Introduction

1100. CONTEXT AND PURPOSE OF THIS MANUAL

- A. Policy drives what the agency and its staff must do and is grounded in the Revised Code of Washington (RCW) and federal laws, regulations, and policy interpretations; for example, federal Department of Health and Human Services' (HHS) Administration for Children, Youth, and Families (ACYF) policy interpretations. Where state law is in conflict with federal law or regulation, the federal rule prevails.
- B. Procedure defines how the agency and its staff implement policy.
- C. Practice guidelines identify how the agency and its staff will behave as they implement policy and procedure.
- D. The Case Services Policy Manual sets forth the policies with regard to client families and individuals as they progress through six essential functions from Intake to Resolution: what Children's Administration (CA) and the Division of Children and Family Services (DCFS) must do to comply with laws and regulations. The accompanying Practices and Procedures Guide sets forth good practice on how the agency and staff will implement policy.
 - 1. The six essential functions for which DCFS is responsible are:
 - a. Intake
 - b. Assessment
 - c. Planning
 - d. Service Delivery
 - e. Review
 - f. Resolution
- E. These six functions can be arranged linearly and, while clients do not move in a straight line through agency services, each client's case progresses through the six functions. This manual sets forth policy according to functions in the child welfare process.
- F. In addition, this manual sets forth the policies with regard to providers and ancillary services that may be necessary to assist clients as they progress.

1200. CA MISSION AND VALUE

- A. **Protecting Children:** Our foremost goal is to protect children from abuse and neglect.
 - 1. We believe children need to grow up in a safe and healthy environment free from abuse and neglect.
 - 2. We believe protecting children is primarily the responsibility of families, relatives, and communities.
 - 3. We believe that children should be raised by their own families whenever possible.
 - 4. We believe it is necessary to intervene to protect children when families are unable to do so.
 - 5. We believe it is in the best interest of children to implement permanent plans swiftly once it becomes clear that reasonable and concerted efforts toward improving family functioning have failed.
- B. **Supporting Families:** We believe it is our responsibility to treat families at all times with fairness and respect.
 - 1. We believe that in most instances the family is the best place for a child to grow. This includes the child's extended family or an adoptive family.
 - 2. We believe every family has strengths. We are committed to assisting families to build upon their strengths and ameliorate their shortcomings.

3. We strive to help families discover their options, make constructive choices, and understand the consequences of their actions.
 4. We strive to be as responsive as we can to the unique needs of each and every family and to exercise our authority with sensitivity and compassion.
 5. We believe it is our responsibility to make reasonable and concerted efforts to help the families we serve to succeed.
- C. **Working with Communities:** We believe it is our responsibility to engage with our communities at all levels to develop and deliver the best possible services for our clients.
1. We believe it is important to utilize community resources and expertise in a collaborative effort to improve services and enhance agency coordination.
 2. We strive to be open and responsive to community concerns and to work quickly to resolve differences and improve service delivery whenever possible.
 3. We believe it is important to educate community professionals and the public as to our policies, procedures, resources, and limitations.
 4. We encourage staff involvement in community projects, groups, boards, and committees that focus on the prevention, identification, and treatment of child abuse and neglect.
 5. We value the cultural diversity of our clients, staff, and community and are committed to furthering communication and understanding among all people.
- D. **Encouraging Excellence:** We encourage and support a total commitment to excellence in all aspects and at all levels of CA employment.
1. We strive constantly to improve our professional understanding and skills through training, workshops, community consultations, and ongoing evaluation of our policies, procedures, and practices.
 2. We encourage creative problem-solving and professional risk-taking.
 3. We are committed to developing cultural sensitivity and competence and to seeking out staff with diverse backgrounds, perspectives, and cultures.
 4. We strive to support the professional growth and development of staff and to provide opportunities for advancement.
 5. We believe in open communication, teamwork, and a shared decision-making process with an emphasis on accountability.

1300. SHARED DECISION-MAKING

Staff are expected to utilize the Shared Decision-Making Matrix in Appendix C of this manual as the model for sharing information and decisions with supervisors, regional managers, and headquarters managers. Shared decision-making means systematically employing teams for key decisions, as described in the matrix.

1400. DECLARATIONS OF PURPOSE

The following Declarations of Purpose are expressions of legislative intent or purpose and are intended as goals to be pursued by CA.

1410. Children And Family Services RCW 74.14A

- A. The family unit is the fundamental resource of American life that should be nurtured.
1. The family unit should remain intact in the absence of compelling evidence to the contrary.
 2. The Legislature declares that the goal of serving emotionally disturbed and mentally ill children, potentially dependent children, and families-in-conflict is to provide services to them in their own homes and to avoid out-of-home placement of the child, when that form of care is premature, unnecessary, or inappropriate.

1420. Family Preservation Services - RCW 74.14C

It is the intent of the Legislature to make accessible, within available funds, intensive services to children and families that are designed to prevent the unnecessary imminent placement of children in foster care, and are designed to facilitate reunification of children with their families. These services are known as family preservation services and are characterized by the following values, beliefs, and goals:

- A. Safety of the child is always the first concern;
- B. Children need their families and should be raised by their own families whenever possible;
- C. Interventions should focus on family strengths and be responsive to individual family needs; and
- D. Improvement of family functioning is essential in order to promote the child's health, safety and welfare, thereby allowing the family to remain intact and children to remain at home.

1430. Protection Of Children

- A. The bond between a child and his or her parent, custodian, or guardian is of paramount importance, and any intervention in the life of a child is also an intervention in the life of the parent, custodian, or guardian; however, instances of non-accidental injury, neglect, death, sexual abuse, and cruelty to children by their parents, custodians, or guardians have occurred, and in the instance where a child is deprived of his or her right to conditions of minimal nurture, health, and safety, the state is justified in emergency intervention based upon verified information; and therefore, the Washington State Legislature hereby provides for the reporting of such cases to the appropriate public authorities.
- B. It is the intent of the Legislature that, as a result of such reports, protective services shall be made available in an effort to prevent further abuses, and to safeguard the general welfare of such children: Provided, that such reports shall be maintained and disseminated with strictest regard for the privacy of the subjects of such reports and so as to safeguard against arbitrary, malicious or erroneous information or actions: Provided further, that this chapter shall not be construed to authorize interference with child-raising practices, including reasonable parental discipline, which are not proved to be injurious to the child's health, welfare and safety.
- C. The goal or purpose of Child Protective Services (CPS) shall be to protect children from child abuse and/or neglect (CA/N) while preserving the families' integrity to the maximum extent possible consistent with the safety and permanency needs of the child.
- D. CPS shall be made available to safeguard the general welfare of children by providing services to ameliorate conditions, which endanger the welfare of children, and to coordinate necessary programs and services relevant to the prevention, intervention, and treatment of child abuse and neglect.
- E. CPS is a priority program that is available in all geographic areas of the state of Washington.

1440. Families In Conflict RCW 13.32

- A. The family unit is the fundamental resource of American life, which should be nurtured and should remain intact in the absence of compelling evidence to the contrary. Within any group of people there exists a need for guidelines for acceptable behavior. Experience and maturity of parents make them better qualified to establish guidelines beneficial to and protective of their children. It is the right and responsibility of adults to establish laws for the benefit and protection of society; and in the same manner, the right and responsibility for establishing reasonable guidelines for the family unit belongs to the adults within that unit. Further, absent abuse or neglect, parents should have the right to exercise control over their children.
- B. Family Reconciliation Services (FRS) are offered on a voluntary basis to families in conflict or with runaway children. The services are designed to develop skills and supports within families to resolve problems related to at-risk youth or family conflicts and may include, but are not limited to, referral to services for suicide prevention, psychiatric or other medical care, or

psychological, welfare, legal, educational, or other social services, as appropriate to the needs of the child and family. Such services shall be provided to alleviate personal or family situations, which present a serious and imminent threat to the health or stability of the child or family and to maintain families intact wherever possible.

