DCYF Foster Care Maintenance and Renewal

Information and Resources Training Verification and Household Changes Renewals, Moves, Changes of Circumstances Application Forms Confirmation

Thank you for being a foster parent! We appreciate your commitment to children in need. It is your responsibility to complete applicable training and notify your licensor of any changes in your home. You can find your licensor's contact information by clicking on "Need Help?" in the corner of the page.

To help with this, we will send reminder emails. You will receive a passcode 90 days prior to your license expiring that allows you to complete the renewal process.

Please review [Reporting Responsibilities for Foster Parents](#) and contact your licensor immediately if any listed circumstances arise. This includes, but is not limited to:

1. You plan to move or remodel your home.
2. Anyone moves in or out of your home or property, or you have any new persons who have frequent or regular unsupervised access to children placed in your home. Review definition of [Adults in the home](#).

4. You want to change your age range, numerical capacity, or other parts of your license.
