

# APPENDIX C: SHARED DECISION MAKING

## SHARED DECISION MAKING

Shared decision making will be systematically employed by DCFS for key decisions. Shared decision making takes different forms as it is implemented throughout the Division. Shared decision making means identifying those decisions that need to be shared with supervisors, area managers, regional administrators, and headquarters. Shared decision making means a commitment to team decision making whenever possible; such teaming to include peers, members of other units, foster parents, DSHS staff from other divisions and community professionals involved in our cases. Shared decision making means participation and partnership on cross program treatment teams (wrap-around teams). Shared decision making means sharing tough decisions with the community through the use of consultation teams.

The Shared Decision Making Committee was convened at the request of Rosie Oreskovich, Assistant Secretary, for Children's Administration. The committee represented all Regions, Headquarters, and Community representatives. Members were: Nancy Zahn, Dee Wilson, Carol Bailey, Ruthie Morris, Arlene Miletich, Shirley Moore, Ed Cote, Dr. Jill Cole, Charlene Ramirez, Lee Doran, Carol Clarke, and Peggy West.

Our committee has structured our report in three key areas:

- Shared Decision Making Within the Division

This proposal for sharing decision making with supervisors, managers, and headquarters attempts to establish a minimum baseline expectation statewide. Currently decisions that are expected to be "shared up" are at the discretion of individual Regional Administrators and Area Managers. We found extreme variations in expectations between regions and within regions by Area Managers. It is no wonder line staff are confused and desperately ask "just who is to make what decisions"!

The first portion of our report proposes a common baseline of accountability for key decisions that will be the same statewide. We are in some instances formally creating new policy expectations (in some instances these areas are informal "common sense" expectations, in some instances these are areas that are "getting us in trouble", and in some instances these are areas where three of six regions require "sharing up" and the others do not.) And there are some areas where we have set a decision point at a level lower than some regions currently require.

We identified those areas where Tribes need to be informed and given the opportunity to review and/or approve the decision. We attempted to entwine the areas of the Tribal/State agreement throughout the report as opposed to doing a separate document to reflect ICW Tribal issues.

This proposal is submitted for review and comment by the Greater DCFS Management Team at the April Retreat. We recognize that different folks visualize differently and that there are different ways to format these charts; this format is the way that worked for our committee. We also recognize the need to refine group decision areas (such as grouping licensing, CPS, CWS, etc.).

One of the questions asked of us was whether or not there should be a common expectation for information sharing/monthly reports. We reviewed several currently in use and found wide variation. Common themes were data regarding workload, compliance issues, constituent complaints/difficult cases, personnel and office issues, community activities/issues, good news, and "other". We believe we have captured these areas in establishing common expectations for information sharing. We see our role to establish the expectation for information sharing; the regions need to determine the format (verbal, written, report, etc.).

- Shared Decision Making Teams

Shared decision making means systematically employing teams for key decision making. Team decision making will provide opportunities for critical thinking and creative problem solving; share responsibility for decisions; share liability; and provide opportunities for ensuring quality assurance.

Our committee proposes several key decisions that should be team decisions. In some instances, the Division already employs a team decision making format; that needs to continue. We are proposing new requirements for team decision making. We recognize this has a substantial workload impact and will require the initial up front work of establishing the team composition and structure, the decision making protocols, and the team building necessary for the establishment and maintenance of successful teams.

We suggest the following teams be established in each region: Prognostic staffing, permanency planning, CPS/Licensing, CPS/Abuse Neglect, Administrative Review, Adoption Review, DDD/DCFS Teams per Regional agreements, and community cross program teams (wrap-around). The first five teams are new expectations; it is this committee's belief that the last four teams currently exist in most areas.

We recognize the issues highlighted by Health and Safety concerns require immediate action to establish teaming in CPS/Licensing and identify that as the first priority. This committee believes that most long term benefit to children and families will come from implementing prognostic staffing teams. We recommend this team be the priority team to implement. Next in priority, we would recommend permanency planning team staffings, CPS/Abuse Neglect teams.

Each Region needs to clarify with Tribes and ICWAC the nature of tribal/ICWAC participation in DCFS teams.

Cross-program teams (wrap-around) exist in all areas of the state. These teams are external teams for which DCFS staff are key participants. These teams are generally developed under the auspices of Children's Mental Health statutes and are generally managed by RSN's, and/or education. Teams include decision making for admission to mental health facilities and programs and also individual treatment teams. Our committee identifies the need for Regions to develop guidelines clarifying these teams' authority to make case planning decisions and authorize funds. Problem resolution mechanisms also need to be in place for these teams. Regions need to clarify with Tribes and ICWAC the nature of tribal/ICWAC participation in these community teams (as it relates to Indian children in DCFS caseloads).

- Shared Decision Making with Community Consultation Teams

DCFS currently has statutory and policy mandates for several community consultation teams. With the exception of Child Fatality Review teams, this committee does not recommend establishing any additional community consultation teams. We do however identify the need to clarify the teams. We believe staff need to understand the statutory mandates in terms of expected staffings and team membership. We also believe these teams can be strengthened and are identifying recommended areas of staffing/consultations.

It is also essential the Division recognize these teams require nurturing and maintenance. This generally means a DCFS staff assigned to facilitate the team, arrange coffee and light refreshments, recruit new team members, etc. This workload must be legitimized and built into workload study standards if we expect these consultation teams to thrive.

Our committee was also asked to recommend a format for problem resolution when there is conflict with community professionals serving a child/family. Our first recommendation is the utilization of existing consultation teams, such as CPT's. Recognizing that this will not always be successful, we identified as a "sharing up" decision, conflict with community professionals. At every level, we would recommend that the supervisor, area manager, Regional Administrator convene a staffing to include all professionals involved in a case as a preferred means of resolving conflict. It is our impression that in many instances the conflict revolves around information that is not fully shared with all team members and/or misunderstandings about the roles/authorities/ and responsibilities of team members. We would also envision that as the Division implements

teaming for key decisions, these conflicts should decrease as it is our vision that community professionals, as well as parents, children, and foster parents, will feel they are part of the team.

## SHARED DECISION MAKING

To summarize the need for shared decision-making:

- Social workers need to be supported in their decision making. They need to know clearly when to seek consultation. They also need to feel and know that supervisors and managers share responsibility for decisions.
- DCFS will establish clear expectations regarding accountability. Staff at all levels need to know which decisions they will share responsibility for.
- We make better decisions when we can consult and review with others. Team decisions are generally better than decisions made in isolation. We will have guidelines and expectations for how and when to consult teams on decisions.

Shared decision making will be systematically employed by DCFS for key decisions, and will take different forms as it is implemented throughout the Division. Shared decision making involves:

- Identifying those decisions that need to be shared with supervisors, area managers, regional administrators, and headquarters;
- A commitment to team decision making whenever possible -including peers, foster parents, professionals from other divisions and community professionals involved in our cases;
- Participation and partnership on cross program treatment teams (wrap-around teams); and
- Sharing tough decisions with the community through the use of consultation teams.

This section is structured in three key areas of shared decision making:

- Decisions Shared within the DCFS Chain-of-Command;
- Team Decision Making within the Division; and
- Shared Decision Making with Community Consultation Teams.

The following comments about shared decision making need to be made:

- This document does NOT attempt to outline every decision that is made on a daily basis by staff at all levels. It does attempt to identify those key decisions that need to be shared.
- Equally important is what is not dealt with---SHARING DOWN. In all areas, where a case specific decision is made at a level higher than the social worker, it is essential that the decision be communicated promptly to the social worker. It is also essential that the social worker, supervisor, and area manager be given the opportunity for review, comment, and understanding of decisions made at a higher level. It is recognized that workload does not permit the RA's to staff all decisions made at their level; it is equally recognized that whenever possible, staff at all levels should be jointly making the decision.
- This document is not meant to be a substitute for supervision. It is recognized that there will be decisions that should be shared but are not on the list. Staff will always need to use common sense and judgement in decision making. There are no magical answers that will ALWAYS guide staff. This document is meant to be a document that will GENERALLY guide staff.
- The authorized decision maker is the person the agency expects to be accountable for the decision listed. It is recognized that we all delegate differentially to staff. The authorized decision maker must be able to explain why they have delegated decision making, and the designee must be aware they are representing the delegator. Decisions to delegate are to be made on the basis of the designee's knowledge and expertise. There needs to be a system in place to do random reviews of the delegated decisions.
- Most regions have Deputies and/or SHPM 4's. These managers may have duties similar to Area Managers. Given the variety of regional organizational structures, we did not differentiate between SHPM 4's and Area Managers. Each region will need to "regionalize" the definition of Area Manager.
- Each region needs to develop their accountability/documentation standards. For example, regarding the "information to" expectations, staff need to know if this is to be shared verbally, in written form, how soon, etc.

- Policies and procedures regarding Child Fatality Reviews, CPT's, CPS-Licensing, and Supervisory Review/Conferences are currently being developed and/or updated. As these policies are issued, Shared Decision Making Guidelines need to be updated.

## SHARED DECISION MAKING WITHIN THE CHAIN-OF-COMMAND

**Attachment A** establishes a minimum baseline expectation for sharing information and decisions with supervisors and regional managers.

Those areas where Tribes need to be informed and given the opportunity to review and/or approve our internal decisions are identified.

## TEAM DECISION MAKING

Shared decision making means systematically employing teams for key decision making (**Attachment B**). Team decision making will provide:

- opportunities for critical thinking and creative problem solving;
- shared responsibility and improved compliance with decisions;
- shared liability; and
- opportunities for quality assurance.

Several key decisions that should be shared by a team (Attachment C) are identified. In some instances, the Division already employs a team decision-making format that will continue. New requirements for team decision making are recommended. The substantial workload impact involved is recognized. Implementation will need to include: a realistic appraisal of current staffings which could be eliminated through the use of team decision making; initial work to establish team composition and structures and decision making protocols; and team building necessary for the establishment and maintenance of successful teams.

The following teams should be established and routinely utilized in each region:

- |   |  |
|---|--|
| • Prognostic Staffing                         | • Adoption Review                          |
| • Permanency Planning                         | • Administrative Review                    |
| • CPS/Licensing                               | • DDD/DCFS Teams (per regional agreements) |
| • Community Cross Program Teams (Wrap around) | • ICWAC                                    |
| • CPS/Abuse Neglect                           |  |

The teams identified in the left-hand column represent new expectations. The teams in the right-hand column currently exist in most areas.

The issues highlighted by Health and Safety reviews require immediate action. Therefore, CPS/Licensing teams are the first priority. Prognostic teams offer the most significant long term benefit to children and families and should be implemented as a high priority. Next, in rank order of descending priority, regions should phase-in implementation of permanency planning team staffings and CPS/Abuse Neglect teams..

Each Region needs to clarify with Tribes and ICWAC the nature of tribal/ICWAC participation in DCFS teams.

Cross-program teams (wrap-around) exist in all areas of the state. These teams are external teams for which DCFS staff are key participants. These teams are generally developed under the auspices of Children's Mental Health statutes and are generally managed by RSN's, and/or education. Team decisions include admissions to mental health facilities and programs and also individual treatment plans. Regions need to develop guidelines clarifying these teams' authority for case planning decisions and for the authorization of DCFS funds. Problem resolution mechanisms also need to be in place for these teams. Regions need to clarify with Tribes and ICWAC the nature of tribal/ICWAC participation in these community teams (as it relates to Indian children in DCFS caseloads).

### SHARED DECISION MAKING WITH COMMUNITY CONSULTATION TEAMS

DCFS currently has statutory and policy mandates for several community consultation teams. DCFS needs a format for problem resolution when there is conflict between community and DCFS professionals serving a child or family. The first recommendation is to utilize existing consultation teams, such as CPTs. Recognizing that this will not always be successful, it is also recommended for the "sharing up" of information and decisions involving unresolved conflict with community professionals. At every level, the supervisor, area manager or regional administrator should convene a staffing to include all the professionals involved in a case conflict, as the preferred means of resolving conflict.