C. Legislative Intent

1. It is the intent of the Legislature to:
 - a. Preserve, strengthen, and reconcile families experiencing problems with at-risk youth;
 - b. Provide a legal process by which parents who are experiencing problems with at-risk youth can request and receive assistance from juvenile courts in providing appropriate care, treatment, and supervision to such youth; and
 - c. Assess the effectiveness of the Family Reconciliation Services program.
2. The Legislature does not intend by this enactment to grant any parent the right to file an at-risk youth petition or receive juvenile court assistance in dealing with an at-risk youth. The purpose of this enactment is to create a process by which a parent of an at-risk youth may request and receive assistance subject to the availability of juvenile court services and resources. Recognizing that these services and resources are limited, the Legislature intends that counties have the authority to impose reasonable limits on the utilization of juvenile court services and resources in matters related to at-risk youth. Any responsibilities imposed upon the department under this act shall be contingent upon the availability of funds specifically appropriated by the Legislature for such purpose. [RCW 13.32A.015](#)

1445. Notification Of Children's Whereabouts

- A. Reporting by the department. See sections 2580, 3400, or 4550 of the Practices and Procedures Guide for the reporting process.
 1. Children Receiving Services From Department Of Social And Health Services/Children's Administration:
 - a. The Children's Administration will link parents to missing children by reporting missing children information to the missing children clearinghouse for those who are receiving departmental services in each of its administrative regions.
 - b. Per RCW 13.60.040, the department shall notify the clearinghouse and the child's legal custodian, advising the custodian of the child's whereabouts or that the child is subject to a dependency action when the department has obtained information that a minor child has been located at a facility funded by the department.
 2. The department shall inform the clearinghouse when reunification occurs. [1999 c 267 § 18.] [RCW 13.60.040](#)

1450. Child Welfare Services RCW 74.13

- A. The purpose of child welfare services is to safeguard, protect and contribute to the welfare of the children of the state, through a comprehensive and coordinated program of public child welfare services providing for social services for children who require:
 1. guidance, care, control, protection, treatment or rehabilitation;
 2. setting of standards for social services and facilities for children; cooperation with public and voluntary agencies, organizations, and citizen groups in the development and coordination of programs and activities on behalf of children; and
 3. promotion of community conditions and the resources that help parents to discharge their responsibilities for the care, development and well-being of their children.

1460. Juvenile Dependency/Rights Of Children And Families

RCW 13.34

The family is a fundamental resource of American life that should be nurtured. Toward the continuance of this principle, the family unit should remain intact unless a child's right to conditions of basic nurture, health or safety is jeopardized. When the rights of basic nurture, physical and mental health, and safety of the child and the legal rights of the parents are in conflict, the rights and safety of the child should prevail. The right of a child to basic nurturing includes the right to a safe, stable, and permanent home and a speedy resolution of any court proceeding.

1470. Adoption RCW 26.33

- A. The purpose of adoption is to provide stable homes for children. Adoptions should be handled efficiently, but the rights of all parties must be protected. The guiding principle must be determining what is in the best interest of the child. It is the intent of the Legislature that the adoption chapter should be used only as a means for placing children in adoptive homes and not as a means for parents to avoid responsibility for their children unless the department, an agency, or a prospective adoptive parent is willing to assume the responsibility for the child.
- B. The department's adoption program is intended to meet the needs of children who are in the department's care and custody. The purpose is to provide opportunities for children to achieve permanent, nurturing families, when the child has no legal parent and to provide stable homes for children.

1480. Caretakers: Licensed Foster Family Homes And Relatives RCW 74.15

The purposes of licensing include the following:

- A. To safeguard the health, safety, and well-being of children and developmentally disabled persons receiving care away from their own homes, which is paramount over the right of any person to provide care.
- B. To strengthen and encourage family unity and to sustain parental rights and responsibilities to the end that foster care is provided only when a child's family, through the use of all available resources, is unable to provide necessary care.
- C. To promote the development of a sufficient number and variety of adequate child-care facilities, both public and private, through the cooperative efforts of public and voluntary agencies and related groups.
- D. To provide consultation to agencies caring for children or developmentally disabled persons in order to help them to improve their methods of care and facilities for care.
- E. To license agencies as defined in RCW 74.15.020 and to assure the users of such agencies, their parents, the community at large and the agencies themselves that adequate minimum standards are maintained by all agencies caring for children and developmentally disabled persons. RCW 74.15.010
- F. To investigate any person, including relatives by blood or marriage except for parents, for character, suitability, and competence in the care and treatment of children and developmentally disabled persons prior to authorizing that person to care for children and developmentally disabled persons.

1490. Adoption Support RCW 74.13

The purpose of Adoption support is:

- A. To encourage, within the limits of available funds, the adoption of certain hard-to-place children in order to make it possible for children living in, or likely to be placed in, foster homes or institutions to benefit from the stability and security of permanent homes in which such children can receive continuous parental care, guidance, protection, and love, and to reduce the number of such children who must be placed or remain in foster homes or institutions until they become adults.

- B. To try, by means of the program of Adoption Support authorized in RCW 26.33.320 and 74.13.100 through 74.13.145, to reduce the total cost to the state of foster home and institutional care. [RCW 74.13.100](#)

1500. INDIAN CHILD WELFARE

- A. All actions involving children and families of North American Indian descent shall follow policies and procedures outlined in the CA Indian Child Welfare (ICW) Manual. Included in the ICW Manual are the federal Indian Child Welfare Act of 1978, The Tribal - Washington State Indian Child Welfare Agreement of 1987, and the Tribal - State Accord. Social workers are expected to adhere to them in the course of providing ICW services. 25 United State Code (USC) 1901 et. seq.; [RCW 13.04.030](#); RCW 13.34; [RCW 13.70.150](#); [RCW 26.33.090](#) et. seq.; [RCW 74.13.031](#) and [74.13.080](#); [RCW 74.15.020](#); and [74.15.090](#)
- B. Every petition filed in proceedings shall contain a statement alleging whether the child is or may be an Indian child as defined in 25 U.S.C. Sec. 1903. If the child is an Indian child as defined under the Indian child welfare act, the provisions of the act shall apply.
- C. Whenever the court or the petitioning party in a proceeding knows or has reason to know that an Indian child is involved, the petitioning party shall promptly provide notice to the child's parent or Indian custodian and to the agent designated by the child's Indian tribe to receive such notices. Notice shall be by certified mail with return receipt requested. If the identity or location of the parent or Indian custodian and the tribe cannot be determined, notice shall be given to the secretary of the interior in the manner described in 25 C.F.R. 23.11. If the child may be a member of more than one tribe, the petitioning party shall send notice to all tribes the petitioner has reason to know may be affiliated with the child. The notice shall:
1. Contain a statement notifying the parent or custodian and the tribe of the pending proceeding; and
 2. Notify the tribe of the tribe's right to intervene and/or request that the case be transferred to tribal court. [RCW 26.10.034](#), [26.33.040](#)

1600. CULTURAL DIVERSITY AND NON-DISCRIMINATION

The department shall respect and support the ethnic identity and cultural diversity of the children and families it serves, shall provide culturally competent services, and shall prevent discrimination on the basis of race, color, creed, national origin, sex, religion, marital status, age, or presence of any sensory, mental, or physical disability in every aspect of service delivery. [RCW 49.60.030](#) 42 USC 2000d, Section 601: Civil Rights Act of 1964, Titles VI and VII

1700. COMPLAINT RESOLUTION

- A. Children's Administration (CA) must develop and implement an informal, non-adversarial complaint resolution process.
1. The process is to be used by CA clients, foster parents, and other affected individuals who have complaints regarding a CA policy or procedure, or the application of such a policy or procedure, related to programs administered under chapter 74.13 RCW.
 2. The process does not apply in circumstances where the complainant has the right under Title 13, 26, or 74 RCW to seek resolution of the complaint through judicial review or through an adjudicative proceeding. [RCW 74.13.045](#)

1800. ACCREDITATION

- A. Accreditation is a structured process designed to facilitate organizational change and improvement within individual local offices.
1. Standards require improved case management, documentation, internal case management practices, and accountability.
 2. Accreditation requires the establishment of clear communication with biological parents,

foster and adoptive parents, providers, the courts, and members of the community.

1810. Legislative Finding

- A. The Legislature finds that the accreditation of children's services by an independent entity can significantly improve the quality of services provided to children and families.
- B. Accreditation involves an ongoing commitment to meeting nationally recognized standards of practice in child welfare and holds organizations accountable for achieving improved outcomes for children.

