1. For adoption and out-of-home case planning, see CA Case Services Policy Manual, Chapter 4000, section 4500.
2. For expectations regarding assessment of the suitability of prospective foster and adoptive parents to care for a particular child, see the CA Case Services Policy Manual, Chapter 4000, section 4400, and Chapter 8000, section 8300, and the CA Practices and Procedures Guide, Chapter 4000, section 4200.
3. CA must not deny any individual the opportunity to become an adoptive or a foster parent on the basis of race, color, or national origin of the individual or of the child involved; and shall not delay or deny the placement of a child for adoption or into foster care on the basis of race, color, or national origin of the adoptive or foster parent or the child involved.
4. When family members cannot be located, foster or adoptive parents with the greatest ability to meet the child's psychological needs will be selected. In assessing the suitability of prospective foster and adoptive parents to care for a particular child, the CA social worker will consider the following factors:
 1. The family's ability to form relationships and to bond with the child
 2. The family's ability to help the child integrate into the family.
 3. The family's ability to accept the child's background and help the child cope with her or his past.
 4. The family's ability to accept the behavior and personality of the child.
 5. The family's ability to validate the child's cultural and ethnic background. A foster or adoptive family need not be of the same ethnic background as the child in order to meet the ethnic or cultural needs of the child. Unless CA staff identifies a compelling reason, the CA social worker will not match a child to a placement family on the basis of race of the child or family.

1. The family's ability to cope with any forms of discrimination the child may encounter.
2. The family's ability to care for or nurture self-esteem in a child of a different race or ethnicity.
3. The family's ability to maintain the child's ties to another racial, ethnic, or cultural community.
6. The family's ability to meet the child's educational, developmental, or psychological needs.
5. In order to assess culturally competent practice when reviewing cases for general practice considerations, the supervisor for the assigned social worker routinely will look for documentation of:
 1. Consistent use of interpreters and translations when appropriate.
 2. Use of culturally relevant resources.
 3. Clear permanency planning that involves the child's family, their preferences, and ethnic community resources.
 4. Family member placement resources and decisions made regarding the use of those resources.
 5. Support services directed at increasing the capacity of family members to provide placement.
 6. The ability of the foster or adoptive parents to nurture, support, and reinforce the child's identity.
 7. The use of cultural consultation and resources by the social worker and the foster family.
 8. All placement decisions and any placement changes.
 9. Reasons for selection of a particular placement resource for a child. Unless CA staff identifies a compelling reason or ICWA applies, the CA social worker will not match children to a foster or adoptive family on the basis of race of the child or the family.

4320. Limited English Proficiency (LEP)

Approval

By: Jennifer Strus, Asst. Secretary

Effective Date: June 1, 1989

Revised Date: May 1, 2014

Sunset Review: June 2018

Purpose Statement

To provide Limited English Proficiency (LEP) clients access to CA programs and services in a timely manner and at no cost. LEP means persons are limited in their ability to read, write or

speaking English or have a limited ability to speak or read English well enough to understand and communicate effectively. **Laws**

[Title VI of the Civil Rights Act of 1964](#)

[RCW 74.04.025](#)

[Chapter 49.60 RCW](#)

[Chapter 388-271 WAC](#)

Policy

1. Provide each Limited English Proficient (LEP) client verbal and written information in his or her own language through certified or qualified interpreters and translators at every phase of service delivery, at no cost and without significant delay as outlined in DSHS Administrative Policy 7.21 Access to Services for LEP Clients.
2. Post [multilingual signs](#) in CA office reception areas, that explain LEP services are available at no cost to the client and without significant delay.
3. Obtain interpreter services for LEP clients whenever there is difficulty in communication, even if the client has not requested interpreter assistance.
4. Use only DSHS certified/qualified interpreters or certified/authorized bilingual staff for in-person communications when serving LEP families. Informal interpretation through family, friends, or office staff members who are not certified is not appropriate. Children, family members, family friends, neighbors, etc., should not serve as interpreters.
5. LEP clients have the right to secure, at their own expense, their own interpreter or have an adult family member or adult friend serve as their interpreter. This does not waive the CA worker's responsibility to arrange for a certified/qualified interpreter to assist CA staff in communicating in-person with the client.
6. Do not allow an interpreter unsupervised access to clients (i.e., do not leave an interpreter alone with clients).
7. Use only DSHS contracted translation companies or DSHS certified bilingual staff for translation work.

Procedures

1. Establish with the client the primary language in which the client prefers to communicate.
2. Arrange interpreter and translation language services for LEP clients as needed. If the assigned CA worker is a certified/authorized bilingual employee, document in a case note.
3. Mark the client as LEP in FamLink (on the "Basic Person Management Page"). Record each client's primary language in FamLink and the case file, and mark "LEP" on the outside of each LEP client's file/binder.
4. Document the use of all LEP services (e.g., use of interpreters or when clients are given translated documents or publications) in FamLink or by documenting on [DSHS 15-245 LEP Client Service Record](#).

5. File copies of all translated client specific documents (e.g. Court Report) in the case file with the corresponding English document or upload translated document(s) into FamLink.

4330. Serving Persons with Disabilities

1. CA staff will provide equal access to its services and programs to persons who are deaf, deaf-blind, and hard of hearing in accordance with DSHS Administrative Policy 7.20.
2. CA provides equal access to its services and programs to persons with disabilities. The Administration will provide reasonable accommodations to all clients with disabilities and take steps to furnish appropriate auxiliary aids and services whenever necessary to make services accessible to persons with disabilities.
3. Primary consideration will be given to the preferences of the individual with the disability in determining what type of auxiliary aid or service is necessary. These auxiliary aids or services include, but are not limited to:
 1. Telecommunications devices for the deaf (TDD). These devices are connected to telephone lines and enable persons who are deaf or hard of hearing to communicate through printed messages. Each local office must be equipped with a TDD or teletypewriter (TTY).

2. Washington State Telecommunications Relay Service, a statewide 800 service, which relays messages from TDD users to telephones. Telebraille is also available through the relay service.
3. American Sign Language (ASL), the native language of the deaf community in the United States. ASL is a visual-gestured language with vocabulary and grammar, which is different from English.
4. Sign language interpreters. Whenever available, the services of an interpreter who is certified by the Registry of Interpreters for the Deaf (RID) and/or the National Association of the Deaf (NAD) is to be secured. If a certified interpreter is not available, a non-certified interpreter deemed qualified by the client may be used. A certified interpreter must be used for all medical and legal appointments.
5. Lip-reading or note writing.
6. Qualified readers who read standard print materials to visually impaired or blind persons.
7. Extra large print versions of materials.
8. ASCII (American Standard Code for Information Interchange) text files for voice synthesizers and computer screen magnification.
9. Braille transcriptions.

4400. NON-DISCRIMINATION RESPONSIBILITIES OF CONTRACTORS

For responsibilities of contractors relative to non-discrimination, see chapter 10000, section 10600, and the DSHS Basic Contract, General Terms and Conditions.

4500. FOSTER AND ADOPTIVE HOME RECRUITMENT

4510. Inter-Ethnic Placement Act of 1996 (42 USC 671a)

1. The Multi-Ethnic Placement Act (MEPA), as amended in 1996 by the Inter-Ethnic Placement Act (IEPA), mandates that race, culture, or ethnicity may not be used as the basis for any denial of placement, nor may such factors be used to as a reason to delay any foster or adoptive placement.
 1. MEPA and IEPA, as amended, maintains a prohibition against delaying or denying the placement of a child for adoption or foster care on the basis of race, color, or national origin of the adoptive or foster parent, or the child involved.

2. The act also imposes a Title IV-E State Plan requirement prohibiting delay or denial of foster and adoptive placements on the basis of race, color, or national origin.
3. Failure to comply with these provisions of the Title IV-E State Plan requirements will subject the department to fiscal sanctions in cases where corrective action plans failure to correct the problem within six months.
2. MEPA and IEPA, as amended, mandate agencies to provide for the diligent recruitment of potential foster and adoptive families that reflect the ethnic and racial diversity of children in the state for whom foster and adoptive homes are needed. Child welfare agencies must develop a recruitment plan that ensures that foster care and adoptive placements are available to dependent children and those dependent children are not subject to discrimination in their placement. 42 USC 671a
3. Children falling under the protections of the Indian Child Welfare Act of 1979 are exempt from the provisions of MEPA and IEPA.
4. CA shall provide for community based recruitment of foster and adoptive families who reflect the racial and ethnic diversity of the children served by the Administration through the Division of Children and Family Services (DCFS), with the assistance of the Division of Licensed Resources (DLR).
 1. Each region will maintain a pool of potential foster and adoptive parents who are capable of promoting each child's development and case goals.
 2. Regional recruitment efforts must reach all members of the community and provide potential foster and adoptive parents with information about the needs of available children, the nature of the foster care and adoption processes, and the supports available to foster and adoptive families.
 3. Standards may not be used for foster and adoptive parents which are related to age, education, family structure, and size or ownership of housing or which exclude groups of prospective parents on the basis of race, color, or national origin.

4520. Recruitment Plans

Each DCFS Regional Administrator must develop a comprehensive recruitment plan, which ensures that foster care placements and adoptive homes are available to dependent children, and those dependent children are not subject to discrimination in their placements. This plan will include:

1. A description of the characteristics of waiting children.
2. Specific strategies to reach all parts of the community.
3. Diverse methods of disseminating both general and child specific information.
4. Strategies for assuring that all prospective parents have access to the home study process, including location and hours of services that facilitate access by all members of the community.
5. Strategies for training staff to work with diverse cultural, racial, and economic communities.
6. Strategies for dealing with diverse linguistic barriers.

7. Non-discriminatory fee structures.
8. Procedures for a timely search for prospective parents for a waiting child, including the use of exchanges and other interagency efforts, provided that such procedures must ensure that placement of a child in an appropriate household is not delayed by the search for a same race or ethnic placement.

5000. HEALTH AND SAFETY

5100. ADMINISTRATIVE INCIDENT REPORTING (AIRS)

5110. Purpose

This policy establishes uniform requirements for reporting and managing serious and emergent incidents involving the Children's Administration (CA). These incidents are defined as Administrative Incidents and must be reported through the Administrative Incident Reporting System (AIRS). This reporting system has been established to provide early notice and factual information for incidents requiring the immediate attention of the administration. Information from these reports will be used to identify issues, patterns and trends, and to determine if action is needed to improve the health and well being of children, families, and staff members.

For information beyond the scope of this policy see [AIRS Companion Guide, Appendix C of this manual](#).

5120. Scope

This policy's operating procedure applies to:

1. Children and families receiving services from CA.
2. Licensed and unlicensed facilities and providers.
3. Employees, interns, and volunteers of the Department of Social & Health Services (DSHS) as they relate to services CA provides.
4. Allegations of Employee Misconduct

Allegations of employee misconduct or criminal conduct are not documented in AIRS. If an allegation of misconduct or criminal conduct may potentially receive media or other high profile attention, notification through the chain of command is made as soon as possible by telephone up to the Office of the Assistant Secretary. Allegations of employee misconduct and/or criminal conduct are addressed by following DSHS Personnel Policy 545 and DSHS Administrative Policy No. 6.01. In addition to these

policies, appointing authorities follow the Washington State Patrol (WSP) and DSHS Interagency Agreement and protocol for complying with Executive Order 96-01.

5130. Incidents Requiring an AIRS Report

1. Child Fatalities/Near Fatalities

- Child fatalities and near-fatalities resulting from allegations of child abuse and/or neglect on an open case are reported to the Office of Risk Management by telephone or by completing the Case and Management Information System (CAMIS) referral form within one hour from the time CA received notification of the incident. Child fatalities of Native American children also are reported to their respective tribe.

1. Child fatalities must be reported in AIRS if:

1. There is an open case on the family prior to the fatality incident or any CA history on the family within 12 months of the fatality, including information-only referrals.
 2. The fatality occurred in a CA or Division of Child Care and Early Learning (DCCEL) licensed, certified, or state operated facility.
2. A near-fatality is defined as an act that places the child in serious or critical condition (RCW 74.13.500). Child near-fatalities must be reported if:
1. The near-fatality is a result of alleged child abuse and/or neglect on an open case or on a case with CA history within 12 months; or
 2. The near-fatality occurred in a CA or DCCEL licensed, certified, or state operated facility.
3. Child fatalities and near-fatalities must have a new referral created in FamLink when:
1. They meet the above criteria.
 2. The fatality or near-fatality is reported as being the possible result of child abuse or neglect regardless of whether or not the family has had prior contact with CA.
 3. A new referral is not required when a near-fatality later becomes a fatality due to the circumstances reported in the original referral. An update to AIRS and a note in FamLink will suffice.
4. The initial report of fatality or near-fatality is input into AIRS by the intake supervisor or Child Protective Services (CPS) program manager at the time of the report. Updates to the initial report are documented in AIRS by the local office assigned to the case or where the case was last opened if the referral is not accepted for services.

2. Client Related

For the purpose of completing an Administrative Incident Report, a child client is defined as a child (or youth up to age 21) in the care, custody, or supervision of CA (per RCW 26.10) or DSHS as it relates to services CA provides. An AIRS report must be made on the following client related incidents:

1. **Serious Injury:** Serious injury of a child client requiring professional medical treatment (beyond first aid treatment) alleged to be the result of (a) physical abuse, (b) unexplained injury or (c) an injury that is not consistent with caretaker(s) explanation. Note: If it is a life-threatening injury, report the incident as a near-fatality.
 2. **Allegation of Molestation or Rape:** Allegations of molestation or rape by an adult caretaker of a child client who is in the care and supervision of the department, or incidents involving multiple victims or patterns of molestation or rape between child clients placed by the department. Identify if the incident involved two residents in a facility, siblings, the caretaker, or third party adult.
 3. **Suicide Attempt:** Any suicide attempt that results in injuries requiring hospitalization of a child client.
 4. **Placement Exceptions:** Child is placed in one of the following placements: a) an institution not designed for foster children, such as adult mental hospitals or detoxification programs where children and adults are co-mingled; b) a foster home without specialized training and support to provide for the safety of children in the home where children reside who are sexually aggressive, physically assaultive or who have demonstrated a pattern of assaultive behavior; c) at DSHS offices due to no placement resources being available or at detention facilities once legal holds are eliminated; d) apartments or motels, unless an appropriate licensed foster home or relative caregiver is not available and only with approval from the Regional Administrator (RA) and a determination that adequate supervision is provided for the child.
 5. **Other:** Any other client-related critical incident that does not fall into one of the previously identified categories that is believed to require administrative notification and/or attention.
3. **Incidents Involving a Facility or Foster Home (Provider Incident)**
 0. An allegation of licensed provider misconduct is reported in AIRS by supervisors or management personnel. These include but are not limited to:
 1. Criminal activity that would disqualify a licensed provider from providing care to children (see WAC 388-06-0170 & 388-06-0180).
 2. Allegation of sexual abuse/sexual exploitation.
 3. A pattern of high-risk child abuse and/or neglect referrals.
 1. When an administrative incident meets one of the reporting requirements mentioned above and occurred in or involved one of the residents or staff in a facility or foster home, the Facility-Foster Home Section in AIRS is completed. Definition of facilities and foster homes include:
 1. Foster homes, facilities, private agencies licensed by the Division of Licensed Resources (DLR).

 4. **Staff Safety Incident or Potential Threat of Harm**
(For additional information on staff safety, see Operations Manual 8600).
Individuals reporting a staff safety incident are required to indicate in AIRS whether or

not the incident resulted in serious injury that required professional medical treatment. The following staff safety incidents require an AIRS report:

- Other: Any other serious issue that threatens the safety of staff.
 - Physical Assault by Other: Assault of a staff person by any other person (non-client) that occurs during the course of the staff person carrying out his or her job duties. Immediately notify law enforcement and document the jurisdiction and police report case number in the "Community" section of AIRS.
 - Physical Assault by Client: Assault of a staff person by a child, parent, or individual identified as a client receiving services from the department. Immediately notify law enforcement and document the jurisdiction and police report case number in the "Community" section of AIRS.

5. Theft/Vandalism/Property Damage
Report incidents of theft, vandalism, damage, or loss of state or private property in excess of \$250.
6. High Profile
These are incidents that may generate significant interest by the media, the legislature and/or the Governor's Office. Incidents reported as high profile, including those marked high profile by intake, are reported in AIRS and must include an explanation regarding the reason it is considered high profile.
7. Other
AIRS reports are not limited to the incidents described above. If other types of critical incidents requiring the attention of the administration occur, consult with the CA Office of Risk Management.

5140. Administrative Incident Management and Reporting Procedures

1. Administrative incidents identified in Section III are entered into AIRS within 24 hours of receipt of the report. The initial report is to include information known to the department at the time of the report.

2. Intake supervisors and/or CPS program managers input the initial AIRS report on child fatality and near-fatality cases. CPS program managers update and close the AIRS reports on child fatality and near-fatality cases.
3. Unit supervisors input the initial AIRS report on worker, staff safety, client related, and property loss incidents. Other incidents are input by intake supervisors or unit supervisors as determined by the region.
4. The supervisor of the unit responsible for investigating the incident ensures an AIRS report was made, updated, and closed when the investigation is completed. If there is not an investigation, the intake supervisor or the supervisor of the unit reporting the incident makes an AIRS report, updates, and closes as appropriate.
5. When automated transmission using AIRS is not possible, report the incident by phone to the Office of Risk Management and report in AIRS as soon as transmission is possible.
6. Managers in the chain of command are automatically notified of the incident through AIRS and are required to review the incident report within 48 hours of receipt of the report.
7. All incident reports are completed and approved by the regional designated chain of command within 10 working days of receipt of a report.
8. Follow-up reports occur as additional information becomes available.
9. AIRS will be managed by CA Office of Risk Management.

5150. Reviews of Administrative Incident Aggregate Data

1. At least quarterly, statewide program managers designated responsible for management and oversight of administrative incidents conduct an internal review to evaluate occurrences, summarize findings, identify areas for further study, and make recommendations to strengthen practice, programs, and systems. Results of the quarterly statewide review are provided to the appropriate directors.
2. At least quarterly, an internal review of all administrative incidents is conducted by each region and local office. The Office of Risk Management and Division of Program and Practice Improvement provides support and consultation as needed. Summary reports from AIRS are used to evaluate practice and identify trends and strategies to improve outcomes. Results of the local office review are provided to the local office Continuous Quality Improvement (CQI) Standing Team. Results of the regional review are provided to the Regional Management Team.
3. Twice yearly, the Division of Program and Practice Improvement, in partnership with statewide program managers designated with responsibility for management and oversight of administrative incidents publishes a summary report for CA management review that identifies statewide and regional trends.

5300. INVESTIGATING ABUSE AND NEGLECT IN STATE REGULATED CARE

5310. Introduction

1. The Division of Licensed Resources (DLR) Child Abuse and Neglect Section Practice Guide - Investigating Abuse and Neglect in State-Regulated Care is a "how-to" guide to be used by the facility investigators in the course of investigations of alleged abuse and neglect in state-regulated care.
2. The guide expands the Washington State Risk Assessment Model, developed for investigation of abuse in biological families, to include risk factors specific to state-regulated care. Within the "state-regulated" care sub-group, there are many differences between types of care. The guide helps investigators assess the importance of those differences between types of care, while emphasizing the major similarities that need assessment in the course of an investigation.

5321. Purpose and Scope

1. CA has a responsibility to ensure that high quality care is provided when a child is under state supervision or when a facility providing care is state-regulated. Minimum licensing requirements (MLR) define a higher standard of care than expected and legally allowed in a biological family unit. As a result, standards for accepting referrals for investigation of alleged abuse and neglect in state-regulated care encompass a wider range of allegations than those involving biological family units.
2. Child Protective Service (CPS) investigations of reports of alleged abuse or neglect in licensed, certified, and state-operated care facilities (child day care, foster care, group care, hospitals, and institutional care) have five main goals:
 1. To ensure the immediate safety of alleged child victims;
 2. To investigate allegations and make determinations regarding the existence of child abuse and neglect (CA/N);
 3. To assess whether the child in question has been abused or neglected in a state-regulated setting in ways that have not been alleged;
 4. To identify risk factors within the facility which create a substantial risk of future harm to children; and
 5. To ensure consistency and equity toward providers in the investigation of abuse and neglect.
3. Investigations of alleged abuse or neglect must include assessments of the presence or absence of patterns of CA/N and/or inadequate care as well as documenting specific incidents of child maltreatment.
4. Investigations of alleged abuse or neglect in licensed care are distinct from investigations of compliance with MLR or certification standards. Nevertheless, when there is an investigation of alleged abuse or neglect in licensed care, the investigator must consider a history of compliance or non-compliance with MLRs or certification standards in his or her overall assessment.
5. Investigations of alleged abuse or neglect are expected to result in findings related to specific allegations of CA/N. The findings also include the presence or absence of other abuse or neglect in the licensed setting and record the important risk and protective factors present. Findings must have a strong factual basis, be supported by appropriate documentation, and include recommendations regarding disposition of the case.
6. See the DLR Child Abuse and Neglect Section Practice Guide - Investigating Abuse and Neglect in State Regulated Care for steps to follow for Intake, Investigation, Assessment, and Disposition of allegations of CA/N in state-regulated care.

5400. HEALTH AND SAFETY REVIEWS

CA staff must use the CA protocol Health and Safety Review Standards - Procedures for Group Care and Therapeutic Foster Health and Safety Reviews as the guideline for conducting health and safety reviews of this types of facilities. In addition, staff must comply with the provisions of the CA Practices and Procedures Guide, chapter 4000, section 4421, Health and Safety of Children.

5500. CRIMINAL HISTORY AND CHILD ABUSE AND NEGLECT HISTORY CHECKS FOR OUT-OF-HOME PLACEMENT

5510. Authority

1. As part of determining character, competence and suitability of prospective out-of-home caregivers and other individuals to have unsupervised access to children, Children's Administration (CA) is required to conduct background checks (including criminal history and Child Abuse and Neglect or CA/N history) pursuant to RCW 43.43, RCW 74.15.030, WAC 388-06 and PL 109-248.
2. For purposes of CPS investigations and emergent placement of children with unlicensed relatives and other suitable persons, CA has the authority to access criminal history information directly from the National Crime Information Center (NCIC) databases pursuant to RCW 26.44.030, RCW 74.15 and PL 109-248.

5511. Definition of Required Criminal History and CA/N Checks

1. A criminal history and CA/N check must be completed for anyone living in the home, age 16 and above, excluding youth in foster care:
 1. Prior to final approval of an out of home placement under the custody of CA with an unlicensed relative or other suitable person, or
 2. Prior to final approval of a foster home license, or
 3. Prior to final approval of an adoptive home study.
2. For all youth living in the home, ages 16 and 17 (excluding youth in foster care):
 1. A FamLink records check, and
 2. A background check conducted by DSHS Background Check Central Unit (BCCU).
3. For all adults living in the home, age 18 and above, criminal history and CA/N history must include the following:
 1. A FamLink records check,
 2. A background check conducted by BCCU,
 3. An FBI/WSP fingerprint based criminal history check processed by BCCU; unless the check is for renewal of a foster home license, and
 4. For persons who have lived outside of Washington State in the preceding five years, an out of state child abuse and neglect history check from all other states where the individual has lived during that time.

5512. Persons Subject to Criminal History and CA/N History Check Requirements

1. CA staff must complete the required background check, as defined in this section, of out-of-home caregivers and other adults who will have unsupervised access to a child in their home, including:

3. Caregivers of children under the custody of Washington State who are placed in another state through ICPC will have their background check completed by the receiving state according to the receiving state's policy.
4. Prior to a dependent child being returned to their parent's home, the social worker must conduct a criminal background check on all adults residing in the home.
5. Complete for safety plan participants per Safety Plan Policy.

5513. BCCU Background Check

1. A background check conducted by BCCU is required for all adults, age 18 and above, and for all youth ages 16 and 17 living in the home. Youth in foster care are excluded from this requirement, however if a youth ages out of care and later voluntarily returns to foster care, a BCCU check is required.
2. Prior to a dependent child being returned to their parent's home, the social worker must conduct a BCCU check on all adults residing in the home.
3. BCCU background checks may be used to authorize unsupervised access to a child to facilitate a safety or service plan.

4. Each individual must complete and sign a Background Authorization Form (DSHS 09-653) prior to BCCU conducting a Washington State background check. For youth ages 16 and 17, a parent or guardian must also sign the authorization form.
5. The requesting CA staff must sign the completed Background Authorization Form prior to forwarding the request to BCCU.
6. A BCCU check is required at the time of re-licensing or if there is a change in the license.
7. A BCCU check is valid for one calendar year for purposes of the home study process. If it has been longer than one year since the background check was completed, the social worker must request another BCCU check.

5514. FBI Fingerprint Based Check

1. An FBI fingerprint based criminal history check is required for all adults, age 18 and above.
2. A completed Background Authorization Form (DSHS 09-653) with required signatures will be faxed to BCCU.
3. If fingerprints transmitted electronically require a BCCU tracking number (i.e. Originating Case Agency-OCA number) be documented on the Background Authorization form.
4. CA staff are not to contact the FBI or Washington State Patrol (WSP) for any purpose related to the completion of a background check as this could further delay the process. All requests for status should be submitted through BCCU and they will provide results to CA staff.
5. CA is required to pay for the cost of processing the FBI/WSP fingerprint check for all persons subject to fingerprints as defined in Section 5512 (1).
6. Social workers will ensure documentation of one or more of the following notations, as applicable, for each person in the FamLink Person Management page within 3 calendar days of action and/or receipt of information. Additional information is to be documented in case/provider notes.

5516. Out of State Child Abuse and Neglect History Check for Allegations of Child Abuse or Neglect (CA/N)

1. If an adult, age 18 and above, has lived in another state during the preceding five years, CA is required to make a request for out-of-state records for allegations of child abuse and neglect in each state the individual has lived during that time. This applies to all individuals identified in Section 5512 of this policy
2. The individual must sign an authorization of disclosure prior to conducting the out-of-state records check. If the other state does not have a required form, use the [Out of State Child Abuse and Neglect Information Request form](#).

5517. National Crime Information Center (NCIC) Checks for Emergent Placements - Purpose Code X

CA is authorized by the FBI to access the NCIC database "to check for criminal history in limited situations when emergent circumstances exist that do not reasonably allow for immediate fingerprinting prior to placement." In Washington State, emergency placement refers to those limited instances when the Department is placing a child in the home of private individuals, including neighbors, friends, or relatives, as a result of a sudden unavailability of the child's primary caregiver. This is known as a "Purpose Code X" access check. Purpose Code X checks are based on name and date-of-birth information and are a point in time check.

1. NCIC requests for emergent placement must be conducted under NCIC Purpose Code X in accordance with state and federal laws. (RCW 26.44.030 and PL 109-248)
2. NCIC checks for emergent placement will be conducted by the NCIC Unit staff at the request of the placing social worker.
3. NCIC Unit staff will complete a Criminal History Summary Form and provide results of the Purpose Code X check to the requesting social worker.
4. CA staff may not approve an emergent placement of a child with an unlicensed caregiver until the following has been completed:
 1. FamLink check on all adults in the home; and
 2. NCIC Purpose Code X check on all adults in the home.
5. A child may not be placed in the home if any adult in the household has a disqualifying event from the DSHS [Secretary's List of Crimes and Negative Actions](#).
6. When a placement is made, CA staff must ensure the following documents are submitted to BCCU within 10 calendar days of the NCIC Purpose Code X check:
 1. Background Authorization Form (DSHS 09-653)
 2. Fingerprints
7. The child must not remain in the home if fingerprints are not submitted or any adult in the home refuses to be fingerprinted.
8. The reason or circumstances why the fingerprints were not completed must be documented in FamLink Provider Notes
9. The emergent unlicensed placement is not considered final until all background check requirements results have been completed and all other assessments for character, competence and suitability have been completed, including the Relative Home Study.
10. Results of an NCIC Purpose Code X check for emergent unlicensed placements cannot be used for CPS investigation (Purpose Code C) (see procedures for NCIC Checks for CPS Investigations, Purpose Code C).
11. Requests for NCIC database access information are not permitted for any reason other than an emergent placement with an unlicensed caregiver (Purpose Code X) or CPS investigation (Purpose Code C).
12. Social workers will ensure documentation of the date and results of an NCIC Purpose Code X check on each person in the FamLink Person Management page is completed within 3 calendar days of the NCIC request, using the following notations as applicable:
 - o No hits/no record; or
 - o No disqualifier; or
 - o Five year disqualifier; or
 - o Permanent disqualifier
13. Information from NCIC Purpose Code X checks and summary forms may not be printed out, placed in case files, or shared with parties outside of DSHS.

5518. NCIC Checks for CPS Investigations - Purpose Code C

CA is authorized to access the NCIC database for subjects of CPS investigations and other adults related to the investigations. The Purpose Code C check allows the social worker to assess the safety of children in the home and the safety of CA staff conducting the investigation. Requests for NCIC checks for CPS investigations are made in accordance with state and federal laws. (RCW 26.44.030 and PL 109-248). Purpose Code C checks are based on name and date-of-birth information and are a point in time check. Purpose Code C checks are not required and are completed at the discretion of the investigating social worker.

1. NCIC requests for CPS investigation purposes are conducted under NCIC Purpose Code C.
2. NCIC checks for CPS investigations will be conducted by the NCIC Unit staff at the request of a CPS investigator or supervisor.
3. NCIC Unit staff will complete a Criminal History Summary Form and provide results of the Purpose Code C check to the requesting social worker.
4. If the social worker determines that a Purpose Code C check is needed, they will ensure documentation of the date and results of the check on each person in the FamLink Person Management page within 72 hours of the NCIC request is completed, using the following notations as applicable:
 1. No hits/no record; or
 2. No disqualifier; or
 3. Criminal history found; or
 4. Conviction history found
5. If necessary, (e.g. due to multiple people with the same common name and date-of-birth), the CPS investigator may follow up with a request for a fingerprint based criminal history check processed by BCCU.
6. Results of NCIC Purpose Code C checks for CPS investigations cannot be used for NCIC Purpose Code X placement purposes.
7. Requests for NCIC database access information are not permitted for any reason other than an emergent placement with an unlicensed caregiver (Purpose Code X) or CPS investigation (Purpose Code C).
8. Information from NCIC Purpose Code C checks and summary forms may not be printed out, placed in case files, or shared with parties outside of DSHS.

 - Administrative Review Request for Crime and/or Negative Action (DSHS 15-367)
 - * See FamLink Background Check Reference table for additional guidance
2. Background check request forms, result letters, and rap sheets are to be stored in the caregiver's file.
 3. NCIC Access unit will provide view only summary forms. The NCIC summary forms will be purged 30 days from the request date.

5521. Information Sharing

1. All information received from the FBI or WSP is authorized for use by CA only for the purpose for which it was obtained; it cannot be used as documentation for other programs or administrations.
2. If there is a disqualifying event identified by the BCCU and/or the fingerprint check, CA staff must notify the individual of the disqualification in writing within 10 days after receipt of the information.
3. CA staff may provide a copy of conviction information from fingerprint results, e.g., "rap sheets," to the individual named in the inquiry, if the individual provides a request in writing along with proof of identity. A copy may also be obtained from the WSP. (WAC 388-06-0260)
4. CA staff must not disclose unfounded or inconclusive findings and related reports of child abuse or neglect as defined in RCW 26.44.020 to a child placing agency, a private adoption agency, or any other provider licensed under chapter 74.15 RCW.

5620. Background

1. Chapter 47.06B RCW was amended in 1999, and states in part:
"It is the intent of the legislature that...public agencies sponsoring programs that require transportation services coordinate those transportation services. Through coordination of services, programs will achieve increased efficiencies and will be able to provide more rides to a greater number of persons with special needs." RCW 47.06B.010
2. DSHS Administrative Policy 8.09 was adopted on July 1, 2001. Policy 8.09 requires all DSHS Administrations to adopt individual policies to ensure DSHS covered transportation services are coordinated for persons with special transportation needs.

5630. Definitions

1. The Agency Council on Coordinated Transportation (ACCT) - Was created by, authorized by and implements Chapter 47.06B RCW. ACCT is the formal decision making body that is charged with making regular reports to the legislature regarding compliance with Chapter 47.06B RCW.

 1. Facilitate communication with all divisions regarding DSHS Policy 8.09.
 2. Consult with all divisions as necessary to ensure compliance with Policy 8.09.
 3. Assign a representative to participate in PACT Forum and work groups and ACCT work groups, as necessary.
 4. Establish and facilitate a management committee to cooperatively implement the requirements of the Special Needs Transportation Policy.
 5. Members of the management team will be from the Management Services Division, Division of Program and Policy Development, Division of Children and Family Services, Division of Licensed Resources and other members as needed. The committee member will be appointed by the division director and will be responsible to:

Divisions should include transportation providers, service agencies, and stakeholders when assessing these potential effects.
5. Annual Reporting Requirements:
 1. The lead agency will be responsible to produce the report consisting of information provided by the individual divisions. The management committee representative will be responsible for ensuring information is available. At a minimum, the initial report must include the following headings:

5700. BLOOD BORNE DISEASES

5710. Blood Borne Pathogens Protection Plan

5711. Purpose and Scope

1. Employers must assess the risk to employees for a reasonably-anticipated potential for occupational exposure to blood and other potentially infectious materials during the course of performing their assigned duties. Although the risk of occupational exposure to blood borne pathogens (BBP) has been determined to be quite low for Children's Administration personnel, CA has stipulated this Blood Borne Pathogens Protection Plan

to further minimize the risk of exposure, to provide guidance addressing unexpected exposure to blood and/or bodily fluids, and to meet requirements set forth by the Occupational Safety and Health Administration (OSHA), and the Washington Industrial Safety and Health Act (WISHA).

2. The plan applies to and is accessible to all employees and will be reviewed and updated annually, or as required by statute.

5712. Definitions

Definition of terms applicable to the Plan is found in [Appendix A](#).

5713. Methods of Implementation

1. General-All employees will use Universal Precautions (see [Appendix A](#)) whenever there is reasonably anticipated contact with blood or other potentially infectious fluids.
2. Safe First-Aid Practices
 1. The Regional Administrator or appropriate Director shall ensure that each office provides and maintains first aid kits and equipment which minimally include several sets of gloves, CPR protective shields, germicidal hand wipes, and plastic disposal bags.
 2. First line supervisors in each office shall inform their employees of the location of, and ensure that they have immediate access to, first aid equipment and will encourage them to use it while rendering first aid.
 3. Staff designated by the Regional Administrator or the applicable Director shall determine the location of first aid kits, to include placement in state cars and in office reception areas, bathrooms, and kitchens. Designated staff shall develop local procedures which include local office information and methods for documenting notification to staff.
 4. The office procedures shall designate and identify staff responsible for stocking of the kit and include posting names of responsible staff.
 5. Whenever blood or other potentially infectious materials may be present, the employee rendering first-aid shall use appropriate personal protective equipment, such as gloves. The employee shall immediately wash his/her hands after gloves are removed.
 6. The person giving CPR shall use a one-way valve micro-shield and then appropriately discard it.
 7. If there is more than one victim, the person giving assistance shall use new protective equipment, such as gloves and CPR micro-shields, for each victim.
3. Disposal of Contaminated Items
 1. Staff shall handle all material exposed to and contaminated with blood or other potentially infectious materials with gloves. Staff shall place and transport contaminated material in a plastic bag that prevents soak-through and/or leakage to the exterior.

2. The employee shall label the bag as to contents with label prominently displayed and dispose of contents in trash bins unless contents meet the definition of regulated waste (See [Appendix A](#)). In that case, the employee shall dispose of contents in accordance with state and local regulations; e.g., by taking the bag to a local hospital or medical clinic for disposal, by depositing with the fire department's emergency response team on the scene, or by calling the local solid waste utility for further information.
4. Laundry
 1. To prevent the spread of contamination, staff shall remove all clothing that has been contaminated with gloves and place it in a plastic bag that prevents soak-through and/or leakage. The bag shall be labeled as to contents with label prominently displayed.
 2. The employee shall change out of contaminated clothing. CA shall provide temporary clothing, such as surgical scrubs, for the person to wear.
 3. If the employee is in the field and not intending to return to the work site, he/she should remove contaminated clothing, place it in a plastic bag immediately on arriving home, and return it to the work site as soon as possible.
 4. Employees shall not take contaminated personal clothing home for home-laundering.
 5. The CA office, in accordance with local or regional procedures, shall arrange for professional cleaning, laundering, repair and/or disposal and replacement of the garment at no cost to the employee. Payment for the cleaning will be handled according to regional policy. Local procedures shall state to whom the contaminated laundry shall be given.
 5. Cleaning
 1. All CA property that may have been contaminated with blood or other potentially infectious materials shall be cleaned immediately or as soon as possible after the incident, in accordance with local procedures.
 2. Employees shall wear gloves during all cleaning procedures.
 3. Employees shall dispose of gloves used for cleaning procedures into a plastic bag. The employees shall wash their hands immediately after gloves are removed.
 4. Each CA office shall provide and make available appropriate cleaning supplies, such as bleach, Lysol, AseptiCare, or MegaSol.
 5. Employees shall use a household bleach solution in a mixture of one part bleach to 10 parts water made fresh for immediate use or an appropriate germicide, which may include Lysol Spray, AseptiCare, or MegaSol.
 6. Staff shall handle all broken glass or other "sharps" with broom, dust pan, tongs, or forceps in order to reduce the risk of exposure. If items are contaminated, staff shall pour bleach solution or germicide over the area, prior to removal.
 7. Staff shall dispose of broken glass and/or "sharps" into containers that are leak-, spill- and cut-proof.
 6. Training
 1. The Regional Administrator or Director, as applicable, shall arrange for all employees to be trained in order to become knowledgeable on the plan.