## TEAM DECISION MAKING PROPOSAL

### Attachment B

Team decision making shifts the primary responsibility for key case decisions from the individual social worker to a decision making group comprised of involved parties and resource persons. We would anticipate that a shared decision making process will generally be superior to individual decision making because:

- a more thorough review and analysis of information can be achieved;
- a more diverse range of conclusions, options, and solutions can be generated and considered; and
- the likelihood of compliance by all parties affected by decisions is increased when they are involved in decision making.

There are examples of team decision making currently in use around the state, some involving division staff across programs, family members, and professionals representing other community providers and systems. This proposal recommends a more systematic and wide spread use of team decision making in service planning than is currently practiced in the division.

### BENEFITS OF TEAM DECISION MAKING:

- provides opportunity for critical thinking and creative problem solving;
- shares responsibility for decisions among all involved parties;
- shares potential liability for unwanted outcomes of decisions; and
- offers an opportunity for quality assurance monitoring.

### REQUIREMENTS OF TEAM DECISION MAKING:

- requires a significant investment of time for meeting organization and participation;
- depends on a degree of mutual respect and trust by participants;
- facilitated by an understanding and acceptance of roles by participants; and
- should be experienced as useful by participants, particularly the social worker and family.

## PROGNOSTIC STAFFINGS

All children in placement beyond 60 days will be staffed by an internal team including the Area Manager (or designee). The staffing will focus on the case plan and permanency planning goals. Other staffing formats (ICWAC, Administrative Review, Foster Care Citizen Review Board, Wrap-around, etc.) could substitute. A prognostic staffing needs to occur (ideally) 2 to 6 months after placement. Minimal participation would include the social worker, supervisor, area manager (or designee), foster parent, and child if age appropriate. Broader participation is encouraged in these team staffings.

The area manager could waive the staffing if the permanent plan is about to be achieved.

We recommend the Legal Placement CAMIS module be amended to include the date of the prognostic staffing. Staffings need to be documented in CAMIS (SER).

## PERMANENCY PLANNING STAFFINGS

Team staffings will occur prior to all Juvenile Court permanency planning hearings when the child is not in the home of choice and not likely to return to the parents within the next 90 days. All legally free children not in their home of choice will be staffed annually (more frequently if appropriate).

Minimal participation includes the social worker, foster parent, child if age appropriate, supervisor, area manager (or designee), and the adoptions supervisor (if termination is one of the plans considered and/or the child is legally free). These staffings could include a variety of other individuals such as representatives from Families for Kids. Other staffings such as ICWAC could meet the requirements. In agreement with the adoptions supervisor, this staffing could be considered the Adoption Review staffing.

In addition to permanency planning issues, these staffings should review special needs of children (such as ECP plans).

## CPS/LICENSING STAFFINGS

Team staffings will include:

- licensed foster homes with 2 or more CPS referrals within 6 months;
- founded CA/N in foster care (regardless of risk level) where staff wish to leave children in the home; return children to the home; or utilize corrective action in lieu of revocation;
- licensed homes with a pattern of non-compliance with MLR's or poor care (Area Manager can waive staffing if a corrective action plan is initiated and compliance is documented).

Minimal participation includes CPS social worker, CPS supervisor, licenser, placement worker (if different from licenser), licensing supervisor, social worker(s) for children in home, Tribe (if involved), licensing area manager (or designee), DCCCEL for dually licensed homes, and AAG as appropriate.

Homes which meet the criteria for staffing but are certified by a private agency and licensed by the Regional Licensor will also be staffed. In such cases, the private agency staff will be part of the team.

## CPT/INTERNAL CPS--ABUSE NEGLECT TEAMS

Internal staffings if:

- No community CPT available for mandated and/or recommended CPT staffings.
- CPS referrals on placement cases where children are in licensed care and/or relative care supervised by the

Department.

- Life endangering neglect.

Minimal participation includes social worker, supervisor, area manager or designee, social worker(s) for other children in home/family, and CPS Coordinator if appropriate encourage workers to staff any complex case where a staffing is desirable.

## EXTERNAL COMMUNITY TEAMS

Community Treatment Teams (wrap around):

Regions need to develop guidelines clarifying these teams authority for case decisions and funding. Teams also need a problem solving resolution including a mechanism for resolving disputes between administrators of systems (DCFS, DDD, Juvenile Courts, Mental Health, etc.) Tribes need to be included if a tribal child is involved in these teams. Multidisciplinary teams required by RCW 13.32A will be incorporated into existing community teams wherever possible.

Community Placement Teams:

Regions need to clarify the authority of these teams regarding placement decisions as it relates to DCFS children. Such teams generally determine mental health hospitalization, CLIP, CHAP, etc. placements. Tribes need to be included if a tribal child is involved in these staffings.

FOR ALL TEAMS, REGIONS NEED TO CLARIFY WITH TRIBES AND ICWAC THE NATURE OF THE TRIBAL/ICWAC PARTICIPATION IN TEAMING AND CONSULTATION STAFFINGS.

## COMMUNITY CONSULTATION TEAMS

## CHILD PROTECTIVE TEAMS

Policy  
Mandate: [RCW 74.14B.030](#) and Governor's Executive Order 95-04.

Mandatory  
Membership: Culturally diverse and responsive.

Mandatory  
Staffings:

1. Consultation on all cases where there is a risk of serious harm to a child and where there is dispute over whether out-of-home placement is appropriate;
2. In all child protection cases in which the risk assessment results in a "moderately high" or "high" risk classification, and the child is age 6 years or younger;
3. In all child protection cases where serious professional disagreement exists about a risk of death or serious injury;
4. In all child protection cases that are opened on the basis of "imminent harm"; and
5. In all complex child protection cases where such consultation will help improve outcomes for children.

Recommended  
Staffings:

1. Alleged serious inflicted injury;
2. CWS or FRS cases when there is serious dispute among professionals regarding health and safety issues.

## ICWAC

Policy  
Mandate: RCW 13.70.150; WAC 388-70-610. The WAC states: Local Indian Child Welfare Committees shall be established within each region. The number and locations of the local committees shall be mutually determined by the Indian tribal governments and urban Indian organizations served by that region and the DSHS regional administrator.

In providing services to Indian children and their families, the service worker considers a child's tribe as the primary resource for consultation and case plan development. For that reason the service worker does not involve ICWAC in specific cases unless:

1. The tribe has failed to respond within 10 days to a written request for involvement, or
2. The tribe has requested and defined what they would like ICWAC to do on their behalf, or
3. The child is an unenrolled Indian and not eligible for tribal membership and/or enrollment, or
4. Case requires a CPT, and no tribal/BIA CPT is available, or
5. The case requires an administrative review, or
6. The tribe has indicated they do not want to be actively involved in the case, or
7. There is reason to believe a child may be Indian but membership has not been verified.

All open DCFS/private agency cases shall be staffed by ICWAC that meet the above criteria.

If the ICWAC functions as a CPT or Administrative Review Team, the ICWAC must meet the mandatory aspects of the CPT/Administrative Review in regards to team membership and team process.

- **CROSS PROGRAM CHILDREN STAFFINGS**

- Policy mandate: N/A

These teams have their mandate from Children's Mental Health and their mandate and authority will vary by RSN. Regions need to ensure DCFS staff have clarification regarding these teams' authorities.

#### MINORITY ADVISORY/CROSS CULTURAL PLACEMENT TEAMS

Policy The Martinez OCR Agreement contains no specific requirement for such teams, although such teams  
Mandate: would be consistent with the spirit of the agreement.

#### REGIONAL SAY TEAMS

Policy RCW 74.13.075(2). In expending funds for treatment of sexually aggressive youth, DSHS shall  
Mandate: establish in each region a case review committee to review all cases for which the funds are used.

Mandatory  
Membership: None

Mandatory  
Staffings: In determining expenditure of SAY funds, the committee shall consider (a) the age of the juvenile; (b) the extent and type of abuse to which the juvenile has been subjected; (c) the juvenile's past conduct; (d) the benefits that can be expected from the treatment; (e) the cost of treatment; and (f) the ability of the juvenile's parent or guardian to pay for the treatment.

Recommended  
Staffings: As stated.

- **MULTI-DISCIPLINARY TEAMS**

Policy RCW 13.32A. These teams were established in the 1995 "runaway" legislation. Operational policy is  
Mandate: not yet developed.

- **OVERSIGHT COMMITTEES**

**Policy Mandate:** RCW 74.13.031 requires the department to establish a children's services advisory committee to advise on all matters relating to child welfare, licensing of child care agencies, adoption, and related services.

**Mandatory Membership:** With passage of legislation in the 1995 session of the Legislature, there is no mandated membership. The department has broad latitude to include representation from a wide range of interests to assist and advise the department on issues involving DCFS.

**Mandatory Review:** The committee is mandated to assist the secretary in the development of a partnership plan for utilizing resources of the public and private sectors, and advise on all matters relating to the division's programs and services.

**Recommended Consultation/Review:** Any major policy change and/or budgetary change which will impact local communities. Oversight Committee members should be included in Child Fatality Review teams.

### CHILD FATALITY REVIEW TEAMS

**Policy Mandate:** DSHS Administrative Policy 8.02; P. L. 93-247, section 107b; P. L. 102-295, Child Abuse Prevention and Treatment Act; RCW 26.44. Department policy requires an investigation by a community-based review team of all child deaths related to child abuse and neglect and cases involving families that have a current or recent history with DCFS.

**Mandatory Membership:** There is no mandatory membership. However, membership shall include community representatives selected based on their experience with child abuse and neglect cases, knowledge of the community and its resources, and knowledge of the department's systems. Members may include representatives from mental health, medical providers, law enforcement, the prosecutor's office, the local health department, the coroner or medical examiner, etc.

**Mandatory Staffings:** Fatality reviews shall occur with regard to all child deaths related to child abuse and neglect as well as fatalities in open cases, cases closed within the past year, and any death, including SIDS, occurring in Children's Administration licensed, certified, or supervised out-of-home care. Reviews also apply to unlicensed facilities and homes certified for adoption.

# Introduction

## 1100. CONTEXT AND PURPOSE OF THIS MANUAL

1. Policy drives what the agency and its staff must do and is grounded in the Revised Code of Washington (RCW) and federal laws, regulations, and policy interpretations; for example, federal Department of Health and Human Services' (HHS) Administration for Children, Youth, and Families (ACYF) policy interpretations. Where state law is in conflict with federal law or regulation, the federal rule prevails.
2. Procedure defines how the agency and its staff implement policy.
3. Practice guidelines identify how the agency and its staff will behave as they implement policy and procedure.
4. The Case Services Policy Manual sets forth the policies with regard to client families and individuals as they progress through six essential functions from Intake to Resolution: what Children's Administration (CA) and the Division of Children and Family Services (DCFS) must do to comply with laws and regulations. The accompanying Practices and Procedures Guide sets forth good practice on how the agency and staff will implement policy.
  1. The six essential functions for which DCFS is responsible are:
    1. Intake
    2. Assessment
    3. Planning
    4. Service Delivery
    5. Review
    6. Resolution
5. These six functions can be arranged linearly and, while clients do not move in a straight line through agency services, each client's case progresses through the six functions. This manual sets forth policy according to functions in the child welfare process.
6. In addition, this manual sets forth the policies with regard to providers and ancillary services that may be necessary to assist clients as they progress.

