Education and Training Voucher (ETV) Program

The ETV Program offers financial assistance to eligible youth to attend an accredited college, university, vocational or technical college. The ETV program helps students in their own efforts to secure financial aid to enroll in college. The maximum ETV award is \$5,000. Awards are unique to each student and are based on the cost of attendance formula established by their college and any unmet need they may have within their financial aid award.

You may be eligible to apply if you meet any **one** of the following:
