnson, Liz Johnson.
- D. The middle initial or name will be entered in the correct data field only. It will not be entered in the data field provided for the person's first name.
- E. Titles such as Jr, Sr, II, III, Dr, etc., will be entered in "Title" data field. The only exception is if a first name is not known at the time of intake.

- F. No "unknown" names will be entered for any reason, either first, last, or first and last. If there are allegations regarding an unidentified person or persons, any and all identifying information shall be entered in the allegation text; e.g., "presumed mother locked two female children, 5 to 8 years old, in the car and went into the bar. License # ABC123." If persons are later identified, complete information will be entered at that time.
- G. Contract Names: When contracts are created, the business ID and provider number will be created in the same format (last name space first name space initial or title with no punctuation). Facilities may be abbreviated identically for business and provider IDs. Once the business or provider number is pulled into the contract, it can be typed over to reflect the desired name format for the person/contract.
- H. Day Care and Foster Homes: The licensee will be created in the licensing module following the same format as the provider file (last name space first name/spouse or other name). Each facility will have a business ID created at the time the license application is entered into CAMIS if one does not already exist. The female's name, if any, will be listed first; spouse or other name will be listed second. At the time the facility is licensed, the licensor will request an SSPS provider number using the above naming format. The provider number will be related to the existing business. See examples below.
- I. Day Care Centers with Multiple Sites: A license will be created for each site, each with a separate business ID. The business ID for each site will be related to the appropriate SSPS provider number.

- J. Private Agency Foster Homes: Private agency foster homes will be entered using the same naming format as for all other persons, business, licenses, contracts, and SSPS numbers (last name space female first name/male first name). Private agency foster homes will have business ID, license, and SSPS number, all listed the same. *The private agency foster home's address will be coded as the mailing address.* Under alternate name/address, type in the name and address of the agency that licensed them.

15217 STATE LICENSED FACILITIES/PERSONS (7/19/94)

152171 Purpose

To establish consistent statewide policy regarding individuals or facilities licensed or certified by the Division of Licensed Resources (DLR) to provide care for children as required by chapter 74.15 RCW. These individuals or facilities shall have their current status documented, updated, and periodically reviewed within the CAMIS Licensing Module.

152172 Procedure

The procedures to be followed are contained within *A USER'S GUIDE TO THE CAMIS LICENSING MODULE*, and its subsequent revisions.

15218 **CREATING/CHANGING LOG-IN ID'S FOR USERS** (3/1/00)152181 **Purpose**

This standard provides procedure for Children's Administration (CA) staff regarding the creation of system user ID's in the CAMIS system, on the NT Domain, and for electronic mail for better security for systems and a more timely approach for assigning security.

152182 **Standard**

- A. CA will identify individuals who are authorized to create and delete user ID's for the various computer systems used within the administration. These systems are currently the Case and Management Information System (CAMIS), the Windows NT domain, MAPPER, and the Outlook electronic mail system. A user ID needs to be created in each of these systems in order for each user to access the information needed to perform his or her job functions.

Revision #7 - 12/30/99

- B. Security rights that allow a user to create system ID's shall be limited to a small number of staff.

152183 **Procedure**

- A. CA staff shall use the form *Information Systems Request Form for Children's Administration* to identify and authorize needed security. The individual(s) creating system user ID's need to have this information two weeks before a new employee begins work in order to have security in place before the employee's first day on the job.
- B. This form must be included in entrance and exit interviews, filled out by the Human Resource Consultant Assistant (HRCA) or the supervisor of the new employee, and faxed or mailed to CA headquarters and the local/regional Information Technology Systems Specialist (ITSS) **one week prior** to the employee's first day and **no more than one week after** their last day of employment.