## 1200. CA MISSION AND VALUE

1. **Protecting Children:** Our foremost goal is to protect children from abuse and neglect.
  1. We believe children need to grow up in a safe and healthy environment free from abuse and neglect.
  2. We believe protecting children is primarily the responsibility of families, relatives, and communities.
  3. We believe that children should be raised by their own families whenever possible.
  4. We believe it is necessary to intervene to protect children when families are unable to do so.
  5. We believe it is in the best interest of children to implement permanent plans swiftly once it becomes clear that reasonable and concerted efforts toward improving family functioning have failed.
2. **Supporting Families:** We believe it is our responsibility to treat families at all times with fairness and respect.
  1. We believe that in most instances the family is the best place for a child to grow. This includes the child's extended family or an adoptive family.
  2. We believe every family has strengths. We are committed to assisting families to build upon their strengths and ameliorate their shortcomings.
  3. We strive to help families discover their options, make constructive choices, and understand the consequences of their actions.
  4. We strive to be as responsive as we can to the unique needs of each and every family and to exercise our authority with sensitivity and compassion.
  5. We believe it is our responsibility to make reasonable and concerted efforts to help the families we serve to

succeed.

3. **Working with Communities:** We believe it is our responsibility to engage with our communities at all levels to develop and deliver the best possible services for our clients.
  1. We believe it is important to utilize community resources and expertise in a collaborative effort to improve services and enhance agency coordination.
  2. We strive to be open and responsive to community concerns and to work quickly to resolve differences and improve service delivery whenever possible.
  3. We believe it is important to educate community professionals and the public as to our policies, procedures, resources, and limitations.
  4. We encourage staff involvement in community projects, groups, boards, and committees that focus on the prevention, identification, and treatment of child abuse and neglect.
  5. We value the cultural diversity of our clients, staff, and community and are committed to furthering communication and understanding among all people.
4. **Encouraging Excellence:** We encourage and support a total commitment to excellence in all aspects and at all levels of CA employment.
  1. We strive constantly to improve our professional understanding and skills through training, workshops, community consultations, and ongoing evaluation of our policies, procedures, and practices.
  2. We encourage creative problem-solving and professional risk-taking.
  3. We are committed to developing cultural sensitivity and competence and to seeking out staff with diverse backgrounds, perspectives, and cultures.
  4. We strive to support the professional growth and development of staff and to provide opportunities for advancement.
  5. We believe in open communication, teamwork, and a shared decision-making process with an emphasis on accountability.

## **1300. SHARED DECISION-MAKING**

Staff are expected to utilize the Shared Decision-Making Matrix in Appendix C of this manual as the model for sharing information and decisions with supervisors, regional managers, and headquarters managers. Shared decision-making means systematically employing teams for key decisions, as described in the matrix.

## **1400. DECLARATIONS OF PURPOSE**

The following Declarations of Purpose are expressions of legislative intent or purpose and are intended as goals to be pursued by CA.

### **1410. Children And Family Services RCW 74.14A**

1. The family unit is the fundamental resource of American life that should be nurtured.
  1. The family unit should remain intact in the absence of compelling evidence to the contrary.
  2. The Legislature declares that the goal of serving emotionally disturbed and mentally ill children, potentially dependent children, and families-in-conflict is to provide services to them in their own homes and to avoid out-of-home placement of the child, when that form of care is premature, unnecessary, or inappropriate.

### **1420. Family Preservation Services - RCW 74.14C**

It is the intent of the Legislature to make accessible, within available funds, intensive services to children and families that are designed to prevent the unnecessary imminent placement of children in foster care, and are designed to facilitate reunification of children with their families. These services are known as family preservation services and are characterized by the following values, beliefs, and goals:

1. Safety of the child is always the first concern;
2. Children need their families and should be raised by their own families whenever possible;
3. Interventions should focus on family strengths and be responsive to individual family needs; and
4. Improvement of family functioning is essential in order to promote the child's health, safety and welfare, thereby allowing the family to remain intact and children to remain at home.

## **1430. Protection Of Children**

1. The bond between a child and his or her parent, custodian, or guardian is of paramount importance, and any intervention in the life of a child is also an intervention in the life of the parent, custodian, or guardian; however, instances of non-accidental injury, neglect, death, sexual abuse, and cruelty to children by their parents, custodians, or guardians have occurred, and in the instance where a child is deprived of his or her right to conditions of minimal nurture, health, and safety, the state is justified in emergency intervention based upon verified information; and therefore, the Washington State Legislature hereby provides for the reporting of such cases to the appropriate public authorities.
2. It is the intent of the Legislature that, as a result of such reports, protective services shall be made available in an effort to prevent further abuses, and to safeguard the general welfare of such children: Provided, that such reports shall be maintained and disseminated with strictest regard for the privacy of the subjects of such reports and so as to safeguard against arbitrary, malicious or erroneous information or actions: Provided further, that this chapter shall not be construed to authorize interference with child-raising practices, including reasonable parental discipline, which are not proved to be injurious to the child's health, welfare and safety.
3. The goal or purpose of Child Protective Services (CPS) shall be to protect children from child abuse and/or neglect (CA/N) while preserving the families' integrity to the maximum extent possible consistent with the safety and permanency needs of the child.
4. CPS shall be made available to safeguard the general welfare of children by providing services to ameliorate conditions, which endanger the welfare of children, and to coordinate necessary programs and services relevant to the prevention, intervention, and treatment of child abuse and neglect.
5. CPS is a priority program that is available in all geographic areas of the state of Washington.

## **1440. Families In Conflict RCW 13.32**

1. The family unit is the fundamental resource of American life, which should be nurtured and should remain intact in the absence of compelling evidence to the contrary. Within any group of people there exists a need for guidelines for acceptable behavior. Experience and maturity of parents make them better qualified to establish guidelines beneficial to and protective of their children. It is the right and responsibility of adults to establish laws for the benefit and protection of society; and in the same manner, the right and responsibility for establishing reasonable guidelines for the family unit belongs to the adults within that unit. Further, absent abuse or neglect, parents should have the right to exercise control over their children.
2. Family Reconciliation Services (FRS) are offered on a voluntary basis to families in conflict or with runaway children. The services are designed to develop skills and supports within families to resolve problems related to at-risk youth or family conflicts and may include, but are not limited to, referral to services for suicide prevention, psychiatric or other medical care, or psychological, welfare, legal, educational, or other social services, as appropriate to the needs of the child and family. Such services shall be provided to alleviate personal or family situations, which present a serious and imminent threat to the health or stability of the child or family and to maintain families intact wherever possible.
3. Legislative Intent
  1. It is the intent of the Legislature to:
    1. Preserve, strengthen, and reconcile families experiencing problems with at-risk youth;
    2. Provide a legal process by which parents who are experiencing problems with at-risk youth can request and receive assistance from juvenile courts in providing appropriate care, treatment, and

supervision to such youth; and

3. Assess the effectiveness of the Family Reconciliation Services program.
2. The Legislature does not intend by this enactment to grant any parent the right to file an at-risk youth petition or receive juvenile court assistance in dealing with an at-risk youth. The purpose of this enactment is to create a process by which a parent of an at-risk youth may request and receive assistance subject to the availability of juvenile court services and resources. Recognizing that these services and resources are limited, the Legislature intends that counties have the authority to impose reasonable limits on the utilization of juvenile court services and resources in matters related to at-risk youth. Any responsibilities imposed upon the department under this act shall be contingent upon the availability of funds specifically appropriated by the Legislature for such purpose. [RCW 13.32A.015](#)

## **1445. Notification Of Children's Whereabouts**

1. Reporting by the department. See sections 2580, 3400, or 4550 of the Practices and Procedures Guide for the reporting process.
  1. Children Receiving Services From Department Of Social And Health Services/Children's Administration:
    1. The Children's Administration will link parents to missing children by reporting missing children information to the missing children clearinghouse for those who are receiving departmental services in each of its administrative regions.
    2. Per RCW 13.60.040, the department shall notify the clearinghouse and the child's legal custodian, advising the custodian of the child's whereabouts or that the child is subject to a dependency action when the department has obtained information that a minor child has been located at a facility funded by the department.
  2. The department shall inform the clearinghouse when reunification occurs. [1999 c 267 § 18.] [RCW 13.60.040](#)

## **1450. Child Welfare Services RCW 74.13**

1. The purpose of child welfare services is to safeguard, protect and contribute to the welfare of the children of the state, through a comprehensive and coordinated program of public child welfare services providing for social services for children who require:
  1. guidance, care, control, protection, treatment or rehabilitation;
  2. setting of standards for social services and facilities for children; cooperation with public and voluntary agencies, organizations, and citizen groups in the development and coordination of programs and activities on behalf of children; and
  3. promotion of community conditions and the resources that help parents to discharge their responsibilities for the care, development and well-being of their children.

## **1460. Juvenile Dependency/Rights Of Children And Families RCW 13.34**

The family is a fundamental resource of American life that should be nurtured. Toward the continuance of this principle, the family unit should remain intact unless a child's right to conditions of basic nurture, health or safety is jeopardized. When the rights of basic nurture, physical and mental health, and safety of the child and the legal rights of the parents are in conflict, the rights and safety of the child should prevail. The right of a child to basic nurturing includes the right to a safe, stable, and permanent home and a speedy resolution of any court proceeding.

## **1470. Adoption RCW 26.33**

1. The purpose of adoption is to provide stable homes for children. Adoptions should be handled efficiently, but the

rights of all parties must be protected. The guiding principle must be determining what is in the best interest of the child. It is the intent of the Legislature that the adoption chapter should be used only as a means for placing children in adoptive homes and not as a means for parents to avoid responsibility for their children unless the department, an agency, or a prospective adoptive parent is willing to assume the responsibility for the child.

2. The department's adoption program is intended to meet the needs of children who are in the department's care and custody. The purpose is to provide opportunities for children to achieve permanent, nurturing families, when the child has no legal parent and to provide stable homes for children.

## **1480. Caretakers: Licensed Foster Family Homes And Relatives RCW 74.15**

The purposes of licensing include the following:

1. To safeguard the health, safety, and well-being of children and developmentally disabled persons receiving care away from their own homes, which is paramount over the right of any person to provide care.
2. To strengthen and encourage family unity and to sustain parental rights and responsibilities to the end that foster care is provided only when a child's family, through the use of all available resources, is unable to provide necessary care.
3. To promote the development of a sufficient number and variety of adequate child-care facilities, both public and private, through the cooperative efforts of public and voluntary agencies and related groups.
4. To provide consultation to agencies caring for children or developmentally disabled persons in order to help them to improve their methods of care and facilities for care.
5. To license agencies as defined in RCW 74.15.020 and to assure the users of such agencies, their parents, the community at large and the agencies themselves that adequate minimum standards are maintained by all agencies caring for children and developmentally disabled persons. RCW 74.15.010
6. To investigate any person, including relatives by blood or marriage except for parents, for character, suitability, and competence in the care and treatment of children and developmentally disabled persons prior to authorizing that person to care for children and developmentally disabled persons.

## **1490. Adoption Support RCW 74.13**

The purpose of Adoption support is:

1. To encourage, within the limits of available funds, the adoption of certain hard-to-place children in order to make it possible for children living in, or likely to be placed in, foster homes or institutions to benefit from the stability and security of permanent homes in which such children can receive continuous parental care, guidance, protection, and love, and to reduce the number of such children who must be placed or remain in foster homes or institutions until they become adults.
2. To try, by means of the program of Adoption Support authorized in RCW 26.33.320 and 74.13.100 through 74.13.145, to reduce the total cost to the state of foster home and institutional care. [RCW 74.13.100](#)

Notice shall be by certified mail with return receipt requested. If the identity or location of the parent or Indian custodian and the tribe cannot be determined, notice shall be given to the secretary of the interior in the manner described in 25 C.F.R. 23.11. If the child may be a member of more than one tribe, the petitioning party shall send notice to all tribes the petitioner has reason to know may be affiliated with the child. The notice shall:

  2. The process does not apply in circumstances where the complainant has the right under Title 13, 26, or 74 RCW to seek resolution of the complaint through judicial review or through an adjudicative proceeding.

