

Family Time Visitation Resources

8-1-20

Areas for Visitation

This is a list of locations that are open as of August, 2020. By sharing this list, DCYF does not endorse visitation at all of these locations; Department staff and families should keep in mind that visitation in some of these locations may not be appropriate for certain children and families depending on the county they are in and the health of the children, their caregivers, and their families. Any visitation should comply with the parameters of the Governor's Safe Start Washington plan, including on the What's Open [website](#).

Imagine a child friendly space right here in Cowlitz County where children and their families could engage in imaginative, interactive hands on learning during those rainy Washington days... The Children's Discovery Museum is a gift to the community. It will provide a "pop- up" children's museum and the opportunity to facilitate family and kids (age up to 17) engaging in imaginative, interactive, hands on learning in a safe and supportive environment. We will have a variety of exhibits to explore imaginative play, the arts and sciences