1820. Goal

- A. The department shall undertake the process of accreditation with the goal of completion by July 2006.
- B. The department, in conjunction with a national independent accreditation entity, shall report to the appropriate legislative committees its progress towards complete accreditation on an annual basis, starting December 2001. [RCW 74.13.0100](#)

2000. INTAKE

2100. CHILD PROTECTIVE SERVICES (CPS)

2110. Mandates to Report Abuse

- A. When any practitioner, county coroner or medical examiner, law enforcement officer, professional school personnel, registered or licensed nurse, social services counselor, psychologist, pharmacist, licensed or certified child care provider or their employees, employee of the department, or juvenile probation officer, placement and liaison specialist, responsible living skills program staff, HOPE center staff, or state family and children's ombudsman or any volunteer in the ombudsman's office has reasonable cause to believe that a child or adult dependent or developmentally disabled person has suffered abuse or neglect, he or she shall report such incident, or cause a report to be made, to the proper law enforcement agency or to the department. The report shall be made at the first opportunity, but in no case longer than forty-eight (48) hours after there is reasonable cause to believe that the child or adult has suffered abuse or neglect. [RCW 26.44.030](#)
- B. The reporting requirement shall also apply to any adult who has reasonable cause to believe that a child or adult dependent or developmentally disabled person, who resides with them, has suffered severe abuse, and is able or capable of making a report. For the purposes of this subsection, "severe abuse" means any of the following:
1. Any single act of abuse that causes physical trauma of sufficient severity that, if left untreated, could cause death;
 2. Any single act of sexual abuse that causes significant bleeding, deep bruising, or significant external or internal swelling; or
 3. More than one act of physical abuse, each of which causes bleeding, deep bruising, significant external or internal swelling, bone fracture, or unconsciousness. [RCW 26.44.030](#)
- C. Any other person who has reasonable cause to believe that a child or developmentally disabled person has suffered abuse or neglect may report such incident to the proper law enforcement agency or to the Department of Social and Health Services as provided in RCW 26.44.040. [RCW 26.44.030](#)
- D. CPS shall report to law enforcement any reported alleged incident of child death, sexual abuse, non-accidental physical injury of a child or incident where the investigation reveals reasonable cause to believe that a crime against a child may have been committed.
1. In emergency cases, where the child, adult dependent, or developmentally disabled person's welfare is endangered, the department shall notify the proper law enforcement agency within twenty-four (24) hours after the report has been received by the department.
 2. In all other cases, the department shall notify the law enforcement agency within seventy-two (72) hours after a report has been received.
 3. If an oral report is made to law enforcement, a written report shall also be made within five (5) days. A law enforcement agency shall notify the department of all reports received and their disposition. [RCW 26.44.030](#)

2120. Immunity from Liability

- A. Referrers that report or testify in good faith as to alleged child abuse or neglect in a judicial proceeding shall in so doing be immune from any liability arising out of such reporting or testifying under any law of this state or its political subdivisions.
- B.  3. Identification of child protective or other services provided or actions, if any, taken regarding the child named in the report and his or her family as a result of any such report or reports. These records include but are not limited to administrative reports of fatality, fatality review reports, case files, inspection reports, and reports relating to social work practice issues; and
 4. Any actions taken by the department in response to reports of abuse or neglect of the child. [RCW 74.13.505](#)
- H. In determining under paragraphs D. E. and F. above, whether disclosure will be contrary to the best interests of the child, the department must consider the effects which disclosure may have on efforts to reunite and provide services to the family. [RCW 74.13.510](#)
- I. For purposes of paragraph D.4. above, the department must make the fullest possible disclosure consistent with chapter 42.17 RCW and applicable federal law in cases of all fatalities of children who were in the care of, or receiving services from, the department at the time of their death or within 12 months previous to the death.
1. If the department specifically determines that disclosure of the name of the deceased child is contrary to the best interests of the child's siblings or other children in the household, the department may remove personally identifying information.
 2. For the purposes of this paragraph, "personally identifying information" means the name, street address, Social Security number, and day of birth of the child who died and of private persons who are relatives of the child in the child welfare records. "Personally identifying information" shall not include the month or year of birth of the child who has died. Once this personally identifying information is removed, the remainder of the records pertaining to a child who has died must be released regardless of whether the remaining facts in the records are embarrassing to the unidentifiable other private parties or to identifiable public workers who handled the case. [RCW 74.13.515](#)
- J. Except as it applies directly to the cause of the abuse or neglect of the child and any actions taken by the department in response to the reports of abuse or neglect of the child, nothing in paragraphs D through I of this section is deemed to authorize the release or disclosure of the

substance or content of any psychological, psychiatric, therapeutic, clinical, or medical reports, evaluations, or like materials, or information pertaining to the child or the child's family. [RCW 74.13.520](#)

- K. The department, when acting in good faith, is immune from any criminal or civil liability, except as provided under RCW 42.17.340, for the purposes of paragraphs D through I of this section. [RCW 74.13.525](#)
- L. The department shall:
1. Allow the Child and Family Services Ombudsman or the ombudsman's designee to communicate privately with any child in the custody of the department for the purposes of carrying out its duties under chapter 43.06A RCW;
 2. Permit the ombudsman or the ombudsman's designee physical access to state institutions serving children and state licensed facilities or residences for the purpose of carrying out its duties under this chapter;
 3. Upon the ombudsman's request, grant the ombudsman or the ombudsman's designee the right to access, inspect, and copy all relevant information, records, or documents in the possession or control of the department that the ombudsman considers necessary in an investigation; and
 4. Grant the Office of the Family and Children's Ombudsman unrestricted on-line access to the Case and Management Information System (CAMIS) for the purpose of carrying out its duties under chapter 43.06A RCW. [RCW 43.06A.100](#)

4130. Permanency Planning

It is an expression of legislative intent that the family unit is a fundamental resource to be nurtured. The family unit should remain intact unless a child's right to conditions of basic nurture, physical and mental health, or safety is jeopardized and should remain intact in the absence of compelling evidence to the contrary. When this right of basic wellbeing is in conflict with the legal rights of the parents, the rights and safety of the child should prevail. In making reasonable efforts under chapter 13.34 RCW, the child's health and safety shall be the paramount concern. [RCW 13.34.020](#)

- A. A permanency plan shall be developed no later than 60 days from the time the supervising agency assumes responsibility for providing services, including placing the child, or at the time of a hearing under RCW 13.34.130, whichever occurs first. The permanency planning process continues until a permanency planning goal is achieved or dependency is dismissed. The planning process shall include reasonable efforts to return the child to the parent's home. [RCW 13.34.145](#)
- B. Whenever a child is placed in out-of-home care pursuant to RCW 13.34.130, the agency that has custody of the child shall provide the court with a written permanency plan of care directed towards securing a safe, stable, and permanent home for the child as soon as possible. The plan shall identify one of the following outcomes as a primary goal and may identify additional outcomes as alternative goals:
1. Return of the child to the home of the child's parent, guardian, or legal custodian;
 2. Adoption;
 3. Permanent legal custody;
 4. Guardianship; or
 5. Long-term relative or foster care placement, until the child is age 18, with a written agreement between the parties and the care provider; a responsible living skills program; and independent living, if appropriate and if the child is age 16 or older.
 6. Whenever a permanency plan identifies independent living as a goal, the plan shall also specifically identify the services that will be provided to assist the child to make a successful transition from foster care to independent living.
 - a. Before the court approves independent living as a permanency plan of care, the court shall make a finding that the provisions of services to assist the child in making a

transition from foster care to independent living will allow the child to manage his or her financial, personal, social, educational, and non-financial affairs. The department shall not discharge a child to an independent living situation before the child is 18 years of age unless the child becomes emancipated pursuant to Chapter 13.64 RCW. [RCW 13.34.145](#)

- b. For definitions of "guardianship," "permanent custody order," and "permanent legal custody" as they relate to permanency planning, see [Appendix A](#).
 - c. Independent living services include assistance in achieving basic educational requirements such as a GED, enrollment in vocational and technical training programs offered at community and vocational colleges, and obtaining and maintaining employment; and accomplishing basic life skills such as money management, nutrition, preparing meals, and cleaning house. A baseline skill level in ability to function productively and independently shall be determined at entry. Performance shall be measured and must demonstrate improvement from involvement in the program. Each recipient shall have a plan for achieving independent living skills by the time the recipient reaches age twenty-one. The plan shall be written within the first thirty days of placement and reviewed every ninety days. A recipient who fails to consistently adhere to the elements of the plan shall be subject to reassessment by the professional staff of the program and may be declared ineligible to receive services. [RCW 74.13.031](#)
- C. See section 4426 below, for placement documentation requirements.
- D. The approval of a permanency plan that does not contemplate return of the child to the parent does not relieve the supervising agency of its obligation to provide reasonable services under RCW 13.34, intended to effectuate the return of the child to the parent, including, but not limited to, visitation rights. [RCW 13.34.145](#)
- E. Nothing in Chapter 13.34 RCW may be construed to limit the ability of the agency that has custody of the child to file a petition for termination of parental rights or a guardianship petition at any time following the establishment of dependency. Upon the filing of such a petition, a fact-finding hearing shall be scheduled and held in accordance with Chapter 13.34 RCW unless the agency requests dismissal of the petition prior to the hearing or unless the parties enter an agreed order terminating parental rights, establishing guardianship, or otherwise resolving the matter. [RCW 13.34.145](#)
- F. The court hearing the dependency petition may hear and determine issues related to Chapter 26.10 RCW in a dependency proceeding as necessary to facilitate a permanency plan for the child or children as part of the dependency disposition order or a dependency review order or as otherwise necessary to implement a permanency plan of care for the child.
1. The parents, guardians, or legal custodian of the child must agree, subject to court approval, to establish a permanent custody order. This agreed order may have the concurrence of the other parties to the dependency including the supervising agency, the guardian ad litem of the child, and the child if age 12 or older, and must also be in the best interest of the child.
 2. If the petitioner for a custody order under Chapter 26.10 RCW is not a party to the dependency proceeding, he or she must agree on the record or by the filing of a declaration to the entry of a custody order. Once an order is entered under Chapter 26.10 RCW, and the dependency petition dismissed, the department shall not continue to supervise the placement.
 3. Any court order determining issues under Chapter 26.10 RCW is subject to modification upon the same showing and standards as a court order determining Title 26 RCW issues. [RCW 13.34.155](#)
 4. Any order entered in the dependency court establishing or modifying a permanent custody order under Chapter 26.10 RCW shall also be filed in the Chapter 26.10 RCW action by the prevailing party. Once filed, any order establishing or modifying permanent legal custody shall survive dismissal of the dependency proceeding. [RCW 13.34.155](#)

4140. Information Sharing

In order to facilitate communication of information needed to serve the best interest of any child who is the subject of a dependency case filed under this chapter, the Department of Social and Health Services (DSHS) shall, consistent with state and federal law governing the release of confidential information, establish guidelines, and shall use those guidelines for the facilitation of communication of relevant information among divisions, providers, the courts, the family, caregivers, caseworkers, and others. 4420. Placement Planning

- A. To provide stability to children in out-of-home care, placement selection shall be made with a view toward safety and the fewest possible placements for the child. If possible, the initial placement shall be viewed as the only placement for the child. The use of short-term interim placements of thirty (30) days or less, to protect the child's health or safety while the placement of choice is being arranged, is not a violation of this principle. [RCW 74.13.290](#); 42 USC 675, Sec. 475.
- B. - A. Child's biological or adoptive parents.
- B. Relative placement, including any blood relative, including those of half blood, and including first cousins, second cousins, nephews, nieces, and persons of preceding generations as denoted by prefixes of grand, great, or great-great; stepfather, stepmother, stepbrother, and stepsister; brother, sister, uncle or aunt; a person who legally adopts child or the child's parent as well as the natural and other legally adopted children of such persons, and other relatives of the adoptive parents in accordance with state law; spouses of any persons named herein, even if the marriage is terminated; and relatives of any "relative" named above of any half sibling of the child. The proposed placement must be a person with whom the child has a relationship and is comfortable, and who is willing and available to care for the child.
- C. Other suitable persons who have a pre-existing relationship with the child or family.
- D. Institutional care (medical hospitals, mental health institutions, residential habilitation centers). [RCW 13.32A.030](#); [RCW 13.34.130](#); [RCW 74.15.020](#)(4)

[RCW 74.15.020](#)(4)

4423. Relative Placement, Parental Preference, Relative Search, Relative, Notification, and Documentation

When out-of-home placement services are necessary:

A. Relative Placement

CA will give preference to placement of the child at shelter care and at disposition with a relative as defined above. Unless there is reasonable cause to believe that the safety or welfare of the child would be jeopardized or that efforts to reunite the parent and child would be hindered, children shall be placed with relatives. [RCW 13.34.060](#)

B. Parental Preference/Parental Placement Wishes

CA staff shall, absent good cause, follow the wishes of the parent regarding the placement of the child. Preferences such as family constellation and religion shall be considered when

matching children to foster homes. Unless a compelling reason is identified, a child shall not be required to be placed in a home of an identified ethnicity except when the Indian Child Welfare Act guides placement preferences. Parental authority is appropriate in areas that are not connected with the abuse or neglect that resulted in the dependency and shall be integrated through the foster care team [RCW 13.34.260](#); 42 USC 671a.

C. Relative Search, Relative Notification, and Documentation

Relative searches require social workers to exercise "due diligence" to identify and provide notification to all grandparents and all adult relatives within 30 days after the child's removal from the custody of the birth parents. Exceptions may be made due to family or domestic violence. The reason for the exception shall be documented in FamLink

Relative search, relative notification and parental placement wishes require social workers to document all information in FamLink on the Relative Search screen.

- C. For a child whose permanency plan is adoption or placement in another permanent home, the department must document steps it is taking to find an adoptive family or other permanent living arrangement for the child. The department also must document steps it is taking to place the child with:
 - 1. A fit and willing relative;
 - 2. An adoptive family;
 - 3. A legal guardian; or
 - 4. Another planned permanent living arrangement; and
 - 5. To finalize the adoption or legal guardianship. 42 USC 675 Sec. 475

When the case plan goal is adoption, at a minimum documentation shall include child-specific recruitment efforts, such as the use of state, regional and national adoption exchanges, including electronic exchange systems to facilitate orderly and timely in-state and interstate placements. 42 USC 675, Sec. 475

1. The availability of counseling services.

[RCW 74.14A.020](#); [RCW 13.32A.120](#)
- B. Unless the department files a dependency petition, the department shall file a CHINS petition to approve an out-of-home placement on behalf of a child under any of the following sets of circumstances.
 1. The child has been admitted to a CRC or has been placed by the department in an out-of-home placement, and:
 - a. The parent has been notified that the child was admitted or placed;
 - b. The child cannot return home, and legal authorization is needed for out-of-home placement beyond 72 hours;
 - c. No agreement between the parent and the child as to where the child shall live has been reached;
 - d. No CHINS petition has been filed by either the child or parent;
 - e. The parent has not filed an at-risk youth petition; and
 - f. The child has no suitable place to live other than the home of his or her parent.

Under the circumstances of this section, the child shall remain in an outof- home placement until a CHINS petition filed by the department on behalf of the child is reviewed and resolved by the juvenile court. The department may authorize emergency medical or dental care for a child admitted to a CRC or placed in out-of-home placement by the department. The state, when the department files a CHINS petition under this section, shall be represented as provided for in RCW 13.04.093. [RCW 74.14A.020](#); [RCW 13.32A.140](#)

2. The child has been admitted to a CRC and:

1. Except as otherwise provided in chapter 13.32A RCW, the juvenile court shall not accept the filing of a CHINS petition by the child or the parents or the filing of an at-risk youth petition by the parent, unless verification is provided that the department has completed a family assessment. The family assessment shall involve the multi-disciplinary team, if one exists. The family assessment or plan of services developed by the multi-disciplinary team shall be aimed at family reconciliation, reunification, and avoidance of the out-of-home placement of the child. If the department is unable to complete an assessment within two working days following a request for assessment, the child or the parents may proceed to file with the juvenile court a petition to approve an out-of-home placement. [RCW 74.14A.020](#); [RCW 13.32A.150](#)
 2. The department shall, when requested, assist either a parent or child in the filing of the petition. The petition must be filed in the county where the parent resides. The petition shall allege that the child is a CHINS and shall ask only that the placement of a child outside the home of his or her parent be approved. The filing of a petition to approve the placement is not dependent upon the courts having obtained any prior jurisdiction over the child or his or her parent, and confers upon the court a special jurisdiction to approve or disapprove an out-of-home placement under chapter 13.32A RCW. [RCW 74.14A.020](#); [RCW 13.32A.150](#)
 3. A petition may not be filed if the child is the subject of a proceeding under chapter 13.34 RCW. [RCW 74.14A.020](#); [RCW 13.32A.150](#)