2. The department, in conjunction with a national independent accreditation entity, shall report to the appropriate

## 4130. Permanency Planning

It is an expression of legislative intent that the family unit is a fundamental resource to be nurtured. The family unit should remain intact unless a child's right to conditions of basic nurture, physical and mental health, or safety is jeopardized and should remain intact in the absence of compelling evidence to the contrary. When this right of basic wellbeing is in conflict with the legal rights of the parents, the rights and safety of the child should prevail. In making reasonable efforts under chapter 13.34 RCW, the child's health and safety shall be the paramount concern. [RCW 13.34.020](#)

1. A permanency plan shall be developed no later than 60 days from the time the supervising agency assumes responsibility for providing services, including placing the child, or at the time of a hearing under RCW 13.34.130, whichever occurs first. The permanency planning process continues until a permanency planning goal is achieved or dependency is dismissed. The planning process shall include reasonable efforts to return the child to the parent's home. [RCW 13.34.145](#)
2. Whenever a child is placed in out-of-home care pursuant to RCW 13.34.130, the agency that has custody of the child shall provide the court with a written permanency plan of care directed towards securing a safe, stable, and permanent home for the child as soon as possible. The plan shall identify one of the following outcomes as a primary goal and may identify additional outcomes as alternative goals:
  1. Return of the child to the home of the child's parent, guardian, or legal custodian;
  2. Adoption;
  3. Permanent legal custody;
  4. Guardianship; or
  5. Long-term relative or foster care placement, until the child is age 18, with a written agreement between the parties and the care provider; a responsible living skills program; and independent living, if appropriate and if the child is age 16 or older.
6. Whenever a permanency plan identifies independent living as a goal, the plan shall also specifically identify the services that will be provided to assist the child to make a successful transition from foster care to independent living.
  1. Before the court approves independent living as a permanency plan of care, the court shall make a finding that the provisions of services to assist the child in making a transition from foster care to independent living will allow the child to manage his or her financial, personal, social, educational, and non-financial affairs. The department shall not discharge a child to an independent living situation before the child is 18 years of age unless the child becomes emancipated pursuant to Chapter 13.64 RCW. [RCW 13.34.145](#)
  2. For definitions of "guardianship," "permanent custody order," and "permanent legal custody" as they relate to permanency planning, see [Appendix A](#).
  3. Independent living services include assistance in achieving basic educational requirements such as a GED, enrollment in vocational and technical training programs offered at community and vocational colleges, and obtaining and maintaining employment; and accomplishing basic life skills such as money management, nutrition, preparing meals, and cleaning house. A baseline skill level in ability to function productively and independently shall be determined at entry. Performance shall be measured and must demonstrate improvement from involvement in the program. Each recipient shall have a plan for achieving independent living skills by the time the recipient reaches age twenty-one. The plan shall be written within the first thirty days of placement and reviewed every ninety days. A recipient who fails to consistently adhere to the elements of the plan shall be subject to reassessment by the professional staff of the program and may be declared ineligible to receive services. [RCW 74.13.031](#)

3. See section 4426 below, for placement documentation requirements.
4. The approval of a permanency plan that does not contemplate return of the child to the parent does not relieve the supervising agency of its obligation to provide reasonable services under RCW 13.34, intended to effectuate the return of the child to the parent, including, but not limited to, visitation rights. [RCW 13.34.145](#)
5. Nothing in Chapter 13.34 RCW may be construed to limit the ability of the agency that has custody of the child to file a petition for termination of parental rights or a guardianship petition at any time following the establishment of dependency. Upon the filing of such a petition, a fact-finding hearing shall be scheduled and held in accordance with Chapter 13.34 RCW unless the agency requests dismissal of the petition prior to the hearing or unless the parties enter an agreed order terminating parental rights, establishing guardianship, or otherwise resolving the matter. [RCW 13.34.145](#)
6. The court hearing the dependency petition may hear and determine issues related to Chapter 26.10 RCW in a dependency proceeding as necessary to facilitate a permanency plan for the child or children as part of the dependency disposition order or a dependency review order or as otherwise necessary to implement a permanency plan of care for the child.
  1. The parents, guardians, or legal custodian of the child must agree, subject to court approval, to establish a permanent custody order. This agreed order may have the concurrence of the other parties to the dependency including the supervising agency, the guardian ad litem of the child, and the child if age 12 or older, and must also be in the best interest of the child.
  2. If the petitioner for a custody order under Chapter 26.10 RCW is not a party to the dependency proceeding, he or she must agree on the record or by the filing of a declaration to the entry of a custody order. Once an order is entered under Chapter 26.10 RCW, and the dependency petition dismissed, the department shall not continue to supervise the placement.
  3. Any court order determining issues under Chapter 26.10 RCW is subject to modification upon the same showing and standards as a court order determining Title 26 RCW issues. [RCW 13.34.155](#)
  4. Any order entered in the dependency court establishing or modifying a permanent custody order under Chapter 26.10 RCW shall also be filed in the Chapter 26.10 RCW action by the prevailing party. Once filed, any order establishing or modifying permanent legal custody shall survive dismissal of the dependency proceeding. [RCW 13.34.155](#)

## **4140. Information Sharing**

In order to facilitate communication of information needed to serve the best interest of any child who is the subject of a dependency case filed under this chapter, the Department of Social and Health Services (DSHS) shall, consistent with state and federal law governing the release of confidential information, establish guidelines, and shall use those guidelines for the facilitation of communication of relevant information among divisions, providers, the courts, the family, caregivers, caseworkers, and others. ## **4400. OUT-OF-HOME CASE PLANNING**

### **4410. Case Plans**

1. CA or the agency responsible for supervising a child in out-of-home care, shall conduct a social study whenever a child is placed in out-of-home care under the supervision of the department or other agency. The study shall be conducted prior to placement, or, if it is not feasible to conduct the study prior to placement due to the circumstances of the case, the study shall be conducted as soon as possible following placement.
2. The social study shall include, but not be limited to, an assessment of the following factors:
  1. The safety of the child;
  2. The physical and emotional strengths and needs of the child to include all identified needs resulting from a screening within 30 days of placement;
  3. The proximity of the child's placement to the child's family to aid reunification;
  4. The possibility of placement with the child's relatives or extended family;

5. The racial, ethnic, cultural, and religious background of the child;
6. The least restrictive, safe, and most family-like placement reasonably available and capable of meeting the child's needs; and

## 4420. Placement Planning

1. To provide stability to children in out-of-home care, placement selection shall be made with a view toward safety and the fewest possible placements for the child. If possible, the initial placement shall be viewed as the only placement for the child. The use of short-term interim placements of thirty (30) days or less, to protect the child's health or safety while the placement of choice is being arranged, is not a violation of this principle. [RCW 74.13.290](#); 42 USC 675, Sec. 475.
2. The department may purchase care for children and shall follow in general the policy of using properly approved private agency services for the actual care and supervision of such children insofar as they are available. CA shall coordinate placement planning with private agencies. [RCW 74.13.031](#); [RCW 74.13.300](#)

## 4421. Considerations before Placing a Child

Before deciding whether to place a child, DCFS will consider:

1. The safety of the child.
2. The unmet critical needs of the child.
3. Parental ability and/or availability to meet the child's needs.
4. Alternatives other than placement -- in-home services are to be explored.
5. Foster care respite service. [RCW 13.34.130](#); 42 USC 675, Sec. 475

## 4422. Most Family-Like Setting

When out-of-home placement is necessary, children will be placed in the most family-like setting which also meets their needs. The following placement resources are ranked in order from least restrictive (most family-like) to most restrictive (least family-like):

1. Child's biological or adoptive parents.
2. Relative placement, including any blood relative, including those of half blood, and including first cousins, nephews, nieces, and persons of preceding generations as denoted by prefixes of grand, great, or great-great; stepfather, stepmother, stepbrother, and stepsister; brother, sister, uncle or aunt; a person who legally adopts child or the child's parent as well as the natural and other legally adopted children of such persons, and other relatives of the adoptive parents in accordance with state law; and spouses of any persons named herein, even if the marriage is terminated. The proposed placement must be a person with whom the child has a relationship and is comfortable, and who is willing and available to care for the child.
3. Family foster home or group care facility licensed pursuant to RCW 74.15 or not required to be licensed pursuant to chapter 74.15 RCW.
4. Institutional care (medical hospitals, mental health institutions, residential habilitation centers). [RCW 13.32A.030](#); [RCW 13.34.130](#); [RCW 74.15.020](#)(4)
5. For Native American children, extended family members, as defined by law or custom of the child's tribe or, in the absence of such law or custom, a person who has reached the age of 18 and who is child's grandparent, aunt or uncle, brother or sister, brother-in-law or sister-in-law, niece or nephew, first or second cousin, or stepparent who provides care in the family abode on a 24-hour basis to a Native American/Indian child as defined in 25 USC Section 1903(4). [RCW 74.15.020](#)(4)

## 4423. Preferences for Placement

When out-of-home placement services are necessary:

1. Relative Placement
  1. CA will give preference to placement of the child with a relative as defined in RCW 74.15.020 and section 4422. Unless there is reasonable cause to believe that the safety or welfare of the child would be jeopardized or that efforts to reunite the parent and child would be hindered, children shall be placed with relatives. [RCW 13.34.130](#)
  2. Relative searches will be made early in the CA involvement with the family and periodically throughout the time of out-of-home placement. See chapter 5000, section 5750, for requirements to place children needing shelter care with relatives. [RCW 13.34.130](#)
2. Parental Placement Wishes CA staff shall, absent good cause, follow the wishes of the natural parent regarding the placement of the child. Preferences such as family constellation, and religion shall be considered when matching children to foster homes. Unless a compelling reason is identified, a child shall not be placed in a home of an identified ethnicity except when the Indian Child Welfare Act guides placement preferences. Parental authority is appropriate in areas that are not connected with the abuse or neglect that resulted in the dependency and shall be integrated through the foster care team. [RCW 13.34.260](#); 42 USC 671a

## 4424. Best Interest of the Child

The health, safety, and welfare needs of the child are met by exploring a number of factors when selecting a placement including:

1. Consideration of the long-term permanent plan for the child. [RCW 13.34.130](#)
2. The relationship of family to the child. [RCW 74.14A.020](#)
3. The child and family's network of social bonds in the community. [RCW 74.14A.020](#); [RCW 74.14A.025](#)
4. The physical, emotional, developmental, and social needs of the child. [RCW 74.14A.020](#)
5. The child's age, sex, racial, ethnic, linguistic, religious and cultural background and identity. A foster or adoptive family need not be of the same ethnic background as the child in order to meet the ethnic or cultural needs of the child. Unless a compelling reason is identified, children will not be matched on the basis of race to foster or adoptive families. [RCW 74.14A.020](#); [RCW 74.14A.025](#); 42 USC 671a
6. The placement history of the child. [RCW 74.14A.020](#)
7. The availability of least restrictive and appropriate placement resources which will facilitate continued interaction between the parent and the child. [RCW 13.34.130](#)
8. Continuity of school and special services needed. [RCW 13.34.130](#)
9. Proximity to the birth parents' home and the ability to maximize opportunities for parent-child visitation. [RCW 13.34.130](#); [RCW 74.14A.020](#)
10. The child's siblings' placement status. [RCW 74.14A.020](#)
11. Consideration of how this placement resource will help preserve the relationship of the child to his/her family. [RCW 74.14A.020](#)

## 4425. Cultural Needs of Child and Family

1. CA will attempt to select placements that meet the cultural needs of the child and family. See section 4424 paragraph E above. Services include:
2. Training culturally competent foster parents.
3. Providing interpreters and communication services such as sign language translators for LEP clients.
4. Selecting culturally responsive home-based and community services.