Revision #8 - 5/15/00

1. Creating a user new to the Administration

- a. At least two weeks before the employee's first day, a user ID needs to be created within the CAMIS system. This ID will be generated from CA headquarters. This will generate the seven character alphanumeric log-in ID that will be used with the other systems. The job classification/title and office information for the user is to be entered at the time this ID is created. If necessary, the user may need to have an SSPS worker number created at this time.
- c. If the user is hired into a new position, using the ID generated in CAMIS, a new user profile will need to be created in the NT Domain by a CA headquarters ITSS staff person and a user directory created. Within this profile, the user will be added to the groups needed for them to access necessary information and printing capabilities. This will give the user access to the Local Area Networks (LAN) and the mainframe where CAMIS resides.
- c. If the person is an intern or work study student, only three months' access will be given.
- d. If the user is in an existing position that has been vacated, any files not relating to this position should be removed from the fileserver by the region's or headquarters' ITSS or exiting employee's supervisor. Any files that are related to the position should be transferred to the new employee by the region's or headquarters or exiting employee's supervisor. Also using the ID generated in CAMIS, a new user ID will need to be created in the Outlook-MS Exchange e-mail system by the office's Outlook-MS Exchange domain administrator.

Revisions #7 - 12/30/99; #8 - 5/15/00

- e. If the user has another ID created by another agency, that ID must be used only if that ID is available in the CAMIS system.
- f. If the user needs security for specific CAMIS applications, the supervisor submits via memo the request for security and training to the regional CAMIS automation trainer.

2. **Moving a User Within the Administration From One Position to Another**

- a. Since the user should already have a CAMIS user ID and NT domain ID, CA Headquarters Help Desk staff needs to update the CAMIS and NT ID's by changing the office information. The NT ID information will be updated by the local/regional ITSS.

Revision #8 - 5/15/00

- b. An e-mail ID may need to be created if the user is moving to an office with a different e-mail domain.

3. **Deleting a User From the Respective Systems**

- a. **CAMIS** -- When a user leaves CA, the HRCA notifies the CA Help Desk and the local/regional ITSS within one week of the employee's departure.
 - i. The local/regional ITSS CA Technical Help Desk will update the CAMIS account information by putting a date in the *Inactv Dt* field. This will trigger the events to remove access security and ensure the security integrity of the CAMIS system.
 - ii. The local/regional ITSS will transfer any mission critical files from the existing employee to the employee's supervisor (if necessary) and then delete the user's profile from the e-mail system and file server.

Revision #8 - 5/15/00

- iii. If the person is remaining with the administration, the employee's CAMIS ID remains active.
- b. **NT Domain** -- When a user is leaving CA permanently, the NT domain ID is to be deleted. If the user is leaving the administration temporarily, the NT domain ID is to be deactivated until the user returns.
- c. **Outlook E-mail** -- The Outlook administrator also deletes the e-mail ID at this time.
- d. **Other Systems** -- When a user no longer needs access to other Information Services, the HRCA or supervisor notifies the Technical Help Desk ITSS, who will remove the user's access to those systems.

Revisions #7 - 12/30/99; #8 - 5/15/00

15219 SECURING UNATTENDED COMPUTER TERMINALS (7/1/99)**152191 Purpose**

To provide a policy for CA regarding the securing of computer terminals that provide access to confidential and mission critical data. Confidential information includes all personal information (e.g., name, birth date, SSN, etc.) and case data (e.g., case number, type, allegations, etc.) relating to CA clients. This policy is necessary to ensure that the administration is in compliance with the DSHS *Information Technology Security Manual*, Section 6.3.2.

152192 Applicability

This policy applies to all CA employees working in CA offices or in homes.

152193 Standard

- A. Due to the critical and confidential nature of the data used by the Administration, it is necessary that all data files and information that are confidential or mission critical in nature are secure when staff leave their terminals unattended.
- B. Employees must log off from CAMIS if they do not intend to use CAMIS for documentation or review of data for any period in excess of 90 minutes. CAMIS will automatically log off any user who has remained "idle" in the system for longer than 90 minutes. The automatic log off is necessary to assure data security, to allow active workers freedom to access the system, and to keep the system cost efficient. System users creating or updating CAMIS records, reviewing existing records, and/or performing searches in the system will not be involuntarily logged off if they perform any of these activities at least once every 90 minutes.
- C. Employees who use computers that access the Local Area Network (LAN) must either log off of their terminals or lock their terminals with a password when they leave their terminals unattended.
- D. For instructions on how to log off of the system or lock the computer with a password, staff should contact their SHPM 2 – CAMIS trainer.

Revision #7 – 12/30/99

February 15, 1998

- E. Computer terminals within CA will not be set up to automatically enter the user ID and password into either the LAN or CAMIS system via a macro or program.

Revision #7 - 12/30/99

15220 UPDATES TO CAMIS FILES (11/30/95)

152201 Purpose

To ensure that CAMIS files represent the work of the person who originally entered it or the designated supervisor

152202 Applicability

All CA employees.

152203 Standards

All initial documentation in CAMIS shall remain a discrete representation of the information available at the time it was entered.

152204 Procedure

- A. No textual information shall be completed or edited after five working days of initial input. CAMIS text shall be updated by the person who created it or by the designated supervisor. A designee shall indicate for whom he or she is inputting the text.
- B. For licensing, case, referral, and facility complaint SERs, any new or corrected text information shall be documented in a **separate, subsequent SER**.
- C. For Risk Tags any changes to the risk tag shall be added below the original risk tag text. It shall be dated and the person making the addition shall sign by typing their name at the end.
- D. Summary assessment text corrections must be made within 5 days of the initial input. Any changes needing to be made subsequently will need to be recorded in a **new summary assessment**.

15221 DOCUMENTATION OF LEGAL ACTIONS (11/30/95)

152211 Purpose

The purpose of this policy is to require the documentation in CAMIS of legal actions on behalf of children for whom CA has legal custody or is making payment. This policy also clarifies which legal actions must be documented.

152212 Standard

A. Information Which Must Be Recorded

Legal actions must be recorded for all children for whom DCFS has legal custody or has filed a petition. There are five types of legal data that need to be recorded in CAMIS. These are:

1. **Legal actions** are date specific and include all legal actions taken in regards to the child which establish custody, authority to place, legal status, or which meet review requirements.
2. **Legal status** refers to the type of custody the department has for the child. Legal status will be derived from the legal actions entered. Dates will be defaulted according to the legal action dates entered (may be overridden).
3. **Custody** refers to the agency(s) that has custody of the child. [If DCFS has no custody of the child (either alone or jointly), on-going legal actions need not be entered. Events may still be documented as DCFS may have payment responsibility.] Dates will be defaulted according to the legal action dates entered (may be overridden).

4. **Court of Jurisdiction** refers to the type of court in which the legal proceeding occurs (county/superior court, court of another state, or tribal court). If a tribal court has jurisdiction, the specific court is required to be documented.
5. **Permanency Plan** must be documented within the first 60 days of placement. A primary permanency plan is required and an alternate plan is optional.

B. Timeliness for Data Entry

Authority to place must be input prior to recording a placement in CAMIS. Ongoing legal actions must be documented in CAMIS within 14 days of receipt of the order.

C. Children for Whom DCFS Does Not Have Custody

In legal actions, the worker must document custody. In placement the worker documents events in order for payment to be authorized. As CA does not have responsibility for these children but does make payment, there is no ongoing requirement to enter legal actions.

15222 DOCUMENTING THE PLACEMENT OF CHILDREN IN THE LEGAL CUSTODY OF CHILDREN'S ADMINISTRATION (2/17/99)**152221 Purpose**

To ensure consistency in the CAMIS system for documenting the whereabouts of children who are in the custody of Children's Administration (CA).

152222 Standard/Procedure

All children for whom CA has responsibility through a court order, protective custody, or Voluntary Placement Agreement (VPA) must have their whereabouts documented. This shall be done in the "Placement" module of CAMIS.

A. Requirements for Timeliness of Data Entry

Children, upon initial removal from their parent's or guardian's physical custody, must have their placement documented within five days of placement. All other placement changes must be documented within 10 days of the change or the SSPS deadline, whichever comes first.

B. Documentation of Placement Episodes and Events

1. Each episode of out-of-home placement will be documented by the entry of the Original Placement Date (OPD). Closure of the placement episode will be generated automatically when a placement event with a birth/adoptive parent is documented or a dependency guardianship order (as to both parents) or adoption finalization is documented in legal actions. The social worker or designee must do any other episode closure.

Revision #6 – 6/30/99

2. Each placement event will be documented in CAMIS. The moving of a child from one out-of-home placement to another out-of-home placement does not interrupt the placement episode.

C. Temporary Placements

1. A temporary placement is one that is not intended to interrupt the current placement event.
 - a. Examples include respite care; a child's hospitalization with intention to return to the prior placement; a child's running away with the intention of returning to the prior placement; a receiving care placement which may occur during a run if the intention is to return the child to the prior placement; or a detention placement with the intention to return to the prior placement.
 - b. It is also possible to place a child at home in a trial home visit without the intention of interrupting the placement episode. For example, the child has been in placement and is returned home for a short period waiting for a group care bed to become available or a child visits in the home of the parents for a period of time to prepare for a return to the parents' home.
2. All of these "temporary" (**TMP**) placements are designated in CAMIS by marking a **Y** under the **TMP** column for that placement. Continued payment is allowed to both the placement from which the child was placed and to the temporary placement. Double payment is allowed for a period of up to 15 days without an exception to policy (DSHS 5-210).

Revision #6 – 6/30/99

D. In-Home Dependencies

1. In-home dependencies will be documented in both the placement and legal modules.
 - a. First, in the legal module, a permanency planning code of **□N□** (no plan: child placed with birth/adoptive parent) must be entered any time a child is placed with a birth/adoptive parent. This code must be used whether or not that parent has custody through a family court order.
 - b. In placement, the worker must update the address and list the primary caretaker. This will not open an episode; it will document the whereabouts of the child. Events not indicating a placement **may** be recorded here (they are not required), including respite, detention, hospital, Juvenile Rehabilitation Administration (JRA) placement, or runaway.
2. When a dependent child is returned home from a placement, the worker will document placement with a birth/adoptive parent (either custodial or non-custodial). The worker will need to then update the primary caretaker and address.
3. Any time the child is placed with a birth/adoptive parent (**□BA□** or **□BN□** codes) from an out-of-home placement, the child's episode will be closed with the reason defaulted as "returned to birth/adoptive parent."

Revision #6 – 6/30/99

E. Documentation of Family Structure

When placing a child with a relative or court-ordered unlicensed placement, the worker must document the family structure. This will be done through creation of a business ID for the family in which family structure, primary caretaker, and address will be identified.

F. Respite Care

1. Respite care from a birth/adoptive parent's home will not be opened as a placement episode **as long as** the department does not have custody of the child. If a voluntary placement consent has been taken, then placement episode must be opened as the department has assumed custody of the child.

Revision #6 – 6/30/99

2. When a child is placed in respite from an out-of-home placement, there is no state-wide requirement to document these temporary placements in the placement module.

G. Situations When Payment Continues but the Episode Is Closed

There are two situations in which the permanent plan is completed but payment remains open. These are:

1. **Guardianship**

- a. Entry of a legal action of dependency guardianship as to both parents derives closure of the placement episode as the permanent plan is established. The placement event remains open allowing for continued payment to dependency guardians and for services to the child. Those in guardianship status over 18 years of age with open events will have those events automatically terminated annually unless a voluntary consent is documented in legal actions.
- b. When a superior court guardianship (chapter 11.88 RCW) is established, the episode and event must be closed upon the date of the guardianship order. Dependency dismissal is also required and must be documented in the legal actions.

2. **Adoption**

When an adoption finalization is documented in legal actions, this will derive the closure of the episode and event with the reason code of adoption. A dismissal of dependency must also be documented when entered in Juvenile Court. Payment may continue to the end of the month in which the adoption is finalized.

3. **Child(ren) in Tribal or Private Agency Custody Only**

The placement episode record of a non-CA custody child(ren) must be opened and closed on the date of placement with a reason code of “**TR**,” Washington State Transfer to Other Authority. The placement **event** remains open, and the appropriate entries are made in the legal module. See section 15221.