 1. Employee Self-Care-Every employee shall be informed during training of the following necessary self-care process:
 1. Exposure to the eyes - Flush eyes with water and/or appropriate solution.
 2. Exposure to the nose - Blow nose and wipe inside of nostril.
 3. Exposure to the mouth - Spit and rinse mouth.
 4. Exposure to skin - If a hand washing facility is not available, wipe immediately with germicidal towelette and then, as soon as possible, wash in hand washing facility.
 2. Incident Reporting-After every incident involving blood or other potentially infectious material, the employee shall report the incident to a supervisor. If exposure has occurred, the supervisor shall assist the employee in filling out a Report of Employee Personal Injury, DSHS 3-133.
 3. Medical Follow-up
 1. The supervisor shall ask the employee to go to a licensed health care professional immediately or at least within 24 hours of the incident for a post-exposure evaluation and follow-up.
 2. The employee will take the following to the health provider:
 1. A copy of the Report of Employee Personal Injury, DSHS 3-133.
 2. A post-exposure evaluation form for the health care professional's written opinion.
 3. A copy of the portion of WAC 296-62-08001(6) noting requirements for evaluation & follow-up.
 3. The supervisor shall complete the Report of Employee Personal Injury, DSHS 3-133, and route copies following the instructions on the form, including forwarding a copy of the Department of Labor and Industries (L&I) report to the Office of Safety & Risk Management, once the completed copy is received from the health care provider.
 4. Post-exposure evaluation and follow-up may consist of HIV counseling and testing, Hepatitis B immunoglobulin, and the offer of the full series of the Hepatitis B vaccine.

5. The designee of the Regional Administrator or Director, as applicable, shall request that the source individual have his/her blood tested as soon as possible, with the test results disclosed to the exposed employee. The source individual is not required by law to have the tests or to disclose test results.
 6. The designee shall remind the exposed employee that the test results are not to be disclosed to anyone, except for the health care provider providing the employee's medical evaluation. When the source individual is already known to be infected with hepatitis B virus or human immunodeficiency virus (HIV), blood testing for these viruses need not be requested.
4. Record-Keeping
 1. The health care provider will report back to CA that appropriate post-exposure evaluation, prophylaxis, and follow-up has been offered.
 2. All medical records of this exposure follow-up will be kept confidential by CA for the duration of the person's employment plus thirty years. Records will be maintained by the DSHS Office of Risk Management, Safety and Health Section, and will not be included in the employee's personnel file.
 5. Payment

5720. Blood Borne Infections

5721. Purpose and Scope

This section provides guidelines for the implementation of procedures pertaining to infections carried in the blood, such as Sexually Transmitted Diseases (STDs), specifically Human Immunodeficiency Virus (HIV) and Hepatitis B Virus (HBV).

5722. Definitions

For definitions relating to this section, see [Appendix A](#).

5723. Implementation Practices/Procedures

1. Non-Discrimination
 1. CA shall not discriminate against persons with or perceived to have HIV infection. This policy includes discrimination against employees, clients, licensees, contractors, or volunteers. Procedures for persons who believe they have been subjected to discrimination because of HIV status are found in DSHS Administrative Policy 6.09.
 2. Licensees are not required by law to share their HIV status with licensers. If this information is shared by the licensee or prospective licensee, licensers may request additional health information, as is the case with disclosure of any serious illness of a licensee. Decisions regarding continued licensing of an HIV infected person are made in the same manner as any serious illness.
2. Regional HIV/BBP Coordinator
 1. Each Regional Administrator must designate an HIV/BBP Coordinator to oversee issues related to HIV, HBV, and other BBPs.
 2. The social worker refers all HIV/BBP affected cases and issues related to BBP to the regional HIV/BBP Coordinator for consultation and staffing as appropriate.
 3. The Coordinator:
 1. Provides information and consultation on CA policy.
 2. Provides consultation for case management.
 3. Serves as liaison with the health care community and AIDS service organizations.
 4. Convenes the HIV/BBP Advisory Team.
3. Regional HIV/BBP Advisory Team
 1. Each Regional Coordinator must develop an HIV/BBP Advisory Team to advise on issues related to HIV, HBV, and other BBP.
 2. The Regional HIV/BBP Advisory Team:
 1. Assists, as necessary, with development of regional guidelines on issues related to HIV/BBP.
 2. Provides case consultation, as needed.
4. Universal Precautions-All staff, out-of-home care providers, volunteers, licensees, and respite care providers must use universal precautions when dealing with children in care and treat all blood and body fluids containing blood as if known to be infectious. See section 5710, Blood Borne Pathogens Protection Plan.
5. HIV Testing
 1. HIV testing of a child is a medical procedure and, therefore, must be done only in consultation with the Regional HIV/BBP Coordinator and on the recommendation of the local health department or a licensed health care provider knowledgeable about HIV infection.
 1. When HIV testing of a child under the age of 14 is being requested as a result of potential perinatal exposure, the social worker or HIV/BBP Coordinator shall inform the child's mother of the request and ask the mother to provide the results of her past HIV tests or to be tested in order

to possibly eliminate the need for testing of the child. This testing is voluntary and will be confidential, consistent with this section.

2. When parental rights have been terminated, the social worker of a child under the age of 14 may authorize HIV testing.
 3. The social worker shall obtain a court order for testing if the parent or legal guardian is unavailable or unwilling to provide consent for testing of a child under the age of 14 and if a medical reason for testing exists.
 4. If a child under 14 years of age tests positive for any STD, including HIV, the HIV/BBP Coordinator shall ensure that the medical professional or the local health department notifies the parent or legal guardian of the test results.
2. HIV/STD testing of a youth age 14 or over requires the written consent of the youth or a court order. The youth may request testing on his/her own authority.
 1. The written consent or court order shall authorize test results for HIV or HBV to be released to the social worker and out-of-home care provider.
 2. When obtaining a court order or a consent for HIV testing, the social worker shall, if needed, also gain authority to share the results with others who have a compelling "need to know" and are not otherwise authorized to know under chapter 70.24 RCW. All such individuals shall be identified in the consent or court order. The consent or court order shall authorize treatment, as necessary.
6. Confidentiality/Disclosure
 1. Infection with HIV and other sexually transmitted diseases is a personal and private matter. Staff, care providers, and volunteers shall treat information related to these issues in a confidential and respectful manner and shall not disclose this information except in accordance with state law and as provided in this section and paragraphs G and H, below
 2. Disclosure Practices and Criteria
 1. The social worker shall ensure that the child's current health care provider is aware of the child's exposure to HIV/HBV.
 2. Social workers shall not disclose information related to a parent or child's HIV or other STD status to other CA employees, except their immediate supervisor, manager, and HIV/BBP Coordinator.
 3. When the social worker or HIV/BBP coordinator provides written disclosure of HIV/BBP status information to someone outside of CA, the social worker or HIV/BBP Coordinator shall include the following statement on the Disclosure of Confidential HIV Information, DSHS 09-837:

This information has been disclosed to you from records whose confidentiality is protected by state law. State law prohibits you from making any further disclosure of it without the specific written consent of the person to whom it pertains or as otherwise permitted by state law. A general authorization for the release of medical or other information is not sufficient for this purpose.

4. When the social worker or HIV/BBP coordinator provides HIV/BBP information regarding a parent or child is disclosed orally to someone outside of CA, the social worker shall send the Disclosure of Confidential HIV Information, DSHS 09-837, to the person(s) receiving the information within 10 days of the disclosure.
5. Documentation that a parent or child has been tested for HIV or other BBP shall be recorded and stored electronically in FamLink.

Document HIV/BBP status in the "Medical Problems" pop-up. Copies of medical records regarding the testing results or HIV/BBP related information will be scanned and stored in the FamLink "Filing Cabinet". Access to this information is secured and limited to the assigned social worker and their supervisor.

Copies of documents and medical records regarding HIV/BBP status or related information may also be kept in a "privileged/confidential information" envelope used to safeguard sensitive case information. Access to this envelope is strictly limited to those authorized by law, with consent or as noted on a court order. Access to other parts of the child's record does not assume the right to access HIV/BBP information.

6. Social workers shall not disclose HIV/BBP information in written reports to the court without consultation with the assigned legal counsel.
7. When HIV/BBP information is discussed in court, the social worker, through legal counsel, shall make special arrangements with the court to protect the confidentiality of the parties.

7. Placement

1. DCFS staff shall inform the residential care provider of the child's HIV/HBV status, if known. The social worker shall not inform the residential care provider of the HIV/HBV status of a child age 14 or older without the child's permission or a court order. However, the social worker shall inform the child that no placement will be made without disclosure of such status to the prospective residential care provider.
2. HIV exposed/infected children may be placed with other children unless otherwise advised by the health care provider. However, DCFS staff shall not place known HBV infected children or perinatally exposed infants in households with other unvaccinated persons.
3. The social worker shall strongly consider a child's and/or parent's wish not to disclose a child's positive HIV/HBV status to relatives when investigating a potential relative placement. However, if the child is actually placed, the social worker must disclose the child's HIV/HBV status. This revelation could negatively impact family relationships.
4. The social worker shall arrange for provision of medical attention for the HIV/STD infected/exposed child by a physician knowledgeable in this specialty area.

5. When placing a child known to be HIV/HBV exposed or infected, the social worker, in addition to providing the residential care provider with information regarding the child's current health status and names of all health care providers, shall inform the residential care provider of all resources involved and provide instruction in any special care needs of the child prior to placement.
If exposure of infection is discovered after placement, the social worker shall immediately provide the above information to the residential care provider and ensure the provision of instruction in any special care needs.
 6. When HBV infection is discovered in an individual living or working in a foster/receiving/group home, the social worker shall immediately notify the Regional HIV/BBP Coordinator and the local health department. Public health department recommendations for testing and immunization of household contacts shall be followed. DCFS staff shall place no additional unimmunized children in the home while the possibility of exposure exists.
8. Adoption
1. The adoption worker or HIV/BBP Coordinator shall provide prospective adoptive parents with all available information on the STD/HIV/HBV status of children under 14 years of age.
 2. For children age 14 or above, the social worker shall not disclose status without the child's permission but shall not place the child without such disclosure.
 3. Staff shall share the STD/HIV/HBV status, if known, of the parents, if the possibility of infection of the child by that parent exists. In such cases, the identity of the parents may not be disclosed.
 4. CA staff shall identify children with HIV infection in adoption exchange books and/or media as having "serious medical problems." HIV exposure of uninfected children does not need to be noted in exchange books. Only when a serious inquiry is received and the social worker has determined that the family is a potential candidate should the child's specific medical history be discussed. The social worker shall not disclose the child's name until the family is selected as the adoptive family.
 5. The social worker shall provide prospective adoptive parent(s) with the Child's Medical and Family Background Report, DSHS 13-041(X). The social worker shall include on the document all available medical information related to the child and biological parent, including HIV/STD information if possibility of exposure exists. The identity of the parent is not disclosed on this form.
 6. When HIV testing is recommended, the social worker shall consult with the HIV/BBP Coordinator and arrange for completion of the test prior to finalization of the adoption.
 7. The social worker shall inform the prospective adoptive parent that HIV I infection may qualify a child for adoption support.
9. Training
1. CA shall arrange for all employees to receive HIV/BBP training which covers prevention, transmission, infection control, treatment, testing, confidentiality CA-related policy and procedure, as it relates to adults and children.
 2. All individuals and agencies licensed by CA shall receive HIV/BBP training which covers prevention, transmission, infection control, treatment, testing,

confidentiality and CA-related policy and procedure, as it relates to adults and children.

5800. ELECTRONIC MONITORING

5810. Purpose And Scope

1. This policy establishes guidelines for CA staff to ensure that the right of foster children to privacy in their homes is respected and that the use of electronic monitoring devices is limited to those situations where it is the least intrusive means of meeting the particular needs of the child whose behavior is being monitored.
2. This policy applies to all facilities licensed by the Division of Licensed Resources' (DLR) Office of Foster Care Licensing (OFCL).
3. This policy covers the use of video cameras and auditory listening devices.
4. This policy does not include restrictions for door monitors, window alarms, or other motion detectors.

5820. Policy

1. Washington statutory (RCW 9.73.030) and constitutional law (U.S. Constitution Amendment 4; WA constitution, article 1, § 7) guarantee the right to privacy.
2. The statute (RCW 9.73.030) governing the use of electronic eavesdropping devices prohibits any person from intercepting or recording any private conversation by electronic or other device, unless all persons engaged in the conversation consent to the interception or recording. Violation of this statute may result in criminal and civil sanctions.
 1. The Washington Constitution protects a person from government intrusion into the individual's private affairs or home without authority of law.
 2. The constitutional right to privacy may be invaded only if:
 1. There is a necessary governmental purpose that justifies the intrusion; and
 2. There is no less restrictive means available to accomplish that purpose.
3. CA prohibits the use of video and auditory monitoring of a foster child in the child's foster/group homes unless (1) the Division of Licensed Resources (DLR) Director grants approval for the use of an electronic monitoring device in the specific foster home, and (2) the court approves implementation of the monitoring as part of the child's case plan.

5830. Definition

1. "Electronic monitoring" means video monitoring or recording and auditory listening or recording used to either watch or listen to children as a way to monitor their behavior. "Electronic monitoring" does not include the use of listening devices to monitor:
 1. Infants and toddlers;

2. Medically fragile or sick children;
3. Video recording equipment to document actions of a child as directed in writing by the child's physician;
4. Video recording for special events such as birthday parties or vacations; or
5. The use of door or window alarms or motion detectors.

5840. Procedures

1. In any case in which video or audio monitoring of a foster child is proposed, an exception to the Department's prohibition against electronic monitoring may be requested by the child's social worker.
2. The social worker must assess the need for electronic monitoring for a specific child in a specific home by using the following steps:
 1. If the child does not have a therapist the social worker will:
 1. Consult with supervisor to determine if there is sufficient evidence to justify obtaining the services of a therapist.
 2. The supervisor may convene a staffing meeting of key personnel to discuss the proposal and need for electronic monitoring in the foster home. Specifically the staffing:
 1. Evaluates the consequences of acquiring the services of a therapist; and
 2. Determines if the child's circumstances require the need for electronic monitoring.
 3. If the supervisor and/or the staffing determine a therapist is justified, a therapist is obtained to assess the child.
 4. If it is determined the child's circumstances do not require the need for a therapist no further action is required.
 2. The social worker will contact the child's therapist and convene a staffing of key personnel, including the therapist, to discuss the proposal and need for electronic monitoring in the foster home;
 1. The therapist will determine the best method to meet the needs of the child and if there is a need for electronic monitoring. The therapist will provide a written recommendation for the child.
 2. If the therapist determines electronic monitoring is unnecessary, no further action will be required.
 3. The social worker sends a notice to the guardian ad litem, appropriate service providers, and the child's parents when electronic monitoring is recommended.
3. Following receipt of the therapist's written recommendation of electronic monitoring of the child, the social worker, the recommending therapist, and the foster parents/group home staff must meet to consider and to document:
 1. The reason(s) and need for the electronic monitoring of the child in the foster home;
 2. Whether less restrictive means of meeting the needs of the child are available;

3. The least intrusive method and means of using electronic monitoring equipment to monitor the child, addressing:
 1. A description of the equipment proposed to be used;
 2. The location in the home where the equipment will be placed;
 3. Who will monitor the child and how will the monitoring be accomplished.
 4. The impact of the electronic monitoring on any other children in the foster home.
4. If the final recommendation is for approval of electronic monitoring, the social worker must forward written documentation to the licensor of the foster/group home designated for the child. The documents will explain the decision-making factors described in paragraph (c), above.
 1. The licensor must reply in writing to the child's social worker designating whether the home is appropriate for the plan established in the proposed policy waiver.
 2. The licensor will clarify any concerns the licensor has about implementing the proposal in the designated foster/group home.
5. The request for approval of an exception to this policy will be forwarded to the Division Director for final approval. The approval for the use of electronic monitoring equipment applies to a specific child in a specific foster home or facility.
4. If the DLR Director approves electronic monitoring, the case plan for the child must include:
 1. The reasons for the electronic monitoring;
 2. The therapist's goals;
 3. The timeframe for review or removal of the electronic monitoring equipment; and
 4. A description of the type of equipment to be used, and the manner in which it will be used.
5. A court must make final approval of the use of electronic monitoring in a child's case plan.
6. Following DLR Director approval and following court approval of the case plan, the social worker and the out-of-home care provider may implement the electronic monitoring of the child as set forth in the case plan.
7. If a child moves to another foster/group home, the approval ends and the social worker must request another approval at the next home.

1. DSHS Personnel Policy 561 allows DSHS managers to authorize tuition reimbursement if the employee can demonstrate need. CA Division Directors and Regional

Administrators may, at their discretion and within available funds, approve reimbursement for cost of short-term training for staff that would directly improve an individual's ability to perform his or her current job. 8410. Limited Scope

1. A Regional Administrator, Regional Manager, Director, or Office Chief may authorize an individual or group of employees to work an alternative workweek as described in WAC 356-15-020(2). An alternative work schedule is voluntary on the part of the employee. It is not a universal benefit available to all employees. It is a management prerogative available to the employee when, in the opinion of the supervisor and manager, specified conditions are met.
2. Alternative work schedules are subject to approval of the Appointing Authority (Director, Regional Administrator, or Assistant Secretary), who must ensure that the following conditions are met:
 1. The practice must conform to applicable collective bargaining agreements.

Alternate work schedules are a management option and may be considered for an employee when the following criteria are met:

1. The employee's job, or tasks on that job, can be readily accomplished in an alternate schedule.
2. The employee's absence from the office will not be detrimental to the work group's productivity or the needs of clients nor have a disruptive or negative impact on working conditions of other employees. Adequate coverage must be provided at all times during the standard workweek without the presence of the alternate work week employee for the plan to be approved.
3. The supervisor considers the employee's performance to be satisfactory.
4. The supervisor and employee are willing to sign and abide by a mutually defined alternate work schedule agreement.

Each office will establish a safety program consistent with the requirements of the department's Safety Program Manual and tailored to the office's unique environment and needs.

The membership is to include equal representation of employer-selected and employee-selected representatives in accordance with the Washington Industrial Safety and Health Act (WISHA) <http://www.lni.wa.gov/safety/topics/atoz/about/default.asp>. The manager will make clear to the employees and their supervisors the expectations for participation. Sufficient time off from regular duties will be authorized to facilitate employee participation. The agenda for these meetings will include, but not be limited to, the following:

8612. Personal Safety During Client Contact

Within the scope of their job duties, CA employees and volunteers will take precautions to prevent or avoid dangerous situations and property damage.

1. Initial Personal Safety Risk Assessment
 1. Before making client contact, staff will make ongoing assessments of situations based on the nature of the allegation(s) or changing case characteristics and risk factors. The following are issues for social workers and supervisors to consider before making field visits:
 1. Are firearms or other weapons noted in the referral or record?
 2. Is there a previous history of domestic violence or other violent behavior towards others (this includes adults and youth)?
 3. Is there a history of criminal activity, mental illness, substance abuse, and ritualistic abuse or cult practices?
 4. Is the family's geographic location isolated or dangerous and is there cell phone coverage in that location?

 7. Is there a "danger to worker" notification screen on the referral?
 8. Is there lack of available information?
 2. If the initial assessment reveals possible risk to the staff person, the following could be considered as part of a safety plan:
 1. Call upon law enforcement and/or another staff person for accompaniment.
 2. Carry a cell phone.
 3. Use a state car rather than personal vehicle (or visa versa).
 4. Carry personal safety equipment, such as a whistle or personal alarm.
 5. Conduct a criminal history check before making contact.

6. Consult with other informal sources, such as local law enforcement, previous social workers, collateral contacts, coworkers or colleagues from other agencies.

 2. Do not allow a client to get between you and the door.
 3. If you feel unsafe, end the visit and seek assistance. Leave immediately.

In spite of precautions, threats and other incidents may occur. Staff will immediately notify his/her supervisor, another supervisor in the office, or other person in the chain of command following an incident, such as assault, a threat of serious harm to staff and/or family members or property damage. The manager and/or supervisor or designee will:

 1. Provide the opportunity to debrief and offer counseling for staff involved in incidents.
 2. When warranted, report to law enforcement and request restraining orders for individuals and/or offices.

Give the staff involved in the incident the opportunity to provide information so that all necessary details are included in the report. Provide a copy of the report to the Safety Committee representative.
 4. Note the circumstances in the SER and update the "danger to worker" person screen.
4. Methamphetamine Labs

8800. CHILDREN'S ADMINISTRATION STAFF LIABILITY

See the CA Practices and Procedures Guide, Chapter 4000, section 43073, for information regarding staff liability and responsibility for complying with court orders.

8900. OPPOSING TESTIMONY

8910. Purpose And Scope

1. This standard and procedure establishes guidelines for Children's Administration (CA) staff who may be called upon or wish to provide testimony or documentation opposing the department's official position in an administrative hearing or court action, usually as a result of an adverse action against a child care license or as part of a child or family case specific action.
2. This standard does not apply to cases brought by or against a department employee. The standard does not apply to nor limit employee participation in any role in other, non-licensing or non-case specific, actions, including employee disciplinary, Personnel Appeals Board, and court hearings or related actions.

8920. Standard and Procedure

1. Division of Licensed Resources (DLR) adverse licensing action constitutes a decision by the department that the licensee is not suitable to care for children.

2. CA staff, including Division of Children and Family Services (DCFS) social workers, shall not knowingly take action that directly subverts or undermines the department's position in a licensing or other family or child case specific action.
3. If CA staff has information that is relevant to the licensing or other case specific determination in question, including contacts from opposing counsel, that staff will provide that information to the DLR licenser or other responsible CA employee, as applicable. When contacted by opposing counsel, the CA employee will also notify the assigned Assistant Attorney General (AAG).
4. CA staff will not knowingly share department documents related to the dispute with any licensee or other party who is the subject of the licensing or other department case specific action or with the licensee/party's attorney/agent/ advocate except as currently provided in public disclosure statutes and regulations. If CA staff receives a request for documents from the licensee/party or his/her attorney/ agent/advocate, the staff will immediately refer the request to his/her supervisor, the DLR licenser for licensing issues, and the AAG assigned to the licensing or other family or child specific case.
5. CA staff will not knowingly share confidential information with the licensee who is the subject of licensing action. CA staff will also not knowingly share confidential information with the opposing party to any other child or family case specific action. In addition, CA staff will not knowingly share confidential information with the licensee/party's attorney/agency/advocate.
 1. "Confidential information" includes, but is not necessarily limited to, attorney/client communications; information pertaining to the department's strategy or decision-making in the licensing case or other matter under litigation; agency memoranda, e-mail, or other communication related to the case; and client (child or child's family) information.
6. If CA staff are contacted by a licensee who is the subject of licensing action or other party to a department-related child or family case-specific litigation, the licensee/party's attorney/ agent/advocate or by any person who has information regarding the licensing or other child or family specific case in dispute, that staff will immediately notify his/her supervisor, the DLR licenser or other involved CA staff, as applicable, and the AAG assigned to the case.
7. CA staff will not testify in support of a licensee who is the subject of licensing action or other party in opposition to the department unless subpoenaed to do so. CA staff will not provide any written letters of support for the opposing party on DSHS letterhead. The CA staff will specifically state that his/her testimony, whether by subpoena or not, or letter sets forth his/her personal opinion and is not the position of the department.
8. The department, in consultation with the assigned AAG, determines the department's position in any action. The assigned AAG represents the department and not any particular CA staff. If CA staff testifies in support of a licensee who is the subject of a licensing action or other party to a child or family specific action in opposition to the department's position, he/she may be cross-examined as a hostile witness by the AAG, who may attempt to discredit the employee's testimony.

9000. PAYMENTS AND ACCOUNTS

9100. FOSTER CARE PAYMENTS

Revisions to the sections regarding foster care payments are currently under revision to reflect the new Foster Care Rate Structure, which was effective January 1, 2001.

9110. Payments Above Base Rates

9111. Purposes

1. Additional funding beyond basic rates may be necessary to maintain a child in foster family care or a relative placement.
2. Funding is intended to enable care in the most family-like, least restrictive setting. However, it is also appropriately used to enable care pending placement into a specialized, more restrictive, appropriate care setting when such resources are not immediately available.

9112. Limitations

1. Additional funding beyond basic rates is an exception and not an entitlement to all children in care who have extraordinary needs.
2. The Division of Children and Family Services (DCFS) social worker, the supervisor, and/or the Area Administrator must determine that the need is critical and that funding is available within regional allotments.
3. The DCFS Regional Administrator is responsible for all allotted service delivery funds and determines the level of additional funding available to meet special needs. All expenditures must be within regional allotments.

9120. Special Rates

See the interim Foster Care Redesign Handbook for requirements, instructions, and tasks for implementation of Foster Care rate restructuring. Restructuring of foster care rates will be phased in through June 2001.

9121. Justification and Approval

1. The private agency or DCFS social worker may authorize a special rate, up to state authorized maximum amounts, in addition to the basic rate for board and room, for a child in need of special and specific care. The private agency or DCFS social worker must write a justification for approval by the DCFS supervisor.

2. The supervisor must approve the special rate before payment is made. If the special rate is approved, the supervisor must review the need for continued payment every six months. The supervisor must document approval of the special rate in the child's case file at initiation and renewal.
3. Documentation contained in the child's Health & Education database of the child's behavior, emotional, intellectual, and/or physical problems is sufficient justification for a special rate.

9122. Training Requirement

To be eligible to receive the special rate on behalf of a child in their care, the foster parent(s) are not required to complete Foster Parent Scope training provided by the Division of Licensed Resources (DLR).

9123. Children with Behavioral/Emotional Problems

1. To be eligible for special rate foster care, children with behavioral/ emotional problems need to exhibit at least three of the following behaviors, which are documented in the Behavior Issues section of the child's FamLink Health & Education database:
 1. Recurring use of illicit drugs;
 2. Regular overuse of alcohol;
 3. Poor school adjustment and/or truancy;
 4. Sexual acting out;
 5. Frequent shoplifting and/or other theft;
 6. Chronic running away;
 7. Demonstrated property destruction in own home and/or foster home
 8. Regular, frequent peer conflict which may require action by foster parent;
 9. Significant sleep problems which may cause disruption in the normal sleep patterns of the foster parent(s);
 10. Destructive attention-seeking behavior which may demand extra attention by foster parent(s);
 11. Frequent noncompliance with requests of parent(s), foster parent(s), teacher, or other authority figures;
 12. Failure to use normal cautions in using potentially flammable substances;
 13. Soiling and enuresis over age six; and
 14. Extremely bizarre behavior, reflecting psychosis or other severe mental disorder.

9124. Intellectually/Physically Challenged Children

1. To be eligible for special rate foster care, intellectually and/or physically challenged children need to exhibit at least two of the criteria listed below, which are documented in the child's record. If Foster Care Passport Program (FCPP) staff has constructed a Passport for the child, the child's social worker must have documented any of the following dysfunctions, except "awaiting institutional placement," in the child's Health & Education database:
 1. Requires physical assistance, inappropriate to the child's age, of foster parent in feeding, dressing, bathing, or toileting;
 2. Needs the physical help of foster parent in order to be mobile;
 3. Needs regular and organized physical therapy by foster parent under the orders/direction of a professional;
 4. Needs medication administered by foster parent on a regular basis per physician's orders;
 5. Needs physical assistance by foster parent for drainage of ileum conduit, colostomy;
 6. Requires suctioning, mist tent, etc., care which is provided by a foster parent;
 7. Non-ambulatory;
 8. Epileptic child who has uncontrollable seizures;
 9. Awaiting institutionalization placement;
 10. Habitually wanders unless closely supervised;
 11. Failure to thrive below third percentile; and
 12. Born addicted to drugs requiring additional care and support during the withdrawal period.
2. The Regional Administrator and the Regional Manager provide for all of their respective employees to have access to terminal alerts broadcast through FamLink.

9140. Limitations on Out-of-Home Care Payments

1. To prevent overpayments when children leave one residential placement to go to another or to return home, the CA social worker shall make payment only through the day before the date of discharge. No double payments are to occur by paying for the same date of care in two different facilities.
2. CA shall pay for temporary absences of children from foster family and group care only in compliance with WAC 388-25-0180. In addition, the following conditions shall apply:
 1. CA shall not pay for absences of a child from foster family care, unless there is an agreement with the foster family for the child to return to their home within 15 days.
 2. When a child leaves a foster care placement, unless there is agreement by DCFS and the foster parent to place the child back into the foster home, the social worker shall prorate the foster care payment, including special rate and exceptional cost, for the month, paying only for the actual days of care provided, not including the last day of placement. Acceptable absences, where the plan is to return the child to the foster home within 15 days, include:

1. Planned visitation;
 2. Hospitalizations;
 3. Attendance at summer camps and similar activities;
 4. Respite placements;
 5. Temporary placement while foster parent(s) is vacationing or receiving medical treatment;
 6. Juvenile detention placement of youth; or
 7. Runaways when the bed is being held for the return of the child.
3. An exception to policy (ETP) may be submitted to the Regional Administrator to continue payment beyond 15 days of absence or when a planned absence is for a reason other than listed above, if continued payment is necessary to continue a plan of care which is in the child's best interests.
 4. In the event of an unplanned absence from the foster family home, if the created vacancy remains unfilled, the social worker may authorize up to three days of payment to determine if the child will be returned to the foster home.
3. Overpayments also occur in foster family or group care when the authorized goods or services are not provided but payments are made. Examples include payments for Exceptional Cost or Medicaid Personal Care Services that are paid but not delivered.
 4. The social worker or other staff designated by the Regional Administrator will need to calculate an overpayment when payments are made for services not delivered and for those days paid if the child is absent from the foster family home for reasons other than those listed in paragraph A, above.
 1. The designated staff completes a Social Service Overpayment Notice, DSHS 18-398.
 2. The designated staff sends a copy of the form to the foster parent with instructions to forward repayment directly to the Office of Financial Recovery (OFR).
 3. The designated staff also sends copies of the forms to OFR, along with documentation supporting the finding of an overpayment and the calculations and retains a copy of the overpayment notice in the client and/or vendor file.
 5. Each Regional Administrator will put into place regional controls that identify placements that have ended and which require overpayments to be collected in accordance with this standard.
 6. Each Regional Administrator will put into place regional controls that identify how foster care payments above base rates are monitored to achieve improved outcomes.

9141. Disputed Overpayments

Foster parents, as non-contracted care providers, do not have a right to a fair hearing.

1. When a foster parent believes no overpayment has occurred, the overpayment has been computed in error, or the overpayment should not have to be repaid, the foster parent requests review by the department.
2. The Foster Care Program Manager, in the CA Division of Program and Policy Development, reviews the overpayment dispute and determines the amount of

overpayment to repaid or forgiven. The Program Manager uses as the basis of the decision information provided by the social worker, OFR, and the care provider.

3. DCFS regional staff shall respond promptly and completely to all requests for additional information from the Foster Care Program Manager.

9142. Dual Payment Limitations

1. Payment of foster care is for 24-hour care. Payment of both foster care and child day care for the same child to a dually licensed home is a double payment. Trading children between dually licensed homes would similarly result in double payments.
2. Before authorizing child care payments for a child in foster care, the child's social worker will verify the employment of the foster parent(s) outside the home or in the home in an occupation that would normally be performed outside the home. The social worker will document in the child's record through wage stubs or other appropriate means verification of the employment. The social worker will include the name of the employer, the hours worked, and the telephone number at the work site where the foster parent can be contacted. The social worker will verify the foster parent(s) employment status every six months while payments continue.
3. For foster parents whose work site is their home, the social worker will verify the actual hours of employment and limit child day care payments to those hours only.
4. Any Foster Parent Employment Child Care payments to be continued to dually licensed homes must be reviewed and approved by the Area Manager, with justification and documentation of the approval included in the child's record.

9200. VENDOR PAYMENTS

Payment must be made through SSPS when service authorization codes are available. Social workers, program managers, and Regional Business Managers shall not use Invoice Voucher A-19s to make payment in such cases as federal revenue will be lost and/or fiscal expenditure information will be inaccurate.

9300. VENDOR WARRANT REPLACEMENT

9310. Children's Administration Staff Tasks

When a vendor makes a request for a replacement warrant, the responsible staff:

1. Sends/gives the vendor a copy of Vendor Affidavit of Lost, Stolen, or Destroyed Warrant, DSHS 9-013(X), with instructions to complete the top half of the form, sign, notarize, and return the original affidavit and one copy to the local CA office.

2. Mails the original affidavit to DSHS, Disbursements Section, MS 45843, Olympia, WA 98504.
3. Attaches a copy of the affidavit to a copy of the original payment authorization document (DSHS 14-154A/159) and places it in the social service record or payment batch file.
4. Under no circumstances initiates another voucher. CA workers are to ensure only the proper affidavit is completed and submitted to Disbursements.

9320. Disbursements Staff Tasks

DSHS Disbursements staff checks with the State Treasurer's Office to determine if the warrant is outstanding. If staff finds that the warrant has been cashed, an investigation is undertaken before reissuing a warrant.

9400. SOCIAL SERVICE PAYMENT SYSTEM

9410. Regional Office Responsibilities

2. The Regional Administrator and Regional Manager, through written procedures, designate staff to maintain security for CAMIS and for SSPS in their respective areas of responsibility.
3. The Regional Administrator and the Regional Manager see that the following are done:
 1. Current written SSPS procedures are available to staff, and staff are aware of their location.
 2. Appropriate staff have a copy at their desk.
 3. Each office has at least one current copy of the SSPS Manual.
 4. Staff are appropriately trained in using SSPS.
 5. SSPS payments are adequately monitored.
4. The Regional Administrator and Area Manager are responsible to see that no SSPS payments are made to vendors without a valid contract in place, unless otherwise allowed by the specific SSPS service and payment code.

3. Area Managers assign a gatekeeper in each office to control the creation of provider numbers and to see that the following steps are taken:
 1. The assigned staff always conducts a provider file clearance before creating a new provider number, using the first three letters of the provider's name. This will pick up alternate spellings and minimize the creation of duplicate provider files.
 2. To change information on an existing provider file, the appropriate individual (i.e., Local SSPS Coordinator, Regional SSPS Coordinator, Regional Contracts Coordinator, or assigned licenser) must give authorization.
4. Operator Numbers
 1. Operator numbers allow administrative support and social work staff to complete SSPS authorization and provider file input through FamLink. Each employee with an operator number is required to keep his/her password secret. Only selected terminals have entry to these transactions by use of operator numbers and passwords. Area Managers determine which employees are to be assigned operator numbers and access to selected terminals. The unit supervisor sees that SSPS Control, MS 45812, is notified within five working days after an employee leaves or changes job functions.
 2. The Area Manager designates security staff to document changes, additions, or deletions to operator numbers and terminal access, with documentation available for review by federal, state, and internal auditors. Designated security staff retain this documentation for at least two years.

9432. Social Worker/Designated Staff Responsibilities

1. For contracted services, the supervisor shall be responsible to see that the social worker or other designated staff verifies, through the FamLink contracts module, that the proposed vendor is a contractor in good standing with the department before processing SSPS payment or service authorizations.
2. Designated staff perform the following in authorization preparation:
 1. Authorize payment of appropriate services for clients to whom they are assigned.
 2. When asked to authorize emergency services for a social worker who is unavailable, the designated staff uses that other worker's SSPS worker identification (ID). The authorizing worker must sign the authorizations prior to data input. The designated staff give copies of all authorizations to the clerical staff responsible for reconciling the transactions.
 3. Correct errors on authorizations.
 4. For one-time service authorizations, verify that goods or services were delivered prior to authorizing payment. Appropriate receipts must be present before payment and closure of the DSHS 14-159.

Assigned staff distribute copies as required. Assigned staff prioritize input with attention to the following deadlines: ACES, monthly invoice, expired services, and supplemental invoice.
 2. Social workers doing their own input print the FamLink screen and sign and date the printed copy. The workers file one copy in the case file and give one copy to clerical support to use in checking the Transaction Listing. The social workers distribute other copies as required by regional or local procedures.
2. Staff doing input must verify current enrollment for medical coverage before inputting medical authorizations.
3. When staff doing input are entering a paid service via FamLink for which a license is required and the license expiration date is prior to the service end date, the input staff may change the service end date to reflect the license expiration date without sending the authorization back to the social worker for correction.
4. When input staff is entering a placement-related service via FamLink for which the placement module has not been updated to reflect current status, the input staff returns the authorization to the authorizing worker. It is the social worker's responsibility to ensure that placement information is entered.
5. Assigned staff other than the one doing input checks input documents against the Transaction Listing (SSPS 017) and signs and dates the document upon completion of the review. Assigned staff bring discrepancies to the attention of the appropriate supervisor. Assigned staff destroy all clerical copies of authorizations not needing further review.

9434. Support Staff Responsibilities

3. Payment problems that cannot be resolved at the local level must be referred to the regional SSPS coordinator.

9440. Provider File Numbers

Basic instructions/information for provider file numbers are found in SSPS Basics Manual. All provider numbers are created and updated through FamLink.

9500. SOCIAL SERVICE PAYMENTS

9510. Definition of Overpayment

"Overpayment" means any money paid by the department for services or goods not rendered, delivered, or authorized or where the department paid too much for services or goods or services rendered, delivered, or authorized.

9520. Overpayment and Underpayment Identification and Recovery

1. Purpose and Scope

1. These procedures establish guidelines for CA staff in the resolution of vendor or foster parent disputes regarding payments through an administrative hearing and pre-hearing process. It provides direction when staff determines that an overpayment to a vendor or foster parent exists, for staff participation in steps to recover the overpayment, and for staff participation in the settlement of any overpayment disputes. The procedures also provide direction for pre-hearing efforts to mediate and resolve payment disputes prior to proceeding to hearing.
2. Contracted and non-contracted service providers, including foster parents, may seek dispute resolution through these procedures, under the Administrative Procedure Act and RCW 43.20B.675, with respect to overpayments. However, the following limitations apply:
 1. The right of vendors or foster parents to seek an administrative hearing to contest alleged overpayments applies only to overpayments for goods or services provided on or after July 1, 1998.
 2. These procedures do not create a right to a hearing where no dispute right previously existed except as provided in RCW 43.20B.675. These procedures and department policy limit disputes for foster family and child day care providers to:
 1. Alleged overpayments;
 2. Perceived failure of the department to pay for services actually provided under an agency service authorization; and
 3. Licensing actions taken under WAC 388-73-036 or WAC 388-155-090, as applicable.
 3. Adoptive parents who receive assistance through the Adoption Support Program are not vendors within the meaning of the law. They have hearing rights under other provisions of law and WAC. Accordingly,

payment disputes involving the Adoption Support Program do not fall within the scope of these procedures.