2. CA shall document efforts to place the child with a relative, describing if particular relative placements would be detrimental or if relatives are not available. [RCW 74.15.020](#)
3. For a child whose permanency plan is adoption or placement in another permanent home, the department must document steps it is taking to find an adoptive family or other permanent living arrangement for the child. The department also must document steps it is taking to place the child with:
  1. A fit and willing relative;
  2. An adoptive family;
  3. A legal guardian; or
  4. Another planned permanent living arrangement; and
  5. To finalize the adoption or legal guardianship. 42 USC 675 Sec. 475

## **4500. PLACEMENT CASE PLANNING**

1. When making an adoptive or out-of-home placement decision, the emphasis must be placed on the best interest of the child, taking into account the particular child, parents, and circumstances. [RCW 26.33.010](#)
2. An adoption or out-of-home placement shall not be delayed or denied on the basis of the race, color, or national origin of the adoptive or foster parent or the child involved. This provision does not apply to nor affect the Indian Child Welfare Act of 1978, 25 USC, Section 1901 et seq. 42 USC 671a; [RCW 26.33.010](#)
3. The department shall consider giving preference to an adult relative over a non-related caregiver when determining a placement for a child, provided that the relative caregiver meets all relevant state child protection standards. 42 USC 471
4. CA shall not deny or delay the placement of the child for adoption when an approved family is available outside the jurisdiction or office with responsibility for handling the case of the child. 42 USC 671a
5. CA shall grant an opportunity for a fair hearing to an individual who alleges that the state has denied or delayed the placement of a child contrary to the requirements of paragraph B or D above. 42 USC 671a

All services and case activity shall be directed towards achieving the permanency planning goals and health, safety, and welfare of the child. [RCW 13.34.](#); 42 USC 675, Sec. 475, [RCW 13.34.145](#); [RCW 74.14A.020](#); [RCW 74.14A.025](#);

## **5200. FAMILY PRESERVATION**

It is a legislative goal that protecting the health and safety of children is paramount. Within available funds, the department shall focus child welfare services on protecting the child, strengthening families and, to the extent possible, provide necessary services in the family setting, while drawing upon the strengths of the family. The department, where available and appropriate, may arrange for family preservation services to prevent the need for placement. These services emphasize the safety of the child, value family unity, and focus on individual family members' strengths. [RCW 74.14C.005](#); [RCW 74.14A.020](#)

2. A person with whom a child is placed pursuant to RCW 13.32A and who acts reasonably and in good faith is immune from civil or criminal liability for the act of receiving the child. The immunity does not release the person from liability under any other law. [RCW 13.32A.070](#)
3. Any person who, without legal authorization, provides shelter to a minor and who knows at the time of providing the shelter that the minor is away from the parents home without the permission of the parent, or other lawfully prescribed residence, shall promptly report the location of the child to the parent, the law enforcement agency of the jurisdiction in which the person lives, or the department's local DCFS office. ## 5500. OUT-OF-HOME PLACEMENT

### 5510. Parent/Child Non-Agreement of Out-of-Home Placement

Where either a child or the child's parent or the person or facility currently providing shelter to the child notifies the center that such individual or individuals cannot agree to the continuation of an out-of-home placement arrived at pursuant to RCW 13.32A.090, the administrator of the center shall immediately contact the remaining party or parties to the agreement and shall attempt to bring about the child's return home or to an alternative living arrangement agreeable to the child and the parent as soon as practicable. [RCW 13.32A.120](#)

### 5520. Petition to Approve an Out-of-Home Placement

1. If a child and his or her parent cannot agree to an out-of-home placement under RCW 13.32A.090, either the child or parent may file with the juvenile court a CHINS petition to approve an out-of-home placement or the parent may file with the juvenile court a CHINS petition in the interest of a child alleged to be an at-risk youth. [RCW 13.32A.120](#)
2. Unless the department files a dependency petition, the department shall file a CHINS petition to approve an out-of-home placement on behalf of a child under any of the following sets of circumstances.
  1. The child has been admitted to a CRC or has been placed by the department in an out-of-home placement, and:
    1. The parent has been notified that the child was admitted or placed;
    2. The child cannot return home, and legal authorization is needed for out-of-home placement beyond 72 hours;
    3. No agreement between the parent and the child as to where the child shall live has been reached;
    4. No CHINS petition has been filed by either the child or parent;
    5. The parent has not filed an at-risk youth petition; and
    6. The child has no suitable place to live other than the home of his or her parent.

Under the circumstances of this section, the child shall remain in an outof- home placement until a CHINS petition filed by the department on behalf of the child is reviewed and resolved by the juvenile court. The department may authorize emergency medical or dental care for a child admitted to a CRC or placed in out-of-home placement by the department. The state, when the department files a CHINS petition under this section, shall be represented as provided for in RCW 13.04.093. [RCW 13.32A.140](#)

2. The child has been admitted to a CRC and:
  1. Seventy-two hours, including Saturdays, Sundays, and holidays, have passed since placement;
  2. The staff, after searching with due diligence, have been unable to contact the parent of such child; and
  3. The child has no suitable place to live other than the home of his or her parent. [RCW 13.32A.140](#)
3. An agreement between parent and child made pursuant to RCW 13.32A.090 or RCW 13.32A.120 is no longer acceptable to parent or child; and
  1. The party to whom the arrangement is no longer acceptable has so notified the department;
  2. Seventy-two hours, including Saturdays, Sundays, and holidays, have passed since such notification;
  3. No new agreement between parent and child as to where the child shall live has been reached;
  4. No CHINS petition has been filed by either the child or the parent;
  5. The parent has not filed an at-risk youth petition; and
  6. The child has no suitable place to live other than the home of his or her parent. [RCW 13.32A.140](#)

3. Under the circumstances outlined above, the child shall remain in out-of-home placement until a CHINS petition filed by the department on behalf of the child is reviewed and resolved by the juvenile court. The department may authorize emergency medical or dental care for a child placed under these circumstances. [RCW 13.32A.140](#)
4. Family Assessment and Filing of a Petition
  1. Except as otherwise provided in chapter 13.32A RCW, the juvenile court shall not accept the filing of a CHINS petition by the child or the parents or the filing of an at-risk youth petition by the parent, unless verification is provided that the department has completed a family assessment. The family assessment shall involve the multi-disciplinary team, if one exists. The family assessment or plan of services developed by the multi-disciplinary team shall be aimed at family reconciliation, reunification, and avoidance of the out-of-home placement of the child. If the department is unable to complete an assessment within two working days following a request for assessment, the child or the parents may proceed to file with the juvenile court a petition to approve an out-of-home placement. [RCW 13.32A.150](#)
  2. The department shall, when requested, assist either a parent or child in the filing of the petition. The petition must be filed in the county where the parent resides. The petition shall allege that the child is a CHINS and shall ask only that the placement of a child outside the home of his or her parent be approved. The filing of a petition to approve the placement is not dependent upon the courts having obtained any prior jurisdiction over the child or his or her parent, and confers upon the court a special jurisdiction to approve or disapprove an out-of-home placement under chapter 13.32A RCW. [RCW 13.32A.150](#)
  3. A petition may not be filed if the child is the subject of a proceeding under chapter 13.34 RCW. [RCW 13.32A.150](#)
5. Whenever a CHINS petition is filed by: (a) A youth pursuant to RCW 13.32A.150; (b) the child or the child's parent pursuant to RCW 13.32A.120; or (c) the department pursuant to RCW 13.32A.140, the filing party shall have a copy of the petition served on the parents of the youth. Service shall first be attempted in person and, if unsuccessful, then by certified mail with return receipt. [RCW 13.32A.152](#)
6. Whenever a CHINS petition is filed by a youth or parent pursuant to RCW 13.32A.150, the court shall immediately notify the department that a petition has been filed. [RCW 13.32A.152](#)

## **5530. Fact-Finding Hearing**

1. The department may present evidence at a fact-finding hearing based upon a CHINS petition and shall recommend approval or dismissal of the petition. [RCW 13.32A.160](#); [RCW 13.32A.170](#)
  1. When a CHINS petition to approve an out-of-home placement is filed under RCW 13.32A.120, 13.32A.140, or 13.32A.150, the juvenile court shall:
    1. Schedule a fact-finding hearing to be held:
      1. For a child who resides in a place other than his or her parents home and other than an out-of-home placement, within five calendar days unless the last calendar is a Saturday, Sunday, or holiday, in which case the hearing shall be held on the preceding judicial day; or
      2. For a child living at home or in an out-of-home placement, within 10 days; and
      3. Notify the parent, child, and the department of the hearing date.
    2. Notify the parent of the right to be represented by counsel and, if indigent, to have counsel appointed for him or her by the court.
    3. Appoint legal counsel for the child.
    4. Inform the child and his or her parent of the legal consequences of the court approving or disapproving a CHINS petition.
    5. Notify the parents of their rights under chapters 13.32A, 11.88, 13.34, 70.96A, and 71.34 RCW, including the right to file an at-risk youth petition, the right to submit an application for admission of their child to a treatment facility for alcohol, chemical dependency, or mental health treatment, and the right to file a guardianship petition.
    6. Notify all parties, including the department, of their right to present evidence at the fact-finding hearing.
  2. Upon filing of a CHINS petition, the child may be placed, if not already placed, by the department in a CRC, foster family home, group home facility licensed under chapter 74.15 RCW, or any other suitable residence other than a HOPE center to be determined by the department. The court may place a child in a

CRC for temporary out-of-home placement as long as the requirements of RCW 13.32A.125 are met.

3. If the child has been placed in a foster family home or group care facility under chapter 74.15 RCW, the child shall remain there, or in any other suitable residence other than a HOPE center as determined by the department, pending resolution of the petition by the court. Any placement may be reviewed by the court within three judicial days upon the request of the juvenile or the juveniles parent. [RCW 13.32A.160](#)
2. If the court orders a three-month out-of-home placement for the child, the court shall specify the person or agency with whom the child shall be placed, those parental powers which will be temporarily awarded to such agency or person including but not limited to the right to authorize medical, dental, and optical treatment, and parental visitation rights. Any agency or residence at which the child is placed must, at a minimum, comply with minimum standards for licensed family foster homes. [RCW 13.32A.180](#)
3. Disposition Hearing
  1. A disposition hearing shall be held no later than 14 days after the approval of the temporary out-of-home placement. The parents, child, and department shall be notified by the court of the time and place of the hearing. [RCW 13.32A.179](#)
  2. At the conclusion of the disposition hearing, the court may:
    1. Reunite the family and dismiss the petition;
    2. Approve an at-risk youth petition filed by the parents and dismiss the CHINS petition;
    3. Approve an out-of-home placement requested in the CHINS petition by the parents; or
    4. Order an out-of-home placement at the request of the child or the department not to exceed 90 days.
  3. At any time, the court may order the department to review the matter for the purpose of filing a dependency petition under chapter 13.34 RCW.
  4. Whether or not the court approves or orders an out-of-home placement, the court may also order any conditions of supervision as set forth in RCW 13.32A.19 [RCW 13.32A.179](#)
  5. The court may enter an order under paragraph C.2.d above only if it finds by clear, cogent, and convincing evidence that:
    1. The order is in the best interest of the family; the parents have not requested an out-of-home placement; the parents have not exercised any other right listed in RCW 13.32A.160.
      1. The child has made reasonable efforts to resolve the problems that led to the filing of the petition;
      2. The problems cannot be resolved by delivery of services to the family during continued placement of the child in the parental home;
      3. Reasonable efforts have been made to prevent or eliminate the need for removal of the child from the child's home and to make it possible for the child to return home; and
      4. A suitable out-of-home placement resource is available.
    2. The order is in the best interest of the child, and the parents are unavailable; or
    3. The parents' actions cause an imminent threat to the child's health or safety. [RCW 13.32A.179](#)
  6. The court may order the department to submit a dispositional plan if such a plan would assist the court in ordering a suitable disposition in the case. The plan, if ordered, shall address the needs of the child, and perceived needs of the parents if the order was entered under paragraph C.2.d of this section or if specifically agreed to by the parents. If the parents do not agree or the order was not entered under paragraph C.2.d of this section, the plan may only make recommendations regarding services in which the parents may voluntarily participate. If the court orders the department to prepare a plan, the department shall provide copies of the plan to the parent, the child, and the court. If the parties or the court desire the department to be involved in any future proceedings or case plan development, the department shall be provided with timely notification of all court hearings. [RCW 13.32A.179](#)
  7. In a disposition hearing, after a finding that a child is CHINS or an at-risk youth, the court may adopt the additional orders authorized under this section if it finds that the child involved in those proceedings is not eligible for inpatient treatment for a mental health or substance abuse condition and requires special treatment.
    1. The court may order that a child be placed in a staff secure facility, other than a CRC, that will provide for the child's participation in a program designed to remedy his or her behavioral difficulties or needs.
    2. The court may not enter this order unless, at the disposition hearing, it finds that the placement is clearly necessary to protect the child and that a less restrictive order would be inadequate to protect

the child, given the child's age, maturity, propensity to run away from home, past exposure to serious risk when the child ran away from home, and possible future serious risk if the child ran away from home, and possible future exposure to serious risk should the child run away from home again.

