

Public Notice of Nondiscrimination

Notice Of Nondiscrimination On The Basis Of Disability Under The Americans With Disabilities Act Of 1990 And Section 504 Of The Rehabilitation Act Of 1973

Per the requirements of Title II of the Americans with Disabilities Act of 1990 and Section 504 of the Rehabilitation Act of 1973, Washington State's Department of Children, Youth, and Families (DCYF) will not discriminate against qualified individuals with disabilities on the basis of disability in its services, programs, or activities.

Effective Communication

DCYF will, upon request, provide appropriate aids and services in order to ensure effective communication for qualified persons with disabilities so they can participate equally in DCYF's programs, services, and activities. Such aids and services may include qualified sign language interpreters, documents in Braille, and other ways of making information and communications accessible to people who have speech, hearing, or vision impairments.

Modifications to Policies and Procedures

DCYF will make reasonable modifications to policies and programs to ensure that people with disabilities have an equal opportunity to participate in all DCYF programs, services, and activities. For example, individuals with service animals are welcomed in State offices, even where animals are generally prohibited.

Requesting an Aid or Service to Ensure Effective Communication or a Modification Of Policies

Anyone who requires an auxiliary aid or service for effective communication or a modification of policies or procedures to participate in a DCYF program, service, or activity, should notify one of the below staff members as soon as possible, preferably 48 hours in advance of the scheduled event:

1. A DCYF employee, or
2. The DCYF ADA Coordinator
dcyf.adaaccessibility@dcyf.wa.gov
Phone: (360) 480-7230, relay users dial 7-1-1

The ADA does not require DCYF to take any action that would fundamentally alter the nature of its programs or services or impose an undue financial or administrative burden.

The State of Washington will not place a surcharge on a particular individual with a disability or any group of individuals with disabilities to cover the cost of providing auxiliary aids or services or reasonable policy modifications.

While DCYF has an internal ADA grievance policy, this policy does not in any way prevent an individual with a disability from filing a complaint of disability discrimination with the US Department of Justice's Civil Rights Division for ADA Title II violations, the U.S. Department of Health and Human Services for Section 504 violations, or Washington State's Human Rights Commission.