3. Discovery or recovery of overpayments has no time limit. The department may identify and initiate recovery of overpayments without regard to the length of time that may have elapsed since the overpayment actually occurred or was discovered.
 4. CA employees do not have authority to forgive or waive overpayments, nor to offset overpayments from future payments. All such authority rests with the Office of Financial Recovery (OFR). Designated CA staff may mediate a disputed payment with the vendor, but final approval for any negotiated proposed settlement rests with OFR.
 5. Governmental entities, including Indian Tribes, with an Inter-local Agreement with the department do not have the right to an adjudicative hearing through the Office of Administrative Hearings (OAH). The dispute process described in the agreement between the entity and the department governs the resolution process.
2. Policy
1. RCW 43.20B.675 and DSHS Administrative Policy 10.02 provide that all vendors have the right to request an adjudicative proceeding if they have a bona fide dispute. Disputes involving rates set in rule or Washington Administrative Code (WAC) are not subject to resolution through an adjudicative hearing held by OAH. The responsible CA organizational unit must routinely offer a pre-hearing conference to all clients and vendors that request an administrative hearing.
 2. The department and CA must, when undertaking activities relating to overpayment identification and recovery as well as adjudicative proceedings, comply with:
 1. DSHS Administrative Policy 7.02, Equal Access to Services for Individuals with Disabilities;
 2. DSHS Administrative Policy 7.20, Communication Access for Persons Who Are Deaf, Deaf/Blind, and Hard of Hearing; and
 3. DSHS Administrative Policy 7.21, Provision of Services to Limited English Proficient (LEP) Clients
3. Procedures
1. Regional and Headquarters Procedures:
 1. Each DCFS Regional Administrator, DLR Regional Manager, or division Director, as applicable, must establish procedures to provide for consistency in the handling of vendor/contractor disputes in accordance with the Children's Administration Pre-hearing Procedures. Procedures must include:
 1. Methods to informally notify vendors of their right to request a formal adjudicative proceeding if they have a bona fide contract dispute and to provide all appellants with a copy of the CA written pre-hearing process. (OFR provides formal notification of overpayments.) The department limits adjudicative disputes for foster parents to those issues identified in paragraph 1.B., above;
 2. Pre-hearing/alternative dispute resolution that incorporates routine offers of a pre-hearing conference to all clients or vendors who have requested an administrative hearing;

3. Identification of overpayments and steps to initiate recovery of amounts due to the department as a result of overpayments;
 4. Designation of staff to represent CA in behalf of the department in pre-hearing/alternative dispute resolution and administrative hearings for disputes resulting from activities or actions of the applicable organizational unit;
 5. Identification of staff to mediate overpayment and other disputes prior to a formal administrative hearing;
 6. A system to identify overpayments in a timely manner;
 7. A method to document that an overpayment has occurred;
 8. A method to notify the vendor/provider that an overpayment has occurred and to determine the vendor's agreement or disagreement with that determination; and
 9. Identification of staff assigned to review overpayments and to refer them to OFR for collection.
2. CA expects disputes to be resolved at the lowest possible level in the organization. Therefore, CA staff will handle disputes at the following organizational levels:
 1. The DCFS Regional Administrator is responsible for the dispute resolution process for all payments authorized by local office social workers and all payments authorized under regionally managed contracts and service agreements. Regional DCFS staff will coordinate pre-hearing conferences, mediation activities, and administrative hearings for regionally-managed contracts.
 2. Assigned CA Division of Program and Policy Development or Office of Foster Care Licensing (OFCL) headquarters staff, as applicable, will handle pre-hearing conferences, mediation activities, and administrative hearings arising from headquarters-managed contracts and service agreements.
2. Determination of Existence of an Overpayment and Documentation of Referral
 1. If any CA employee has reason to believe that the department has overpaid a contractor or vendor, that employee must contact the employee who authorized the payment and the authorizing employee's supervisor by written memo or e-mail.
 1. The CA employee identifying the overpayment must inform the authorizing employee and that employee's supervisor that the employee has reason to believe an overpayment has occurred and must provide the information that led the employee to that conclusion.
 2. If the authorizing employee identifies an overpayment, that employee must inform and provide supporting information to the supervisor.
 2. The authorizing employee, or other employee designated in DCFS or DLR regional procedures or CA headquarters procedures must contact the vendor/provider directly to inform the vendor/provider of the identified overpayment and the reason the payment constitutes an overpayment.

1. This contact provides the CA employee and the vendor/provider an opportunity to identify any errors in the conclusion that an overpayment occurred and to enable the CA employee to discontinue overpayment procedures if CA incorrectly identified an overpayment.
 1. This contact serves as an opportunity for CA to educate the vendor/provider in correct methods to complete invoices in order to prevent overpayments from recurring.
 2. In addition, the CA employee can support the vendor/provider in continuing to offer services to CA and its clients.
2. If the vendor/provider is a foster parent who disagrees with CA determination of an overpayment, the CA employee informs the foster parent of the foster parent liaison program and provides the contact telephone number for the CA office's liaison.
3. If the CA employee, after contact with the vendor/ provider, continues to believe that an overpayment occurred, the authorizing worker or other employee designated by regional procedures informs the vendor/ provider that the employee will notify OFR of the overpayment. OFR will send an official notice of overpayment to the provider/vendor. This notice will include instructions for the vendor/provider to return the overpaid funds to the department and information on steps to dispute the overpayment.
3. The employee who originally authorized the payment gathers written documentation of the overpayment. This may include gathering payment records through the SPAYMENT procedure in FamLink.
4. The authorizing employee refers to the regional designee any overpayments, with supporting documentation. This information will include documentation of the vendor/ provider's agreement or disagreement with the determination of overpayment. The regional designee reviews the referral information to ensure that supporting documentation adequately supports the conclusion that an overpayment in the amount stated did occur.
3. Referral to the Office of Financial Recovery
 1. The applicable CA designee sends the completed SSPS Overpayment Notice, DSHS 18-398A, (dated 7/1998) along with the documentation of the overpayment, to OFR.
 2. OFR then issues formal notice of the overpayment by certified mail to, and tracks responses from, the vendor/provider. If the vendor/provider wants to formally dispute the overpayment, the vendor/provider must respond to OFR within 28 days of the notice of overpayment.
 3. If the vendor/provider does not dispute the overpayment, OFR establishes a schedule for repayment with the vendor/provider. In accordance with RCW 43.20B.695, interest will not accrue when the overpayment results from department error.
4. Disputed Department Actions

1. OAH schedules a hearing when a vendor/provider requests a hearing. After a vendor/provider requests a hearing, the CA authorized staff person offers a pre-hearing conference. The pre-hearing conference may be a telephone call, a meeting, or a mediation session with a third party mediator.
2. The responsible CA organizational unit must identify individuals authorized to mediate a disagreement between the department and the vendor/provider. Those persons designated to refer overpayments to OFR for collection may not serve in the role of mediator for overpayment disputes.
3. If the CA authorized staff and the vendor/provider reach a settlement, the CA representative and the vendor/provider may execute a stipulated agreement in writing, signed by the parties. If the parties do not resolve the dispute, the formal hearing with OAH takes place as scheduled.
4. For overpayments:
 1. If the vendor/contractor and the CA representative reach an agreement, before signing the agreement, the CA representative must contact OFR at (360) 664-5557 to obtain verbal approval for the stipulated agreement if it forgives an identified overpayment.
 2. If the OFR representative approves the agreement, the CA representative and the vendor/contractor representative sign the agreement, and the CA representative mails it to the OFR representative for signature. Once the OFR representative signs the agreement, it takes effect.
 3. If the administrative hearing occurs, the CA employee who authorized the payment must participate in the administrative hearing. Regional or headquarters procedures, as applicable, determine if additional individuals will participate in the administrative hearing to represent the department.

9530. Repayment

1. The vendor or client must send the repayment directly to OFR. If a CA office receives money that is to be applied to a vendor overpayment, assigned accounting staff in the office transmits the money to OFR on a Daily Funds Transmittal, DSHS 18-320(X).
2. Accounting staff indicates the nature of the overpayment in the comment section of the Daily Funds Transmittal.

9540. Unsolicited Payments

1. When OFR receives payments from vendors for whom it has not received an overpayment packet, OFR staff will send notification to the appropriate CA office.

2. If CA determines that the payment or any portion was submitted in error or that OFR applied funds incorrectly, responsible staff transmits this information to OFR in writing within 30 days. OFR will then initiate appropriate action.
3. If CA staff determines that the payment or any portion was a program donation, designated staff transmits this information to OFR, including the identity of the program to which the donation was made to enable OFR to credit the proper account.

9550. Interest on Vendor Debt

Interest on vendor debt is administered in accordance with DSHS Administrative Policy 10.02, Vendor or Provider Overpayment and Debt Policy.

9600. ACCOUNTS RECEIVABLE

9610. Office of Financial Recovery Responsibility

1. Under DSHS Administrative Policy 4.02, OFR is delegated responsibility and authority for managing the department's Accounts Receivable in a manner outlined in Administrative Policy 12.04.
2. Each Regional Administrator/designee will determine the region's own policy on receipt of cash.

9700. TRUST ACCOUNTS

9800. ADMINISTRATOR'S ACCOUNTS

9810. Purpose and Scope

Administrator's Accounts are expendable trusts that are local fund accounts available to provide instant assistance to eligible clients. Their sources of funds are usually donations and fund raisers.
2. Please Note: If funds are given for a specific purpose, moneys can only be dispensed for that specific purpose. Accounting records must be maintained so that moneys donated and spent for a specific purpose may be audited.

9820. Establishment of an Administrator's Account

 3. Disposition Person;
 4. Fund Trustee;
 5. Mail Person;
 6. Recording Person, and
 7. Reconciliation Person.

9830. Separation of Duties

1. To the extent possible, the duties listed in section 9920(B) are to be separated.
2. If the duties cannot be separated due to a lack of staffing, a "Separation of Duties" waiver which includes compensating controls to show safeguard of the account must be on file in the regional office.
3. The waiver must be signed by the Fund Trustee, the trustee's supervisor, the second line supervisor, and the Regional Administrator.
4. Please note: Any cash or negotiable items received are to be deposited within 24 hours.

Per RCW 4.24.590, in actions for personal injury or property damage commenced by foster children or their parents against foster parents licensed pursuant to chapter 74.15 RCW, the liability of foster parents for the care and supervision of foster/respite care children is the same as the liability of biological and adoptive parents for the care and supervision of their children.

91110. General Information

1. The Foster Parent Reimbursement Plan provides limited financial relief to foster parents who incur property damages, losses, and emergency medical treatment expenses caused by their foster/respice care children during placement in their foster home. Reimbursement made under the Plan is considered a foster care maintenance expense. It constitutes a portion of the reasonable and proper cost of maintenance paid on behalf of foster/respice care children and is made strictly in accordance with the terms, limitations, and exclusions specified.
2. Reimbursement under the Plan is provided to foster parents voluntarily by DSHS and is not an admission of liability for the action(s) of any foster/respice care child(ren), and nothing in the Plan shall be construed to create in any foster parent an enforceable right to reimbursement nor is it meant to impose upon DSHS a legal payment obligation.

91120. Eligibility

Foster parents are eligible for reimbursement under the Plan if they are:

1. Licensed by DSHS or a DSHS-certified child-placing agency pursuant to chapter 74.15 RCW; and
2. Providing approved DSHS-funded foster care to children in the care, custody, and supervision of DSHS or a DSHS-certified child-placing agency; or

91130. Program Management

1. The Plan is funded by CA. DDD participates in the Plan on behalf of licensed foster parents who provide respice care services in their home to developmentally disabled children.
2. Claims management services for the Plan are provided by the Risk Management Services Section (RMSS) within the Office of Risk Management (ORM) through an Intra-Agency Agreement among the Employee Services Division, CA, and DDD.
3. Information Sources
 1. Foster parents who have questions concerning completion of claim forms and required substantiating documentation should contact their social worker for assistance. A copy of the Plan is provided to foster parents in their Foster Parent Handbook.
 2. CA social workers who have questions regarding reimbursement available to foster parents under the guidelines of the Plan or on the filing of claims need to

address them to the Claims Program Manager, RMSS, P. O. Box 45844, Mail Stop 45844, Olympia, WA 98504-5844 (Telephone 360-664-3249).

91140. Definitions

For definitions of terms used in the Foster Parent Reimbursement Plan, see [Appendix A](#), DEFINITIONS.

91150. Reimbursement Limitations

The following reimbursement limitations are applicable for claims filed under the Plan:

1. **PER OCCURRENCE/AGGREGATE:** The total amount payable as the result of any one occurrence shall not exceed \$5,000 for all property damages and losses or \$1,000 for all personal bodily injuries regardless of the number of foster parents or their household members who sustain property damages, losses, or personal injuries.
2. **PROPERTY DAMAGE ITEMS:** Limited to the repair/cleaning cost or the depreciated value. Depreciated value is paid if the item cannot be repaired or cleaned as substantiated by a detailed retailer estimate or if the repair cost exceeds the depreciated value of the item. DSHS may request the final repair bill from foster parents for payments made from estimates provided for purposes of recovery.
3. **PROPERTY LOSS ITEMS:** Limited to the depreciated value, as substantiated by the original purchase document or replacement bill/retailer estimates for comparable item. If the claim is the result of a theft, a police report must accompany the claim form.
4. **PERSONAL BODILY INJURIES:** Limited to the costs incurred for receiving emergency medical treatment services which are not payable or required to be provided under any workmen's compensation or disability benefits law, or under any similar law, or provided under a personal/business medical plan.
5. **POLICY DEDUCTIBLES:** There is no deductible which means there is first dollar coverage. However, foster parents must disclose if their property damages or losses were paid or will be paid under their homeowner, automobile, or other personal/business insurance policy. Reimbursement would be limited to the policy deductible. Insurance companies do not have subrogation rights into the Plan.
6. **DENTAL EXPENSES:** Limited to costs not payable under a dental plan. Depreciation applied on dental appliances. A dental injury is considered a personal bodily injury.
7. **VISION EXPENSES:** Limited to costs not payable under a medical plan. Depreciation applied on vision appliances. An injury is considered a personal bodily injury.
8. **LABOR EXPENSES:** Limited to out-of-pocket costs, materials, incurred by foster parents which are substantiated by a retailer. DSHS may request the final repair bill from foster parents for payments made from estimates provided for purposes of recovery.

91160. Exclusions

1. The following are specifically excluded from reimbursement under the Plan. Property damages, losses, or emergency medical treatment costs incurred by foster parents or their household members which arise out of, or are related to:
 1. ALCOHOL/ILLEGAL SUBSTANCES - The alleged or actual giving to a foster/respice care child(ren) of any alcoholic beverage, or other illegal substance including tobacco products for whatever reason.
 2. ILLEGAL ACTS - The alleged or actual violation of any statute, ordinance, or regulation by the foster/respice care child(ren).
 3. INADEQUATE SUPERVISION - The primary or contributing cause was the failure of the foster parent to give directions, instructions, or to provide proper/adequate supervision to the foster/respice care child(ren). Foster parents, as determined by the DCFS social worker, must exercise all reasonable means to save and preserve property from damage or loss and to protect themselves and their household members from injury.
 4. SEXUAL ABUSE - The alleged or actual sexual abuse, or licentious, immoral, or other sexual behavior of a foster/respice care child(ren).
2. The following are also excluded from reimbursement under the plan:
 1. FOLLOW-UP MEDICAL TREATMENT EXPENSES - Follow-up medical treatment expenses incurred by foster parents or their household member for a personal bodily injury sustained as a result of an action of the foster/respice care child(ren). Only emergency medical treatment costs not payable elsewhere are reimbursable under the PLAN.
 2. FOSTER/RESPITE CARE CHILDREN ITEMS - For items which belong to foster/respice care child(ren).
 3. JURISDICTION - For acts of foster children that occur while temporarily assigned outside the jurisdiction of their foster parent (includes visits to parents and guardians).
 4. MOTOR VEHICLES, AIRCRAFT, WATERCRAFT - For property damages, losses, and emergency medical treatment costs arising out of an act of the foster/respice care child(ren), with or without the permission of the foster parent, which is related to the ownership, operation, or maintenance of any owned motor vehicle, or owned aircraft/water craft.
 5. RUNAWAYS - For occurrences after a foster child has voluntarily left the foster home. For purposes of the Plan, a foster child is considered to be in runaway status if it has been more than 24 hours since the foster child left the residence. The Foster Parent Handbook instructs that, if a foster child runs away or is otherwise unaccounted for, the foster parent is to notify the agency and law enforcement. Foster parents should immediately take the necessary precautions to safeguard against any occurrences.
 6. THIRD PARTY CLAIMS - For property damages, losses, or personal injuries sustained by any person other than the foster parent or their household member. Third party claims are to be filed under the Liability Plan.
 7. UNSUBSTANTIATED - For property damages or losses resulting from occurrences which are alleged but not substantiated to have been caused by the foster/respice care child(ren). A copy of the police department report or fire

department report, along with any follow-up investigative findings, must be submitted for claims relating to theft, assault, vandalism, or fire.

8. **UNTIMELY FILING** - For property damages, losses, or emergency medical treatment costs for which a claim was not received in the RMSS within a year after the date of occurrence, regardless of the reason for the delay in filing the claim.
9. **VALUABLE ITEMS** - For property damages or losses of items that are valued or for items that do not depreciate which include, but are not limited to, antiques, heirlooms, jewelry, figurines, and coin collections. Foster parents should take special precautions to secure/guard against the loss of these items.

91170. Claim Filing Procedures

91171. Foster Parent Procedure

Foster parents who incur property damages, losses, or emergency medical treatment expenses as a result of an action of their foster/respice care child(ren) shall:

1. Request from their social worker a Foster Parent Reimbursement Plan Claim form, DSHS 18-400A(X) to file a claim under the Plan.
2. Submit the completed claim to their social worker within 30 days of an occurrence. All requested information is to be provided on the claim form with the required substantiating documentation attached.
3. Documentation on claims filed more than 30 days after an occurrence must include a statement to their social worker from the foster parent indicating the reason for the delay in filing the claim.

91172. Social Worker Procedure

Social workers who receive a claim from a foster parent:

1. Review the claim for accuracy, completeness, and timeliness. Claims are to be returned to the foster parent if:
 1. An outdated claim form was received;
 2. All the requested information was not provided on the claim form;
 3. All the required substantiating documents were not attached to the claim; or
 4. The claim form was not signed/dated by the foster parent.
2. Complete the social worker section on the claim form. Failure to provide all the required information will cause a delay in reimbursement to the foster parent.
3. Social workers must indicate on the claim form the reason for the delay in submitting claims to RMSS more than 90 days after an occurrence.

91180. Misrepresentation of Claims

1. DSHS shall deny any claim in which any material fact or circumstance of a property damage, loss, or personal injury is misrepresented or willfully concealed by the foster parent and shall be entitled to recover any payments made under the Plan.
2. Claims found to be fraudulent involving theft or collusion are subject to criminal investigation.

91190. Investigation of Claims

DSHS shall be permitted upon request to inspect the damaged property and retains the right to have an inspector of its choice make a damage estimate when, and as often as, DSHS may require.

911100. Reconsideration of Claim Determinations

1. Reconsideration of a claim determination made must be submitted by the foster parent in writing within 30 days of the determination to the Claims Program Manager, Office of Risk Management, Department of Social and Health Services, P. O. Box 45844, Olympia, WA 98504-5844.
2. The request must include substantiating new factors or additional information/documentation not previously provided for reconsideration of the claim determination. All determinations made by the Claims Program Manager are final and do not constitute a basis for requesting or obtaining an administrative fair hearing.

911110. Exception Requests

Written requests for exceptions to the terms, limitations, and exclusions specified in the Plan must be made through the Children's Administration Director of Management Services, P. O. Box 45710, Olympia, WA 98504-5710, to the Claims Program Manager, DSHS-ORM, Mail Stop 45844, Olympia, WA 98504-5844, and must include the justification for the request and alternatives explored.

91300. CHILD DAY CARE SUBSIDY PROGRAMS

91310. Introduction

1. The Children's Administration (CA) offers a variety of child day care subsidy programs to support children and families. See the Practices and Procedures Guide, chapter 4000, for descriptions of the programs. Among the CA subsidy programs are:
 1. Child Protective Services Child Care;
 2. Child Welfare Services Child Care;
 3. Employed Foster Parent Child Care;
 4. Homeless Child Care;
 5. Seasonal Child Care;
 6. Teen Parent Child Care
 7. Therapeutic Child Development

91320. Definitions

For definitions relating to child day care payments, see [Appendix A](#), DEFINITIONS.

91340. Income Eligibility

1. Families must have an income at or below 225% of Federal Poverty Level (FPL) adjusted for family size to qualify financially for CA child care subsidies. See the Co-Payment Calculation Table column 2 for 225% of FPL adjusted by family size.
2. The social worker may waive income eligibility, on a case by case basis, only for CPS Child Care subsidy program. CA provides Employed Foster Parent Child Care without regard to the foster parent(s)' income.

91350. Co-Payments

1. Families that receive child care subsidies from CA pay co-payments that are:
 1. Based on the family's income;
 2. Per family, regardless of the number of children in the family or the amount of care needed;
 3. Paid by the family directly to the child care provider.
2. See the following Co-Payment Calculation Table for income guidelines and co-payment calculation. The social worker may waive co-payments, on a case by case basis, only for CPS Child Care subsidy program.

		Not Eligible	\$10 Co-Pay	\$20 Co-Pay			See #5 below	

3. STEPS TO CALCULATE CHILD CARE SUBSIDY CO-PAYMENTS:

1. Determine total income. This is gross income plus any child support paid to the family and minus any child support the family pays.
2. Compare total income to Column 2. If amount is greater, client is not eligible.
3. If the family income falls in column 3, the co-payment is \$10.00.
4. If the family income falls in column 4, the co-payment is \$20.00.
5. To calculate co-pay for families with an income in column 5:
 1. Subtract 137.5% of FPL (column 1) from the total income;
 2. Multiply by .44; and
 3. Add \$20.00.

91360. Qualified Child Care Providers

1. CA pays child care subsidies to:
 1. Licensed or certified family child care homes;
 2. Licensed or certified child care centers; or
 3. Exempt in-home/relative providers.

91370. Rates and Authorizations for Child Care

1. CA pays for child care at the provider's rate or the appropriate DSHS rate, whichever is less. See the following charts to determine the appropriate rate for the age of the child and the region where the child care is located. The maximum rate for a five year old child is:
 1. The preschool rate for a child who has not entered kindergarten; or

2. The school-age rate for a child who has entered kindergarten.

91371. Half-Day/Full Day Authorizations

1. CA authorizes for half-days or full-days, based on the total number of hours of child care needed monthly.
 1. If a child needs fewer than 110 hours of care per month, DSHS authorizes half-day child care. A half-day of care is fewer than 5 hours a day. A full monthly half-day authorization is for 22 days a month. Depending on the family's needs, DSHS may authorize up to 30 half-days of child care per month. The extra eight half-days allows the provider to claim an additional half day when 5 or more hours of care are provided for that child on any given day.
 2. If a child needs 110 or more hours of care per month, DSHS authorizes full-day child care. DSHS may authorize up to 22 full-days of care each month. A full-day is five to 10 hours of care per day. If more than 10 hours of care are needed to support a DSHS approved activity, additional hours may be authorized.
2. See the SSPS Manual for the correct service and reason codes.

91372. Registration Fee

1. If the provider's policy is to charge all families a registration fee, CA child care subsidy programs authorize a registration fees:
 1. When the child enters care; and
 2. Annually.
 3. The department pays a registration fee of \$50.00 per child or the provider's usual rate, whichever is less.

2. See the SSPS Manual for the correct service and reason codes.

91373. Special Needs Child Care

1. CA child care subsidy programs pay an additional amount for the care of children with documented special needs who require a higher level of care. See the following chart "Special Needs Rate for Child Care" to determine the appropriate rate for the age of the child and the region where the child care is located. CA will pay the rate on the chart or the provider's documented additional cost of care, whichever is greater, in addition to the rates contained in section 91370.
2. LICENSED CHILD CARE CENTERS

91374. Infant Bonus

- CA authorizes a \$250.00 infant bonus to licensed or certified facilities when the:
 - Child is under one year old;
 - Child care facility has not already received a bonus for that child; and
 - Child needs a minimum of 5 days of care.
- See the SSPS Manual for the correct service and reason codes.

91375. Nonstandard Hour Bonus

- CA authorizes the nonstandard hour bonus to a licensed or certified facility when the child needs 15 or more hours of nonstandard care per month. Nonstandard hours are:
 - Before 6:00 a.m.;
 - After 6:00 p.m.; or
 - Any time on Saturday or Sunday.

2. The nonstandard hour bonus is the same for the region regardless of the child's age group. The nonstandard hour bonus rates are listed on the chart "Maximum Subsidy Rates for Child Care."
3. See the SSPS Manual for the correct service and reason codes.

91380. Overpayment Procedures

See section 9500 for procedures regarding identification and recovery of overpayments.

91390. Advance and Adequate Notice

91391. When Required

1. The authorizing worker uses the DSHS 14-039(X), Notice of Planned Action, to provide 10-day advance and adequate notice to a parent/guardian when the department reduces or terminates child care benefits prior to the end of the established benefit period.
2. When unable to provide advance and adequate notice prior to the end of the month, the authorizing worker:
 1. Continues benefits unchanged through the end of the 10-day period.
 2. Establishes an overpayment for the amount of overpaid benefits.
3. The DSHS 14-259(X), transmitted before the fact, and generated by SSPS after the authorizing worker terminates child care benefits for the parent/guardian, meets the requirement for adequate notice.

91392. When Not Required

Advance notice is not required when:

1. The parent's/guardian's child care benefits will terminate at the end of the established benefit period, and
2. The parent/guardian is previously notified of the eligibility ending date. When benefits are initially authorized, the payee (the licensed provider or the client in the case of in-home child care) receives the Social Service Notice, DSHS 14-259(X), directly from SSPS. A copy of the Social Service Notice is sent to the authorizing worker. This copy may be sent to the parent/guardian by the local office.

913100. Fair Hearing

1. If a child care client disagrees with an eligibility determination, the client has the right to a fair B. hearing. See section 9520.
2. The department pays child care while the case is pending.

3. The authorizing social worker or fair hearing coordinator must make the client aware that continuing payment may result in significant overpayment if the judgment is for the department.

913110. Child Care Rate Clusters Based on DSHS Regions

1. Counties are grouped into rate clusters. These clusters are contiguous with the six DSHS regions, with the exception of Garfield and Asotin Counties.
2. DSHS maximum child care rates are consistent for counties within each cluster. The table on the following page identifies each county by cluster and region.

Cluster/Region	Counties	
Cluster I Region 1	Adams Asotin Chelan Douglas Ferry Garfield Grant	Lincoln Okanogan Pend Oreille Spokane Stevens Whitman
Cluster II Region 2	Benton Columbia Franklin	Kittitas Walla Walla Yakima
Cluster III Region 3	Island San Juan Skagit	Snohomish Whatcom
Cluster IV Region 4	King	
Cluster V Region 5	Kitsap	Pierce
Cluster VI Region 6	Clallam Clark Cowlitz Grays Harbor Jefferson Klickitat	Lewis Mason Pacific Skamania Thurston Wahkiakum

91400. THE GOOD CAUSE DETERMINATION PROCESS

91410. Referral Process

1. DCFS is required to make a referral to the Division of Child Support (DCS) whenever a child is placed in out of home care for more than 72 hours.
2. Children's Administration Management Information system, CAMIS will automatically send the referral to DCS once the child is placed for 72 hours or more. The sent referral initiates the process for establishment and collection of support from the child's parents to reimburse DCFS for foster care expenditures.
3. In certain cases there may be Good Cause for not pursuing collection and in those situations DCS will not collect support to reimburse the FC expenditures.

91420. Basis For Good Cause

1. Basis for a good cause determination as defined in CA's WAC 388-25-0225 include the following scenarios:
 1. Division of Developmental Disability (DDD) has determined the child is developmentally delayed (These do not have to be referred for a determination as this exemption is based on the Jacobs v Soliz settlement. DCS has a process already in place to check on the DD status of a child when they are placed initially into foster care. If the child is DD DCS will not collect for that child regardless of a claim of good cause.);
 2. The Juvenile Rehabilitation Administration (JRA) has discharged the child who has served time for an offense against a removal home family member and is being placed directly into foster care to protect that family member;
 3. Adoption proceedings for the child are pending in court or a public/private agency is assisting the custodial parent to decide if the child will be placed for adoption;
 4. The child's birth is a result of incest or rape and establishing paternity would not be in the child's best interest;
 5. The custodial parent or the child may be placed in danger of domestic abuse, perpetrated by the other parent or responsible person;
 6. A child in the Adoption Support Program and the case plan is reunification with the adoptive parents;
 7. During a Dependency proceeding, the Juvenile or Tribal Court finds the parents will be unable to comply with agreed reunification plans due to financial hardship caused by paying support;
 8. The social worker determines that paying DCS foster care support causes undue financial hardship that will delay or prevent family reunification. The basis for this determination must be documented in the child's case file.
 9. Where pursuing child support is not in the best interest of the child and the circumstances of the family.
2. The DCFS social worker or IV-E Specialist discovering a possible good cause situation will notify each other of the need for a determination. The IV-E Specialist will also notify the DCS Foster Care Coordinator of the pending decision and ensures an electronic referral has been sent to DCS.

3. Both parties (social worker and IV-E Specialist) will decide whether or not the case meets the criteria for good cause. In cases where the child's family is receiving adoption support payments, the DCFS social worker and/or the IV-E specialist will consult with the assigned adoption support program manager to assist in determining whether good cause is to be pursued. The IV-E Specialist will then notify the Regional Federal Funding Program Manager (FFPM) of their recommendation and the need for a approval.
4. The regional FFPM will review the information and recommendation from the social worker and IV-E Specialist to verify the case is appropriate for a good cause determination and will make the final decision. The FFPM, after affirming their decision with the social worker and IV-E Specialist, will notify the DCS Foster Care Coordinator via e-mail of the determination either approving or denying the claim. The e-mail will explain:
 1. Which parent(s) the decision applies to, the reason for the approval or denial and if approved that the case for the parent(s) is not subject to collection.
5. In some cases Community Services Office (CSO) staff approves a claim of good cause when authorizing TANF prior to a child entering out of home care. In such cases DCS will notify the DCFS social worker of the CSO's good cause determination.

10000. CONTRACT MANAGEMENT

*****The content in this section is currently being revised. Check back soon for updates.*****

10100. GENERAL POLICIES

1. Children's Administration (CA) may purchase services, which are not provided by the department. The services are to be consistent with the mission and values contained in the CA Case Services Policy Manual, chapter 1000, section 1200. CA staff responsibilities are delineated in section 10300, below.
2. Purchases shall be made in accordance with chapters 39.29 and 43.19 Revised Code of Washington (WAC); Washington Financial and Administrative Policies, Regulations and Procedures Manual; Office of State Procurement General Authorities; DSHS Procurement Manual; and DSHS Administrative Policies 13.06, 13.07, and 13.08.
3. The department shall pay a provider after goods or services have been delivered. Payment before costs are incurred constitutes loaning the state's credit, a violation of the state's constitution and is, therefore, illegal.
4. Total expenditures and obligations of purchases shall not exceed the CA allotment.
5. No contract may be executed or renewed if it would have the effect of terminating classified employees or classified employee positions existing at the time of execution or renewal of the contract. RCW 41.06.380
6. The regional business manager or Headquarters fiscal manager, or designee, shall determine if goods or services to be purchased are:
 1. On a mandatory state contract; or
 2. A mandatory Central Stores item; or
 3. Authorized to be purchased under "General" or "Specific" Authorities; or

4. Requires a contract for purchase.

10200. DSHS CONTRACTS

1. DSHS policy requires a written agreement prior to the commencement of any work by a contractor if the service cannot be purchased by methods stated under section 10100.
2. CA contracts are developed under the direction of contract coordinators and must be processed through the CA Contracts Manager.
3. Contracts must be processed in accordance with requirements established by the DSHS Central Contracts Services and the Office of Administrative Resources.

10210. Client Service Contract

1. A Client Service Contract is used to acquire direct services for department clients (as opposed to department staff). Examples of client services include, but are not limited to, resource intensive services (group care), therapeutic child development, family preservation services, etc.
2. Most Client Service Contracts are either pre-signed "form" contracts (single document) or a two-part contract instrument employing Basic Terms and Conditions and a Client Service Work Order.
 1. "Basic Contract Terms and Conditions" contain the basic terms and conditions under which two parties will do business. It has no maximum consideration and no statement of work; those are added by Client Service Work Orders. Each contractor has only one executed Basic Contract Terms and Conditions.
 2. "Client Service Work Orders" describe services which are being purchased from a contractor; consideration to be paid; payment and billing instructions; how the contractor will be evaluated; consequences for non-compliance; rules regarding sub-contracting; required credentials and minimum requirements; and requirements for audits.
3. Client Service Contracts are exempt from the competitive procurement and filing requirements in chapter 39.29 RCW, but sometimes a competitive procurement or informal solicitation is completed in the best interest of the department.
4. The DSHS Secretary has delegated authority to sign Client Service Work Orders to only the following CA staff:
 1. Assistant Secretary;
 2. Directors;
 3. Regional Administrators;
 4. Regional Business Managers; and
 5. Contract Coordinators.

10220. Personal Service Contract

1. A Personal Service Contract acquires professional or technical services for the department and department staff (as opposed to clients). Personal services are those provided by a consultant to accomplish a specific study, project, task, or provide employee training. A Personal Service Contract is a single document, which includes special and general terms and conditions and a statement of work.
2. These contracts are governed by chapter 39.29 RCW and must comply with competitive procurement and Office of Financial Management (OFM) filing requirements.

10230. Interagency Agreement

1. An Interagency Agreement is a contract between the department and any public agency, political subdivision, or unit of local government of Washington State.
2. These include but are not limited to, municipal corporations, quasi-municipal corporations, special purpose districts, and local service districts; any agency of the state government; any agency of the United States; and any political subdivision of another state.

10240. Indian Nation Intergovernmental Agreement

1. As with Basic Client Service Contracts, the Indian Nation Intergovernmental Agreement is a two-part contract composed of a Basic Agreement containing general terms and conditions and an Indian Nation Work Order.
2. The Indian Nation Intergovernmental Agreement is used to contract with any federally recognized tribe in the state of Washington.
3. This type of contract may be used to provide client services, but they are not referred to as Client Service Contracts because the services are provided by a sovereign nation.

10250. Purchase Service Contracts

1. Purchase Service Contracts are used when purchasing goods, equipment, or services outside of delegated authority.
2. Services purchased under a Purchase Service Contract must be essential to accomplish routine, continuing, and necessary functions within the department. Purchase Service Contracts are governed by chapter 43.19 RCW and the Department of General Administration (GA).

10300. CONTRACT MANAGEMENT RESPONSIBILITIES

10310. Statewide Programs

1. The responsibility for development and administration of boilerplate contracts for statewide programs is a coordinated effort between headquarters and regional staff.
2. Program managers and contracts coordinators collaborate in developing contracts and in notifying contractors when there is a mandated vendor rate increase.
3. CA Directors and the Assistant Secretary shall approve boilerplate contracts prior to implementation of contracted programs.
4. Regional contract coordinators oversee negotiations and processing of contracts. If a contract warrants revision, headquarters staff coordinates the revision with regional staff.
5. The CA Assistant Secretary shall approve all contracts.

10320. Social Workers

 1. If a service is needed, obtain direction from the regional business manager regarding method for purchasing. See section 10100, paragraph F.
 2. If a contract is required, review CAMIS SBUS for a current contract. If there is no current contract for the service, submit a written contract request to the regional contracts coordinator.
 3. Once the contract is signed by both the contractor and DSHS, initiate client referrals for contracted services in accordance with regional procedures, including provision of basic client information consistent with the requirements of the CA Practices and Procedures Guide, chapter 4000, section 4422.
 4. Initiate "Shared Decision Making" staffings with contractors when deemed appropriate.
 5. Authorize payments to contractors in a timely, accurate manner.
 6. If a contractor initiates a CPS referral, transfer the contractor to CPS intake to complete the referral. CPS staff will notify the contractor of actions taken as a result of the referral. See the CA Practices and Procedures Guide, Chapter 2000, Section 2330.
 7. Document and report potential contract violations, late reports, problems, etc., with a contractor to the regional contracts coordinator through the CAMIS Contract Complaints Module.

10330. Contract Coordinators

1. Contract coordinators have the following responsibilities:
 1. Negotiate, develop, and write contracts;
 2. Process contract documents;
 3. Ensure contract information is entered into CAMIS;
 4. Request background clearances for contractors, their employees, subcontractors, and volunteers who may have unsupervised access to children;

5. Provide technical assistance to CA staff and contractors;
6. Facilitate monitoring of contractors' performance;
7. Facilitate corrective action process for contractors;

 2. Monitor performance of contractors under contracts for which they are responsible.

10360. Regional Administrators and Directors

Regional Administrators and Directors shall have a system in place to monitor contacts within their area of responsibility.

10400. CONTRACT PROCUREMENTS

1. Chapter 39.29 RCW and Washington Financial and Administrative Policies, Regulations and Procedures Manual, Part 4, Chapter 3, set forth procurement requirements for state contracted services.
2. OFM electronically maintains a "Guide to Personal Service Contracting" which is located on the OFM Home Page at <http://www.ofm.wa.gov/>.

10410. Contracts Exempt from Procurement Requirements

1. The following types of contracts are exempt from procurement requirements.
 1. Client Service Work Orders;
 2. Interagency Agreements;
 3. Indian Nation Intergovernmental Agreements;
 4. Indian Nation Intergovernmental Agreements;
 5. Collaborative research where prior approval of the contractor is granted by the funding source.

10420. Procurement Requirements For Personal Service Contracts

1. The following methods of procurement, lead times, and approvals are required for personal service contracts, which are not sole source. The amounts indicated are cumulative contract awards per fiscal year.

1.	Up to \$2,499	Competition not mandated Approval: Regional Administrator, Director, and DSHS Central Contracts Services (CCS).
		Lead Time: 10 days
2	\$2,500 to \$9,000	Evidence of Competition Approvals: Regional Administrator, Directors
		Lead Time: 30 days
3.	\$10,000 or more	Competitive Procurement (RFP or RFQ/Q) Approvals: Director, Assistant Secretary, CCS, OFM 10 Day Advance OFM Filing Lead Time: 90 days

10430. Methods of Procurement

1. Competitive procurements for personal services are governed by chapter 39.29 RCW and OFM; purchase services are governed by chapter 43.19 RCW and the Department of General Administration.
2. Information technology purchased goods and services are governed by chapter 43.105 RCW and the Department of Information Services (DIS).