Revision #6 – 6/30/99

15223 **FACILITY COMPLAINTS** (2/1/98)152231 **Purpose**

To establish consistent statewide CAMIS standard regarding all referrals/complaints made about:

- A. Facilities licensed or certified, or facilities required to be licensed or certified, by the Division of Licensed Resources (DLR), or
- B. State regulated care facilities.

152232 **Definition**

- A. Facility Referral -- A referral received by Children's Administration (CA) regarding:
 - 1. A DSHS state regulated facility providing care to children that involves allegations of abuse/neglect; or
 - 2. A facility required to be licensed under chapter 74.12, 74.13, 74.15, or 34.04 RCW that involves possible licensing violations, or allegations of abuse/neglect at the facility or by the provider or a staff member.
- B. Facility Complaint Record – A CAMIS record that is created from a CAMIS Facility referral which is used to generate critical incident reports and track licensing issues, actions and resolutions.

Revision #1 - 6/25/98

152233 Standard

Facility Referrals/Complaints shall be documented, investigated, updated with actions taken, and reviewed. Referral notification will be given to appropriate workers and managers. Critical incident reports and workload management reports will be produced. Investigations of referrals/complaints against CA licensed or state regulated care facilities for children shall coordinate with specific procedures detailed in the *CA Operations Manual*, chapter 5000, section 5100, CRITICAL INCIDENT MANAGEMENT, and section 5300, FACILITY INVESTIGATIONS.

152234 Procedure

The CAMIS procedures to be followed are contained within *Section XII Facility Complaint* of the *CAMIS Users Manual*, and its subsequent revisions.

A. Documentation

1. CA Intake social workers and licensers are responsible for ensuring that all documentation regarding facility referrals/complaints, including allegations, investigation and resolution of complaints, is completed in CAMIS, following procedures found in *Section XII Facility Complaint* of the *CAMIS Users Manual* and its subsequent revisions.
2. DLR/CPS Facility Investigators are responsible for ensuring that CPS Summary Assessments on facility complaints are completed in CAMIS, using the referral number, for accepted CPS referrals.

B. Primary Caretaker

If the facility complaint referral is in regard to a child's former placement resource, the referral/complaint record will be created on the former placement provider.

Revision #1 - 6/25/98

1. The provider **shall** be designated as the primary caretaker when recording a facility complaint regarding a family child care home or a family foster home.
2. A primary caretaker **shall not** be designated when recording a facility complaint regarding any other type of facility; e. g., Child Placing Agency, Crisis Residential Center, Day Care Center, Day Treatment, Group Home, Juvenile Detention Center, Maternity Home, Mini-Center, Regional CRC, Special Programs, etc.

C. **Deleting Complaint Records**

In cases where a complaint record is incorrectly created for a facility, the complaint record may be deleted after supervisory review and management concurrence. This does not delete the referral. Examples of situations where a complaint record may need to be deleted include:

1. A facility that is not required to be licensed and is not a state regulated care facility;
2. A former staff member is involved in a referral not related to the facility;
3. A licensee or staff member was involved in a referral where there are no licensing or child abuse/neglect issues concerning the facility or a facility's staff member.
4. A referral shows licensing issues only because the people associated on the business record for a license inaccurately contains the name of a person who is identified as a victim or subject in the referral; e. g., a foster child is listed in the BUSRELS of a foster home and a report is received in which the child is listed as a victim or subject, but the alleged CA/N did not occur in any facility.

D. **Public Disclosure**

Licensing staff may release information regarding complaints on a licensed facility consistent with the *CA Operations Manual*, Chapter 13000, section 13700, RECORD ACCURACY, PRIVACY, AND DISCLOSURE.

15224 **INTERNET ACCESS** (11/1/96)152241 **Purpose**

To provide a policy for CA regarding the use of the Internet, also known as the World Wide Web (WWW), for state business purposes.

