LAO (ພາສາລາວ) – LAO
DCYF has developed and implemented a processes and procedures to respond to the COVID-19 pandemic. DCYF is working closely with the Washington State Department of Health (DOH) to ensure that our initiatives are consistent and coordinated.

To obtain more information:
DCYF and DOH are working closely to ensure that our initiatives are consistent and coordinated. For more information, please visit the CARES Act website at wacompass.force.com/PP LoginPage.
DCYF is committed to serving families, children, youth, and adults in our state, and we understand the importance of providing meaningful support and information during these challenging times.

Working Connections Child Care.

Juvenile Rehabilitation (JR)

- DCYF has partnered with the Department of Social and Health Services (DSHS) to provide a seamless transition from the Department of Corrections (DOC) to community-based services.
- The DCYF field office provides ongoing support and guidance to individuals and families experiencing unique circumstances.
- DCYF works closely with DSHS to ensure a smooth transition process.