10431. Evidence of Competition

1. Evidence of Competition is accomplished by issuing a written letter of solicitation to, at a minimum, three prospective contractors. The letter includes:
 1. A description of the type of services required;
 2. The proposed contract period of performance;
 3. A request for information regarding prospective contractor's qualifications;
 4. A request for a quotation of cost to perform the service; and
 5. The due date and location for responses to be submitted.
2. The contracts coordinator shall document the process used in selection of the contractor as follows:
 1. The names of firms contacted;
 2. A copy of the solicitation letter;
 3. Information on how the prospective contractors responded;
 4. A description of the evaluation and selection process; and
 5. The reasons(s) for selection of the successful contractor.

10432. Formal Competitive Procurement

1. A formal competitive procurement is used when required by law, or, in the judgment of the Assistant Secretary, it would be the best way to:
 1. Obtain quality services and products for the best price;
 2. Maintain trust and good faith with the provider community; and/or
 3. Minimize controversy.
2. Formal competitive procurement is accomplished through a Request for Proposal (RFP) or Request for Qualifications/Quotation (RFQ/Q).
 1. In an RFP, the needed project or service is identified. Prospective contractors submit competitive proposals, which explain how the project or service can be accomplished, their qualifications and experience, and a cost proposal. Each proposal submitted is evaluated through a formal review process. The successful bidder is usually selected based upon cost and ability to perform the proposed service in the most effective, efficient manner.
 2. In an RFQ/Q, the needed service is explained in detail. Prospective contractors submit their qualifications and experience to perform the service along with a cost proposal. The successful bidder is selected through a review process based upon qualifications, experience, and cost.
3. Competitive procurements are managed by CCS to ensure procurements meet legal and regulatory requirements. **CA staff must not reply to potential bidder's questions, inquiries, etc.,** concerning a particular competitive procurement. Instead, CA staff instructs potential bidders to contact CCS directly for answers concerning questions, inquiries, etc.

10433. Informal Procurement

1. An informal solicitation is a shorter, more flexible procurement process than the formal competitive procurement. Subjective criteria may be used to evaluate potential contractors rather than applying points and scores to responses. Unlike formal competitive procurements, CA staff may participate in the evaluation and selection of the contractor. Informal solicitations can be structured similar to "evidence of competition" and may include an interview process.
2. Informal solicitation may not be used for Personal Service Contracts. See section 10420.
3. Informal solicitation may be used at the department's discretion to procure client services when:
 1. A large amount of money is involved;
 2. The providers historically prefer this method of selection;
 3. The service being contracted for is sensitive or controversial; and/or
 4. A maximum "arms-length" process is desirable.

10434. Opportunities For Minorities, Women, and Indian Nations

1. In accordance with chapter 39.19 RCW, certified Minority and Women-Owned Business Enterprises (MWBE) and other minority organizations shall have the opportunity to participate in procurements and contracts. Refer to DSHS Administrative Policies 7.09, 7.10, and 7.12 for more information.
2. There are 27 federally recognized Indian Nations in the state of Washington. These Indian Nations shall be notified of any CA procurement that might be of interest to them.

10435. Sole Source Contracts

1. Sole Source Contracts are initiated for personal services, which are unique, and the Sole Source contractor is justifiably the only practical source to provide the service. The following requirements and approvals apply for Sole Source Contracts:
 1. Up to \$2,499 Sole Source Documentation
 1. Approvals: Regional Administrator, Directors, and CCS
 2. Lead Time: 10 days
 2. \$2,500 to \$9,999 Sole Source Documentation
 1. Approvals: Regional Administrator, Directors, and Assistant Secretary
 2. 10 Day Advance OFM Filing
 3. Lead Time: 20 days
 3. \$10,000 or more Newspaper Advertisement
 1. Sole Source Documentation
 2. Approvals: Regional Administrator, Directors, Assistant Secretary, CCS, OFM
 3. 10 Day Advance OFM Filing
 4. Lead Time: 30 days

4. The Director, CA Division of Management Services, needs to approval all sole source contracts.
2. *Washington Financial and Administrative Policies, Regulations and Procedures Manual*, Section 4.3.1.3.3, fully explains the rules and regulations concerning sole source contracts/work orders. Any Personal Service Contract for \$2,500 or more that is procured as a sole source must be justified to the OFM. OFM reviews and approves these Personal Service Contracts prior to execution.

10500. VERBAL AGREEMENTS

1. Staff shall not enter into verbal agreements with contractors, which are inconsistent with the terms and conditions of the Basic Contract and/or Client Service Work Order.
2. All other verbal agreements shall be reiterated in writing to the contractor.
3. Staff shall not rely on trust, verbal understandings, or traditions.

10600. NON-DISCRIMINATION RESPONSIBILITIES OF CONTRACTORS

1. Contractors must comply with the DSHS Non-Discrimination Plan, as amended, and with the requirements of federal and state laws on which it is based. The laws include:
 1. 1964 Civil Rights Act, Titles VI and VII;
 2. Executive Order 11246, as amended by Executive Order 11375;
 3. 1973 Rehabilitation Act, Sections 503 and 504;
 4. 1975 Age Discrimination in Employment Act;
 5. 1974 Vietnam Era Veterans Readjustment Assistance Act;
 6. 1990 Americans with Disabilities Act (ADA), as amended, including the provisions of Title II as applied to a public entity;
 7. 1991 Civil Rights Act; and
 8. Washington State Law Against Discrimination, chapter 49.60 RCW.

10700. EQUAL ACCESS REQUIREMENTS FOR CONTRACTORS

1. All agencies under contract with CA must ensure that clients have equal access to services and programs administered with funding from CA.
 1. Contracted agencies must post multilingual signs to inform clients that interpretation/translation and accommodation services are available without cost to the clients.
 2. Contracted agencies must ensure equal access to services for clients through appropriate assessment of client interpretation/translation and special accommodation needs, identified and recorded in a manner which provides for

consistent services to clients and data collection. Client records must include information regarding the dates interpreters, translations, or accommodations were provided and the names of the providers.

3. Contracted agencies must develop and implement procedures for obtaining interpreters, translations, and accommodations for clients who need them in order to provide services as expediently as they are provided to other clients.
4. The contracted agency must provide all necessary interpretation, translation, and accommodation services at no cost to the client. These costs are allowable provider costs that the contractor may bill to the agency's contract with CA. Billable costs may not exceed any rates that may be determined by the Regional Administrator. CA will reimburse all costs for interpretation, translation, and accommodation to contractors up to the amount of the contract award. CA will not reimburse funds in excess of the total amount of an agency's contract. Contracted agencies may not charge the department, as a discrete charge, for interpreter/translation services provided to clients by the contractor's staff. The cost of the service by contractor staff is incorporated into basic reimbursement from the department.

10800. CONTRACTOR CONFIDENTIALITY

1. Contractors must maintain information concerning individuals in strictest confidence and safeguard all information, electronic and hard copy.
2. The contractor must not disclose information on individuals directly or indirectly except in compliance with state and federal law and department policy. See chapter 13000, section 13720, Public Disclosure.

10900. BACKGROUND INQUIRIES

1. Background inquiries are to be completed pursuant to RCW 43.43.832 and 43.43.834 for all contractors, their employees, subcontractors, and volunteers who may have unsupervised access to children during the course of delivery of CA contracted services.
 1. If the contractor is licensed by CA, the licensing background clearance, if completed, is sufficient for this purpose.
 2. For those contractors not licensed by CA, an initial clearance will be completed before any contracted services may be delivered by the person being cleared.
 3. Background inquiries must be repeated no less than every three years for ongoing service providers.
2. See Chapter 5000, section 5500, Background Inquiries, for the processing of background inquiries.

101000. EMPLOYEE/EMPLOYER RELATIONSHIP

1. A contractor is an independent person or business—not an employee of the department. CA staff must avoid the implications of an employer-employee relationship with non-public agency contractors.
2. Generally, CA should not furnish the contractor a place to work or state resources, such as an office workspace, state vehicles, computers, telephones, etc. CA must not control or direct the day-to-day activities of individuals who perform contracted services. For more information, consult the 20 Common Law Factors published by the Internal Revenue Service (IRS) to determine whether an individual is an independent contractor or is considered to be an employee.

101100. CONTRACTING WITH NON-PROFITS

1. Organizations that are non-profit have received tax-exempt status from the IRS. These organizations cannot be "owned" by a sole proprietor or shareholders and must be governed by a board of directors. The term "non-profit" has nothing to do with whether an organization earns less money than it expends in a given year.
2. Non-profit entities must put back all revenue into the operation of the entity. To do otherwise is termed "self-dealing" by the IRS, and this is roughly translated as "using dollars for personal gain." However, the entity does not need to expend all its revenue each year—It can be accumulated, as long as it is eventually used for the organization. Potential or suspected abuses of non-profit status are to be reported to appropriate the contracts coordinator through the CAMIS Complaints Module.

101200. EMPLOYEE ETHICAL CONDUCT CONCERNING CONTRACTORS

1. CA staff must adhere to the Washington State Ethics in Public Service Law, chapter 42.52 RCW, throughout the contract process. See chapter 8000, section 8110, for additional information. Legal requirements with special impact on contracting include, but are not limited to, the following:
 1. A contractor cannot be a current DSHS employee except by approved exception.
 2. A contractor cannot be a current state employee except in cases where the contract was competitively procured or the Employee Ethics Board (EEB) has approved the contract.
 3. A contractor cannot be a former state employee who developed or administered a contract for the service within the last two years of his or her state employment.

4. An AAG opinion is required before contracting with a provider if a state employee is associated with the contractor in the capacity of an employee, board member, officer, or partner.
5. CA staff must not accept an offer of employment or other compensation if there is reason to believe the offer is linked to performance or non-performance of official duties.

101300. CONTRACT MONITORING

CA must monitor its contracts with service providers in accordance with DSHS Administrative Policy (AP) 13.11, General Contract Monitoring Policy.

1. Each CA Division Director and DCFS Regional Administrator must develop and implement contract monitoring plans for those contracts for which each Director or Regional Administrator are responsible. The types of contracts include Client Service Contracts, Personal Services Contracts, Purchased Services Contracts, and Interlocal Agreements for each program. The monitoring plans must include the elements contained in AP 13.11(A) (2).
2. Each CA Division Director and DCFS Regional Administrator must assign contract monitoring staff to each of the contracts for which the Director or Regional Administrator is responsible. Among the responsibilities of the assigned monitoring staff will be those outlined in the division or region's monitoring plan, AP 13.11(A)(3) and the following requirements.
 1. CA must, through contracts coordinators and designated program managers, undertake the following tasks to determine the satisfactory delivery of contracted services according to the terms and conditions of contracts:
 1. PROVIDE CONSULTATION AND TECHNICAL ASSISTANCE TO VENDORS.
 2. MONITOR AND PERIODICALLY REVIEW SERVICES FOR COMPLIANCE WITH CONTRACT TERMS AND CONDITIONS, CONSISTENT WITH THE FOLLOWING PRIORITIES:
 1. Monitoring of contractors about whom there have been health or safety concerns.
 2. Monitoring of contractors about whom there are concerns expressed by staff or the community with respect to contract compliance.
 3. All other contractors. RCW 43.20A.420
 2. Document monitoring visits and/or episodes, corrective action plans, and management decisions regarding completion of corrective actions.

101310. Monitoring Guidelines

101311. Purpose And Scope

1. Guidelines for Children's Administration (CA) staff have been established to ensure that the department receives the services paid for through the contracting process and that the contractor is meeting the scope of work and specifications identified in the contract. This policy also establishes guidelines to determine which level of monitoring to apply to contracts and identifies tools that are available for use in contractor monitoring.
2. The guidelines apply to all CA employees who have responsibility for contractor monitoring and to contracts, and Interlocal Agreements of the department, including agreements with Indian Nations.

101312. Policy

1. Effective monitoring assists in identifying and reducing fiscal and program risk as early as possible, thus protecting both public funds and clients being served.
 1. CA views monitoring as a preventative function, an opportunity to determine the need for and provide technical assistance, and a valuable source of information concerning the effectiveness of services and service delivery methods.
 2. CA considers the contractor a strategic partner and encourages contractors to innovate, improve, and deliver better services.
2. CA has developed a contractor monitoring approach to determine contractor compliance with the terms, conditions, and requirements of a contract, including state and federal requirements. CA also must verify documentation of work performance or outcomes in accordance with the contract.
3. Based on staff resources and the Contractor Risk Assessment tool, each region and headquarters must develop a monitoring plan. For Client Service contracts, staff must utilize Level 1, Contract Compliance Self-Assessment, and/or Level 2, Contract Performance Checklist. Responsible CA staff must review all information gathered in monitoring activities in both levels, take action where appropriate, and document outcomes.
 1. Level 1, Contract Compliance Checklist, consists of self-reporting by the contractor.
 2. Level 2, Contract Performance Checklist, consists of on-site CA staff review of records, files, and other written documentation, and interviews of staff, and clients.
4. CA staff must, when undertaking activities related to contractor monitoring, also comply with:
 1. Executive Order 98-02, Training and Protocols for State Investigators;
 2. Administrative Policy 7.14, Civil Rights Compliance Reviews;
 3. Administrative Policy 13.11 General Contract Monitoring Policy;
 4. Administrative Policy 14.07 Control of Fixed;
 5. Administrative Policy 16.01, Internal Audit;
 6. Administrative Policy 16.05, Internal Control Risk Assessment and Self-Evaluation; and
 7. Administrative Policy 16.07, Single Audit Act Responsibilities Administrative Policy 16.09, Audit.

5. Staff assigned to conduct complete investigations on specific complaints filed against specific contractors must attend Investigator Training provided by the Department of Personnel as required by Executive Order 98-02 and as determined by the Administration.

These contracts must comply with procurement and filing requirements of chapter 39.29 RCW, Personal Service Contracts.
6. "Risk Assessment" means the process of evaluating exposures to the chance of harm or loss that could arise from some activity. Usually risk assessment consists of (1) identifying the risks and their classification based on characteristics, (2) measurement and evaluating the consequences of the risks, and (3) prioritizing risks based on evaluation. The purpose of risk assessment is to prioritize contract-monitoring activities.

101314. Procedures

1. Each CA Division of Children and Family Services (DCFS) Regional Administrator and CA Division Director must designate responsible staff to monitor contracts that fall within the responsibility of the respective organizations. Headquarters program staff will

be responsible for contracts managed out of Headquarters and regional program staff will be responsible for contracts managed in the regions.

2. Primary staff designated to monitor contracts must attend contracts training to include at a minimum Contractor Monitoring training offered by Central Contracts Services.

10. Staff must retain documentation in accordance with the record retention schedule specified by DSHS Central Contracts Services.

101400. VENDOR INVESTIGATIONS

1. CA staff must report concerns about possible criminal activity on the part of contractors to their immediate supervisor, to the appropriate contracts coordinator, and to the appropriate program manager.
2. The employee's supervisor immediately reports the allegation to CCS. The supervisor then immediately reports to the Area Administrator, who, in turn, immediately informs the Regional Administrator.
3. The Regional Administrator determines whether the allegation warrants notification to the CA Assistant Secretary/designee and takes appropriate steps, which may include requesting the involvement of the Office of Special Investigations (OSI) under the provisions of DSHS Administrative Policy 10.06.

101500. CONTRACT DISPUTES

1. Generally, differences between the department and contractors will be worked out between the parties as close to the point of service delivery as possible. Contracts coordinators or program managers will handle resolution of differences, as necessary.
2. When a dispute arises over an issue related to a contract and it cannot be resolved, either party may submit a request for dispute resolution to CCS. Instructions regarding the dispute process are outlined in the Basic Terms and Conditions. The dispute resolution process administered by staff at CCS serves as the sole administrative remedy available to the disputing parties.
3. The CA staff person responsible for management of the contract, either a contracts coordinator or a program manager, represents the administration at the hearing and prepares and submits a written statement of the Administration's position, with supporting documentation, to CCS according to procedures established by CCS.

101600. CONTRACTOR EQUIPMENT/PROPERTY

Absent federal or state law or regulation governing a particular type of contract, ownership of all assets purchased in conjunction with a contract must be transferred to the contractor as part of the consideration for the contract.

101700. CONTRACTOR TRAVEL

2. Contractors who provide transportation of department clients must ensure that:

101900. RESPONSIBILITIES FOR OVERSIGHT OF SUB-RECIPIENTS

1. Contractors that receive federal financial assistance pass-through funds under a contract are considered sub-recipients and must comply with the federal Single Audit Act. For a definition of "sub-recipient," see [Appendix A](#), DEFINITIONS.
2. CA staff must obtain appropriate single audit reports from its sub-recipients (contracted agencies), to provide contract monitoring, and to follow up any corrective action plans. Refer to DSHS Administrative Policy No. 16.07 for requirements regarding sub-recipient oversight.

101100. CONTRACT FILES

1. The original, signed copy of the contract is retained by CA Division of Management Services, which is the Office of Record for all contracts.
2. The official CA file for each contract is located in the office of origin: headquarters or the regional office. The CA file contains a copy of the contract, all contract reports, correspondence, action requested and taken, and all other documents and records relating to the contract.
3. File retention is according to the following schedule:
 1. The Division of Management Services must retain all contract files for a minimum of four years past their end date if contract compliance has been satisfactory. Contract files will be maintained in Archives for an additional three years.
 2. The Division of Management Services must keep contract files of contractors where there have been health and safety concerns, compliance issues, or audit findings indefinitely or for a minimum of four years following the end date, with the files retained in Archives for an additional three years.

11000. FEDERAL FUNDING

11100. FEDERAL MATCHING FUNDS/OTHER BENEFITS

11110. Introduction

The Children's Administration (CA) Federal Funding staff shall review the circumstances of every child placed in out-of-home care to determine the child's eligibility for federal matching funds and/or other benefits.

11120. Referral

1. The social worker initiates referrals to the Federal Funding Unit (or Specialist) by entering the required child/family demographics, placement, and legal action data into the appropriate CAMIS modules.
2. Paper referrals are required only in the absence of automated data.

11130. Determinations

1. The Federal Funding Specialist (FFS) analyzes data, makes eligibility determinations, assists in the application for other financial benefits, and notifies appropriate parties of the results of these actions. Following the initial determination, the FFS provides ongoing coordination of the various funding sources that may be used in combination with one another. The FFS performs required redetermination specific to each funding source.
2. The Supplemental Security Income (SSI) Facilitator (SSIF) reviews referrals made electronically or by the FFS or child's social worker to analyze funding sources already available. SSIFs review the child's case file and speak with the social worker, foster parent, or others to screen for potential impairments to warrant an SSI application. The SSIF completes applications for Title XVI/SSI and Title II Social Security benefits and requests payee changes for children already receiving benefits.

11200. FEDERAL FUNDING PROGRAMS

1. A number of federal programs provide opportunities for claiming federal financial participation matching funds to reimburse state expenditures for eligible services. Each program has individual criteria and guidelines.
2. Below is a listing of the federal programs currently providing reimbursement (matching) funds, their individual eligibility criteria, the referral procedures, and the required follow-up by the FFS and SSIF.

11210. Title IV-E

11211. Categorical Title IV-E Eligibility Factors

Title IV-E is a federal entitlement program designed to reimburse States for the maintenance and administrative costs of eligible children who are placed in department-paid substitute care. There are three categorical criteria which must be met to establish the IV-E claim: judicial protections for the child and family; linkage of the child to Aid to Families with Dependent Children (AFDC) in the eligibility month; and reimbursability criteria. (This is only a general overview of the IV-E eligibility criteria. The IV-E Eligibility Specialist assigned to each area has detailed information on claiming IV-E funds for children placed in department-paid substitute care.)

1. Judicial Protections

1. Court Ordered Placements

1. For a child to be eligible for IV-E foster care or adoption support funds, the court must enter a judicial determination (finding) in the first order authorizing removal of the child from the home must state that, remaining in the home would be "contrary to the welfare" of the child. If this determination is not made in the first order of removal, the child will be ineligible for IV-E funds for the entire placement episode and perhaps for federally subsidized adoption support.
2. Prior to CA making a claim for IV-E reimbursement funds, the court must have entered a finding that DCFS made "reasonable efforts" to prevent the removal of the child from his/her home or to reunify the child with his/her family or that "reasonable efforts" are not required due to aggravated circumstances in accordance with USC 471(a)(15), Practices and Procedures Manual 4304. The fact that the placement was emergent in nature does not negate this judicial determination requirement.
3. Additionally, the child must be placed under the sole responsibility of Children's Administration for care and supervision..

2. Voluntary Placements

1. The voluntary placement agreement must be signed by the parent(s) and a representative of DCFS.
2. If the child meets the AFDC-linkage requirements, the child is eligible for IV-E matching funds during the first 180 days of placement. If beyond 180 days of placement see (3.a.ii. below).

2. AFDC linkage

The child must be linked to the AFDC program under the rules in existence as of July 16, 1996. This linkage must be established during the eligibility month. The eligibility month is the month during which a court petition for removal of the child was filed that led directly to removal of the child, or during which a voluntary placement agreement was signed. The date the child enters care does not necessarily define the eligibility month. Further discussion of IVE eligibility and AFDC linkage occurs in the IV-E Desk Guide.

3. Reimbursability

1. Once IV-E eligibility is established, a child is IV-E reimbursable if, in any particular month the child is in care, he/she meets a number of ongoing criteria. Meeting all the following criteria qualifies the child for Title IV-E funds:
 1. The court has entered a judicial determination that DSHS/DCFS made "reasonable efforts" to prevent the placement of the child; or

2. If the child was placed on a voluntary placement agreement, and the child has been in placement more than 180 days, the court must have entered an order by the 180th day of placement that continuation in care is in the child's "best interest"; and
3. The child is placed in the sole care and supervision of DSHS/DCFS; and
4. The child is under age 18, or under age 19 and in school full time and reasonably be expected to graduate before their 19th birthday; and
5. The child continues to be deprived of parental care and support in AFDC terms; and
6. The child continues to be in financial need; and
7. The child is placed in a licensed child care facility or in the home of a relative "certified" as meeting minimum licensing requirements.

11212. Other Eligibility Factors

1. Repeat Removals

1. Whenever the child is returned to the home of any biological or adoptive parent or to the removal home of a specified relative other than the parent, with the intent that the parent assumes the on-going daily supervision and control of the child, the placement episode is terminated, even if court supervision continues. If the child is re-placed into out-of-home care, all the judicial protections and AFDC-relatedness criteria must be met in order for the child to again be eligible for IV-E reimbursement funds.
2. See [Appendix A](#) for the definition of "Original Placement Date."

2. Guardianship

1. The entry of a guardianship order on any child in out-of-home care completes the permanent plan for the child; the Placement Episode must be closed effective the date of the guardianship order. If foster care maintenance payments will continue, the Placement Event remains open, and the source of funds is State Only.
2. In the event the child is re-placed into out-of-home care from the guardian's home, a new Placement Episode is noted in CAMIS. New "contrary to the welfare" and "reasonable efforts" judicial determinations must be obtained, even though the underlying dependency is still in effect. If the child is re-placed into care via a VPA, a court order (i.e., at a dependency review hearing) must be obtained by the 180th day of placement with the finding that it is in the child's best interest to remain in care. See [Appendix A](#) for the definition of "Original Placement Date."

3. Teen parent and child residing together in same facility or foster home:

1. Nondependent child of a teen parent. When a teen parent and the teen parent's child reside in the same facility or foster home AND there are no safety, health, or welfare needs for the teen parent's child, the department considers the child's "home" to be the child's teen parent, not the foster home or other out-of-home care facility. As long as the teen parent and his/her child reside together, and the child of the teen parent has no safety, health, or welfare needs warranting a

custody order, the social worker SHALL NOT obtain a legal authorization to place.

1. An amount sufficient for the child's maintenance is included in the maintenance payment made for the teen parent. See section 11250 for instructions regarding medical coupon issuance for the teen parent's child.
2. Placement codes for the child of the teen parent are NOT opened in CAMIS since the child continues under the teen parent's care and control. Payment for the child is included in the payment code authorized for the teen parent, with the amount authorized to be the amount for the teen parent plus the amount for the child.
2. When the child of the teen parent and his/her child reside in the same facility or foster home AND the child is with the teen parent under an in-home dependency, the department considers the child's "home" to be the child's teen parent, not the foster home or other out-of-home care facility. An amount sufficient for the child's maintenance is included in the maintenance payment made for the teen parent. See section 11250 for instructions regarding medical coupon issuance for the teen parent's child
3. When the child of the teen parent and the teen parent reside in the same facility or foster home AND the facility provider is responsible for the day to day care of both parties under separate dependencies, the department considers the home of the teen parent's child to be the facility. Payments are made to the facility separately for the child and the teen parent.
4. In all situations the child of a teen parent counts in the licensed capacity of the facility. The social worker must notify DLR and the Placement Coordinators if an infant is placed in the same home as the parent or is removed from the home to another placement. See WAC 388-148-0525, General Capacity of Foster Homes.
4. SSI Eligibility and IV-E eligible-Any child for whom a Title XVI/SSI application is in process or for whom SSI eligibility has been established and benefits are "in pay" must have his/her source of funds coded to "state only." Exception: If maintenance payments are high cost, IV-E funding may be substituted. Please refer to IV-E and SSI desk manuals for detailed information.

11213. Referral Procedures for Social Workers

1. The social worker takes the following actions, or causes such actions to be taken, within 10 working days of a child's Original Placement Date (OPD).
 1. Enter the appropriate child/family demographic profile information onto the child's "PERSONCARD" in FamLink; and
 2. Enter all required information in the FamLink Legal History (ACTNLA) and Placement (PLACECR) modules. (NOTE: FamLink will not process any SSPS payments until the required information in 1 and 2 has been entered into the system); and

3. For voluntary placement cases see [4307 Voluntary Placement Agreement \(VPA\) policy](#).
4. Transmit copies of the following items, on all children placed into department-paid substitute care, including licensed or non-licensed relative care, within 10 working days of the OPD to the FFS and/or Unit:
 1. Copies of the legal authorizations to place. Include the VPA and/or the petition and signed court order that initially authorized the out-of home placement.
 2. If the child is re-entering foster care from an in-home dependency or from a dependency guardianship status, forward a copy of the legal document that authorizes re-entry into out-of-home care.
5. Referrals for Title IV-E eligibility determinations are not required for placement episodes that are 72 hours or less (excluding weekends and holidays) from the OPD.
2. Referrals initiated by a private Child Placing Agency in which the CPA retains responsibility for placement and care.
 1. CPA referrals for maintenance payments shall be submitted within 10 working days to the DCFS local office nearest the residence of the child's caretaker. The referral from the CPA shall consist of:
 1. The DSHS 14-024(x) Family Face Sheet;
 2. The Source of Funds Application for Child in Placement, DSHS 14-281; and
 3. Legal authorization for placement.
 2. The source of funds code for all children for whom the CPA retains sole or joint responsibility for placement and care is State Only.

11214. Procedures for Federal Funding Specialists

1. The Eligibility Specialist must take the following actions upon notification of each new Placement Episode:
 1. Review and evaluate all the available child demographic, placement, legal action and SSI information;
 2. Utilize the above information to determine the correct funding source;
 3. Enter the correct funding source in the IVEUP module, and change all outstanding SSPS authorizations to coincide with the correct funding source;
 4. Send an electronic referral for child support enforcement to the Division of Child Support (DCS);
 5. Document eligibility information in the child's Financial Revenue File using the Title IV-E Initial Eligibility AFDC & Legal Relatedness Summary, DSHS 14-297, and the Title IV-E Initial Eligibility Income Calculation Worksheet, DSHS 14-293, where appropriate, and record the eligibility information in CAMIS;
 6. Maintain the Financial Revenue File in accordance with the IV-E Eligibility Desk Manual;

7. If the child was removed from a TANF household, send a Coordinated Benefits Referral form, DSHS 14-226, to the appropriate CSO.
2. Re-determinations of IV-E Eligibility
 1. Children who are eligible for Title IV-E funding shall have their eligibility redetermined semi-annually. The procedure replicates the procedure for new eligibility determinations, except that a new referral to DCS is not required if the Placement Episode has continued uninterrupted.
 2. The information is recorded on the Title IV-E Reimbursability Summary, DSHS 14-298; that form, along with other supporting documents, is filed in accordance with the procedures outlined in the IV-E Eligibility Desk Manual.
3. Title XIX-Children who are eligible for Title IV-E funding are deemed eligible for Title XIX medical coverage.

11215. Other Eligibility Processes

1. Adoption Support -- See section 11420.
2. Guardianships -- See section 11320.
3. COBRA Medical -- See section 11450.

11220. Title II/Retirement, Survivors, and Disability Insurance

1. Retirement, Survivors, and Disability Insurance (RSDI) is a federal entitlement program for adults who have worked and become disabled, retired, or died.
2. A child of an eligible parent may be a beneficiary for auxiliary benefits based on the parent's earnings record.

11221. Eligibility Factors

1. Title II/RSDI benefits are paid before Title XVI/Supplemental Security Income (SSI).
2. If a child's Title II/RSDI benefit is less than the current Title XVI/SSI payment and the child is also disabled, an SSI application should be made.
3. There are no income or resource limits for Title II/RSDI benefits.
4. Parental relationship(s) must be established prior to Title II/RSDI application.
5. Title II/RSDI benefits remain with the child regardless of the adoption or termination of parental rights, provided that application for the child's benefits was made prior to finalization of adoption, pursuant to Washington state inheritance law.
6. If Title II/RSDI has been established prior to a child coming into DSHS care, the SSIF will request that DSHS be made the Representative Payee, if placement will exceed 90 days.

7. If a Title II/RSDI application is needed, the SSIF will call the Olympia Branch Office to make an appointment for a teleclaim application with the local Social Security Administration (SSA) office.

11222. Referral Procedures for Social Workers

1. Social workers refer to the SSIF/Federal Funding Unit (FFU) all children in placement who are known or suspected to be receiving Title II/RSDI, Title XVI/SSI, or VA benefits, so that a change in representative payee can be made to "DSHS - Trust Fund Unit."
2. To screen for potential Title II/RSDI or VA benefits, social workers refer to the SSIF/FFU all children whose parents, step-parents, or adoptive parents are deceased, over 65, or disabled.
3. Social workers inform SSIFs by e-mail, in writing, or verbally, of changes in the child's placement, resources, or income or when the child emancipates, returns home, transfers to another division, or is adopted.

11230. Title XVI/Supplemental Security Income

1. SSI is a SSA federal entitlement program for persons with medically determinable physical or mental impairments, which have or are expected to last at least 12 months. As it applies to DCFS, SSI is used to reimburse the cost for paid out-of-home care for a child with a qualifying disability.
2. Federal regulations require that SSI benefits are used for food, clothing, shelter, or other personal or medical needs.
3. In order to be eligible for Title XVI/SSI, a child must meet criteria identified in the Code of Federal Regulations (CFR), 20 CFR 400-499.

11231. Referral Procedures for Social Workers

1. The social worker shall refer all potentially eligible service only and placement cases to the SSIF in the Federal Funding Unit by e-mail or brief memo for assessment and application. Eligibility may include, but is not limited to, the following criteria:
 1. Positive toxicology screen/drug affected;
 2. Fetal Alcohol Syndrome/Fetal Alcohol Effect;

2. This is only a general overview of Title II/Title XVI Programs. Please refer to the SSI Facilitator for more detailed information.

11232. Procedures for SSI Facilitators

SSIFs shall meet the following requirements:

1. See that children served/placed have a Social Security identification number, or an application is filed to obtain one, and that it is entered in FamLink (personcard).
2. Periodically, review all placement cases in FamLink for potential application for SSI or other SSA benefits.
3. Apply for Title XVI/SSI for all referred or "screened-in" clients.
4. Facilitate the claim throughout the application process:
 1. Provide required Medical Evidence Records (MER) that DCFS may possess;
 2. Seek to have scheduled Consultative Examination (CE) appointments kept; and
 3. Respond in a timely manner to all SSA and DDDS requests for information, placement data, and re-determination on clients for whom DSHS is payee or custodian.
5. Make requests to change the representative payee to "DSHS - Trust Fund Unit" for all clients already entitled or receiving Title XVI/SSI and/or Title II/RSDI benefits.
6. Initiate the conveyance of information regarding placement, resource, or income changes to the payer: SSA, VA, etc.
7. Coordinate all relevant financial and social information with DSHS Trust Funds accountant.

11233. Electronic Data Entry and Record Keeping

1. Electronic Data Base
 1. SSI Headquarters staff are responsible for data entry and integrity in payment fields and SSI application decision fields as well as tracking notes in FamLink

(SSIUP and/or PRSNACTN/CASEACTN) for all SSA notices and SSI status codes and dates after SSI pending status.

2. SSIFs and Regional Coordinators are responsible for data entry and integrity in all other FamLink fields except those indicated in #1 above, including current case assignment (SSIUP/CASEUP3) and brief case action notes (PRSNACTN and/or CASEACTN).
2. Hard Copy Paper Files
 1. SSIFs may use a "working file" during the initiation of an SSI application. However, the establishment of a Financial Revenue file should be requested of Masterfile as soon as possible, unless already created for Title IV-E. Existence of an SSI working file must be documented in both the child's service and revenue files. Clear documentation of a pending SSI action shall be indicated in SSIUP.
 2. DCFS Financial Revenue File
 1. During a pending SSI application, the Revenue File must contain, at a minimum:
 1. Notification regarding intent to file. Copy of Interim Assistance Reimbursement Agreement (IAR).
 2. Correspondence between SSIF and FFS regarding:
 1. Request to change source of funds
 2. Income/eligibility from Title II benefits
 3. IV-E termination and/or reinstatement actions
 2. Once SSI eligibility is established, the following contents of the SSI working file are placed in the DCFS Financial Revenue file:
 1. SSA Correspondence
 2. Copy of final decision (award or denial letter)
 3. Payee change requests (SSA 11-BK)
 4. Interim Assistance Reimbursement Agreement (IAR)
 5. SSI application (SSA 8001)
 3. If SSI eligibility is denied, written notification to reclaim IV-E as soon as possible.
 3. DCFS Service File-For federal funding purposes, the child's Social Service File must contain, at a minimum:
 1. Documentation regarding pending Title XVI/SSI (pink sheet);
 2. Copy of award letter;
 3. Accumulated medical, social, and educational documentation, including copy of disability and function reports;
 4. Exhibit file - a set of documents provided by the Social Security Administration when an appeal hearing has been held;
 5. Birth certificate; and
 6. Social Security Card
 4. All of the above records/files shall not be archived or sent to Records Retention while SSI applications are pending.
3. Please refer to SSI Desk Manual for detailed information on procedures and record keeping.

11234. Appeals Cases

1. If the initial disability determination is denied, the Headquarters SSI Program Manager or designated SSIF will review the SSA decision and provide consultation to regional field staff for further appeals.
2. Personal representation for all hearings and appeals will be the responsibility of the Headquarters SSI Program Manager.
3. When an Interim Assistance Reimbursement Agreement (IAR) is in place, personal representation may be extended to clients who are no longer in DSHS custody, where the SSI lump sum proceeds will benefit DSHS cost-of-care recoveries in excess of \$1000.

11240. Client Aged 18 through 20

The following conditions apply for Title II/RSDI and Title XVI/SSI.

1. Clients who are over age 18 must sign their own SSI applications (form SSA-8001) and authorizations to release information (SSA 827).
2. When young adults age 18 through 20 voluntarily place themselves into foster care, a copy of their voluntary placement agreement must be submitted with the Application for SSI (SSA 8001).
3. 18 - 20 Year Olds for Whom DSHS is Payee for SSA/SSI Benefits
 1. Title XVI/SSI
 1. The SSIF will provide capability development (form letter) to the local/Olympia SSA District Office.
 2. If the client is determined to be incapable of managing his/her own resources, DSHS will continue to be the Representative Payee.
 3. If the client is determined to be capable and receives his/her own SSI, it must be made available toward the cost of care.
 2. Title II/RSDI-The SSA will automatically make the client his/her own payee unless incapacity has been determined. If the client is incapable, DSHS can be made the Representative Payee. If capable, the client must make the funds available for cost of care.
4. Title II beneficiaries may continue to receive benefits if they are still in high school. SSIFs will be asked to provide documentation of school attendance to the SSA.
5. For Title II beneficiaries who are 17½ years old and are disabled, but for whom no SSI application has been made, a Childhood Disability Benefits (CDB) claim needs to be filed. If the client is found to be disabled, the Title II benefits will continue into adulthood. The disability must be established prior to the attainment of age 22.

11250. Title XIX/Medicaid

1. Title XIX is an entitlement program that provides medical and remedial services for certain individuals and families with low income and resources. There are some

mandatory Medicaid eligibility groups. As it applies to CA, recipients of adoption assistance and foster care are included in the mandatory Medicaid eligible group.

2. Title XIX/Medicaid may be used to fund other services to children beyond the traditional medical services. This has been due, in part, to changes in the state Medicaid plan. Among the DCFS programs that have benefited are Behavior Rehabilitation Services/Group Care (BRS/GC), Therapeutic Child Development (TCD), and Medicaid Personal Care Services.
3. Infants of Teen Parents in Licensed Placements
 1. Infants born to teen parents in foster care, where there are no protection issues and where the child resides with the mother in the same facility, are eligible for Medicaid. However, because there is no DSHS custody, the child will not appear in FamLink. Assigned CA staff must notify the Foster Care Medical Unit (FCMU) by telephone or e-mail as soon as possible when the child begins residing with his/her teen parent. The CA staff will provide the FCMU with the child's name, birth date, address, identity of the child's mother, the mother's case number, and any other available, pertinent information.
 2. If the dependent child of a dependent teen parent has been returned to the teen parent's care, the FCMU must be notified so medical coupons can continue.
 3. Because the child's eligibility requires enrollment in a Healthy Options plan, CA staff will advise the minor mother and the foster parent of the need to make the selection of a plan as soon as the packet is received in the mail. The teen parent needs to , base the selection on the availability of the teen parent's preferred providers and on the interface of that plan with the teen parent's fee for service providers.

11251. Regional Responsibilities for Behavior Rehabilitation Services/Group Care

As part of the tasks necessary for managing Title XIX Medicaid services, the Regional Administrator will implement procedures to determine which children are placed in BRS/GC each month.

