

# Please help us keep our clients and staff safe from COVID-19

We are taking measures to ensure our clients are as healthy and safe as possible. With the spread of COVID-19 in our state, we are, out of an abundance of caution, asking that staff, visitors or vendors who are not feeling well, not visit or have contact with those in our care.

**All staff and visitors to our 24/7 facilities are being screened. You will be asked the following and may be asked to have your temperature checked.**

Since your last day of work, or last visit here, have you had any of these symptoms that you cannot attribute to another condition?

Fever or chills

Cough

Shortness of breath or difficulty breathing

Fatigue

Muscle or body aches

Headache

New loss of taste or smell

Sore throat

Congestion

Nausea or vomiting

Diarrhea