 - f. Notify all parties, including the department, of their right to present evidence at the fact-finding hearing.
2. Upon filing of a CHINS petition, the child may be placed, if not already placed, by the department in a CRC, foster family home, group home facility licensed under chapter 74.15 RCW, or any other suitable residence other than a HOPE center to be determined by the department. The court may place a child in a CRC for temporary out-of-home placement as long as the requirements of RCW 13.32A.125 are met.
 3. If the child has been placed in a foster family home or group care facility under chapter 74.15 RCW, the child shall remain there, or in any other suitable residence other than a HOPE center as determined by the department, pending resolution of the petition by the court.  - d. Order an out-of-home placement at the request of the child or the department not to exceed 90 days.
 3. At any time, the court may order the department to review the matter for the purpose of filing a dependency petition under chapter 13.34 RCW.
 4. Whether or not the court approves or orders an out-of-home placement, the court may also order any conditions of supervision as set forth in RCW 13.32A.19 [RCW 74.14A.020](#); [RCW 13.32A.179](#)
 5. The court may enter an order under paragraph C.2.d above only if it finds by clear, cogent, and convincing evidence that:

 - i. The child has made reasonable efforts to resolve the problems that led to the filing of the petition;

- ii. The problems cannot be resolved by delivery of services to the family during continued placement of the child in the parental home;
 - iii. Reasonable efforts have been made to prevent or eliminate the need for removal of the child from the child's home and to make it possible for the child to return home; and
 - iv. A suitable out-of-home placement resource is available.
 - b. The order is in the best interest of the child, and the parents are unavailable; or
 - c. The parent's actions cause an imminent threat to the child's health or safety. [RCW 74.14A.020](#); [RCW 13.32A.179](#)
- 6. The court may order the department to submit a dispositional plan if such a plan would assist the court in ordering a suitable disposition in the case. The plan, if ordered, shall address the needs of the child, and perceived needs of the parents if the order was entered under paragraph C.2.d of this section or if specifically agreed to by the parents. If the parents do not agree or the order was not entered under paragraph C.2.d of this section, the plan may only make recommendations regarding services in which the parents may voluntarily participate. If the court orders the department to prepare a plan, the department shall provide copies of the plan to the parent, the child, and the court. If the parties or the court desire the department to be involved in any future proceedings or case plan development, the department shall be provided with timely notification of all court hearings. [RCW 74.14A.020](#); [RCW 13.32A.179](#)
- 7.  - a. The court may order that a child be placed in a staff secure facility, other than a CRC, that will provide for the child's participation in a program designed to remedy his or her behavioral difficulties or needs.
 - b. The court may not enter this order unless, at the disposition hearing, it finds that the placement is clearly necessary to protect the child and that a less restrictive order would be inadequate to protect the child, given the child's age, maturity, propensity to run away from home, past exposure to serious risk when the child ran away from home, and possible future serious risk if the child ran away from home, and possible future exposure to serious risk should the child run away from home again.
 - c. Placements in staff secure facilities under this section shall be limited to children who meet the statutory definition of a CHINS or an at-risk youth as defined in RCW 13.32A.030.
 - d. State funds may only be used to pay for placements under this section if, and to the extent that, such funds are appropriated expressly to pay for them. [RCW 74.14A.020](#); [RCW 13.32A.197](#)
- D. A child who fails to comply with a court order issued under RCW 13.32A.179 shall be subject to contempt proceedings, as provided in chapter 13.32A RCW, but only if the noncompliance occurs within one year after the entry of the order. [RCW 74.14A.020](#); [RCW 13.32A.179](#)
- E. In all CHINS and at-risk youth proceedings, the court shall verbally notify the parents and the child of the possibility of a finding of contempt for failure to comply with the terms of a court order entered pursuant to chapter 13.32A RCW. Except as otherwise provided in RCW 13.32A.250, the court shall treat the parents and the child equally for the purposes of applying contempt of court processes and penalties. [RCW 74.14A.020](#); [RCW 13.32A.250](#)
- F. Failure by a party to comply with an order entered under chapter 13.32A RCW is a contempt of court as provided in Chapter 7.21 RCW. The court may impose a fine of up to 100 dollars and confinement for up to seven days, or both. [RCW 74.14A.020](#); [RCW 13.32A.250](#)
 - 1. A child placed in confinement for contempt under RCW 13.32A.250 shall be placed in confinement either in a secure juvenile detention facility operated by or pursuant to a contract with a county or, through June 30, 2002, a secure facility that is a separate,

secure section of a juvenile detention facility. In no case may a child in contempt be confined in a secure facility that is free-standing outside a juvenile detention facility. [RCW 74.14A.020](#); [RCW 13.32A.250](#)

2. A motion for contempt may be made by a parent, a child, juvenile court personnel, or by any public agency, organization, or person having custody of the child under a court order adopted pursuant to chapter 13.32A RCW. [RCW 74.14A.020](#); [RCW 13.32A.250](#)

The order may be entered ex parte without prior notice to the child or other parties. Following the child's admission to detention or, effective June 9, 2000, through June 30, 2002, to the secure facility, a review hearing must be held in accordance with RCW 13.32A.06 [RCW 74.14A.020](#); [RCW 13.32A.250](#)
- G. No placement made pursuant to RCW 13.32A.180 may be in a secure residence as defined by the federal Juvenile Justice and Delinquency Prevention Act of 197 [RCW 74.14A.020](#); [RCW 13.32A.180](#)
- H. Dismissal of an Out-of-Home Placement-After the court approves or orders an out-of-home placement, the parents or the department may request, and the juvenile court may grant, dismissal of the CHINS proceeding when it is not feasible for the department to provide services due to one or more of the following circumstances:
1. The child has been absent from court approved placement for 30 consecutive days or more;
 2. The parents or the child, or all of them, refuse to cooperate in available, appropriate intervention aimed at reunifying the family; or
 3. The department has exhausted all available and appropriate resources that would result in reunification. [RCW 74.14A.020](#); [RCW 13.32A.179](#); [RCW 74.14A.020](#); [RCW 13.32A.190](#)
 4. The court shall terminate a placement made under RCW 13.32A.190 upon the request of a parent unless the placement is made pursuant to RCW 13.32A.179. [RCW 74.14A.020](#); [RCW 13.32A.179](#); [RCW 74.14A.020](#); [RCW 13.32A.190](#)
 5. The court may dismiss a CHINS petition filed by a parent at any time if the court finds good cause to believe that continuation of out-of-home placement would serve no useful purpose.
 6. The court shall dismiss a CHINS proceeding if the child is the subject of a proceeding under chapter 13.34 RCW. [RCW 74.14A.020](#); [RCW 13.32A.190](#)

5540. At-Risk Youth Petition

- C. A petition may not be filed if a dependency petition is pending under chapter 13.34 RCW. [RCW 74.14A.020](#); [RCW 13.32A.150](#)
- D. When a proper at-risk petition is filed, the court may order the department to submit a disposition plan if such a plan would assist the court in ordering a suitable disposition in the case. If the court orders the department to prepare a plan, the department shall provide copies of the plan to the parent, the child, and the court. If the parties or the court desire the department to be involved in any future proceedings or case plan development, the department shall be provided timely notification of all court hearings. Upon filing of a CHINS petition, the child may be placed, if not already placed, by the department in a CRC, foster family home, group home facility licensed under chapter 74.15 RCW, or any other suitable residence other than a HOPE center to be determined by the department. The court may place a child in a CRC for a temporary out-of-home placement as long as the requirements of RCW 13.32A.125 are met. [RCW 74.14A.020](#); [RCW 13.32A.160](#)
- B. If the child has been placed in a foster family home or group care facility under Chapter 74.15 RCW, the child shall remain there, or in any other suitable residence as determined by the department, pending resolution of the petition by the court. Any placement may be reviewed by the court within three judicial days upon the request of the child or the child's parent.