11252. Eligibility Factors for Behavior Rehabilitation Services/Group Care and Therapeutic Child Development

1. The child must be categorically needy Medicaid eligible; AND
2. For BRS/GC and TCD, a licensed medical practitioner must determine that the services are "medically necessary" for the child to function at their best possible level.

1. All children with a Social Security number or, for whom application for a number has been made, in out-of-home placement is considered categorically needy and, as such, is Title XIX Medicaid eligible.
 1. A child receiving BRS/GC in their own home may be Title XIX Medicaid eligible as determined by the DSHS Community Service Office (CSO). For a child receiving BRS/GC in their own home, the DCFS social worker is responsible for referring the child and their family to the CSO for the Medicaid eligibility determination.
 2. For a child residing in their own home and receiving TCD, the FFS verifies Medicaid eligibility using ACES. If a TCD child's Medicaid eligibility cannot be found in ACES, the DCFS social worker refers the family to the CSO for Medicaid eligibility determination.
2. For BRS/GC, social workers provide documentation to support the need for this level of care following regional procedure.
 1. Documentation is submitted to CA Headquarters at the time of the initial use of BRS/GC, when a break in service occurs, and annually thereafter. See the Title XIX Desk Manual for specific details.
 2. The report to the court or other documentation (e.g., psychological evaluation, medical records, etc.) is forwarded by Headquarters staff to the Nursing Care Consultant for review.
 3. If the documentation supports the need for this level of care, a Statement of Medical Necessity is written and returned to the region.
3. The report to the court ordinarily contains sufficient information to support the need for this level of care. The regional staff needs to avoid sending large amounts of information to Headquarters. If the report to the court does not contain sufficient information to support the need for this level of care, the social worker will be contacted for further documentation; e.g., psychiatric evaluation, drug/alcohol evaluation, Individual Education Plan (IEP), etc.
4. In the event there is no report to the court for the child, the worker will follow regional procedures as to which documents will be submitted. When Medicaid eligibility is received, the child is eligible for Title XIX reimbursement.
5. For TCD, the provider is responsible for submitting the statement of Medical Necessity to the FFS.

11253. Referral Procedures for Social Workers

Refer to the CA Practices and Procedures Guide for instruction in the use of Title XIX services:

1. For Medical and Dental Services for children in out-of-home care, see chapter 4000, section 4517.
2. For TCD, see chapter 4000, section 4504
3. For Personal Care Services, see chapter 4000, section 4526.
4. For BRS/GC, see chapter 4000, section 4533.

11254. Procedures for Federal Funding Specialists

1. The FFS determines eligibility for DCFS Title XIX programs.
 1. The FFS must verify Title XIX Medicaid eligibility for in-home services, using ACES, print the screen, enter the information onto the XIXELIG screen in FamLink, and file the printout, including the date, in the child's revenue file. If a child is in a DCFS-paid placement, the child is automatically Medicaid eligible.
 2. The FFS must receive a Statement of Medical Necessity form, signed by a licensed medical practitioner, for TCD and BRS Title XIX services.
 1. Statement of Medical Necessity forms indicate that the information is valid on the service begin date (SBD) for TCD and BRS/GC.
 2. The FFS enters the information onto the XIXELIG screen in FamLink and files the signed Statement of Medical Necessity (SMN) in the child's revenue record.
 3. SMN forms must be received annually for as long as the child receives uninterrupted TCD or BRS/GC services.
2. The FFS reviews and/or re-determines eligibility every 90 days. If TCD or BRS/GC services continue without interruption, then a new Statement of Medical Necessity (SMN) is required annually. See the Title XIX Desk Manual for exceptions.
3. The FFS maintains the FamLink record and the child's Revenue File. See Chapter 13000, section 13410. FamLink Title XIX information is entered onto the XIXELIG screen.
4. For TCD, the FFS updates authorizations to correct source of funds as needed. If the child is not categorically needy Medicaid eligible, then source of funds (SOF) code 5, state funds, is used. NOTE: For TCD, if the family is required to make a co-payment but does not pay it, the SOF code must be 5.
5. For TCD and BRS/GC, the FFS reviews/redetermines Medicaid eligibility every 90 days.
 1. The FFS completes an ACES search for evidence of Medicaid eligibility, makes screen print, and files it in the child's revenue record.
 2. The FFS files the Statement of Medical Necessity forms received from service providers for TCD and the Nurse Care Consultant for BRS/GC in the child's Revenue File.
 3. The FFS must update TCD authorizations to correct SOF codes if eligibility ends. A signed and dated copy of the screen print must be filed in the child's Financial Revenue file and another copy forwarded to clerical staff if the SOF code changed.

11300. GUARDIANSHIPS

11310. Title IV-E

1. On Title IV-E eligible and/or reimbursable children for whom dependency guardianship orders have been entered, pursuant to RCW 13.34.231, the Placement Episode shall be closed effective the date of the court order. The Placement Event, however, remains open if foster care maintenance payments continue.
2. In every instance, the child loses Title IV-E eligibility upon establishment of a guardianship. The guardianship code and the date of the legal action that established the guardianship are entered into FamLink. (NOTE: The child may still qualify for SSI or Title XIX funding; consult the Regional FFU for the correct funding source).
3. A child removed from a guardianship and placed again into other department-paid substitute care always begins a new Original Placement Date (OPD).
 1. Upon removal from the guardian's home, the initial removal order must contain a "contrary to the welfare" judicial determination. In addition, prior to reestablishing IV-E eligibility, the court must make a judicial determination that DCFS made reasonable efforts to prevent the placement.
 2. Refer the case to the FFS for a new determination of Title IV-E eligibility, per section 11210.

11320. Title II/RSDI AND Title XVI/SSI

1. Title II/RSDI and Title XVI/SSI applications are made for DSHS-paid foster parent/guardianship placements.
2. Guardians must sign the Authorization to Release Information, SSA-827.
3. DSHS is to be the representative payee for all children in DSHS-paid foster care/guardianships.

11330. Title XIX

Eligibility for Title XIX is not affected by guardianship status.

11400. ADOPTION SUPPORT

1. All children for whom application for adoption support payments has been made shall have an adoption support specific funding source determination completed. (Note: The foster care funding source may or may not be applicable for adoption support payments.)
2. Upon request of the social worker who applies for an adoption subsidy for a legally free child, the FFS will determine eligibility for possible funding sources.

11410. Title IV-E Adoption Support Eligibility Criteria

1. On all children for whom an adoption support application is being completed, the child's social worker shall refer the case to the appropriate eligibility specialist for determination of the child's eligibility for title IV-E adoption support benefits.
2. The eligibility specialist will return an Adoption Support Monitoring Schedule, DSHS 14-319, to the child's social worker noting the child's eligibility for IV-E funding. The adoption support program manager must not process the application unless this form is included with the application. The FSS will review positive determinations of Title IV-E Adoption Support eligibility every six months until the child is adopted or until the FSS has verified the month that the adoption petition was filed. At each review, the specialist will forward a copy of the form to the Adoption Support program manager. The Adoption Support program manager or the social worker may request a review of any child's previously denied Adoption Support eligibility determination.
3. Eligible for adoption support through a previous adoption: When a child is adopted and receives Title IV-E adoption assistance, and the adoption later dissolves or the adoptive parent(s) dies, a child may continue to be eligible for Title IV-E adoption assistance in a subsequent adoption. The only determination that must be made by the state prior to the finalization of the subsequent adoption is whether the child meets the definition of special needs.
4. SSI Eligible Children A child is eligible for adoption assistance if, at the time the adoption petition is filed, the child meets the requirements for Title XVI SSI benefits and, prior to the finalization of the adoption, is determined by the state to be a child with special needs.
 1. The requirement that the child be determined SSI eligible in the same month that the adoption petition is filed is met by the protective filing date. Protective filing date refers to the date the application was made. The filing date is used as the SSI eligibility date and not the date the determination is made because benefits are awarded retroactively to the filing date, if the child is determined eligible.
 2. Written verification of SSI eligibility or of the protective filing date must be contained in the child's file.
5. In placement with minor parent: A child is eligible for Title IV-E adoption assistance if the child's minor parent is in foster care and receiving IV-E foster care maintenance payments that cover both the minor parent and the child at the time the adoption petition is initiated and, prior to the finalization of the adoption and the child of the minor parent is determined by the state to meet the definition of special needs.
6. AFDC eligible
 1. If the child was legally removed from the home pursuant to a judicial determination, that determination must indicate that it was contrary to the child's welfare to remain in the home. Children who are voluntarily relinquished to a public or private nonprofit agency may also be considered to have been judicially removed if:
 1. A petition to remove the child from home is filed within six months of the time the child lived with a specified relative; and
 2. There is a subsequent judicial determination to the effect that remaining in the home would be contrary to the child's welfare.
 2. If the initial change in custody for the placement episode is via a voluntary placement agreement, the child must also have received at least one Title IV-E

maintenance payment in order to be eligible for Title IV-E adoption assistance in addition to the AFDC eligibility and special needs criteria.

3. Adoption support eligibility that is based on the child's AFDC eligibility is predicated on a child meeting that criterion at the change in legal custody and in the month the adoption petition is initiated. The child must, of course, also meet the definition of special needs prior to the finalization of the adoption.

11420. Title XVI

1. Adoption support standards require SSIF screening and potential application for SSI benefits prior to adoption support decision-making. SSIFs must coordinate application information with the adoption social worker and the adoption support staff.
2. SSI with an application date prior to the date of Petition for Adoption will ensure IV-E eligibility for adoption support payments.
3. Adoption finalization shall not be delayed because an SSI application is pending. However, if an application is pending adjudication or appeal, the social service and financial files are not archived pending outcome by SSA.

11430. Title XIX

Children receiving Adoption Support subsidies are categorically needy Medicaid eligible and thus may be eligible for DCFS Title XIX services, such as TCD.

11440. COBRA Medical

1. The Consolidated Omnibus Budget Reconciliation Act (COBRA) of 1985 permits Title IV-E eligible children receiving adoption support benefits to receive Medicaid in their state of residence. COBRA guarantees a uniform level of medical services for Title IV-E eligible children nationwide.
2. Adoptive parents of Title IV-E eligible children from other states who move into Washington need to apply for COBRA medical from:

Adoption Support Program
DSHS - Mail Stop 45710
P. O. Box 45710
Olympia, WA 98504-5710
Phone: Toll free 1-800-562-5682 (3)

3. Children placed by Interstate Compact on the Placement of Children (ICPC) in another state may be reciprocally eligible for COBRA in that state. The social worker consults with the FFS to determine and document IV-E eligibility/reimbursability to be sent with the ICPC documents to the receiving state. See also the CA Practices and Procedures Guide, chapter 5000, section 5600.

4. Adoptive parents of Title IV-E eligible children who move from this state to another state of residence must apply for COBRA medical in their new state of residence. The adoption support program manager in the region the child resides will send a letter to the new state verifying Title IV-E eligibility and reimbursability.
5. Adoption support children not Title IV-E eligible from Washington are deemed Title XIX Categorically Needy medically eligible. Their medical coupons may be issued by the state of Washington or, by their resident state, IF their resident state is a state that is a member of Interstate Compact for Adoption and Medical Assistance (ICAMA) and has agreed to reciprocate medical coverage for non-Title IV-E children.
6. Children moving into Washington state who are not certified by their state of origin as Title IV-E eligible shall receive medical coverage from their state of origin, except that, if the state of origin is an ICAMA member state, Washington will also provide medical coverage for that non-IV-E eligible child.

11500. PLACEMENT WITH RELATIVES OF SPECIFIED DEGREE

11510. Payment Of Foster Care Funds To Parents

Natural, adoptive, and step-parents shall not be authorized to receive foster care payments. While a termination-of-parental rights order severs the relationship between parent and child, federal regulations specifically prohibit the payment of Title IV-E funds to that parent should the child be subsequently replaced with the parent.

11520. Temporary Assistance For Needy Families Maintenance Payments

1. The social worker shall inform the relative of their option to apply for Temporary Assistance for Needy Families (TANF) or foster care maintenance payments. The TANF benefits may be greater or less than the foster care payments, depending on the child's age, any special needs, and the number in the assistance unit.
2. A relative may be eligible to receive TANF maintenance payments for a child placed with them. The relative must apply for TANF benefits at the local CSO for a determination of eligibility.
3. The relative home need not be certified or approved as meeting the minimum foster home licensing standards as a condition of receipt of TANF benefits.

11530. Foster Care Maintenance Payments

1. Relatives of specified degree have the option of choosing TANF or foster care maintenance payments for children placed with them by DCFS.
2. To receive foster care payments, the relative's home must be licensed as meeting minimum foster home licensing standards to receive foster care payments.
3. For the infant residing with the minor parent, the substitute care maintenance payment for the infant plus the maintenance payment for the minor parent, is totaled into one sum payment to the out-of-home care provider. This increased amount is authorized as part of the minor parent's maintenance payment. See chapter 13000, section 13230, for requirements relating to case records for infant children residing with their minor parents.

11600. CORRECTION OF FUNDING SOURCE

1. Every department-paid substitute care payment charged to an incorrect funding source must be changed to reflect the correct source, both in the authorization and accounting systems.
 1. Changes are made at the point of discovery of the incorrect charge.
 2. Corrections of payment are made by using the FamLink COPCR procedure.

11700. INCOME/RESOURCES OF CHILD IN DSHS PAID SUBSTITUTE CARE

1. A child in department-paid substitute care may have:
 1. Earned income (wages);
 2. Unearned income (Social Security, SSI, VA benefits); and/or
 3. Resources (bank accounts, bonds, stocks, automobiles, personal property).
2. Each of the above three categories is additionally classified as either:
 1. Exempt income - not included when considering if a child is eligible for a particular federal funding source or when determining a child's possible participation in the cost of care.
 2. Non-exempt income -
 1. Unearned income - If the non-exempt income is unearned income, it shall be used to cover the child's cost of care, except for resources held in trust for an American Indian child.
 2. Earned income - If the non-exempt income is earned income or resources, it may be used to cover the cost of care. The exempt earned income/resources standards which applied to AFDC also apply to children in department-paid substitute care.
 3. Title IV-E
 1. The exempt plus non-exempt income must be totaled to determine the child's total gross income per month. The total must be below 185 percent of the child's cost of care for Title IV-E reimbursability to continue. AND

2. The child's non-exempt resources (including trust fund balances) cannot exceed \$10,000 for any given month. AND
 3. The non-exempt earned income plus the non-exempt unearned income (total non-exempt income) must total less than the child's cost of care, defined as the payment standard: Room and board, clothing, personal and incidental allowance, and specialized rates. Additional rates through the Exceptional Cost Plan (ECP) or Exception to Policy (ETP) processes are not included.
 4. The FFS determines if the child receives Title XVI/SSI funds. A child is not eligible to receive both SSI and Title IV-E simultaneously. The FFS terminates one or the other based on the best interest of the child and/or the greater benefit to the state.
 5. If the child is employed full time and not in school, the source of funds is state only. See also paragraph "vii" below.
 6. Excluded student earned income. The following types of earned income are not counted for Title IV-E purposes:
 1. The earnings of a child 19 years old or younger who is a full time student in grade 12 or below, or the equivalent level of vocational training; or
 2. The earnings of a child under the age of 18 who is attending school part time in grade 12 or below and is not employed full time.
 7. Child's participation in the cost of care. The state must take into account the earnings of every foster child not considered a student (see above). The earned income disregards are applied to the earnings before determining what portion of the child's cost of care will be recovered from the child's earnings.
4. Title II/RSDI-There are no income or resource considerations in determining eligibility for RSDI.
 5. Title XVI/SSI
 1. Income and resource limitations are strictly enforced by the SSA.
 2. All earned and unearned income must be reported to the SSA. Social workers report all income and known resources to their SSIF for forwarding to the SSA. Reports of income and resources are entered by SSIF into SSI tracking module in CAMIS.
 3. Earned and unearned income are calculated according to various SSA formulas. All or some of the income may be considered to reduce the SSI benefit.
 4. The cash resource limitation for SSI is \$2000. The client is ineligible for SSI in any month where total savings (including what is held in Trust Funds Accounting and whatever may be held in the child's name by a parent or foster parent) exceed \$2000.00.
 6. Title XIX
 1. Children with a Social Security number and in paid out-of-home placement are Medicaid eligible categorically needy. Social workers authorize SSPS code 4810 for medical coupons, unless the child is enrolled in a Healthy Options plan.

2. In non-placement cases (e.g. TCD), Medicaid eligibility is determined in the CSO. The FFS documents Medicaid eligibility in the Revenue File.

11800. TRUST FUNDS ACCOUNTING

1. Trust funds accounting is the exclusive mechanism in the DSHS Office of Accounting Services (OAS) to receive, disburse, and reimburse costs of care from any income, benefits, or resources of a child in out-of-home placement or resident in a Juvenile Rehabilitation Administration (JRA) facility. The Children's Trust Fund was established by RCW 74.13.060 designating the Secretary of DSHS as custodian of funds for persons placed with the department. The delegation of this responsibility is assigned as follows:
 1. Trust Fund Unit - accounting and disbursement of all funds;
 2. Headquarters Division Staff - interpreting program policies; and
 3. Social Service Staff and Regional Trust Funds Coordinators - case management.

11810. Regional Coordination of Trust Funds Account

1. In each region, Regional Administrators have delegated the authority for Trust Funds Coordination to a Federal Funding Coordinator. Coordinators work, according to local procedures, with social work staff, SSI Facilitators, and, in some instances, with the Regional Business Managers to authorize expenditures or plans for conserving a child's trust fund resources.
2. Whenever a client is also receiving or is eligible for any federal entitlement program benefits (Medicaid, SSI, IV-E, etc.), the presence of additional resources must be analyzed to determine how that resource will affect eligibility for continued benefit payments.
3. Examples of potential assets include: SSI lump sum settlements due to the Zebley Supreme Court decision, gifts from relatives, inheritances, casualty or life insurance settlements, tort claim settlements, Social Security Survivor's benefits, and victims of crimes compensation, VA benefits, Railroad Retirement, and L & I benefits.
4. Generally these assets are used to reimburse for the cost of care, especially if the reason the child is in care is due to the same reason the benefits are being paid. However, there may be times when a decision is made to conserve resources for future needs of the child. These decisions can be made at the regional level following local procedures as to whether the available money is used for reimbursing the cost of care or is placed in a protective status. Often these resources will be in a protected account in the child's name and are not readily available to the child or current care-giver. Their protected status, however, may not be specific enough to prevent disqualification from federal entitlement and may need to be placed in a "special needs or Medicaid qualifying trust."

11820. Special Needs Trusts

1. A CA Headquarters SSI program manager has responsibility for assisting Regional Coordinators and social workers in obtaining Special Needs Trusts for some clients with large monetary assets, where appropriate and cost efficient. Regional coordinators may contact the Program Manager for further assistance as soon as a need for a special needs trust is identified.
2. Cooperative work with the Office of the Attorney General and private attorneys may result in trusts being established to protect the client's resources, ensure continued eligibility for federal entitlement programs, and provide a mechanism for disbursements for special needs.
3. The completed trust document must be court approved, preferably submitted by the assigned DCFS social worker.

11830. Establishing a Trust Fund Account

1. When a child enters DCFS care, the client's social worker, in cooperation with the FFS or SSIF, determines if the client is entitled to any benefits or has available resources. Any available benefits or resources must be sent to the Trust Fund Unit.
2. Most trust fund clients receive either Title II/RSDI or Title XVI/SSI benefits. A small number of clients receive moneys from other miscellaneous sources.

11840. Dedicated Accounts

1. The Social Security Administration (SSA) will pay directly by electronic bank transfer to a "dedicated account" any SSI benefits which exceed 6 times the monthly benefit amount, (except when payment is under an IAR).
2. Dedicated accounts are managed by the DSHS Trust Fund Unit and questions about the dedicated accounts may be referred there. See Section 118130.
3. Funds in the dedicated account may not be used for maintenance purposes, but may be used for the special medical, educational and adaptive use of the client. Requests for permission to use these moneys must be submitted to the Trust Fund Unit, which will then submit to SSA for approval.
4. When a client leaves care, any remaining balance will be returned to SSA for transfer to another dedicated account set up by the new Representative Payee.

11850. Benefits

1. The SSIF must apply with the appropriate agency (SSA, VA, etc.) for DSHS to be made payee for client benefits. For Title II and Title XVI the SSIF must submit a Request to be Selected Payee, SSA-11-BK, "change of payee" application and forward a copy of the application to the Trust Fund Unit.
 1. SSIF is responsible for applying for benefits or applying for a change of payee, unless otherwise designated by a local office.

2. SSIF is responsible for entering client data regarding payee change or benefits request into SSI tracking in FamLink. After a request for payee change has been done, it takes approximately two months for the payee change to be made to DSHS. The social worker or other staff, in accordance with regional procedures, must notify the client's current payee to return any additional payments received to the appropriate agency (SSA, VA, etc.) or forward to the Trust Fund Unit until DSHS is named payee.
3. If the client is age 18 or over and becomes or remains his/her own payee, the social worker arranges for monthly benefits to be endorsed and forwarded to the DSHS Trust Funds Unit. (see Section 118130)

11860. Resources

1. Any available resources (settlements, insurance benefits, inheritances, etc.) must be forwarded to the Trust Fund Unit, along with any relevant documentation or court orders pertaining to these funds.
2. When funds are received, they will be used to reimburse DSHS for the client's cost-of-care unless there are legal restrictions on their use or an approved case plan.
3. Case plans for savings or expenditures must be approved by the child's social worker and the Regional Trust Funds Coordinator.

11870. Correspondence with Trust Fund Unit

1. Agency Notices
 1. Any correspondence received from the various agencies will be forwarded to CA for distribution. Social workers, FFS, or SSIFs must review these notices and take any necessary action. For Title II/RSDI and Title XVI/SSI cases, the SSIF are available to assist the worker in resolving any problems. Title II/RSDI and Title XVI/SSI notices are noted in the SSI Tracking module of CAMIS by the Headquarters SSI eligibility specialist. Changes in benefits, notices of over and underpayment, etc., are analyzed for correctness.
 2. Field staff or Headquarters SSI staff need to give particular attention to notices regarding rates, termination of benefits, and overpayments. Workers must notify the Trust Fund Unit and the appropriate agency immediately if information on notices is incorrect. The Trust Fund Unit has limited knowledge of the client's case and, therefore, must assume information is correct and proceed accordingly.
2. Notification of Excess Client Funds
 1. Client accounts are audited on a biannual basis. If the Trust Fund Unit Financial Coordinator determines that a client has excess funds, the SSIF will receive an e-mail notification of the amount.
 2. Spending of these funds is optional, unless the notification indicates that the client balance is nearing or over the SSI resource limit. Trust Fund Unit staff will update the client's FamLink SSI record to list the current available balance in the Trust Fund as of that date.

3. If funds are not used right away, workers will need to confirm the balance with Trust Fund staff prior to making future spending plans.

11880. Disbursements from Trust Funds Accounts

1. The responsible social worker or SSIF may request a withdrawal from an account if the client has available funds. Funds can be used for any goods or services that directly benefit the client. Larger items or adaptive equipment must go with the child should he/she change foster homes, return home, or emancipate. The request contains the following:
 1. List of items or services to be purchased.
 2. Payee name and address. The payee is usually the foster parent. The payee cannot be the client unless at least 18 years of age.
 3. Worker signature. Electronic E-mail request is acceptable with the social worker's own log-on identification.
 4. Exceptional requests for expenditure or conservation of funds must be approved according to regional guidelines with the Regional Trust Funds Coordinator.
 5. The OAS Trust Funds Unit will disburse from a child's account to reimburse for costs of care, reimbursing first for basic maintenance and then any other allowable costs. All authorizations and payments must be in SSPS, through FamLink, and child specific.

11890. Client Placement Changes

1. The social worker or SSIF, in accordance with regional procedures:
 1. Notifies, in writing, the appropriate agency (SSA, etc.);
 2. For SSI clients, notifies SSA immediately by FAX as such changes may affect client SSI eligibility; and
 3. Updates FamLink placement screens in PLACEUP and SSIUP.

118100. Youth Remaining in Care After 18th Birthday

1. Under approved circumstances, the youth may remain in licensed care after his or her 18th birthday, but placement must end before the youth's 21st birthday. The effect on the client's Trust Fund account is as follows:
 1. Title XVI/SSI
 1. There is no change to the client's Trust Fund account. The Trust Fund Unit will continue to receive payments and reimburse for cost-of-care. Any remaining balance will be disbursed to the client upon leaving care.

2. The client over age 18 authorizes the department to remain the payee by signing the Voluntary Placement Agreement, DSHS 09-004B). A copy of the VPA is forwarded to the Trust Fund Unit with a written explanation of the proposed time-limited plan.
2. Title II/RSDI and VA
 1. Payments will normally stop when the client turns 18 years of age. If the client remains in high school, the client will need to apply to the SSA or VA for an extension of benefits. SSIF will receive SSA notices of upcoming termination and will assist in applying for continued benefits if the child remains in high school. If an extension is granted, payments will be sent directly to the client. The client will need to endorse these payments and send them to the Trust Fund Unit to be used to reimburse for cost-of-care. Any balance accumulating in the account will be held until the client leaves care.
 2. If a Title II/RSDI client has evidence of any physical or mental impairment, an application for Childhood Disability Benefits (CDB) is made to continue the benefits into adulthood. Disability must be established prior to the attainment of age 22.
3. Other Benefits
 1. Legal settlements, insurance benefits, inheritances, for example, do not alter the Trust Fund account.
 2. Any non-exempt available funds will continue to be used for ongoing cost-of-care reimbursement and approved special needs.
 3. Any account balance will be held until the client leaves care.

118110. Child Leaving Care

1. When a client leaves care, their Trust Fund account will be closed. Any remaining balance will be returned to SSA, to the client if age 18 or above, or to the client's new custodian, who needs to apply to be payee for the client's benefits.
2. Parents, guardians, relatives, or adoptive parents must go to the nearest SSA office to apply to be the child's payee. This should be done as soon as a new placement or return home occurs.
3. To close an account, the social worker or SSIF:
 1. Notifies the Trust Fund Unit in writing or E-mail, providing the following information:
 1. Type of change in status (returned home, adopted, adult placement, maturation, death, etc.);
 2. Name and address of new custodian; and
 3. FamLink person ID of the child.
 2. Notifies the appropriate agency (SSA, VA); and
 3. Notifies client's new custodian to apply to be payee.
4. It takes approximately two months for the payee to change. If requested and approved by the agency providing benefits, the Trust Fund Unit will forward payments until the payee changes.

5. For Title XVI/SSI clients, the Trust Fund Unit will not forward payments when clients return home or are adopted, unless authorized by SSA. Clients' continuing SSI eligibility will be based on parents' income determined by the SSA.

118120. Releasing Client Account Information

1. The client's foster parents or family will sometimes have questions regarding the child's Trust Fund account. The social worker or SSIF contacts the Trust Fund Unit to clarify these questions or concerns and then releases account information at their own discretion. Under no circumstances shall DCFS staff give the names or telephone numbers of Trust Fund Unit staff to anyone outside of DSHS.
2. Upon request, an accounting of a client's Trust Fund account can be sent to the worker to review and release as appropriate. Trust Fund Accountability Statements can be released directly to other DSHS divisions. For example, workers may refer the Division of Child Support to the Trust Fund Unit, whose staff will work directly with them to provide the information that division needs.

118130. Trust Fund Information

1. Forward payments on transmittal to:

11900. FINANCIAL REVENUE RECORD ARCHIVING OR STORAGE

See chapter 13000, section 13920, for information regarding archiving and storage of Financial Revenue Files.

11100. FINANCIAL REVENUE FILE TRANSFER

See chapter 13000, section 13831, for information regarding transfer of Financial Revenue Files.

111100. RANDOM MOMENT TIME STUDY

111110. Purpose

1. The Random Moment Time Study (RMTS) is used to generate statistically valid statewide estimates of various activities performed by CA staff.
2. The sampling procedure is designed to satisfy federal financial participation requirements for claiming matching funds for social service staff salaries and benefits and to provide audit documentation for state and federal review.

111120. Participants

1. All CA service and FFS workers participate in the time study.
 1. The RMTS contacts all service workers and eligibility specialists.
 2. Excluded from the sample, although their salaries and benefits are included in federal reimbursement, are students, interns, Home Support Specialists, support staff, intermittent staff, after-hours staff, Community Resource Program Managers, Social Workers 4, Social and Health Program Managers, and other management staff.

111130. Headquarters Responsibilities

1. The RMTS Headquarters staff is responsible for the following actions:

1. Generate each quarter an RMTS contact list for each work day of the quarter. The contact list has three variables: Random Starting Time; Random Interval Time; and Random Employee List.
2. Complete the telephone samples at the random moments.
3. Gather through telephone contact or FAX mail the following information from the social service or financial revenue worker or the local RMTS coordinator.
 1. Status of the worker: on the job; on work break; position vacant; on job rotation or temporary assignment elsewhere.
 2. If on the job, the Headquarters staff informs the worker that an RMTS sample is being made.
 3. The Headquarters staff asks the worker for the code that best describes the worker activity at that moment. If a case specific activity is reported, the staff asks the worker for the following information: Case number; case name; SSPS primary placement payment code; legally free status of the child; and specific activity.
4. The Headquarters staff completes the contact log with the information reported by the worker, enters it into the data base, and mails a copy to the RMTS coordinator.
5. If a worker is unavailable for telephone contact, the Headquarters staff FAXes a contact log to the RMTS coordinator for completion by the worker. The worker completes the contact log in a timely manner so that the RMTS coordinator is able to FAX it back to Headquarters with 72 hours of the sample time.
6. The Headquarters staff logs uncompleted contacts and follows up with the RMTS coordinator to ensure that contact logs are returned in a timely manner.
7. On a monthly and quarterly basis, the Headquarters staff generates a survey data summary.
8. The Headquarters staff updates the service worker list as worker employment status changes are reported by the worker's supervisor or RMTS coordinator.

111140. Local Office Responsibilities

1. The clerical supervisor is responsible for designating an RMTS coordinator and trained back-up coordinator.
2. Social work supervisors are responsible for training social workers on the RMTS system and the code definitions, with Headquarters RMTS staff available to provide consultation and training to workers upon the supervisor's request.
3. The social service or FFS worker is responsible for the following actions:
 1. Upon contact:
 1. Report the appropriate code from the social worker activity code descriptions. See Random Moment Time Study Codes.
 2. Report the case number, case name, specific activity, primary SSPS placement payment code if the activity is case specific, and if the child is legally free for adoption.
 2. If unavailable when a RMTS call was attempted, the social service or FFS worker, upon return to the work station, completes the contact log and promptly

returns it to the local RMTS coordinator for return to the Headquarters staff within 72 hours of the sample time.

4. The local RMTS coordinator:
 1. Updates the participating employee list quarterly, as requested by Headquarters RMTS staff.
 2. Uses the following procedures:
 1. Receives the Headquarters staff phone contacts for workers and distributes for completion.
 2. Follows through to ensure that the workers' complete the contact and FAX it back to Headquarters within 72 hours of the sample time.
 3. Maintains a file for all completed RMTS contact logs. Files the RMTS contact logs in chronological order by date and time of contact. Retains the present and two previous quarters' completed contact logs.

11150. Regional Administrator Responsibilities

1. The Regional Administrator ensures that the clerical supervisor appoints a RMTS coordinator for each of the region's field offices. Social workers or any other DCFS staff person who may be sampled as part of the time study cannot be a coordinator.
2. The Regional Administrator ensures that any change in RMTS coordinator is reported to the RMTS Headquarters staff by the responsible field staff person.

11160. RMTS Codes and Definitions

1. When an RMTS observation contact is requested, social workers and FSS report to the Headquarters staff the activity code which best describes their activities at the moment of contact. If the activity is not specific to a child, the workers choose from Codes A, D, H, K, or L. If the activity is specific to a child, the workers choose from Codes B, C, E, F, G, I, or J, based on the definitions for the codes and the child's status.
2. Social workers and FFS use the RMTS codes and definitions contained in the RMTS Codes and Definitions publication when identifying activity.

12000. AGENCY LICENSING

12100. INTRODUCTION

12110. Basic Practice Considerations

1. Chapter 74.15 Revised Code of Washington (RCW), and the Minimum Licensing Requirements (MLR) contained in Washington Administrative Code (WAC) 388-148, , and chapters 388-160 WAC Overnight Youth Shelters constitute the basic practice guide for licensers of child placing agencies (CPA), rehabilitative treatment/group care facilities, crisis residential centers (CRC), maternity services, day treatment programs, staffed residential homes, and secure crisis residential centers. Chapter 388-145 WAC emergency respite centers (ERC) are also included in this category.
2. These chapter contains complementary information and is primarily focused on out-of-home care licensing activity for regional licensers.

12120. Legislative Intent

1. The legislature believes that children placed in foster care are particularly vulnerable and have a special need for placement in an environment that is stable, safe, and nurturing.
2. The legislature believes that foster homes should be held to a high standard of care, and department decisions regarding denial, suspension, or revocation of foster care licenses should be upheld on review if there are reasonable grounds for such action. Chapter 302, Laws of 1995, Section 1

12130. Licensing of Department Employees

1. CA Practices and Procedures Guide, chapter 5000, section 5138, outlines conditions under which Children's Administration (CA) employees may be licensed as foster family home parents or certified as adoptive parents.
2. See section 5138 for limitations on licensing of CA employees as foster parents or on their certification as adoptive parents and steps to follow in the licensing and certification process. The section also outlines the role of private child placing agencies.

12200. PRE-APPLICATION INFORMATION

1. Staff designated by the Regional Manager for the Division of Licensed Resources (DLR), Office of Foster Care Licensing (OFCL), provides information about children's agency licensing requirements, on-site feasibility studies, and assist agencies in the development of policies and procedures, upon request.
2. The Regional Manager establishes procedures to give out forms and other pertinent information, either at an interview or by mail. The application packet provided to the potential applicant includes those documents and materials prescribed by regional procedures.

12300. LICENSING AND RE-LICENSING

12310. Application

1. The regional OFCL office receives and date-stamps applications for licensing or certification, with accompanying documents, from prospective licensees, according to regional procedure.
2. Once the licenser has determined that the applicant has submitted a completed and signed application, the licenser records the application in FamLink and conducts an on-site review and assessment and then makes a decision within 90 days of receipt of the application to approve or deny the license/certification.

12320. Licensing Study

The usual steps for processing an application are:

1. The licenser or clerical person designated by regional procedure enters the application information into the Case and Management Information System (FamLink) licensing module, makes up a file folder, and checks Division of Children and Family Services (DCFS), DLR, and local office records, including FamLink, for prior involvement with the agency.
2. The clerk or licenser mails out reference letters to the people designated by the applicant, with return envelopes stamped with the licenser's name.
3. The licenser, or support staff, submits completed forms to perform a criminal background check, as outlined in Chapter 5000, section 5500. Background checks are to be completed for all persons age 16 and above, not placed by DCFS, residing in the facility. For applicants and/or their current or prospective employees or foster parents who have resided in the state less than three years, fingerprint checks must be completed. See section 5500 for steps to follow. The assigned staff completes a CA records check in FamLink as part of the background check.
4. Following receipt of the application packet, the licenser makes contact with the applicant to inform the applicant that the process has started and to coordinate a time-frame for a discussion of the proposed program. If the licenser makes initial contact by telephone, the licenser follows up with a letter to ensure that the applicant has the information in writing along with the licenser's name and telephone number for future use.
5. Residential Care Facilities/Agencies
 1. The licenser completes an evaluation of the agency application and proposed program, using a checklist appropriate to the licensing request: The DSHS 10-51B, Checklist for Licensing or Certification of Group Care Facilities; DSHS 10-51C, Checklist for Licensing or Certification of Day Treatment Programs; DSHS 10-51D, Checklist for Licensing or Certification of Maternity Services; DSHS 10-51E, Checklist for Licensing or Certification of Child Placing Agency.
 2. The emergency respite center is a type of respite care for children potentially at risk of abuse and/or neglect. The nurseries serve children between birth through the age of 17 years, and are operated up to 24 hours a day. No child can remain in the facility for more than 72 hours at any one time.

3. The licenser includes: a review of staff's education and training transcripts, reference letters, résumés and other required qualification documentation; a review of personnel policies and proposed staff training programs; a review of educational and vocational instruction; and a review of the proposed system for the development of social study and treatment plans.
6. For residential facilities, the Department of Health (DOH) surveyor and the State Fire Marshal, or designee, must inspect and certify for occupancy prior to licensure.
7. The licenser may require the applicant to furnish additional pertinent information.
8. When a child placing agency (CPA) has proposed to practice in more than one region, that agency will seek a license in the region in which the main office is located. If a CPA wishes to have more than one license (adoptive and maternity), the agency must apply for all licenses through their main office licenser. A separate license is issued for each program category.
9. An applicant agency planning to provide services in a region other than the one in which it is applying shall provide supplemental information regarding its intended practices in the other regions to the licenser, and to the regional office in each of the other regions in which it intends to operate, along with the application.
10. Each agency is subject to visitation, evaluation, and monitoring of MLR by the licenser having jurisdiction in the area in which the agency is providing services.
11. Agencies not required to be licensed must conform to MLR standards in order to be certified by DLR.
 1. Agencies not required to be licensed are listed in RCW 74.15.020 (4).
 2. This list also includes an agency that provides housing and care to foreign children entering the U.S. for medical care and services.
 3. If an agency chooses to serve this population only, they must provide DLR with a written program description and a statement they plan to limit their services to only host family resources for foreign children.
12. Private CPAs, when evaluating family homes for licensing, are required to follow the licensing requirements in the CA Practices and Procedures Guide, chapter 5000, section 5100. CPA foster homes will be licensed by the regional licenser in the region in which the foster family resides. The CPA is required to monitor its own homes, with coordinated oversight of the monitoring and performance by the licensee provided by the licensers in the respective regions. Background clearances on all persons providing care or service in a region will be handled by the licenser in that region.

12330. Decision on Licensure/Certification

1. All requirements of WAC 388-148 must be met before the DLR Regional Manager signs and issues the license/certification.
2. Upon issuance of the license, the licenser or other designated staff records the license information in FamLink.
3. If the licenser determines that a person is disqualified from association with a child care agency for not meeting minimum licensing requirements of chapter 74.15 RCW and WAC 388-148, the DLR Regional Manager shall give written notice of disqualification to the person. The notice shall state the activities from which the person is disqualified,

the reasons for the disqualification, and the applicable law under which the person is disqualified.