3. Placements in staff secure facilities under this section shall be limited to children who meet the statutory definition of a CHINS or an at-risk youth as defined in RCW 13.32A.030.
4. State funds may only be used to pay for placements under this section if, and to the extent that, such funds are appropriated expressly to pay for them. [RCW 13.32A.197](#)
4. A child who fails to comply with a court order issued under RCW 13.32A.179 shall be subject to contempt proceedings, as provided in chapter 13.32A RCW, but only if the noncompliance occurs within one year after the entry of the order. [RCW 13.32A.179](#)
5. In all CHINS and at-risk youth proceedings, the court shall verbally notify the parents and the child of the possibility of a finding of contempt for failure to comply with the terms of a court order entered pursuant to chapter 13.32A RCW. Except as otherwise provided in RCW 13.32A.250, the court shall treat the parents and the child equally for the purposes of applying contempt of court processes and penalties. [RCW 13.32A.250](#)
6. Failure by a party to comply with an order entered under chapter 13.32A RCW is a contempt of court as provided in Chapter 7.21 RCW. The court may impose a fine of up to 100 dollars and confinement for up to seven days, or both. [RCW 13.32A.250](#)
  1. A child placed in confinement for contempt under RCW 13.32A.250 shall be placed in confinement either in a secure juvenile detention facility operated by or pursuant to a contract with a county or, through June 30, 2002, a secure facility that is a separate, secure section of a juvenile detention facility. In no case may a child in contempt be confined in a secure facility that is free-standing outside a juvenile detention facility. [RCW 13.32A.250](#)
  2. A motion for contempt may be made by a parent, a child, juvenile court personnel, or by any public agency, organization, or person having custody of the child under a court order adopted pursuant to chapter 13.32A RCW. [RCW 13.32A.250](#)
  3. Whenever the court finds probable cause to believe, based upon consideration of a motion for contempt and the information set forth in a supporting declaration, that a child has violated a placement order entered under Chapter 13.32A RCW, the court may issue an order directing law enforcement to pick up and take the child to detention or, effective June 9, 2000, through June 30, 2002, to a secure facility. The order may be entered ex parte without prior notice to the child or other parties. Following the child's admission to detention or, effective June 9, 2000, through June 30, 2002, to the secure facility, a review hearing must be held in accordance with RCW 13.32A.06 [RCW 13.32A.250](#)
7. No placement made pursuant to RCW 13.32A.180 may be in a secure residence as defined by the federal Juvenile Justice and Delinquency Prevention Act of 1974 [RCW 13.32A.180](#)
8. Dismissal of an Out-of-Home Placement-After the court approves or orders an out-of-home placement, the parents or the department may request, and the juvenile court may grant, dismissal of the CHINS proceeding when it is not feasible for the department to provide services due to one or more of the following circumstances:
  1. The child has been absent from court approved placement for 30 consecutive days or more;
  2. The parents or the child, or all of them, refuse to cooperate in available, appropriate intervention aimed at reunifying the family; or
  3. The department has exhausted all available and appropriate resources that would result in reunification. [RCW 13.32A.179](#); [RCW 13.32A.190](#)
  4. The court shall terminate a placement made under RCW 13.32A.190 upon the request of a parent unless the placement is made pursuant to RCW 13.32A.179. [RCW 13.32A.179](#); [RCW 13.32A.190](#)
  5. The court may dismiss a CHINS petition filed by a parent at any time if the court finds good cause to believe that continuation of out-of-home placement would serve no useful purpose.
  6. The court shall dismiss a CHINS proceeding if the child is the subject of a proceeding under chapter 13.34 RCW. [RCW 13.32A.190](#)

## 5540. At-Risk Youth Petition

1. A child's parent may file with the juvenile court a petition in the interest of a child alleged to be an at-risk youth.

The department shall, when requested, assist the parent in filing the petition.

2. The petition shall set forth facts that support the allegations and shall generally request relief available under Chapter 13.32A RCW. The petition need not specify any proposed disposition following adjudication of the petition.
3. A petition may not be filed if a dependency petition is pending under chapter 13.34 RCW. [RCW 13.32A.150](#)
4. When a proper at-risk petition is filed, the court may order the department to submit a disposition plan if such a plan would assist the court in ordering a suitable disposition in the case. If the court orders the department to prepare a plan, the department shall provide copies of the plan to the parent, the child, and the court. If the parties or the court desire the department to be involved in any future proceedings or case plan development, the department shall be provided timely notification of all court hearings. [RCW 13.32A.194](#)

The court may place a child in a CRC for a temporary out-of-home placement as long as the requirements of RCW 13.32A.125 are met. [RCW 13.32A.160](#)
2. If the child has been placed in a foster family home or group care facility under Chapter 74.15 RCW, the child shall remain there, or in any other suitable residence as determined by the department, pending resolution of the petition by the court. Any placement may be reviewed by the court within three judicial days upon the request of the child or the child's parent.

2. A law enforcement officer shall take a child into custody:
  1. If a law enforcement agency has been contacted by the parent of the child that the child is absent from parental custody without consent; or
  2. If a law enforcement officer reasonably believes, considering the child's age, the location, and the time of day, that a child is in circumstances which constitute a danger to the child's safety or that a child is violating a local curfew ordinance; or
  3. If an agency legally charged with the supervision of a child has notified a law enforcement agency that the child has run away from placement; or
  4. If a law enforcement agency has been notified by the juvenile court that the court finds probable cause exists to believe that the child has violated a court placement order issued pursuant to chapter 13.32A RCW or 13.34 RCW or that the court has issued an order for law enforcement pick-up of the child under chapter 13.32A RCW or 13.34 RCW. [RCW 13.32A.050](#)
  5. If the child expresses fear or distress at the prospect of being returned to his or her home which leads the officer to believe there is a possibility that the child is experiencing some type of abuse or neglect.
  6. It is not practical to take the child to his or her home or place of the parent's employment.
  7. There is no parent available to accept custody of the child. [RCW 13.32A.060](#)
3. Law enforcement custody shall not extend beyond the amount of time reasonably necessary to transport the child to a destination authorized by law and to place the child at that destination. Law enforcement custody continues until the law enforcement officer transfers custody to a person, agency, or other authorized entity under chapter RCW 13.32A RCW, or releases the child because no placement is available. Transfer of custody is not complete unless the person, agency, or entity to whom the child is released agrees to accept custody. [RCW 13.32A.050](#)
4. If a law enforcement officer takes a child into custody pursuant to this subsection and transports the child to a

CRC, the officer shall, within 24 hours of delivering the child to the center, provide to the center a written report detailing the reasons the officer took the child into custody. The center shall provide the department with a copy of the officers report. [RCW 13.32A.050](#)

5. If the law enforcement officer who initially takes the child into custody or the staff of the CRC have reasonable cause to believe that the child is absent from home because he or she is abused or neglected, a report shall be made immediately to the department. [RCW 13.32A.050](#)
6. If a law enforcement officer has a reasonable suspicion that a child is being unlawfully harbored in violation of RCW 13.32A.080, the officer shall remove the child from the custody of the person harboring the child and shall transport the child to one of the locations specified in RCW 13.32A.060. [RCW 13.32A.050](#)

## **5630. Prior to Placement of a Child**

For placements other than shelter care cases, in which case a dependency petition would need to be filed within 72 hours, the following are applicable:

1. Obtain legal authority to place child. [RCW 13.34.050](#); [RCW 13.34.060](#)
2. Investigate, including a criminal history/arrest record and CPS check, any person, including relatives by blood or marriage except for parents, for character, suitability, and competence in the care and treatment of children prior to authorizing that person to care for children:
  1. If a child is placed with a relative under a section of RCW 13.3 or RCW 13.34.130, and if such relative appears otherwise suitable and competent to provide care and treatment, the criminal history background check required by this section need not be completed before placement, but shall be completed as soon as possible after placement. [RCW 74.15.030](#)
  2. When individual providers are paid by the state or providers are paid by home care agencies to provide in-home services involving unsupervised access to persons with physical, mental, or developmental disabilities or mental illness, or to vulnerable adults as defined in Chapter 74.34, including but not limited to services provided under Chapter 74.30 or 74.39A RCW. [RCW 43.43.832](#)
3.   1. The fingerprints shall be forwarded to the Washington State Patrol and Federal Bureau of Investigation (FBI) for a criminal history records check.
  2. The fingerprint criminal history records check will be at the expense of the licensee, except that in the case of a foster family home, if this expense would create a hardship on the licensee, the department shall pay the expense.
  3. The licensee may not pass this cost on to the employee or prospective employee, unless the employee is determined to be unsuitable due to his or her criminal history record. [RCW 74.15.030](#)
4. If a FBI check is required in addition to the state background check by the department, effective June 9, 2000, an applicant for employment with an agency licensed or certified under chapter 74.15 RCW who is not disqualified based on the results of the state background check shall be eligible for a 120 day provisional approval to hire, pending the outcome of the FBI check. See [Appendix A](#) for the definition of applicant.
  1. The department may extend the provisional approval until receipt of the FBI check.
  2. If the FBI check disqualifies an applicant, the department shall notify the requestor that the provisional approval to hire is withdrawn and the applicant may be terminated. [RCW 43.43.832](#)

  1. There is an adult in the home who, as a result of:
    1. His or her employment; and
    2. An allegation of abuse or neglect of the child, conducts or has conducted an investigation of the allegation; or
  2. The child has been, is, or is likely to be a witness in any pending cause of action against any adult in the home when the cause includes:
    1. An allegation of abuse or neglect against the child or any sibling of the child; or
    2. A claim of damages resulting from wrongful interference with the parent-child relationship of the child and his or her biological or adoptive parent.