[RCW 74.14A.020](#); [RCW 13.32A.050](#)
 5. If the child expresses fear or distress at the prospect of being returned to his or her home which leads the officer to believe there is a possibility that the child is experiencing some type of abuse or neglect.
 6. It is not practical to take the child to his or her home or place of the parent's employment.
 7. There is no parent available to accept custody of the child. [RCW 74.14A.020](#); [RCW 13.32A.060](#)
- C. Law enforcement custody shall not extend beyond the amount of time reasonably necessary to transport the child to a destination authorized by law and to place the child at that destination. Law enforcement custody continues until the law enforcement officer transfers custody to a person, agency, or other authorized entity under chapter RCW 13.32A RCW, or releases the child because no placement is available. Transfer of custody is not complete unless the person, agency, or entity to whom the child is released agrees to accept custody. [RCW 74.14A.020](#); [RCW 13.32A.050](#)
- D. If a law enforcement officer takes a child into custody pursuant to this subsection and transports the child to a CRC, the officer shall, within 24 hours of delivering the child to the center, provide to the center a written report detailing the reasons the officer took the child into custody. The center shall provide the department with a copy of the officer's report. [RCW 74.14A.020](#); [RCW 13.32A.050](#)

In order to determine the suitability of applicants for an agency license, licensees, their employees, and other persons who have unsupervised access to children in care, and who have not resided in the state of Washington during the three-year period before being authorized to care for children shall be finger printed.
1. The fingerprints shall be forwarded to the Washington State Patrol and Federal Bureau of Investigation (FBI) for a criminal history records check.
 2. The fingerprint criminal history records check will be paid by the Department for out of home placement resources, including foster parents, adoptive parents approved by CA, relatives and other suitable persons.
 3. The licensee may not pass this cost on to the employee or prospective employee, unless the employee is determined to be unsuitable due to his or her criminal history record. [RCW 74.14A.020](#); [RCW 74.15.030](#)
 4. If a FBI check is required in addition to the state background check by the department, effective June 9, 2000, an applicant for employment with an agency licensed or certified under chapter 74.15 RCW who is not disqualified based on the results of the state background check shall be eligible for a 120 day provisional approval to hire, pending the outcome of the FBI check. The passport shall contain education records obtained pursuant to RCW 28A.150.
 1. The passport shall be provided to a foster parent at any placement of a child meeting the

- B. In addition to the requirements of paragraph A above, the department shall notify a foster parent before placement of a child with any known health conditions that pose a serious threat to the child and any known behavior history that presents a serious risk of harm to the child or others.

5650. Considerations Regarding Moving a Child

- A. DCFS will make efforts to reduce multiple placements of children. [RCW 74.14A.020](#); [RCW 74.13.290](#)
- B. Whenever a child has been placed in a foster family home for at least ninety (90) consecutive days, DCFS shall notify the foster family that the child is to be moved at least five (5) days prior to moving the child unless:
1. A court order has been entered requiring an immediate change in placement.
 2. The child is being returned home.
 3. The child's safety is in jeopardy.
 4. The child is residing in a receiving home or a group home. [RCW 74.14A.020](#); [RCW 74.13.300](#)

[RCW 74.14A.020](#); [RCW 74.13.300](#)
- D. Rules about notification of foster parents do not require that court hearings be held before changing a child's foster care placement nor to create any substantive custody rights for the foster parents. [RCW 74.14A.020](#); [RCW 74.13.300](#)

5660. Placement in Mental Health Care

- A. The department shall obtain the prior consent of a child's parent, legal guardian, or legal custodian before a dependent child is admitted to an inpatient mental health treatment facility. See [RCW 74.14A.020](#); [RCW 71.34.042](#) regarding the ability for self-admission of a child age 13 or above. If the child's parent, legal guardian, or legal custodian is unavailable or does not agree with the proposed admission, the department shall request a hearing and provide notice to all interested parties to seek prior approval of the juvenile court before such admission. In the event that an emergent situation creating a risk of substantial harm to the health and welfare of a child in the custody of the department does not allow time for the department to obtain prior approval or to request a court hearing before consenting to the admission of the child into an inpatient mental health hospital, the department shall seek court approval by requesting that a hearing be set on the first available court date. [RCW 74.14A.020](#); [RCW 13.34.320](#)
- B. A dependent child who is admitted to an inpatient mental health facility shall be placed in a facility, with available treatment space, that is closest to the family home, unless the department, in consultation with the admitting authority finds that admission in the facility

closest to the child's home would jeopardize the health or safety of the child. [RCW 74.14A.020](#); [RCW 13.34.330](#)

- C. For minors who cannot consent to the release of their records with the department because they are not old enough to consent to treatment, or, if old enough, lack the capacity to consent, or if the minor is receiving treatment involuntarily with a provider the department has authorized to provide mental health treatment under paragraph A above, the department shall disclose, upon the treating physician's request, all relevant records, including the minor's passport as established under RCW 74.13.285, in the department's possession that the treating physician determines contain information required for treatment of the minor. The treating physician shall maintain all records received from the department in a manner that distinguishes the records from any other records in the minor's file with the treating physician and the department records may not be disclosed by the treating physician to any other person or entity absent a court order except that, for medical purposes only, a treating physician may disclose the department records to another treating physician.  - a. A petition is filed with the juvenile court alleging that the child is dependent and that the child's health, safety, and welfare will be seriously endangered if not taken into custody;
 - b. An affidavit or declaration is filed by the department in support of the petition setting forth specific factual information evidencing reasonable grounds that the child's health, safety, and welfare will be seriously endangered if not taken into custody and at least one of the grounds set forth demonstrates a risk of imminent harm to the child. See [Appendix A](#) for the definition of imminent harm; and
 - c. The court finds reasonable grounds to believe the child is dependent and that the child's health, safety, and welfare will be seriously endangered if not taken into custody.
 - 2. Any petition that does not have the necessary affidavit or declaration demonstrating a risk of imminent harm requires that the parents are provided notice and an opportunity to be heard before the order may be entered.
 - 3. The petition and supporting documentation must be served on the parent, and if the child is in custody at the time the child is removed, on the entity with custody other than the parent. Failure to effect service does not invalidate the petition if service was attempted and the parent could not be found. [RCW 74.14A.020](#); [RCW 13.34.050](#)
- B. No child may be held longer than 72 hours, excluding Saturdays, Sundays and holidays, unless a court order has been entered for continued shelter care. [RCW 74.14A.020](#); [RCW 13.34.060](#)

- D. Whenever the court finds probable cause to believe, based upon consideration of a motion for contempt and the information set forth in a supporting declaration, that a child has violated a placement order entered under chapter 13.34 RCW, the court may issue an order directing law enforcement to pick up and take the child to detention. The order may be entered ex parte without prior notice to the child or other parties. Following the child's admission to detention, a detention review hearing must be held in accordance with RCW 13.32A.06 [RCW 74.14A.020](#); [RCW 13.34.165](#)

Written notice of custody and rights shall be provided to the parents as described specifically in the practice guide.
 3. The written notice of custody and rights must include a statement that, if the hearing occurs before a court commissioner, the parent, guardian, or legal custodian has the right to have the decision of the court commissioner reviewed by a superior court judge. Participation may include the parent and counsel. [RCW 74.14A.020](#); [RCW 13.34.062](#)
- F. If the court does not release the child to his or her parent, guardian, or legal custodian, and the child was initially placed with a relative pursuant to RCW 13.34.060, the court shall order continued placement with a relative, unless there is reasonable cause to believe the safety or welfare of the child would be jeopardized.
1. If the child was not initially placed with a relative, and the court does not release the child to his or her parent, guardian, or legal custodian, the supervising agency shall make reasonable efforts to locate a relative pursuant to RCW 13.34.060.
 2. If a relative is not available, the court shall order continued shelter care or order placement with another suitable person and shall set forth its reasons for the order.
 3. If actual notice was not given to the parent, guardian, or legal custodian and the whereabouts of such person is known or can be ascertained, the court shall order the supervising agency or the department to make reasonable efforts to advise the parent, guardian, or legal custodian of the status of the case, including the date and time of any subsequent hearings, and their rights under RCW 13.34.090. [RCW 74.14A.020](#); [RCW 13.34.062](#)

 2. If a child is returned home from shelter care a second time in the case a law enforcement officer must be present and file a report to the department.

5760. Fact-Finding or Disposition Hearing

- A. The fact-finding hearing on the petition shall be held no later than 75 days after the filing of the petition, unless exceptional reasons for a continuance are found. The rules of evidence shall apply at the fact-finding hearing and the parent, guardian, or legal custodian of the child shall have all of the rights provided in RCW 13.34.090 (1). The party requesting the continuance shall have the burden of proving by a preponderance of the evidence that exceptional circumstances

exist. [RCW 74.14A.020](#); [RCW 13.34.070](#)

B. Unless there is reasonable cause to believe the health, safety, or welfare of the child would be jeopardized or efforts to reunite the parent and child would be hindered, the court shall direct the department to notify those adult persons who:

1. Are related by blood or marriage to the child in the following degrees: Parent, grandparent, brother, sister, stepparent, stepbrother, stepsister, uncle, or aunt.
2. Are known to the department as having been in contact with the family or child within the past 12 months; and
3. Would be an appropriate placement for the child.

Reasonable cause to dispense with notification to a parent under this section must be proved by clear, cogent, and convincing evidence. [RCW 74.14A.020](#); [RCW 13.34.110](#)

C. Stipulation Agreements-No social file or social study may be considered by the court in connection with the fact-finding hearing or prior to factual determination except as otherwise admissible under the rules of evidence. [RCW 74.14A.020](#); [RCW 13.34.110](#)

1. The parent, guardian, or legal custodian of the child may waive his or her right to a fact-finding hearing by stipulating or agreeing to the entry of an order of dependency establishing that the child is dependent within the meaning of RCW 13.34.030. The parent, guardian, or legal custodian may also stipulate or agree to an order of disposition pursuant to RCW 13.34.130 at the same time.
2. Any stipulated or agreed order of dependency or disposition must be signed by the parent, guardian, or legal custodian and his or her attorney, unless the parent, guardian, or legal custodian has waived his or her right to an attorney in open court, and by the petitioner and the attorney, guardian ad litem, or court-appointed special advocate for the child, if any.
3. If the Department of Social and Health Services is not the petitioner and is required by the order to supervise the placement of the child or provide services to any party, the department must also agree to and sign the order.
4. Entry of any stipulated or agreed order of dependency or disposition is subject to approval by the court. The court shall receive and review a social study before entering a stipulated or agreed order and shall consider whether the order is consistent with the allegations of the dependency petition and the problems that necessitated the child's placement in out-of-home care. No social file or social study may be considered by the court in connection with the fact-finding hearing or prior to factual determination, except as otherwise admissible under the rules of evidence.
5. Prior to the entry of any stipulated or agreed order of dependency, the parent, guardian, or legal custodian of the child and his or her attorney must appear before the court and the court within available resources must inquire and establish on the record that:
 - a. The parent, guardian, or legal custodian understands the terms of the order or orders he or she has signed, including his or her responsibility to participate in remedial services as provided in any disposition order;
 - b. The parent, guardian or legal custodian understands that entry of the order starts a process that could result in the filing of a petition to terminate his or her relationship with the child with the time frames required by state and federal law if he or she fails to comply with the terms of the dependency or disposition orders or fails to substantially remedy the problems that necessitated the child's placement in out-of-home care;
 - c. The parent, guardian, or legal custodian understands that the entry of the stipulated or agreed order of dependency is an admission that the child is dependent within the meaning of RCW 13.34.030 and shall have the same legal effect as a finding by the court that the child is dependent by at least a preponderance of the evidence, and that the parent, guardian, or legal custodian shall not have the right in any subsequent proceeding for termination of parental rights or dependency guardianship pursuant to this chapter or nonparental custody pursuant to chapter 26.10 RCW to challenge or

- dispute the fact that the child was found to be dependent; and
- d. The parent, guardian, or legal custodian knowingly and willingly stipulated and agreed to and signed the order or orders, without duress, and without misrepresentation or fraud by any other party.
6. If a parent, guardian, or legal custodian fails to appear before the court after stipulating or agreeing to entry of an order of dependency, the court may enter the order upon a finding that the parent, guardian, or legal custodian had notice of the right to appear before the court and chose not to do so. The court may require other parties to the order, including the attorney for the parent, guardian, or legal custodian, to appear and advise the court of the parents, guardians, or legal custodians notice of the right to appear and understanding of the factors specified in this subsection. A parent, guardian, or legal custodian may choose to waive his or her presence at the in-court-hearing for entry of the stipulated or agreed order of dependency by submitting to the court through counsel a completed stipulated or agreed dependency fact-finding/disposition statement in a form determined by the Washington State Supreme Court pursuant to General Rule GR 9. [RCW 74.14A.020](#); [RCW 13.34.110](#)
- D. Unless the court states on the record the reasons to disallow attendance, the court shall allow a child's relatives and, if a child resides in foster care, the child's foster parent, to attend all hearings and proceedings pertaining to the child for the sole purpose of providing oral and written information about the child and the child's welfare to the court. [RCW 74.14A.020](#); [RCW 13.34.115](#)
 - E. Service of summons may be made under the direction of the court by any person 18 years of age or older who is not a party to the proceedings or by any law enforcement officer, probation counselor, or DSHS employee. [RCW 74.14A.020](#); [RCW 13.34.070](#)
 - F. To aid the court in its decision on disposition, a social study shall be made by the person or agency filing the petition. A parent may submit a counselors or health care providers evaluation of the parent, which shall be included in the social study or considered in conjunction with the social study. See [Appendix A](#) for the definition of social study. [RCW 74.14A.020](#); [RCW 13.34.120](#)
 - G. At least 10 working days before the disposition hearing, the department shall mail to the parent and his or her attorney a copy of the agency's social study and proposed service plan. [RCW 74.14A.020](#); [RCW 13.34.120](#)
 - H. It is the responsibility of the parents, guardians, or legal custodians to ensure that children within the custody of such individuals attend school as provided for by law. To this end, while a parent's failure to cause a child to attend school should not alone provide a basis for a neglect petition against the parent or guardian, when a neglect petition is filed on the basis of other evidence, a parent or guardian's failure to take reasonable steps to ensure that the child attends school may be relevant to the question of the appropriate disposition of a neglect petition. [RCW 74.14A.020](#); [RCW 13.34.300](#)

5761. Disposition Determinations

After consideration of the predisposition report prepared pursuant to RCW 13.34.110 and after a disposition hearing has been held, the court shall order one of the following dispositions of the case:

- A. Order a disposition other than removal of the child from his or her home, which shall provide a program designed to alleviate the immediate danger to the child, to mitigate or cure any damage the child has already suffered, and to aid the parents so that the child will not be endangered in the future. In selecting a program, the court should choose those services including housing assistance that least interferes with family autonomy, provided that the services are adequate to protect the child.
- B. Order that the child be removed from his or her home and ordered into the custody, control, and care of a relative or the Department of Social and Health Services or a licensed child placing agency for placement in a foster family home or group care facility licensed pursuant to Chapter 74.15 RCW, or in a home not required to be licensed pursuant to Chapter 74.15 RCW. Unless there is reasonable cause to believe that the safety or welfare of the child would be jeopardized or that effort to reunite the parent and child will be hindered, such child shall be

placed with a person who is related to the child as defined in RCW 74.15.020 and with whom the child has a relationship and is comfortable, and who is willing and available to care for the child. Placement of the child with a relative under this subsection shall be given preference by the court.

- C. Order for out-of-home placement may be made only if the court finds that reasonable efforts have been made to prevent or eliminate the need for removal of the child from the child's home and to make it possible for the child to return home, specifying the services that have been provided to the child and the child's parent, guardian, or legal custodians, and that preventive services have been offered or provided and have failed to prevent the need for out-of-home placement, unless the health, safety, and welfare of the child cannot be protected adequately in the home, and that:
1. There is no parent or guardian available to care for such child.
 2. The parent, guardian, or legal custodian is not capable of taking custody of the child.
 3. The court finds, by clear and convincing evidence, a manifest danger exists that the child will suffer serious abuse or neglect if the child is not removed from the home and an order under RCW 26.44.063 would not protect the child from danger. [RCW 74.14A.020](#); [RCW 13.34.130](#)
 4. The extent of the child's disability is such that the necessary care for the child and the parent, guardian, or legal custodian has determined that the child would benefit from placement outside of the home. [RCW 74.14A.020](#); [RCW 13.34.270](#)