1. The licenser applies the procedures contained in RCW 43.20A.205, regarding Denial, Suspension, Revocation, or Modification of License, when issuing a notice of disqualification to a person.
 2. A licensee under chapter 74.15 RCW may not allow a person disqualified under this section to associate with the licensee's agency. Disqualification of a person may not be contested by an applicant/licensee. However, the disqualified person may contest the disqualification.
 3. If a notice of disqualification of an individual is based on a Child Protective Services (CPS) finding of abuse and neglect, and after a fair hearing it is determined that the allegations are not supported by a preponderance of the evidence, the assigned social worker and licenser shall amend the records to so state.
 4. The Regional Manager, in accordance with WAC 388-06-190, may remove a disqualification based on conviction of a crime or another reason if the disqualified person demonstrates by clear, cogent, and convincing evidence that he or she is sufficiently rehabilitated to warrant public trust and to comply with the requirements of chapter 74.15 RCW and WAC 388-148.
4. Administrative Approvals
1. Under the provisions of WAC 388-148-0085, EXCEPTIONS TO RULES, the Regional Manager may issue a time-limited administrative approval to specific requirements for a specific child, if the administrative approval does not jeopardize the child's health and safety and is not contrary to statutory provisions. With a documented, approved administrative approval, the license issuing authority may issue the license.
 2. DLR shall maintain a log of administrative approvals by region and by type of administrative approval.
5. Initial License
1. Private Agencies and Group Care Facilities
 1. Only the DLR Office Chief, through the regional licenser, may, at his or her discretion, issue an initial license instead of a full license to an agency or facility (group care setting or child placing agency).
 2. The initial license may be issued for a period not to exceed 90 days, to allow the agency or facility reasonable time to become eligible for full license.
 3. Neither the Regional Administrator nor the Regional Manager may delegate responsibility for issuing an initial license to a CPS, CWS, or FRS child placement worker.
 2. Foster Family Homes
 1. Initial licenses for foster family homes are issued for a period not exceed 90 days.
 2. See the Practices and Procedures Guide, chapter 5000, section 5133 for requirements regarding initial licensees for foster family homes.

12340. Re-licensing/Re-certification

1. Re-licensing/re-certification occurs when the facility moves to a new location and at three year intervals following issuance of the initial license. The license/certification issued under chapter 74.15 RCW and section 12330 is not transferable and applies only to the licensee and the location stated in the application.
2. Prior to expiration of an existing license or certification, the licenser or support staff, as determined by regional procedure, sends a re-application form to the licensee sufficiently in advance of the expiration date of the license/certification to ensure return of the signed re-application and department action before the license expires. If the licensee submits a signed application before the expiration date, the old license/certification remains in effect until the department acts on the re-application. The licenser sends the forms and documents defined by regional procedures to the licensee as part of the re-application packet. The re-licensing/ re-certification needs to occur in a timely manner to ensure the health and safety of children in care.
3. For renewal of a license or certification, the licenser rechecks the criminal history of licensee, staff, and volunteers and reviews the experiences, including services and incidents, of the past licensing/certification period with the licensee.
4. The licenser conducts a site inspection to ensure continuing compliance with health and safety aspects.
5. The licenser completes the Checklist for Licensing or Certification, DSHS 10-51 (B,C,D, or E).
6. The licenser reviews applicant agency policies and procedures, evaluates the content of the staff training policy and plan, and reviews a representative sample of the agency's case files for the current licensing/certification period to evaluate documentation of case planning. In a residential program residents may be interviewed.
7. At any time during licensure, the licenser may modify or change the numbers, ages, and types of children on the license/certification, depending on the circumstances and/or wishes of the licensee and the evaluation of the licenser.
8. The DOH surveyor and the State Fire Marshal, or designee, inspects a facility to provide certification prior to re-licensure/re-certification.
9. For agencies practicing in other regions, the licenser requests an assessment of the agency's compliance with MLR from the out-of-region licensers. This assessment includes a review of the licensed/certified agency's foster homes. Licensers from other regions are encouraged to participate and assist in the re-licensing/re-certification process. The licenser will take into consideration the findings and recommendations of the out-of-region licensers in reaching a decision for re-licensure/re-certification.

12350. Re-Evaluation

1. The licenser re-evaluates the agency for suitability for continuing licensure or adjustment to the license, as well as effect on child(ren) in placement, under the following conditions:
 1. If there is a change in management or social service staff.

2. The facility changes location. See section 12340(A), above.
3. There is a change in the classification of clients served.
2. The licenser completes a criminal history and background check as described in chapter 5000, section 5500, on each new person having access to clients, interviews the licensee and other appropriate parties, and requests other information and documentation, as necessary, to complete the re-evaluation of the agency. The licenser documents the re-evaluation in the licensing file.
3. The licenser or other designee records the new license information in FamLink.

12400. COMPLAINT INVESTIGATION

1. The local or other designated DLR office conducts investigations of alleged child abuse or neglect (CA/N) and alleged non-compliance with licensing standards in accordance with chapter 5000, section 5300, and the DLR Facility Investigators Guide, Investigating Abuse and Neglect in State Regulated Care. Each reportable incident is entered into the FamLink Licensing Complaints Module in accordance with section 5300.
2. The Regional Manager will develop standards/procedures for licensers to conduct assessments of allegations of failures to meet MLR that do not include child abuse or neglect. The standards will be consistent with chapter 5000, sections 5300 and 5400, of this manual.

12500. ACTION ON LICENSES/CERTIFICATION

1. In those instances where an investigation has been completed and substantiation of CA/N has occurred and/or serious non-compliance with MLR has been verified (sometimes following unsuccessful corrective action measures), the licenser may take action against the license/certification.
2. Probationary License
 1. The licenser may issue a probationary license to a licensee who has had a license but is temporarily unable to comply with an MLR requirement or has been the subject of multiple complaints or concerns about noncompliance if the following conditions apply:
 1. The noncompliance does not present an immediate threat to the health and well-being of the children but would be likely to do so if allowed to continue.
 2. The licensee has a plan approved by the licenser to correct the area of noncompliance within the probationary period.
 2. A probationary license may be issued for up to six months and, at the discretion of the Licenser and supervisor, may be extended for an additional six months.
 3. The licenser and/or regional health and safety staff shall conduct site visits to facilities operating with a probationary license at a minimum quarterly to assure the continuing safety and well-being of children in care.

4. The department shall immediately terminate the probationary license if, at any time, the noncompliance for which the probationary license was issued presents an immediate threat to the health or well-being of the children.
 5. An existing license is invalidated when a probationary license is issued.
 6. At the expiration of the probationary license, the department shall reinstate the original license for the remainder of its term, issue a new license, or revoke the original license.
3. The licenser staffs the case with founded CA/N and/or verified serious non-compliance with MLR (including those with unsuccessful corrective action measures) with involved DCFS and DLR staff, including the DLR CPS investigator, and appropriate supervisory and administrative personnel. The licenser formally informs all affected staff of corrective or stop placement actions.
 4. Denial, Suspension, and Revocation-When considering denial, suspension, or revocation of a license, the licenser confers with the Regional Manager and the assigned Assistant Attorney General (AAG) to determine appropriate action and prepares a draft denial, suspension, or revocation (as applicable) letter for review by the AAG. The draft letter includes:
 1. A concise summary of the CPS allegations (if applicable), RCW and/or MLR violations, findings, and conclusions.
 2. Documentation of corrective action attempted, if appropriate.
 3. Detailed citation of all applicable RCW/MLRs violated.
 4. Complete information advising the licensee of their administrative hearing rights, including the filing process and time-frames.
 5. Upon approval as to form and content by the AAG and the Regional Manager, the Regional Manager, as the regional licensing authority, signs and sends the final letter by certified mail to the licensee.
 6. In any adjudicative proceeding regarding the denial, modification, suspension, or revocation of any license, other than a foster family home license, the department's decision shall be upheld if it is supported by a preponderance of the evidence. RCW 74.15.130

12600. SUPPORT SERVICES FOR AGENCIES

The children's agency licenser is available to licensee agency staff to provide assistance and consultation on appropriate interpretation of RCW, WAC, and CA manual compliance.

12610. Training

1. The children's agency licenser offers training and technical assistance on a regular basis to the agency executive director, board of directors, and/or the social service staff regarding the development and practice of the agency's policies and procedures consistent with RCW, WAC, and CA practice.

2. The licenser advises a CPA director of Foster Parent Scope training resources available through CA and that private agency licensed foster homes are encouraged to attend.

12700. PLACEMENT ACTIVITIES

All activities relating to placement of children in out-of-home care are the responsibility of DCFS social workers.

12710. Licenser Role

1. The licensing regulatory functions are designed to safeguard the well-being of children in out-of-home placements. Therefore, the primary duty of a licenser is to periodically review whether the applicant/licensee is in compliance with MLR.
2. A secondary role of the licenser is that of a consultant and trainer.
3. The regional office manages the roles of regulator and consultant/trainer within the same job description without conflict of interest under the following conditions:
 1. Each Regional Manager develops procedures which specifically outline how staff will carry out licensing and monitoring functions. Such procedures address at least:
 1. Administrative approval process
 2. Processing of Incident Reports;
 3. Complaints/corrective actions;
 4. Shared decision-making;
 5. Separation of functions for licensers;
 6. Waiver processing and approval.
 2. The local or other designated office conducts all investigations of incidents in licensed facilities in conformance with Chapter 5000, section 5300.
 3. The Regional Manager, within available resources, arranges for training for licensers and other affected staff specifically designed to provide increased expertise and ongoing clarification of job functions and expectations.
 4. The Regional Administrator and the Regional Manager are expected to maintain a complete separation of child welfare case services from licensing duties in all offices.
 5. The Regional Manager provides ongoing case consultation with each licenser to identify or eliminate any possible situations that could result in conflict of interest arising from the regulatory as opposed to placement issues.
 6. The licenser staffs all problematic licensed/certified agencies with applicable staff, which may include the following: the group care coordinator, the contracts coordinator, the DLR CPS investigator assigned to do incident reports, and the Regional Manager. The staffing considers, with other issues identified by the group, conclusions of the CPS or licensing investigation(s) and recommendations for corrective action. The staffing also considers the cumulative seriousness of multiple complaints.

7. The licensor may request consultation with the AAG regarding proposed corrective actions resulting from serious MLR violations.
8. The Regional Manager and the licensor thoroughly discuss and review all requests for exceptions and administrative approval, and compliance agreements for children's health and safety needs. Neither the licensor nor the Regional Manager shall endorse such a request if it compromises health and safety. They may seek administrative consultation on a case by case basis.
9. If a serious issue is identified with a licensed/certified agency with or without a finding of abuse/neglect and a conflict occurs between the licensor of the agency and the social worker(s) for the child(ren) placed, the assigned supervisors for those staff must resolve the conflict, consistent with Chapter 5000, section 5100, of this manual. The protection of the children involved is paramount to any other consideration.

12800. FILE MAINTENANCE

Each Regional Manager must ensure the maintenance of Children's Residential Agency Licensing files in accordance with record management requirements of Chapter 13000, section 13400.

12900. PUBLIC DISCLOSURE

For public disclosure requirements relative to licensing records, see Chapter 13000, section 137112.

13000. RECORD/PAPERWORK MANAGEMENT

13100. RECORDS MANAGEMENT AND SECURITY

State law requires that CA maintain records for services to children and their families as well as for licensed or approved providers and for persons who apply and are subsequently denied licensure or approval for service. RCW 13.34.130; RCW 13.50.010; RCW 26.33.330; RCW 26.44.030

CA will maintain these records in two formats:

- Automated format in the State of Washington's State Automated Child Welfare Information System (SACWIS) called FamLink.

- Paper records linked to cases in the FamLink system.

The following table identifies tasks and procedures to be completed in FamLink and staff responsible for their completion. The table will be updated as needed to reflect changes in FamLink.

13101. Case Management Responsibilities

TASK/PROCEDURE	JOB CLASS TO BE ASSIGNED CAMIS DATA ENTRY
1. Searching statewide for information on clients/providers	All
2. Document all information received by the department	Intake Staff
3. Assign case numbers	Intake Supervisor
4. Assign cases	Masterfiles Clerk or Other Clerical
5. Update case status	Supervisors & clerical
6. Enter record location status	Masterfiles Clerk & clerical

13102. Documentation in FamLink

Social workers must document all case activity in FamLink within 10 days of the date of the event or activity. All hand written notes must be discarded after the information has been entered into a FamLink. CA Management Team can provide exceptions to this requirement on specific pieces of work within the system.

13103. No Personal Files

Social workers must not maintain "personal" files containing case information. Workers must maintain all case related information in the Department's official case file.

13200. INITIATING A CASE RECORD and RECORD ESTABLISHMENT

13201. Initiating A Case Record

1. All Children's Administration (CA) cases are:
 - assigned a unique case number, generated by FamLink, and
 - are "family based cases" with the exception of legally free, and adoption support cases.
2. CA has three types of cases:
 - Family Case - The intake supervisor (Field or Central Intake) reviews each intake, determine if information is on an existing case in FamLink and either links or creates a new case.
 - Legally Free Case - When a child becomes legally free, the child is deactivated from the family case for the reason of "legally free". FamLink automatically creates a new Legally Free case for that specific child. A legally free case has only one participant and is created without a new intake.
 - Adoption Support Case - After adoption finalization, an adoption support case is created through the Legally Free Case, from the options menu in FamLink. The legally free case should be closed as soon as all work is completed on it. This closed case becomes a restricted case in FamLink. The adoption support case becomes a "sealed" case, meaning it will only show in search results to those with secured adoption support security.
3. If an adopted child is an alleged victim of abuse or neglect in their adoptive home or if non-adoption support services are requested, a new intake must be created in FamLink and a new family case should be created under the adoptive parents (separate from the adoption support case).

13205. Creation of an Interstate Compact PC (ICPC) Case

CA intake must complete a Non-CPS intake and create a case when a request is made to place a child in Washington State. This is a family based case, and has only one participant. The placement resource is added to the case when placement is approved.

13210. Record Establishment

Case records are created in the local offices for the following screened-in intakes:

1. Child Protective Services (CPS)

2. Family Voluntary Services (FVS)
3. Family Reconciliation Services (FRS)
4. Child and Family Welfare Services (CFWS)
5. Adoptions
6. Child Day Care Services
7. Foster Home/Private Agency Licensing
8. Intra and Interstate Home studies
9. Federal Funding

13500. ACES, BIRTH CERTIFICATES AND SOCIAL SECURITY CARDS

13501. ACES

When a case is opened or re-opened, clients are screened for eligibility or existing service through the Economic and Services Division, using their Automated Client Eligibility System (ACES).

1. Clerical support staff check the eligibility status of clients who are the subject of intakes or requests, using the Automated Client Eligibility System (ACES).
2. A "Name Inquiry" in ACES must be performed. ACES will show the most current TANF eligibility status for a family. Assigned staff takes the following steps:
 1. Select the desired name, and if the person is "HOH" (Head of Household) the first screen that comes up will be the "ADDR" (address) screen.

2. To see which CSO is handling the case, place cursor on first digit of CSO # in upper left corner of screen and press [F1] for a list of all CSOs and their corresponding numbers.

5. High Profile Cases as designated by an Appointing Authority.

13602. Search in FamLink for Open Cases - New Employees

If a person is hired by Children's Administration or ESA/DEL, a person search through FamLink must be made. If the employee or a family member is currently in the FamLink system and falls under the criteria of section II, or is associated with a DLR or DEL license, the hiring supervisor must inform the employee that a file exists and has been secured.

13603. Responsibility for Designating Employees in FamLink

All Children's Administration employees must be designated as such in the person file of the FamLink database for purposes of possible creation of Restricted Files. Other DSHS employees may contact the DCFS Regional Administrator to request that their names be entered into the person file of the FamLink database and designated as CA employees. Appointing authorities must identify the person responsible for data entry.

13604. Access to Restricted Records

1. Children's Administration (CA) staff must not access any person, case or intake information without a need to know. "Need to know" means that the information is necessary in the discharge of an employee's professional responsibilities (see Administrative Policies No. 18.64; No. 05.01; 15.10)

13606. Access to Closed Restricted Records

Requests for information on closed restricted records may be obtained through a designated Security Group member listed above in 13604, with permission from the employee's supervisor or a CA manager/administrator in the employee's chain of command.

13607. Specific Denial of Access To Restricted Records

An individual may be denied access to a specific record on a case by case basis, based on Appointing Authority, DEL or DLR director approval. The individual may or may not have been associated with the license/case itself but the appointing authority, or director of DLR or DEL has determined there is a real, apparent, or potential conflict of interest per Administrative Policy 18.64 - Standards of Ethical Conduct for Employees.

13608. Physical Location of Restricted Records

Open restricted paper records are to be kept in a locked drawer with the assigned social worker. *Closed* restricted paper records are to be kept in a locked file in the Master Files room.

13609. Who May Restrict A File

Files meeting the criteria for restriction may be restricted in FamLink by a supervisor or above.

13610. Justification for Restricting/Unrestricting Records

The following information must be documented immediately in a memo and filed in the record before the family face sheet, which includes:

1. the name of the employee,
2. where the employee works, and
3. the justification for the need to restrict or unrestrict a record.

The file must be physically labeled "Restricted Record."

13611. Current List and Review of Restricted Records

A DCFS Regional Administrator, CA HQ Appointing Authority, DEL Field Manager or DLR Regional Administrator has final authority to resolve any disputes regarding administrative files.

13612. Ongoing Review of Qualifying Circumstances

If the qualifying circumstances no longer exist, restricted file status may be discontinued. Regions/division must develop and implement procedures to conduct periodic review and discontinued at least once annually.

13700. RECORD ACCURACY, PRIVACY, AND DISCLOSURE

This section addresses maintenance of accurate records, personal privacy, and disclosure and nondisclosure of CA records, including licensing records.

These topics are inter-related, with accuracy of information being a significant element.

13710. Expectations for Accuracy

1. Information in social service records must be complete and accurate, to the best ability of assigned social work or other staff, and is shared only with authorized representatives of public or private agencies having a legitimate need to be informed concerning clients whom they are actively serving.
2. The Regional Administrator is responsible, in their respective areas, for the integrity of data in electronic and paper files.

13720. Public Records Request

1. The Public Records Act, chapter 42.56 RCW, governs access to and disclosure of public records. CA is required to make identifiable public records promptly available for inspection and copying upon request by any person, unless nondisclosure is required or authorized by law.
2. Administrative Policy 5.02 governs all DSHS responses to Public Records Act requests. All CA staff must follow Administrative Policy 5.02. The CA Operations Manual is intended to supplement this policy with additional internal operation procedures.

13721. Public Disclosure Coordinator Responsibilities

1. All CA Public Disclosure Coordinator must follow Administrative Policy 5.02, Public Records Requests. If Administrative Policy 5.02 and the CA Operations Manual contradict one another, the Public Disclosure Coordinator must follow Administrative Policy 5.02.
2. The Public Disclosure Manager, in the Finance and Operations Support Division (FOSD) is the designated Public Disclosure Officer for Children's Administration. The Public Disclosure function for CA is centralized under the Public Disclosure Manager, with regional offices as well as a headquarters unit.
3. Regional Public Disclosure Coordinators will respond to routine public disclosure requests. However, regional Public Disclosure Coordinators must not respond to the following requests and must immediately route such requests to a headquarters Public Disclosure Coordinator for response.
 1. Requests for reports collected at the state office; for example, statewide Health and Safety Report, FamLink reports generated at the state office level.
 2. Requests for information from more than one region where consistency of information is necessary.
 3. Requests from employees.
 4. Especially sensitive issues are best handled at Headquarters:
 1. Requests from the media, including, newspapers, television, and radio;
 2. Requests from attorneys, which may involve potential lawsuits;

3. Requests from legislators;
 4. Requests involving "hot" cases or those generating controversy in the community; and
 5. Other cases which may be of a hostile nature or where there is need for headquarters staff and Media Relations to be aware of the request.
5. When there is a question about whether the preparation should be done at the regional or headquarters level, the regional Public Disclosure Coordinator will consult with a headquarters Public Disclosure Coordinator. or the Public Disclosure Manager
4. Public Disclosure Coordinators must consult with an assigned AAG and/or the DSHS Public Records and Privacy Officer when an issue regarding the release of information is not clear.
 5. If the person requesting disclosure disagrees with the decision of a Public Disclosure Coordinator, the person may petition for review of the decision denying disclosure.
 1. If the petition is for the review of a decision made by a regional Public Disclosure Coordinator, it must be sent to a headquarters Public Disclosure Coordinator for review.
 2. If the petition is for the review of a decision made by a CA headquarters Public Disclosure Coordinator, it must be sent to the Public Disclosure Manager or their designee for review.

13722. Public Records Request - Responsibilities of all CA Staff

CA staff must comply with the provisions of WAC Chapter 388-01 and DSHS Administrative Policy No. 5.02 - Public Records Requests. These responsibilities include, but are not limited to:

1. A public records request may be made to any staff and does not need to be made in writing or on a specific form. If a CA staff receives a public records request, or believes they may have received a public records request, they must forward that request immediately to a CA Public Disclosure Coordinator. Not doing so may result in fines to the agency under the Public Records Act, RCW 42.56.
2. When a Public Disclosure Coordinator requests records staff are required to provide all records, whether disclosable or not, to the Public Disclosure Coordinator. It is the responsibility of the Public Disclosure Coordinator to determine what may be disclosed.
 1. Failure to provide all responsive records may result in fines to the agency under the Public Records Act, RCW 42.56.
3. If a public records request is made at a time when such record exists but is scheduled for destruction, the department must retain possession of the record and may not destroy or erase the record until the request is resolved. WAC 388-01-060; RCW 42.56.100.

13726. Disclosure to Client's Representative

When a representative designated by a client requests the client's record, the request must be accompanied by a written release signed by the client. The representative may be an attorney, legal guardian or lay representative. The written release must include the following:

1. The identity of the person(s) or organization(s) to whom disclosure is to be made;
2. An identification of the record, or portion thereof, to be disclosed; and
3. A statement of when the authorization for disclosure expires.

13790. Disclosure for Program and Other Purposes

1. For purposes directly related to the administration of department programs, information shall be disclosed between offices of the department, unless prohibited by 45 CFR 205.50 or other law.
2. For purposes directly connected with the administration of department programs, information may be disclosed by the department to outside agencies, unless disclosure is prohibited by law. Agencies or individuals receiving such information are subject to the same standards of disclosure as are required of the department.
3. To the extent not otherwise prohibited or authorized by law, inquiries from agencies outside the department will be honored only if written and only if the client's authorization is included in the request. WAC 388-01-070

13795. Exchanging Confidential Information

13796. Background

1. Two new forms have been developed to allow the sharing of confidential client information within and outside DSHS: the "Consent" to exchange confidential information (DSHS 14-012 Rev. 2/2003) and the "Authorization" to disclose records (DSHS 17-063 Rev. 2/2003). Children's Administration (CA) will use these forms and not require any additional forms.
2. These forms meet the legal requirements applying to use of confidential client information for all agency programs.

13797. Purpose

1. These forms were developed to meet the various federal and state statutory and regulatory requirements on a Department-wide basis, as confirmed by the review of program Assistant Attorney Generals (AAG).

2. The two forms provide uniformity and are valid Department-wide. CA will use the forms in place of any existing forms. Staff are to accept these forms as valid and not ask a client to complete a different DSHS form if one of these two has been properly executed.
 1. The Consent Form 14-012 allows programs to share information about mutual clients to coordinate service delivery.
 2. The Authorization Form 17-063 permits DSHS to release client records and information to a third party, including an attorney, legislator, or relative.

13798. Procedure

1. All staff shall make the conversion and begin using these forms as they are the best available to meet current confidentiality restrictions across DSHS.
2. Both are available electronically by scrolling down to and clicking on the form numbers at [Electronic DSHS Forms](#).

137110. Practice Considerations

1. The social worker provides, subject to the constraints outlined above, a copy of all case file information, relevant to a court proceeding, to a child's parent(s), guardian, legal custodian, or legal counsel. Information which the department reasonably expects to introduce to support the petition is considered relevant. The social worker will provide a copy, free of charge, within 20 days of a written request or prior to the Shelter Care Hearing, whichever is sooner.
2. Clients with proper identification have the right to look at their records if they request to do so. They also may challenge the accuracy, completeness, or relevance of statements. Sources of CPS complaints remain anonymous, and their names must be purged from the record prior to the client's review.
3. The social worker offers language interpreter services to clients who are unable to read the case record information.
4. All material presented at a dispute hearing is open to examination of the client and his/her representatives, even though such material would ordinarily be considered confidential.
5. Staff subpoenaed to appear in court shall not take the social service record unless it is also subpoenaed, at which point the social worker consults with the assigned Assistant Attorney General.
6. No individual shall make available outside the department a partial or complete list of service recipient names or address. Social Service Payment System (SSPS) reports containing client identifiers are confidential.
7. For adoption records, after the petition for adoption is filed, information, except medical reports, in the child's record may be released only by written order of a Superior Court.
8. With respect to the service records of children and youth who are under the jurisdiction of the court, the requirements outlined in the Case Services Policy Manual, Chapter 2000, section 2150, are to be followed. RCW 13.50.100

9. If a juvenile, his/her parents, or their attorney makes a written request asking the department about the existence and content of custody, or care records, the Area Manager completes the following steps.
 1. Makes written response to the inquiry within 10 working days after its receipt. The department provides to the juvenile, the parents, or attorney making the inquiry information regarding the location, nature, and content of any records in the department's possession. A juvenile, the parents, or the attorney, wishing to challenge the information contained in the department records, must notify the department in writing, providing:
 1. The name of the juvenile.
 2. A statement of those portions of the record alleged to be inaccurate.
 3. If retention of the record is being challenged, a statement as to why the record should be destroyed.
 2. Reviews the notification of challenge and responds in writing within 30 calendar days. The response will indicate the corrections which have been or will be made or shall state the basis for denial of any requested corrections. If appropriate, the response will also include a statement indicating whether the records have been destroyed or transferred to another juvenile justice or child care agency.
 3. Notifies the juvenile, the parents, or their attorney that, if they dispute the department's response, they may seek an administrative review of the decision as provided in the Administrative Procedure Act.
10. CA staff removing records to an alternative work site must maintain security and confidentiality of information contained in records. To maintain security and confidentiality, information contained in CAMIS will be printed only at department work sites.

137111. Client Records

1. The following records are disclosable only to the client (the child's parent or legal designee, child or custodian-parent of a child under 18, legal representative of a child).
 1. The CPS record, except that the name and other identifiers of the referrer of alleged CA/N may be removed prior to disclosure.
 2. CWS or FRS records.
 3. Juvenile court records or juvenile court documents contained in DCFS files. RCW 13.50.100
2. When a non-custodial parent requests information from a child or family record, the public disclosure coordinator consults with the Assistant Attorney General (AAG) prior to releasing the information to determine criteria for release.
3. The information in paragraph A above may be shared with other public agencies subject to the same rules of confidentiality as CA. For example, information from a CPS or CWS record may be provided to a contractor who is providing counseling or evaluation of a child/ family or shared with Child Protection Teams (CPT) or Local Indian Child Welfare Advisory Committees (LICWAC).

137112. Licensing Files

1. Unless non-disclosure of particular information is required or authorized by law, licensing record information must be disclosed upon request. Most information contained in licensing records is disclosable. However, licensing records frequently contain information that is confidential or exempt from disclosure requirements.
2. The public disclosure coordinator or other designated staff will review requested licensing records and identify non-disclosable information in accordance with these guidelines. Staff will redact (remove) non-disclosable information from the record. The public disclosure coordinator will make remaining disclosable information available to the requester for inspection and copying or provide a copy to the requester.
3. Whenever disclosure of information is denied, the public disclosure coordinator will provide a written explanation to the requester, identifying the information for which disclosure is denied and the specific statutory basis for the denial.
4. Personal Information in Licensing Files-The release of personal and private information is a sensitive issue, and decisions about releasing too much or too little information are difficult. When a question regarding the release of personal and private information arises, the coordinator needs to consult with the assigned AAG.
5. Personal and Private Information-The following table provides examples of personal and private information that CA has released and examples of such information that the agency has declined to release.

Information Released	Information Not Released
Generalized answers about the applicant's background	Fact that a foster mother had been raped and received extensive counseling
Experiences with raising children	Sexual orientation of applicant when of no concern to public
Description of foster parent relationships, marital relationships, individual strengths, etc.	Historical family background, such as applicant's parents' marital relationship, family conflict issues, etc.
Statements regarding desire to become licensed providers	Reports of abuse applicants suffered in the past
Description of physical home of applicant, medical and other services they utilize for children in their care	Criminal conviction of applicant's parents or children unless it directly relates to the application
Autobiographical information that does not seem private or offensive	Medical conditions of applicants or their family, such as a child with Down's Syndrome
Statements regarding licensees' willingness to work with parents and agency staff	

6. Notice of Disclosure

1. The public disclosure coordinator provides notice of disclosure to individuals whose licensing files are being released prior to release of the file.
2. The coordinator also provides notice to those named in the file who will be significantly impacted by release of the information.
3. If a question arises regarding the need to notify an individual, the coordinator consults with the assigned AAG.

137113. Disclosure of Police Reports

1. When a request is received for a copy of a police report, the public disclosure coordinator needs to notify the police agency that CA has received a request for a copy of one of their reports in the agency file.
 1. The police agency must provide specific legal citations, within time-frames that will enable CA to meet legal deadlines for disclosure of information, if it wants CA to withhold the information.
 2. If disclosure of the information would interfere with an ongoing investigation or legal action (on the part of a prosecutor), CA can withhold the information when it receives such notice from the police or prosecutor in writing.
 3. Information may be releasable once the investigation is completed.

137114. Information Subject to Challenge

1. The social worker is to make reasonable efforts to review information about CA/N that is reported to DCFS and investigative findings which are challenged by parents or other parties to a case. The social worker:
 1. Pursues new information or leads which might resolve the conflict.
 2. Interviews additional persons identified as having relevant and direct knowledge about an incident.
2. A parent or other party to a case may provide a written statement about contested information. The social worker files the written statement in the record in a proximate location to the contested information.

137115. Removal of Information

1. The supervisor may expunge information from a case record when the following apply:
 1. The information has been found to be untrue in a juvenile court proceeding on the matter; OR
 2. The Area Manager and the supervisor agree that sufficient information exists to show the case record to be inaccurate; AND
 3. There is a written request for expungement from the party who is the subject of the erroneous statement.
2. The supervisor documents the reasons for removal in the record.

3. The supervisor destroys, discards, or deletes removed information from an existing report or document.

13800. CASE TRANSFER, CLOSURE, AND PREPARATION FOR ARCHIVING RECORDS

13810. Active Cases

An active case, in FamLink, is one in which the division is providing services to the family and/or child. Active cases have a social worker assignment coded to match the definitions for Service Codes contained in this chapter. All required work on a case must be completed prior to case closure.

13820. Case Numbers

Case numbers are automatically generated by FamLink during the intake process when a new case is created.

13830. Case Records for Legally Free Children

1. When any child becomes Legally Free, the child will receive a new case number, generated by FamLink.
2. The social worker will deactivate the legally free child's case from the original family case.
3. The assigned worker uses the child's legally free case to document all case notes and services provided.
4. The worker must not establish a case-to-case relationship between the original family case and the new legally free case.
5. The worker must not delete the child's pre-adoptive closed case relationship from the child's original family case file.
6. The worker stores all paper documents received or created after the child becomes legally free in a binder using the new case number.
 1. The following documents from the original family case record must be placed in the legally free child's record (copies of the documents shall remain in the original family binder) (Refer to Operations manual 13410 case file make up):
 1. Section I - Case Activity includes:
 1. Comprehensive Family Evaluation

9. Section XI - Audio Recording of CPS Child Interviews
2. The worker will update the address of the child to the local DCFS office with responsibility for the child's case. See section 15306.
3. The adoption worker creates the adoption case by selecting the Adoption Finalization hyperlink located on the option page of the legally free case. The worker creates the new person record using the child's new name.
4. The adoption support worker establishes a new person-to-person relationship in the adoption case and adds the adoptive parents as participants in the case relationship section of the adoptive family's case.
5. The legally free case is closed and "restricted" upon entering the dependency dismissal.
6. If the adoptive family continues to receive services or later returns for services, the worker creates a new case under the adoptive family name. The new case includes any adopted children.

13840. Case Transfers Between Local Offices

DCFS Regional Administrators, DLR Administrator, and the DLR Program Manager shall establish procedures for the transfer of case files.

13841. Case Transfers Between Regions

1. Social Service Files- transfer of active social service cases between regions, the Regional Administrator will establish procedures consistent with the following minimum requirements:
 1. Before the transfer is made, the transferring social worker reviews the service record for completeness. All documentation and recording must be current.
 2. The transfer must be made within seven working days after receipt of the request with a notation in the record as to any additional material to be forwarded and the specific date it will be forwarded.
 1. The receiving supervisor must agree to the transfer before the case is transferred; or
 2. The responsible Area Managers(s) must agree to the transfer in advance of the transfer.
 3. If the department purchases a service for the client being transferred and the provider or payee does not change, the transferring worker does not terminate payment on the Change of Service Authorization, DSHS 14-159. Within 15 days, the receiving worker submits a DSHS 14-159 form to change the worker ID and case number and update location and other information that has changed.
 4. If the provider or payee changes, the transferring social worker terminates payment on the Change of Service Authorization prior to the transfer to the new office. The receiving worker submits a new authorization to update services upon receipt of the record.
 5. If the client receives no purchased services, the sending social worker terminates any open service authorizations using the Change of Service Authorization.
2. Adoption Files-Because the agency file on a child is needed to facilitate an adoption and the adoption worker needs to complete paperwork, CA staff will adhere to the following procedures for transfer of adoptive case files for legally free children who are placed from one CA area to another:
 1. The child's case file is transferred to the DCFS office/unit where the adoptive family is served. See paragraph h below if the adoptive family is supervised by a private agency. The case number will remain the same as the sending office's case number. Minimum documentation requirements to be included in the file before transfer are:
 1. A certified copy of the order terminating parental rights (or documentation that it has been requested and will be forwarded upon receipt);
 2. Complete documentation as to reasonable efforts to obtain information about the child and family medical and social background;
 3. The DSHS 13-041, signed by the child's social worker and the adoptive parent(s); and
 4. Completed narrative recording.

2. A working file is maintained in the sending office for incidental documents; e.g., copies of the report to the court. Local procedures determine whether the child's worker or the local adoption unit maintains the working file.
3. The adoption worker prepares the report to the court and the health and education form and sends them to the sending office worker for distribution to the parties and presentation at pre-adoption dependency review hearings.
4. The pre-adoption dependency reviews continue to be held in the juvenile court of original jurisdiction. Local procedures determine whether the child's CFWS worker or an adoption worker files and presents reports to the court pending finalization.
5. When the adoptive family finalizes in Superior Court in the county of residence, a copy of the decree is sent to the sending office for presentation to the juvenile court along with a motion to dismiss and close the dependency case.
6. The dismissal is sent to the adoption worker.
7. Should the placement disrupt prior to finalization, the child and the case file are returned to the sending office for continued placement planning.
8. If the child is placed in a private agency adoptive home, the child's worker sends a case summary and copies of legal and pertinent medical documents to the private agency. The DCFS file will be maintained in the local office until finalization.
3. Federal Revenue File-Upon request for an inter-regional or inter-office transfer of a child's social service record through Master File or by a social service unit supervisor or worker, designated staff checks FamLink for the existence of a Federal Revenue file.
 1. Master File transfer clerk or other designated staff checks CASEUP3 FamLink for the presence and status of the Financial Revenue record.
 2. Master File notifies the assigned Federal Funding Specialist (FFS) and Supplemental Security Income Facilitator (SSIF) that a case transfer has been requested, and the FFS or SSIF makes the Federal Revenue file available within three working days for transfer.
 3. The FFS prepares the active/open Federal Revenue file for transfer and affixes the Transfer Notice, DSHS 01-194, to the Federal Revenue file designating the local or regional office to which the file is to be sent.
 4. Once Master Files receives both the social service and the Federal Revenue files, the two case jackets are forwarded to the requesting DCFS office/region.
 5. The Master File clerk or other designee notes in CASEUP3 the transfer status of both the social and federal revenue files.
4. Family Home Licensing Files-For transfer of active family home license files between offices or regions, the DLR Regional Manager will establish procedures consistent with the following minimum requirements:
 1. When a family with a valid, active child care license moves from one address to another and wishes to remain licensed, the licensee must submit a new application for child care license for the category of care being provided reflecting the changed circumstances and new address to the appropriate DLR licenser.
 2. The licenser or other designated staff must create a new FamLink license record for the application at the new address.

3. For licensed foster family homes having an acceptable history of child care, the old license may remain in effect for two weeks after a move, except that this applies only if the family remains intact.
4. If the family applies for a new license in the new locale, the licenser or support staff in that office will contact the licenser in the former locale and request transfer of the licensing file.
5. Before the transfer is made, the transferring licenser reviews the license record for completeness. All documentation and recording must be current before transfer.
6. The transfer must be made within seven working days after receipt of the request with a notation in the record as to any additional material to be forwarded and the specified date it will be forwarded. The receiving Regional Manager or supervisor must agree to the transfer before the case is transferred.

13842. Placement Out of Area - Record Maintenance

For requirements for courtesy supervision when a child is placed from one CA service area to another, see the CA [Practices and Procedures Guide, chapter 4000, section 4430](#).

13850. Case Closure/Preparation for Archiving

1. All requests received from subjects of Children's Administration (CA) files by CA for destruction of electronic and hard copy records will be destroyed in accordance with CA's approved record retention schedule.
2. This does not apply to records that have already been placed in archives for local office and record retention center archiving and destruction periods.

13851. Records of Legally Free/Adopted Children

1. RCW 26.33.330 and 26.33.340 provide for the sealing of all adoption files and for the limited release of information from those files. Archiving ensures a permanent record of the child's past involvement with the agency. RCW 26.33.343 provides procedures for accessing of adoption records.
2. Records of all legally free children are to be archived upon the child's adoption even if a private agency completed the adoption and has a duplicate file; the department's case record is to be archived or upon closure of a case after the child turns 18 years of age. Prior to any case being sent to adoption archives, the child's social file is consolidated with the Federal Revenue File (Siblings are not to be archived together.) The social

worker will complete the archiving of the child's file within 90 days of the dismissal of the dependency.

3. When the adoption is final and all court orders, including the Order Dismissing Dependency, have been received by the child's social worker, the social worker prepares the social file for archiving and sends the file to the regional or local Federal Funding IV-E Unit.
4. The Federal Funding Specialist and/or Social Security Insurance Fiduciary will review any Title IV-E, Title XIX, or SSI documentation and will consolidate it with the child's social service file. The combined files will be returned to the child's social worker within 30 days of receipt. The financial and service files are not archived while a SSI application is pending. The social worker or other assigned staff updates and closes FamLink legal, placement, adoption and case modules.
5. The social worker or support staff, as applicable, prepares the file in the following sequential order:
 1. Cover memo listing the child's birth name, date of birth, adoptive name, adoptive parent's name/s, date of adoption decree, Superior Court where the adoption was finalized, the social worker's name, and the local office sending the file.
 2. Copy of final decree of adoption (need not be certified).
 3. Copy of the Dismissal of dependency
 4. Child's Medical and Family Background Report is signed by the adoption facilitator and by the adoptive parent(s) including initials where appropriate. Assigned staff must attach all other documents given to the adoptive parents with the DSHS 13-041. (Copies of these documents need not be included elsewhere in the archived file.) See the CA Practices and Procedures Guide, chapter 4000, section 45403, for requirements for disclosure of health and social information on the child and the child's birth parents to the adoptive parents.
 5. Each volume of the social file shall be removed from the binder, have a rubber band placed around it and labeled with the volume number. Dividers should be removed from the sections (There is no need to separate the sections). Each volume should contain all sections of the child's file including:
 1. Narrative recording section.
 2. Indian Child Welfare forms, including LICWAC staffing reports, verification of Native American status, Family Ancestry Chart, notices to Tribes or Canadian Bands, and other related documents.
 3. Legal/placement document section, including court orders, reports to the court, Pre-placement and Post-Placement Reports, Voluntary Placement Agreements, custody orders, Adoption Planning Review Reports, Administrative Review Reports, Permanency Planning staffing forms, relative home studies, and related documents.
 4. Medical, psychological, psychiatric, developmental, and school reports on the child as well as psychiatric, psychological, and medical information on the birth parent(s) if in the child's file; documents pertaining to the parents' and/or child's functioning.
 5. Copies or documentation of any disability benefits applied for or received on behalf of the child.

6. Adoption documents, including a copy of the child's life book, WARE and NWAE registration forms, if applicable.
 7. Copies of the financial section of the file are maintained in the file until the Federal Revenue file is reviewed and archived.

 9. Statement from Trust Funds Accounting regarding final dispersal of any conserved funds.
 10. A copy of the child's Social Security card and birth certificate.
 11. A copy of the Adoption Support program application, if applicable.
6. If it comes to the attention of the IV-E Unit that a child in out-of-home care has been adopted, the assigned Federal Funding Specialist communicates to the worker's supervisor requesting that the file be prepared for archiving and forwarded to the IV-E Unit.
 7. When the IV-E Unit receives the prepared file from the social worker or assigned staff person the FFS includes as one section those parts of the IV-E file that are to be archived.
 8. The FFS checks the FamLink files to ensure the legal, placement, adoption, and case modules have been closed and that SSPS authorizations, other than for the Adoption Support Program, have been terminated. If these modules have not been closed, the case will be returned to the adoption worker to complete the FamLink documentation. The FFS checks to ensure federal funding information is correct. The child's record with the birth name is closed and secured by the Federal Funding Specialist.
 9. The FFS maintains the closure copies of payment (SSPS and A-19s, if any) forms, defined as those with a termination code, to provide a record of payments made on behalf of the child, making sure that all documents from the Federal Revenue file have been incorporated with other payment forms.
 10. For legally free children who have not been adopted, case records are archived as outlined above after the child's 18th birthday and following case closure.

1. For all updates to existing or requests for new applications to the SACWIS system, CA staff will submit a work request using the [CATS Work Request Form](#). The process is as defined below.

#	Process or Decision	Lead	Person(s)	Description
1	Identify Need	CA	Originator	<p>Anyone may identify a business need. An originator is the person who identifies a business need.</p> <p>Unmet business needs are often associated with system enhancements, policy changes, or technology opportunities.</p> <p>The originator determines whether to document the need. If yes, they describe the need using a CATS Work Request Form.</p>
2	Describe Need	CA	Originator	<p>The originator works with the appropriate regional and headquarters staff to describe the business need in detail. The description includes a summary of the need; relevant policy references; current and recommended future processes; and, summary of the users impacted by the recommended change.</p> <p>The description must include the impact of not addressing the business need and alternatives, including non automated solutions, considered.</p> <p>Once the description is complete, the originator forwards the WR form to an approved sponsor from their CA Region or Division.</p>
3	Review & Prioritize Need	CA	Sponsor	<p>A sponsor reviews the WR to determine whether to sponsor the request.</p> <p>A sponsor is a pre-identified CA Regional or Division leader who reviews and advocates a WR throughout the process.</p> <p>Field office staffs' sponsors are either their Regional Administrator (RA) or Deputy RA. Headquarters staffs' sponsors are either their Division Director or a designated Office Chief. See the CATS WR Process FAQs for a current list of sponsors.</p> <p>If the Regional or Division of leader chooses to sponsor the request, they must indicate whether the change is Mandatory, i.e. is required by current CA policy, and the Priority of the change, i.e. high, medium, or low.</p>
D1	Regional Sponsor?	CA	Sponsor	<p>If the WR originated from the field, it is forwarded to the Director of Field Operations</p>

				for consideration at the monthly Field Operations meeting.
4	Field Operations Review	VA	Regional Administrators	The purpose of this step is to ensure that all of the RAs are aware of the pending WR and that the business need is shared across the state as opposed to just within the Region in which the need originated.
D2	Submit WR To Change Coordinator?	CA	Sponsor or Regional Administrators	The sponsor or RAs may ask the originator for additional details, close the request, or forward the request to the CATS WR Coordinator.
D3	WR Complete?	CATS	CATS Change Coordinator	The CATS WR Coordinator reviews the WR form and verifies that Part I, Originator Information; Part II, Business Need; and, Part III, Sponsor Information are complete. If the form is complete, the WR Coordinator assigns the change request to a CATS business analyst to complete a Scope Document. If the form is not complete, the WR Coordinator assigns a CATS business analyst to work with the originator and sponsor to complete the form.
4	Describe Scope	CATS	CATS Business Analyst	A CATS business analyst works with the appropriate regional and headquarters staff to complete a Scope Document. The Scope Document describes the recommended solution to meet the business need and includes a DRAFT Estimate to design, build, test, and implement the recommended solution. Once a Scope Document has WR completed, the business analyst works with the Change Coordinator to schedule a WR Board review of the WR and Scope Document.
5	CCB Reviews WR & Scope Document	CA & CATS	CCB	The CATS WR Board (WRB) is made up of selected regional and headquarters senior managers. These WRB determines whether to approve, defer, or deny WRs. In addition, they set WR priorities. The WRB meets frequently during certain periods, e.g. the design phase of the CAMIS Replacement project.

D4	Approve, Not Approve or Defer Scope	CA & CATS	CCB	After reviewing a WR and the associated Scope Document, the WRB determines whether to approve, defer, or deny the WR.
6	Complete Design	CATS	CATS Business Analyst	Once a WR has been approved, a CATS business analyst completes a Design Document. A Design Document includes a description of the solution that will be implemented to meet the business need. The description of the solution may be documented in a Use Case or other design document and include screen shots and a summary of the steps, decisions, and business rules required to implement the solution. Designs must be reviewed by the originator, sponsor, and other appropriate headquarters and regional prior to completion.
7	Perform Implementation LOE Estimate	CATS	CATS Business Analyst	Once a Design Document is complete, the business analyst will work with CATS managers to complete a FINAL Estimate to build, test, and implement the recommended solution.
D5	Validate Design & Review Implementation Estimate	CA & CATS	CCB	The WRB validates the completed design and reviews the FINAL Estimate to construct and implement the recommended solution.
8	Execute Development Life Cycle	CATS	CATS Business and Programmer Analysts	Once validated, CATS implements the solution described in the Design Document.

15202. User Access (6/15/2006)

152021. Purpose

1. The purpose is to establish who has access to CAMIS.

152022. Standard

1. In accordance with DSHS Information Technology Security policy manual Chapter 4, Chapter 12 and Admin Policy No. 05.01, No. 15.10, the only persons having authorized access to CAMIS are Children's Administration staff, Case Aides, Interns (given access by their Regional Administrator), Director, Office Chief, internal or external auditors (for

limited audit purposes), and those persons, on an individual basis, whose access has been approved by the Office of Information Services Manager. Access to CAMIS shall be given on a need-to-know basis.

2. Other persons requesting CAMIS access may receive authorization only after their request is reviewed by the applicable Regional Administrator, Director, or Office Chief and approved by the Office of Information Services Manager.

152023. Procedure

1. All persons who have access, pre-approved or granted by exception, shall receive basic CAMIS training and training in the specific applications they will use prior to their use of the system. Additionally they shall acknowledge in writing that they understand the department's requirement for protecting certain information, understand the penalties and sanctions associated with unauthorized information disclosure, and have read and understand applicable department policies and procedures governing information security.
2. Requests to give persons access shall be submitted to ISSD Data Security and shall include person or persons desiring access, agency for whom they work, which modules are being requested, and reason for needing access, time-frame for which access is requested, systems to which access is requested (LAN, WAN, CAMIS, etc.), and cost associated with their access and agreement on who pays those costs.
3. Requests may be submitted using the IBM Mainframe Security Access Form, or in memorandum format.
4. ISSD Data Security shall review the request with the CAMIS office and have authority to approve the request.

15203. Storage of Confidential or Mission Critical Data (6/15/2006)

152031. Purpose

1. In accordance with DSHS Information Technology Security policy manual Chapter 3 and Admin Policy No. 05.01, No. 15.10, to provide a policy for Children's Administration regarding the storage of confidential and mission critical data so that proper back-up may be made.
2. B. Confidential information includes all personal information (e.g., name, birth date, SSN, etc.) and case data (e.g., case number, type, allegations, etc.) relating to CA clients.

152032. Applicability (This policy applies to all CA employees.)

152033. Standard

1. Due to the critical and confidential nature of the data used by Children's Administration, it is necessary that all data files that contain confidential information or are mission critical in nature be stored on the network file server and not on local hard drives. This would include all information that might need to be accessed by a co-worker or supervisor in a staff person's absence.
2. Each file server within an office will be set up with a directory structure that users may access for the storage of these files.
3. A back-up shall be made regularly, using suitable back-up media, of the information on the network file server, and these files will be part of this back-up. The regional System Support Specialist will be responsible to ensure that a back-up of the file server is done at least on a daily basis.
4. Access to directories and files will only be granted when required to perform job related functions.

152034. Procedure

1. The file server directory structure for users to store their files will be set up by the regional System Support Specialist. The regional System Support Specialist will publish the necessary information needed for staff to be able to access and use the directory structure for this data, and insure data security is applied to file directory structure.

15204. Teleworking (6/16/06)

152041. Purpose

1. To provide a standard for CA regarding the use of state-owned computer hardware and software in a teleworking scenario.

152042. Applicability (This policy applies to anyone who uses CA equipment.)

152043. Standard

1. In accordance with [DSHS Admin Policy No. 18.80](#), CA employees may use state-owned equipment for teleworking with the prior approval of the DCFS Regional Administrators, DLR Regional Managers, Division Directors, or Office Chiefs, as applicable.
2. As always, State owned equipment must only be used for CA business.

152044. Procedure

1. CA offices must establish procedures that include:
 1. If the equipment is to be used consistently at the employee's home more than two weeks, documentation to justify why the employee needs to have this equipment at home.
 2. A sign in/sign out sheet that includes a description of the item, state tag number, and a product serial number.
 3. A check in procedure, when the equipment is returned, which includes checking the hardware and software for computer viruses that may have been introduced while the equipment was outside the office.
 4. Employees must follow standard security procedures while the equipment is in their possession; e.g., locking doors, locating equipment away from windows, and securing the terminal while unattended. Confidential data may not be retained at an employee's home or shared with family members or other visitors to the home.

15205. Use of Electronic Messaging Systems and the Internet (06/15/06)

152051. Purpose

1. The purpose is to provide a policy for CA regarding the use of the Internet for state business purposes.

152052. Applicability

1. This standard applies to anyone using CA state resources for Internet access while working in or away from CA offices.

152053. Standard

Electronic Messaging and the Internet shall be used in accordance with DSHS [Admin Policy No. 15.15](#).

15206. Creating/Changing Log-in Id's For Users (6/15/2006)

152061. Purpose

1. In accordance with DSHS Information Technology Security policy manual Chapter 4 and Admin Policy No. 05.01 and No. 15.10, this standard provides procedure for Children's Administration staff regarding the creation of system user ID's in the CAMIS system, on the DSHS Domain, and for electronic mail for better security for systems and a more timely approach for assigning security.

152062. Standard

1. Children's Administration will identify individuals who are authorized to create and delete user ID's for the various computer systems used within the administration. These systems are currently the Case and Management Information System (FamLink), the DSHS domain, and the Exchange electronic mail system. A user ID needs to be created in each of these systems in order for each user to access the information needed to perform his or her job functions.
2. Security rights that allow a user to create system ID's shall be limited to a small number of staff.

152063. Procedure

1. Children's Administration staff shall use the form IBM Mainframe Security Access Form for Children's Administration to identify and authorize needed security. The individual(s) creating system user ID's need to have this information two weeks before a new employee begins work in order to have security in place before the employee's first day on the job.
2. This form must be included in entrance and exit interviews, filled out by the Human Resource Consultant Assistant (HRCA) or the supervisor of the new employee, and emailed to ISSD Data Security one week prior to the employee's first day and no more than one week after their last day of employment.
 1. Creating a user new to the Administration
 1. At least two weeks before the employee's first day, a user ID needs to be created within the CAMIS system. This ID will be generated from ISSD Data Security. This will generate the seven character alphanumeric log-in ID that will be used with the other systems. The job classification/title and office information for the user is to be entered at the time this ID is created.
 2. If the user is hired into a new position, using the ID generated in CAMIS, a new user profile will need to be created in the DSHS Domain by a [Children's Administration Service Desk](#) person and a user directory created. Within this profile, the local ITSS will add the groups needed for them to access necessary information and printing capabilities. This will

give the user access to the Local Area Networks (LAN) and the mainframe where CAMIS resides.

3. If the user is in an existing position that has been vacated, any files not relating to this position should be removed from the file server by the region's or headquarters' ITSS or exiting employee's supervisor. Any files that are related to the position should be transferred to the new employee by the region's or headquarters or exiting employee's supervisor. Also using the ID generated in CAMIS, a new user ID will need to be created in the Exchange e-mail system by the [Children's Administration Service Desk](#).
 4. If the user has another ID created by another agency, that ID must be used only if that ID is available in the CAMIS system.
 5. e. If the user needs security for specific CAMIS applications, the supervisor submits via memo the request for security training to the [Children's Administration Service Desk](#).
2. Moving a User Within the Administration From One Position to Another
 1. Since the user should already have a CAMIS user ID and NT domain ID, Children's Administration Headquarters Help Desk staff needs to update the CAMIS and NT ID's by changing the office information. The NT ID information will be updated by the local/regional ITSS.
 2. An e-mail ID may need to be created if the user is moving to an office with a different e-mail domain.
 3. Deleting a User From the Respective Systems
 1. CAMIS -- When a user leaves Children's Administration, the HRCA notifies the Children's Administration Help Desk and the local/regional ITSS within one week of the employee's departure.
 2. The [Children's Administration Service Desk](#) will update the CAMIS account information by putting a date in the Inactive Data field. This will trigger the events to remove access security and ensure the security integrity of the CAMIS system.
 3. The local/regional ITSS will transfer any mission critical files from the existing employee to the employee's supervisor (if necessary) and then delete the user's profile from the e-mail system and file server.
 4. If the person is remaining with the administration, the employee's CAMIS ID remains active.
 5. DSHS Domain -- When a user is leaving Children's Administration permanently, the DSHS domain ID is to be deleted. If the user is leaving the administration temporarily, the DSHS domain ID is to be disabled until the user returns.
 6. E-mail -- The Exchange administrator also deletes the e-mail ID at this time.
 7. Other Systems - When a user no longer needs access to other Information Services, the HRCA or supervisor notifies the [Children's Administration Service Desk](#), who will remove the user's access to those systems.

15207. Patch Notification Response Procedures (PNRP)

152071. Purpose

1. The purpose of this document is to outline the necessary resources, steps and methodology needed to successfully classify and respond to virus definition file updates and software patch upgrade notifications from vendors.

152072. Applicability

1. The standard applies to all automation systems supported by the Children's Administration Technical Services (CATS) Division and all CATS Staff.

152073. Definitions

1. Patch: A temporary addition to a piece of code, usually as a quick-and-dirty remedy to an existing bug or misfeature.
2. Network: Refers to all automation resources maintained by the Division and includes hardware, software and infrastructure.
3. Patch Tracking Log: Electronic log used to track all actions taken in response to a Patch notification.
4. Virus Definition File: An electronic file that includes the information necessary for Antivirus Software to detect and repair viruses.

152074. Resources Requirements

1. CA Patch Notification Distribution List
2. Patch Tracking Log

152075. Procedures for Patch Application

1. Upon receipt of notification of a Patch, the Technical Support Services Manager or designee and Senior Technical Analyst must determine the level of impact on the CA

Network. There are 3 Impact Levels it can fall under; No Impact, Minor Impact, Critical Impact.

1. No Impact means our systems are not vulnerable or fit the scope of the patch (i.e. we do not use that software or function) and it cannot be exploited on our network.
 2. Minor Impact means we may fit the scope but the patch does not fix vulnerability, or the fix is for non-critical functionality improvements (i.e. enhancements to software).
 3. Critical Impact means we fit the scope of the patch and not applying it could result in a negative impact on our network and systems resulting in loss of productivity.
2. Upon determination of impact level, the Technical Support Services Manager or designee and Senior Technical Analyst will take the following actions. All actions must be entered into the Patch Tracking Log.
 1. No Impact. If the patch falls in this category, make notation in Patch Tracking Log and communicate info to CA Patch Notification Distribution List.
 2. Minor Impact. If the patch falls in this category, communicate that info to the CA Patch Notification Distribution List and add it to the regular Maintenance Rollup Package.
 3. Critical Impact. If the patch falls in this category, the Senior Technical Analyst or designee will communicate that info to the CA Patch Notification Distribution List and invoke the Expedited Patch Application Plan (EPAP).

152076. Procedures for Virus Definition File Application

1. The McAfee Anti-Virus system employed by Children's Administration is the standard indicated by the DSHS Information System Services Division. All protected hardware is configured to automatically check for virus signature updates every day. In the event a vulnerability solution is identified that requires a new virus update, the Senior Technical Analyst will initiate a manual Virus Definition File update within 1 hour of reviewing the notification. The Senior Technical Analyst will send a notification to the CA Patch Notification Distribution List after the updated has been initiated.

15208. Expedited Patch Application Procedure (EPAP)

152081. Purpose

1. The purpose of this document is to outline the procedures needed to expedite the installation of patches that are critical in nature on a network-wide basis.

152082. Applicability

1. The standard applies to all automation systems supported by the Children's Administration Technical Services (CATS) Division and all CATS staff.

152083. Definitions

1. Patch - A temporary addition to a piece of code, usually as a quick-and-dirty remedy to an existing bug or misfeature.
2. Patch Tracking Log - Electronic log used to track all actions taken in response to a Patch notification.
3. N - Time when Technical Support Services Manager determines that the update/patch identified in the Notification could have a critical impact.
4. Isolated Environment - A network of computers that is not physically connected to the production network.
5. Remote Tools - Any utility or software program that allows administration of a resource from other than its own counsel. (i.e. SMS, Remote Desktop, etc.)

152084. Resource Requirements

1. Test lab environment or other spare machines to test patches.
2. Patch Tracking Log

152085. Procedures

1. N + 1 hr - The Technical Support Services Manager or designee will identify CATS staff to act as EPAP team and inform the rest of CATS staff that an EPAP team has been tasked for the subject patch.
2. N + 4 hrs - The EPAP team will download and begin testing the patch in a lab or other isolated environment to determine its relationship with our existing software while not compromising our existing production network.
3. N + 24 hrs - The EPAP team, after verifying stability of the patch within our existing systems, will test distribution of the patch via Remote Tools within the lab or other isolated environment.
4. N + 48 hrs - The EPAP team will distribute patch/update statewide via Remote Tools. The Technical Support Services Manager or designee will notify all users that a patch is being distributed and what impact, if any, it will have on their workstation.

15209. Network Emergency Response Procedures (NERP)

152091. Purpose

1. The purpose of this document is to outline the resources, steps and methodology necessary to successfully resolve a network-wide emergency.

152092. Scope

1. The standard applies to all automation systems supported by the Children's Administration Technical Services (CATS) Division and all CATS staff.

152093. Definitions

1. Event - an unplanned, non-specific issue that causes limited or a complete lack of computer and/or network functionality including viruses, natural disasters, fires, flooding, etc.
2. Remote Device - any laptop, notebook or tablet pc that can be removed from the network and used by Children's Administration staff
3. Shared Emergency Administrative (ESA) Account - an account created prior to an event and given full administrative privileges on every machine in the Children's Administration network.

152094. Resources Requirements

1. Complete CATS telephone, pager and personal number lists updated on a quarterly basis.
2. Standard communication device for CATS Staff that incorporates paging, cell phone and walkie-talkie or direct connect type capabilities not dependent on telephone land lines.
3. List of local office non-CATS, ISSD and DIS staff that could assist in an emergency.
4. SEA account.
5. Listing of remote computers and their users or custodians.

152095. Upgrade/Change Procedures

1. All communication during an Event will occur in the following manner:
 1. The communication "tree" will mimic the chain of command for both upward and downward communication.
 2. Communications will occur at regular intervals during the event or as needed. The intervals will be determined by the CATS Director, Technical Support Services Manager or designee at the time of the Event based on its severity.
2. If any CATS staff suspects we are under the influence of an Event, that person will immediately contact the Technical Support Services Manager or designee with a description of the event, its symptoms and possible solutions.

3. If an Event is verified by the Technical Support Services Manager or designee, all appropriate staff will be notified by any means available. An interim stop-gap solution will be provided with the communication to prevent further damage to the network or loss of productivity.
4. The Technical Support Services Manager or designee will identify a NERP team. The NERP team will develop, document and prepare a solution for distribution as soon as possible.
 1. Depending on the severity of the event and the solution necessary, the Technical Support Services Manager or designee may summon the assistance of Non-CATS office support staff (see attached NERP Contacts list).
 2. If necessary, the SEA Account could be implemented. Please see the Shared Emergency Administration (ESA) Account Implementation Plan.
5. CATS and/or Office Support group will proceed to apply the fixes to equipment according to the priority identified by each office or as directed by their immediate supervisors. In the event that a priority list is not available from the office, the default priority will be as follows:
 1. Intake
 2. Social Workers
 3. Clerical
 4. Supervisors
 5. Management
6. Once the response is underway, the Technical Support Services Manager or designee will provide the Regional Management with a summary of the event, the plan to repair damage and an estimated time of completion.
7. If the solution involves computer software upgrades, once the local network has been protected, each CATS staff member will need to contact their office's remote users to ensure that a re-infestation does not occur via remote, non-wired or "checkout" equipment. If CATS staff is unable to reach a user who has a "remote" device they will revoke network rights for that device until such time an authorized staff member can physically test the device and ensure its safety on the Children's Administration network.
8. Upon completion of the response, CATS Management should conduct a review to determine the cause of the Event and how to improve processes and procedures to prevent such an emergency and/or improve the response in the future.

15210. Shared Emergency Administration (SEA) Account Policy

152101. Purpose

1. The purpose of this document is to outline the administration of a Shared Emergency Administration (SEA) account. This account is to give Non-Technical Staff, office site assistants or other designated office workers full administrative privileges to Children's Administration desktop computers at the Local Administrative Level in response to an

Event that requires software, patches or other solutions be applied to each computer locally and can't be distributed electronically.

152102. Applicability

1. The standard applies to all automation systems supported by the Children's Administration Technical Services (CATS) Division and all CATS staff.

152103. Definitions

1. Local Administrative Level- refers to permission specific to one piece of equipment and not across the whole network and/or domain.
2. Event - Non-specific issue that causes limited or a complete lack of computer and/or network functionality.
3. Non-Technical Staff - Refers to a staff member in each office who has been identified as a resource for CATS to use as needed to resolve technical issues.
4. Remote Tools - Any utility or software program that allows administration of a resource from other than its own counsel. (i.e. SMS, Remote Desktop, etc.)

152104. Resource Requirements

1. Complete list of non-technical staff as designated by the local CATS staff
2. SEA account and password established and installed on equipment

152105. Procedures

1. Upon determining that the event is of a nature that requires assistance from non-technical staff, the Technical Support Services Manager, Area Technical Manager or a designated CATS staff member will distribute the SEA account login name and password (via fax or other method) through the local ITSS to the non-technical staff.
2. Once the event has been resolved, the Technical Support Services Manager or his designee will change the password for the SEA account via Remote Tools and/or manually on all affected CA equipment preventing in order to prevent its continued and unauthorized use. This new SEA account password will be shared only with the Technical Support Services Manager, Area Technical Managers and Senior Technical Analyst.

15211. CA Information System Disaster Recovery Procedures

15212. Securing Unattended Computer Terminals (06/16/06)

152121. Purpose

1. To ensure our adherence to DSHS Administrative Policy [05-01](#) and to provide a policy for CA regarding the securing of computer terminals that provides access to confidential and mission critical data.
2. Confidential information includes all personal information (e.g., name, birth date, SSN, etc.) and case data (e.g., case number, type, allegations, etc.) relating to CA clients.
3. This policy is necessary to ensure that the administration is in compliance with the Washington State Department of Social and Health Services (DSHS) Information Technology Security Policy Manual (ITSPM), Chapter 3, Classifying and Protecting Data and IT Resources.

152122. Applicability

1. This policy applies to all CA employees, whether working in CA offices, in private homes, or when connecting to the CA network remotely via wired or wireless access, whenever using electronic equipment to access client confidential information.

152123. Standard

1. Due to the critical and confidential nature of the data used by the Administration, it is necessary that all data files and information that are confidential or mission critical in nature are secure when staff leave their terminals unattended.
2. Employees must log off from CAMIS if they do not intend to use CAMIS for documentation or review of data for any period in excess of 90 minutes. CAMIS will automatically log off any user who has remained "idle" in the system for longer than 90 minutes. The automatic log off is necessary to assure data security, to allow active workers freedom to access the system, and to keep the system cost efficient. System users creating or updating CAMIS records, reviewing existing records, and/or performing searches in the system will not be involuntarily logged off if they perform any of these activities at least once every 90 minutes.
3. Employees who use computers that access the Local Area Network (LAN) must either log off or lock their workstations by using the built-in lock feature within the operating system when they leave their terminals unattended. Additionally, an auto-locking feature will be implemented on all CA computer equipment so that following ten (10) minutes of user inactivity the computer will automatically lock with a password.

4. For instructions on how to log off of the system or lock the computer with a password, staff should contact their local Systems Support Specialist or the CA Service Desk via email or telephone.
5. Computer terminals within CA will not be set up to automatically enter the user ID and password into either the LAN or CAMIS system via a macro or program.

15213. Network Equipment Relocation and Connections (3/1/95)

152131. Purpose

1. Pursuant to DSHS Administrative Policy [15-10](#) which deals with Information and Technology Security the following guidelines are provided to outline the handling of network related computer equipment within offices of CA to:
2. Assure networks continue to function properly.
3. Minimize the number of system problems caused by users moving equipment and disturbing networks.
4. Keep site documentation accurate.

152132. Applicability: To all CA Employees

152133. Standard

1. All computer equipment attached to a Local Area Network (LAN) or Wide Area Network (WAN) is part of that network. Only Children's Administration Technology Services (CATS) personnel may authorize a change to the configuration of those networks. To connect or disconnect any equipment from that network, including a PC, monitor, printer, copier (or other multi-function device i.e. network copier or scanner) or moving patch cables, is to alter the configuration of that network.
2. All LAN and WAN related equipment will be maintained and handled by the local Systems Support Specialist or the Regional Systems Support Supervisor. The equipment will be purchased, installed, and serviced only under the direction and coordination of the Regional Systems Support Supervisor or the Systems Support Manager. Non-technical field staff are not authorized to disconnect, reconfigure, or move LAN and WAN equipment except under the coordination and direction of the local Systems Support Specialist or the Regional Systems Support Supervisor.

152134. Procedure

1. In the event that an office within a region would like to relocate a piece of equipment (i.e., computer, printer, etc.) or change the configuration of the office LAN in some way, responsible staff are to contact their local Systems Support Specialist for approval and follow the procedures as outlined by their region.

15300. GENERAL SACWIS SYSTEM STANDARDS

15301. Updates to CAMIS Files (11/30/95)

153011. Purpose

1. To ensure that CAMIS files represent the work of the person who originally entered it or the designated supervisor.

153012. Applicability

1. Applies to all CA employees.

153013. Standards

1. All initial documentation in CAMIS shall remain a discrete representation of the information available at the time it was entered.

153014. Procedure

1. No textual information shall be completed or edited after five working days of initial input. CAMIS text shall be updated by the person who created it or by the designated supervisor. A designee shall indicate for whom he or she is inputting the text.
2. For licensing, case, referral, and facility complaint SERs, any new or corrected text information shall be documented in a separate, subsequent SER addendum.
3. For Risk Tags any changes to the risk tag shall be added below the original risk tag text. It shall be dated and the person making the addition shall sign by typing their name at the end.
4. Investigative assessment text corrections must be made 31 days after the assessment has been marked complete. Any changes needing to be made subsequently must be approved by an Area Administrator and the assessment lock security overridden by a person with designated security.

15302. Standards for Input of Names (4/14/94)

153021. Purpose

1. To provide a consistent standard for the entry of names in CAMIS for persons, businesses, contracts, licenses, and providers; to improve search procedures; and to improve data integrity.

153022. Standard

1. The following standards shall be used when entering names in the CAMIS system:
 1. No spaces are to be used in names; e.g., McDonald and MacDonald, not McDonald and Mac Donald.
 2. The only punctuation to be used will be the hyphen, "-"; as in Jones-Borland. Periods, commas, apostrophes, etc., will not be used.
 3. Use full names when known and nicknames or alternate spellings as aliases; e.g., Elizabeth G Johnson, AKA: Beth Johnson, Liz Johnson.
 4. The middle initial or name will be entered in the correct data field only. It will not be entered in the data field provided for the person's first name.
 5. Titles such as Jr., Sr., II, III, Dr, etc., will be entered in "Title" data field. The only exception is if a first name is not known at the time of intake. No "unknown" names will be entered for any reason, either first, last, or first and last. If there are allegations regarding an unidentified person or persons, any and all identifying information shall be entered in the allegation text; e.g., "presumed mother locked two female children, 5 to 8 years old, in the car and went into the bar. License # ABC123." If persons are later identified, complete information will be entered at that time.
 6. Contract Names: When contracts are created, the business ID and provider number will be created in the same format (last name space first name space initial or title with no punctuation). Facilities may be abbreviated identically for business and provider IDs. Once the business or provider number is pulled into the contract, it can be typed over to reflect the desired name format for the person/contract.
 7. Day Care and Foster Homes: The licensee will be created in the licensing module following the same format as the provider file (last name space first name/spouse or other name). Each facility will have a business ID created at the time the license application is entered into CAMIS if one does not already exist. The female's name, if any, will be listed first; spouse or other name will be listed second. At the time the facility is licensed, the licenser will request an SSPS provider number using the above naming format. The provider number will be related to the existing business. See examples below.

8. Day Care Centers with Multiple Sites: A license will be created for each site, each with a separate business ID. The business ID for each site will be related to the appropriate SSPS provider number.
9. Private Agency Foster Homes: Private agency foster homes will be entered using the same naming format as for all other persons, business, licenses, contracts, and SSPS numbers (last name space female first name/male first name). Private agency foster homes will have business ID, license, and SSPS number, all listed the same. The private agency foster home's address will be coded as the mailing address. Under alternate name/address, type in the name and address of the agency that licensed them.

15304. Service Episode Records

153041. Purpose

1. The purpose is to ensure consistency in the CAMIS system of documenting Service Episode Records (SERs) and to provide standards for the purpose of generating statistical reports of case contacts.

153042. Standard

1. All Service Episode Records (SERs) will be completed in CAMIS, by the CA staff member who was involved, for all case events/activities within a reasonable time following the occurrence of the event/activity, except for SERs relating to the blood-borne pathogens protection plan (see Operations Manual, chapter 5000, section 5700). CA staff will create typed or handwritten SERs to document activities related to a client's HIV/AIDS and will maintain the SER in:
 1. A sealed envelope in section VIII Other of the DCFS binder; or
 2. Section F of the DLR license folder.

153043. Procedures

1. CA staff must complete the SER (narrative case recording) in CAMIS as soon as possible after an event, activity, or contact occurs to ensure accuracy of recording. In no case will the recording occur more than 30 calendar days from the date of the event or case activity except for the near-verbatim documentation of disclosure interviews as required by RCW 26.44.035. ("Written records involving child sexual abuse shall, at a minimum, be a near verbatim record for the disclosure interview. The near verbatim record shall be produced within fifteen calendar days of the disclosure interview, unless waived by management on a case-by-case basis.")
2. CA staff shall use the CAMIS Service Episode Record to record activities and events related to referrals, cases, licenses, facility complaints, and persons. For additional details on timelines and format for DLR/CPS investigation SERs, see the Child Abuse and Neglect Section Practice Guide: INVESTIGATING ABUSE AND NEGLECT IN STATE-REGULATED CARE.
3. If the local office allows, based upon agreement between DCFS and/or DLR social work supervisors and clerical supervisors, clerical staff may input case activity information in the SER at the request of a social worker. The social worker must review the clerical staff's input and enter an SER to the effect that SER is accurate as written.
4. Supervisors need to ensure that any significant activity on the part of the supervisor or management related to case activities is entered into the SER. This can be accomplished either by direct input by the supervisor, or with agreement by the social worker, entered by the social worker on behalf of the supervisor.
5. DCFS staff must document all case activity in CAMIS. DCFS staff must relate the referral or case ID and the person IDs of children that are directly associated with the SER. Exceptions to this documentation are listed below.

1. The SER is related only to the child(ren)'s person ID if:
 1. The child is legally free; or
 2. The child is in Dependency Guardianship status; or
 3. The person is between 18 and 22 and is in an open placement episode and has signed a voluntary agreement for continued placement beyond the age of 18; or
 4. The child is placed with someone other than the child's parent or guardian through the Interstate Compact Program (see CAMIS Policy 14 regarding documentation of child's custody).
2. SERs on prospective Adoptive Parents must not use a child's person ID.
6. SER recording will include the following:
 1. When - full dates (month/day/year and time) when the event occurred;
 2. Who - full names of persons present, identifying their roles in the case (e.g. "child's mother, Mary Smith," "child's therapist, Jane Doe," "Mary Smith's boyfriend, John Doe," etc.), with the exception of foster parents in a child's/family SER who will only be identified by first name or as "foster parent." The worker must not identify the foster parent with the foster parent's full name in a child's/family SER;
 3. Where - a description of where the event occurred (e.g. "Mary Smith's home," "Aberdeen DCFS Office");
 4. Why - a description of the purpose of the event/contact, as appropriate;
 5. What - a behaviorally specific description of what occurred during the event/contact, as appropriate (e.g. "Mary Smith's breath smelled of alcohol");
 6. The worker's assessment of the event/contact may be included, together with the supporting facts or evidence that led to the assessment.
7. CA staff can enter the SER into CAMIS either individually as each event occurs or enter it as a summary of events.
 1. Individual event SER - A worker may document multiple SER activity types for an individual event. For example, a worker may make a single home visit on a CPS investigation and interview the child victims and the parent who is the alleged subject. The worker may write one SER for this contact and use all activity types such as (Child - Initial Face to Face w/ Child, Parent - Bio/Adopt. or Guardian Initial Contact, and Contact - Subject Interview).
 2. Summary of events SER - If a summary of multiple events is entered staff must include the same elements (listed in III E above) that would be in an individual entry. (e.g. "DCFS social worker, Sally Jones called the child's mother, Mary Smith four times this week on 4/1/97, 4/2/97, 4/3/97, and 4/4/97. No one answered the phone for any of the listed calls.")
 1. A summary SER may be used to describe the same or different types of activities that occurred on the same date (e.g., multiple attempts to contact a parent can be summarized in one SER. A telephone contact with a therapist, a supervised visit, and an interview with a foster parent may also be documented in one SER.)
 2. Separate SERs must be entered for different activities when those activities occur on different dates and documentation of the date of the different activities is critical. Activities that are bolded on the screen are

those activities for which documentation of the exact date is critical. These activities require exact date documentation primarily for federal funding (targeted case management), tracking outcome measures, or DLR requirements.

3. A bolded activity can be combined in a single SER with another bolded activity only if they both occur on the same day.
4. Summary SERs that document activity that do not have a bolded activity may cover activities that occur over a period of up to 14 days.
8. CA staff must convey respect for the subject(s) of the interviews and events in the content of the SER. Language used in SER describes events, sequences of events, and observations in a clear, objective, and behaviorally specific manner.
9. CA staff do not have to print SERs and insert them in the service binder except as required for the purposes of public disclosure, legal discovery, archiving records, or when directed to do so by supervisory or administrative request or regional procedure.
10. Staff will retain their handwritten notes on each investigative contact until the investigator has accurately entered documentation of the contact into the SER, at which point the investigator must discard the handwritten notes.
11. Supervisory/Administrative Reviews: The supervisor shall record the monthly case reviews and include the actual date of the supervisory review with the Supervisory/Administrative Review activity.
12. Child Protective Services cases:
 1. The CA staff member shall relate investigation SERs to the referral(s) being investigated.
 2. The Initial Face to Face contact with each child victim on referrals receiving the high standard of investigation shall be recorded with the Child - Initial Face to Face w/ Child activity type. The person ID(s) for the child(ren) contacted and the location of the interview shall be selected on the SER in CAMIS.
 3. Attempts to contact the child victim can be recorded with the Child - Attempted Initial Face-to-Face activity type. The person ID(s) for the child(ren) the CA staff attempted to contact shall be selected.
 4. If a DCFS or DLR/CPS supervisor issues an extension for the initial face to face contact on a referral receiving the high standard of investigation, the supervisor shall record the extension with the 24-hour or 72-hour Extension: Additional Victim Identified at risk of Imminent Harm or the 24-hour or 72-hour Extension: Additional Victim Identified NOT at risk of Imminent Harm activity type. The person ID(s) for the child(ren) shall be selected and related to the SER.
 5. Interviews with an alleged subject of Child Abuse/Neglect (an individual alleged to have abused or neglected a child) for the purposes of obtaining the individual's statement regarding the allegations shall be recorded with the Contact - Subject Interview activity type.
 6. Initial contacts with the child's parents/guardians as required by RCW 26.44.030 (10) shall be recorded with the Parent - Bio/Adopt or Guardian - Initial Contact activity type.
 7. The supervisor or Administrator, who reviews assessment findings, will document the review with the Supervision/Administrative Review) activity type and relate the SER to the referral number.