[RCW 74.13.300](#)

See [RCW 71.34.042](#) regarding the ability for self-admission of a child age 13 or above. If the child's parent, legal guardian, or legal custodian is unavailable or does not agree with the proposed admission, the department shall request a hearing and provide notice to all interested parties to seek prior approval of the juvenile court before such admission. In the event that an emergent situation creating a risk of substantial harm to the health and welfare of a child in the custody of the department does not allow time for the department to obtain prior approval or to request a court hearing before consenting to the admission of the child into an inpatient mental health hospital, the department shall seek court approval by requesting that a hearing be set on the first available court date. [RCW 13.34.320](#)
2. A dependent child who is admitted to an inpatient mental health facility shall be placed in a facility, with available treatment space, that is closest to the family home, unless the department, in consultation with the admitting authority finds that admission in the facility closest to the child's home would jeopardize the health or safety of the child. [RCW 13.34.330](#)
3. For minors who cannot consent to the release of their records with the department because they are not old enough to consent to treatment, or, if old enough, lack the capacity to consent, or if the minor is receiving treatment involuntarily with a provider the department has authorized to provide mental health treatment under paragraph A above, the department shall disclose, upon the treating physician's request, all relevant records, including the minor's passport as established under RCW 74.13.285, in the department's possession that the treating physician determines contain information required for treatment of the minor.   3. The petition and supporting documentation must be served on the parent, and if the child is in custody at the time the child is removed, on the entity with custody other than the parent. Failure to effect service does not invalidate the petition if service was attempted and the parent could not be found. [RCW 13.34.050](#)

The order may be entered ex parte without prior notice to the child or other parties. 1. A child taken into custody pursuant to RCW 13.34.050 or 26.44.050 shall be immediately placed in shelter care. No child may be held longer than 72 hours, and the court shall hold a shelter care hearing within 72 hours, excluding Saturdays, Sundays, and holidays, after such child is taken into custody unless a court order has been entered for continued shelter care.

6. If the court does not release the child to his or her parent, guardian, or legal custodian, and the child was initially placed with a relative pursuant to RCW 13.34.060, the court shall order continued placement with a relative, unless there is reasonable cause to believe the safety or welfare of the child would be jeopardized.
  1. If the child was not initially placed with a relative, and the court does not release the child to his or her parent, guardian, or legal custodian, the supervising agency shall make reasonable efforts to locate a relative pursuant to RCW 13.34.060.
  2. If a relative is not available, the court shall order continued shelter care or order placement with another suitable person and shall set forth its reasons for the order.
  3. If actual notice was not given to the parent, guardian, or legal custodian and the whereabouts of such person is known or can be ascertained, the court shall order the supervising agency or the department to make reasonable efforts to advise the parent, guardian, or legal custodian of the status of the case, including the date and time of any subsequent hearings, and their rights under RCW 13.34.090. The rules of evidence shall apply at the fact-finding hearing and the parent, guardian, or legal custodian of the child shall have all of the rights provided in RCW 13.34.090 (1). The party requesting the continuance shall have the burden of proving by a preponderance of the evidence that exceptional circumstances exist. [RCW 13.34.070](#)
2. Unless there is reasonable cause to believe the health, safety, or welfare of the child would be jeopardized or efforts to reunite the parent and child would be hindered, the court shall direct the department to notify those adult persons who:
  1. Are related by blood or marriage to the child in the following degrees: Parent, grandparent, brother, sister, stepparent, stepbrother, stepsister, uncle, or aunt.
  2. Are known to the department as having been in contact with the family or child within the past 12 months; and
  3. Would be an appropriate placement for the child.

Reasonable cause to dispense with notification to a parent under this section must be proved by clear, cogent, and convincing evidence. [RCW 13.34.110](#)

3. Stipulation Agreements-No social file or social study may be considered by the court in connection with the fact-finding hearing or prior to factual determination except as otherwise admissible under the rules of evidence.

[RCW 13.34.110](#)

1. The parent, guardian, or legal custodian of the child may waive his or her right to a fact-finding hearing by stipulating or agreeing to the entry of an order of dependency establishing that the child is dependent within the meaning of RCW 13.34.030. The parent, guardian, or legal custodian may also stipulate or agree to an order of disposition pursuant to RCW 13.34.130 at the same time.
2. Any stipulated or agreed order of dependency or disposition must be signed by the parent, guardian, or legal custodian and his or her attorney, unless the parent, guardian, or legal custodian has waived his or her right to an attorney in open court, and by the petitioner and the attorney, guardian ad litem, or court-appointed special advocate for the child, if any.
3. If the Department of Social and Health Services is not the petitioner and is required by the order to supervise the placement of the child or provide services to any party, the department must also agree to and sign the order.
4. Entry of any stipulated or agreed order of dependency or disposition is subject to approval by the court. The court shall receive and review a social study before entering a stipulated or agreed order and shall consider whether the order is consistent with the allegations of the dependency petition and the problems that necessitated the child's placement in out-of-home care. No social file or social study may be considered by the court in connection with the fact-finding hearing or prior to factual determination, except as otherwise admissible under the rules of evidence.
5. Prior to the entry of any stipulated or agreed order of dependency, the parent, guardian, or legal custodian of the child and his or her attorney must appear before the court and the court within available resources must inquire and establish on the record that:
  1. The parent, guardian, or legal custodian understands the terms of the order or orders he or she has signed, including his or her responsibility to participate in remedial services as provided in any disposition order;
  2. The parent, guardian or legal custodian understands that entry of the order starts a process that could result in the filing of a petition to terminate his or her relationship with the child with the time frames required by state and federal law if he or she fails to comply with the terms of the dependency or disposition orders or fails to substantially remedy the problems that necessitated the child's placement in out-of-home care;
  3. The parent, guardian, or legal custodian understands that the entry of the stipulated or agreed order of dependency is an admission that the child is dependent within the meaning of RCW 13.34.030 and shall have the same legal effect as a finding by the court that the child is dependent by at least a preponderance of the evidence, and that the parent, guardian, or legal custodian shall not have the right in any subsequent proceeding for termination of parental rights or dependency guardianship pursuant to this chapter or nonparental custody pursuant to chapter 26.10 RCW to challenge or dispute the fact that the child was found to be dependent; and
  4. The parent, guardian, or legal custodian knowingly and willingly stipulated and agreed to and signed the order or orders, without duress, and without misrepresentation or fraud by any other party.
6. If a parent, guardian, or legal custodian fails to appear before the court after stipulating or agreeing to entry of an order of dependency, the court may enter the order upon a finding that the parent, guardian, or legal custodian had notice of the right to appear before the court and chose not to do so. The court may require other parties to the order, including the attorney for the parent, guardian, or legal custodian, to appear and advise the court of the parents, guardians, or legal custodians notice of the right to appear and understanding of the factors specified in this subsection. A parent, guardian, or legal custodian may choose to waive his or her presence at the in-court-hearing for entry of the stipulated or agreed order of dependency by submitting to the court through counsel a completed stipulated or agreed dependency fact-finding/disposition statement in a form determined by the Washington State Supreme Court pursuant to General Rule GR 9. [RCW 13.34.110](#)
4. Unless the court states on the record the reasons to disallow attendance, the court shall allow a child's relatives and, if a child resides in foster care, the child's foster parent, to attend all hearings and proceedings pertaining to the child for the sole purpose of providing oral and written information about the child and the child's welfare to the court. [RCW 13.34.115](#)
5. Service of summons may be made under the direction of the court by any person 18 years of age or older who is not a party to the proceedings or by any law enforcement officer, probation counselor, or DSHS employee.

[RCW 13.34.070](#)

6. To aid the court in its decision on disposition, a social study shall be made by the person or agency filing the petition. A parent may submit a counselors or health care providers evaluation of the parent, which shall be included in the social study or considered in conjunction with the social study. See [Appendix A](#) for the definition of social study. [RCW 13.34.120](#)
7. At least 10 working days before the disposition hearing, the department shall mail to the parent and his or her attorney a copy of the agency's social study and proposed service plan. [RCW 13.34.120](#)
8. It is the responsibility of the parents, guardians, or legal custodians to ensure that children within the custody of such individuals attend school as provided for by law. To this end, while a parent's failure to cause a child to attend school should not alone provide a basis for a neglect petition against the parent or guardian, when a neglect petition is filed on the basis of other evidence, a parent or guardian's failure to take reasonable steps to ensure that the child attends school may be relevant to the question of the appropriate disposition of a neglect petition. [RCW 13.34.300](#)

## **5761. Disposition Determinations**

After consideration of the predisposition report prepared pursuant to RCW 13.34.110 and after a disposition hearing has been held, the court shall order one of the following dispositions of the case:

1. Order a disposition other than removal of the child from his or her home, which shall provide a program designed to alleviate the immediate danger to the child, to mitigate or cure any damage the child has already suffered, and to aid the parents so that the child will not be endangered in the future. In selecting a program, the court should choose those services including housing assistance that least interferes with family autonomy, provided that the services are adequate to protect the child.
2. Order that the child be removed from his or her home and ordered into the custody, control, and care of a relative or the Department of Social and Health Services or a licensed child placing agency for placement in a foster family home or group care facility licensed pursuant to Chapter 74.15 RCW, or in a home not required to be licensed pursuant to Chapter 74.15 RCW. Unless there is reasonable cause to believe that the safety or welfare of the child would be jeopardized or that effort to reunite the parent and child will be hindered, such child shall be placed with a person who is related to the child as defined in RCW 74.15.020 and with whom the child has a relationship and is comfortable, and who is willing and available to care for the child. Placement of the child with a relative under this subsection shall be given preference by the court.
3. Order for out-of-home placement may be made only if the court finds that reasonable efforts have been made to prevent or eliminate the need for removal of the child from the child's home and to make it possible for the child to return home, specifying the services that have been provided to the child and the child's parent, guardian, or legal custodians, and that preventive services have been offered or provided and have failed to prevent the need for out-of-home placement, unless the health, safety, and welfare of the child cannot be protected adequately in the home, and that:
  1. There is no parent or guardian available to care for such child.
  2. The parent, guardian, or legal custodian is not capable of taking custody of the child.
  3. The court finds, by clear and convincing evidence, a manifest danger exists that the child will suffer serious abuse or neglect if the child is not removed from the home and an order under RCW 26.44.063 would not protect the child from danger. [RCW 13.34.130](#)
  4. The extent of the child's disability is such that the necessary care for the child and the parent, guardian, or legal custodian has determined that the child would benefit from placement outside of the home. [RCW 13.34.270](#)

## **5762. Termination of Parental Rights**

1. Aggravated Circumstances
  1. Termination is recommended by the supervision agency;
  2. Termination is in the best interest of the child; and that

3. Because of the existence of aggravated circumstances, reasonable efforts to unify the family are not required. Notwithstanding the existence of aggravated circumstances, reasonable efforts may be required if the court or department determines it is in the best interest of the child.
4. In determining whether aggravated circumstances exist by clear, cogent, and convincing evidence, the court shall consider one or more of the following:
  1. Conviction of the parent of rape of the child in the first, second, or third degree as defined in RCW 9A.44.73, 9A.44.76, and 9A.44.79.
  2. Conviction of the parent of criminal mistreatment of the child in the first or second degree as defined in RCW 9A.42.020 and 9A.42.030.
  3. Conviction of the parent of one of the following assault crimes, when the child is the victim: Assault in the first or second degree as defined in RCW 9A.36.11 and 9A.36.021 or assault of a child in the first or second degree as defined in RCW 9A.36.120 or 9A.36.130.
  4. Conviction of the parent of murder, manslaughter, or homicide by abuse of the child's other parent, sibling, or another child.
  5. Conviction of the parent of attempting, soliciting, or conspiracy to commit a crime listed in a, b, c, or d above.
  6. A finding by the court that a parent is a sexually violent predator as defined in RCW 71.09.020.
  7. Failure of the parent to complete available treatment as ordered under RCW 13.34 or the equivalent laws of another state, where such failure has resulted in a prior termination of parental rights to another child and the parent has failed to effect significant change in the interim. In the case of a parent of an Indian child, as defined in the Indian Child Welfare Act, 25 USC 1903, the court shall also consider tribal efforts to assist the parent in completing treatment and make it possible for the child to return home.
  8. A dependent child under three years of age has been abandoned as defined in RCW 13.34.030 or RCW 13.34.180.
  9. Conviction of the parent of a sex offense under chapter 9A.44 RCW or incest under RCW 9A.64.020 when the child is born of the offense.
5. If reasonable efforts are not ordered under paragraph A.3 above, a permanency planning hearing shall be held within 30 days. Reasonable efforts shall be made to place the child in a timely manner in accordance with the permanency plan and to complete whatever steps are necessary to finalize the permanent placement of the child. [RCW 13.34.134](#)
6. In lieu of the allegations of paragraphs B.2 through B.6, page 5-32 below, the petition may allege that the parent has been convicted of:
  1. Murder in the first degree, murder in the second degree, or homicide by abuse as defined in chapter 9A.32 RCW against another child of the parent;
  2. Manslaughter in the first degree or manslaughter in the second degree, as defined in chapter 9A.32 RCW against another child of the parent;
  3. Attempting, conspiring, or soliciting another to commit one or more of the crimes listed in paragraph a or b above; or
  4. Assault in the first or second degree, as defined in chapter 9A.36 RCW, against the surviving child or another child of the parent. [RCW 13.34.180](#)

It is not a prerequisite for termination of parental rights that the parent be convicted of a crime.