152242 **Applicability**

This standard applies to all employees of CA working in CA offices or in homes using state resources for Internet access.

152243 **Standard**

CA will provide access to some Internet sites through the administration's intra-net server. This should be sufficient access for the majority of the administration's staff. For those that need a greater ability to search for new resources, the Internet can be used by CA staff under the following governing factors:

A. Staff are to limit their access to Internet sites that can provide resource information for CA business. CA staff may not access the Internet using state resources for buying or selling of personal items or for personal entertainment and/or business.

1. WAC 292-110-010, Use of State Resources, states in part:

“A state officer or employee may not make private use of state computers or other equipment to access computer networks or other databases including, but not limited to, electronic mail and electronic bulletin boards for personal use unrelated to an official business purpose.”

2. Inappropriate use of the Internet by CA staff may result in disciplinary action.
 - B. Access to the Internet using CA equipment will be randomly monitored. This will provide information as to what site was accessed by which computer.
 - C. Before downloading information from the Internet to the local network, staff will consult with their regional CIC to ensure there will not be a negative impact on the Local Area Network (LAN) or the file server.
 - D. Internet electronic mail is also available to all staff through the Outlook e-mail system. Internet mail is also to be used only for state business purposes. Internet e-mail provided to staff at work is not to be used for personal business.

Revision #7 - 12/30/99

15225 **SERVICE EPISODE RECORDS** (1/1/99)152251 **Purpose**

To ensure consistency in the CAMIS system for documenting of Service Episode Records (SER) and to provide standards so that statistical reports can be generated for case contacts.

152252 **Standard**

The assigned social worker will complete SER in CAMIS for all case events/activities within a reasonable time following the occurrence of the event/activity, except for SER relating to blood-borne pathogens protection plan. (See *Operations Manual*, Chapter 5000, Section 5700). The social worker will create typed or handwritten SER to document activities related to a client's HIV and will maintain the SER in a sealed envelope in section VIII of the Division of Children and Family Services (DCFS) binder or section F of the Division of Licensed Resources (DLR) license folder.

152253 **Procedure**

- A. The social worker must complete SER (narrative case recording) in CAMIS within a reasonable time after an event, activity, or contact occurs to ensure accuracy of recording, in no case more than 30 calendar days from the date of the event or case activity. See chapter 13000, section 13100.
- B. DCFS staff must use the CAMIS procedure SERS to record SER for all referrals, cases, and persons.
- C. DLR staff must use the CAMIS procedure SERS to record SER associated with facility complaints (use referral number) and licenses (use license number). For additional details on timelines and format for DLR/CPS investigation SER, see the DLR protocol: *Investigating Abuse and Neglect in State Regulated Care*.

Revision #6 – 6/30/99

- D. The DCFS social worker must document all case activity in CAMIS using the family case file number. If the child is legally free, placed in an adoptive home, or has a distinctly different case plan from that of their siblings, the worker uses the child's dash case file number.
- E. See chapter 13000, section 13100 for case recording and documentation requirements and limitations.

F. **Supervisory Reviews**

The supervisor must record the monthly case reviews and the case review for a CPS - 90 day extension with the following codes:

1. Monthly case reviews - use code **SR** - Supervisory Review. The supervisor can record multiple Supervisory Review SER from within the WRKRCAS procedure. If an individual SER with specific case notes is needed, the supervisor may also use the SERS procedure.
2. CPS 90 day extension decision - use code **9D** - CPS 90-day extension review.

G. **Child Protective Services**

For Child Protective Services cases, the social worker must:

1. Relate investigation SER to the referral(s) being investigated. CAMIS will automatically associate the referral SER with the related case number.
2. Record the initial face-to-face contact with each child victim on referrals receiving the high standard of investigation with the **IF** - Initial Face-to-Face code. The worker must select person ID(s) for the child(ren) contacted and code the location of the interview on the SER in CAMIS.
3. Record attempts to contact the child victim with the **AI** - Initial Face-to-Face Attempt to Contact code. The worker must select person ID(s) for the child(ren) the worker attempted to contact.