8. The DCFS supervisor who reviews a case for the purpose of extending CPS beyond 90 days will document the review with the Extension Approval - CPS 90-Day Policy activity type.
13. Cases involving children in placement (out-of-home placement episodes in licensed and unlicensed facilities) or In-Home Dependency are recorded as:
 1. The face to face health and safety contact for children in out-of-home placement shall be recorded with the Health and Safety Monitoring Visit (DCFS) activity type. The person ID(s) for the child(ren) contacted and the location of the interview shall be selected on the SER in CAMIS.
 2. If a supervisor extends the face to face health and safety monitoring visit, the supervisor shall record it with the Extension Approval - Health and Safety Monitoring visit Policy activity type. The person ID(s) for the child(ren) shall be selected and related to the SER.
 3. When documenting visits which occurred between parent/guardian and child, the child's person ID shall be selected and related to the SER. Use one of the following activity types to record these visits:
 1. Visit - Supervised
 2. Visit - Unsupervised
 4. If a written report has been received regarding a visitation, the worker shall, at a minimum, document the date of the visit and refer to the written report in the text of the SER.
 5. A scheduled visit which does not occur, between parent and child shall be recorded with the Visit - Did Not Occur activity type. The person ID(s) for the child(ren) shall be selected and related to the SER.
 14. Cases involving CPT, LICWAC/Tribal, Prognostic, or Permanency Planning Staffing:
 1. When documenting the following type of staffing, the child(ren) person ID(s) for whom the staffing is held must be selected and related to the SER in CAMIS:
 1. Child Protective Team Staffing (use Staffing - CPT activity type);
 2. LICWAC or Tribal Staffing (use Staffing - LICWAC/Tribal activity type);
 3. Prognostic Staffing (use Staffing - Prognostic / Pre-Passport / Permanency / Adoption activity type); and
 4. Permanency Planning Staffing (use Staffing - Prognostic / Pre-Passport / Permanency / Adoption activity type).
 2. If a written report has been received regarding a staffing, the worker shall at a minimum document the date of the staffing and refer to the written report in the text of the SER.
 15. License Cases
 1. When documenting regulatory actions use one of the following activity types:
 1. For an Administrative Approval use the Regulatory - Administrative Approval activity. The type of Administrative Approval, and the begin and end dates must be recorded in the license record. If the Administrative Approval is denied, record this date in the license record as well.
 2. For a Waiver use the Regulatory - Waiver activity. The type of Waiver, and the begin and end dates must be recorded in the license record. If the Waiver is denied, record this date in the license record as well
 3. For a Compliance Agreement use Regulatory - Compliance Agreement.

4. At the beginning of a denial, suspension, or revocation action use Regulatory - Deny/Suspend/Revoke Action Begun. For the activity date - record the date the denial, suspension, and/or revocation letter sent to the licensee.
 5. When the Denial, Suspension, or Revocation proceeding is completed and a final decision is made, use Regulatory - Deny/Suspend /Revoke Final Decision. Record the date the decision was made, the revocation, denial, or suspension action was completed. Reasons may include the licensee did not appeal the decision by the deadline for the appeal to be filed, a settlement was reached, or the final administrative appeal decision was issued.
 6. If a Stop Placement/No Referral is issued by Licensing use Regulatory - Stop Placement/No Referral.
 7. When the decision is made to remove the Stop Placement/No Referral status use Regulatory - Stop Placement Lifted.
2. When documenting health and safety reviews/inspections for foster homes or regional facilities use one of the following activity types:
 1. Health and Safety Monitoring Visit (DLR);
 2. Inspections - Comprehensive Health and Safety (DLR); and
 3. Inspections - Quarterly Health and Safety.
16. License staff member shall relate facility complaint SERs to the facility complaint ID. CAMIS will automatically relate the associated referral ID to the SER. If there is a license record associated with the facility complaint ID, CAMIS will relate the license record to the SERs as well.
17. Communication with Attorney General and County Prosecuting Attorneys:
1. All SERs regarding communication with the Office of the Attorney General, county prosecuting attorneys, or other department contracted attorneys representing the department shall be recorded with the Consult with AAG activity type.
 2. All printed copies of SERs regarding the communication with the AAG will be stored in the "Privileged Communication with AAG" section of the binder or the confidential section of the license file.
18. Deleting Service Episode Records-An exact duplicate of another SER may be deleted:
1. The CA staff member who created the SER may delete the SER within the first seven calendar days of the creation of the SER.
 2. A locked SER record may be deleted after written notification to the worker and supervisory review. Upon written notification from a supervisor/manager to delete a SER, the region's Automation Trainer or other authorized person may delete the SER.
19. Corrections and additions to an SER
1. If an error in the SER activity type occurred when the SER was created, the worker who created the SER may update the activity type.
 2. If an incorrect ID number is related to the SER, the worker who created the SER may make the correction. If the worker no longer has an active CAMIS user ID, the region's Trainer, with supervisor approval, may make the correction.

3. The person who created the SER in CAMIS may correct the text of the SER within the first seven calendar days of the creation of the SER.
4. Addenda to an SER are made in the following circumstances:
 1. Any individual not the creator of the SER may add information to the SER. The addendum may be created to correct information in the SER or add clarifying information.
 2. The creator of the SER may edit the SER within seven days of the creation of the SER. After seven days, the creator may add an addendum to correct information or clarify the SER.

15305. Case Assignment, Transfer, and Closure (3/1/99)

153051. Purpose

1. The purpose is to ensure consistency in CAMIS and to enable on-line tracking of case assignment and file location.

153052. Standard/Procedure

1. Referrals and Case Assignment
 1. After a worker assignment is made for a referral, the supervisor or worker must record that assignment in CAMIS within five working days.
 2. A referral is accepted and becomes a case when the referral meets one of the following criteria:
 1. The Child Protective Services (CPS) or DLR/CPS referral passes the sufficiency screen.
 2. A Family Reconciliation Services (FRS) intake request is accepted for services or the assessment lasts more than 30 minutes.
 3. Is a DLR Facility Complaint.
 4. A Child Welfare Services (CWS) referral for assessment or services is accepted.
 5. A home study request is accepted.
 3. The referral will be related to an existing case number for the family, if one exists, or a new case number will be created.
2. Case Numbers
 1. Family Cases
 1. Family case files will be issued case numbers in CAMIS with the last digit being a "0." Regions or offices may determine which case letter ("H," "L", or "D") they will use on the family service files. Documentation will be stored in the family case binder. Service Episode Record (SER) for the case must be recorded using the family case file number.

2. It is not necessary to create a binder for an open case if there are no paper documents to file in the binder.
2. Cases Involving a Child in Placement or In-Home Dependency
 1. If any out-of-home placement occurs or a Dependency/Child in Need of Services (CHINS) petition is filed, a dash case number will be established in CAMIS for the child. Each child will have only one open case. Dash numbers for siblings will be issued in the order the children are placed. If an older sibling comes into care or has legal actions instituted at a later date, issue the next dash number in order. The letter used in the dash case number will be "D." There will be no dash "0" case numbers for child placement or Dependency/CHINS cases. The client/child and the "X" (reference person) shall be one and the same for the dash file. Placement and legal history as well as foster care, group care, and medical payment must be recorded in CAMIS using the dash case number.
 2. The local office opens a separate individual service record binder using the dash number only for children that are legally free, children placed in adoptive placement, or for a child whose case plan is distinctly different from the case plan for the child's siblings.
3. Cases Involving Teen Parent(s)
 1. For cases in which the parent is under the age of 18 and both the teen parent and his/her child are dependent, a family case number will be issued in the teen parent's name. If the teen parent is in care or is involved in current Dependency/CHINS proceedings, the teen parent will have two case numbers in the teen parent's name; i.e., (1) a dash number case open for the teen being a child in placement and (2) a family case file with the teenager as the parent.)
 2. A dash file with the teen parent's family case number will be created for the child if the department has the legal authority to place the infant through a court order, Voluntary Placement Agreement (VPA), or if the child is under an in-home dependency. Note that a VPA is used only when the teen parent and the child are not placed in the same facility or foster home. Lacking authority to place, the child of the teen parent would have no case number. With the authority to place, the child of the teen parent would have a dash number whether in the same home as their teen parent or in a separate placement. DLR Case Numbers: DLR Case numbers will only be created for the purpose of transferring records eligible for shipment to the records retention facility. It is acknowledged that DLR case numbers have been used for other purposes regionally, but no standards have been developed for those purposes.
3. Case Names

In order to provide consistency of the coding in CAMIS on referrals received and cases served by CA, staff will use the following definitions for case names.

TYPE OF CASE	CIRCUMSTANCES	CASE NAME
Family	Involves child who lives with both	Both parents. List the parent who

Case	parents	is the primary caretaker first - if unknown, designate the mother
	Involves child whose parents are divorced/separated	Legal residential parent. If not established or if joint custody, then the parent who the child resides with the majority of the time.
	Involves child who was placed by parents (no DCFS involvement) with no legal transfer of custody	Parent who has legal custody
Child Cases for Facilities	Involves child whose legal custody has been given to someone other than a parent	The legal guardian
		Child's legal name
	Foster Family and Day Care home cases and Adoptive Home Applicants and Certified Adoption Homes	c. The provider d. If two parent foster or adoptive home, list the foster or adoptive parent who is the primary caretaker first
	Child Placing Agency, Group Home, Day Care Center, Crisis Residential Center or other non-family type facility	Facility name
DLR Case Numbers	DLR Case numbers were created for the purpose of sending them to Records Retention only.	The Provider

4. Case Transfers

1. Within a unit, the current social worker's assignment will be ended and the case reassigned in CAMIS to the new social worker. The reassignment on CAMIS will be recorded within five working days of the assignment.
2. Between units within an office, the current social worker's assignment will be ended and the case reassigned to the social worker's supervisor for review. Upon completion of supervisory review, the case will be reassigned to the new unit's supervisor. The receiving supervisor will then reassign the case to the new social worker.
3. With supervisory approval, a social worker in one unit may close their assignment and reassign directly to the receiving social worker. The reassignment on CAMIS will be recorded within five working days of the assignment.
4. For transfers between offices, not including Courtesy Supervision case assignments described in section 15405 the following steps will be followed:
 1. The current social worker will complete the necessary documentation for transfer of the case. The current social worker will end their assignment and reassign the case to their supervisor for review.

2. The sending office will contact the receiving office by telephone or e-mail to notify responsible staff of the transfer and to obtain the Social Service Payment System (SSPS) ID of the receiving supervisor/social worker.
 3. The sending supervisor's assignment will be ended and the case assigned to the receiving supervisor/social worker. The transfer of the case will be recorded in CAMIS and the record forwarded to the receiving office.
 4. The receiving office will issue a new case number if a case number does not already exist in CAMIS and close the receiving supervisor's/social worker's assignment on the old case number. Only one dash case number shall be open for a child at any time.
 5. Following receipt of a request from another office for transfer out of closed files, Master Files will record the transfer of the record and assign the case to the receiving supervisor in CAMIS. The receiving office will issue a new case number if a case number does not already exist in CAMIS and close the receiving supervisor's assignment on the old case number.
5. Retrieval of Records from Record Retention Center
1. If a record is retrieved from Records Retention Center (RRC), responsible staff in the requesting office must:
 1. Update the case status on the old case number to indicate the appropriate status (Open, Closed, or Transferred to another office);
 2. Update the file folder status to indicate folder/binder location; and
 3. Add a supervisor/worker assignment to show who received the record.
 2. If an office other than the one that sent a record sent to RRC requests a record, the receiving office must:
 1. Issue a new case number if a case number for the receiving office does not already exist in CAMIS; and
 2. Close the receiving office's supervisor/worker assignment out on the old case number.
6. Inactive Status/Case Closure
1. The case status will remain open during the entire period in which the case is open for services to the family/child and while any additional documentation is being done on the case.
 2. The specific criteria for closing cases for CPS, FRS, and CWS can be found in the Practices and procedures Guide under the following sections:
 1. CPS-section 2700-2711
 2. FRS-section 3700-3710
 3. CWS-section 4700-4760
 3. Cases remaining in Active Status: An active case is one in which the division is providing services to the family and/or child. Active cases will have the social worker assignment coded to match the definitions in section 15401.
 4. Cases pending closure have Worker assignment Program Services Type "S-Services Inactive". The services are inactive whereas the worker may still be doing work on the case documentation, etc. A Services Inactive/Paperwork Pending (S) program assignment for a social worker or supervisor will be made if services to the family/child are ended but the social worker or supervisor has

paperwork or documentation to complete on the case. Cases that no longer meet the requirements under # 3 above are to have a Services Inactive assignment until case closure. The purpose of this worker assignment is to be able to track the workload involved in follow-up paperwork.

5. The social worker must complete all forms and narrative recordings within 90 days of a decision to terminate services and close a case. The supervisor must review both CAMIS and the folder for accuracy and completeness and document the review in the CAMIS SER before closure or transfer to another service.
6. Case closing must be noted in CAMIS within two weeks of completion of all services, paperwork, and supervisory review.

15306. Residential Address for Children Served by Children's Administration (8/17/95)

153061. Purpose

1. The purpose is to establish a standard protocol for recording the address of children served by CA.

153062. Standard/Procedure

1. For children served by CA, the following criteria will be used for establishing the residential address in their person record.
 1. Children who reside with parent or legal guardian: Use the parent or guardian's address.
 2. Children who are in the department's custody: Use the parent or guardian's address.
 3. Legally free child: Use the office address of the DCFS office responsible for supervising the child. Code this address as a mailing address. Do not use the pre-adoptive or foster parent's address as a residential address.
 4. If the child's parent or guardian is homeless, the street address may be listed as HOMELESS with the city and county showing where the family is normally found.
 5. Children who are in care will have their current whereabouts recorded in their placement record.

15400. SACWIS SYSTEM PROGRAM SPECIFIC STANDARDS

15401. Program and Code Definitions (11/1/98)

154011. Purpose

1. The purpose is to establish consistent Program Code definitions in CAMIS.

154012. Standard

1. Program or Service/Activity Codes are entered in three different and unique places in CAMIS. There are Referral codes, Case codes, and File Folder codes. This standard specifically addresses referral codes and case codes.
2. Programs Used in Referrals
 1. Child Protective Services
 2. Child Welfare Services
 3. DLR/CPS
 4. Family Reconciliation Services
 5. Licensing Complaint (Non-CPS)
 6. Home Studies
3. Program Codes Used in Cases
 1. C Child Protective Services
 2. W Child Welfare Services
 3. F Family Reconciliation Services
 4. D Income Eligible Daycare
 5. L Licensing
 6. R DLR/CPS
 7. A Adoptive Home Services
 8. H Home Study
 9. I Interstate Compact
 10. U Courtesy Supervision

 12. S Service Inactive
4. The following definitions are to be used in determining which program codes are used in CAMIS for cases:
 1. C - Child Protective Services-A case assignment would be coded C - CHILD PROTECTIVE SERVICES in the following circumstances:
 1. A referral is accepted for investigation. The case would be coded as CPS as long as the case is open for investigation, it has a service contract, or until dependency is established.
 2. Cases already open for W - Child Welfare Services would also be coded C - CPS while the new referral is being investigated.
 2. F - Family Reconciliation Services

1. A case assignment will be coded as F - FAMILY RECONCILIATION SERVICES for cases in which a referral or request for services has been accepted for assignment which meets the definition of FRS services in RCW.
2. The maximum length of time a child/family would qualify for FRS is 90 days. For a case to continue as an FRS case beyond the 90 days, supervisory approval is necessary.
3. If a Child in Need of Services (CHINS) petition is filed, the case will remain an FRS case until the CHINS is approved or denied.
3. W - Child Welfare Services-A case assignment will be coded W - CHILD WELFARE SERVICES when a case meets the following criteria:
 1. A case that initiates as CPS and has had a Dependency established. The case remains as a CWS case until the Dependency is dismissed, including legally free children placed in pre-adoptive homes.
 2. A case which initiates as FRS receiving continued services beyond the initial 90 days of FRS services or has had a CHINS approved by the court.
 3. Any request for services, accepted for assignment, from a family for a child that does not fit into any of the other categories.
4. D - Income Eligible Daycare is a teen parent day care- case open for the provision of Teen Parent Child Care only.
5. I - Interstate Compact-A case open for supervision of children from other states under the Interstate Compact on Placement of Children (ICPC).
6. H - Home Study-A case open for the purposes of assessing whether a placement resource is appropriate for a child. This code does not apply to Foster Care Home Studies or to Adoptive Home Studies.
7. U - Courtesy Supervision-A case in which the worker assigned is supervising the placement of a child from another office within the state. This case shall also be open in the sending office as a CPS, CWS, or FRS case.
8. A - Adoptive Home Services-A case which is open under the Adoption Services Program. This code is to be used for the prospective adoptive parent/s only. The child's case remains open as a CWS case. This includes the adoptive home study.
9. T - Adoption Support-This is only to be used by the state or regional Adoption Support program managers for cases involving children with approved adoption support subsidy agreements.
10. L - Licensing-This code is used for licensing and respite care provider cases only. This includes foster care home studies.
11. S - Service Inactive
 1. This code is used to designate a case in which the worker has finished providing direct services, and the case is waiting for completion of paper work. Additionally, this code is used for supervisory review when the supervisor is reviewing the case pending closure. If the case is being transferred or reassigned, the appropriate program code for the type of program/services the case is receiving is used.
 2. Upon completion of direct services, the program code is closed and S - Service Inactive code is opened to the assigned worker or supervisor. This code is not opened unless the related direct service code is closed.

154013. Procedure

1. Upon initial case assignment or assignment of additional workers to a case, one of the above program codes is used.

15402. Interoffice Referral Transfer (3/1/99)

154021. Purpose

1. To establish a consistent statewide policy for handling intake referrals taken in one office that need to be referred for disposition to another office.

154022. Standard/Procedure

1. The office first contacted will take referrals from the person with the Child Protective Services (CPS) or Family Reconciliation Services (FRS) complaint or concern. If technically feasible, the intake worker may transfer the referrer to an intake worker in the office where the referral would be assigned while keeping the caller on the phone.
2. The intake worker must complete a CAMIS Intake Referral, including completion of a statewide person search.
3. The intake worker must make an immediate decision to refer directly to another office or to the worker's supervisor. Central Intake (CI) will assign the referral to the CI supervisor who will assign it a regional straw ID.
4. If the original office decides to refer to another office, the sending office must:
 1. Call an intake worker in the office to which the referral is being referred. Upon confirming the names of the intake worker and supervisor and their worker ID numbers, the original intake worker or supervisor will advise the receiving office of the referral number and any other pertinent information regarding the referral.
 2. Record the receiving supervisor's ID on the GUI referral in CAMIS.
 3. Change the assigned worker to the receiving office's intake worker and close the original intake worker's assignment.
 4. Do not FAX the referral to a non-secure fax machine in the receiving office nor print the referral to a printer in the receiving office.
5. The receiving office intake worker will initiate the appropriate response.
6. The receiving office supervisor will review all Child Protective Services (CPS), Family Reconciliation Services (FRS), and Child Welfare Services (CWS) referrals and assign them accordingly.

15403. Interstate Compact Cases/Referrals (11/1/98)

154031. Purpose

1. The purpose of this policy is to establish uniform procedures for documentation of Children's Administration Interstate Compact in CAMIS.

154032. Standard

1. Interstate Compact on the Placement of Children (ICPC) cases involving children sent to another state must be considered CWS cases.
2. Interstate Compact cases involving children who are placed in Washington from another state must be considered Interstate Compact.
3. Interstate Compact requests for home studies must be considered Home Study cases until the child is placed in a Washington home.

154033. Procedure

1. Interstate Compact cases must be entered into the CAMIS data base in the following manner:
 1. The assigned social worker must document, update, and periodically review the status of children involved in Interstate Compact Cases using the CAMIS Interstate Compact Module.
 2. CA designates cases for which home studies have been requested in Washington homes as "Home Study" program code H.
 1. If the request specifies a home study of a parent or guardian prior to placement of children, the worker need not include children.
 2. The CA office will give relatives for whom home studies are requested their own case number.
 1. The social worker enters CAMIS documentation regarding the home study under the relative's case number and files hard copy information in the case binder.
 2. The social worker files a copy of the home study report in the child's case binder if the child is placed.
 3. The worker does not include the children to be placed in the relative's case file.
2. Children placed in a Washington home from another state:
 1. Must be designated as "Interstate Compact" cases. The child(ren) will be added to the case file.
 1. At the time of placement of a child with their parent or guardian, the child shall be included in the family's case file.
 2. When the department places child(ren) in non-parent homes and non-guardianship relative homes, staff gives them their own independent dash case number (not a dash file number based on the relative's case number).

1. If a dash case number does not already exist for the child, staff creates a dash case number (CASSTART) with the next basic case number available for the office. Staff does not create a parent file (-0).
 2. CA staff creates a case to case relationship (CASCASCR) between the relative's case number and the child's case number in CAMIS.
 3. On the first screen of CASEUP3 of the child's case number, in the Notes, staff cross-references the child's case to the relative's case number. (Example: "See also 52D1111110 Relative Last Name, Relative First Name")
 4. The social worker must store documentation in the child's file.
2. Person information for the child(ren) in the legal module must include legal status of "dependent" and legal custody as "Other State."
 3. The social worker need not document placement and legal action history in CAMIS on these cases.
3. For Interstate Compact cases involving children placed from Washington in another state, assigned CA staff must:
 1. Designate as "Child Welfare Service" cases for the child(ren) placed under their case file number(s).
 2. Maintain all placement and legal history in CAMIS for these children.

15404. Courtesy Supervision (11/1/98)

154041. Purpose

1. To establish uniform procedures for handling CA courtesy supervision cases.

154042. Standard

1. Courtesy supervision is used when the child or family is already present in the area of the second office. If a potential placement is being investigated, a Home Study assignment is used.
2. For courtesy supervision cases, the office with legal jurisdiction has responsibility for documentation and maintenance in CAMIS of all case information such as case status, addresses, and persons related to a case, and for all placement and legal history. The office providing courtesy supervision must indicate the existence and location of a courtesy supervision file and document the assigned social worker in CAMIS. Both offices will have responsibility for documentation of required Service Episode Records (SER) in CAMIS.

154043. Procedure

1. CA staff must manage courtesy supervision cases in CAMIS in the following manner:
 1. The office with legal jurisdiction must:
 1. Create and maintain CAMIS case file(s), indicate case and file folder status, the program code of their assigned worker, default address, and the worker assignment (CASWRDAT) for their office.
 2. Be responsible for the maintenance of all persons and person information of those individuals related to the case(s).
 3. Enter all placement and legal history for all children.
 4. Document required SER for all cases to which they apply.
 2. The office providing courtesy supervision must:
 1. When the Home Study is requested for a non-custodial parent or non-guardian relative:
 1. Create a referral for the family to be assessed using an "H" (Home Study) program code.
 2. Create a new case number and case file for the relative family using a case number from the office area where the relative resides. All CAMIS documentation and documents received regarding the relative will be filed under the relative's case number. The worker must not enter this information in the child file. The worker files a copy of the Home Study report in the child's binder.
 2. Using the same case number as the office with legal jurisdiction, indicate the existence of a courtesy supervision file folder, indicate the file name, and, in "location notes," the office providing courtesy supervision.
 3. Input the assigned courtesy supervision worker with the program code U for courtesy supervision, if or when the child is placed. Do not create a referral if Courtesy Supervision only is requested.
 1. Create a physical file binder using the case number from the office with legal jurisdiction.
 2. Using the same case number(s) as the office with legal jurisdiction, document required Service Episode Records.
 3. Send the physical file to the originating office upon closing of the courtesy supervision case assignment.
 3. If the originating office transfers jurisdiction to the office providing courtesy supervision, procedures for transfer of cases shall apply.

15405. Facility Complaints (2/1/98)

154051. Purpose

1. To establish consistent statewide CAMIS standard regarding all referrals/complaints made about:
 1. Facilities licensed or certified, or facilities required to be licensed or certified, by the Division of Licensed Resources (DLR), or
 2. State regulated care facilities.

154052. Definition

1. Facility Referral -- A referral received by Children's Administration (CA) regarding:
 1. A DSHS state regulated facility providing care to children that involves allegations of abuse/neglect; or
 2. A facility required to be licensed under chapter 74.12, 74.13, 74.15, or 34.04 RCW that involves possible licensing violations, or allegations of abuse/neglect at the facility or by the provider or a staff member.
2. Facility Complaint Record - A GUI CAMIS record that is created from a GUICAMIS Facility referral which is used to generate critical incident reports and track licensing issues, actions and resolutions.

154053. Standard

1. Facility Referrals/Complaints shall be documented, investigated, updated with actions taken, and reviewed.
2. Referral notification will be given to appropriate workers and managers. Critical incident reports and workload management reports will be produced.
3. Investigations of referrals/complaints against CA licensed or state regulated care facilities for children shall coordinate with specific procedures detailed in the CA Operations Manual, chapter 5000, section 5100, Critical Incident Management, and section 5300, Facility Investigations.

154054. Procedure

1. The CAMIS procedures to be followed are contained within the Facility Complaint section of the On-line CAMIS Users Manual.
 1. Documentation
 1. CA Intake social workers and licensers are responsible for ensuring that all documentation regarding facility referrals/complaints, including allegations, investigation and resolution of complaints, is completed in GUI CAMIS, following procedures found in Section XII Facility Complaint of the CAMIS Users Manual and its subsequent revisions.
 2. DLR/CPS Facility Investigators are responsible for ensuring that CPS Investigative Assessments on facility complaints are completed in GUI CAMIS, using the referral number, for accepted CPS referrals.
 2. Primary Caretaker-If the facility complaint referral is in regard to a child's former placement resource, the referral/complaint record will be created on the former placement provider.
 1. The provider must be designated as the primary caretaker when recording a facility complaint regarding a family child care home or a family foster home.

2. A primary caretaker must not be designated when recording a facility complaint regarding any other type of facility; e. g., Child Placing Agency, Crisis Residential Center, Day Care Center, Day Treatment, Group Home, Juvenile Detention Center, Maternity Home, Mini-Center, Regional CRC, Special Programs, etc.
3. Deleting Complaint Records
 1. In cases where a complaint record is incorrectly created for a facility, the complaint record may be deleted after a DLR/CPS supervisor or above has reviewed the complaint and concurs. This does not delete the referral. Examples of situations where a complaint record may need to be deleted include:
 1. A facility that is not required to be licensed and is not a state regulated care facility;
 2. A former staff member is involved in a referral not related to the facility;
 3. A licensee or staff member was involved in a referral where there are no licensing or child abuse/neglect issues concerning the facility or a facility's staff member.
 4. A referral shows licensing issues only because the people associated on the business record for a license inaccurately contains the name of a person who is identified as a victim or subject in the referral; e. g., a foster child is listed in the BUSRELS of a foster home and a report is received in which the child is listed as a victim or subject, but the alleged CA/N did not occur in any facility.
 4. Public Disclosure-Licensing staff may release information regarding complaints on a licensed facility consistent with the CA Operations Manual, Chapter 13000, section 13700, Record Accuracy, Privacy, and Disclosure.

15406. Documenting the Placement of Children in the Legal Custody of Children's Administration (2/17/99)

154061. Purpose

1. To ensure consistency in the CAMIS system for documenting the whereabouts of children who are in the custody of Children's Administration (CA).

154062. Standard/Procedure

1. All children for whom CA has responsibility through a court order, protective custody, or Voluntary Placement Agreement (VPA) must have their whereabouts documented within 3 calendar days.
 1. Requirements for Timeliness of Data Entry-Children, upon initial removal from their parent or guardian's physical custody, must have their placement documented within 3 calendar days of placement. All other placement changes must be documented within within 3 calendar days of the change or the SSPS deadline, whichever comes first.
 2. Documentation of Placement Episodes and Events:
 1. Each episode of out-of-home placement will be documented by the entry of the Original Placement Date (OPD). Closure of the placement episode will be generated automatically when a placement event with a birth/adoptive parent is documented or a dependency guardianship order (as to both parents) or adoption finalization is documented in legal actions. The social worker or designee must manually document any other episode closure.
 2. Each placement event will be documented in CAMIS. The moving of a child from one out-of-home placement to another out-of-home placement does not interrupt the placement episode.
 3. Temporary Placements:
 1. A temporary placement is one that is not intended to interrupt the current placement event.
 1. Examples include respite care; a child's hospitalization with intention to return to the prior placement; a child's running away with the intention of returning to the prior placement; a receiving care placement which may occur during a run if the intention is to return the child to the prior placement; or a detention placement with the intention to return to the prior placement.
 2. It is also possible to place a child at home in a trial home visit without the intention of interrupting the placement episode. For example, the child has been in placement and is returned home for a short period waiting for a group care bed to become available or a child visits in the home of the parents for a period of time to prepare for a return to the parent's home.
 3. Temporary" (TMP) placements are designated in CAMIS(All of these column for that placement. Continued(TMP(under the (Y(by marking a payment is allowed to both the placement from which the child was placed and to the temporary placement. Double payment is allowed for a period of up to 15 days without an exception to policy (DSHS 5-210).
 4. In-Home Dependencies:
 1. In-home dependencies will be documented in both the placement and legal modules.
 1. First, in the legal module, a permanency planning code of "N" (no plan: child placed with birth/adoptive parent) must be entered any time a child is placed with a birth/adoptive parent. This code must

be used whether or not that parent has custody through a family court order.

2. In placement, the worker must update the address and list the primary caretaker. This will not open an episode; it will document the whereabouts of the child. Events not indicating a placement may be recorded here (they are not required), including respite, detention, hospital, Juvenile Rehabilitation Administration (JRA) placement, or runaway.
2. When a dependent child is returned home from a placement, the worker will document placement with a birth/adoptive parent (either custodial or non-custodial). The worker will need to then update the primary caretaker and address.
3. Any time the child is placed with a birth/adoptive parent ("BA" or "BN" codes) from an out-of-home placement, the child's episode will be closed with the reason defaulted as "returned to birth/adoptive parent."
5. Documentation of Family Structure-When placing a child with a relative or court-ordered unlicensed placement, the worker must document the family structure. This will be done through creation of a business ID for the family in which family structure, primary caretaker, and address will be identified.
6. Respite Care:
 1. Respite care from a birth/adoptive parent's home will not be opened as a placement episode as long as the department does not have custody of the child. If a voluntary placement consent has been taken, then placement episode must be opened as the department has assumed custody of the child.
 2. When a child is placed in respite from an out-of-home placement, there is no state-wide requirement to document these temporary placements in the placement module.
7. Situations When Payment Continues but the Episode Is Closed-There are three situations in which the permanent plan is completed but payment remains open. These are:
 1. Guardianship:
 1. Entry of a legal action of dependency guardianship as to both parents derives closure of the placement episode as the permanent plan is established. The placement event remains open allowing for continued payment to dependency guardians and for services to the child. Those in guardianship status over 18 years of age with open events will have those events automatically terminated annually unless a voluntary consent is documented in legal actions.
 2. When a superior court guardianship (chapter 11.88 RCW) is established, the episode and event must be closed upon the date of the guardianship order. Dependency dismissal is also required and must be documented in the legal actions.
 2. Adoption

1. When an adoption finalization is documented in legal actions, this will derive the closure of the episode and event with the reason code of adoption.
2. A dismissal of dependency must also be documented when entered in Juvenile Court. Payment may continue to the end of the month in which the adoption is finalized.
3. Child(ren) in Tribal or Private Agency Custody Only
 1. The placement episode record of a non-CA custody child(ren) must be opened and closed on the date of placement with a reason code of "TR," Washington State Transfer to Other Authority.
 2. The placement event remains open, and the appropriate entries are made in the legal module. See section 15221.

15407. Documentation of Legal Actions (11/30/95)

154071. Purpose

1. The purpose of this standard is to define the documentation in CAMIS of legal actions on behalf of children for whom CA has legal custody or is making payment.
2. This standard also clarifies which legal actions must be documented.

154072. Standard

1. Information Which Must Be Recorded-Legal actions must be recorded for all children for whom DCFS has legal custody or has filed a petition. There are five types of legal data that need to be recorded in CAMIS. These are:
 1. Legal actions are date specific and include all legal actions taken in regards to the child which establish custody, authority to place, legal status, or which meet review requirements.
 2. Legal status refers to the type of custody the department has for the child. Legal status will be derived from the legal actions entered. Dates will be defaulted according to the legal action dates entered (may be overridden).
 3. Custody refers to the agency(s) that has custody of the child. [If DCFS has no custody of the child (either alone or jointly), on-going legal actions need not be entered. Events may still be documented as DCFS may have payment responsibility.] Dates will be defaulted according to the legal action dates entered (may be overridden).
 4. Court of Jurisdiction refers to the type of court in which the legal proceeding occurs (county/superior court, court of another state, or tribal court). If a tribal court has jurisdiction, the specific court is required to be documented.

5. Permanency Plan must be documented within the first 60 days of placement. A primary permanency plan is required and an alternate plan is optional.
2. Timeliness for Data Entry-Authority to place must be input prior to recording a placement in CAMIS. Ongoing legal actions must be documented in CAMIS within 14 days of receipt of the order.
3. Children for Whom DCFS Does Not Have Custody-In legal actions, the worker must document custody. In placement the worker documents each placement event in order for payment to be authorized. As CA does not have responsibility for these children but does make payment, there is no ongoing requirement to enter legal actions.

15408. Files for Legally Free Children

154081. Purpose

1. To establish a consistent statewide policy for establishing case files for Legally Free Children.

154082. Standard/Procedure

1. When any child becomes Legally Free, the child will receive a new case number, generated by FamLink.
2. The social worker will deactivate the legally free child's case from the original family case.
3. The assigned worker uses the child's legally free case to document all case notes and services provided.
4. The worker must not establish a case-to-case relationship between the original family case and the new legally free case.
5. The worker must not delete the child's pre-adoptive closed case relationship from the child's original family case file.
6. The worker will store all paper documents received or created after the child becomes legally free in a binder using the new case number.
 1. The following documents from the original family case file shall be placed in the legally free child's file (copies of the documents shall remain in the original family file) (Refer to Operations manual 13410 case file make up):

8. The adoption worker creates the adoption case by selecting the Adoption Finalization hyperlink located on the option page of the legally free case. The worker will create the new person record using the child's new name.
9. The adoption support worker establishes a new person-to-person relationship in the adoption case and will add the adoptive parents as participants in the case relationship section of the adoptive family's case.
10. The legally free case is closed and "restricted" upon entering the dependency dismissal.
11. If the adoptive family continues to receive services or later returns for services, the worker will create a new case under the adoptive family name. The new case will include any adopted children.

15409. State Licensed Facilities/Persons (7/19/94)

154091. Purpose

1. To establish consistent statewide policy regarding individuals or facilities licensed or certified by the Division of Licensed Resources (DLR) to provide care for children as required by chapter 74.15 RCW.

154092. Procedure

1. The procedures to be followed are contained within A USER'S GUIDE TO THE CAMIS LICENSING MODULE, and its subsequent revisions.

15410. Social Service Payment System (11/8/94)

154101. Purpose

1. To establish consistent statewide practice regarding use of the Social Service Payment System (SSPS), which is the automated system used to authorize delivery and purchase of social services, collect program and federal statistical and management data, and initiate the payment process for purchased services.

154102. Procedure

1. The procedures to be followed are contained in the CAMIS Users' Manual and Chapter 9000, section 9400, of this manual.

"**CHILD DAY CARE PAYMENTS**" - The following definitions apply to the Child Day Care Payments Program.

In-home care is exempt from licensing.

An overpayment dispute arises when an individual disagrees with the overpayment determination. Clients, contracted vendors, and non-contracted vendors each have a different process for appealing the overpayment.

1. "**Approving Worker/Authorizing Worker**" means the approving worker is the representative of DSHS who establishes that the client is eligible to receive child care benefits. The authorizing worker is the representative of DSHS who authorizes child care payment through the Social Service Payment System (SSPS). The approving worker is often the authorizing worker also.

 2. An unrelated person in the child's own home.
6. “**Out-Of-Home Care**” means child care provided outside the child's home, including licensed family child care homes and licensed child care centers. Agencies or programs exempt from licensing, which may include but are not limited to the military, public schools, and Tribal Nations, request that DSHS, through OCCP, certify them as meeting licensing standards. Exempt agencies or programs must be certified to be eligible to participate in a state child care subsidy program.
7. “**Overpayment,**” for child care payments, means:
 1. **Client Overpayment**
 1. Payment is greater than the client is eligible to receive; or
 2. Payment is made for in-home or relative child care (child care exempt from licensing) services not provided.
 2. **Vendor Overpayment**
 1. Payment made to the vendor for services not provided; or

8. “**Relative Care Giver**” means a child care provider who is 18 years of age or older who provides child care services to children who are, by marriage, blood relationship, or court

1. The department shall allow no payment for child care given by the following relatives: father, mother, brother, sister, stepfather, stepmother, stepbrother, or stepsister.
2. The department does pay adult siblings living outside the family home. Authorizing workers may use their discretion to determine eligible degrees of relationship where the family's culture would define relative in a broader way.
9. **“Relative - Relative's Home Care”** means child care given by the child's relative in the relative's home. Relative-relative's home care is exempt from licensing. See the definition of “Relative Care Giver,” above.
10. **“COMPLAINANT”** means a CA client, foster parent, or other individual filing a complaint.