5762. Termination of Parental Rights

A. Aggravated Circumstances

1. Termination is recommended by the supervision agency;
2. Termination is in the best interest of the child; and that
3. Because of the existence of aggravated circumstances, reasonable efforts to unify the family are not required. Notwithstanding the existence of aggravated circumstances, reasonable efforts may be required if the court or department determines it is in the best interest of the child.
4. In determining whether aggravated circumstances exist by clear, cogent, and convincing evidence, the court shall consider one or more of the following:
 - a. Conviction of the parent of rape of the child in the first, second, or third degree as defined in RCW 9A.44.73, 9A.44.76, and 9A.44.79.
 - b. Conviction of the parent of criminal mistreatment of the child in the first or second degree as defined in RCW 9A.42.020 and 9A.42.030.
 - c. Conviction of the parent of one of the following assault crimes, when the child is the victim: Assault in the first or second degree as defined in RCW 9A.36.11 and 9A.36.021 or assault of a child in the first or second degree as defined in RCW 9A.36.120 or 9A.36.130.
 - d. Conviction of the parent of murder, manslaughter, or homicide by abuse of the child's other parent, sibling, or another child.
 - e. Conviction of the parent of attempting, soliciting, or conspiracy to commit a crime listed in a, b, c, or d above.
 - f. A finding by the court that a parent is a sexually violent predator as defined in RCW 71.09.020.
 - g. Failure of the parent to complete available treatment as ordered under RCW 13.34 or the equivalent laws of another state, where such failure has resulted in a prior termination of parental rights to another child and the parent has failed to effect significant change in the interim. In the case of a parent of an Indian child, as defined in the Indian Child Welfare Act, 25 USC 1903, the court shall also consider tribal efforts to assist the parent in completing treatment and make it possible for the child to return home.

- h. A dependent child under three years of age has been abandoned as defined in RCW 13.34.030 or RCW 13.34.180.
 - i. Conviction of the parent of a sex offense under chapter 9A.44 RCW or incest under RCW 9A.64.020 when the child is born of the offense.
5. If reasonable efforts are not ordered under paragraph A.3 above, a permanency planning hearing shall be held within 30 days. Reasonable efforts shall be made to place the child in a timely manner in accordance with the permanency plan and to complete whatever steps are necessary to finalize the permanent placement of the child. [RCW 74.14A.020](#); [RCW 13.34.134](#)
6. In lieu of the allegations of paragraphs B.2 through B.6, page 5-32 below, the petition may allege that the parent has been convicted of:
- a. Murder in the first degree, murder in the second degree, or homicide by abuse as defined in chapter 9A.32 RCW against another child of the parent;
 - b. Manslaughter in the first degree or manslaughter in the second degree, as defined in chapter 9A.32 RCW against another child of the parent;
 - c. Attempting, conspiring, or soliciting another to commit one or more of the crimes listed in paragraph a or b above; or
 - d. Assault in the first or second degree, as defined in chapter 9A.36 RCW, against the surviving child or another child of the parent. [RCW 74.14A.020](#); [RCW 13.34.180](#)

It is not a prerequisite for termination of parental rights that the parent be convicted of a crime.

- B. A petition seeking termination of a parent and child relationship may be filed in juvenile court by any party to the dependency proceedings concerning that child. Such petition shall conform to the requirements of RCW 13.34.040, shall be served upon the parties as provided in RCW 13.34.070, and shall allege all of the following unless paragraph A.6 or B.6 of this section applies:
1. That the child has been found to be a dependent child;
 2. That the court has entered a disposition order pursuant to RCW 13.34.130;
 3. That the child has been removed or will, at the time of the hearing, have been removed from the custody of the parent for a period of at least six months pursuant to a finding of dependency;
 4. That the services ordered under RCW 13.3 have been expressly and understandably offered or provided and all necessary services, reasonably available, capable of correcting the parental deficiencies within the foreseeable future have been expressly and understandably offered or provided;
 5. That there is little likelihood that conditions will be remedied so that the child can be returned to the parent in the near future. A parents failure to substantially improve parental deficiencies within 12 months following entry of the dispositional order shall give rise to a rebuttable presumption that there is little likelihood that conditions will be remedied so that the child can be returned to the parent in the near future. The presumption shall not arise unless the petitioner makes a showing that all necessary services reasonably capable of correcting the parental deficiencies within the foreseeable future have been clearly offered or provided. In determining whether the conditions will be remedied, the court may consider but is not limited to the following factors:
 - a. Use of intoxicating or controlled substances so as to render the parent incapable of providing proper care for the child for extended periods of time or for periods of time that present a risk of imminent harm to the child and documented unwillingness of the parent to receive and complete treatment or documented multiple failed treatment attempts; or
 - b. Psychological incapacity or mental deficiency of the parent that is so severe and chronic as to render the parent incapable of providing proper care for the child for extended periods of time or for periods of time that present a risk of imminent harm to the child, and documented unwillingness of the parent to receive and complete

treatment or documentation there is no treatment that can render the parent capable of providing proper care for the child in the near future (RCW 13.34.180); and

6. That continuation of the parent and child relationship clearly diminishes the child's prospects for early integration into a stable and permanent home. [RCW 74.14A.020](#); [RCW 13.34.180](#)
- C. In lieu of the allegations in subsections (1) through (6) of this section, the petition may allege that the child was found under such circumstances that the whereabouts of the child's parent are unknown and no person has acknowledged paternity or maternity and requested custody of the child within two months after the child was found. [RCW 74.14A.020](#); [RCW 13.34.180](#)
- D. Notice of Rights in a Termination Action
- Notice of rights shall be served upon the parent, guardian, or legal custodian with the petition. [RCW 74.14A.020](#); [RCW 13.34.180](#)
- E. Custodial Care-If, upon entering an order terminating the parental rights of a parent, there remains no parent having parental rights, the court shall the child to the custody of the department or to a licensed child-placing agency willing to accept custody for the purpose of placing the child for adoption. If an adoptive home has not been identified, the department or agency shall place the child in a licensed foster home, or take other suitable measures for the care and welfare of the child. The custodian shall have authority to consent to the adoption of the child consistent with chapter 26.33 RCW, the marriage of the child, the enlistment of the child in the armed forces of the United States, necessary surgical and other medical treatment for the child, and to consent to such other matters as might normally be required of the parent of the child.[RCW 74.14A.020](#); [RCW 13.34.210](#)
- F. Findings and Order Terminating Parental Rights-After hearing pursuant to RCW13.34.110 or 13.34.130, the court may enter an order terminating all parental rights to a child only if the court finds that:
1. The allegations contained in the petition as provided in RCW 13.34.180 are established by clear, cogent, and convincing evidence; or
 2. The provisions of RCW 13.34.180(1) (a), (b), (e), and (f) are established beyond a reasonable doubt and if so, then RCW 13.34.180(1)(c) and (d) may be waived. When an infant has been abandoned, as defined in RCW 13.34.030, the abandonment has been proved beyond a reasonable doubt, then RCW 180(1)(c) and (d) may be waived; or
 3. The allegation under RCW 13.34.180(2) is established beyond a reasonable doubt. In determining whether RCW 13.34.180(1)(e) and (f) are established beyond a reasonable doubt, the court shall consider whether one or more of the aggravated circumstances listed in RCW 13.3exist; or
 4. The allegation under RCW 13.34.180(3) is established beyond a reasonable doubt; and
 5. Such an order is in the best interests of the child. [RCW 74.14A.020](#); [RCW 13.34.190](#)
- G. Voluntary Adoption Plan
1. In those cases where an alleged father, birth parent, or parent has indicated his or her intention to make a voluntary adoption plan (VAP) for the child and has agreed to the termination of his or her parental rights, the department shall follow the wishes of the alleged father, birth parent, or parent regarding the proposed adoptive placement of the child, if the court determines that:
 - a. This adoption is in the best interest of the child; and
 - b. The prospective adoptive parents chosen by the alleged father, birth parent, or parent are properly qualified to adopt in compliance with the standards in chapter 13.34 RCW and chapter 26.33 RCW.
 2. If the Attorney Generals office or the prosecuting attorney, as applicable, has filed a termination petition at the departments request, an alleged fathers, birth parents, or parents preferences regarding the proposed adoptive placement of the child shall be given consideration. [RCW 74.14A.020](#); [RCW 13.34.233](#)
- K. Upon entry of an order terminating the guardianship, the child shall remain dependent and the court shall either return the child to the child's parent or order the child into the custody, control, and care of the department or a licensed child placing agency for placement in a foster home or group care facility licensed pursuant to chapter 74.15 RCW or in a home not required to be licensed pursuant to such chapter.