2. A petition seeking termination of a parent and child relationship may be filed in juvenile court by any party to the dependency proceedings concerning that child. Such petition shall conform to the requirements of RCW 13.34.040, shall be served upon the parties as provided in RCW 13.34.070, and shall allege all of the following unless paragraph A.6 or B.6 of this section applies:
  1. That the child has been found to be a dependent child;
  2. That the court has entered a disposition order pursuant to RCW 13.34.130;
  3. That the child has been removed or will, at the time of the hearing, have been removed from the custody of the parent for a period of at least six months pursuant to a finding of dependency;
  4. That the services ordered under RCW 13.34 have been expressly and understandably offered or provided and all necessary services, reasonably available, capable of correcting the parental deficiencies within the

foreseeable future have been expressly and understandably offered or provided;

5. That there is little likelihood that conditions will be remedied so that the child can be returned to the parent in the near future. A parents failure to substantially improve parental deficiencies within 12 months following entry of the dispositional order shall give rise to a rebuttable presumption that there is little likelihood that conditions will be remedied so that the child can be returned to the parent in the near future. The presumption shall not arise unless the petitioner makes a showing that all necessary services reasonably capable of correcting the parental deficiencies within the foreseeable future have been clearly offered or provided. In determining whether the conditions will be remedied, the court may consider but is not limited to the following factors:
  1. Use of intoxicating or controlled substances so as to render the parent incapable of providing proper care for the child for extended periods of time or for periods of time that present a risk of imminent harm to the child and documented unwillingness of the parent to receive and complete treatment or documented multiple failed treatment attempts; or
  2. Psychological incapacity or mental deficiency of the parent that is so severe and chronic as to render the parent incapable of providing proper care for the child for extended periods of time or for periods of time that present a risk of imminent harm to the child, and documented unwillingness of the parent to receive and complete treatment or documentation there is no treatment that can render the parent capable of providing proper care for the child in the near future (RCW 13.34.180); and
6. That continuation of the parent and child relationship clearly diminishes the child's prospects for early integration into a stable and permanent home. [RCW 13.34.180](#)
3. In lieu of the allegations in subsections (1) through (6) of this section, the petition may allege that the child was found under such circumstances that the whereabouts of the child's parent are unknown and no person has acknowledged paternity or maternity and requested custody of the child within two months after the child was found. [RCW 13.34.180](#)
4. Notice of Rights in a Termination Action

Notice of rights shall be served upon the parent, guardian, or legal custodian with the petition. [RCW 13.34.180](#)

5. Custodial Care-If, upon entering an order terminating the parental rights of a parent, there remains no parent having parental rights, the court shall the child to the custody of the department or to a licensed child-placing agency willing to accept custody for the purpose of placing the child for adoption. If an adoptive home has not been identified, the department or agency shall place the child in a licensed foster home, or take other suitable measures for the care and welfare of the child. The custodian shall have authority to consent to the adoption of the child consistent with chapter 26.33 RCW, the marriage of the child, the enlistment of the child in the armed forces of the United States, necessary surgical and other medical treatment for the child, and to consent to such other matters as might normally be required of the parent of the child. [RCW 13.34.210](#)
6. Findings and Order Terminating Parental Rights-After hearing pursuant to RCW13.34.110 or 13.34.130, the court may enter an order terminating all parental rights to a child only if the court finds that:
  1. The allegations contained in the petition as provided in RCW 13.34.180 are established by clear, cogent, and convincing evidence; or
  2. The provisions of RCW 13.34.180(1) (a), (b), (e), and (f) are established beyond a reasonable doubt and if so, then RCW 13.34.180(1)(c) and (d) may be waived. When an infant has been abandoned, as defined in RCW 13.34.030, the abandonment has been proved beyond a reasonable doubt, then RCW 180(1)(c) and (d) may be waived; or
  3. The allegation under RCW 13.34.180(2) is established beyond a reasonable doubt. In determining whether RCW 13.34.180(1)(e) and (f) are established beyond a reasonable doubt, the court shall consider whether one or more of the aggravated circumstances listed in RCW 13.3exist; or
  4. The allegation under RCW 13.34.180(3) is established beyond a reasonable doubt; and
  5. Such an order is in the best interests of the child. [RCW 13.34.190](#)
7. Voluntary Adoption Plan
  1. In those cases where an alleged father, birth parent, or parent has indicated his or her intention to make a voluntary adoption plan (VAP) for the child and has agreed to the termination of his or her parental rights, the department shall follow the wishes of the alleged father, birth parent, or parent regarding the proposed adoptive placement of the child, if the court determines that:

1. This adoption is in the best interest of the child; and
  2. The prospective adoptive parents chosen by the alleged father, birth parent, or parent are properly qualified to adopt in compliance with the standards in chapter 13.34 RCW and chapter 26.33 RCW.
2. If the Attorney General's office or the prosecuting attorney, as applicable, has filed a termination petition at the department's request, an alleged father's, birth parent's, or parent's preferences regarding the proposed adoptive placement of the child shall be given consideration. [RCW 13.34.125](#)

## 5770. Guardianship

1. Any party to a dependency proceeding, including the supervising agency, may file a petition in juvenile court requesting that guardianship be created as to a dependent child. DSHS shall receive notice of any guardianship proceedings and have the right to intervene in the proceedings. [RCW 13.34.230](#)
2. Any person over the age of twenty-one (21) years who is not otherwise disqualified by this section, any nonprofit corporation, or any Indian tribe may be appointed the dependency guardian of a child under RCW 13.34.23. No person is qualified to serve as a dependency guardian unless the person meets the minimum requirements to care for children as provided in RCW 74.15.030. [RCW 13.34.236](#)
3. A guardianship may be established if the court finds by a preponderance of the evidence that:
  1. The child has been found to be a dependent child under RCW 13.34.030;
  2. A disposition order has been entered pursuant to RCW 13.34.130;
  3. The child has been removed or will, at the time of the hearing, have been removed from the custody of the parent for a period of at least six months pursuant to a finding of dependency under RCW 13.34.030;
  4. The services ordered under RCW 13.34.130 and a modified section of RCW 13.3 have been offered or provided and all necessary services, reasonably available, capable of correcting the parental deficiencies within the foreseeable future have been offered or provided;
  5. There is little likelihood that conditions will be remedied so that the child can be returned to the parent in the near future; and
  6. A guardianship, rather than termination of the parent-child relationship or continuation of efforts to return the child to the custody of the parent, would be in the best interest of the child. [RCW 13.34.231](#)
4. If the court has made a finding under RCW 13.34.231, it shall enter an order establishing a dependency guardianship for the child. The order shall:
  1. Appoint a person or agency to serve as dependency guardian for the limited purpose of assisting the court to supervise the dependency.
  2. Specify the dependency guardian's rights and responsibilities concerning the care, custody, and control of the child.
  3. Specify the dependency guardian's authority, if any, to receive, invest, and expend funds, benefits, or property belonging to the child.
  4. Specify an appropriate frequency of visitation between the parent and the child.
  5. Specify the need for any continued involvement of the supervising agency and the nature of that involvement, if any. [RCW 13.34.232](#)
5. Unless the court specifies otherwise in the guardianship order, the dependency guardian shall maintain the physical custody of the child and have the following rights and duties:
  1. Protect, discipline, and educate the child.
  2. Provide food, clothing, shelter, education as required by law, and routine health care for the child.
  3. Consent to necessary health and surgical care and sign a release of health care information to appropriate authorities, pursuant to law.
  4. Consent to social and school activities of the child.
  5. Provide an annual written accounting to the court regarding receipt by the dependency guardian of any funds, benefits, or property belonging to the child and expenditures made there from. [RCW 13.34.232](#)
6. The child shall remain dependent for the duration of the guardianship. While the guardianship remains in effect, the dependency guardian shall be a party to any dependency proceedings pertaining to the child. [RCW 13.34.232](#)
7. The guardianship shall remain in effect only until the child is eighteen (18) years of age or until the court terminates the guardianship order, whichever occurs sooner. [RCW 13.34.232](#)

8. Any party may request the court under RCW 13.34.150 to modify or terminate a dependency guardianship. Notice of any motion to modify or terminate the guardianship shall be served on all other parties, including any agency that was responsible for supervising the child's placement at the time the guardianship petition was filed. Notice in all cases shall be served upon the department. If the department was not previously a party to the guardianship proceeding, the department shall nevertheless have the right to: (1) Initiate a proceeding to modify or terminate a guardianship; and (2) intervene at any stage of such a proceeding. [RCW 13.34.233](#)
9. The guardianship may be modified or terminated upon the motion of any party or the department if the court finds a preponderance of evidence that there has been a substantial change of circumstances subsequent to the establishment of the guardianship and that it is in the child's best interest to modify or terminate the guardianship. The court shall hold a hearing on the motion before modifying or terminating a guardianship. [RCW 13.34.233](#)
10. Upon entry of an order terminating the guardianship, the dependency guardian shall not have any rights or responsibilities with respect to the child and shall not have legal standing to participate as a party in further dependency proceedings pertaining to the child. The court may allow the child's dependency guardian to attend dependency review proceedings pertaining to the child for the sole purpose of providing information about the child to the court. [RCW 13.34.233](#)
11. Upon entry of an order terminating the guardianship, the child shall remain dependent and the court shall either return the child to the child's parent or order the child into the custody, control, and care of the department or a licensed child placing agency for placement in a foster home or group care facility licensed pursuant to chapter 74.15 RCW or in a home not required to be licensed pursuant to such chapter. The court shall not place a child in the custody of the child's parent unless the court finds that a reason for removal as set forth in RCW 13.34.130 no longer exists and that such placement is in the child's best interest. The court shall thereafter conduct reviews as provided in RCW 13.34.14 and, where applicable, shall hold a permanency planning hearing in accordance with RCW 13.34.14 [RCW 13.34.233](#)
12. Establishment of a dependency guardianship under RCW 13.34.231 and 13.34.232 does not preclude the dependency guardian from receiving foster care payments. [RCW 13.34.234](#)
13. A dependency guardianship is not subject to the review hearing requirements of RCW 13.34 unless ordered by the court under RCW 13.34.23. [RCW 13.34.235](#)

## **5781. Judicial Determination for Out-of-Home Placement**

1. Whenever the department places a child with a developmental disability in out-of-home care pursuant to RCW 74.13.350, the department shall obtain a judicial determination within 180 days of the placement that continued placement is in the best interests of the child. If the child's out-of-home placement ends before 180 days have elapsed, no judicial determination is required. [RCW 13.34.270](#)
2. To obtain the judicial determination, the department shall file a petition alleging that there is located or residing within the county a child who has a developmental disability and that the child has been placed in out-of-home care pursuant to RCW 74.13.350.
